Item 14. Indemnification of Directors and Officers

Section 102(b)(7) of the Delaware General Corporation Law, or the DGCL, allows a corporation to provide in its certificate of incorporation that a director of the corporation will not be personally liable to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, except where the director breached the duty of loyalty, failed to act in good faith, engaged in intentional misconduct or knowingly violated a law, authorized the payment of a dividend or approved a stock repurchase in violation of Delaware corporate law or obtained an improper personal benefit. Our second amended and restated certificate of incorporation will provide for this limitation of liability.

Section 145 of the DGCL, or Section 145, provides, among other things, that a Delaware corporation may indemnify any person who was, is or is threatened to be made, party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of such corporation), by reason of the fact that such person is or was an officer, director, employee, or agent of such corporation or is or was serving at the request of such corporation as a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit, or proceeding, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. A Delaware corporation may indemnify any persons who were or are a party to any threatened, pending or completed action or suit by or in the right of the corporation by reason of the fact that such person is or was a director, officer, employee or agent of another corporation or enterprise. The indemnity may include expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, provided such person acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the corporation's best interests, provided further that no indemnification is permitted without

judicial approval if the officer, director, employee or agent is adjudged to be liable to the corporation. Where an officer or director is successful on the merits or otherwise in the defense of any action referred to above, the corporation must indemnify him or her against the expenses (including attorneys' fees) which such officer or director has actually and reasonably incurred.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify such person under Section 145.

We expect to maintain standard policies of insurance that provide coverage (1) to our directors and officers against loss rising from claims made by reason of breach of duty or other wrongful act and (2) to us with respect to indemnification payments that we may make to such directors and officers.

Our amended and restated bylaws will provide that we must indemnify, and advance expenses to, our directors and officers to the full extent authorized by the DGCL. We also intend to enter into indemnification agreements with our directors and executive officers, which agreements will require us to indemnify these individuals to the fullest extent permitted under Delaware law against liabilities that may arise by reason of their service to us, and to advance expenses incurred as a result of any proceeding against them as to which they could be indemnified.

The indemnification rights set forth above shall not be exclusive of any other right which an indemnified person may have or hereafter acquire under any statute, provision of our second amended and restated certificate of incorporation, our amended and restated bylaws, agreement, vote of stockholders or disinterested directors or otherwise. Notwithstanding the foregoing, we shall not be obligated to indemnify a director or officer in respect of a proceeding (or part thereof) instituted by such director or officer, unless such proceeding (or part thereof) has been authorized by our board of directors pursuant to the applicable procedure outlined in the amended and restated bylaws.

Section 174 of the DGCL provides, among other things, that a director, who willfully or negligently approves of an unlawful payment of dividends or an unlawful stock purchase or redemption, may be held jointly and severally liable for such actions. A director who was either absent when the unlawful actions were approved or dissented at the time may avoid liability by causing his or her dissent to such actions to be entered in the books containing the minutes of the meetings of the board of directors at the time such action occurred or immediately after such absent director receives notice of the unlawful acts.

The underwriting agreement provides for indemnification by the underwriters of us and our officers and directors, and by us of the underwriters, for certain liabilities arising under the Securities Act or otherwise in connection with this offering.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us under any of the foregoing provisions, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

Item 15. Recent Sales of Securities

Within the past three years, the Registrant has granted or issued the following securities of the Registrant which were not registered under the Securities Act.

(a) Issuances of Capital Stock

- In January 2021, we issued 2,941 shares of our common stock at a price per share of $170 per share to an employee in connection with an acquisition.
- In April 2021 and May 2021, we issued 49,220 shares of our common stock at a price per share of $250 to certain of our employees, including our executive officers, in connection with our acquisition of Abode.

As of September 30, 2023, we had repurchased 9,881 shares of our common stock from certain of our employees in connection with the termination of their employment.

No underwriters were involved in the foregoing issuance of securities. The issuances of shares of common stock described in this Item 15(a) were issued pursuant to written compensatory plans or arrangements with our employees in reliance on the exemption from the registration requirements of the Securities Act provided by Rule 701 promulgated under the Securities Act or the exemption set forth in Section 4(2) under the Securities Act and Regulation D promulgated thereunder relative to transactions by an issuer not involving any public offering, to the extent an exemption from such registration was required.

(b) Stock Option Grants

Since December 2020, the Registrant has granted stock options to certain employees, in connection with services provided by such employees or the hiring/promotion of such employees, to purchase an aggregate of 180,875 shares of common stock of the Registrant.

Of the 180,875 stock option grants, since December 2020, options to purchase 8,994 shares of common stock of the Registrant had been exercised, and options to purchase 76,181 shares of common stock of the Registrant had expired or been forfeited and/or cancelled.

The issuances of stock options and the shares of common stock issuable upon the exercise of the options described in this Item 15(b) were issued pursuant to written compensatory plans or arrangements with our employees and directors, in reliance on the exemption from the registration requirements of the Securities Act provided by Rule 701 promulgated under the Securities Act or the exemption set forth in Section 4(2) under the Securities Act and Regulation D promulgated thereunder relative to transactions by an issuer not involving any public offering, to the extent an exemption from such registration was required.

All of the foregoing securities are deemed restricted securities for purposes of the Securities Act.

Item 16. Exhibits and Financial Statement Schedules

(a) Exhibits.

See the Exhibit Index immediately preceding the signature pages hereto, which is incorporated by reference as if fully set forth herein.

(b) Financial Statement Schedules. None

Item 17. Undertakings.

(1) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a

claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

(2) The undersigned Registrant hereby undertakes that:

(A) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the Registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(B) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

As Representative of the several Underwriters,

Ladies and Gentlemen:

BrightSpring Health Services, Inc., a Delaware corporation (the "Company"), proposes to sell to the several underwriters named in Schedule I hereto (the "Underwriters"), for whom you (the "Representative") are acting as Representative, [•] shares of Common Stock, $0.01 par value ("Common Stock"), of the Company (said shares to be issued and sold by the Company being hereinafter called the "Underwritten Securities"). The Company also proposes to grant to the Underwriters an option to purchase up to [•] additional shares of Common Stock to cover overallotments, if any (the "Option Securities"; the Option Securities, together with the Underwritten Securities, being hereinafter called the "Securities"). Certain capitalized terms used herein are defined in Section 24 hereof.

For the purposes of this Agreement, the term "Transaction" means, the offering of the Securities and the use of proceeds therefrom as described herein and in the Disclosure Package.

1. Representations and Warranties. The Company represents and warrants to, and agrees with, each Underwriter as set forth below in this Section 1.

(a) The Company has prepared and filed with the Commission a registration statement (file number333-276348) on Form S-1, including a related preliminary prospectus, for registration under the Act of the offering and sale of the Securities. Such Registration Statement, including any amendments thereto filed prior to the Execution Time, has become effective. No order suspending the effectiveness of the Registration Statement has been issued by the Commission, and no proceeding for that purpose or pursuant to Section 8A of the Act against the Company or related to the offering of the Securities has been initiated or threatened by the Commission. The Company may have filed one or more amendments thereto, including a related preliminary prospectus, each of which has previously been furnished to you. The Company will file with the Commission a final prospectus in accordance with Rule 424(b). As filed, such final prospectus shall contain all information required by the Act and the rules thereunder and, except

to the extent the Representative shall agree in writing to a modification, shall be in all substantive respects in the form furnished to you prior to the Execution Time or, to the extent not completed at the Execution Time, shall contain only such specific additional information and other changes (beyond that contained in the latest Preliminary Prospectus) as the Company has advised you, prior to the Execution Time, will be included or made therein.

(b) On the Effective Date, the Registration Statement did, and when the Prospectus is first filed in accordance with Rule 424(b) and on the Closing Date (as defined below) and on any date on which Option Securities are purchased, if such date is not the Closing Date (a "settlement date"), the Prospectus (and any supplement thereto) will, comply in all material respects with the applicable requirements of the Act and the rules thereunder; on the Effective Date, at the Execution Time and on the Closing Date and any settlement date, the Registration Statement did not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading; and on the date of any filing pursuant to Rule 424(b) and on the Closing Date and any settlement date, the Prospectus (together with any supplement thereto) will not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading; *provided, however,* that the Company makes no representations or warranties as to the information contained in or omitted from the Registration Statement or the Prospectus (or any supplement thereto) in reliance upon and in conformity with information furnished in writing to the Company by or on behalf of any Underwriter through the Representative specifically for inclusion in the Registration Statement or the Prospectus (or any supplement thereto).

(c) (i) The Disclosure Package, (ii) any individual Written Testing-the-Waters Communication, when taken together as a whole with the Disclosure Package, and (iii) each electronic road show, when taken together as a whole with the Disclosure Package, does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The preceding sentence does not apply to statements in or omissions from the Disclosure Package, any Written Testing-the-Waters Communication or any electronic roadshow based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representative specifically for use therein.

(d) (i) At the time of filing the Registration Statement and (ii) as of the Execution Time (with such date being used as the determination date for purposes of this clause (ii)), the Company was not and is not an Ineligible Issuer (as defined in Rule 405), without taking account of any determination by the Commission pursuant to Rule 405 that it is not necessary that the Company be considered an Ineligible Issuer.

(e) Each Issuer Free Writing Prospectus does not include any information that conflicts with the information contained in the Registration Statement. The foregoing sentence does not apply to statements in or omissions from any Issuer Free Writing Prospectus based upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representative specifically for use therein.

(f) The Company (i) has not alone engaged in any Testing-the-Waters Communication (other than Testing-the-Waters Communications with the consent of the Representative) and (ii) has not authorized anyone other than the Representative, Jefferies LLC, KKR Capital Markets LLC and Morgan Stanley & Co. LLC to engage in Testing-the-Waters Communications. The Company reconfirms that the Representative has been authorized to act on the Company's behalf in undertaking Testing-the-Waters Communication.

(g) None of the Company or any Significant Subsidiary (as defined below) is or, after giving effect to the offering and sale of the Securities and the application of the proceeds thereof as described in the Prospectus, will be an "investment company" as defined in the Investment Company Act, without taking account of any exemption arising out of the number of holders of the Company's securities.

(h) Neither the Company nor any of its subsidiaries has paid or agreed to pay to any person any compensation for soliciting another to purchase any Securities (except as contemplated in this Agreement).

(i) None of the Company or any of its subsidiaries or any of their respective Affiliates has taken or will take, directly or indirectly, any action designed to or that has constituted or that would reasonably be expected to cause or result, under the Exchange Act or otherwise, in stabilization or manipulation of the price of any security of the Company or any of its subsidiaries to facilitate the sale or resale of the Securities.

Delivery of the Securities shall be made to the Representative for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representative of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company in writing to the Representative. Delivery of the Underwritten Securities and the Option Securities shall be made through the facilities of DTC unless the Representative shall otherwise instruct.

If the option provided for in Section 2(b) hereof is exercised after the second Business Day immediately preceding the Closing Date, the Company will deliver the Option Securities to the Representative on the date specified by the Representative (which shall be within two Business Days after exercise of said option, which date may be postponed by agreement between the Representative and the Company) for the respective accounts of the several Underwriters, against payment by the several Underwriters through the Representative of the purchase price thereof to or upon the order of the Company by wire transfer payable in same- day funds to an account specified by the Company. If settlement for the Option Securities occurs after the Closing Date, the Company will deliver to the Representative on the settlement date for the Option Securities, and the obligation of the Underwriters to purchase the Option Securities shall be conditioned upon receipt of, supplemental opinions, certificates and letters confirming as of such date the opinions, certificates and letters delivered on the Closing Date pursuant to Section 7 hereof.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Prospectus.

5. Agreements. The Company agrees with the several Underwriters as follows:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or supplement to the Prospectus or any Rule 462(b) Registration Statement unless the Company has furnished you a copy for your review prior to filing and will not file any such proposed amendment or supplement to which you reasonably object. The Company will cause the Prospectus, properly completed, and any supplement thereto to be filed in a form approved by the Representative with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representative of such timely filing. The Company will prepare a term sheet, containing a description of the Securities, in a form approved by the Representative, and to file such final term sheet pursuant to and within the period required by Rule 433(d). The Company will promptly advise the Representative (i) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b) or when any Rule 462(b) Registration Statement shall have been filed with the Commission, (ii) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) Registration Statement, or for any supplement to the Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose or pursuant to Section 8A under the Act and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its commercially reasonable efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its commercially reasonable efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) If, at any time prior to the filing of the Prospectus pursuant to Rule 424(b), there occurs an event, the result of which, in the opinion of counsel for the Underwriters, or counsel for the Company, the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made not misleading, the Company will (i) notify promptly the Representative so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) subject to paragraph (a) of this Section 5, amend or supplement the Disclosure Package to eliminate or correct such statement or omission; and (iii) supply any amendment or supplement to the several Underwriters and counsel for the Underwriters without charge in such quantities as they may reasonably request.

(c) If, during such period of time after the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters a prospectus relating to the Securities is required by law to be delivered (including in circumstances where such requirement may be satisfied pursuant to Rule 172) (the "Prospectus Delivery Period"), there occurs an event, the result of which, in the opinion of counsel for the Underwriters, or counsel for the Company, the Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or supplement the Prospectus to comply with applicable law, the Company will promptly (i) notify the Representative of any such event; (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 5, an amendment or supplement that will eliminate or correct such statement or omission or effect such compliance; and (iii) supply any supplemented Prospectus to the several Underwriters and counsel for the Underwriters without charge in such quantities as they may reasonably request.

(d) If at any time following the distribution of any Written Testing-the-Waters Communication there occurred or occurs an event or development as a result of which such Written Testing-the-Waters Communication, when taken together as a whole with the Disclosure Package, included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, the Company will promptly notify the Representative and will promptly amend or supplement, at its own expense, such Written Testing-the-Waters Communication to eliminate or correct such statement or omission.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representative (which may be satisfied by filing with the Commission's EDGAR system) an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(f) The Company will cooperate with the Representative and use its commercially reasonable efforts to permit the Securities to be eligible for clearance and settlement through DTC.

(g) The Company will furnish to the Representative and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172) during the Prospectus Delivery Period, as many copies of each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representative may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(h) The Company will assist the Underwriters in arranging, if necessary, for the qualification of the Securities for sale by the Underwriters under the laws of such jurisdictions as the Representative may designate and will maintain such qualifications in effect so long as required for the sale of the Securities; *provided* that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would reasonably be expected to subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject or to subject themselves to taxation in excess of a nominal amount in respect of doing business in any jurisdiction.

(i) The Company will not, without the prior written consent of the Representative, offer, sell or contract to sell, pledge (other than on behalf of an Affiliate of the Company) or otherwise dispose of (or enter into any transaction that is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any Affiliate of the Company or any person in privity with the Company or any Affiliate of the Company) directly or indirectly, including the public filing (or participation in the public filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any other shares of Common Stock or any securities convertible into, or exercisable, or exchangeable for, shares of Common Stock ("Related Securities"); or publicly announce an intention to effect any such transaction, for a period of 180 days after the date of this Agreement. The foregoing sentence shall not apply to (A) (i) the Securities to be issued in the Transaction, (ii) the issuance of the Issuable Stock (as such term is defined in the Underwriting Agreement, dated as of the date hereof, between the Company and Goldman Sachs & Co. LLC, as representative of the underwriters, relating to the tangible equity units of the Company (the "TEU Underwriting Agreement")) and (iii) the issuance of securities in the Units Transaction (as such term is defined in the TEU Underwriting Agreement), (B) any shares of Common Stock issued by the Company upon the exercise of options to purchase shares of Common Stock, upon the vesting of restricted stock awards or upon the settlement of restricted stock unit awards, in each case disclosed in the Disclosure Package and the Prospectus, (C) the grant of awards pursuant to the Company's incentive plans or otherwise pursuant to equity compensation arrangements with directors, officers, employees and consultants of the Company and its subsidiaries, in each case, as described in the Disclosure Package and the Prospectus, (D) the issuance or grant of shares of securities, including restricted stock awards, options to purchase shares of common stock, restricted stock units or any other stock-based awards, in each case, registered or to be registered pursuant to any registration statement on Form S-8 pursuant to any benefit plans or arrangements (including, without limitation, employee stock purchase plans), in each case, as described in the Disclosure Package and the Prospectus, (E) the issuance of shares of Common Stock in connection with the acquisition by the Company or any of its subsidiaries of the securities, business, property or other assets of another person or business entity or pursuant to any employee benefit plan assumed by the Company in connection with any such acquisition, or (F) the issuance of shares of Common Stock, of restricted stock awards or of options to purchase shares of Common Stock, in each case, in connection with joint ventures, commercial relationships or other strategic transactions; provided that, in the case of immediately preceding clauses (E) and (F), the aggregate number of restricted stock awards and shares of Common Stock issued in connection with, or issuable pursuant to the exercise of any

options issued in connection with, all such acquisitions and other transactions does not exceed 5% of the aggregate number of shares of common stock outstanding immediately following the consummation of the Transaction and the recipient of the shares of Common Stock agrees in writing to be bound by the same terms described in the agreement attached hereto as Exhibit A.

(j) If the Representative, in its sole discretion, agrees to release or waive the restrictions set forth in a lock-up letter described in Section 6(j) hereof for an officer or director of the Company and provide the Company with notice of the impending release or waiver at least three Business Days before the effective date of the release or waiver, the Company agrees to announce the impending release or waiver by a press release substantially in the form of Exhibit B hereto through a major news service at least two Business Days before the effective date of the release or waiver.

(k) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, unlawful stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(l) The Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (iv) the printing (or reproduction) and delivery of any blue sky memorandum delivered in connection with the offering of the Securities; (v) the registration of the Securities under the Exchange Act and the listing of the Securities on the NASDAQ Global Select Market (the "Exchange"); (vi) any registration or qualification of the Securities for offer and sale under the securities or blue sky laws of the several states and any other jurisdictions specified pursuant to Section 5(h) hereof (including filing fees and the reasonable and documented fees and expenses of counsel for the Underwriters relating to such registration and qualification in an amount not to exceed $20,000); (vii) the approval of the Securities for book entry transfer by DTC; (viii) any filings required to be made with the FINRA (including filing fees, fees and expenses of the QIU (as defined below) and the reasonable and documented fees and expenses of counsel for the Underwriters relating to such filings in an amount not to exceed $35,000); (ix) the transportation and other expenses incurred by or on behalf of the Company in connection with presentations to prospective purchasers of the Securities, including any "roadshow" (and including one half of the cost of all chartered aircraft used in connection with any "roadshow"); (x) the costs and expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the prior approval of the Company; (xi) the fees and expenses of the Company's accountants and the fees and

expenses of counsel (including local and special counsel) for the Company; and (xii) all other costs and expenses incident to the performance by the Company of its obligations hereunder. Notwithstanding the forgoing, except as specifically provided in this paragraph (l) and in Section 7 hereof, the Underwriters shall pay their own costs and expenses in connection with presentations for prospective purchasers of the Securities including the transportation and other expenses incurred by or on behalf of the Underwriters in connection with presentations to prospective purchasers of the Securities, including any "roadshow" (and including one half of the cost of all chartered aircraft used in connection with any "roadshow").

(m) The Company will use the proceeds from the sale of the Underwritten Securities in the manner described in the Disclosure Package and the Prospectus under the caption "Use of Proceeds."

(n) The Company agrees that, unless it has or shall have obtained the prior written consent of the Representative, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute, or otherwise use, refer to or distribute, an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433; *provided* that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule II hereto and any electronic road show, each furnished to the Representative before first use. Any such free writing prospectus consented to by the Representative or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. Each Underwriter, severally and not jointly, represents and agrees that it is not subject to any pending proceeding under Section 8A of the Act with respect to the offering (and will promptly notify the Company if any such proceeding against it is initiated during the period a prospectus is required by the Act to be delivered (whether physically or through compliance with Rule 172 under the Act or any similar rule) in connection with any sale of Securities).

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Underwritten Securities and the Option Securities, as the case may be, shall be subject to the accuracy in all material respects (except in the case of Section 1(ll), (mm) and (nn) or to the extent already qualified by materiality, in which case such obligations shall be subject to the accuracy in all respects) of the representations and warranties of the Company contained herein as of the Execution Time, the Closing Date and any settlement date pursuant to Section 3 hereof, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company in all material respects of its obligations hereunder and to the following additional conditions:

(a) The Prospectus, and any supplement thereto, shall have been filed in the manner and within the time period required by Rule 424(b); any material required to be filed by the Company pursuant to Rule 433(d) under the Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433; and no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use shall have been issued and no proceedings for that purpose or pursuant to Section 8A under the Act shall have been instituted or threatened.

(b) The Company shall have requested and caused Simpson Thacher & Bartlett LLP, counsel for the Company, to furnish to the Representative an opinion letter and a negative assurance letter, each dated the Closing Date or any settlement date, as the case may be, and in form and substance reasonably satisfactory to the Representative, as set forth in Exhibit C hereto.

(c) The Representative shall have received from Latham & Watkins LLP, counsel for the Underwriters, an opinion letter and negative assurance letter, each dated the Closing Date or any settlement date, as the case may be, and addressed to the Representative, with respect to such matters as the Representative may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(d) The Company shall have furnished to the Underwriters a certificate of the Company, signed by (x) the chairman, chief executive officer, president or vice president and (y) the chief financial officer, treasurer or principal financial or accounting officer of the Company, dated the Closing Date or any settlement date, as the case may be, to the effect that the signers of such certificate have carefully examined the Registration Statement, the Disclosure Package, the Prospectus and any amendment or supplement thereto, as well as each electronic road show used in connection with the offering of the Securities, and this Agreement and that:

(1) the representations and warranties of the Company in this Agreement are true and correct in all material respects (except in the case of Section 1 (ll), (mm) and (nn) or to the extent already qualified by materiality, in which case such representations and warranties are true and correct in all respects) at the Execution Time and on the Closing Date or any settlement date, as the case may be, and the Company has complied in all material respects with all the agreements and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date or any settlement date, as the case may be;

(2) since the date of the most recent financial statements included in the Disclosure Package and the Prospectus (exclusive of any supplement thereto), there has been no material adverse change in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole, except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto); and

(3) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose or pursuant to Section 8A under the Act have been instituted or, to the Company's knowledge, threatened.

(e) At the Execution Time and at the Closing Date or any settlement date, as the case may be, the Company shall have requested and caused KPMG LLP to furnish to the Underwriters a "comfort" letter, dated as of the Execution Time, and a bring-down "comfort letter," dated as of the Closing Date or any settlement date, as the case may be, in form and substance reasonably satisfactory to the Representative, confirming that they are independent registered public accountants within the meaning of the Exchange Act and within the meaning of the rules of the Public Company Accounting Oversight Board and confirming certain matters with respect to the audited and unaudited financial statements and other financial and accounting information of the Company contained in the Disclosure Package and the Prospectus, including any supplement thereto at the date of the applicable letter.

(h) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto), there shall not have been any change or development involving a prospective change, in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole, and after giving effect to the Transaction, except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto), the effect of which is, or would reasonably be expected to become, in the judgment of the Representative, so material and adverse as to make it impractical or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto).

(i) On the Closing Date or any settlement date, as the case may be, the Securities shall have been approved for listing and admitted and authorized for trading on the Exchange, subject only to official notice of issuance.

(j) At or prior to the Execution Time, the Company shall have caused each officer, director and stockholder of the Company listed on ExhibitA-1 hereto to furnish to the Representative, a letter addressed to the Representative substantially in the form of Exhibit A hereto.

(k) Prior to the Closing Date or any settlement date, as the case may be, the Company shall have taken all action reasonably required to be taken by it to have the Securities declared eligible for clearance and settlement through DTC.

(l) Prior to the Closing Date or any settlement date, as the case may be, the Company shall have furnished to the Representative such further information, certificates and documents as the Representative may reasonably request.

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to the Representative and counsel for the Underwriters.

The documents required to be delivered by this Section 6 will be available for inspection at the office of Simpson Thacher & Bartlett LLP, at 425 Lexington Avenue, New York, New York 10017, on the Business Day prior to the Closing Date or any settlement date, as the case may be.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or to comply with any provision hereof other than by reason of a default by any of the Underwriters, including as described in Section 9 hereof, the Company will reimburse the Underwriters severally through the Representative on behalf of the Underwriters on demand for all accountable expenses (including reasonable fees and disbursements of Latham & Watkins LLP) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Underwriter, the directors, officers, selling agents and Affiliates of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other U.S. federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or in any Preliminary Prospectus, or the Prospectus, or any Issuer Free Writing Prospectus, or any Written Testing-the-Waters Communication, or any bona fide electronic road show as defined in Rule 433(h) under the Act (a "road show"), or in any amendment thereof or supplement thereto or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the case of any Preliminary Prospectus, the Prospectus, any Free Writing Prospectus, any Written Testing-the-Waters Communication or roadshow or in any amendment thereof or supplement thereto, in the light of the circumstances under which they were made, not misleading, and agrees (subject to the limitations set forth in the provisos to this sentence) to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however,* that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representative specifically for inclusion therein. The obligations of the Company under this indemnity agreement will be in addition to any liability that the Company may otherwise have. The Company shall not be liable under this Section 8 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by the Company, as applicable, which consent shall not be unreasonably withheld.

(b) Each Underwriter severally, and not jointly, agrees to indemnify and hold harmless (i) the Company, (ii) each person, if any, who controls (within the meaning of either the Act or the Exchange Act) the Company, (iii) each of the directors of the Company who signs the Registration Statement, (iv) each of the officers of the Company who signs the Registration Statement, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representative specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability that any Underwriter may otherwise have. The Company acknowledges that the statements in the Preliminary Prospectus and the Prospectus set forth in the thirteenth paragraph, the fourteenth paragraph and the fifteenth paragraph under the heading "Underwriting (Conflicts of Interest)", constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in the Registration Statement, Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus, any Written Testing-the-Waters Communication or any road show.

(c) Promptly after receipt by an indemnified party under this Section 8 or Section 11 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8 or Section 11, as applicable, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above or Section 11, as applicable, unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights or defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above or Section 11, as applicable, except as provided in paragraph (d) below. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); *provided, however,* that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest (based on the advice of counsel for the indemnified person); (ii) such action includes both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded (based on the advice of counsel for the indemnified person) that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. It is understood and agreed that the indemnifying person shall not, in connection with any proceeding or related proceeding in the

same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm (in addition to any local counsel) for all indemnified persons. Any such separate firm for any Underwriters, its Affiliates, directors, selling agents and officers and any control persons of such Underwriters shall be designated in writing by Goldman Sachs & Co. LLC and any such separate firm for the indemnified parties referred to in Section 8(b) above shall be designated in writing by the Company. In the event that any Underwriter, its Affiliates, directors, selling agents and officers or any control persons of such Underwriter are indemnified persons collectively entitled, in connection with a proceeding in a single jurisdiction, to the payment of fees and expenses of a single separate firm under this Section 8(c), and any such Underwriter, its Affiliates, directors, selling agents and officers or any control persons of such Underwriter cannot agree to a mutually acceptable separate firm to act as counsel thereto, then such separate firm for all such indemnified persons shall be designated in writing by Goldman Sachs & Co. LLC. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim, action suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to, or any admission of, fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a), (b) or (c) of this Section 8 or Section 11, as applicable, is unavailable to or insufficient to hold harmless an indemnified party for any reason (other than by virtue of the failure of an indemnified party to notify the indemnifying party of its right to indemnification pursuant to subsection (a), (b) or (c) above or Section 11, as applicable, where such failure materially prejudices the indemnifying party (through the forfeiture of substantial rights or defenses)), the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending any loss, claim, damage, liability or action) (collectively "Losses") to which the Company and one or more of the Underwriters (or the QIU in its capacity as such) may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters (or the QIU in its capacity as such) on the other from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason or not permitted by applicable law, the Company and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters (or the QIU in its capacity as such) on the other in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions received by them, in each case as set forth on the cover page of the Prospectus. Benefits received by the QIU shall be deemed to be equal to the compensation received by the QIU for acting in such capacity. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters (or the

QIU in its capacity as such) on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission and any other equitable considerations appropriate in the circumstances. The Company and the Underwriters agree that it would not be just and equitable if the amount of such contribution were determined by pro rata allocation or any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), in no event shall any Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The QIU, in its capacity as such, shall not be responsible for any amount in excess of the compensation received by the QIU for acting in such capacity. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this Section 8 are several in proportion to their respective purchase obligations hereunder and not joint. For purposes of this Section 8, each person, if any, who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee, Affiliate and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters, as the case may be, shall be obligated severally to take up and pay for (in the respective proportions that the amount of the Securities set forth opposite their names in Schedule I hereto bears to the aggregate amount of the Securities set forth opposite the names of all the remaining Underwriters, as applicable) the Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase; *provided, however,* that in the event that the aggregate amount of the Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate amount of the Securities set forth in Schedule I hereto, the Company shall be entitled to a period of 36 hours within which to procure another party or parties reasonably satisfactory to the non-defaulting Underwriters, as the case may be, to purchase no less than the amount of such unpurchased Securities that exceeds 10% of the amount thereof upon such terms herein set forth. If, however, the Company shall not have completed such arrangements within 72 hours after such default and the amount of unpurchased Securities exceeds 10% of the amount of such Securities to be purchased on such date, then this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, to effect any changes that in the opinion of counsel for the Company or counsel for the Representative are necessary in the Registration Statement, Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company or any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representative, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such time (i) there shall have occurred, since the time of execution of this Agreement or since the respective dates as of which information is given in the Disclosure Package or the Prospectus, any material adverse change or development in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole; (ii) trading in the Company's Common Stock shall have been suspended by the Commission or the Exchange or trading in any securities generally on the New York Stock Exchange or NASDAQ Stock Market shall have been suspended or materially limited or minimum prices shall have been established on either exchange; (iii) a banking moratorium shall have been declared either by U.S. federal or New York State authorities; (iv) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services or (v) there shall have occurred any outbreak or escalation of hostilities, declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the judgment of the Representative, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto).

11. Qualified Independent Underwriter. The Company hereby confirms that at its request Goldman Sachs & Co. LLC has without compensation acted as "qualified independent underwriter" (in such capacity, the "QIU") within the meaning of Rule 5121 of FINRA in connection with the offering of the Offered Securities. In addition to its obligations under Section 8(a) herein, the Company will indemnify and hold harmless the QIU, its directors, officers, employees and agents and each person, if any, who controls the QIU within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which the QIU may become subject, under the Act, the Exchange Act, other federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon the QIU's acting (or alleged failing to act) as such "qualified independent underwriter" (within the meaning of Rule 5121 of FINRA) in connection with the offering of Securities as contemplated by this Agreement, and will reimburse the QIU for any legal or other expenses reasonably incurred by the QIU in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; *provided*, *however*, that the Company shall not be liable for the reasonable fees and expenses of more than one law firm (in addition to any local counsel) for the QIU in its capacity as such and all persons, if any, who control such QIU within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act. The Company shall not be liable under this Section 11 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by the Company, as applicable, which consent shall not be unreasonably withheld.

12. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, the Company or any of the indemnified persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 8 and 10 hereof shall survive the termination or cancellation of this Agreement.

13. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representative, will be mailed, delivered or telefaxed to c/o Goldman Sachs & Co. LLC, 200 West Street, New York, NY 10282, Attention: [•], or, if sent to the Company, will be mailed or delivered to BrightSpring Health Services, Inc., 805 N. 14. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(c) For purposes of this Section 14, a "BHC Act Affiliate" has the meaning assigned to the term "affiliate" in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k). No purchaser of Securities from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

16. Applicable Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WITHIN THE STATE OF NEW YORK.

18. No Fiduciary Duty. The Company hereby acknowledges that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, and does not constitute a recommendation, investment advice, or solicitation of any action by the Underwriters, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company and (c) the Company's engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. As Representative of the several Underwriters,

Ladies and Gentlemen:

This letter agreement (this "Letter Agreement") is being delivered to you in connection with the proposed Underwriting Agreement (the "Underwriting Agreement"), among BrightSpring Health Services, Inc., a Delaware corporation (the "Company") and you as representative (the "Representative") of a group of Underwriters named therein, relating to an underwritten public offering of Common Stock, $0.01 par value per share (the "Common Stock"), of the Company (the "Offering").

In order to induce you and the other Underwriters to enter into the Underwriting Agreement, the undersigned will not, without the prior written consent of Goldman Sachs & Co. LLC, offer, sell, contract to sell, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the undersigned or any controlled affiliate of the undersigned or any person in privity with the undersigned or any controlled affiliate of the undersigned), directly or indirectly, including the public filing (or participation in the public filing) of a registration statement with the Securities and Exchange Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Securities and Exchange Commission promulgated thereunder with respect to, any shares of capital stock of the Company ("Shares") or any securities convertible into, or exercisable or exchangeable for such capital stock ("Related Securities"), or publicly announce an intention to effect any such transaction, for a period from the date hereof until 180 days after the date of the Underwriting Agreement (the "lock-up period"). Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Underwriting Agreement.

The foregoing restrictions shall not apply:

(i) to the transfer of Shares or Related Securities by gift, or by will or intestate succession to a family member or to a trust, partnership, limited liability company or other entity for the direct or indirect benefit of the undersigned and/or a family member;

(ii) if the undersigned is a corporation, partnership, limited liability company, trust or other business entity, to (1) transfers of Shares or Related Securities to another corporation, partnership, limited liability company, trust or other business entity that is a direct or indirect affiliate (as defined under Rule 12b-2 of the Exchange Act) of the undersigned or (2) distributions of Shares or Related Securities to limited partners, limited liability company members or stockholders of the undersigned or holders of similar equity interests in the undersigned;

(iii) if the undersigned is a trust, to transfers to the beneficiary of such trust;

(iv) to transfers to any investment fund or other entity that controls or manages, or is controlled or managed by, or is under common control or management with, the undersigned;

(v) to transfers to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under clauses (i) through (iv);

(vi) to transfers to the Company (1) pursuant to the exercise, in each case on a "cashless" or "net exercise" basis, of any option to purchase Shares or the vesting of any restricted stock awards or the settlement of any restricted stock units granted by the Company pursuant to any incentive plans or otherwise pursuant to equity compensation plans or arrangements described in or filed as an exhibit to the registration statement with respect to the Offering, where any Shares received by the undersigned upon any such exercise, vesting or settlement will be subject to the terms of this lock-up agreement, or (2) for the purpose of satisfying any withholding taxes (including estimated taxes) due as a result of the exercise of any option to purchase Shares or the vesting of any restricted stock awards or the settlement of any restricted stock units granted by the Company pursuant to any incentive plans or otherwise pursuant to equity compensation plans or arrangements described in or filed as an exhibit to the registration statement with respect to the Offering, in each case on a "cashless" or "net exercise" basis, where any Shares received by the undersigned upon any such exercise, vesting or settlement will be subject to the terms of this lock-up agreement; *provided* that any filing under Section 16(a) of the Exchange Act in connection with such transfer shall indicate, to the extent permitted by such Section and the related rules and regulations, the reason for such disposition and that such transfer of Shares was solely to the Company;

(vii) to transfers pursuant to an order of a court or regulatory agency (for purposes of this Letter Agreement, a "court or regulatory agency" means any domestic or foreign, federal, state or local government, including any political subdivision thereof, any governmental or quasi-governmental authority, department, agency or official, any court or administrative body, and any national securities exchange or similar self-regulatory body or organization, in each case of competent jurisdiction); *provided* that any filing under Section 16(a) of the Exchange Act in connection with such transfer shall indicate, to the extent permitted by such Section and the related rules and regulations, that such transfer is pursuant to an order of a court or regulatory agency;

(viii) to transfers of Shares or Related Securities to the Company pursuant to the call or put provisions of existing employment agreements and equity grant documents; *provided* that any filing under Section 16(a) of the Exchange Act in connection with such transfer shall indicate, to the extent permitted by such Section and the related rules and regulations, the reason for such disposition and that such transfer of Shares or Related Securities was solely to the Company;

(ix) to transfers from an executive officer or his or her estate to the Company upon death, disability or termination of employment, in each case, of such executive officer;

(x) to transfers of Shares acquired in the Offering or in open-market transactions after the completion of the Offering;

(xi) to transfers in response to a bona fide third party tender offer, merger, consolidation or other similar transaction made to or with all holders of Shares or related Securities involving a "change of control" (as defined below) of the Company occurring after the consummation of the Offering, that has been approved by the board of directors of the Company, *provided* that in the event that the tender offer, merger, consolidation or other such transaction is not completed, the undersigned's Shares shall remain subject to the terms of this Letter Agreement. For purposes of this clause (xi), "change of control" means the consummation of any bona fide third party tender offer, merger, consolidation or other similar transaction the result of which is that any "person" (as defined in Section 13 (d)(3) of the Exchange Act), or group of persons, other than the Company, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 of the Exchange Act) of at least 51% of total voting power of the voting stock of the Company; and

(xii) to enter into a written plan meeting the requirements of Rule 10b5-l under the Exchange Act for the transfer of Shares or Related Securities that does not in any case provide for the transfer of Shares or Related Securities during the lock-up period; *provided* that any filing under the Exchange Act or other public announcement made by any person regarding the establishment of such plan during the lock-up period shall include a statement that the undersigned is not permitted to transfer securities under such plan during the lock-up period in contravention of this Letter Agreement.

Provided, further, that:

A. in the case of any transfer or distribution pursuant to clauses (i) through (v) above, it shall be a condition to such transfer that each transferee executes and delivers to Goldman Sachs & Co. LLC an agreement in form and substance satisfactory to Goldman Sachs & Co. LLC stating that such transferee is receiving and holding such Shares and/or Related Securities subject to the provisions of this Letter Agreement and agrees not to sell or offer to sell such Shares and/or Related Securities, engage in any swap or engage in any other activities restricted under this Letter Agreement except in accordance with this Letter Agreement (as if such transferee had been an original signatory hereto); and

B. in the case of any transfer or distribution pursuant to clauses (i) through (v) and clause (ix) above, prior to the expiration of the lock-up period no filing by any party (donor, donee, transferor or transferee) under the Exchange Act (other than those required pursuant to Section 13), or other public announcement reporting a reduction in beneficial ownership of Shares shall be required or shall be made voluntarily in connection with such transfer or distribution.

Notwithstanding anything to the contrary in this agreement, the restrictions set forth in this Letter Agreement shall not apply to the exercise of any right with respect to a registration of any Shares or Related Securities; provided that no transfer of the undersigned's Shares or Related Securities proposed to be registered pursuant to the exercise of such rights under this paragraph shall occur, and no registration statement shall be publicly filed or announced, during the lock-up period. In addition, the undersigned agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the undersigned's Shares or Related Securities except in compliance with the foregoing restrictions.

If the undersigned is an officer or director of the Company, the undersigned further agrees that the foregoing restrictions shall be equally applicable to any issuer-directed shares of Common Stock the undersigned may purchase in the Offering.

The undersigned acknowledges and agrees that the Underwriters have not provided any recommendation or investment advice nor have the Underwriters solicited any action from the undersigned with respect to the Offering and the undersigned has consulted their own legal, accounting, financial, regulatory and tax advisors to the extent deemed appropriate. The undersigned further acknowledges and agrees that, although the Representative may be required or choose to provide certain Regulation Best Interest and Form CRS disclosures to you in connection with the Offering, the Representative and the other Underwriters are not making a recommendation to you to enter into this Letter Agreement, and nothing set forth in such disclosures is intended to suggest that the Representative or any Underwriter is making such a recommendation.

If the undersigned is an officer or director of the Company, (i) Goldman Sachs & Co. LLC agrees that, at least three business days before the effective date of any release or waiver of the foregoing restrictions in connection with a transfer of shares of Common Stock, Goldman Sachs & Co. LLC will notify the Company of the impending release or waiver, and (ii) the Company has agreed in the Underwriting Agreement to announce the impending release or waiver by press release through a major news service at least two business days before the effective date of the release or waiver or, as applicable, to disclose such release or waiver in the

publicly filed registration statement in connection with a secondary offering. Any release or waiver granted by Goldman Sachs & Co. LLC hereunder to any such officer or director shall only be effective two business days after the publication date of such press release. The provisions of this paragraph will not apply if (a) the release or waiver is effected solely to permit a transfer not for consideration or that is to an immediate family member (as defined in FINRA Rule 5130(i)(5)) and (b) the transferee has agreed in writing to be bound by the same terms described in this letter to the extent and for the duration that such terms remain in effect at the time of the transfer.

If for any reason the Underwriting Agreement shall be terminated prior to the Closing Date, the agreement set forth above shall likewise be terminated.

Yours very truly,

Neither the Company nor any of its subsidiaries has received notice of any termination, suspension, revocation, non-renewal or material modification of any Health Care Permit, except where such termination, suspension, revocation, non-renewal or material modification would not, individually or in the aggregate, have a Material Adverse Effect.

(pp) Except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto), or except as would not reasonably be expected to, individually or in the aggregate, have a Material Adverse Effect, the Company and its subsidiaries, as applicable, meet all material requirements of participation of any Federal Health Care Programs and are a party to valid participation agreements for payment by such Federal Health Care Programs. Except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto), to the Company's knowledge, there are no claims, actions or appeals pending (and the Company and its subsidiaries have not made any filing or submission that would result in any claims, actions or appeals) with respect to any Federal Health Care Program reports or claims filed by the Company, or any of its subsidiaries on or before the date hereof, or with respect to any disallowances by any Federal Health Care Program in connection with any audit or appeal that, if adversely determined, which would be reasonably expected to result in, individually or in the aggregate, a Material Adverse Effect.

(rr) Except as would not reasonably be expected to have a Material Adverse Effect, the Company and its subsidiaries' information technology assets and equipment, computers, systems, networks, hardware, software, websites, applications, and databases (collectively, "IT Systems") are adequate for, and operate and perform in all respects as required in connection with the operation of the business of the Company and its subsidiaries as currently conducted and, to the knowledge of the Company, are free and clear of all material bugs, errors, defects, Trojan horses, time bombs, malware and other corruptants. Except as would not reasonably be expected to have a Material Adverse Effect, the Company and its subsidiaries have implemented and maintained commercially reasonable policies, procedures, and safeguards to maintain and protect their material confidential information and the integrity, continuous operation, redundancy and security of all IT Systems and data (including all personal, personally identifiable, sensitive, confidential or regulated data ("Personal Data")). Except as would not reasonably be expected to have a Material Adverse Effect, the Company and its subsidiaries are presently in compliance with all applicable laws or statutes and all judgments, orders, rules and regulations of any court or arbitrator or governmental or regulatory authority, internal policies and contractual obligations relating to the privacy and security of IT Systems and Personal Data and to the protection of such IT Systems and Personal Data from unauthorized use, access, misappropriation or modification.

(ss) The Company does not have any debt securities outstanding that have been rated by any "nationally recognized statistical rating organization" as defined in Section 3(a)(62) of the Exchange Act.

(tt) The Company has the requisite corporate power and authority to execute and deliver each of the Units Transaction Documents and to perform its obligations hereunder and thereunder including, without limitation, to issue, sell and deliver the Securities and the maximum number of shares of Common Stock to be issued and delivered by the Company pursuant to the Purchase Contract Agreement and the Purchase Contracts (calculated assuming exercise in full by the Underwriters of the option to purchase the Option Securities and settlement of the Purchase Contracts at the "maximum settlement rate," as such term is defined in the Disclosure Package, the "Issuable Stock"); and the Company has duly and validly taken all corporate action required to be taken by it for the due and proper authorization, execution and delivery by it of each of the Units Transaction Documents and the consummation of the Units Transaction.

(uu) The Securities have been duly and validly authorized and, when issued, executed and authenticated in accordance with the provisions of the Purchase Contract Agreement and delivered to the Underwriters against payment therefor as provided herein, will (i) constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, except as the enforceability thereof may be limited by bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles (the "Enforceability Exceptions"), (ii) be entitled to the benefits of the Purchase Contract Agreement and (iii) conform in all material respects to the description thereof contained in the Disclosure Package and the Prospectus.

(vv) The Amortizing Notes have been duly authorized and, when issued and executed in accordance with the provisions of the Indenture and delivered to the Underwriters against payment therefor as provided herein, will (i) constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, except as the enforceability thereof may be limited by the Enforceability Exceptions, (ii) be entitled to the benefits provided by the Indenture and (iii) conform in all material respects to the description thereof contained in the Disclosure Package and the Prospectus.

(ww) The Purchase Contracts have been duly authorized and, when issued, executed and delivered in accordance with the provisions of the Purchase Contract Agreement against payment therefor as provided herein, will (i) constitute valid and legally binding obligations of the Company, enforceable in accordance with their terms, except as the enforceability thereof may be limited by the Enforceability Exceptions, (ii) be entitled to the benefits of the Purchase Contract Agreement and (iii) conform in all material respects to the description thereof contained in the Disclosure Package and the Prospectus.

(xx) The Indenture has been duly authorized by the Company and duly qualified under the Trust Indenture Act and, when duly executed and delivered by the Company (assuming that the Indenture is a valid and binding obligation of the Trustee), will constitute a valid and legally binding agreement, enforceable against the Company in accordance with its terms, except as the enforceability thereof may be limited by the Enforceability Exceptions.

(yy) The Purchase Contract Agreement, when duly executed and delivered by the Company (assuming the Purchase Contract Agreement is a valid and binding obligation of the Purchase Contract Agent, as attorney-in-fact for the holders thereof, and the Trustee) will constitute a valid and legally binding instrument, enforceable against the Company in accordance with its terms, except as the enforceability thereof may be limited by the Enforceability Exceptions.

(zz) The Issuable Stock has been duly authorized and reserved for issuance by the Company and, when issued and delivered in accordance with the provisions of the Purchase Contracts and the Purchase Contract Agreement, will be validly issued, fully paid and nonassessable and not issued in violation of any preemptive or similar right.

Any certificate signed by any officer of the Company and delivered to the Representative or counsel for the Underwriters in connection with the offering of the Securities shall be deemed a representation and warranty by the Company, as to matters covered thereby, to each Underwriter.

2. Purchase and Sale.

(a) Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company agrees to issue and sell to each Underwriter, and each Underwriter agrees, severally and not jointly, to purchase from the Company, at a net purchase price of $[•] per Unit, the amount of the Underwritten Securities set forth opposite such Underwriter's name in Schedule I hereto.

(b) Subject to the terms and conditions and in reliance upon the representations and warranties herein set forth, the Company hereby grants an option to the several Underwriters to purchase, severally and not jointly, up to [•] Option Securities at the purchase price per Unit set forth above. Said option may be exercised only to cover over-allotments in the sale of the Underwritten Securities by the Underwriters. Said option may be exercised in whole or in part at any time (but not more than twice) upon written or telegraphic notice by the Representative to the Company setting forth the number of Option Securities as to which the several Underwriters are exercising the option and the settlement date, provided that such settlement date shall occur within a period of 13 calendar days from, and including, the Closing Date. The number of Option Securities to be purchased by each Underwriter shall be the same percentage of the total number of Option Securities to be purchased by the several Underwriters as such Underwriter is purchasing of the Underwritten Securities, subject to such adjustments as you in your absolute discretion shall make to eliminate any fractional Units.

3. Delivery and Payment. Delivery of and payment for the Underwritten Securities and the Option Securities (if the option provided for in Section 2(b) hereof shall have been exercised on or before the second Business Day immediately preceding the Closing Date) shall be made at the offices of Simpson Thacher & Bartlett LLP, 425 Lexington Avenue, New York, New York 10017 at 10:00 AM, New York City time, on [•], 2024, or at such time on such later date not more than two Business Days after the foregoing date as the Representative shall designate, which date and time may be postponed by agreement between the Representative and the Company or as provided in Section 9 hereof (such date and time of delivery and payment for the Securities being herein called the "Closing Date"). Delivery of the Securities shall be made to the Representative for the respective accounts of the several Underwriters against payment by the several Underwriters through the Representative of the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company in writing to the Representative. Delivery of the Underwritten Securities and the Option Securities shall be made through the facilities of DTC unless the Representative shall otherwise instruct.

If the option provided for in Section 2(b) hereof is exercised after the second Business Day immediately preceding the Closing Date, the Company will deliver the Option Securities to the Representative on the date specified by the Representative (which shall be within two Business Days after exercise of said option, which date may be postponed by agreement between the Representative and the Company) for the respective accounts of the several Underwriters, against payment by the several Underwriters through the Representative of

the purchase price thereof to or upon the order of the Company by wire transfer payable in same-day funds to an account specified by the Company. If settlement for the Option Securities occurs after the Closing Date, the Company will deliver to the Representative on the settlement date for the Option Securities, and the obligation of the Underwriters to purchase the Option Securities shall be conditioned upon receipt of, supplemental opinions, certificates and letters confirming as of such date the opinions, certificates and letters delivered on the Closing Date pursuant to Section 7 hereof.

4. Offering by Underwriters. It is understood that the several Underwriters propose to offer the Securities for sale to the public as set forth in the Prospectus.

5. Agreements. The Company agrees with the several Underwriters as follows:

(a) Prior to the termination of the offering of the Securities, the Company will not file any amendment of the Registration Statement or supplement to the Prospectus or any Rule 462(b) Registration Statement unless the Company has furnished you a copy for your review prior to filing and will not file any such proposed amendment or supplement to which you reasonably object. The Company will cause the Prospectus, properly completed, and any supplement thereto to be filed in a form approved by the Representative with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Representative of such timely filing. The Company will prepare a term sheet, containing a description of the Securities, in a form approved by the Representative, and to file such final term sheet pursuant to and within the period required by Rule 433(d). The Company will promptly advise the Representative (i) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b) or when any Rule 462(b) Registration Statement shall have been filed with the Commission, (ii) when, prior to termination of the offering of the Securities, any amendment to the Registration Statement shall have been filed or become effective, (iii) of any request by the Commission or its staff for any amendment of the Registration Statement, or any Rule 462(b) Registration Statement, or for any supplement to the Prospectus or for any additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or of any notice objecting to its use or the institution or threatening of any proceeding for that purpose or pursuant to Section 8A under the Act and (v) of the receipt by the Company of any notification with respect to the suspension of the qualification of the Securities or the Issuable Stock for sale in any jurisdiction or the institution or threatening of any proceeding for such purpose. The Company will use its commercially reasonable efforts to prevent the issuance of any such stop order or the occurrence of any such suspension or objection to the use of the Registration Statement and, upon such issuance, occurrence or notice of objection, to obtain as soon as possible the withdrawal of such stop order or relief from such occurrence or objection, including, if necessary, by filing an amendment to the Registration Statement or a new registration statement and using its commercially reasonable efforts to have such amendment or new registration statement declared effective as soon as practicable.

(b) If, at any time prior to the filing of the Prospectus pursuant to Rule 424(b), there occurs an event, the result of which, in the opinion of counsel for the Underwriters, or counsel for the Company, the Disclosure Package would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made not misleading, the Company will (i) notify promptly the Representative so that any use of the Disclosure Package may cease until it is amended or supplemented; (ii) subject to paragraph (a) of this Section 5, amend or supplement the Disclosure Package to eliminate or correct such statement or omission; and (iii) supply any amendment or supplement to the several Underwriters and counsel for the Underwriters without charge in such quantities as they may reasonably request.

(c) If, during such period of time after the first date of the public offering of the Securities as in the opinion of counsel for the Underwriters a prospectus relating to the Securities is required by law to be delivered (including in circumstances where such requirement may be satisfied pursuant to Rule 172) (the "Prospectus Delivery Period"), there occurs an event, the result of which, in the opinion of counsel for the Underwriters, or counsel for the Company, the Prospectus as then supplemented would include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein in the light of the circumstances under which they were made not misleading, or if it shall be necessary to amend the Registration Statement or supplement the Prospectus to comply with applicable law, the Company will promptly (i) notify the Representative of any such event; (ii) prepare and file with the Commission, subject to the second sentence of paragraph (a) of this Section 5, an amendment or supplement that will eliminate or correct such statement or omission or effect such compliance; and (iii) supply any supplemented Prospectus to the several Underwriters and counsel for the Underwriters without charge in such quantities as they may reasonably request.

(d) If at any time following the distribution of any Written Testing-the-Waters Communication there occurred or occurs an event or development as a result of which such Written Testing-the-Waters Communication, when taken together as a whole with the Disclosure Package, included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, the Company will promptly notify the Representative and will promptly amend or supplement, at its own expense, such Written Testing-the-Waters Communication to eliminate or correct such statement or omission.

(e) As soon as practicable, the Company will make generally available to its security holders and to the Representative (which may be satisfied by filing with the Commission's EDGAR system) an earnings statement or statements of the Company and its subsidiaries which will satisfy the provisions of Section 11(a) of the Act and Rule 158 under the Act.

(f) The Company will cooperate with the Representative and use its commercially reasonable efforts to permit the Securities to be eligible for clearance and settlement through DTC.

(g) The Company will furnish to the Representative and counsel for the Underwriters, without charge, signed copies of the Registration Statement (including exhibits thereto) and to each other Underwriter a copy of the Registration Statement (without exhibits thereto) and, so long as delivery of a prospectus by an Underwriter or dealer may be required by the Act (including in circumstances where such requirement may be satisfied pursuant to Rule 172) during the Prospectus Delivery Period, as many copies of each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus and any supplement thereto as the Representative may reasonably request. The Company will pay the expenses of printing or other production of all documents relating to the offering.

(h) The Company will assist the Underwriters in arranging, if necessary, for the qualification of the Securities for sale by the Underwriters under the laws of such jurisdictions as the Representative may designate and will maintain such qualifications in effect so long as required for the sale of the Securities; *provided* that in no event shall the Company be obligated to qualify to do business in any jurisdiction where it is not now so qualified or to take any action that would reasonably be expected to subject it to service of process in suits, other than those arising out of the offering or sale of the Securities, in any jurisdiction where it is not now so subject or to subject themselves to taxation in excess of a nominal amount in respect of doing business in any jurisdiction.

(i) The Company will not, without the prior written consent of the Representative, offer, sell or contract to sell, pledge (other than on behalf of an Affiliate of the Company) or otherwise dispose of (or enter into any transaction that is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the Company or any Affiliate of the Company or any person in privity with the Company or any Affiliate of the Company) directly or indirectly, including the public filing (or participation in the public filing) of a registration statement with the Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Exchange Act, any other shares of Common Stock or any securities convertible into, or exercisable, or exchangeable for, shares of Common Stock ("Related Securities"); or publicly announce an intention to effect any such transaction, for a period of 180 days after the date of this Agreement. The foregoing sentence shall not apply to (A) the Equity Offering, (B) the issuance of the Issuable Stock, (C) the issuance of Securities in the Units Transaction, (D) any shares of Common Stock issued by the Company upon the exercise of options to purchase shares of Common Stock, upon the vesting of restricted stock awards or upon the settlement of restricted stock unit awards, in each case disclosed in the Disclosure Package and the Prospectus, (E) the grant of awards pursuant to the Company's incentive plans or otherwise pursuant to equity compensation arrangements with directors, officers, employees and consultants of the Company and its subsidiaries, in each case, as described in the Disclosure Package and the Prospectus, (F) the issuance or grant of shares of securities, including restricted stock awards, options to purchase shares of Common Stock, restricted stock units or any other stock-based awards, in each case, registered or to be registered pursuant to any registration statement on Form S-8 pursuant to any benefit plans or arrangements (including, without limitation, employee stock purchase plans), in each case, as described in the Disclosure Package and the Prospectus, (G) the issuance of shares of Common Stock in connection with the acquisition by the Company or any of its subsidiaries of the securities, business, property or other assets of another person or business entity or pursuant to any employee benefit plan assumed by the Company in connection with any such acquisition, or (H) the issuance of shares of Common Stock, of restricted stock awards or of options to purchase shares of Common Stock, in each case, in connection with joint ventures, commercial relationships or other strategic transactions; *provided* that, in the case of immediately preceding clauses (G) and (H), the aggregate number of restricted stock awards and shares of Common Stock issued in connection with, or issuable pursuant to the exercise of any

options issued in connection with, all such acquisitions and other transactions does not exceed 5% of the aggregate number of shares of Common Stock outstanding immediately following the consummation of the Equity Offering and the recipient of the shares of Common Stock agrees in writing to be bound by the same terms described in the agreement attached hereto as Exhibit A.

(j) If the Representative, in its sole discretion, agrees to release or waive the restrictions set forth in a lock-up letter described in Section 6(j) hereof for an officer or director of the Company and provide the Company with notice of the impending release or waiver at least three Business Days before the effective date of the release or waiver, the Company agrees to announce the impending release or waiver by a press release substantially in the form of Exhibit B hereto through a major news service at least two Business Days before the effective date of the release or waiver.

(k) The Company will not take, directly or indirectly, any action designed to or that would constitute or that might reasonably be expected to cause or result in, under the Exchange Act or otherwise, unlawful stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the Securities.

(l) The Company agrees to pay the costs and expenses relating to the following matters: (i) the preparation, printing or reproduction and filing with the Commission of the Registration Statement (including financial statements and exhibits thereto), each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus, and each amendment or supplement to any of them; (ii) the printing (or reproduction) and delivery (including postage, air freight charges and charges for counting and packaging) of such copies of the Registration Statement, each Preliminary Prospectus, the Prospectus and each Issuer Free Writing Prospectus, and all amendments or supplements to any of them, as may, in each case, be reasonably requested for use in connection with the offering and sale of the Securities; (iii) the preparation, printing, authentication, issuance and delivery of certificates for the Securities, including any stamp or transfer taxes in connection with the original issuance and sale of the Securities; (iv) the printing (or reproduction) and delivery of any blue sky memorandum delivered in connection with the offering of the Securities and the Issuable Stock; (v) the registration of the Securities and the Issuable Stock under the Exchange Act and the listing of the Securities on the NASDAQ Global Select Market (the "Exchange") and the listing of the Issuable Stock on the Exchange; (vi) any registration or qualification of the Securities and the Issuable Stock for offer and sale under the securities or blue sky laws of the several states and any other jurisdictions specified pursuant to Section 5(h) hereof (including filing fees and the reasonable and documented fees and expenses of counsel for the Underwriters relating to such registration and qualification in an amount not to exceed $20,000); (vii) the approval of the Securities for book entry transfer by DTC; (viii) any filings required to be made with the FINRA (including filing fees, fees and expenses of the QIU (as defined below) and the reasonable and documented fees and expenses of counsel for the Underwriters relating to such filings in an amount not to exceed $35,000); (ix) the transportation and other expenses incurred by or on behalf of the Company in connection with presentations to prospective purchasers of the Securities, including any "roadshow" (and including one half of the cost of all chartered aircraft used in connection with any "roadshow"); (x) the costs and expenses associated with the preparation or dissemination of any electronic road show, expenses associated with the production of road show slides and graphics, fees and expenses of any consultants engaged in connection with the road show presentations with the

prior approval of the Company; (xi) the cost and charges of any transfer agent or registrar or dividend disbursing agent; (x) the fees and expenses of the Trustee and any agents of the Trustee and the fees and disbursements of counsel for the Trustee in connection with the Indenture, the Amortizing Notes and the Securities; (xi) the fees and expenses of the Purchase Contract Agent in connection with the Purchase Contracts, the Purchase Contract Agreement and the Securities; (xii) the fees and expenses of the Company's accountants and the fees and expenses of counsel (including local and special counsel) for the Company; and (xiii) all other costs and expenses incident to the performance by the Company of its obligations hereunder. Notwithstanding the forgoing, except as specifically provided in this paragraph (l) and in Section 7 hereof, the Underwriters shall pay their own costs and expenses in connection with presentations for prospective purchasers of the Securities including the transportation and other expenses incurred by or on behalf of the Underwriters in connection with presentations to prospective purchasers of the Securities, including any "roadshow" (and including one half of the cost of all chartered aircraft used in connection with any "roadshow").

(m) The Company will use the proceeds from the sale of the Underwritten Securities in the manner described in the Disclosure Package and the Prospectus under the caption "Use of Proceeds."

(n) The Company agrees that, unless it has or shall have obtained the prior written consent of the Representative, and each Underwriter, severally and not jointly, agrees with the Company that, unless it has or shall have obtained, as the case may be, the prior written consent of the Company, it has not made and will not make any offer relating to the Securities that would constitute, or otherwise use, refer to or distribute, an Issuer Free Writing Prospectus or that would otherwise constitute a "free writing prospectus" (as defined in Rule 405) required to be filed by the Company with the Commission or retained by the Company under Rule 433; *provided* that the prior written consent of the parties hereto shall be deemed to have been given in respect of the Free Writing Prospectuses included in Schedule II hereto and any electronic road show, each furnished to the Representative before first use. Any such free writing prospectus consented to by the Representative or the Company is hereinafter referred to as a "Permitted Free Writing Prospectus." The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping. Each Underwriter, severally and not jointly, represents and agrees that it is not subject to any pending proceeding under Section 8A of the Act with respect to the offering (and will promptly notify the Company if any such proceeding against it is initiated during the period a prospectus is required by the Act to be delivered (whether physically or through compliance with Rule 172 under the Act or any similar rule) in connection with any sale of Securities).

(o) The Company will reserve and keep available at all times, free of preemptive rights, the Issuable Stock for the purpose of enabling the Company to satisfy any obligation to issue shares of Common Stock upon settlement of the Purchase Contracts.

(p) The Company shall use commercially reasonably efforts to list, subject to notice of issuance, the Securities and the Issuable Stock on the Exchange and to provide satisfactory evidence of such actions to the Representative.

(q) The Company will not, between the date hereof and the date of the delivery of the Securities, do or authorize any act or thing that would result in an adjustment of the settlement rates of the Purchase Contracts.

6. Conditions to the Obligations of the Underwriters. The obligations of the Underwriters to purchase the Underwritten Securities and the Option Securities, as the case may be, shall be subject to the accuracy in all material respects (except in the case of Section 1(ll), (mm) and (nn) or to the extent already qualified by materiality, in which case such obligations shall be subject to the accuracy in all respects) of the representations and warranties of the Company contained herein as of the Execution Time, the Closing Date and any settlement date pursuant to Section 3 hereof, to the accuracy of the statements of the Company made in any certificates pursuant to the provisions hereof, to the performance by the Company in all material respects of its obligations hereunder and to the following additional conditions:

(c) The Representative shall have received from Latham & Watkins LLP, counsel for the Underwriters, an opinion letter and negative assurance letter, each dated the Closing Date or any settlement date, as the case may be, and addressed to the Representative, with respect to such matters as the Representative may reasonably require, and the Company shall have furnished to such counsel such documents as they reasonably request for the purpose of enabling them to pass upon such matters.

(d) The Company shall have furnished to the Underwriters a certificate of the Company, signed by (x) the chairman, chief executive officer, president or vice president and (y) the chief financial officer, treasurer or principal financial or accounting officer of the Company, dated the Closing Date or any settlement date, as the case may be, to the effect that the signers of such certificate have carefully examined the Registration Statement, the Disclosure Package, the Prospectus and any amendment or supplement thereto, as well as each electronic road show used in connection with the offering of the Securities, and this Agreement and that:

(1) the representations and warranties of the Company in this Agreement are true and correct in all material respects (except in the case of Section 1 (ll), (mm) and (nn) or to the extent already qualified by materiality, in which case such representations and warranties are true and correct in all respects) at the Execution Time and on the Closing Date or any settlement date, as the case may be, and the Company has complied in all material respects with all the agreements and satisfied all the conditions on its part to be performed or satisfied hereunder at or prior to the Closing Date or any settlement date, as the case may be;

(2) since the date of the most recent financial statements included in the Disclosure Package and the Prospectus (exclusive of any supplement thereto), there has been no material adverse change in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole, except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto); and

(3) no stop order suspending the effectiveness of the Registration Statement or any notice objecting to its use has been issued and no proceedings for that purpose or pursuant to Section 8A under the Act have been instituted or, to the Company's knowledge, threatened.

(e) At the Execution Time and at the Closing Date or any settlement date, as the case may be, the Company shall have requested and caused KPMG LLP to furnish to the Underwriters a "comfort" letter, dated as of the Execution Time, and a bring-down "comfort letter," dated as of the Closing Date or any settlement date, as the case may be, in form and substance reasonably satisfactory to the Representative, confirming that they are independent registered public accountants within the meaning of the Exchange Act and within the meaning of the rules of the Public Company Accounting Oversight Board and confirming certain matters with respect to the audited and unaudited financial statements and other financial and accounting information of the Company contained in the Disclosure Package and the Prospectus, including any supplement thereto at the date of the applicable letter.

(h) Subsequent to the Execution Time or, if earlier, the dates as of which information is given in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto), there shall not have been any change or development involving a prospective change, in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole, and after giving effect to the Transaction, except as set forth in or contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto), the effect of which is, or would reasonably be expected to become, in the judgment of the Representative, so material and adverse as to make it impractical or inadvisable to proceed with the offering, sale or delivery of the Securities on the terms and in the manner contemplated in the Disclosure Package and the Prospectus (exclusive of any amendment or supplement thereto).

(i) On the Closing Date or any settlement date, as the case may be, the Securities and the Issuable Stock shall have been approved for listing and admitted and authorized for trading on the Exchange, subject only to official notice of issuance.

(j) At or prior to the Execution Time, the Company shall have caused each officer, director and stockholder of the Company listed on ExhibitA-1 hereto to furnish to the Representative, a letter addressed to the Representative substantially in the form of Exhibit A hereto; provided, for the avoidance of doubt, that the executed agreements delivered by such persons in connection with the Equity Offering satisfy the requirements of this Section 6(j) and no separate letters need be delivered pursuant to this Agreement.

(k) The closing of the Equity Offering shall have occurred prior to or simultaneously with the Closing Date, provided that the obligation of the Company to consummate the issuance and sale of the Underwritten Securities to the Underwriters shall also be subject to such condition.

(l) Prior to the Closing Date or any settlement date, as the case may be, the Company shall have taken all action reasonably required to be taken by it to have the Securities declared eligible for clearance and settlement through DTC.

(m) On or prior to the Closing Date, each of the Units Transaction Documents (other than this Agreement) shall have been executed and delivered by each of the parties thereto.

(n) Prior to the Closing Date or any settlement date, as the case may be, the Company shall have furnished to the Representative such further information, certificates and documents as the Representative may reasonably request.

All opinions, letters, evidence and certificates mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof only if they are in form and substance reasonably satisfactory to the Representative and counsel for the Underwriters.

The documents required to be delivered by this Section 6 will be available for inspection at the office of Simpson Thacher & Bartlett LLP, at 425 Lexington Avenue, New York, New York 10017, on the Business Day prior to the Closing Date or any settlement date, as the case may be.

7. Reimbursement of Underwriters' Expenses. If the sale of the Securities provided for herein is not consummated because any condition to the obligations of the Underwriters set forth in Section 6 hereof is not satisfied, because of any termination pursuant to Section 10 hereof or because of any refusal, inability or failure on the part of the Company to perform any agreement herein or to comply with any provision hereof other than by reason of a default by any of the Underwriters, including as described in Section 9 hereof, the Company will reimburse the Underwriters severally through the Representative on behalf of the Underwriters on demand for all accountable expenses (including reasonable fees and disbursements of Latham & Watkins LLP) that shall have been incurred by them in connection with the proposed purchase and sale of the Securities.

8. Indemnification and Contribution.

(a) The Company agrees to indemnify and hold harmless each Underwriter, the directors, officers, selling agents and Affiliates of each Underwriter and each person who controls any Underwriter within the meaning of either the Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject under the Act, the Exchange Act or other U.S. federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement, or in any Preliminary Prospectus, or the Prospectus, or any Issuer Free Writing Prospectus, or any Written Testing-the-Waters Communication, or any bona fide electronic road show as defined in Rule 433(h) under the Act (a "road show"), or in any amendment thereof or supplement thereto or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the case of any Preliminary Prospectus, the Prospectus, any Free Writing Prospectus, any Written Testing-the-Waters Communication or roadshow or in any amendment thereof or supplement thereto, in the light of the circumstances under which they were made, not misleading, and agrees (subject to the limitations set forth in the provisos to this sentence) to reimburse each such indemnified party, as incurred, for any legal or other expenses reasonably incurred by it in connection with investigating or defending any such loss, claim, damage, liability or action; *provided, however,* that the Company will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission made therein in reliance upon and in conformity with written information furnished to the Company by or on behalf of any Underwriter through the Representative specifically for inclusion therein. The obligations of the Company under this indemnity agreement will be in addition to any liability that the Company may otherwise have. The Company shall not be liable under this Section 8 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by the Company, as applicable, which consent shall not be unreasonably withheld.

(b) Each Underwriter severally, and not jointly, agrees to indemnify and hold harmless (i) the Company, (ii) each person, if any, who controls (within the meaning of either the Act or the Exchange Act) the Company, (iii) each of the directors of the Company who signs the Registration Statement, (iv) each of the officers of the Company who signs the Registration Statement, to the same extent as the foregoing indemnity from the Company to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Company by or on behalf of such Underwriter through the Representative specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability that any Underwriter may otherwise have. The Company acknowledges that the statements in the Preliminary Prospectus and the Prospectus set forth in the thirteenth paragraph, the fourteenth paragraph and the fifteenth paragraph under the heading "Underwriting (Conflicts of Interest)", constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in the Registration Statement, Preliminary Prospectus, the Prospectus, any Issuer Free Writing Prospectus, any Written Testing-the-Waters Communication or any road show.

(c) Promptly after receipt by an indemnified party under this Section 8 or Section 11 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 8 or Section 11, as applicable, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under paragraph (a) or (b) above or Section 11, as applicable, unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights or defenses and (ii) will not, in any event, relieve the indemnifying party from any obligations to any indemnified party other than the indemnification obligation provided in paragraph (a) or (b) above or Section 11, as applicable, except as provided in paragraph (d) below. The indemnifying party shall be entitled to appoint counsel (including local counsel) of the indemnifying party's choice at the indemnifying party's expense to represent the indemnified party in any action for which indemnification is sought (in which case the indemnifying party shall not thereafter be responsible for the fees and expenses of any separate counsel, other than local counsel if not appointed by the indemnifying party, retained by the indemnified party or parties except as set forth below); *provided, however,* that such counsel shall be reasonably satisfactory to the indemnified party. Notwithstanding the indemnifying party's election to appoint counsel (including local counsel) to represent the indemnified party in an action, the indemnified party shall have the right to employ separate counsel (including local counsel), and the indemnifying party shall bear the reasonable fees, costs and expenses of such separate counsel if (i) the use of counsel chosen by the indemnifying party to represent the indemnified party would present such counsel with a conflict of interest (based on the advice of counsel for the indemnified person); (ii) such action includes both the indemnified party and the indemnifying party and the indemnified party shall have reasonably concluded (based on the advice of counsel for the indemnified person) that there may be legal defenses available to it and/or other indemnified parties that are different from or additional to those available to the indemnifying party; (iii) the indemnifying party shall not have employed counsel reasonably satisfactory to the indemnified party to represent the indemnified party within a reasonable time after notice of the institution of such action; or (iv) the indemnifying party shall authorize the indemnified party to employ separate counsel at the expense of the indemnifying party. It is understood and agreed that the indemnifying person shall not, in connection with any proceeding or related proceeding in the same jurisdiction, be liable for the reasonable fees and expenses of more than one separate firm (in addition to any local counsel) for all indemnified persons. Any such separate firm for any Underwriters, its Affiliates, directors, selling agents and officers and any control persons of such Underwriters shall be designated in writing by Goldman Sachs & Co. LLC and any such separate firm for the indemnified parties referred to in Section 8(b) above shall be designated in writing by the Company. In the event that any Underwriter, its Affiliates, directors, selling agents and officers or any control persons of such Underwriter are indemnified persons collectively entitled, in connection with a proceeding in a single jurisdiction, to the payment of fees and expenses of a single separate firm under this Section 8(c), and any such Underwriter, its Affiliates, directors, selling agents and officers or any control persons of such Underwriter cannot agree to a mutually acceptable separate firm to act as counsel thereto, then such separate firm for all such indemnified persons shall be designated in writing by Goldman Sachs & Co. LLC. An indemnifying party will not, without the prior written consent of the indemnified parties, settle or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be

sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim, action suit or proceeding) unless such settlement, compromise or consent includes an unconditional release of each indemnified party from all liability arising out of such claim, action, suit or proceeding and does not include any statement as to, or any admission of, fault, culpability or failure to act by or on behalf of any indemnified party.

(d) In the event that the indemnity provided in paragraph (a), (b) or (c) of this Section 8 or Section 11, as applicable, is unavailable to or insufficient to hold harmless an indemnified party for any reason (other than by virtue of the failure of an indemnified party to notify the indemnifying party of its right to indemnification pursuant to subsection (a), (b) or (c) above or Section 11, as applicable, where such failure materially prejudices the indemnifying party (through the forfeiture of substantial rights or defenses)), the Company and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending any loss, claim, damage, liability or action) (collectively "Losses") to which the Company and one or more of the Underwriters (or the QIU in its capacity as such) may be subject in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and by the Underwriters (or the QIU in its capacity as such) on the other from the offering of the Securities. If the allocation provided by the immediately preceding sentence is unavailable for any reason or not permitted by applicable law, the Company and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and of the Underwriters (or the QIU in its capacity as such) on the other in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. Benefits received by the Company shall be deemed to be equal to the total net proceeds from the offering (before deducting expenses) received by it, and benefits received by the Underwriters shall be deemed to be equal to the total underwriting discounts and commissions received by them, in each case as set forth on the cover page of the Prospectus. Benefits received by the QIU shall be deemed to be equal to the compensation received by the QIU for acting in such capacity. Relative fault shall be determined by reference to, among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Company on the one hand or the Underwriters (or the QIU in its capacity as such) on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission and any other equitable considerations appropriate in the circumstances. The Company and the Underwriters agree that it would not be just and equitable if the amount of such contribution were determined by pro rata allocation or any other method of allocation that does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), in no event shall any Underwriter be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by such Underwriter with respect to the offering of the Securities exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. The QIU, in its capacity as such, shall not be responsible for any amount in excess of the compensation received by the QIU for acting in such capacity. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The Underwriters' obligations to contribute pursuant to this

Section 8 are several in proportion to their respective purchase obligations hereunder and not joint. For purposes of this Section 8, each person, if any, who controls an Underwriter within the meaning of either the Act or the Exchange Act and each director, officer, employee, Affiliate and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Company within the meaning of either the Act or the Exchange Act, each officer of the Company who shall have signed the Registration Statement and each director of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

9. Default by an Underwriter. If any one or more Underwriters shall fail to purchase and pay for any of the Securities agreed to be purchased by such Underwriter or Underwriters hereunder and such failure to purchase shall constitute a default in the performance of its or their obligations under this Agreement, the remaining Underwriters, as the case may be, shall be obligated severally to take up and pay for (in the respective proportions that the amount of the Securities set forth opposite their names in Schedule I hereto bears to the aggregate amount of the Securities set forth opposite the names of all the remaining Underwriters, as applicable) the Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase; *provided, however,* that in the event that the aggregate amount of the Securities that the defaulting Underwriter or Underwriters agreed but failed to purchase shall exceed 10% of the aggregate amount of the Securities set forth in Schedule I hereto, the Company shall be entitled to a period of 36 hours within which to procure another party or parties reasonably satisfactory to the non-defaulting Underwriters, as the case may be, to purchase no less than the amount of such unpurchased Securities that exceeds 10% of the amount thereof upon such terms herein set forth. If, however, the Company shall not have completed such arrangements within 72 hours after such default and the amount of unpurchased Securities exceeds 10% of the amount of such Securities to be purchased on such date, then this Agreement will terminate without liability to any non-defaulting Underwriter or the Company. In the event of a default by any Underwriter as set forth in this Section 9, the Closing Date shall be postponed for such period, not exceeding five Business Days, to effect any changes that in the opinion of counsel for the Company or counsel for the Representative are necessary in the Registration Statement, Prospectus or in any other documents or arrangements may be effected. Nothing contained in this Agreement shall relieve any defaulting Underwriter of its liability, if any, to the Company or any nondefaulting Underwriter for damages occasioned by its default hereunder.

10. Termination. This Agreement shall be subject to termination in the absolute discretion of the Representative, by notice given to the Company prior to delivery of and payment for the Securities, if at any time prior to such time (i) there shall have occurred, since the time of execution of this Agreement or since the respective dates as of which information is given in the Disclosure Package or the Prospectus, any material adverse change or development in the condition (financial or otherwise), business or results of operations of the Company and its subsidiaries, taken as a whole; (ii) trading in the Company's Common Stock shall have been suspended by the Commission or the Exchange or trading in any securities generally on the New York Stock Exchange or NASDAQ Stock Market shall have been suspended or materially limited or minimum prices shall have been established on either exchange; (iii) a banking moratorium shall have been declared either by U.S. federal or New York State authorities; (iv) there shall have occurred a material disruption in commercial banking or securities settlement or clearance services or (v) there shall have occurred any outbreak or escalation of hostilities,

declaration by the United States of a national emergency or war or other calamity or crisis the effect of which on financial markets is such as to make it, in the judgment of the Representative, impractical or inadvisable to proceed with the offering, sale or delivery of the Securities as contemplated in the Disclosure Package and the Prospectus (exclusive of any supplement thereto).

11. Qualified Independent Underwriter. The Company hereby confirms that at its request Goldman Sachs & Co. LLC has without compensation acted as "qualified independent underwriter" (in such capacity, the "QIU") within the meaning of Rule 5121 of FINRA in connection with the offering of the Securities. In addition to its obligations under Section 8(a) herein, the Company will indemnify and hold harmless the QIU, its directors, officers, employees and agents and each person, if any, who controls the QIU within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which the QIU may become subject, under the Act, the Exchange Act, other federal or state statutory law or regulation or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon the QIU's acting (or alleged failing to act) as such "qualified independent underwriter" (within the meaning of Rule 5121 of FINRA) in connection with the offering of Securities as contemplated by this Agreement, and will reimburse the QIU for any legal or other expenses reasonably incurred by the QIU in connection with investigating or defending any such loss, claim, damage, liability or action as such expenses are incurred; *provided, however,* that the Company shall not be liable for the reasonable fees and expenses of more than one law firm (in addition to any local counsel) for the QIU in its capacity as such and all persons, if any, who control such QIU within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act. The Company shall not be liable under this Section 11 to any indemnified party regarding any settlement or compromise or consent to the entry of any judgment with respect to any pending or threatened claim, action, suit or proceeding in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified parties are actual or potential parties to such claim or action) unless such settlement, compromise or consent is consented to by the Company, as applicable, which consent shall not be unreasonably withheld.

12. Representations and Indemnities to Survive. The respective agreements, representations, warranties, indemnities and other statements of the Company or its officers and of the Underwriters set forth in or made pursuant to this Agreement will remain in full force and effect, regardless of any investigation made by or on behalf of any Underwriter, the Company or any of the indemnified persons referred to in Section 8 hereof, and will survive delivery of and payment for the Securities. The provisions of Sections 8 and 10 hereof shall survive the termination or cancellation of this Agreement.

13. Notices. All communications hereunder will be in writing and effective only on receipt, and, if sent to the Representative, will be mailed, delivered or telefaxed to c/o Goldman Sachs & Co. LLC, 200 West Street, New York, NY 10282, Attention: [•], or, if sent to the Company, will be mailed or delivered to BrightSpring Health Services, Inc., 805 N. Whittington Parkway, Louisville, Kentucky 40222, Attention: Chief Legal Officer; with a copy to Joseph H. Kaufman and Sunny Cheong, Simpson Thacher & Bartlett LLP, at 425 Lexington Avenue, New York, New York (fax no. ****). The Company shall be entitled to act and rely upon any request, consent, notice or agreement given or made on behalf of the Underwriters by the Representative.

14. Recognition of the U.S. Special Resolution Regimes.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

(c) For purposes of this Section 14, a "BHC Act Affiliate" has the meaning assigned to the term "affiliate" in, and shall be interpreted in accordance with, 12 U.S.C. § 1841(k). "Covered Entity" means any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b). "Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable. "U.S. Special Resolution Regime" means each of (i) the Federal Deposit Insurance Act and the regulations promulgated thereunder and (ii) Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act and the regulations promulgated thereunder.

15. Successors. This Agreement will inure to the benefit of and be binding upon the parties hereto and their respective successors and the indemnified persons referred to in Section 8 hereof and their respective successors and no other person will have any right or obligation hereunder. No purchaser of Securities from any Underwriter shall be deemed to be a successor merely by reason of such purchase.

16. Applicable Law. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT WILL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE PERFORMED WITHIN THE STATE OF NEW YORK.

17. Patriot Act. In accordance with the requirements of the USA Patriot Act (Title III of Pub. L.107-56 (signed into law October 26, 2001)), the Underwriters are required to obtain, verify and record information that identifies their respective clients, including the Company, which information may include the name and address of their respective clients, as well as other information that will allow the underwriters to properly identify their respective clients.

18. No Fiduciary Duty. The Company hereby acknowledges that (a) the purchase and sale of the Securities pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Underwriters and any affiliate through which it may be acting, on the other, and does not constitute a recommendation, investment advice, or solicitation of any action by the Underwriters, (b) the Underwriters are acting as principal and not as an agent or fiduciary of the Company and (c) the Company's engagement of the Underwriters in connection with the offering and the process leading up to the offering is as independent contractors and not in any other capacity. Furthermore, the Company agrees that it is solely responsible for making its own judgments in connection with the offering (irrespective of whether any of the Underwriters has advised or is currently advising the Company on related or other matters). The Company agrees that it will not claim that the Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Company, in connection with such transaction or the process leading thereto. Any review by the Representative and the other Underwriters of the Company, the transactions contemplated hereby or other matters relating to such transactions will be performed solely for the benefit of the Underwriters and shall not be on behalf of the Company.

19. Integration. This Agreement supersedes all prior agreements and understandings (whether written or oral) between the Company and the Underwriters, or any of them, with respect to the subject matter hereof.

20. Waiver of Jury Trial. THE COMPANY AND EACH OF THE UNDERWRITERS HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

21. Counterparts. This Agreement may be executed by any one or more of the parties hereto in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute one and the same instrument. The exchange of signature pages by facsimile or electronic format (i.e., "pdf" or "tif") transmission shall constitute effective execution and delivery of this Agreement. In order to induce you and the other Underwriters to enter into the Underwriting Agreement, the undersigned will not, without the prior written consent of Goldman Sachs & Co. LLC, offer, sell, contract to sell, or otherwise dispose of (or enter into any transaction which is designed to, or might reasonably be expected to, result in the disposition (whether by actual disposition or effective economic disposition due to cash settlement or otherwise) by the undersigned or any controlled affiliate of the undersigned or any person in privity with the undersigned or any controlled affiliate of the undersigned), directly or indirectly, including the public filing (or participation in the public filing) of a registration statement with the Securities and Exchange Commission in respect of, or establish or increase a put equivalent position or liquidate or decrease a call equivalent position within the meaning of Section 16 of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and the rules and regulations of the Securities and Exchange Commission promulgated thereunder with respect to, any shares of capital stock of the Company ("Shares") or any securities convertible into, or exercisable or exchangeable for such capital stock ("Related Securities"), or publicly announce an intention to effect any such transaction, for a period from the date hereof until 180 days after the date of the Underwriting Agreement (the "lock-up period"). Capitalized terms used but not defined herein shall have the meanings assigned thereto in the Underwriting Agreement.

The foregoing restrictions shall not apply:

(i) to the transfer of Shares or Related Securities by gift, or by will or intestate succession to a family member or to a trust, partnership, limited liability company or other entity for the direct or indirect benefit of the undersigned and/or a family member;

(ii) if the undersigned is a corporation, partnership, limited liability company, trust or other business entity, to (1) transfers of Shares or Related Securities to another corporation, partnership, limited liability company, trust or other business entity that is a direct or indirect affiliate (as defined under Rule 12b-2 of the Exchange Act) of the undersigned or (2) distributions of Shares or Related Securities to limited partners, limited liability company members or stockholders of the undersigned or holders of similar equity interests in the undersigned;

(iii) if the undersigned is a trust, to transfers to the beneficiary of such trust;

(iv) to transfers to any investment fund or other entity that controls or manages, or is controlled or managed by, or is under common control or management with, the undersigned;

(v) to transfers to a nominee or custodian of a person or entity to whom a disposition or transfer would be permissible under clauses (i) through (iv);

(vi) to transfers to the Company (1) pursuant to the exercise, in each case on a "cashless" or "net exercise" basis, of any option to purchase Shares or the vesting of any restricted stock awards or the settlement of any restricted stock units granted by the Company pursuant to any incentive plans or otherwise pursuant to equity compensation plans or arrangements described in or filed as an exhibit to the registration statement with respect to the Offering, where any Shares received by the undersigned upon any such exercise, vesting or settlement will be subject to the terms of this lock-up agreement, or (2) for the purpose of satisfying any withholding taxes (including estimated taxes) due as a result of the exercise of any option to purchase Shares or the vesting of any restricted stock awards or the settlement of any restricted stock units granted by the Company pursuant to any incentive plans or otherwise pursuant to equity compensation plans or arrangements described in or filed as an exhibit to the registration statement with respect to the Offering, in each case on a "cashless" or "net exercise" basis, where any Shares received by the undersigned upon any such exercise, vesting or settlement will be subject to the terms of this lock-up agreement; *provided* that any filing under Section 16(a) of the Exchange Act in connection with such transfer shall indicate, to the extent permitted by such Section and the related rules and regulations, the reason for such disposition and that such transfer of Shares was solely to the Company;

(viii) to transfers of Shares or Related Securities to the Company pursuant to the call or put provisions of existing employment agreements and equity grant documents; *provided* that any filing under Section 16(a) of the Exchange Act in connection with such transfer shall indicate, to the extent permitted by such Section and the related rules and regulations, the reason for such disposition and that such transfer of Shares or Related Securities was solely to the Company;

(ix) to transfers from an executive officer or his or her estate to the Company upon death, disability or termination of employment, in each case, of such executive officer;

(x) to transfers of Shares acquired in the Offering or in open-market transactions after the completion of the Offering;

(xi) to transfers in response to a bona fide third party tender offer, merger, consolidation or other similar transaction made to or with all holders of Shares or related Securities involving a "change of control" (as defined below) of the Company occurring after the consummation of the Offering, that has been approved by the board of directors of the Company, *provided* that in the event that the tender offer, merger, consolidation or other such transaction is not completed, the undersigned's Shares shall remain subject to the terms of this Letter Agreement. For purposes of this clause (xi), "change of control" means the consummation of any bona fide third party tender offer, merger, consolidation or other similar transaction the result of which is that any "person" (as defined in Section 13 (d)(3) of the Exchange Act), or group of persons, other than the Company, becomes the beneficial owner (as defined in Rules 13d-3 and 13d-5 of the Exchange Act) of at least 51% of total voting power of the voting stock of the Company; and

(xii) to enter into a written plan meeting the requirements of Rule 10b5-l under the Exchange Act for the transfer of Shares or Related Securities that does not in any case provide for the transfer of Shares or Related Securities during the lock-up period; *provided* that any filing under the Exchange Act or other public announcement made by any person regarding the establishment of such plan during the lock-up period shall include a statement that the undersigned is not permitted to transfer securities under such plan during the lock-up period in contravention of this Letter Agreement.

Provided, further, that:

A. in the case of any transfer or distribution pursuant to clauses (i) through (v) above, it shall be a condition to such transfer that each transferee executes and delivers to Goldman Sachs & Co. LLC an agreement in form and substance satisfactory to Goldman Sachs & Co. LLC stating that such transferee is receiving and holding such Shares and/or Related Securities subject to the provisions of this Letter Agreement and agrees not to sell or offer to sell such Shares and/or Related Securities, engage in any swap or engage in any other activities restricted under this Letter Agreement except in accordance with this Letter Agreement (as if such transferee had been an original signatory hereto); and

B. in the case of any transfer or distribution pursuant to clauses (i) through (v) and clause (ix) above, prior to the expiration of the lock-up period no filing by any party (donor, donee, transferor or transferee) under the Exchange Act (other than those required pursuant to Section 13), or other public announcement reporting a reduction in beneficial ownership of Shares shall be required or shall be made voluntarily in connection with such transfer or distribution.

Notwithstanding anything to the contrary in this agreement, the restrictions set forth in this Letter Agreement shall not apply to the exercise of any right with respect to a registration of any Shares or Related Securities; provided that no transfer of the undersigned's Shares or Related Securities proposed to be registered pursuant to the exercise of such rights under this paragraph shall occur, and no registration statement shall be publicly filed or announced, during the lock-up period. In addition, the undersigned agrees and consents to the entry of stop transfer instructions with the Company's transfer agent and registrar against the transfer of the undersigned's Shares or Related Securities except in compliance with the foregoing restrictions.

If the undersigned is an officer or director of the Company, the undersigned further agrees that the foregoing restrictions shall be equally applicable to any issuer-directed shares of Common Stock the undersigned may purchase in the Offering.

The undersigned acknowledges and agrees that the Underwriters have not provided any recommendation or investment advice nor have the Underwriters solicited any action from the undersigned with respect to the Offering and the undersigned has consulted their own legal, accounting, financial, regulatory and tax advisors to the extent deemed appropriate. The undersigned further acknowledges and agrees that, although the Representative may be required or choose to provide certain Regulation Best Interest and Form CRS disclosures to you in connection with the Offering, the Representative and the other Underwriters are not making a recommendation to you to enter into this Letter Agreement, and nothing set forth in such disclosures is intended to suggest that the Representative or any Underwriter is making such a recommendation.

If the undersigned is an officer or director of the Company, (i) Goldman Sachs & Co. LLC agrees that, at least three business days before the effective date of any release or waiver of the foregoing restrictions in connection with a transfer of shares of Common Stock, Goldman Sachs & Co. LLC will notify the Company of the impending release or waiver, and (ii) the Company has agreed in the Underwriting Agreement to announce the impending release or waiver by press release through a major news service at least two business days before the effective date of the release or waiver or, as applicable, to disclose such release or waiver in the

publicly filed registration statement in connection with a secondary offering. Any release or waiver granted by Goldman Sachs & Co. LLC hereunder to any such officer or director shall only be effective two business days after the publication date of such press release. The provisions of this paragraph will not apply if (a) the release or waiver is effected solely to permit a transfer not for consideration or that is to an immediate family member (as defined in FINRA Rule 5130(i)(5)) and (b) the transferee has agreed in writing to be bound by the same terms described in this letter to the extent and for the duration that such terms remain in effect at the time of the transfer.

If for any reason the Underwriting Agreement shall be terminated prior to the Closing Date, the agreement set forth above shall likewise be terminated.

Yours very truly,

(a) Filing. Upon the one-year anniversary of an Initial Public Offering (unless otherwise agreed in writing by the KKR Stockholders and the Walgreens Stockholders), subject to the Corporation's rights under Section 3(c) and the limitations set forth in Section 3(d), the Corporation shall (i) promptly (but in any event no later than twenty (20) Business Days prior to the date such Shelf Registration Statement is declared effective) give written notice (a "Shelf Registration Notice") of the proposed registration to all holders of Registrable Securities and (ii) use its reasonable best efforts to file with the SEC, as soon as reasonably practicable after such one-year anniversary of such Initial Public Offering, and to cause to become effective under the Securities Act as soon as practicable after the filing thereof, a Shelf Registration Statement (which Shelf Registration Statement shall be designated and filed by the Corporation as an Automatic Shelf Registration Statement if the Corporation is a Well-Known Seasoned Issuer at the time of filing such Shelf Registration Statement with the SEC) for all Registrable Securities held by the Principal Stockholders (or, if a Principal Stockholder determines to not include all of its Registrable Securities therein, such lesser amount as such Principal Stockholder shall request to the Corporation in writing), together with all or such portion of the Registrable Securities of any other holder or holders of Registrable Securities, in each case, as are specified in a written request received by the Corporation within five (5) days after such Shelf Registration Notice is given (each holder of Registrable Securities with Registrable Securities registered on such Shelf

Registration Statement from time to time, as the case may be, a "Shelf Holder" and each Principal Stockholder which is a Shelf Holder from time to time, a "Principal Shelf Holder"), provided, however, that if the Corporation is permitted by applicable Law to add selling stockholders to a Shelf Registration Statement without filing a post-effective amendment, a holder of Registrable Securities may request the inclusion of additional Registrable Securities in such Shelf Registration Statement at any time or from time to time, and the Corporation shall add such Registrable Securities to the Shelf Registration Statement as promptly as reasonably practicable, and such holder of Registrable Securities shall be deemed a Shelf Holder. Notwithstanding anything to the contrary, in no event shall the Corporation be required to file or maintain the effectiveness of a Shelf Registration Statement pursuant to Section 3(a) at any time if Form S-3 is not available to the Corporation at such time.

(b) Continued Effectiveness. The Corporation shall use its reasonable best efforts to keep such Shelf Registration Statement filed pursuant to Section 3(a) continuously effective under the Securities Act in order to permit the Prospectus forming a part thereof to be usable by the Shelf Holders until the earlier of (i) the date as of which all Registrable Securities registered by such Shelf Registration Statement have been sold and (ii) such shorter period as agreed by each of the Principal Shelf Holders.

(c) Suspension of Filing or Registration. If the Corporation shall furnish to the Shelf Holders a certificate signed by the chief executive officer, chief financial officer, general counsel or other equivalent senior executive officer of the Corporation stating that the filing, effectiveness or continued use of the Shelf Registration Statement would require the Corporation to make an Adverse Disclosure, then the Corporation shall have a period of not more than sixty (60) days or such longer period as the KKR Stockholders and the Walgreens Stockholders shall consent to in writing, within which to delay the filing or effectiveness (but not the preparation) of such Shelf Registration Statement or, in the case of a Shelf Registration Statement that has been declared effective, to suspend the use by Shelf Holders of such Shelf Registration Statement (in each case, a "Shelf Suspension"); provided, however, that, unless consented to in writing by each of the Principal Shelf Holders, the Corporation shall not be permitted to exercise more than two (2) Shelf Suspensions pursuant to this Section 3(c) and Demand Delays pursuant to Section 4(c), in the aggregate. Each Shelf Holder shall keep confidential the fact that a Shelf Suspension is in effect, the certificate referred to above and its contents for the permitted duration of the Shelf Suspension or until otherwise notified by the Corporation in accordance with Section 12(k). In the case of a Shelf Suspension that occurs after the effectiveness of the Shelf Registration Statement, the Shelf Holders agree to suspend use of the applicable Prospectus for the permitted duration of such Shelf Suspension in connection with any sale or purchase of, or offer to sell or purchase, Registrable Securities, upon receipt of the certificate referred to above. The Corporation shall immediately notify the Shelf Holders upon the termination of any Shelf Suspension, and (A) in the case of a Shelf Registration Statement that has not been declared effective, shall promptly thereafter file the Shelf Registration Statement and use its reasonable best efforts to have such Shelf Registration Statement declared effective under the Securities Act, and (B) in the case of an effective Shelf Registration Statement, shall amend or supplement the Prospectus, if necessary, so it does not contain any material misstatement or omission prior to the expiration of the Shelf Suspension and furnish to the Shelf Holders such number of copies of the Prospectus as so amended or supplemented as the Shelf Holders may reasonably request. The Corporation agrees, if necessary, to supplement or

make amendments to the Shelf Registration Statement if required by the registration form used by the Corporation for such registration or by the instructions applicable to such registration form or by the Securities Act or the rules or regulations promulgated thereunder or as may reasonably be requested by any of the Principal Shelf Holders.

(d) Requests for Shelf Take-Downs.

(i) Initiation of Shelf Take-Downs. If a Shelf Registration Statement has been filed and is effective, then each of the Principal Shelf Holders may from time to time initiate a Shelf Take-Down by delivering a notice to the Corporation (a "Take-Down Notice") stating that it intends to effect a Shelf Take-Down that is reasonably expected to result in aggregate gross cash proceeds in excess of $50,000,000 and that such Shelf Take-Down shall be subject to compliance with the requirements of this Section 3(d) (if and to the extent applicable to such Shelf Take-Down). The Take-Down Notice shall indicate whether such Shelf Take-Down will be in the form of an Underwritten Offering (an "Underwritten Shelf Take-Down") and, with respect to any Underwritten Shelf Take-Down, whether such Underwritten Shelf Take-Down will involve a customary "road show" (including an "electronic road show") or other substantial marketing effort by the underwriters over a period of at least two days (a "Marketed Underwritten Shelf Take-Down"); provided, that any Underwritten Shelf Take-Down shall be deemed to be, for purposes of Section 4, a Demand Registration and subject to the limitations contained in Section 4.

(ii) Underwritten Shelf Take-Downs. If such Shelf Take-Down is an Underwritten Shelf Take-Down, then the initiating Principal Shelf Holder shall also deliver the Take-Down Notice to all other Shelf Holders as far in advance of the completion of such Shelf Take-Down as shall be reasonably practicable in light of the circumstances applicable to such Shelf Take-Down and permit each such Shelf Holder to include its Registrable Securities included on such Shelf Registration Statement in the Underwritten Shelf Take-Down if such Shelf Holder notifies the initiating Principal Shelf Holder the Corporation within five (5) days after delivery of the Take-Down Notice to such Shelf Holder (in connection with any Marketed Underwritten Shelf Take-Down) or within three (3) days after delivery of the Take-Down Notice to such Shelf Holder (in connection with any Non-Marketed Underwritten Shelf Take-Down, including any Underwritten Shelf Take-Down that is structured as a "block" trade). Each such Take-Down Notice shall set forth (A) the total number of Registrable Securities expected to be offered and sold in such Underwritten Shelf Take-Down, (B) the expected plan of distribution of such Underwritten Shelf Take-Down, (C) an invitation to each other Shelf Holder to elect (such other Shelf Holders who make such an election being "Underwritten Shelf Take-Down Participating Holders" and, together with the initiating Principal Shelf Holder and all other Persons who otherwise are transferring, or have exercised a contractual or other right to transfer, Registrable Securities in connection with such Underwritten Shelf Take-Down, the "Underwritten Shelf Take-Down Selling Holders") to include in the Underwritten Shelf Take-Down Registrable Securities held by such Underwritten Shelf Take-Down Participating Holder (on the terms set forth in this Section 3(d)) and (D) the action or actions required (including the expected timing thereof) in connection with such Underwritten Shelf Take-Down with respect to each

such other Shelf Holder that elects to exercise such right (including the delivery of one or more certificates representing Registrable Securities of such other Shelf Holder to be sold in such Underwritten Shelf Take-Down). Upon delivery of such Take-Down Notice, each such other Shelf Holder may elect to sell Registrable Securities in such Underwritten Shelf Take-Down, at the same price per Registrable Security and pursuant to the same terms and conditions with respect to payment for the Registrable Securities as agreed to by such initiating Principal Shelf Holder, by sending a written notice (an "Underwritten Shelf Take-Down Participation Notice") to such initiating Principal Shelf Holder within the time period specified in such Take-Down Notice, indicating its, his or her election to sell up to the number of Registrable Securities in the Underwritten Shelf Take-Down specified by such other Shelf Holder in such Underwritten Shelf Take-Down Participation Notice (on the terms set forth in this Section 3(d)). With respect to such Underwritten Shelf Take-Down, the Corporation shall, if so requested by such initiating Principal Shelf Holder, file and effect an amendment or supplement of the Shelf Registration Statement for such purpose as soon as practicable. With respect to such Underwritten Shelf Take-Down (including any Marketed Underwritten Shelf Take-Down), in the event that a Shelf Holder otherwise would be entitled to participate in such Underwritten Shelf Take-Down pursuant to this Section 3(d), the right of such Shelf Holder to participate in such Underwritten Shelf Take-Down shall be conditioned upon such Shelf Holder's participation in such underwriting and the inclusion of such Shelf Holder's Registrable Securities in the underwriting to the extent provided herein. The Corporation shall, together with all Shelf Holders that are permitted to distribute their securities through such Underwritten Shelf Take-Down, enter into an underwriting agreement in customary form with the underwriter or underwriters selected in accordance with Section 11. In the event that, in connection with a Marketed Underwritten Shelf Take-Down, the underwriter determines that marketing factors (including an adverse effect on the per share offering price) require a limitation on the number of Registrable Securities which would otherwise be included in such take-down, the underwriter may limit the number of Registrable Securities which would otherwise be included in such Shelf Take-Down in the same manner as described in Section 4(b) with respect to a limitation of the Registrable Securities to be included in a Demand Registration. In connection with an Underwritten Shelf-Takedown that is not a "block" trade and in which both one or more KKR Stockholders and one or more Walgreens Stockholders are participating, the participating Principal Stockholders shall determine in good faith the size of proposed transaction, based on comparable precedent transactions. In connection with an Underwritten Shelf Take-Down that is a "block" trade, if the participating Principal Stockholders determine that the maximum number of shares that should be included in such offering exceeds the number of Registrable Securities which would otherwise be included in such take-down, the number of Registrable Securities shall be reduced in the same manner as described in Section 4(b) with respect to a limitation of the Registrable Securities to be included in a Demand Registration.

For the avoidance of doubt, it is understood that in order to be entitled to exercise its, his or her right to sell Registrable Securities in an Underwritten Shelf Take-Down pursuant to this Section 3(d), each Underwritten Shelf Take-Down Participating Holder must agree, on a several and not joint basis, to make the same representations, warranties, covenants, indemnities and agreements, if any, as the initiating Principal Shelf Holder agrees to make in connection with the

Underwritten Shelf Take-Down. Notwithstanding the delivery of any Take-Down Notice, all determinations as to whether to complete any Underwritten Shelf Take-Down and as to the timing, manner, price and other terms of any Underwritten Shelf Take-Down shall be at the sole discretion of the initiating Principal Shelf Holder.

Section 4. Demand Registrations.

(a) Requests for Registration. Subject to the following paragraphs of this Section 4(a), (i) in connection with any Initial Public Offering on or prior to the fifth anniversary of the date of this Agreement, the KKR Stockholders shall have the right, by delivering or causing to be delivered a written notice to the Corporation, to require the Corporation to register, pursuant to the terms of this Agreement, under and in accordance with the provisions of the Securities Act, the sale of a number of Registrable Securities specified by the KKR Stockholders (subject to clause (i) of the second paragraph of Section 5(a)), (ii) in connection with any Initial Public Offering following the fifth anniversary of the date of this Agreement, if KKR and Walgreens agree (each acting reasonably) on the total number of Registrable Securities to be sold by the KKR Stockholders and the Walgreens Stockholders in such Initial Public Offering, then each Principal Stockholder shall have the right, by delivering or causing to be delivered a written notice to the Corporation, to require the Corporation to register, pursuant to the terms of this Agreement, under and in accordance with the provisions of the Securities Act, the sale of pro rata portion of such total number of Registrable Securities; provided that, for the avoidance of doubt, if KKR and Walgreens do not so agree, no Principal Stockholder shall be entitled to sell Registrable Securities in such Initial Public Offering, and (iii) following the Initial Public Offering, each Principal Stockholder shall have the right, by delivering or causing to be delivered a written notice to the Corporation, to require the Corporation to register, pursuant to the terms of this Agreement, under and in accordance with the provisions of the Securities Act, the sale of a number of Registrable Securities specified by such Principal Stockholder, in each case on Form S-1 or any similar or successor long-form registration ("Long-Form Registrations") or, if available, on Form S-3 or any similar or successor short-form registration ("Short-Form Registrations") (any such written notice, a "Demand Notice" and any such registration, a "Demand Registration"); provided, however, that a Demand Notice may only be made if the sale of the Registrable Securities requested to be registered by any demanding Principal Stockholder and its Affiliates is reasonably expected to result in aggregate gross cash proceeds in excess of $50,000,000 (without regard to any underwriting discount or commission); provided, further, that the Corporation shall not be obligated to file a Registration Statement relating to any registration request under this Section 4(a) within a period of ninety (90) days after the effective date of any other Registration Statement relating to any registration request under this Section 4(a) (including, for this purpose, any Marketed Underwritten Shelf Take Down) (or, after the effective date of the Initial Public Offering, within a period of one hundred eighty (180) days). Following receipt of a Demand Notice for a Demand Registration in accordance with this Section 4(a), the Corporation shall use its reasonable best efforts to file with the SEC a Registration Statement as promptly as practicable and shall use its reasonable best efforts to cause such Registration Statement to be declared effective under the Securities Act as promptly as practicable after the filing thereof.

Promptly (and, in any event, within five (5) days) after receipt by the Corporation of a Demand Notice in accordance with this Section 4(a), the Corporation shall give written notice

(the "Notice") of such Demand Notice to all other holders of Registrable Securities and shall, subject to the provisions of Section 4(b), include in such registration all Registrable Securities with respect to which the Corporation received written requests for inclusion therein within ten (10) days after such Notice is given by the Corporation to such holders.

Notwithstanding anything to the contrary in this Agreement, unless otherwise consented to by the KKR Stockholders, in connection with a Demand Notice for an Initial Public Offering, the Corporation shall only be required (and permitted) to deliver any Notice or Piggyback Notice as provided in clause (i) of the second paragraph of Section 5(a).

All requests made pursuant to this Section 4 will specify the estimated number of Registrable Securities to be registered and/or, in the case of an Initial Public Offering, the estimated number of shares of Common Stock to be issued, and the intended methods of disposition thereof; provided that the requesting holder shall promptly inform the Corporation of any updates to such estimates.

The Corporation shall be required to maintain the effectiveness of the Registration Statement with respect to any Demand Registration for a period of at least one hundred eighty (180) days after the effective date thereof or such shorter period during which all Registrable Securities included in such Registration Statement have actually been sold; provided, however, that such period shall be extended for a period of time equal to the period the holder of Registrable Securities refrains from selling any securities included in such Registration Statement at the request of the Corporation or an underwriter of the Corporation pursuant to the provisions of this Agreement.

(b) Priority on Demand Registration. If any of the Registrable Securities registered pursuant to a Demand Registration are to be sold in a firm commitment Underwritten Offering, and the managing underwriter or underwriters advise the holders of such securities in writing that in their view the total number or dollar amount of Registrable Securities proposed to be sold in such offering is such as to adversely affect the success of such offering (including securities proposed to be included by other holders of securities entitled to include securities in such Registration Statement pursuant to incidental or piggyback registration rights), then there shall be included in such firm commitment Underwritten Offering the maximum number or dollar amount of Registrable Securities that in the opinion of such managing underwriter or underwriters can be sold without adversely affecting such offering, and such number of Registrable Securities shall be allocated as follows, unless the managing underwriter(s) require a different allocation (provided, however, that any reallocation methodology with respect to any Principal Stockholder be applied to all Principal Stockholder on a pro rata basis):

(i) first, pro rata among the holders of Registrable Securities on the basis of the such holders' ownership of the Registrable Securities; and

(ii) second, the securities for which inclusion in such Demand Registration, as the case may be, was requested by the Corporation.

For purposes of the underwriter cutback set forth in this Section 4(b), all Registrable Securities held by any Stockholder shall also include any Registrable Securities held by the

partners, members, shareholders or Affiliates of such holder, or the estates and family members of any such holder or such partners, members and shareholders, any trusts for the benefit of any of the foregoing Persons and, at the election of such holder or such partners, members, shareholders, trusts or Affiliates, any charitable organization, in each case to which any of the foregoing shall have been distributed, transferred or contributed Registrable Securities prior to the execution of the underwriting agreement in connection with such Underwritten Offering; provided that such distribution, transfer or contribution occurred not more than ninety (90) days prior to such execution, and such holder and other Persons shall be deemed to be a single selling holder, and any pro rata reduction (unless the managing underwriter(s) require a different allocation) with respect to such selling holder shall be based upon the aggregate amount of Registrable Securities owned by all Persons included in such selling holder, as defined in this sentence. No securities excluded from the underwriting by reason of the underwriter's marketing limitation shall be included in such registration.

(c) Postponement of Demand Registration. The Corporation shall not be obligated to file any Registration Statement or other disclosure document pursuant to this Section 4 (but shall be obligated to continue to prepare such Registration Statement or other disclosure document) if the Corporation shall furnish to the holders requesting registration a certificate signed by the chief executive officer, chief financial officer, general counsel or other equivalent senior executive officer of the Corporation stating that the filing, effectiveness or continued use of such Registration Statement would require the Corporation to make an Adverse Disclosure, in which case the Corporation shall have a period (in each case, a "Demand Delay") of not more than sixty (60) days or such longer period as the Principal Stockholder initiating such registration request shall consent to in writing, within which to file such Registration Statement; provided, however, that, unless consented to in writing by the KKR Stockholders and the Walgreens Stockholders, the Corporation shall not be permitted to exercise more than two (2) Demand Delays pursuant to this Section 4(c) and Shelf Suspensions pursuant to Section 3(c) in the aggregate. Each Stockholder receiving such certificate shall keep confidential the fact that a Demand Delay is in effect, the certificate referred to above and its contents for the permitted duration of the Demand Delay until otherwise notified by the Corporation, in each case in accordance with Section 12(k). If the Corporation shall so postpone the filing of a Registration Statement, the Principal Stockholder requesting such Demand Registration shall have the right to withdraw the request for registration by giving written notice to the Corporation within twenty (20) days of the anticipated termination date of the postponement period, as provided in the certificate delivered to the holders; provided, however, that any other Principal Stockholder may elect to continue such Demand Registration as if it were the requesting Principal Stockholder (which continuation shall, for the avoidance of doubt, not require the restart of any applicable minimum notice provisions, but shall count as a Demand Registration for purposes of Section 4(e)).

(d) Cancellation of a Demand Registration. The Principal Stockholder that requested a Demand Registration shall have the right to notify the Corporation that it has determined that the proposed offering be abandoned or withdrawn, in which event the Corporation shall abandon or withdraw the applicable Registration Statement and no Demand Registration shall be deemed to have occurred for purposes of this Section 4; provided, however, that any other Principal Stockholder may elect to continue such Demand Registration as if it were the requesting Principal Stockholder (which continuation shall, for the avoidance of doubt,

not require the restart of any applicable minimum notice provisions, but shall count as a Demand Registration for purposes of Section 4(e)). For the avoidance of doubt, prior to entering into the underwriting agreement with respect to any proposed offering, any holder of Registrable Securities included in a Demand Registration may elect, in its sole discretion, to withdraw from such Demand Registration.

(e) Number of Demand Notices. In connection with the provisions, and subject to the limitations, of this Section 4, (i) the KKR Stockholders shall have an unlimited number of Demand Notices that they are permitted to deliver (or cause to be delivered) to the Corporation hereunder and (ii) the Walgreens Stockholders shall be permitted to deliver (or cause to be delivered) to the Corporation no more than five (5) Demand Notices hereunder. Notwithstanding the foregoing, no Demand Registration shall be deemed to have occurred for purposes of this Section 4 if the Registration Statement relating thereto (i) does not become effective, (ii) is not maintained effective for the period required pursuant to this Section 4, or (iii) the offering of the Registrable Securities pursuant to such Registration Statement is subject to a stop order, injunction, or similar order or requirement of the SEC during such period, in which case, such requesting holder of Registrable Securities shall be entitled to an additional Demand Registration in lieu thereof.

Section 5. Other Piggyback Registration.

(a) Right to Piggyback. Except with respect to the filing of the Shelf Registration Statement as provided in Section 3 or a Demand Registration as provided in Section 4, if the Corporation proposes to file a Registration Statement under the Securities Act with respect to an offering of Common Stock whether or not for sale for its own account (other than a Registration Statement (i) on Form S-4, Form S-8 or any successor forms thereto, (ii) filed solely in connection with any employee benefit or dividend reinvestment (or similar) plan, (iii) a registration pursuant to which the Corporation is offering to exchange its own securities for other securities, or (iv) a Shelf Registration Statement pursuant to which only the initial purchasers and subsequent transferees of debt securities of the Corporation or any Subsidiary that are convertible for Common Stock and that are initially issued pursuant to Rule 144A and/or Regulation S (or any successor provision) of the Securities Act may resell such notes and sell the Common Stock into which such notes may be converted, then, except to the extent otherwise provided below with respect to the Initial Public Offering, the Corporation shall give prompt written notice of such proposed filing no later than ten (10) days prior to the anticipated filing date (the "Piggyback Notice") to all of the holders of Registrable Securities. The Piggyback Notice shall offer such holders the opportunity to include (or cause to be included) in such Registration Statement the number of Registrable Securities as each such holder may request (a "Piggyback Registration"). Subject to Section 5(b), the Corporation shall include in each such Piggyback Registration all Registrable Securities with respect to which the Corporation has received written requests for inclusion therein within ten (10) days after notice has been given to the applicable holder. The eligible holders of Registrable Securities shall be permitted to withdraw all or part of the Registrable Securities from a Piggyback Registration at any time at least five (5) Business Days prior to the effective date of the Registration Statement for such Piggyback Registration. The Corporation shall not be required to maintain the effectiveness of the Registration Statement for a Piggyback Registration beyond the earlier to occur of (i) one hundred eighty (180) days after the effective date thereof and (ii) consummation of the distribution by the holders of the applicable Registrable Securities included in such Registration Statement.

Notwithstanding anything to the contrary in this Agreement, (i) in connection with a Demand Notice for an Initial Public Offering in which the KKR Stockholders are selling (or causing to be sold) Registrable Securities beneficially owned by them in such Initial Public Offering on a secondary basis, the Corporation shall be required to deliver a Piggyback Notice to all holders of Registrable Securities and in such event all holders of Registrable Securities shall have the right to participate in such offering on a pro rata basis with such KKR Stockholders, taken together (it being understood that in connection with any Initial Public Offering in which the KKR Stockholders are not selling (or causing to be sold) Registrable Securities beneficially owned by them on a secondary basis, no such Piggyback Notice need be sent), and (ii) no member of senior management of the Corporation or any of its Subsidiaries who has been provided with piggyback rights in this Section 5 shall be permitted to exercise such rights unless the KKR Stockholders are selling Registrable Securities in such transaction.

If at any time after giving a Piggyback Notice and prior to the effective date of the Registration Statement filed in connection with such registration the Corporation shall determine for any reason not to register the securities originally intended to be included in such registration, the Corporation may, at its election, give written notice of such determination to the Stockholders and thereupon the Corporation shall be relieved of its obligation to register such Registrable Securities in connection with the registration of securities originally intended to be included in such registration, without prejudice, however, to the right of a Principal Stockholder promptly thereafter to request that such registration be continued as a registration under Section 3 to the extent permitted thereunder (which continuation shall, for the avoidance of doubt, not require the restart of any applicable minimum notice provisions, but shall count as a Demand Registration for purposes of Section 4(e)).

(b) Priority on Piggyback Registrations. The Corporation shall use reasonable best efforts to cause the managing underwriter or underwriters of a proposed Underwritten Offering to permit the applicable holders of Registrable Securities who have submitted a Piggyback Notice in connection with such offering to include in such offering all Registrable Securities included in each holder's Piggyback Notice on the same terms and conditions as any other shares of Common Stock, if any, of the Corporation included in the offering. Notwithstanding the foregoing, if the managing underwriter or underwriters of such Underwritten Offering have informed the Corporation in writing that it is their good faith opinion that the total amount of securities that such holders, the Corporation and any other Persons having rights to participate in such registration, intend to include in such offering is such as to adversely affect the success of such offering, then the amount of securities to be offered (i) for the account of holders of Registrable Securities (other than the Corporation) on a pro rata basis, based on their ownership of Registrable Securities, and (ii) for the account of all such other Persons (other than the Corporation) shall be reduced to the extent necessary to reduce the total amount of securities to be included in such offering to the amount recommended by such managing underwriter or underwriters by first reducing, or eliminating if necessary, all securities of the Corporation requested to be included by such other Persons (other than the Corporation and holders of Registrable Securities) and then, if necessary, reducing the securities requested to be included by the holders of Registrable Securities requesting such registration pro rata among such holders on the basis of the percentage of the Registrable Securities requested to be included in such Registration Statement by such holders.

Section 6. Restrictions on Public Sale by Holders of Registrable Securities; Restrictions on the Corporation; Transfer Restriction Waiver

(a) Subject to Section 6(d), each Stockholder agrees, in connection with the Initial Public Offering, and each holder of Registrable Securities agrees, in connection with any Underwritten Offering made pursuant to a Registration Statement filed pursuant to Section 3, 4 or 5 (whether or not such holder elected to include Registrable Securities in such Registration Statement), if requested (pursuant to a written notice) by the managing underwriter or underwriters in an Underwritten Offering, not to effect any public sale or distribution of any of the Corporation's securities (except as part of such Underwritten Offering), including a sale pursuant to Rule 144 or any swap or other economic arrangement that transfers to another Person any of the economic consequences of owning Common Stock or to give any Demand Notice during the period commencing on the date of the request (which shall be no earlier than fourteen (14) days prior to the expected "pricing" of such offering) and continuing for not more than: (a) with respect to the Initial Public Offering, one hundred eighty (180) days, (b) with respect to any other offering (other than a Non-Marketed Underwritten Shelf Take-Down), ninety (90) days, or (c) with respect to any Non-Marketed Underwritten Shelf Take-Down, the lesser of (i) forty-five (45) days and (ii) the date that such Non-Marketed Underwritten Shelf Take-Down is abandoned, in the case of each of clauses (a), (b) or (c) above, after the date of the final Prospectus (or final Prospectus supplement if the offering is made pursuant to a shelf registration) pursuant to which such public offering shall be made, or such lesser period as is required by the managing underwriter (which shall also apply equally to all Stockholders). Each Stockholder agrees that it will deliver to the managing underwriter or underwriters of any offering to which clause (a), (b) or (c) above is applicable a customary lock-up agreement (with customary terms, conditions and exceptions) that is in all material respects the same as the lock-up agreements delivered to the managing underwriter or underwriters by the KKR Stockholders (or in the case of any Demand Registration initiated by any Walgreens Stockholder, as the lock-up agreements delivered to the managing underwriter or underwriters by the Walgreens Stockholders) reflecting their agreement set forth in this Section 6.

(b) Notwithstanding the foregoing, any discretionary waiver or termination of this lock-up provision or any such lock-up agreement by the Corporation (other than pursuant to Section 6(d)) or the underwriters with respect to any of the Stockholders shall apply to the other Stockholders as well, pro rata based upon the number of shares of Common Stock subject to such obligations.

(c) The Corporation agrees, in connection with any Underwritten Offering made pursuant to a Registration Statement filed pursuant to Section 3, 4 or 5 not to effect any public sale or distribution of any Common Stock (or securities convertible into or exchangeable or exercisable for Common Stock) (other than pursuant to a registration statement on Form S-4, Form S-8 or any successor forms thereto relating to Common Stock to be issued solely by the Corporation in connection with (i) any acquisition of another entity or business or (ii) a stock option or any other employee benefit or dividend reinvestment plan) for its own account, in the case of each of (i) and (ii), during the period beginning seven (7) days prior to the launch of the

Underwritten Offering and ending no later than the earlier of: (x) with respect to the Initial Public Offering, one hundred eighty (180) days, (y) with respect to any other offering (other than a Non-Marketed Underwritten Shelf Take-Down), ninety (90) days, or (z) with respect to any Non-Marketed Underwritten Shelf Take-Down, the lesser of (I) sixty (60) days and (II) the date that such Non-Marketed Underwritten Shelf Take-Down is abandoned, in the case of each of clauses (x), (y) or (z) above, after the date of the final Prospectus (or final Prospectus supplement if the offering is made pursuant to a shelf registration) pursuant to which such public offering shall be made, or such lesser period as is required by the managing underwriter (which shall also apply equally to all Stockholders).

(d) Transfer Restriction Waiver; Suspension of Piggyback Rights. Notwithstanding anything herein to the contrary, in connection with any Public Offering in which a Non-Principal Stockholder's piggyback registration rights pursuant to Section 3, 4 or 5 (the "Piggyback Rights") would otherwise be available, the Board, in its sole discretion, may elect to waive any restrictions on Transfer contained in any stockholders agreement between such Non-Principals Stockholder and the Corporation and under Section 6(a) with respect to the number of shares of Common Stock held by such Non-Principal Stockholder that would have been subject to such Piggyback Rights in connection with such Public Offering (a "Transfer Restriction Waiver"). If the Board shall have elected to effect a Transfer Restriction Waiver with respect to a Public Offering, (A) the Non-Principal Stockholders shall not be entitled to exercise any Piggyback Rights with respect to such Public Offering, and (B) the Corporation shall (x) deliver a written notice to each Non-Principal Stockholder on or promptly following the completion of the Public Offering giving rise to the Transfer Restriction Waiver, which notice shall include the number of shares of Common Stock sold by the Principal Stockholders in such Public Offering and the number of shares of Common Stock to which the Transfer Restriction Waiver shall apply, and (y) promptly take, and cause each of its controlled Affiliates, officers, employees, agents and representatives to promptly take, all such actions as may be reasonably required in connection therewith to effectuate, or cause to be effectuated, the Transfer Restriction Waiver, including causing any applicable lock-ups or other restrictions on Transfer not to apply to the shares of Common Stock that are the subject of such Transfer Restriction Waiver and taking the actions set forth in Section 10, to the extent legally possible, with respect to such shares of Common Stock.

Section 7. Registration Procedures. If and whenever the Corporation is required to effect the registration of any Registrable Securities under the Securities Act as provided in Sections 3, 4 or 5, the Corporation shall effect such registration to permit the sale of such Registrable Securities in accordance with the intended method or methods of disposition thereof, and pursuant thereto the Corporation shall cooperate in the sale of the securities and shall, as expeditiously as possible:

(a) prepare and file with the SEC a Registration Statement or Registration Statements on such form as shall be available for the sale of the Registrable Securities by the holders thereof or by the Corporation in accordance with the intended method or methods of distribution thereof, and use its reasonable best efforts to cause such Registration Statement to become effective and to remain effective as provided herein; provided, however, that before filing a Registration Statement or Prospectus or any amendments or supplements thereto, the Corporation shall furnish or otherwise make available to the Principal Stockholder that hold

Registrable Securities covered by such Registration Statement, their counsel and the managing underwriters, if any, copies of all such documents proposed to be filed, which documents will be subject to the reasonable review and comment of such counsel, and such other documents reasonably requested by such counsel, including any comment letter from the SEC, and, if requested by such counsel, provide such counsel reasonable opportunity to participate in the preparation of such Registration Statement and each Prospectus included therein and such other opportunities to conduct a reasonable investigation within the meaning of the Securities Act, including reasonable access to the Corporation's books and records, officers, accountants and other advisors. The Corporation shall not file any such Registration Statement or Prospectus or any amendments or supplements thereto (including such documents that, upon filing, would be incorporated or deemed to be incorporated by reference therein) with respect to a Demand Registration to which the holders of a majority of the Registrable Securities held by the Principal Stockholder covered by such Registration Statement, their counsel, or the managing underwriters, if any, shall reasonably object, in writing, on a timely basis, unless, in the opinion of the Corporation, such filing is necessary to comply with applicable Law;

(b) prepare and file with the SEC such amendments and post-effective amendments to each Registration Statement as may be necessary to keep such Registration Statement continuously effective during the period provided herein and comply in all material respects with the provisions of the Securities Act with respect to the disposition of all securities covered by such Registration Statement; and cause the related Prospectus to be supplemented by any Prospectus supplement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of the securities covered by such Registration Statement, and as so supplemented to be filed pursuant to Rule 424 (or any similar or successor rule or regulation then in force) under the Securities Act;

(c) notify each selling holder of Registrable Securities, its counsel and the managing underwriters, if any, promptly, and (if requested by any such Person) confirm such notice in writing, (i) when a Registration Statement, Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or related Prospectus or for additional information, (iii) of the issuance by the SEC of any stop order suspending the effectiveness of a Registration Statement or the initiation of any proceedings for that purpose, (iv) if at any time the Corporation has reason to believe that the representations and warranties of the Corporation contained in any agreement (including any underwriting agreement) contemplated by Section 7(o) below cease to be true and correct, (v) of the receipt by the Corporation of any notification with respect to the suspension of the qualification or exemption from qualification of any of the Registrable Securities for sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, and (vi) if the Corporation has knowledge of the happening of any event that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a

material fact or omit to state any material fact necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading (which notice shall notify the selling holders only of the occurrence of such an event and shall provide no additional information regarding such event to the extent such information would constitute material non-public information);

(d) use its reasonable best efforts to obtain the withdrawal of any order suspending the effectiveness of a Registration Statement, or the lifting of any suspension of the qualification (or exemption from qualification) of any of the Registrable Securities for sale in any jurisdiction at the earliest date reasonably practicable;

(e) if requested by the managing underwriters, if any, or the holders of a majority of the then outstanding Registrable Securities being sold in connection with an Underwritten Offering, promptly include in a Prospectus supplement or post-effective amendment such information as the managing underwriters, if any, and such holders may reasonably request in order to permit the intended method of distribution of such securities and make all required filings of such Prospectus supplement or such post-effective amendment as soon as practicable after the Corporation has received such request; provided, however, that the Corporation shall not be required to take any actions under this Section 7(e) that are not, in the opinion of counsel for the Corporation, in compliance with applicable Law;

(f) furnish or make available to each selling holder of Registrable Securities, its counsel and each managing underwriter, if any, without charge, at least one conformed copy of the Registration Statement, the Prospectus and Prospectus supplements, if applicable, and each post-effective amendment thereto, including financial statements (but excluding schedules, all documents incorporated or deemed to be incorporated therein by reference, and all exhibits, unless requested in writing by such holder, counsel or underwriter); provided that the Corporation may furnish or make available any such documents in electronic format;

(g) deliver to each selling holder of Registrable Securities, its counsel, and the underwriters, if any, without charge, as many copies of the Prospectus or Prospectuses (including each form of Prospectus) and each amendment or supplement thereto as such Persons may reasonably request from time to time in connection with the distribution of the Registrable Securities; provided that the Corporation may furnish or make available any such documents in electronic format; and the Corporation, subject to the last paragraph of this Section 7, hereby consents to the use of such Prospectus and each amendment or supplement thereto by each of the selling holders of Registrable Securities and the underwriters, if any, in connection with the offering and sale of the Registrable Securities covered by such Prospectus and any such amendment or supplement thereto;

(h) prior to any public offering of Registrable Securities, use its reasonable best efforts to register or qualify or cooperate with the selling holders of Registrable Securities, the underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Securities for offer and sale under the securities or “blue sky” laws of such jurisdictions within the United States as any seller or underwriter reasonably requests in writing and to keep each such registration or qualification (or exemption therefrom) effective during the period such

Registration Statement is required to be kept effective and to take any other action that may be necessary or advisable to enable such holders of Registrable Securities to consummate the disposition of such Registrable Securities in such jurisdiction; provided, however, that the Corporation will not be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified or (ii) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject;

(i) cooperate with the selling holders of Registrable Securities and the managing underwriters, if any, to facilitate the timely preparation and delivery of certificates (not bearing any legends) or issuance of Registrable Securities in book-entry form (not being subject to any legends) representing Registrable Securities to be sold after receiving written representations from each holder of such Registrable Securities that the Registrable Securities represented by the certificates so delivered by such holder will be transferred in accordance with the Registration Statement, and enable such Registrable Securities to be in such denominations and registered in such names as the managing underwriters, if any, or holders may request at least two Business Days prior to any sale of Registrable Securities in a firm commitment public offering, but in any other such sale, within ten (10) Business Days prior to having to issue the securities;

(j) use its reasonable best efforts to cause the Registrable Securities covered by the Registration Statement to be registered with or approved by such other governmental agencies or authorities within the United States, except as may be required solely as a consequence of the nature of such selling holder's business, in which case the Corporation will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals, as may be necessary to enable the seller or sellers thereof or the underwriters, if any, to consummate the disposition of such Registrable Securities;

(k) upon the occurrence of, and its knowledge of, any event contemplated bySection 7(c)(vi), promptly prepare and file with the SEC a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Securities being sold thereunder, such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(l) prior to the effective date of the Registration Statement relating to the Registrable Securities, provide a CUSIP number for the Registrable Securities;

(m) provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by such Registration Statement from and after a date not later than the effective date of such Registration Statement and, if applicable, provide for a custodian for such Registrable Securities and enter into any agreements with respect thereto;

(n) use its reasonable best efforts to cause all Registrable Securities covered by such Registration Statement to be listed on a national securities exchange if shares of the particular class of Registrable Securities are at that time listed on such exchange, as the case may

be, prior to the effectiveness of such Registration Statement (or, if such registration is an Initial Public Offering, use its reasonable best efforts to cause such Registrable Securities to be so listed within one (1) Business Day following the effectiveness of such Registration Statement);

(o) enter into such agreements (including an underwriting agreement in form, scope and substance as is customary in Underwritten Offerings) and take all such other actions reasonably requested by the holders of a majority of the Registrable Securities held by the Principal Stockholders that are being sold in connection therewith (including those reasonably requested by the managing underwriters, if any) to expedite or facilitate the disposition of such Registrable Securities, and in such connection, whether or not an underwriting agreement is entered into and whether or not the registration is an Underwritten Registration, (i) make such representations and warranties to the holders of such Registrable Securities and the underwriters, if any, with respect to the business of the Corporation and its Subsidiaries, and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, in form, substance and scope as are customarily made by issuers to underwriters in Underwritten Offerings, and, if true, confirm the same if and when requested, (ii) use its reasonable best efforts to furnish to the selling holders of such Registrable Securities opinions of counsel to the Corporation and updates thereof (which counsel and opinions (in form, scope and substance) shall be reasonably satisfactory to the managing underwriters, if any, and counsels to the selling holders of the Registrable Securities), addressed to each selling holder of Registrable Securities and each of the underwriters, if any, covering the matters customarily covered in opinions requested in Underwritten Offerings and such other matters as may be reasonably requested by such counsel and underwriters, (iii) use its reasonable best efforts to obtain "cold comfort" letters and updates or bring-downs thereof from the independent certified public accountants of the Corporation (and, if necessary, any other independent certified public accountants of any Subsidiary of the Corporation or of any business acquired by the Corporation for which financial statements and financial data are, or are required to be, included in the Registration Statement) who have certified the financial statements included in such Registration Statement, addressed to each selling holder of Registrable Securities (unless such accountants shall be prohibited from so addressing such letters by applicable standards of the accounting profession) and each of the underwriters, if any, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with Underwritten Offerings, (iv) if an underwriting agreement is entered into, the same shall contain indemnification provisions and procedures substantially to the effect set forth in Section 9 with respect to all parties to be indemnified pursuant to said Section except as otherwise agreed by each Principal Stockholder and (v) deliver such documents and certificates as may be reasonably requested by the holders of a majority of the Registrable Securities being sold pursuant to such Registration Statement, their counsel and the managing underwriters, if any, to evidence the continued validity of the representations and warranties made pursuant to Section 7(o)(i) and to evidence compliance with any customary conditions contained in the underwriting agreement or other agreement entered into by the Corporation. The above shall be done at each closing under such underwriting or similar agreement, or as and to the extent required thereunder;

(p) make available for inspection by a representative of the selling holders of Registrable Securities, any underwriter participating in any such disposition of Registrable Securities, if any, and any attorneys or accountants retained by such selling holders or underwriter, at the offices where normally kept, during reasonable business hours, all financial

and other records, pertinent corporate documents and properties of the Corporation and its Subsidiaries, and cause the officers, directors and employees of the Corporation and its Subsidiaries to supply all information in each case reasonably requested by any such representative, underwriter, attorney or accountant in connection with such Registration Statement; provided, however, that any information that is not generally publicly available at the time of delivery of such information shall be kept confidential by such Persons in accordance with Section 12(k) and no such information shall be used by such Persons as the basis for any market transactions in securities of the Corporation or its Subsidiaries in violation of Law;

(q) cause its officers to use their reasonable best efforts to support the marketing of the Registrable Securities covered by the Registration Statement (including participation in "road shows") taking into account the Corporation's reasonable business needs;

(r) cooperate with each seller of Registrable Securities and each underwriter or agent participating in the disposition of such Registrable Securities and their respective counsel in connection with any filings required to be made with FINRA; and

(s) use reasonable best efforts to take all such other reasonable actions as are necessary or advisable in order to expedite or facilitate the disposition of such Registrable Securities.

The Corporation may require each holder of Registrable Securities as to which any registration is being effected to furnish to the Corporation in writing such information required in connection with such registration regarding such seller and the distribution of such Registrable Securities as the Corporation may, from time to time, reasonably request in writing and the Corporation may exclude from such registration the Registrable Securities of any holder who unreasonably fails to furnish such information within a reasonable time after receiving such request.

Each holder of Registrable Securities agrees if such holder has Registrable Securities covered by such Registration Statement or Prospectus that, upon receipt of any written notice from the Corporation of the happening of any event of the kind described in Section 7(c)(ii), 7(c)(iii), 7(c)(iv) or 7(c)(v), such holder will forthwith discontinue disposition of such Registrable Securities covered by such Registration Statement or Prospectus until such holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 7(k), or until it is advised in writing by the Corporation that the use of the applicable Prospectus may be resumed, and has received copies of any additional or supplemental filings that are incorporated or deemed to be incorporated by reference in such Prospectus; provided, however, that the time periods under Sections 3, 4 and 5 with respect to the length of time that the effectiveness of a Registration Statement must be maintained shall automatically be extended by the amount of time the holder is required to discontinue disposition of such securities.

Section 8. Registration Expenses. All reasonable fees and expenses incident to the performance of or compliance with this Agreement by the Corporation, including (i) all registration and filing fees (including fees and expenses with respect to (A) filings required to be made with the SEC and FINRA, including any reasonable and documented fees and disbursements of counsel for the underwriters in connection with such FINRA filings and the

review thereof by FINRA, and (B) qualification or compliance with securities or "blue sky" laws, including any fees and disbursements of counsel for the underwriters in connection with "blue sky" qualifications of the Registrable Securities pursuant to Section 7(h)), (ii) typesetting, filing and printing expenses (including, if applicable, expenses of printing certificates for Registrable Securities in a form eligible for deposit with The Depository Trust Corporation and of printing Prospectuses if the printing of Prospectuses is requested by the managing underwriters, if any, or by the holders of a majority of the Registrable Securities included in any Registration Statement), (iii) messenger, telephone and delivery expenses of the Corporation, (iv) fees and disbursements of counsel for the Corporation, (v) expenses of the Corporation incurred in connection with any road show, (vi) fees and disbursements of all independent certified public accountants referred to in Section 7(o)(iii) (including the expenses of any "cold comfort" letters required by this Agreement) and any other Persons, including special experts retained by the Corporation, (vii) fees and disbursements of any transfer agent, registrar, custodian or depositary, and (viii) fees and disbursements of one (1) counsel for the KKR Stockholders and any other holders whose Registrable Securities are included in a Registration Statement, which counsel shall be selected (x) by the KKR Stockholders in connection with the Initial Public Offering or if the KKR Stockholder is making the Demand Registration or Shelf Take-Down request, (y) by the Walgreens Stockholder if the Walgreens Stockholder is making the Demand Registration or Shelf Take-Down request or (z) otherwise, by holders of a majority of the Registrable Securities being sold in connection with such offering, and which shall, in each case, be borne by the Corporation whether or not any Registration Statement is filed or becomes effective. In addition, the Corporation shall pay its internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit, the fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange on which similar securities issued by the Corporation are then listed and rating agency fees and the fees and expenses of any Person, including special experts, retained by the Corporation.

The Corporation shall not be required to pay (i) fees and disbursements of any counsel retained by any holder of Registrable Securities or by any underwriter (except as set forth in Section 8(i) and Section 8(viii)), (ii) any underwriter's fees (including discounts, commissions or fees of underwriters, selling brokers, dealer managers or similar securities industry professionals) relating to the distribution of the Registrable Securities (other than with respect to Registrable Securities sold by the Corporation), (iii) any transfer taxes or (iv) any other expenses of the holders of Registrable Securities not specifically required to be paid by the Corporation pursuant to the first paragraph of this Section 8.

Section 9. Indemnification.

(a) Indemnification by the Corporation. The Corporation shall, without limitation as to time, indemnify and hold harmless, to the fullest extent permitted by Law, each holder of Registrable Securities whose Registrable Securities are covered by a Registration Statement or Prospectus, the officers, directors, partners, members, managers, shareholders, affiliates, accountants, attorneys, agents and employees of each of them, each Person who controls each such holder (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) and the officers, directors, partners, members, managers, shareholders, accountants, attorneys, agents and employees of each such controlling Person, each underwriter,

if any, the officers, directors, partners, members, managers, shareholders, affiliates, accountants, attorneys, agents and employees of such underwriter and each Person who controls (within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act) such underwriter (collectively, "Holder Indemnitees"), from and against any and all losses, claims, damages (including punitive and exemplary damages), liabilities, costs (including costs of preparation and reasonable attorneys' fees and any legal or other fees or expenses incurred by such party in connection with any investigation or Proceeding), expenses (including interest, assessments, and other charges in connection therewith and disbursements of professional advisors), judgments, fines, penalties, charges and amounts paid in settlement (collectively, "Losses"), as incurred, arising out of or based upon any untrue statement (or alleged untrue statement) of a material fact contained in any Registration Statement, Prospectus, any amendment (including any post-effective amendment) or supplement to any Registration Statement or Prospectus, any filing made in connection with the qualification of the offering under the securities or other "blue sky" laws of any jurisdiction in which Registrable Securities are offered, or any other offering document (including any related notification, or the like) incident to any such registration, qualification or compliance, or based on any omission (or alleged omission) to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, in light of the circumstances under which they were made) not misleading, or any violation by the Corporation of the Securities Act or of the Exchange Act, or any violation by the Corporation of this Agreement, and will reimburse each Holder Indemnitee for any legal and any other expenses reasonably incurred in connection with investigating and defending or settling any such Loss or Proceeding, provided that the Corporation will not be liable to any Holder Indemnitee in any such case to the extent that any such Loss or Proceeding arises out of or is based on any untrue statement or omission by such Holder Indemnitee or underwriter, but only to the extent, that such untrue statement (or alleged untrue statement) or omission (or alleged omission) is made in such Registration Statement, Prospectus or other offering document in reliance upon and in conformity with written information furnished to the Corporation by such Holder Indemnitee or underwriter expressly for inclusion in such Registration Statement, Prospectus or other offering document. It is agreed that the indemnity agreement contained in this Section 9(a) shall not apply to amounts paid in settlement of any such Loss or Proceeding if such settlement is effected without the consent of the Corporation (which consent shall not be unreasonably withheld, conditioned or delayed). Such indemnity agreement shall remain in full force and effect regardless of any investigation made by or on behalf of any Holder Indemnitee and shall survive the Transfer of Registrable Securities by any such Holder Indemnitee.

(b) Indemnification by Holder of Registrable Securities. In connection with any Registration Statement in which a holder of Registrable Securities includes Registrable Securities, such holder of Registrable Securities agrees to indemnify, to the fullest extent permitted by Law, severally and not jointly, the Corporation, each other holder of Registrable Securities which includes Registrable Securities in such Registration Statement, their respective directors, managers and officers and each Person who controls the Corporation and such holders (within the meaning of Section 15 of the Securities Act and Section 20 of the Exchange Act) (collectively, "Corporation/Holder Indemnitees"), from and against all Losses arising out of or based on any untrue statement of a material fact contained in any such Registration Statement, Prospectus, or other offering document, or any omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of any Prospectus, in light of the circumstances under which they were made) not misleading, and will reimburse each

Corporation/Holder Indemnitee for any legal or any other expenses reasonably incurred in connection with investigating or defending any such Loss or Proceeding, in each case to the extent, but only to the extent, that such untrue statement or omission is made in such Registration Statement, Prospectus, or other offering document in reliance upon and in conformity with written information furnished to the Corporation by such Corporation/Holder Indemnitee expressly for inclusion in such Registration Statement, Prospectus or other offering document; provided, however, that the obligations of such Corporation/Holder Indemnitee hereunder shall not apply to amounts paid in settlement of any such Losses or Proceedings if such settlement is effected without the consent of such Corporation/Holder Indemnitee (which consent shall not be unreasonably withheld, conditioned or delayed); and provided, further, that the liability of each selling holder of Registrable Securities hereunder shall be limited to the net proceeds received by such selling holder from the sale of Registrable Securities giving rise to such indemnification obligation. In addition, insofar as the foregoing indemnity relates to any such untrue statement or omission made in a preliminary Prospectus but eliminated or remedied in an amended or supplemented preliminary Prospectus on file with the SEC at the time the Registration Statement becomes effective, or in any amendment or supplement thereto at or prior to the pricing of the sale of the Registrable Securities giving rise to the indemnification obligation, and such new preliminary Prospectus or amendment or supplement thereto is delivered to the underwriter, the indemnity agreement in this Section 9(b) shall not inure to the benefit of any Person if a copy of such amended or supplemented preliminary Prospectus was not furnished to the Person asserting the Loss at or prior to the pricing of the sale of the Registrable Securities giving rise to the indemnification obligation.

(c) Conduct of Indemnification Proceedings. If any Person shall be entitled to indemnity hereunder (an "Indemnified Party"), such Indemnified Party shall give prompt notice to the party from which such indemnity is sought (the "Indemnifying Party") of any claim or of the commencement of any Proceeding with respect to which such Indemnified Party seeks indemnification or contribution pursuant hereto; provided, however, that the delay or failure to so notify the Indemnifying Party shall not relieve the Indemnifying Party from any obligation or liability except (and only) to the extent that the Indemnifying Party has been prejudiced in defending the claim as a result of such delay or failure. The Indemnifying Party shall have the right, exercisable by giving written notice to an Indemnified Party promptly after the receipt of written notice from such Indemnified Party of such claim or Proceeding, to, unless in the Indemnified Party's reasonable judgment a conflict of interest between such indemnified and Indemnifying Parties may exist in respect of such claim, assume, at the Indemnifying Party's expense, the defense of any such claim or Proceeding, with counsel reasonably satisfactory to the Indemnified Party; provided, however, that an Indemnified Party shall have the right to employ separate counsel in any such claim or Proceeding and to participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Indemnified Party unless: (i) the Indemnifying Party agrees to pay such fees and expenses; or (ii) the Indemnifying Party fails promptly to assume, or in the event of a conflict of interest cannot assume, the defense of such claim or Proceeding or fails to employ counsel reasonably satisfactory to such Indemnified Party, in which case the Indemnified Party shall have the right to employ counsel and to assume the defense of such claim or proceeding; provided, further, however, that the Indemnifying Party shall not, in connection with any one such claim or Proceeding or separate but substantially similar or related claims or Proceedings in the same jurisdiction, arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one firm of

attorneys (in addition to appropriate local counsel) at any time for all of the Indemnified Parties, or for fees and expenses that are not reasonable. If, and so long as, the defense is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its consent (but such consent will not be unreasonably withheld, conditioned or delayed). The Indemnifying Party shall not consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such Indemnified Party of a release, in form and substance reasonably satisfactory to the Indemnified Party, from all liability in respect of such claim or litigation for which such Indemnified Party would be entitled to indemnification hereunder or that includes any admission of fault or culpability of such Indemnified Party.

(d) Contribution. If the indemnification provided for in this Section 9 is unavailable to an Indemnified Party in respect of any Losses (other than in accordance with its terms), then each applicable Indemnifying Party, in lieu of indemnifying such Indemnified Party shall contribute to the amount paid or payable by such Indemnified Party as a result of such Losses, in such proportion as is appropriate to reflect (i) the relative fault of the Indemnifying Party, on the one hand, and such Indemnified Party, on the other hand, in connection with the actions, statements or omissions that resulted in such Losses and (ii) any other relevant equitable considerations. For purposes of this Section 9(d), the relative fault of such Indemnifying Party, on the one hand, and Indemnified Party, on the other hand, shall be determined by reference to, among other things, whether any action in question, including any untrue or alleged untrue statement of a material fact or omission or alleged omission to state a material fact, has been taken by, or relates to information supplied by, such Indemnifying Party or Indemnified Party, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent any such action, statement or omission.

The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 9(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in the immediately preceding paragraph. Notwithstanding the provisions of this Section 9(d), an Indemnifying Party that is a holder of Registrable Securities shall not be required to contribute any amount in excess of the amount by which the net proceeds to the Indemnifying Party from the sale of the Registrable Securities sold in a transaction that resulted in Losses in respect of which contribution is sought in such proceeding pursuant to this Section 9(d), exceed the amount of any damages that such Indemnifying Party has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission (including as a result of any indemnification obligation hereunder). No person finally determined to be guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation.

(e) The indemnity and contribution agreements contained in this Section 9 are in addition to any other liability that the Indemnifying Parties may otherwise have to the Indemnified Parties; provided that in no event shall any holder of Registrable Securities be liable to any Indemnified Parties with respect to any untrue statement or alleged untrue statement or omission or alleged omission in any Registration Statement, Prospectus or other offering document for any amount in excess of the amount by which the net proceeds to the Indemnifying Party from the sale of the Registrable Securities sold in the transaction that resulted in any

liability, exceeds the amount of any damages that such Indemnifying Party has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission (including as a result of any indemnification or contribution obligation hereunder). Notwithstanding the foregoing, to the extent that the provisions on indemnification and contribution contained in the underwriting agreement entered into in connection with the underwritten public offering are in conflict with the foregoing provisions, the provisions in the underwriting agreement shall control.

Section 10. Rule 144; Restriction Removal.

(a) At all times after the effective date of the first Registration Statement filed by the Corporation under the Securities Act or the Exchange Act, the Corporation shall (i) file the reports required to be filed by it under the Securities Act and the Exchange Act in a timely manner, (ii) furnish to each holder of Registrable Securities forthwith upon written request, (x) a written statement by the Corporation as to its compliance with the reporting requirements of Rule 144, the Securities Act and the Exchange Act, (y) a copy of the most recent annual or quarterly report of the Corporation, and (z) such other reports and documents so filed by the Corporation as such holder may reasonably request in availing itself of Rule 144, and (iii) take such further action as any holder of Registrable Securities may reasonably request, all to the extent required from time to time to enable such holder to sell Registrable Securities without registration under the Securities Act within the limitations of the exemption provided by Rule 144. Upon the request of any holder of Registrable Securities, the Corporation shall deliver to such holder a written statement as to whether it has complied with such requirements.

(b) The Corporation shall, promptly upon the request of any holder of Registrable Securities (and, to the extent necessary, the delivery of such Registrable Securities to the transfer agent therefor), cause any legend or stop-transfer instructions with respect to restrictions on transfer under the Securities Act of such Registrable Securities to be removed or otherwise eliminated (including the delivery of any opinion or instructions to the transfer agent as may be required by such transfer agent for transfer of any Registrable Securities) if (i) such Registrable Securities are registered pursuant to an effective Registration Statement, (ii) in connection with a sale transaction, such holder provides the Corporation with an opinion of counsel, in a generally acceptable form, to the effect that a public sale, assignment or transfer of the Registrable Securities may be made without registration under the Securities Act, (iii) such holder provides the Corporation reasonable assurances that the Registrable Securities have been or are being sold pursuant to, or can then be sold by such holder without restriction or limitation under, Rule 144, or (iv) such holder certifies in writing that such holder is not an Affiliate of the Corporation and either (A) a holding period (determined as provided in Rule 144(d)) of at least six months has elapsed since the acquisition of such Registrable Securities from the Corporation or an Affiliate of the Corporation and such holder will only sell the Registrable Securities in accordance with Rule 144 (including, as applicable, the public information requirement thereof) or pursuant to an effective Registration Statement, or (B) a holding period (determined as provided in Rule 144(d)) of at least one year has elapsed since the acquisition of such Registrable Securities from the Corporation or an Affiliate of the Corporation. The Corporation shall be responsible for the fees and expenses of its transfer agent and The Depository Trust Corporation associated with the issuance of the Registrable Securities to the Stockholder and any legend or stop-transfer instruction removal or elimination in accordance herewith.

(c) The foregoing provisions of this Section 10 are not intended to modify or otherwise affect any restrictions on Transfers of securities contained in the Stockholders' Agreement or any other stockholders agreement between the holder and the Corporation.

Section 11. Underwritten Registrations. In connection with any Underwritten Offering, the underwriter or underwriters shall be selected by (i) with respect to any Demand Registration, the Principal Stockholders delivering the Demand Notice with respect thereto, which selection shall be subject to approval by the Corporation, not to be unreasonably withheld, conditioned or delayed, (ii) with respect to any Underwritten Shelf Take-Down, the initiating Principal Stockholder that delivers the Take-Down Notice, which selection shall be subject to approval by the Corporation, not to be unreasonably withheld, conditioned or delayed, and (iii) with respect to any other offering, including any Piggyback Registration (other than an Initial Public Offering), the Corporation.

No Person may participate in any Underwritten Registration hereunder unless such Person (i) agrees to sell the Registrable Securities it desires to have covered by a Registration Statement on the basis provided in any underwriting arrangements in customary form and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements, custody agreements and other documents required under the terms of such underwriting arrangements, provided that such Person shall not be required to make any representations or warranties other than those related to title and ownership of such Person's Registrable Securities being sold and as to the accuracy and completeness of statements made in a Registration Statement, Prospectus, offering circular, or other document in reliance upon and in conformity with written information furnished to the Corporation or the managing underwriters, if any, by such Person specifically for use therein.

Section 12. Miscellaneous.

(a) Amendments and Waivers. The provisions of this Agreement, including the provisions of this sentence, may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given without the written consent of each of the Corporation and a majority of Registrable Securities held by the Principal Stockholders; provided, however, that (i) any amendment, modification, supplement, waiver or consent to departures from the provisions of this Agreement that would adversely affect the rights (economic or otherwise) hereunder of the Walgreens Stockholders (in their capacities as Stockholders) in a manner that is disproportionate as compared to the KKR Stockholders (in their capacities as Stockholders), shall not be effective as to such Walgreens Stockholders, without the prior written consent of the holders of a majority of the Registrable Securities held by such Walgreens Stockholders, and (ii) any amendment, modification, supplement, waiver or consent to departures from the provisions of this Agreement that would adversely affect the rights (economic or otherwise) hereunder of any one or more Stockholders (in their capacities as Stockholders) in a manner that is disproportionate as compared to the KKR Stockholders (in their capacities as Stockholders), shall not be effective as to such Stockholder(s), without the prior written consent of the holders of a majority of the Registrable Securities held by such non-KKR Stockholders(s). Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of holders of Registrable Securities whose securities are being sold pursuant to a Registration Statement and

that does not directly or indirectly affect the rights of other holders of Registrable Securities may be given by holders of at least a majority of the Registrable Securities being sold by such holders pursuant to such Registration Statement.

(b) Notices. All notices required to be given hereunder shall be in writing and shall be deemed to be duly given if personally delivered, sent via email or facsimile and receipt thereof has been confirmed in writing (including by return e-mail other than by an automated reply), or mailed by nationally recognized overnight delivery service with proof of receipt maintained, at the following addresses (or any other address that any such party may designate by written notice to the other parties): (i) if to the Corporation, to the address of its principal executive offices, and (ii) if to any Stockholder, at such Stockholder's address as set forth on the records of the Corporation. Any such notice shall, if delivered personally, be deemed received upon delivery; shall, if delivered by email or facsimile, be deemed received on the first Business Day following written confirmation of receipt; and shall, if delivered by nationally recognized overnight delivery service, be deemed received the first Business Day after being sent.

(c) Successors and Assigns; Stockholder Status. This Agreement shall inure to the benefit of and be binding upon the successors and permitted assigns of each of the parties, including the Corporation and subsequent holders of Registrable Securities acquired, directly or indirectly, from the Stockholders; provided, however, that such successor or assign shall not be entitled to such rights unless the successor or assign shall have executed and delivered to the Corporation an Addendum Agreement substantially in the form of Exhibit A hereto (which shall also be executed by the Corporation) promptly following the acquisition of such Registrable Securities, in which event such successor or assign shall be deemed a Stockholder for purposes of this Agreement. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any Person other than the parties hereto and their respective successors and permitted assigns any legal or equitable right, remedy or claim under, in or in respect of this Agreement or any provision herein contained, except that the Holder Indemnitees and Corporation/Holder Indemnitees shall be express third-party beneficiaries of and have the right to enforce Section 9.

(d) Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

(e) Headings; Construction. The Section and paragraph headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Unless the context requires otherwise: (i) pronouns in the masculine, feminine and neuter genders shall be construed to include any other gender, and words in the singular form shall be construed to include the plural and vice versa; (ii) the term "including" shall be construed to be expansive rather than limiting in nature and to mean "including, without limitation,"; (iii) references to Sections and paragraphs refer to Sections and paragraphs of this Agreement; and (iv) the words "this Agreement," "herein," "hereof," "hereby," "hereunder" and words of similar import refer to this Agreement as a whole, including Exhibit A hereto, and not to any particular subdivision unless expressly so limited. The terms "dollars" and "$" shall mean United States dollars. Except as otherwise set forth herein, securities exercisable, exchangeable or convertible into any other securities shall not be

deemed as "outstanding" securities of the type into which they are exercisable, exchangeable or convertible for any purposes in this Agreement. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation arises, this Agreement will be construed as if drafted jointly by the parties and no presumption or burden of proof will arise favoring or disfavoring any party because of the authorship of any provision of this Agreement.

(f) Governing Law. The provisions of this Agreement shall be governed by and construed in accordance with the internal laws of the State of Delaware.

(g) Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, illegal, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions set forth herein shall remain in full force and effect and shall in no way be affected, impaired or invalidated, and the parties hereto shall use their best efforts to find and employ an alternative means to achieve the same or substantially the same result as that contemplated by such term, provision, covenant or restriction. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such that may be hereafter declared invalid, illegal, void or unenforceable.

(h) Entire Agreement. This Agreement, the Stockholders' Agreement and any stockholders agreements between the Non-Principals Stockholders and the Corporation are intended by the parties as a final expression of their agreement, and are intended to be a complete and exclusive statement of the agreement and understanding of the parties hereto in respect of the subject matter contained herein. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein and therein, with respect to the registration rights granted by the Corporation with respect to Registrable Securities. This Agreement, together with the Stockholders' Agreement, supersedes all prior agreements and understandings between the parties with respect to such subject matter.

(i) Securities Held by the Corporation or its Subsidiaries. Whenever the consent or approval of holders of a specified percentage of Registrable Securities is required hereunder, Registrable Securities held by the Corporation or its Subsidiaries shall not be counted in determining whether such consent or approval was given by the holders of such required percentage.

(j) Specific Performance. The parties hereto recognize and agree that money damages would be insufficient to compensate the holders of any Registrable Securities for breaches by the Corporation of the terms hereof and, consequently, that the equitable remedy of specific performance of the terms hereof will be available in the event of any such breach, in addition to any other remedies available to the holders of any Registrable Securities at law or in equity.

(k) Confidentiality. In furtherance of and not in limitation of any other similar agreement such Person may have with the Corporation or any of their respective Subsidiaries, each Shelf Holder, Stockholder and Person referred to in Section 7(p) shall keep the information referred to in Section 3(c), Section 4(c) and Section 7(p), respectively, confidential

In order to cause the separation of a Global Unit into its component parts, a Beneficial Holder must comply with the applicable procedures of the Depositary. Following a valid exercise of separation rights by a Holder of Global Units, the Purchase Contract Agent or Trustee, as applicable, shall register (i) a decrease in the number of Units represented by the Global Unit and the number of Purchase Contracts and Notes represented by the Component Purchase Contract and the Component Note attached to the Global Unit as Attachments 3 and 4, respectively, as set forth in Schedule A to each such attachment, and (ii) a corresponding increase in the number of Purchase Contracts and Notes represented by the Global Purchase Contract and the Global Note, respectively. If, however, such Unit is in the form of a Definitive Security in accordance with Section 3.09, the Holder thereof must deliver to the Purchase Contract Agent such Unit, together with a separation notice, in the form set forth in Attachment 1 to the form of Unit attached hereto as Exhibit A. Upon the receipt of such separation notice, the Company shall promptly cause delivery, in accordance with the delivery instructions set forth in such separation notice, of one Separate Purchase Contract and one Separate Note for each such Unit. Separate Purchase Contracts and Separate Notes will be transferable independently from each other.

(b) Holders that elect to separate the Note and related Purchase Contract in accordance with this Section 2.03 shall be responsible for any fees or expenses payable in connection with such separation, and neither the Company, the Purchase Contract Agent nor the Trustee shall be liable for any such fees or expenses.

(c) In the event that any Notes that are a component of Units are redeemed in accordance with the Indenture, upon such redemption, the Company shall execute and the Purchase Contract Agent shall authenticate on behalf of the Holder and deliver to the Holder thereof, at the expense of the Company, Separate Purchase Contracts, in same form as the Purchase Contracts comprising part of the Units, equal to the number of Notes as to which such redemption was effected.

SECTION 2.04. Recreation of Units.

(a) On any Business Day during the period beginning on, and including, the Business Day immediately following the Issue Date to, but excluding, the second Scheduled Trading Day immediately preceding the Scheduled Mandatory Settlement Date or, if earlier, the second Scheduled Trading Day immediately preceding any Early Mandatory Settlement Date and also excluding the Business Day immediately preceding any Installment Payment Date (*provided* that the right to recreate the Units shall resume after such Business Day), a Holder of a Separate Purchase Contract and a Separate Note may recreate a Unit (which will thereafter trade under the CUSIP number [•] for the Units), and each such Separate Purchase Contract and Separate Note will cease to exist. In order to cause the recreation of a global Separate Purchase Contract and a global Separate Note into a Unit, a Beneficial Holder must comply with the applicable procedures of the Depositary. Following a valid exercise of recreation rights by a Holder of Global Notes and Global Purchase Contracts, the Purchase Contract Agent or Trustee, as applicable, shall register (i) an increase in the number of Units represented by the Global Unit and the number of Purchase Contracts and Notes represented by the Component Purchase Contract and the Component Note attached to the Global Unit as Attachments 3 and 4, respectively, as set forth in Schedule A to each such attachment, and (ii) a corresponding decrease in the number of Purchase Contracts and Notes represented by the Global Purchase Contract and Global Note, respectively. ARTICLE III
THE UNITS AND PURCHASE CONTRACTS

SECTION 3.01. Amount and Denominations. The aggregate number of Units and Separate Purchase Contracts evidenced by Equity-Linked Securities executed, authenticated on behalf of the Holders and delivered hereunder is limited to [•] (as automatically increased by the number of Units, if any, issued pursuant to the underwriters' option to purchase additional Units as described in the Prospectus), except for Units and Separate Purchase Contracts executed, authenticated and delivered upon registration of transfer of, in exchange for, or in lieu of, other Units and Separate Purchase Contracts pursuant to Section 3.04, Section 3.05, Section 3.10 or Section 9.05. Each Unit was initially issued for a purchase price of $50.00 (before underwriting discounts and commissions), which represented an issue price of $[•] for the Note contained in each Unit and an issue price of $[•] for the Purchase Contract contained in each Unit.

SECTION 3.02. Rights and Obligations Evidenced by the Equity-Linked Securities. Each Equity-Linked Security shall evidence the number of Units or Separate Purchase Contracts, as the case may be, specified therein, with (a) each such Unit representing the rights and obligations of the Holder thereof and of the Company under one Purchase Contract, and the rights and obligations of the Holder thereof and of the Company under one Note, and (b) each such Separate Purchase Contract representing the rights and obligations of the Holder thereof and of the Company under one Separate Purchase Contract. In the case of a Unit, the Holder of such Unit shall, for all purposes hereunder and under the Indenture, be deemed to be the Holder of the Note and Purchase Contract that are components of such Unit.

Prior to the close of business on the Determination Date with respect to any Purchase Contract (whether such Purchase Contract is held as a component of a Unit or as a Separate Purchase Contract), the shares of Common Stock underlying such Purchase Contract shall not be outstanding, and such Purchase Contract shall not entitle the Holder thereof to any of the rights of a holder of Common Stock, including, without limitation, the right to vote or receive any dividends or other payments or to consent or to receive notice as a shareholder in respect of the meetings of shareholders or for the election of directors for any other matter, or any other rights whatsoever as a shareholder of the Company.

SECTION 3.03. Execution, Authentication, Delivery and Dating. Upon the execution and delivery of this Agreement, and at any time and from time to time thereafter, the Company may deliver Equity-Linked Securities executed by the Company and the Purchase Contract Agent as attorney-in-fact for the Holders of Purchase Contracts from time to time (in the case of Purchase Contracts), to the Purchase Contract Agent and Trustee (if applicable) for authentication on behalf of the Holders and delivery, together with an Issuer Order for authentication of such Equity-Linked Securities, and the Purchase Contract Agent and Trustee (if applicable) in accordance with such Issuer Order shall authenticate on behalf of the Holders and deliver such Equity-Linked Securities.

The Equity-Linked Securities shall be executed on behalf of the Company by any authorized Officer and, in the case of the Purchase Contracts, shall be executed on behalf of the Holders by any authorized officer of the Purchase Contract Agent as attorney-in-fact for the Holders of Purchase Contracts from time to time. The signature of any such Officer or officer of the Purchase Contract Agent on the Equity-Linked Securities may be electronic, manual or facsimile.

Equity-Linked Securities bearing the manual, facsimile or electronic signature of an individual who was at any time the proper Officer or, in the case of the Purchase Contracts, the proper officer of the Purchase Contract Agent, shall bind the Company and the Holders of Purchase Contracts, as the case may be, notwithstanding that such individual has ceased to hold such offices prior to the authentication and delivery of such Equity-Linked Securities or did not hold such offices at the date of such Equity-Linked Securities.

Each Equity-Linked Security shall be dated the date of its authentication.

No Equity-Linked Security shall be entitled to any benefit under this Agreement or be valid or obligatory for any purpose unless there appears on such Equity-Linked Security a certificate of authentication substantially in the form provided for herein executed by an authorized officer of the Purchase Contract Agent and Trustee (if applicable) by manual signature, and such certificate upon any Equity-Linked Security shall be conclusive evidence, and the only evidence, that such Equity-Linked Security has been duly authenticated and delivered hereunder.

SECTION 3.04. Temporary Equity-Linked Securities. Pending the preparation of any Definitive Equity-Linked Securities, the Company shall execute and deliver to the Purchase Contract Agent and, in the case of Units, Trustee, and the Purchase Contract Agent and, if applicable, Trustee shall authenticate on behalf of the Holders, and deliver, in lieu of such Definitive Equity-Linked Securities, temporary Equity-Linked Securities that are in substantially the form set forth in Exhibit A or Exhibit B hereto, as the case may be, with such letters, numbers or other marks of identification or designation and such legends or endorsements printed, lithographed or engraved thereon as may be required by the rules of any securities exchange on which the Units or Separate Purchase Contracts, as the case may be, are listed, or as may, consistently herewith, be determined by the Officers executing such Equity-Linked Securities, as evidenced by their execution of the Equity-Linked Securities.

If temporary Equity-Linked Securities are issued, the Company will cause Definitive Equity-Linked Securities to be prepared without unreasonable delay. After the preparation of Definitive Equity-Linked Securities, the temporary Equity-Linked Securities shall be exchangeable for Definitive Equity-Linked Securities upon surrender of the temporary Equity-Linked Securities at the Corporate Trust Office, at the expense of the Company and without charge to the Holder or the Purchase Contract Agent. Upon surrender for cancellation of any one or more temporary Equity-Linked Securities, the Company shall execute and deliver to the Purchase Contract Agent and Trustee, and the Purchase Contract Agent and, if applicable, the Trustee shall authenticate on behalf of the Holder, and deliver in exchange therefor, one or more Definitive Equity-Linked Securities of like tenor and denominations and evidencing a like number of Units or Separate Purchase Contracts, as the case may be, as the temporary Equity-Linked Security or Equity-Linked Securities so surrendered. Until so exchanged, the temporary Equity-Linked Securities shall in all respects evidence the same benefits and the same obligations with respect to the Units or Separate Purchase Contracts, as the case may be, evidenced thereby as Definitive Equity-Linked Securities.

SECTION 3.05. Registration; Registration of Transfer and Exchange. The Company shall cause to be kept at the Corporate Trust Office a register (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Equity-Linked Securities and of transfers of Equity-Linked Securities. The Purchase Contract Agent is hereby initially appointed security registrar (the "Security Registrar") for the purpose of registration of Equity-Linked Securities and transfers of Equity-Linked Securities as provided herein. The Security Registrar shall record separately the registration and transfer of the Equity-Linked Securities evidencing Units and Separate Purchase Contracts.

Upon surrender for registration of transfer of any Equity-Linked Security at the Corporate Trust Office, the Company shall execute and deliver to the Purchase Contract Agent and Trustee, and the Purchase Contract Agent and Trustee shall authenticate on behalf of the designated transferee or transferees, and deliver, in the name of the designated transferee or transferees, one or more new Equity-Linked Securities of any authorized denominations, of like tenor, and evidencing a like number of Units or Separate Purchase Contracts, as the case may be.

At the option of the Holder, Equity-Linked Securities may be exchanged for other Equity-Linked Securities, of any authorized numbers and evidencing a like number of Units or Separate Purchase Contracts, as the case may be, upon surrender of the Equity-Linked Securities to be exchanged at the Corporate Trust Office. Whenever any Equity-Linked Securities are so surrendered for exchange, the Company shall execute and deliver to the Purchase Contract Agent and Trustee, and the Purchase Contract Agent and, in the case of Units, the Trustee shall authenticate on behalf of the Holder, and deliver the Equity-Linked Securities which the Holder making the exchange is entitled to receive.

All Equity-Linked Securities issued upon any registration of transfer or exchange of an Equity-Linked Security shall evidence the ownership of the same number of Units or Separate Purchase Contracts, as the case may be, and be entitled to the same benefits and subject to the same obligations, under this Agreement as the Units or Separate Purchase Contracts, as the case may be, evidenced by the Equity-Linked Security surrendered upon such registration of transfer or exchange.

Every Equity-Linked Security presented or surrendered for registration of transfer or exchange shall (if so required by the Purchase Contract Agent) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Purchase Contract Agent duly executed by the Holder thereof, or its attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of an Equity-Linked Security, but the Company or the Purchase Contract Agent on behalf of the Company may require payment from the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Equity-Linked Securities, other than any exchanges pursuant to Section 3.06 and Section 9.05 not involving any transfer.

Notwithstanding the foregoing, the Company shall not be obligated to execute and deliver to the Purchase Contract Agent, and the Purchase Contract Agent and, in the case of Units, the Trustee shall not be obligated to authenticate on behalf of the Holder or deliver any Equity-Linked Security in exchange for any other Equity-Linked Security presented or surrendered for registration of transfer or for exchange on or after the Business Day immediately preceding the Scheduled Mandatory Settlement Date or any earlier Settlement Date with respect to such Equity-Linked Security. In lieu of delivery of a new Equity-Linked Security, upon satisfaction of the applicable conditions specified above in this Section and receipt of appropriate registration or transfer instructions from such Holder, the Company shall, if a Settlement Date with respect to such Equity-Linked Security has occurred, deliver or cause to be delivered the shares of Common Stock deliverable and cash in lieu of any fractional share of Common Stock in respect of the Purchase Contracts evidenced by such Equity-Linked Security (together with the Separate Note, if such Equity-Linked Security is a Unit and if the Repurchase Right is not applicable or, if applicable, not exercised).

SECTION 3.06. Book-Entry Interests. The Units, on original issuance, will be issued in the form of one or more fully registered Global Units, to be delivered to the Depositary or its custodian by, or on behalf of, the Company. The Company hereby designates DTC as the initial Depositary. Such Global Units shall initially be registered on the books and records of the Company in the name of Cede & Co., the nominee of DTC, and no Beneficial Holder will receive a Definitive Unit representing such Beneficial Holder's interest in such Global Unit, except as provided in Section 3.09. Unless and until definitive, fully registered Securities have been issued to Beneficial Holders pursuant to Section 3.09:

(i) the provisions of this Section 3.06 shall be in full force and effect;

(ii) the Company shall treat the Depositary for all purposes of this Agreement (including settling the Purchase Contracts and receiving approvals, votes or consents hereunder) as the Holder of the Global Units and Global Purchase Contracts and shall have no obligation to the Beneficial Holders;

(iii) to the extent that the provisions of this Section 3.06 conflict with any other provisions of this Agreement, the provisions of this Section 3.06 shall control; and

(iv) the rights of the Beneficial Holders shall be exercised only through the Depositary and shall be limited to those established by law and agreements between such Beneficial Holders and the Depositary or the Depositary Participants.

SECTION 3.07. Notices to Holders. Whenever a notice or other communication to the Holders is required to be given under this Agreement, the Company or the Company's agent shall give such notices and communications to the Holders and, with respect to any Units or Purchase Contracts registered in the name of the Depositary or the nominee of the Depositary, the Company or the Company's agent shall, except as set forth herein, have no obligations to the Beneficial Holders.

SECTION 3.08. Appointment of Successor Depositary. If the Depositary elects to discontinue its services as securities depositary with respect to the Units or Purchase Contracts, the Company may, in its sole discretion, appoint a successor Depositary with respect to such Units or such Purchase Contracts, as the case may be.

SECTION 3.09. Definitive Securities. If:

(i) the Depositary is at any time unwilling or unable to continue as depositary for the Global Securities or ceases to be a Clearing Agency registered under the Exchange Act, and a successor Depositary registered as a Clearing Agency under the Exchange Act is not appointed by the Company within 90 days; or

(ii) an Event of Default (as defined in the Indenture), or any failure on the part of the Company to observe or perform any covenant or agreement in the Purchase Contracts or the Purchase Contract Agreement, has occurred and is continuing and a Beneficial Holder requests that its Securities be issued in physical, certificated form,

then, in each case the Company shall execute, and the Purchase Contract Agent and/or the Trustee, as applicable, upon receipt of an Issuer Order for the authentication and delivery of Definitive Securities, shall authenticate and deliver Definitive Securities representing an aggregate number of Securities with respect to the Global Security or Securities representing such Securities (or representing an aggregate number of Securities equal to the aggregate number of Securities in respect of which such Beneficial Holder has requested the issuance of Definitive Securities pursuant to clause (ii) above) in exchange for such Global Security or Securities (or portion thereof). Each Definitive Security so delivered shall evidence Units or Purchase Contracts or Notes, as the case may be, of the same kind and tenor as the Global Security so surrendered in respect thereof. Notwithstanding the foregoing, the exchange of Global Notes for Notes in definitive form shall be governed by the Indenture.

SECTION 3.10. Mutilated, Destroyed, Lost and Stolen Securities. If any mutilated Equity-Linked Security is surrendered to the Purchase Contract Agent, together with such security or indemnity as may be reasonably required by the Company, the Purchase Contract Agent and the Trustee to hold them or any of their agents harmless, then the Company shall execute and deliver to the Purchase Contract Agent and Trustee, and the Purchase Contract Agent and, if applicable, the Trustee shall authenticate on behalf of the Holder, and deliver in exchange therefor, a new Equity-Linked Security, evidencing the same number of Units or Separate Purchase Contracts, as the case may be, and bearing a security number not contemporaneously outstanding.

If there shall be delivered to the Company, the Purchase Contract Agent and the Trustee (in the case of any Units) (i) evidence to their satisfaction of the destruction, loss or theft of any Equity-Linked Security, and (ii) such security or indemnity satisfactory to the Company, the Purchase Contract Agent and the Trustee at the expense of the Holder, then, in the absence of notice to the Company, the Purchase Contract Agent or the Trustee that such Equity-Linked Security has been acquired by a protected purchaser, the Company shall execute and deliver to the Purchase Contract Agent and the Trustee (in the case of any Units), and the Purchase Contract Agent and the Trustee (in the case of any Units) shall authenticate on behalf of the Holder, and deliver to the Holder, in lieu of any such destroyed, lost or stolen Equity-Linked Security, a new Equity-Linked Security, evidencing the same number of Units or Separate Purchase Contracts, as the case may be, and bearing a security number not contemporaneously outstanding.

Notwithstanding the foregoing, the Company shall not be obligated to execute and deliver to the Purchase Contract Agent and Trustee, and the Purchase Contract Agent and, in the case of Units, the Trustee shall not be obligated to authenticate on behalf of the Holder, and deliver to the Holder, an Equity-Linked Security on or after the second Scheduled Trading Day immediately preceding the Scheduled Mandatory Settlement Date or the second Scheduled Trading Day immediately preceding any Early Mandatory Settlement Date with respect to such Equity-Linked Security. In lieu of delivery of a new Equity-Linked Security, upon satisfaction of the applicable conditions specified above in this Section and receipt of appropriate registration or transfer instructions from such Holder, the Company shall, if a Settlement Date with respect to such Equity-Linked Security has occurred, deliver or arrange for delivery of the shares of Common Stock deliverable and cash in lieu of any fractional share of Common Stock in respect of the Purchase Contracts evidenced by such Equity-Linked Security (together with Separate Notes equal to the number of, and in the same form as, the Notes evidenced by such Equity-Linked Security if such Equity-Linked Security is a Unit and if the Repurchase Right is not applicable or, if applicable, not exercised).

Upon the issuance of any new Equity-Linked Security under this Section 3.10, the Company and the Purchase Contract Agent may require the payment by the Holder of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Purchase Contract Agent) connected therewith.

Every new Equity-Linked Security issued pursuant to this Section 3.10 in lieu of any destroyed, lost or stolen Equity-Linked Security shall constitute an original additional contractual obligation of the Company and of the Holder in respect of the Unit or Separate Purchase Contract, as the case may be, evidenced thereby, whether or not the destroyed, lost or stolen Equity-Linked Security shall be found at any time. Such new Equity-Linked Security (and the Units or Separate Purchase Contracts, as applicable, evidenced thereby) shall be at any time enforceable by anyone, and shall be entitled to all the benefits and be subject to all the obligations of this Agreement equally and proportionately with any and all other Equity-Linked Securities delivered hereunder.

The provisions of this Section 3.10 are exclusive and shall preclude, to the extent lawful, all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Equity-Linked Securities.

SECTION 3.11. Persons Deemed Owners. Prior to due presentment of an Equity-Linked Security for registration of transfer, the Company, the Purchase Contract Agent and the Trustee, and any agent of the Company, the Purchase Contract Agent or the Trustee, may treat the Person in whose name such Equity-Linked Security is registered as the owner of the Unit or Purchase Contract, as the case may be, evidenced thereby, for the purpose of performance of the Units or Purchase Contracts, as applicable, evidenced by such Equity-Linked Securities and for all other purposes whatsoever, and none of the Company, the Purchase Contract Agent nor the Trustee, nor any agent of the Company, the Purchase Contract Agent nor the Trustee, shall be affected by notice to the contrary.

Notwithstanding the foregoing, with respect to any Global Unit or Global Purchase Contract, nothing contained herein shall prevent the Company, the Purchase Contract Agent, the Trustee or any agent of the Company, the Purchase Contract Agent or the Trustee, from giving effect to any written certification, proxy or other authorization furnished by the Depositary (or its nominee), as a Holder, with respect to such Global Unit or Global Purchase Contract or impair, as between such Depositary and the related Beneficial Holder, the operation of customary practices governing the exercise of rights of the Depositary (or its nominee) as Holder of such Global Unit or Global Purchase Contract.

None of the Purchase Contract Agent, Trustee, the Paying Agent and the Security Registrar shall have any responsibility or obligation to any Beneficial Holder in a Global Security, an agent member or other Person with respect to the accuracy of the records of the Depositary or its nominee or of any agent member, with respect to any ownership interest in the Securities or with respect to the delivery to any agent member, Beneficial Holder or other Person (other than the Depositary) of any notice or the payment of any amount, under or with respect to such Securities. All notices and communications to be given to the Holders and all payments to be made to Holders under the Securities and this Agreement shall be given or made only to or upon the order of the registered Holders (which shall be the Depositary or its nominee in the case of a Global Security). The rights of Beneficial Holders in Global Securities shall be exercised only through the Depositary subject to the applicable procedures. The Purchase Contract Agent, the Trustee, the Paying Agent and the Registrar shall be entitled to rely and shall be fully protected in relying upon information furnished by the Depositary with respect to its members, DTC Participants and any Beneficial Holders. The Purchase Contract Agent, the Trustee, the Paying Agent and the Security Registrar shall be entitled to deal with the Depositary, and any nominee thereof, that is the registered Holder of any Global Security for all purposes of this Agreement relating to such Global Security (including the payment or delivery of amounts due hereunder and the giving of instructions or directions by or to any Beneficial Holder) as the sole Holder of such Global Security and shall have no obligations to the Beneficial Holders thereof. None of the Purchase Contract Agent, the Trustee, the Paying Agent and the Security Registrar shall have any responsibility or liability for any acts or omissions of the Depositary with respect to such Global Security, for the records of any such Depositary, including records in respect of the Beneficial Holders of any such Global Security, for any transactions between the Depositary and any agent member or between or among the Depositary, any such agent member and/or any Holder or Beneficial Holder of such Global Security, or for any transfers of beneficial interests in any such Global Security.

Notwithstanding the foregoing, with respect to any Global Security, nothing herein shall prevent the Company, the Purchase Contract Agent, the Trustee, or any agent of the Company, the Purchase Contract Agent or the Trustee from giving effect to any written certification, proxy or other authorization furnished by any depositary (or its nominee), as a Holder, with respect to such Global Security or shall impair, as between such Depositary and Beneficial Holders of such Global Security, the operation of customary practices governing the exercise of the rights of such depositary (or its nominee) as Holder of such Global Security.

None of the Purchase Contract Agent, the Trustee, the Paying Agent or the Registrar shall have any obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Agreement or under applicable law with respect to any transfer of any interest in any Security (including any transfers between or among DTC Participants, members or Beneficial Holders in any Global Security) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by, the terms of this Agreement, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 3.12. Cancellation. All Securities surrendered for separation or recreation and all Equity-Linked Securities surrendered for settlement or upon the registration of transfer or exchange of an Equity-Linked Security shall, if surrendered to any Person other than the Purchase Contract Agent, be delivered to the Purchase Contract Agent and, if not already cancelled, be promptly cancelled by it; provided, however, that the Purchase Contract Agent shall deliver any Notes or Separate Notes so surrendered to it to the Trustee and Paying Agent (as defined in the Indenture) for disposition in accordance with the provisions of the Indenture. In the case of a Unit or Units surrendered for settlement, subject to Section 4.08 hereof, the Company shall promptly execute and the Trustee shall promptly authenticate and deliver in accordance with the terms of the Indenture to the Holder thereof a number of Separate Notes equal to the number of, and in the same form as, the Notes comprising part of the Units so surrendered. The Company may at any time deliver to the Purchase Contract Agent for cancellation any Equity-Linked Securities previously executed, authenticated and delivered hereunder that the Company may have acquired in any manner whatsoever, and all Equity-Linked Securities so delivered shall, upon an Issuer Order, be promptly cancelled by the Purchase Contract Agent; provided, however, that if the Equity-Linked Securities so delivered are Units, the Purchase Contract Agent shall deliver the Notes comprising such Units to the Trustee and Paying Agent (as defined in the Indenture) for disposition in accordance with the provisions of the Indenture. No Equity-Linked Securities shall be executed, authenticated on behalf of the Holder and delivered in lieu of or in exchange for any Equity-Linked Securities cancelled as provided in this Section, except as expressly permitted by this Agreement. All cancelled Equity-Linked Securities held by the Purchase Contract Agent shall be disposed of in accordance with its customary practices.

If the Company or any Affiliate of the Company shall acquire any Equity-Linked Security, such acquisition shall not operate as a cancellation of such Equity-Linked Security unless and until such Equity-Linked Security is delivered to the Purchase Contract Agent for cancellation, in which case such Equity-Linked Security shall be accompanied by an Issuer Order and cancelled in accordance with the immediately preceding paragraph.

ARTICLE IV
SETTLEMENT OF THE PURCHASE CONTRACTS

SECTION 4.01. Mandatory Settlement Rate. (a) Each Purchase Contract obligates the Company to deliver, on the Mandatory Settlement Date, a number of shares of Common Stock equal to the Mandatory Settlement Rate as determined by the Company, unless such Purchase Contract has settled prior to the Mandatory Settlement Date.

(b) The "Mandatory Settlement Rate" is equal to:

(i) if the Applicable Market Value of the Common Stock is greater than the Threshold Appreciation Price, [•] shares of Common Stock for each Purchase Contract (the "Minimum Settlement Rate");

(ii) if the Applicable Market Value of the Common Stock is greater than or equal to the Reference Price but less than or equal to the Threshold Appreciation Price, a number of shares of Common Stock for each Purchase Contract equal to the Stated Amount, divided by the Applicable Market Value; and

(iii) if the Applicable Market Value of the Common Stock is less than the Reference Price, [•] shares of Common Stock for each Purchase Contract (the "Maximum Settlement Rate").

(c) The Maximum Settlement Rate and the Minimum Settlement Rate (each, a "Fixed Settlement Rate") shall be subject to adjustment as provided in Article V.

(d) The Company shall give notice of the Mandatory Settlement Rate to the Purchase Contract Agent and Holders no later than the Scheduled Trading Day prior to the Mandatory Settlement Date.

SECTION 4.02. Representations and Agreements of Holders. Each Holder of an Equity-Linked Security, by its acceptance thereof:

(a) irrevocably authorizes and directs the Purchase Contract Agent to execute and deliver on its behalf and perform this Agreement on its behalf and appoints the Purchase Contract Agent as its attorney-in-fact for any and all such purposes;

(b) in the case of a Purchase Contract that is a component of a Unit, or that is evidenced by a Separate Purchase Contract, irrevocably authorizes and directs the Purchase Contract Agent to execute, deliver and hold on its behalf the Separate Purchase Contract or the Component Purchase Contract evidencing such Purchase Contract and to execute and deliver Units, and appoints the Purchase Contract Agent as its attorney-in-fact for any and all such purposes;

(c) consents to, and agrees to be bound by, the terms and provisions hereof and thereof;

(d) represents that either (i) no portion of the assets used to acquire or hold the Units, Common Stock issuable upon the settlement of the Purchase Contracts or Notes constitutes assets of any (A) employee benefit plans that are subject to Title I of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), (B) plan, individual retirement account or other arrangement that is subject to Section 4975 of the Code or provisions under any other U.S. or non-U.S. federal, state, local or other laws or regulations that are similar to such provisions of ERISA or the Code (collectively, "Similar Laws"), or (C) entity which is deemed to hold the assets of any of the foregoing

types of plans, accounts or arrangements described in clauses (A) and (B) (each of the foregoing described in clause (A), (B) and (C) referred to as a "Plan") or (ii) (A) the acquisition and holding of the Units, Common Stock issuable upon the settlement of the Purchase Contracts or Notes and any of its constituent parts will not constitute or result in a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or a similar violation under any applicable Similar Laws and (B) neither the Company, the underwriters in the offering of the Units or any of their respective Affiliates is, or is undertaking to be, a fiduciary with respect to the Plan in connection with the Plan's acquisition, holding or disposition of the Units, Common Stock issuable upon settlement of the Purchase Contracts or Notes, as applicable;

(e) acknowledges and agrees that such Holder has the exclusive responsibility for ensuring that their acquisition and holdings of the Units complies with the fiduciary responsibility rules of ERISA and does not violate the prohibited transaction rules of ERISA, the Code or applicable Similar Laws; and

(f) agrees to the tax treatment provided for inSection 11.07.

SECTION 4.03. Purchase Contract Settlement Fund. On the applicable Settlement Date, the Company shall issue and deliver to the Holders of the Outstanding Purchase Contracts (or, in the case of an Early Settlement, to the Holders of Purchase Contracts that have elected such Early Settlement) the aggregate number of shares of Common Stock to which such Holders of the Purchase Contracts to be settled on such Settlement Date are entitled hereunder and any cash payable for fractional shares pursuant to Section 4.12. When any shares of Common Stock are required to be delivered to Holders pursuant to this Article IV, the Company shall deliver such shares of Common Stock, together with any dividends or distributions for which a Record Date and payment date for such dividend or distribution have occurred as of or after the close of business on the applicable Determination Date (collectively, the "Purchase Contract Settlement Fund") to such Holders, and the Company shall cause any such shares to be registered in the name of such Holder or such Holder's designee pursuant to Section 4.10.

SECTION 4.04. Settlement Conditions. A Holder's right to receive the shares of Common Stock, any cash payable for fractional shares pursuant to Section 4.12, and any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund, upon settlement of any of its Purchase Contracts is subject to the following conditions:

(a) if such Purchase Contract or the Unit that includes such Purchase Contract is in the form of a Definitive Security, surrendering the relevant Definitive Security to the Purchase Contract Agent at the Corporate Trust Office duly endorsed for transfer to the Company or in blank and with duly completed settlement instructions in the form attached thereto, or if such Purchase Contract is represented by a Global Security, surrendering the relevant Security in compliance with the Depositary's applicable procedures; and

(b) the payment of any transfer or similar taxes payable pursuant toSection 4.10.

SECTION 4.05. Mandatory Settlement on the Mandatory Settlement Date. On the Mandatory Settlement Date, subject to satisfaction of the conditions set forth in Section 4.04 by a Holder with respect to any of its Purchase Contracts, the Company shall cause a number of shares of Common Stock per Purchase Contract equal to the Mandatory Settlement Rate to be issued and delivered, together with payment of (i) any cash payable in lieu of fractional shares pursuant to Section 4.12 and (ii) any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund (but without any interest thereon), to such Holder by book-entry transfer or other appropriate procedures pursuant to Section 4.10. The Person in whose name any shares of Common Stock shall be issuable upon settlement of any Purchase Contract on the Mandatory Settlement Date shall be treated as the holder of record of such shares as of the close of business on the last Trading Day of the Mandatory Settlement Period.

SECTION 4.06. Early Settlement. (a) Subject to and upon compliance with the provisions of this Section 4.06, prior to the close of business on the second Scheduled Trading Day immediately preceding the Scheduled Mandatory Settlement Date, a Holder may elect to settle its Purchase Contracts early, in whole or in part, at the Early Settlement Rate ("Early Settlement Right").

(b) A Holder's right to receive Common Stock upon Early Settlement of any of its Purchase Contracts is subject to the following conditions (in the case of Global Securities, subject to the applicable procedures of the Depositary):

(i) delivery of a written and signed notice of election (an "Early Settlement Notice") in the form attached to the Purchase Contract to the Purchase Contract Agent electing Early Settlement of such Purchase Contract; and

(ii) satisfaction of the conditions set forth in Section 4.04.

(c) If a Holder complies with the requirements set forth in Section 4.06(b) prior to the close of business on any Business Day, then that Business Day shall be considered the "Early Settlement Date." If a Holder complies with the requirements set forth in Section 4.06(b) at or after the close of business on any Business Day or at any time on a day that is not a Business Day, then the next succeeding Business Day shall be considered the "Early Settlement Date."

(d) On the second Business Day following the Early Settlement Date, subject to satisfaction of the conditions set forth in Section 4.06(b) by a Holder with respect to any of its Purchase Contracts, the Company shall cause a number of shares of Common Stock per Purchase Contract equal to the Early Settlement Rate to be issued and delivered, together with payment of (i) any cash payable in lieu of fractional shares pursuant to Section 4.12 and (ii) any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund (but without any interest thereon), to such Holder by book-entry transfer or other appropriate procedures pursuant to Section 4.10. The Person in whose name any shares of the Common Stock shall be issuable upon such Early Settlement of a Purchase Contract shall be treated as the holder of record of such shares as of the close of business on the relevant Early Settlement Date.

(e) In the event that Early Settlement is effected with respect to Purchase Contracts that are a component of Units, upon such Early Settlement, the Company shall execute and the Trustee shall authenticate (pursuant to the Indenture) on behalf of the Holder and deliver to the Holder thereof, at the expense of the Company, Separate Notes, in same form as the Notes comprising part of the Units, equal to the number of Purchase Contracts as to which Early Settlement was effected.

(f) In the event that Early Settlement is effected with respect to Purchase Contracts represented by less than all the Purchase Contracts evidenced by a Security, upon such Early Settlement, the Company shall execute and the Purchase Contract Agent and Trustee shall authenticate on behalf of the Holder and deliver to the Holder thereof, at the expense of the Company, a Security evidencing the Purchase Contracts as to which Early Settlement was not effected.

(g) Upon receipt of any Early Settlement Notice pursuant to Section 4.06(b), the Purchase Contract Agent shall promptly deliver a copy of such Early Settlement Notice to the Company.

SECTION 4.07. Early Settlement Upon a Fundamental Change. (a) If a Fundamental Change occurs and a Holder exercises the right to effect Early Settlement in respect of its Purchase Contracts in connection with such Fundamental Change in accordance with the procedures set forth in Section 4.06, such Holder shall receive a number of shares of Common Stock (or, if a Reorganization Event has occurred, cash, securities or other property, as applicable) for each such Purchase Contract equal to the applicable Fundamental Change Early Settlement Rate (the "Fundamental Change Early Settlement Right"). An Early Settlement shall be deemed for these purposes to be "in connection with" such Fundamental Change if the Holder delivers an Early Settlement Notice to the Purchase Contract Agent, and otherwise satisfies the requirements for effecting Early Settlement of its Purchase Contracts set forth in Section 4.06, during the period beginning on, and including, the Effective Date of the Fundamental Change and ending at the close of business on the 35th Business Day thereafter (or, if earlier, the second Scheduled Trading Day immediately preceding the Scheduled Mandatory Settlement Date) (the "Fundamental Change Early Settlement Period").

(b) If a Holder complies with the requirements set forth in Section 4.07(a) and 4.06(b) to exercise the Fundamental Change Early Settlement Right prior to the close of business on any Business Day during the Fundamental Change Early Settlement Period, then that Business Day shall be considered the "Fundamental Change Early Settlement Date." If a Holder complies with the requirements set forth in set forth in Section 4.07(a) and 4.06(b) to exercise the Fundamental Change Early Settlement Right at or after the close of business on any Business Day during the Fundamental Change Early Settlement Period or at any time on a day during the Fundamental Change Early Settlement Period that is not a Business Day, then the next succeeding Business Day shall be considered the "Fundamental Change Early Settlement Date."

(c) The Company shall provide the Purchase Contract Agent, the Trustee and the Holders of Units and Separate Purchase Contracts with a notice of a Fundamental Change within five Business Days after its Effective Date and issue a press release announcing such Effective Date. The notice shall set forth:

(i) the applicable Fundamental Change Early Settlement Rate;

(ii) if not Common Stock, the kind and amount of cash, securities and other property receivable by the Holder upon settlement;

(iii) the deadline by which each Holder's Fundamental Change Early Settlement Right must be exercised; and

(iv) any other information the Company determines to be appropriate.

(d) The Fundamental Change Early Settlement Rate shall be determined by the Company by reference to the table set forth in Section 4.07(f), based on the date on which the Fundamental Change occurs or becomes effective (the "Effective Date") and the stock price (the "Stock Price") in the Fundamental Change, which shall be:

(i) in the case of a Fundamental Change described in clause (b) of the definition thereof in which all holders of shares of Common Stock receive only cash in the Fundamental Change, the Stock Price shall be the cash amount paid per share of Common Stock; and

(ii) in all other cases, the Stock Price shall be the arithmetic average of the daily VWAPs of the Common Stock over the five consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Effective Date.

(e) The Stock Prices set forth in the column headings of the table set forth in Section 4.07(f) shall be adjusted as of any date on which the Fixed Settlement Rates are adjusted. The adjusted Stock Prices shall equal the Stock Prices applicable immediately prior to such adjustment, multiplied by a fraction, the numerator of which is the Maximum Settlement Rate immediately prior to the adjustment giving rise to the Stock Price adjustment and the denominator of which is the Maximum Settlement Rate as so adjusted. The Fundamental Change Early Settlement Rates per Purchase Contract in the table set forth in Section 4.07(f) shall be adjusted in the same manner and at the same time as the Fixed Settlement Rates as set forth in Section 5.01.

(f) The following table sets forth the Fundamental Change Early Settlement Rate per Purchase Contract (the "Fundamental Change Early Settlement Rate") for each Stock Price and Effective Date set forth below:

	Stock Price											
Effective Date	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**	**$[•]**

The exact Stock Price and Effective Date may not be set forth in the table above, in which case:

(i) if the applicable Stock Price is between two Stock Prices in the table or the applicable Effective Date is between two Effective Dates in the table, the Fundamental Change Early Settlement Rate shall be determined by a straight-line interpolation between the Fundamental Change Early Settlement Rates set forth for the higher and lower Stock Prices and the earlier and later Effective Dates, as applicable, based on a 365- or 366-day year, as applicable;

(ii) if the applicable Stock Price is greater than $[•] per share (subject to adjustment in the same manner and at the same time as the Stock Prices set forth in the column headings of the table above), the Fundamental Change Early Settlement Rate shall be the Minimum Settlement Rate; or

(iii) if the applicable Stock Price is less than $[•] per share (subject to adjustment in the same manner and at the same time as the Stock Prices set forth in the column headings of the table above, the "Minimum Stock Price"), the Fundamental Change Early Settlement Rate shall be determined as if the Stock Price equaled the Minimum Stock Price, and using straight-line interpolation, as described in clause (i) of this Section 4.07(f), if the Effective Date is between two Effective Dates in the table.

The maximum number of shares of Common Stock deliverable under a Purchase Contract is [•], subject to adjustment in the same manner and at the same time as the Fixed Settlement Rates as set forth under Section 5.01.

(g) [Reserved.]

(h) On the second Business Day following the Fundamental Change Early Settlement Date, subject to satisfaction of the conditions set forth in Section 4.06(b) by a Holder with respect to any of its Purchase Contracts, the Company shall cause a number of shares of Common Stock (or, if a Reorganization Event has occurred, cash, securities or other property, as applicable) per Purchase Contract, as a result of such Holder's exercise of the Fundamental Change Early Settlement Right equal to the Fundamental Change Early Settlement Rate to be issued (if applicable) and delivered, together with payment of (i) any cash payable in lieu of fractional shares pursuant to Section 4.12 and (ii) any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund (but without interest thereto), to such Holder by book-entry transfer or other appropriate processes pursuant to Section 4.10. The Person in whose name any shares of Common Stock or such other securities shall be deliverable following exercise of a Holder's Fundamental Change Early Settlement Right shall be treated as the holder of record of such shares or such other securities as of the close of business on the Fundamental Change Early Settlement Date.

(i) If a Holder exercises its Fundamental Change Early Settlement Right with respect to Purchase Contracts that are a component of Units, upon such Early Settlement in connection with a Fundamental Change, the Company shall execute and the Trustee shall authenticate (pursuant to the Indenture) on behalf of the Holder and deliver to the Holder thereof, at the expense of the Company, Separate Notes, in same form as the Notes comprising part of the Units, equal to the number of Purchase Contracts as to which Early Settlement in connection with a Fundamental Change was effected.

(j) If a Holder exercises its Fundamental Change Early Settlement Right with respect to Purchase Contracts represented by less than all the Purchase Contracts evidenced by a Security, upon such Early Settlement in connection with a Fundamental Change, the Company shall execute and the Purchase Contract Agent and Trustee shall authenticate on behalf of the Holder and deliver to the Holder thereof, at the expense of the Company, a Security evidencing the Purchase Contracts as to which Early Settlement in connection with a Fundamental Change was not effected.

(k) If a Holder does not elect to exercise the Fundamental Change Early Settlement Right, such Holder's Purchase Contracts shall remain outstanding and shall be subject to normal settlement on any subsequent Settlement Date.

SECTION 4.08. Early Mandatory Settlement at the Company's Election. (a) The Company has the right to settle the Purchase Contracts on or after [•], 2024, in whole but not in part (the "Early Mandatory Settlement Right"), on a date fixed by it (the "Early Mandatory Settlement Date") at the Early Mandatory Settlement Rate on the Early Mandatory Settlement Notice Date.

(b) If the Company elects to exercise its Early Mandatory Settlement Right, the Company shall provide the Purchase Contract Agent and the Holders of Units, Separate Purchase Contracts and Separate Notes with a notice of its election (the "Early Mandatory Settlement Notice") and issue a press release announcing its election. The Early Mandatory Settlement Notice shall specify:

(i) the Early Mandatory Settlement Rate;

(ii) the Early Mandatory Settlement Date, which will be on or after [•], 2024 and at least five but not more than 20 Business Days following the date of the Early Mandatory Settlement Notice (the "Early Mandatory Settlement Notice Date");

(iii) that Holders of Units and Separate Notes will have the right to require the Company to repurchase their Notes that are a component of the Units or their Separate Notes, as the case may be, pursuant to and in accordance with the Indenture (subject to certain exceptions as provided in the Indenture);

(iv) if applicable, the Repurchase Price and Repurchase Date;

(v) if applicable, the last date on which Holders of Units or Separate Notes may exercise their Repurchase Right;

(vi) if applicable, the procedures that Holders of Units or Separate Notes must follow to require the Company to repurchase their Notes (which procedures shall be in accordance with the Indenture); and

(vii) any other information the Company determines to be appropriate.

(c) On the Early Mandatory Settlement Date, subject to satisfaction of the conditions set forth in Section 4.04 by a Holder with respect to any of its Purchase Contracts, the Company shall cause a number of shares of Common Stock per Purchase Contract equal to the Early Mandatory Settlement Rate to be issued and delivered, together with payment of (i) any cash payable in lieu of fractional shares pursuant to Section 4.12 and (ii) any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund (but without any interest thereon), to such Holder by book-entry transfer or other appropriate procedures pursuant to Section 4.10. The Person in whose name any shares of the Common Stock shall be issuable following exercise of the Early Mandatory Settlement Right shall be treated as the holder of record of such shares as of the close of business on the Early Mandatory Settlement Notice Date.

(d) In the event that Early Mandatory Settlement is effected with respect to Purchase Contracts that are a component of Units, upon such Early Mandatory Settlement, the Company shall execute and the Trustee shall authenticate (pursuant to the Indenture) on behalf of the Holder and deliver to the Holder thereof, at the expense of the Company, Separate Notes in the same form and in the same number as the Notes comprising part of the Units; provided, however, that if the Repurchase Date occurs prior to the Early Mandatory Settlement Date, any Holder exercising the Repurchase Right shall surrender the Units on the Repurchase Date and the Company shall execute, and the Purchase Contract Agent shall authenticate, Separate Purchase Contracts in the same form and in the same number as the Purchase Contracts comprising part of the Units, such Separate Purchase Contracts to be settled on the Early Mandatory Settlement Date.

SECTION 4.09. Acceleration of Mandatory Settlement Date. If a Bankruptcy Event occurs at any time on or before the last Trading Day of the Mandatory Settlement Period during which the Applicable Market Value is determined (the day on which such Bankruptcy Event occurs, the "Acceleration Date"), the Mandatory Settlement Date shall automatically be accelerated to the Business Day immediately following the Acceleration Date and Holders of Purchase Contracts shall be entitled to receive, upon settlement of the Purchase Contracts on such accelerated Mandatory Settlement Date, a number of shares of Common Stock per Purchase Contract equal to the Mandatory Settlement Rate as calculated pursuant to Section 4.01. For purposes of calculating the Mandatory Settlement Rate upon a Bankruptcy Event only, the "Mandatory Settlement Period" shall mean the 20 consecutive Trading Day period beginning on, and including, the 21st Scheduled Trading Day immediately preceding the Acceleration Date. The Company shall cause to be delivered the shares of Common Stock, securities, cash or other property deliverable as a result of any such acceleration of the Mandatory Settlement Date in accordance with the provisions set forth in Section 4.05, except that (i) such delivery shall be made on the accelerated Mandatory Settlement Date, and (ii) the Person in whose name any shares of Common Stock shall be issuable following such acceleration shall be treated as the

holder of record of such shares as of the close of business on the Acceleration Date. Any claim for damages that Holders of the Purchase Contracts (whether as Separate Purchase Contracts or Purchase Contracts underlying Units) have for the Company's failure to deliver Common Stock following a Bankruptcy Event as described in this Section 4.09 will rank pari passu with the claims of holders of the Common Stock in the relevant bankruptcy proceeding.

SECTION 4.10. Registration of Underlying Shares and Transfer Taxes. The shares of Common Stock underlying the Purchase Contracts shall be registered in the name of the Holder or the Holder's designee as specified in the settlement instructions provided by the Holder to the Purchase Contract Agent, and the Company will pay all documentary, stamp or similar issue or transfer taxes due on the issue of any shares of Common Stock upon settlement of the Purchase Contracts, unless any such tax is payable in respect of any registration of such shares in a name of a Person other than the Person in whose name the Security evidencing such Purchase Contract is registered, in which case the Company shall not be required to pay any such tax and no such registration shall be made unless the Person requesting such registration has paid any such taxes required by reason of such registration in a name of a Person other than the Person in whose name the Security evidencing such Purchase Contract is registered or has established to the satisfaction of the Company that such tax either has been paid or is not payable.

SECTION 4.11. Return of Purchase Contract Settlement Fund. In the event a Holder fails to effect surrender or delivery of its Units or Purchase Contracts on or following the applicable Settlement Date in accordance with the provisions hereof, the shares of Common Stock underlying such Purchase Contracts, any cash paid in lieu of fractional shares pursuant to Section 4.12 and any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund, shall be held in the name of the Purchase Contract Agent or its nominee in trust for the benefit of such Holder, until the earlier to occur of:

(i) the surrender of the relevant Units or Separate Purchase Contracts for settlement in accordance with the provisions hereof or receipt by the Company and the Purchase Contract Agent from such Holder of satisfactory evidence that such Units or Separate Purchase Contracts have been destroyed, lost or stolen, together with any indemnity that may be required by the Purchase Contract Agent and the Company; and

(ii) the passage of two years from the applicable Settlement Date, as the case may be, following which the Purchase Contract Agent shall pay to the Company such Holder's share of such Common Stock, any cash paid with respect to fractional shares and any dividends or distributions with respect to such shares constituting part of the Purchase Contract Settlement Fund; provided, however, that prior to receiving any such payment, the Company shall notify each such Holder that such property remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such notice, any unclaimed balance of such property then remaining will be repaid to the Company. After payment to the Company, (A) Holders entitled to such property must look to the Company for payment as general creditors, unless applicable abandoned property law designates another Person, and (B) all liability of the Purchase Contract Agent with respect to such property shall cease.

SECTION 4.12. No Fractional Shares. No fractional shares or scrip certificates representing fractional shares of Common Stock shall be issued or delivered to Holders upon settlement of the Purchase Contracts. In lieu of any fractional shares of Common Stock that would otherwise be issuable upon settlement of any Purchase Contracts, a Holder of a Purchase Contract shall be entitled to receive an amount in cash equal to the fraction of a share of Common Stock, calculated on an aggregate basis in respect of the Purchase Contracts being settled (provided that, so long as the Units are held as Global Units, the Company may elect to aggregate Units for purposes of these calculations on any basis permitted by the applicable procedures of the Depositary), multiplied by the daily VWAP of the Common Stock on the Trading Day immediately preceding the Mandatory Settlement Date, the Early Settlement Date, the Fundamental Change Early Settlement Date or the Early Mandatory Settlement Date, as the case may be. To the extent the Purchase Contract Agent is obligated to make any payments on behalf of the Company pursuant to this Agreement, the Company shall provide the Purchase Contract Agent with sufficient funds to permit the Purchase Contract Agent to make all such cash payments in a timely manner.

ARTICLE V
ADJUSTMENTS

SECTION 5.01. Adjustments to the Fixed Settlement Rates. (a) Each Fixed Settlement Rate shall be subject to the adjustment, without duplication, upon:

(i) If the Company issues Common Stock to all or substantially all of the holders of Common Stock as a dividend or other distribution, or if the Company effects a share split or share combination, then each Fixed Settlement Rate shall be adjusted based on the following formula:

$$SR_1 = SR_0 \times \frac{OS_1}{OS_0}$$

where,

SR_0 = the Fixed Settlement Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution or immediately prior to the open of business on the Effective Date for such share split or share combination, as the case may be;

SR_1 = the Fixed Settlement Rate in effect immediately after the close of business on such Record Date or immediately after the open of business on such Effective Date, as the case may be;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the close of business on such Record Date or immediately prior to the open of business on such Effective Date, as the case may be (in either case, prior to giving effect to such event); and

OS_1 = the number of shares of Common Stock that would be outstanding immediately after, and solely as a result of, such dividend, distribution, share split or share combination.

Any adjustment made pursuant to this Section 5.01(a)(i) shall become effective immediately after the close of business on the Record Date for such dividend or distribution, or immediately after the open of business on the Effective Date for such share split or share combination, as the case may be. If any dividend or distribution described in this clause (i) is declared but not so paid or made, each Fixed Settlement Rate shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to make such dividend or distribution, to such Fixed Settlement Rate that would be in effect if such dividend or distribution had not been declared. For the purposes of this clause (i), the number of shares of Common Stock outstanding immediately prior to the close of business on the Record Date for such dividend or distribution or the open of business on the Effective Date for such share split or share combination, as applicable, shall not include shares held in treasury by the Company but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Company shall not pay any such dividend or make any such distribution on shares of Common Stock held in treasury by the Company.

(ii) If the Company issues to all or substantially all holders of Common Stock rights, options or warrants (other than rights, options or warrants issued pursuant to a dividend reinvestment plan, stockholder rights plan, stock purchase plan or similar plans) entitling such holders, for a period of up to 45 calendar days from the date of issuance of such rights, options or warrants, to subscribe for or purchase shares of Common Stock at a price per share less than the average of the Closing Prices per share of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance per share of Common Stock, then each Fixed Settlement Rate shall be adjusted based on the following formula:

$$SR_1 = SR_0 \times \frac{(OS_0 + X)}{(OS_0 + Y)}$$

where,

SR_0 = the Fixed Settlement Rate in effect immediately prior to the close of business on the Record Date for such issuance;

SR_1 = the Fixed Settlement Rate in effect immediately after the close of business on such Record Date;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the close of business on such Record Date;

X = the total number of shares of Common Stock issuable pursuant to such rights, options or warrants; and

Y = the total number of shares of Common Stock equal to the aggregate price payable to exercise such rights, options or warrants, *divided by* the average of the Closing Prices per share of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance.

Any adjustment made pursuant to this Section 5.01(a)(ii) shall be made successively whenever any such rights, options or warrants are issued and shall become effective immediately after the close of business on the Record Date for such issuance. In the event that such rights, options or warrants described in this clause (ii) are not so issued, each Fixed Settlement Rate shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to issue such rights, options or warrants, to such Fixed Settlement Rate that would then be in effect if such issuance had not been declared. To the extent that such rights, options or warrants are not exercised prior to their expiration or shares of Common Stock are otherwise not delivered pursuant to such rights, options or warrants upon the exercise of such rights, options or warrants, each Fixed Settlement Rate shall be readjusted, effective as of the date of such expiration or the date it is determined such shares will not be delivered, as the case may be, to such Fixed Settlement Rate that would then be in effect had the adjustment made upon the issuance of such rights, options or warrants been made on the basis of the delivery of only the number of shares of Common Stock actually delivered.

In determining whether any rights, options or warrants entitle the holders thereof to subscribe for or purchase shares of Common Stock at less than the average of the Closing Prices per share of Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the date of announcement of such issuance, and in determining the aggregate price payable to exercise such rights, options or warrants, there shall be taken into account any consideration received by the Company for such rights, options or warrants and any amount payable on exercise or conversion thereof, the value of such consideration, if other than cash, to be determined by the Board of Directors.

For the purposes of this clause (ii), the number of shares of Common Stock at the time outstanding shall not include shares held in treasury by the Company but shall include any shares issuable in respect of any scrip certificates issued in lieu of fractions of shares of Common Stock. The Company shall not issue any such rights, options or warrants in respect of share of Common Stock held in treasury by the Company.

(iii) (A) If the Company distributes to all or substantially all holders of the Common Stock shares of Capital Stock (other than Common Stock), evidences of the Company's indebtedness, assets or rights, options or warrants to acquire Capital Stock, indebtedness or assets, excluding (1) any dividend or distribution (including share splits or share combinations) as to which an adjustment was effected pursuant to Section 5.01(a)(i), (2) any rights, options or warrants as to which an adjustment was effected pursuant to Section 5.01(a)(ii), (3) except as otherwise described in Section 5.01(b), rights issued pursuant to any stockholder rights plan of the Company then in effect, (4) any dividend or distribution described in Section 5.01(a)(iv), (5) distributions of Exchange Property in a transaction described in Section 5.02(a) and (6) any Spin-Off to which the provisions set forth in Section 5.01(a)(iii)(B) shall apply, then each Fixed Settlement Rate shall be adjusted based on the following formula:

$$SR_1 = SR_0 \times \frac{SP_0}{(SP_0 - FMV)}$$

where,

SR_0 = the Fixed Settlement Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution;

SR_1 = the Fixed Settlement Rate in effect immediately after the close of business on such Record Date;

SP_0 = the average of the Closing Prices per share of the Common Stock for the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date for such dividend or distribution; and

FMV = the Fair Market Value (as determined by the Board of Directors) on such Record Date, of the shares of Capital Stock, evidences of indebtedness, assets or rights, options or warrants so distributed, expressed as an amount per share of Common Stock.

If FMV (as defined above) is equal to or greater than SP_0 (as defined above) or if the difference between SP_0 and FMV is less than $1.00, in lieu of the foregoing adjustment, provision shall be made for each Holder of a Unit or Separate Purchase Contract to receive, for each Unit or Separate Purchase Contract, at the same time and upon the same terms as holders of the Common Stock, the kind and amount of Capital Stock, evidences of indebtedness, assets or rights, options or warrants that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Maximum Settlement Rate in effect on the Record Date for the dividend or distribution.

Any adjustment made pursuant to this Section 5.01(a)(iii)(A) shall become effective immediately after the close of business on the Record Date for such dividend or distribution. In the event that such dividend or distribution is not so made, each Fixed Settlement Rate shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to make such dividend or distribution, to such Fixed Settlement Rate that would then be in effect if such dividend or distribution had not been declared. The Company shall not make any such distribution on shares of Common Stock held in treasury by the Company.

(B) In the event that a Spin-Off occurs, each Fixed Settlement Rate shall be adjusted based on the following formula:

$$SR_1 = SR_0 \times \frac{(FMV_0 + MP_0)}{MP_0}$$

where,

SR_0 = the Fixed Settlement Rate in effect immediately prior to the open of business on the Ex-Date for the Spin-Off;

SR_1 = the Fixed Settlement Rate in effect immediately after the open of business on the Ex-Date for the Spin-Off;

FMV_0 = the average of the Closing Prices (as if references to "Common Stock" therein were references to such Capital Stock or similar equity interest distributed to holders of Common Stock) per share of the Capital Stock or similar equity interests so distributed applicable to one share of Common Stock for the 10 consecutive Trading Day period commencing on, and including, the Ex-Date for the Spin-Off (the "Valuation Period"); and

MP_0 = the average of the Closing Prices per share of the Common Stock for the Valuation Period.

Any adjustment made pursuant to this Section 5.01(a)(iii)(B) shall be calculated immediately after the close of business on the last Trading Day of the Valuation Period but shall be given effect as of immediately after the open of business on the Ex-Date of the Spin-Off; provided that, if any Determination Date occurs during the Valuation Period, the Company shall delay any settlement of a Unit or Purchase Contract until the second Business Day after the last day of the Valuation Period. In the event that such dividend or distribution described in this Section 5.01(a)(iii)(B) is not so made, each Fixed Settlement Rate shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay such dividend or distribution, to such Fixed Settlement Rate that would then be in effect if such distribution had not been declared. The Company shall not make any such dividend or distribution on shares of Common Stock held in treasury by the Company.

(iv) If the Company makes a dividend or distribution consisting exclusively of cash to all or substantially all holders of Common Stock (excluding (1) any cash that is distributed in, and will constitute Exchange Property as a result of, a Reorganization Event in exchange for shares of Common Stock and (2) any dividend or distribution in connection with the liquidation, dissolution or winding up of the Company), then each Fixed Settlement Rate shall be adjusted based on the following formula:

$$SR_1 = SR_0 \times \frac{(SP_0)}{(SP_0 - C)}$$

where,

SR_0 = the Fixed Settlement Rate in effect immediately prior to the close of business on the Record Date for such dividend or distribution;

SR_1 = the Fixed Settlement Rate in effect immediately after the close of business on the Record Date for such dividend or distribution;

SP_0 = the average of the Closing Prices per share of the Common Stock over the 10 consecutive Trading Day period ending on, and including, the Trading Day immediately preceding the Ex-Date for such dividend or distribution; and

C = the amount in cash per share the Company distributes to holders of Common Stock.

If C (as defined above) is equal to or greater than SP_0 (as defined above) or if the difference between SP_0 and C is less than $1.00, in lieu of the foregoing adjustment, provision shall be made for each Holder of a Unit or Separate Purchase Contract to receive, for each Unit or Separate Purchase Contract, at the same time and upon the same terms as holders of Common Stock, the amount of cash that such Holder would have received if such Holder owned a number of shares of Common Stock equal to the Maximum Settlement Rate on the Record Date for such cash dividend or distribution.

Any adjustment made pursuant to this Section 5.01(a)(iv) shall become effective immediately after the close of business on the Record Date for such dividend or distribution. In the event that any dividend or distribution described in this Section 5.01(a)(iv) is not so made, each Fixed Settlement Rate shall be readjusted, effective as of the date the Board of Directors publicly announces its decision not to pay such dividend or distribution, to such Fixed Settlement Rate which would then be in effect if such dividend or distribution had not been declared. The Company shall not make any such dividend or distribution on shares of Common Stock held in treasury.

(v) If the Company or one or more Subsidiaries of the Company successfully completes a tender or exchange offer pursuant to a Schedule TO or registration statement on Form S-4 for the Common Stock (other than an odd-lot tender offer) where the cash and the value of any other consideration included in the payment per share of Common Stock validly tendered or exchanged exceeds the average of the Closing Prices per share of the Common Stock for the 10 consecutive Trading Day period (the "Averaging Period") commencing on, and including, the Trading Day next succeeding the last date on which tenders or exchanges may be made pursuant to such tender offer or exchange offer (the "Tender Offer Expiration Date"), then each Fixed Settlement Rate shall be adjusted based on the following formula:

$$SR_1 = SR_0 \times \frac{(AC + (SP \times OS_1))}{(SP \times OS_0)}$$

where,

SR_0 = the Fixed Settlement Rate in effect immediately prior to the close of business on the Tender Offer Expiration Date;

SR_1 = the Fixed Settlement Rate in effect immediately after the close of business on the Tender Offer Expiration Date;

AC = the aggregate value of all cash and the Fair Market Value (as determined by the Board of Directors) on the Tender Offer Expiration Date of any other consideration paid or payable for shares of Common Stock acquired pursuant to such tender offer or exchange offer;

OS_1 = the number of shares of Common Stock outstanding immediately after the Tender Offer Expiration Date, after giving effect to the purchase of all shares accepted for purchase or exchange in such tender offer or exchange offer;

OS_0 = the number of shares of Common Stock outstanding immediately prior to the Tender Offer Expiration Date, prior to giving effect to the purchase of any shares accepted for purchase or exchange in such tender offer or exchange offer; and

SP_1 = the average of the Closing Prices per share of the Common Stock over the Averaging Period.

Any adjustment made pursuant to this Section 5.01(a)(v) shall be calculated at the close of business on the last Trading Day of the Averaging Period, but shall be given effect immediately after the close of business on the Tender Offer Expiration Date; provided that, if any Determination Date occurs during the Averaging Period, the Company shall delay any settlement of a Unit or Purchase Contract until the second Business Day after the last day of the Averaging Period. If the Company or one of its Subsidiaries is obligated to purchase shares of Common Stock pursuant to any such tender or exchange offer, but the Company or such Subsidiary is permanently prevented by applicable law from effecting any such purchases, or all such purchases are rescinded, then each Fixed Settlement Rate shall be readjusted to be such Fixed Settlement Rate that would then be in effect if such tender or exchange offer had not been made.

(b) *Rights Plans*. To the extent that the Company has a rights plan in effect with respect to the Common Stock on any Determination Date, Holders shall receive, in addition to the Common Stock, the rights under the rights plan, unless, prior to such Determination Date, the rights have separated from the Common Stock, in which case each Fixed Settlement Rate shall be adjusted at the time of separation as if the Company made a distribution to all holders of the Common Stock as described in Section 5.01(a)(iii)(A), subject to readjustment in the event of the expiration, termination or redemption of such rights.

(c) *Discretionary Adjustments*. Subject to applicable law and the applicable listing standards of Nasdaq (or any other securities exchange where the Common Stock is listed) and in accordance with this Agreement, the Company may make such increases in each Fixed Settlement Rate, in addition to any other increases required by this Article V, as the Company determines to be in its best interests or the Company deems advisable. The Company may also (but is not required to) increase each Fixed Settlement Rate in order to avoid or diminish any income tax to holders of the Common Stock resulting from any dividend or distribution of shares of Common Stock (or issuance of rights, options or warrants to acquire shares of Common Stock) or from any event treated as such for income tax purposes or for any other reasons; provided that, in each case, the same proportionate adjustment must be made to each Fixed Settlement Rate.

(d) *Calculation of Adjustments.* All adjustments to each Fixed Settlement Rate shall be calculated to the nearest 1/10,000th of a share of Common Stock. No adjustment in a Fixed Settlement Rate shall be required unless the adjustment would require an increase or decrease of at least one percent therein. If any adjustment is not required to be made by reason of this Section 5.01(d), then the adjustment shall be carried forward and taken into account in any subsequent adjustment; provided that on each Determination Date, adjustments to the Fixed Settlement Rates shall be made with respect to any such adjustment carried forward and which has not been taken into account before such Determination Date.

(e) *Adjustments to Prices Over a Period.* Whenever the Company is required to calculate the Closing Prices, the daily VWAPs or any other prices or amounts over a span of multiple days (including, without limitation, the Applicable Market Value or the Stock Price), the Company shall make appropriate adjustments, if any, to each to account for any adjustment to the Fixed Settlement Rates if the related Record Date, Ex-Date, Effective Date or Tender Offer Expiration Date occurs during the period in which the Closing Prices, the daily VWAPs or such other prices or amounts are to be calculated.

(f) *Limitation on Adjustments*. No adjustment to the Fixed Settlement Rates shall be made if Holders of Units or any Separate Purchase Contracts participate (other than in the case of (x) a share split or share combination or (y) a tender or exchange offer), at the same time and upon the same terms as holders of the Common Stock and solely as a result of holding the Purchase Contracts, in the transaction that would otherwise give rise to an adjustment without having to settle the Purchase Contracts as if such Holder held a number of shares of the Common Stock equal to the Maximum Settlement Rate, multiplied by the number of Purchase Contracts held by such Holder. In addition, if the application of the formulas in Section 5.01(a) would result in a decrease in the Fixed Settlement Rates, no adjustment to the Fixed Settlement Rates shall be made (other than as a result of a share combination pursuant to Section 5.01(a)(i) or the reversal of an increase to the Fixed Settlement Rates, as expressly specified in this Article V). In addition, the Fixed Settlement Rates shall only be adjusted as set forth above and shall not be adjusted:

(i) upon the issuance of any shares of Common Stock pursuant to any present or future plan providing for the reinvestment of dividends or interest payable on the Company's securities and the investment of additional optional amounts in shares of Common Stock under any plan;

(ii) upon the issuance of any shares of Common Stock or rights, options, restricted stock units, warrants or similar securities to purchase those shares pursuant to any present or future employee, director or consultant benefit or incentive plan or program of or assumed by the Company or any of its Subsidiaries;

(iii) upon the repurchase of any shares of Common Stock pursuant to an open market share repurchase program or other buy-back transaction, including structured or derivative transactions, that is not a tender offer or exchange offer of the nature described in Section 5.01(a)(v);

(iv) for the sale or issuance of shares of Common Stock, or securities convertible into or exercisable for shares of Common Stock, for cash, including at a price per share less than the Fair Market Value thereof or otherwise or in an acquisition, except as described in one of Section 5.01(a)(i) through Section 5.01(a)(v) above;

(v) for a third party tender offer;

(vi) upon the issuance of any shares of Common Stock pursuant to any option, warrant, right or exercisable, exchangeable or convertible security outstanding as of the Issue Date;

(vii) solely for a change in, or elimination of, the par value of the Common Stock; or

(viii) for any other issuance of shares of our Common Stock or any securities convertible into or exchangeable for shares of our Common Stock or the right to purchase shares of our Common Stock or such convertible or exchangeable securities, except as described above.

(g) *Notice of Adjustment.* Whenever the Fixed Settlement Rates are adjusted, the Company shall:

(i) prepare and transmit to the Purchase Contract Agent an Officer's Certificate setting forth such adjusted Fixed Settlement Rates and/or the adjusted Fundamental Change Early Settlement Rates, the method of calculation thereof in reasonable detail and the facts requiring such adjustment and upon which such adjustment is based;

(ii) within five Business Days following the occurrence of an event that requires an adjustment to the Fixed Settlement Rates and the Fundamental Change Early Settlement Rates (or if the Company is not aware of such occurrence, as soon as practicable after becoming so aware), provide, or cause to be provided, a written notice to the Holders of the occurrence of such event; and

(iii) within five Business Days following the determination of such adjusted Fixed Settlement Rates and Fundamental Change Early Settlement Rates provide, or cause to be provided, to the Holders of the Units and the Separate Purchase Contracts a statement setting forth in reasonable detail the method by which the adjustment to such Fixed Settlement Rates and the Fundamental Change Early Settlement Rates was determined and setting forth such adjusted Fixed Settlement Rates and Fundamental Change Early Settlement Rates and the facts requiring such adjustment and upon which such adjustment is based.

(h) *Corresponding Adjustments*. The Company shall adjust the Fundamental Change Early Settlement Rates at the time it adjusts the Fixed Settlement Rates pursuant to this Section 5.01. For the avoidance of doubt, if the Company makes an adjustment to the Fixed Settlement Rates pursuant to this Section 5.01, such adjustment shall result in a corresponding adjustment to the Early Settlement Rate and the Early Mandatory Settlement Rate. For the further avoidance of doubt, if the Company makes an adjustment to the Fixed Settlement Rates, no separate inversely proportionate adjustment will be made either to (i) the Threshold Appreciation Price because it is equal to $50.00 divided by the Minimum Settlement Rate as adjusted in the manner described herein (rounded to the nearest $0.0001) or (ii) the Reference Price because it is equal to $50.00 divided by the Maximum Settlement Rate as adjusted in the manner described herein (rounded to the nearest $0.0001).

(i) *Withholding and Off-set.* If an applicable withholding agent pays any U.S. federal withholding tax on behalf of a Holder of Purchase Contract or of a beneficial owner of Purchase Contract as a result of deemed or constructive dividends received by such Holder of Purchase Contract or beneficial owner of Purchase Contract arising from the adjustment or failure to adjust the Fixed Settlement Rates, the withholding agent may withhold any such withholding tax from any cash to be paid to, or shares of Common Stock to be delivered to, such Holder of Purchase Contract or beneficial owner of Purchase Contract, or set-off such amount against certain other funds or assets belonging to such Holder of Purchase Contract or beneficial owner of Purchase Contract.

SECTION 5.02. Reorganization Events. (a) In the event of:

(i) any consolidation or merger of the Company with or into another Person (other than a merger or consolidation in which the Company is the continuing or surviving corporation and in which the Common Stock outstanding immediately prior to the merger or consolidation is not exchanged for cash, securities or other property of the Company or another Person);

(ii) any direct or indirect sale, lease, assignment, transfer or conveyance of all or substantially all of the Company's consolidated property or assets;

(iii) any reclassification of Common Stock into securities, including securities other than Common Stock (other than changes in par value or resulting from a subdivision or combination); or

(iv) any statutory exchange of securities of the Company with another Person (other than in connection with a merger or acquisition);

in each case, as a result of which the Common Stock would be converted into, or exchanged for, securities, cash or other property (each, a "Reorganization Event"), each Purchase Contract outstanding immediately prior to such Reorganization Event shall, without the consent of Holders of the Purchase Contracts, become a contract to purchase the kind of securities, cash and/or other property that a holder of Common Stock would have been entitled to receive in

connection with such Reorganization Event (such securities, cash and other property, the "Exchange Property" with each unit of Exchange Property being the kind and amount of Exchange Property that a holder of one Common Stock would have received in such Reorganization Event) and, prior to or at the effective time of such Reorganization Event, the Company or the successor or purchasing Person, as the case may be, shall execute with the Purchase Contract Agent and the Trustee a supplemental agreement permitted under Section 9.01(iv) amending this Agreement and the Purchase Contracts to provide for such change in the right to settle the Purchase Contracts.

For purposes of the foregoing, the type and amount of Exchange Property in the case of any Reorganization Event that causes the Common Stock to be converted into, or exchanged for, the right to receive more than a single type of consideration (determined based in part upon any form of shareholder election) shall be deemed to be the weighted average of the types and amounts of consideration actually received by the holders of Common Stock. The Company shall notify the Purchase Contract Agent in writing of such weighted average as soon as practicable after such determination is made.

The number of units of Exchange Property the Company shall deliver for each Purchase Contract settled following the effective date of such Reorganization Event shall be equal to the number of shares of Common Stock that the Company would otherwise be required to deliver as determined based on the Fixed Settlement Rates then in effect on the applicable Determination Date, or such other settlement rates as provided herein (without interest thereon and without any right to dividends or distributions thereon which have a Record Date prior to the Determination Date). Each Fixed Settlement Rate shall be determined based upon the Applicable Market Value of a unit of Exchange Property that a holder of one share of Common Stock would have received in such Reorganization Event.

For purposes of this Section 5.02(a), "Applicable Market Value" shall be deemed to refer to the Applicable Market Value of the Exchange Property and such value shall be determined (A) in the case of any publicly traded securities that comprise all or part of the Exchange Property, based on the daily VWAP of such securities, (B) in the case of any cash that comprises all or part of the Exchange Property, based on the amount of such cash and (C) in the case of any other property that comprises all or part of the Exchange Property, based on the value of such property, as determined by a nationally recognized independent investment banking firm retained by the Company for this purpose. For purposes of this Section 5.02(a), the term "daily VWAP" shall be determined by reference to the definition of daily VWAP as if references therein to Common Stock were to such publicly traded securities that comprise all or part of the Exchange Property. For purposes of this Section 5.02(a), references to Common Stock in the definition of "Trading Day" shall be replaced by references to any publicly traded securities that comprise all or part of the Exchange Property.

If the Exchange Property in respect of any Reorganization Event includes, in whole or in part, securities of another Person, such supplemental agreement described in this Section 5.02(a) shall be executed by such other Person and shall (x) provide for anti-dilution and other adjustments that shall be as nearly equivalent as practicable, as determined by the Officer executing such supplemental agreement, to the adjustments provided for in this Article V, and (y) otherwise modify the terms of this Agreement and the Purchase Contracts to reflect the

substitution of the applicable Exchange Property for the Common Stock (or other Exchange Property then underlying the Purchase Contracts). In establishing such anti-dilution and other adjustments referenced in the immediately preceding sentence, such Officer shall act in a commercially reasonable manner and in good faith.

(b) In the event the Company shall execute a supplemental agreement pursuant to Section 5.02(a), the Company shall promptly file with the Purchase Contract Agent an Officer's Certificate briefly stating the reasons therefor, the kind or amount of cash, securities or property or asset that will comprise the Exchange Property after any such Reorganization Event, any adjustment to be made with respect thereto and that all conditions precedent have been complied with, and shall promptly notify Holders thereof. The Company (or any successor) shall, within 20 days of the occurrence of any Reorganization Event or, if earlier, within 20 days of the execution of any supplemental agreement pursuant to Section 5.02(a), provide written notice to the Purchase Contract Agent and Holders of such occurrence of such event and of the kind and amount of the cash, securities or other property that constitute the Exchange Property and of the execution of such supplemental agreement, if applicable. Failure to deliver such notice shall not affect the operation of this Section 5.02 or the legality or validity of any such supplemental agreement.

(c) The Company shall not become a party to any Reorganization Event unless its terms are consistent with this Section 5.02. None of the foregoing provisions shall affect the right of a Holder of Purchase Contracts to effect Early Settlement pursuant to Section 4.06 and Section 4.07 prior to the effective date of such Reorganization Event.

(d) The above provisions of this Section 5.02 shall similarly apply to successive Reorganization Events and the provisions of Section 5.01 shall apply to any shares of Capital Stock of the Company (or any successor) received by the holders of Common Stock in any such Reorganization Event.

ARTICLE VI
CONCERNING THE HOLDERS OF PURCHASE CONTRACTS

SECTION 6.01. Evidence of Action Taken by Holders Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Agreement to be given or taken by a specified percentage of number of Purchase Contracts may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such specified percentage of Holders in Person or by agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Purchase Contract Agent. Proof of execution of any instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Agreement and (subject to Section 8.01 and Section 8.03) conclusive in favor of the Purchase Contract Agent and the Company, if made in the manner provided in this Article VI.

SECTION 6.02. Proof of Execution of Instruments and of Holding of Securities. Subject to Section 8.01 and Section 8.03, the execution of any instrument by a Holder or its agent or proxy may be proved in the following manner:

(a) The fact and date of the execution by any Holder of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction authorized to take acknowledgments of deeds or administer oaths that the Person executing such instruments acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute sufficient proof of the authority of the Person executing the same.

(b) The ownership of the Units and the Purchase Contracts shall be proved by the Security Register or by a certificate of the Security Registrar.

SECTION 6.03. Purchase Contracts Deemed Not Outstanding. In determining whether the Holders of the requisite number of Outstanding Purchase Contracts have concurred in any direction, consent or waiver under this Agreement, Purchase Contracts which are owned by the Company or by any Affiliate of the Company with respect to which such determination is being made shall be disregarded and deemed not to be Outstanding Purchase Contracts for the purpose of any such determination, except that for the purpose of determining whether the Purchase Contract Agent shall be protected in relying on any such direction, consent or waiver only Purchase Contracts which a Responsible Officer of the Purchase Contract Agent knows are so owned shall be so disregarded. Purchase Contracts so owned which have been pledged in good faith may be regarded as Outstanding Purchase Contracts if the pledgee establishes to the satisfaction of the Purchase Contract Agent the pledgee's right so to act with respect to such Purchase Contracts and that the pledgee is not the Company or any Affiliate of the Company. In case of a dispute as to such right, the advice of counsel shall be full protection in respect of any decision made by the Purchase Contract Agent in accordance with such advice. Upon request of the Purchase Contract Agent, the Company shall furnish to the Purchase Contract Agent promptly an Officer's Certificate listing and identifying all Purchase Contracts, if any, known by the Company to be owned or held by or for the account of any of the above described Persons; and, subject to Section 8.01 and Section 8.03, the Purchase Contract Agent shall be entitled to accept such Officer's Certificate as conclusive evidence of the facts therein set forth and of the fact that all Purchase Contracts not listed therein are Outstanding Purchase Contracts for the purpose of any such determination.

SECTION 6.04. Right of Revocation of Action Taken. At any time prior to (but not after) the evidencing to the Purchase Contract Agent, as provided in Section 6.01, of the taking of any action by the Holders of the percentage of the number of Purchase Contracts specified in this Agreement in connection with such action, any Holder of a Purchase Contract the serial number of which is shown by the evidence to be included among the serial numbers of the Purchase Contracts the Holders of which have consented to such action may, by filing written notice at the Corporate Trust Office and upon proof of holding as provided in this Article VI, revoke such action so far as concerns such Purchase Contract; provided that such revocation shall not become effective until three Business Days after such filing. Except as aforesaid, any

such action taken by the Holder of any Purchase Contract shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Purchase Contract and of any Purchase Contracts issued in exchange or substitution therefor or on registration of transfer thereof, irrespective of whether or not any notation in regard thereto is made upon any such Purchase Contract. Any action taken by the Holders of the percentage of the number of Purchase Contracts specified in this Agreement in connection with such action shall be conclusively binding upon the Company, the Purchase Contract Agent, the Trustee and the Holders of all the Purchase Contracts affected by such action.

SECTION 6.05. Record Date for Consents and Waivers. The Company may, but shall not be obligated to, establish a record date for the purpose of determining the Persons entitled to give, make or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Agreement to be given made or taken by Holders of Purchase Contracts. If a record date is fixed, the Holders on such record date, or their duly designated proxies, and any such Persons, shall be entitled to give, make or take any such request, demand, authorization, direction, notice, consent, waiver or other action, whether or not such Holder remains a Holder after such record date; provided, however, that unless such waiver or consent is obtained from the Holders, or duly designated proxies, of the requisite number of Outstanding Purchase Contracts prior to the date which is the 120th day after such record date, any such waiver or consent previously given shall automatically and, without further action by any Holder be cancelled and of no further effect.

ARTICLE VII
REMEDIES

SECTION 7.01. Unconditional Right of Holders to Receive Shares of Common Stock. Each Holder of a Purchase Contract (whether or not included in a Unit) shall have the right, which is absolute and unconditional, to receive the shares of Common Stock pursuant to such Purchase Contract and to institute suit for the enforcement of any such right to receive the shares of Common Stock, and such right shall not be impaired without the consent of such Holder.

SECTION 7.02. Notice To Purchase Contract Agent; Limitation On Proceedings. Holders of not less than 25% of Outstanding Purchase Contracts, by notice given to the Purchase Contract Agent, may request that Purchase Contract Agent institute proceedings with respect to a default relating to any covenant hereunder; provided, subject to Section 7.08 and Article VIII hereof, the Purchase Contract Agent shall have no obligation to institute any such proceeding. No Holder of Purchase Contracts may institute any proceedings, judicial or otherwise, with respect to this Agreement or for any remedy hereunder, except in the case of failure of the Purchase Contract Agent, for 60 days, to act after the Purchase Contract Agent has received a written request to institute proceedings in respect of a default with respect to any covenant hereunder from the Holders of not less than 25% of the Outstanding Purchase Contracts, as well as an offer of indemnity reasonably satisfactory to the Purchase Contract Agent. This provision will not prevent any Holder of Purchase Contracts from instituting suit for the delivery of Common Stock deliverable upon settlement of the Purchase Contracts on any Settlement Date.

SECTION 7.03. Restoration of Rights and Remedies. If any Holder or the Purchase Contract Agent has instituted any proceeding to enforce any right or remedy under this Agreement and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to such Holder or the Purchase Contract Agent, then and in every such case, subject to any determination in such proceeding, the Company and such Holder or the Purchase Contract Agent shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of such Holder shall continue as though no such proceeding had been instituted.

SECTION 7.04. Rights and Remedies Cumulative. Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.10, no right or remedy herein conferred upon or reserved to the Holders or the Purchase Contract Agent is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 7.05. Delay or Omission Not Waiver. No delay or omission of any Holder or the Purchase Contract Agent to exercise any right or remedy upon a default hereunder shall impair any such right or remedy or constitute a waiver of any such right. Every right and remedy given by this Article or by law to the Holders or the Purchase Contract Agent may be exercised from time to time, and as often as may be deemed expedient, by such Holders or the Purchase Contract Agent.

SECTION 7.06. Undertaking for Costs. All parties to this Agreement agree, and each Holder of a Purchase Contract, by its acceptance of such Purchase Contract shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Agreement, or in any suit against the Purchase Contract Agent for any action taken, suffered or omitted by it as Purchase Contract Agent, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and costs against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided that the provisions of this Section shall not apply to any suit instituted by (a) the Purchase Contract Agent, (b) any Holder, or group of Holders, holding in the aggregate more than 10% of the Outstanding Purchase Contracts, or (c) any Holder for the enforcement of the right to receive shares of Common Stock or other Exchange Property issuable upon settlement of the Purchase Contracts held by such Holder.

SECTION 7.07. Waiver of Stay or Execution Laws. The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or assume or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Agreement; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Purchase Contract Agent or the Holders, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 7.08. Control by Majority. The Holders of not less than a majority in number of the Outstanding Purchase Contracts shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Purchase Contract Agent, or of exercising any trust or power conferred upon the Purchase Contract Agent; provided that the Purchase Contract Agent has received indemnity satisfactory to it. Notwithstanding the foregoing, the Purchase Contract Agent may refuse to follow any direction that is in conflict with any law or the Purchase Contract Agreement or that may involve it in personal liability.

ARTICLE VIII
THE PURCHASE CONTRACT AGENT AND TRUSTEE

SECTION 8.01. Certain Duties and Responsibilities. (a) Each of the Purchase Contract Agent and Trustee undertakes to perform, with respect to the Units and Purchase Contracts, such duties and only such duties as are specifically delegated to it and set forth in this Agreement.

(b) No provision of this Agreement shall be construed to relieve the Purchase Contract Agent from liability for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that:

(i) the duties and obligations of the Purchase Contract Agent with respect to the Purchase Contracts shall be determined solely by the express provisions of this Agreement, and the Purchase Contract Agent shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Purchase Contract Agent or the Trustee;

(ii) in the absence of bad faith on the part of the Purchase Contract Agent and/or the Trustee, as applicable, the Purchase Contract Agent and/or the Trustee, as applicable, may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any statements, certificates or opinions furnished to the Purchase Contract Agent and/or the Trustee, as applicable, and conforming to the requirements of this Agreement; but in the case of any such statements, certificates or opinions which by any provision hereof are specifically required to be furnished to the Purchase Contract Agent and/or the Trustee, the Purchase Contract Agent and/or the Trustee, as applicable, shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Agreement;

(iii) the Purchase Contract Agent and/or the Trustee, as applicable, shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Purchase Contract Agent and/or the Trustee, as applicable, unless it shall be proved that the Purchase Contract Agent was negligent in ascertaining the pertinent facts; and

(iv) the Purchase Contract Agent and/or the Trustee, as applicable, shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders pursuant to Section 7.08 relating to the time, method and place of conducting any proceeding for any remedy available to the Purchase Contract Agent and/or the Trustee, as applicable, or exercising any right or power conferred upon the Purchase Contract Agent and/or the Trustee, as applicable, under this Agreement.

(c) This Agreement shall not be deemed to create a fiduciary relationship under state or federal law between U.S. Bank Trust Company, National Association, in its capacity as the Purchase Contract Agent, and any Holder of any Equity-Linked Security or between U.S. Bank Trust Company, National Association, in its capacity as Trustee under the Indenture, and any Holder of any Purchase Contract (whether separated or as part of a Unit). Nothing herein shall be deemed to govern or affect the Trustee's rights, duties, responsibilities, benefits, protections, indemnities or immunities with respect to the Notes, which shall be governed by the Indenture.

None of the provisions contained in this Agreement shall require the Purchase Contract Agent to expend or risk its own funds or otherwise incur personal financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if there shall be reasonable ground for believing that the repayment of such funds or adequate indemnity against such liability is not reasonably assured to it.

SECTION 8.02. Notice of Default. Within 90 days after the occurrence of any default by the Company hereunder of which a Responsible Officer of the Purchase Contract Agent has knowledge (subject to Section 8.03(h) hereof), the Purchase Contract Agent shall notify the Company and the Holders of Purchase Contracts of such default hereunder, unless such Responsible Officer of the Purchase Contract Agent has actual knowledge that such default shall have been cured or waived.

SECTION 8.03. Certain Rights of Purchase Contract Agent. Subject to the provisions of Section 8.01:

(a) the Purchase Contract Agent may rely and shall be protected in acting or refraining from acting upon any resolution, Officer's Certificate or any other certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture, note, coupon, security or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an Officer's Certificate or Issuer Order (unless other evidence in respect thereof be herein specifically prescribed); and any resolution of the Board of Directors may be evidenced to the Purchase Contract Agent by a Board Resolution;

(c) the Purchase Contract Agent may consult with counsel of its selection and any advice of such counsel promptly confirmed in writing shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder in good faith and in reliance thereon in accordance with such advice or Opinion of Counsel;

(d) the Purchase Contract Agent shall be under no obligation to exercise any of the rights or powers vested in it by this Agreement at the request, order or direction of any of the Holders pursuant to the provisions of this Agreement (including, without limitation, pursuant to Section 7.08), unless such Holders shall have offered to the Purchase Contract Agent security or indemnity satisfactory to the Purchase Contract Agent against the costs, expenses and liabilities which might be incurred therein or thereby;

(e) the Purchase Contract Agent shall not be liable for any action taken or omitted by it in good faith and believed by it to be authorized or within the discretion, rights or powers conferred upon it by this Agreement and in no case shall the Purchase Contract Agent be liable for any act or omission hereunder in the absence of its own gross negligence, willful misconduct or bad faith;

(f) the Purchase Contract Agent shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, appraisal, bond, debenture, note, coupon, security, or other paper or document unless requested in writing so to do by the Holders of not less than a majority in number of the Outstanding Purchase Contracts; provided that, if the payment within a reasonable time to the Purchase Contract Agent of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Purchase Contract Agent, not reasonably assured to the Purchase Contract Agent by the security afforded to it by the terms of this Agreement, the Purchase Contract Agent may require indemnity against such expenses or liabilities as a condition to proceeding; the reasonable expenses of every such investigation shall be paid by the Company or, if paid by the Purchase Contract Agent or any predecessor Purchase Contract Agent, shall be repaid by the Company upon demand;

(g) the Purchase Contract Agent may execute any of the rights or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys not regularly in its employ and the Purchase Contract Agent shall not be responsible for any misconduct or negligence on the part of any such agent or attorney appointed with due care by it hereunder;

(h) the Purchase Contract Agent shall not be charged with knowledge of any default hereunder unless either a Responsible Officer of the Purchase Contract Agent assigned to the Corporate Trust Office of the Purchase Contract Agent (or any successor division or department of the Purchase Contract Agent) shall have received written notice of such default from the Company or any Holder;

(i) the Purchase Contract Agent shall not be liable for any action taken, suffered or omitted by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Agreement and in no case shall the Purchase Contract Agent be liable for any losses, costs or liabilities of any kind except for those arising directly out of its own gross negligence or willful misconduct;

(j) the permissive rights of the Purchase Contract Agent hereunder shall not be construed as duties;

(k) in no event shall the Purchase Contract Agent be liable for any consequential, special, punitive or indirect loss or damages, even if advised of the likelihood thereof in advance and regardless of the form of action;

(l) the rights, privileges, protections, immunities and benefits given to the Purchase Contract Agent, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Purchase Contract Agent and the Trustee (whether or not the Trustee is expressly referred to in connection with any such rights, privileges, protections, immunities and benefits) in each of their capacities hereunder, and to each agent, custodian and other Person employed to act hereunder;

(m) each of the Purchase Contract Agent and the Trustee may request that the Company deliver an Officer's Certificate setting forth the name of the individuals and/or titles of Officers authorized at such time to take specific actions pursuant to this Agreement, which Officer's Certificate may be signed by any Person authorized to sign an Officer's Certificate, including any Person specified as so authorized in any such Officer's Certificate previously delivered and not superseded;

(n) neither the Purchase Contract Agent nor the Trustee shall be responsible for delays or failures in performance of its obligations hereunder resulting from acts beyond its reasonable control. Such acts shall include but not be limited to acts of God, strikes, lockouts, riots, acts of war, pandemics, epidemics, governmental regulations superimposed after the fact, fire, communication line failures, computer viruses, power failures, earthquakes, terrorist attacks or other disasters, it being understood that each of the Purchase Contract Agent and the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances;

(o) the Purchase Contract Agent shall not be required to exercise discretion in exercising its rights, powers or authorizations hereunder and the Purchase Contract Agent shall be entitled to refrain from any such act unless and until the Purchase Contract Agent has received written direction from a majority in number of the Outstanding Purchase Contracts and indemnification satisfactory to it and shall not be liable for any delay in acting caused while awaiting such direction; and

(p) delivery of reports, information and documents to the Purchase Contract Agent is for informational purposes only and the Purchase Contract Agent's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein.

SECTION 8.04. Not Responsible for Recitals. The recitals contained herein and in the Certificates shall be taken as the statements of the Company and neither the Purchase Contract Agent nor the Trustee assumes any responsibility for their accuracy. Neither the Purchase Contract Agent nor the Trustee makes any representations as to the validity or sufficiency of either this Agreement or of the Purchase Contracts. Neither the Purchase Contract Agent nor the Trustee shall be accountable for the use or application by the Company of the proceeds in respect of the Purchase Contracts.

SECTION 8.05. May Hold Units and Purchase Contracts. Any Security Registrar or any other agent of the Company, or the Purchase Contract Agent, the Trustee and any of their Affiliates, in their individual or any other capacity, may become the owner of Units, Separate Purchase Contracts and Separate Notes and may otherwise deal with the Company or any other Person with the same rights it would have if it were not Security Registrar or such other agent, or the Purchase Contract Agent or the Trustee. The Company may become the owner of Units, Separate Purchase Contracts and Separate Notes.

SECTION 8.06. Money Held in Custody. Money held by the Purchase Contract Agent in custody hereunder need not be segregated from other funds except to the extent required by law or provided herein. The Purchase Contract Agent shall be under no obligation to invest or pay interest on any money received by it hereunder except as it may specifically agree in writing with the Company.

SECTION 8.07. Compensation, Reimbursement and Indemnification. The Company covenants and agrees to pay to the Purchase Contract Agent from time to time, and the Purchase Contract Agent shall be entitled to, such compensation as shall be agreed to in writing between the Company and the Purchase Contract Agent and the Company covenants and agrees to pay or reimburse the Purchase Contract Agent and each predecessor Purchase Contract Agent upon its request for all reasonable expenses, disbursements and advances incurred or made by or on behalf of it in accordance with any of the provisions of this Agreement (including the reasonable compensation and the expenses and disbursements of its counsel and of all agents and other Persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its gross negligence or bad faith as determined by a final, non-appealable, judgment of a court of competent jurisdiction. The Company also covenants to indemnify the Purchase Contract Agent and each predecessor Purchase Contract Agent for, and to hold it harmless against, any and all loss, liability, damage, claim or expense, including taxes (other than taxes based on the income of the Purchase Contract Agent), incurred without gross negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this Agreement and its duties hereunder, including the costs and expenses of defending itself against or investigating any claim or liability (regardless of whether such claim is brought by the Company or any third party). The provisions of this Section 8.07 shall survive the resignation or removal of the Purchase Contract Agent and the termination of this Agreement. If the Purchase Contract Agent incurs any expenses, or if the Purchase Contract Agent is entitled to any compensation for services rendered (including fees and expenses of its agent and counsel), in each case, in connection with the performance of its obligations under this Agreement after the occurrence of a Bankruptcy Event, then any such expenses or compensation are intended to constitute expenses of administration under applicable Bankruptcy Laws. As security for the performance of the obligations of the Company under this Section the Purchase Contract Agent shall have a lien prior to the Holders upon all property and funds held or collected by the Purchase Contract Agent as such, except funds or property held in trust for payment to the Holders.

SECTION 8.08. Corporate Purchase Contract Agent Required; Eligibility. There shall at all times be a Purchase Contract Agent hereunder. The Purchase Contract Agent shall at all times be a corporation organized and doing business under the laws of the United States of America or of any state thereof or the District of Columbia having a combined capital and surplus of at least $25,000,000, and which is authorized under such laws to exercise corporate trust powers and is subject to supervision or examination by federal, state or District of Columbia authority, or a corporation or other Person permitted to act as trustee by the Commission. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Purchase Contract Agent shall cease to be eligible in accordance with the provisions of this Section, it shall resign immediately in the manner and with the effect specified in this Article.

SECTION 8.09. Resignation and Removal; Appointment of Successor. (a) No resignation or removal of the Purchase Contract Agent and no appointment of a successor Purchase Contract Agent pursuant to this Article shall become effective until the acceptance of appointment by the successor Purchase Contract Agent in accordance with the applicable requirements of Section 8.10.

(b) The Purchase Contract Agent may resign at any time by giving written notice thereof to the Company 60 days prior to the effective date of such resignation. If the instrument of acceptance by a successor Purchase Contract Agent required by Section 8.10 shall not have been delivered to the Purchase Contract Agent within 30 days after the giving of such notice of resignation, the resigning Purchase Contract Agent may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Purchase Contract Agent.

(c) The Purchase Contract Agent may be removed at any time by the Holders of a majority in number of the Outstanding Purchase Contracts. If the instrument of acceptance by a successor Purchase Contract Agent required by Section 8.10 shall not have been delivered to the Purchase Contract Agent within 30 days after evidence of such removal is delivered to the Company and Purchase Contract Agent, the removed Purchase Contract Agent may petition, at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Purchase Contract Agent.

(d) If at any time:

(i) the Purchase Contract Agent shall cease to be eligible under Section 8.08 and shall fail to resign after written request therefor by the Company or by any such Holder; or

(ii) the Purchase Contract Agent shall be adjudged bankrupt or insolvent or a receiver of the Purchase Contract Agent or of its property shall be appointed or any public officer shall take charge or control of the Purchase Contract Agent or of its property or affairs for the purpose of rehabilitation,

conservation or liquidation, then, in any such case, (x) the Company by a Board Resolution may remove the Purchase Contract Agent, or (y) any Holder who has been a bona fide Holder of a Purchase Contract for at least six months may, on behalf of himself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Purchase Contract Agent and the appointment of a successor Purchase Contract Agent.

(e) If the Purchase Contract Agent shall resign, be removed or become incapable of acting, or if a vacancy shall occur in the office of Purchase Contract Agent for any cause, the Company shall promptly appoint a successor Purchase Contract Agent and shall comply with the applicable requirements of Section 8.10. If no successor Purchase Contract Agent shall have been so appointed by the Company and accepted appointment in the manner required by Section 8.10, any Holder who has been a bona fide Holder of a Purchase Contract for at least six months, on behalf of itself and all others similarly situated, or the Purchase Contract Agent may petition at the expense of the Company, any court of competent jurisdiction for the appointment of a successor Purchase Contract Agent.

(f) The Company shall give, or shall cause such successor Purchase Contract Agent to give, notice of each resignation and each removal of the Purchase Contract Agent and each appointment of a successor Purchase Contract Agent to Holders. Each notice shall include the name of the successor Purchase Contract Agent and the address of its Corporate Trust Office.

SECTION 8.10. Acceptance of Appointment by Successor. (a) In case of the appointment hereunder of a successor Purchase Contract Agent, every such successor Purchase Contract Agent so appointed shall execute, acknowledge and deliver to the Company and to the retiring Purchase Contract Agent an instrument accepting such appointment, and thereupon the resignation or removal of the retiring Purchase Contract Agent shall become effective and such successor Purchase Contract Agent, without any further act, deed or conveyance, shall become vested with all the rights, powers, agencies and duties of the retiring Purchase Contract Agent. At the request of the Company or the successor Purchase Contract Agent, such retiring Purchase Contract Agent shall, upon its receipt of payment or reimbursement of any amounts due to it hereunder, execute and deliver an instrument transferring to such successor Purchase Contract Agent all the rights, powers and trusts of the retiring Purchase Contract Agent and shall duly assign, transfer and deliver to such successor Purchase Contract Agent all property and money held by such retiring Purchase Contract Agent hereunder.

(b) Upon request of any such successor Purchase Contract Agent, the Company shall execute any and all instruments for more fully and certainly vesting in and confirming to such successor Purchase Contract Agent all such rights, powers and agencies referred to in paragraph (a) of this Section.

(c) No successor Purchase Contract Agent shall accept its appointment unless at the time of such acceptance such successor Purchase Contract Agent shall be qualified and eligible under this Article.

SECTION 8.11. Merger; Conversion; Consolidation or Succession to Business. Any Person into which the Purchase Contract Agent may be merged or converted or with which it may be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Purchase Contract Agent shall be a party, or any Person succeeding to all or substantially all the corporate trust business of the Purchase Contract Agent, shall be the successor of the Purchase Contract Agent hereunder; provided that such Person shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. If any Equity-Linked Securities shall have been authenticated on behalf of the Holders by the Trustee and Purchase Contract Agent then in office, but not delivered, any successor by merger, conversion or consolidation to such Purchase Contract Agent may adopt such Purchase Contract Agent's authentication and deliver the Equity-Linked Securities so authenticated with the same effect as if such successor Purchase Contract Agent had itself authenticated such Equity-Linked Securities.

SECTION 8.12. Preservation of Information; Communications to Holders. (a) The Purchase Contract Agent shall preserve, in as current a form as is reasonably practicable, the names and addresses of Holders as received by the Purchase Contract Agent in its capacity as Security Registrar.

(b) If three or more Holders (such three or more Holders, the "Applicants") apply in writing to the Purchase Contract Agent, and furnish to the Purchase Contract Agent reasonable proof that each such Applicant has owned a Unit or Separate Purchase Contract for a period of at least six months preceding the date of such application, and such application states that the Applicants desire to communicate with other Holders with respect to their rights under this Agreement or under the Units or Separate Purchase Contracts and is accompanied by a copy of the form of proxy or other communication that such Applicants propose to transmit, then the Purchase Contract Agent shall transmit to all the Holders copies of the form of proxy or other communication that is specified in such request, with reasonable promptness after a tender to the Purchase Contract Agent of the materials to be transmitted and of payment, or provision for the payment, of the reasonable expenses of such transmission.

SECTION 8.13. No Other Obligations of Purchase Contract Agent or Trustee. Except to the extent otherwise expressly provided in this Agreement, neither the Purchase Contract Agent nor Trustee assumes any obligations, and neither the Purchase Contract Agent nor Trustee shall be subject to any liability, under this Agreement or any Security evidencing a Unit or Purchase Contract in respect of the obligations of the Holder of any Unit or Purchase Contract thereunder. The Company agrees, and each Holder of a Security, by his or her acceptance thereof, shall be deemed to have agreed, that the Purchase Contract Agent's and/or Trustee's authentication, as applicable, of the Securities shall be solely, in the case of the Purchase Contract Agent, as agent and attorney-in-fact for the Holders and, in the case of the Trustee, as Trustee under the Indenture, and that neither the Purchase Contract Agent nor Trustee shall have any obligation to perform such Purchase Contracts (whether held as components of Units or Separate Purchase Contracts) on behalf of the Holders, except to the extent expressly provided in Article III hereof.

SECTION 8.14. Tax Compliance. (a) The Purchase Contract Agent shall comply with all applicable certification, information reporting and withholding (including "backup" withholding) requirements imposed by applicable tax laws, regulations or administrative practice with respect to (i) any shares of Common Stock delivered upon settlement of the Purchase Contracts, any amounts paid in lieu of fractional shares of Common Stock upon settlement of the Purchase Contracts, and any other amounts included in the Purchase Contract Settlement Fund paid to Holders upon settlement of any Purchase Contracts; (ii) the issuance, delivery, holding, transfer or exercise of rights under the Purchase Contracts; or (iii) the adjustment of or failure to adjust the Fixed Settlement Rates in certain circumstances. Such compliance shall include, without limitation, the preparation and timely filing of required returns and the timely payment of all amounts required to be withheld to the appropriate taxing authority or its designated agent. Notwithstanding anything to the contrary, but without limiting the requirements imposed by applicable tax laws, the Purchase Contract Agent's obligations under this Section 8.14 shall extend only to form 1099 reporting and any applicable withholding unless and until the Purchase Contract Agent is otherwise notified by the Company pursuant to paragraph (b) below.

(b) The Purchase Contract Agent shall, in accordance with the terms hereof, comply with any written direction received from the Company with respect to the execution or certification of any required documentation and the application of such requirements to particular payments or Holders or in other particular circumstances, and may for purposes of this Agreement conclusively rely on any such direction in accordance with the provisions of Section 8.01(b)(ii).

(c) The Purchase Contract Agent shall maintain all appropriate records documenting compliance with such requirements, and shall make such records available, on written request, to the Company or its authorized representative within a reasonable period of time after receipt of such request. ARTICLE IX
SUPPLEMENTAL AGREEMENTS

SECTION 9.01. Supplemental Agreements Without Consent of Holders. Without the consent of any Holders, the Company, the Purchase Contract Agent and the Trustee at any time and from time to time, may enter into one or more agreements supplemental hereto, in form satisfactory to the Company and the Purchase Contract Agent, for the purpose of modifying in any manner the terms of the Purchase Contracts, or the provisions of this Agreement or the rights of the Holders in respect of the Purchase Contracts:

(i) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants and obligations of the Company under this Agreement and the Units and Separate Purchase Contracts, if any;

(ii) to add to the covenants for the benefit of Holders of Purchase Contracts or to surrender any of the Company's rights or powers under this Agreement;

(iii) to evidence and provide for the acceptance of appointment of a successor Purchase Contract Agent;

(iv) upon the occurrence of a Reorganization Event, solely (i) to provide that each Purchase Contract will become a contract to purchase Exchange Property and (ii) to effect the related changes to the terms of the Purchase Contracts and the provisions of this Agreement, in each case, pursuant to Section 5.02;

(v) to conform the terms of the Purchase Contracts or the provisions of this Agreement to the "Description of the Purchase Contracts," and "Description of the Units" sections in the Prospectus;

(vi) to cure any ambiguity or manifest error or to correct or supplement any provisions that may be inconsistent; or

(vii) to make any other provisions with respect to such matters or questions, so long as such action does not adversely affect the interest of the Holders.

SECTION 9.02. Supplemental Agreements with Consent of Holders. With the consent of the Holders of not less than a majority in number of the Outstanding Purchase Contracts, the Company, when authorized by a Board Resolution, and the Purchase Contract Agent and Trustee may enter into an one or more agreements supplemental hereto for the purpose of modifying in any manner the terms of the Purchase Contracts, or the provisions of this Agreement or the rights of the Holders in respect of the Purchase Contracts; provided, however, that, except as contemplated herein, no such supplemental agreement shall, without the consent of each Holder of an Outstanding Purchase Contract affected thereby:

(i) reduce the number of shares of Common Stock deliverable upon settlement of the Purchase Contracts (except to the extent expressly provided in Section 5.01);

(ii) change the Mandatory Settlement Date, or adversely modify the right to settle Purchase Contracts early or the Fundamental Change Early Settlement Right;

(iii) impair the right to institute suit for the enforcement of the Purchase Contracts; or

(iv) reduce the above-stated percentage of Outstanding Purchase Contracts the consent of the Holders of which is required for the modification or amendment of the provisions of the Purchase Contracts or this Agreement.

It shall not be necessary for any consent of Holders under this Section to approve the particular form of any proposed supplemental agreement, but it shall be sufficient if such consent shall approve the substance thereof.

SECTION 9.03. Execution of Supplemental Agreements. In executing, or accepting the additional agencies created by, any supplemental agreement permitted by this Article or the modifications thereby of the agencies created by this Agreement, the Purchase Contract Agent and Trustee shall be provided, and (subject to Section 8.01) shall be fully protected in relying upon, an Officer's Certificate and an Opinion of Counsel stating that the execution of such supplemental agreement is authorized or permitted by this Agreement and does not violate the Indenture, and that any and all conditions precedent to the execution and delivery of such supplemental agreement have been satisfied. The Purchase Contract Agent and Trustee may, but shall not be obligated to, enter into any such supplemental agreement that affects the Purchase Contract Agent's or Trustee's own rights, duties or immunities under this Agreement or otherwise.

SECTION 9.04. Effect of Supplemental Agreements. Upon the execution of any supplemental agreement under this Article, this Agreement and the Equity-Linked Securities shall be modified in accordance therewith, and such supplemental agreement shall form a part of this Agreement and the Equity-Linked Securities for all purposes; and every Holder of Securities theretofore or thereafter authenticated on behalf of the Holders and delivered hereunder, shall be bound thereby.

SECTION 9.05. Reference to Supplemental Agreements. Securities authenticated on behalf of the Holders and delivered after the execution of any supplemental agreement pursuant to this Article may, and shall if required by the Purchase Contract Agent, bear a notation in form approved by the Purchase Contract Agent as to any matter provided for in such supplemental agreement. If the Company shall so determine, new Securities so modified as to conform, in the opinion of the Purchase Contract Agent, the Trustee and the Company, to any such supplemental agreement may be prepared and executed by the Company and authenticated on behalf of the Holders and delivered by the Purchase Contract Agent in exchange for outstanding Securities.

SECTION 9.06. Notice of Supplemental Agreements. After any supplemental agreement under this Article becomes effective, the Company shall give to the Holders a notice briefly describing such supplemental agreement; provided, however, that the failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of such supplemental agreement.

ARTICLE X
CONSOLIDATION, MERGER, CONVEYANCE, TRANSFER OR LEASE

SECTION 10.01. Covenant Not to Consolidate, Merge, Convey, Transfer or Lease Property Except Under Certain Conditions The Company shall not consolidate or merge with or into any other entity, or sell, transfer, lease or otherwise convey its properties and assets as an entirety or substantially as an entirety to any entity, unless:

(i) (a) it is the continuing entity (in the case of a merger), or (b) if it is not the continuing entity, the successor entity formed by such consolidation or into which it is merged or which acquires by sale, transfer, lease or other conveyance of its properties and assets, as an entirety or substantially as an entirety, is a corporation organized and existing under the laws of the United States of America or any state thereof, the District of Columbia or any territory thereof, and expressly assumes, by a supplement to this Agreement, all obligations of the Company under this Agreement; and

(ii) immediately after giving effect to the transaction, no default, and no event which after notice or lapse of time or both would become a default under this Agreement or the Purchase Contracts, has or will have occurred and be continuing.

SECTION 10.02. Rights and Duties of Successor Entity. In case of any such merger, consolidation, sale, assignment, transfer or conveyance (but not any such lease) and upon any such assumption under Section 10.01(i)(b) by a successor entity in accordance with Section 10.01, such successor entity shall succeed to and be substituted for the Company with the same effect as if it had been named herein as the Company. Such successor entity thereupon may cause to be signed, and may issue either in its own name or in the name of the Company, any or all of the Securities evidencing Units or Purchase Contracts issuable hereunder which theretofore shall not have been signed by the Company and delivered to the Purchase Contract Agent; and, upon the order of such successor entity, instead of the Company, and subject to all the terms, conditions and limitations in this Agreement prescribed, the Purchase Contract Agent and Trustee (if applicable) shall authenticate on behalf of the Holders and deliver any Securities that previously shall have been signed and delivered by the Officers to the Purchase Contract Agent and Trustee for authentication, and any Security evidencing Units or Purchase Contracts that such successor corporation thereafter shall cause to be signed and delivered to the Purchase Contract Agent and Trustee for that purpose. All the Securities issued shall in all respects have the same legal rank and benefit under this Agreement as the Securities theretofore or thereafter issued in accordance with the terms of this Agreement as though all of such Securities had been issued at the date of the execution hereof.

In the event of any such merger, consolidation, sale, assignment, transfer, lease or conveyance, such change in phraseology and form (but not in substance) may be made in the Securities evidencing Units or Purchase Contracts thereafter to be issued as may be appropriate.

SECTION 10.03. Officer's Certificate and Opinion of Counsel Given to Purchase Contract Agent. The Purchase Contract Agent, subject to Section 8.01 and Section 8.03, shall receive an Officer's Certificate and an Opinion of Counsel as conclusive evidence that any such merger, consolidation, sale, assignment, transfer, lease or conveyance, and any such assumption under Section 10.01(i)(b), complies with the provisions of this Article and that all conditions precedent to the consummation of any such merger, consolidation, sale, assignment, transfer, lease or conveyance have been met.

ARTICLE XI
COVENANTS OF THE COMPANY

SECTION 11.01. Performance Under Purchase Contracts. The Company covenants and agrees for the benefit of the Holders from time to time of the Units and Purchase Contracts, as the case may be, that it will duly and punctually perform its obligations under the Units and Purchase Contracts, as the case may be, in accordance with the terms of the Units and Purchase Contracts and this Agreement.

SECTION 11.02. Maintenance of Office or Agency. The Company will maintain an office or agency where Securities may be presented or surrendered for acquisition of shares of Common Stock upon settlement of the Purchase Contracts on any Settlement Date, and where notices and demands to or upon the Company in respect of the Purchase Contracts and this Agreement may be served. The Company will give prompt written notice to the Purchase Contract Agent of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Purchase Contract Agent with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office, and the Company hereby appoints the Purchase Contract Agent as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where Securities may be presented or surrendered for any or all such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Purchase Contract Agent of any such designation or rescission and of any change in the location of any such other office or agency. The Company hereby designates as the place of payment for the Purchase Contracts the Corporate Trust Office and appoints the Purchase Contract Agent at its Corporate Trust Office as paying agent in such city.

SECTION 11.03. Statements of Officers as to Default; Notice of Default. The Company will deliver to the Purchase Contract Agent, within 120 days after the end of each fiscal year of the Company (which fiscal year ends, as of the Issue Date, on December 31) ending after December 31, 2024, an Officer's Certificate (one of the signers of which shall be the chief executive officer, chief financial officer or principal accounting officer of the Company), stating whether or not to the knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions hereof, and if the Company shall be in default, specifying all such defaults and the nature and status thereof of which they may have knowledge and what action the Company is taking or proposes to take with respect thereto.

SECTION 11.04. [Reserved.]

SECTION 11.05. Company to Reserve Common Stock. The Company shall at all times reserve and keep available out of its authorized but unissued Common Stock, solely for issuance upon settlement of the Purchase Contracts, the number of shares of Common Stock that would be issuable upon the settlement of all Outstanding Purchase Contracts (whether or not included in a Unit), assuming settlement at the Maximum Settlement Rate.

SECTION 11.06. Covenants as to Common Stock. The Company covenants that all shares of Common Stock issuable upon settlement of any Outstanding Purchase Contract will, upon issuance, be duly authorized, validly issued, fully paid and nonassessable, free from all taxes, liens and charges and not subject to any preemptive rights.

The Company further covenants that, if at any time the Common Stock shall be listed on Nasdaq or any other national securities exchange, the Company will, if permitted by the rules of such exchange, list and keep listed, so long as the Common Stock shall be so listed on such exchange, all Common Stock issuable upon settlement of the Purchase Contracts; provided, however, that, if the rules of such exchange system permit the Company to defer the listing of such Common Stock until the first delivery of Common Stock upon settlement of Purchase Contracts in accordance with the provisions of this Agreement, the Company covenants to list such Common Stock issuable upon settlement of the Purchase Contracts in accordance with the requirements of such exchange at such time.

SECTION 11.07. Tax Treatment. The Company agrees, and by purchasing a Unit each Holder of Purchase Contract and beneficial owner of Purchase Contract agrees, for United States federal income tax purposes, to (a) treat a Unit as an investment unit composed of two separate instruments, in accordance with its form, (b) treat the Notes as indebtedness of the Company and (c) in the case of each Holder of Purchase Contract and beneficial owner of Purchase Contract acquiring the Units at original issuance, allocate the Stated Amount of each Unit between the Note and the Purchase Contract so that such Holder's or beneficial owner's initial tax basis in each Purchase Contract will be $[•] and each such Holder's or beneficial owner's initial tax basis in each Note will be $[•] (as reflected in the cross-receipt for the Units' initial issuance).

SECTION 11.08. Patriot Act. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A Patriot Act (the "Patriot Act"), the Purchase Contract Agent, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Purchase Contract Agent. The parties to this Agreement agree that they shall provide the Purchase Contract Agent with such information as it may request in order for the Trustee to satisfy the requirements of the Patriot Act.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Any Installment Payment on any Note which is payable, but is not punctually paid or duly provided for, on any Installment Payment Date (herein called "Defaulted Installment Payment") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Installment Payment may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Installment Payment to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Installment Payment, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Installment Payment proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Installment Payment or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Installment Payment as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Installment Payment which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Installment Payment and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Notes at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Installment Payment and the Special Record Date therefor having been so mailed, such Defaulted Installment Payment shall be paid to the Persons in whose names the Notes (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Installment Payment on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

The Notes shall not be subject to redemption at the option of the Company. However, a Holder shall have the right to require the Company to repurchase some or all of its Notes for cash at the Repurchase Price per Note and on the Repurchase Date, upon the occurrence of certain events and subject to the conditions set forth in the Indenture.

This Note is not entitled to the benefit of any sinking fund. The Indenture contains provisions for satisfaction and discharge, legal defeasance and covenant defeasance of this Note upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Note.

If an Event of Default with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in principal amount of the Notes then outstanding may declare the Repurchase Price and all Installment Payments on this Note, to be due and payable immediately, in the manner, subject to the conditions and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee, with the consent of the Holders of not less than a majority in principal amount of the Notes at the time outstanding, to execute supplemental indentures for certain purposes as described therein.

No provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Repurchase Price, if applicable, of and all Installment Payments on this Note at the time, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

The Notes are originally being issued as part of the [•]% Tangible Equity Units (the "Units") issued by the Company pursuant to that certain Purchase Contract Agreement, dated as of [•], 2024, between the Company and U.S. Bank Trust Company, National Association, as Purchase Contract Agent, as Trustee and as attorney-in-fact for the holders of Equity-Linked Securities (as defined in the Purchase Contract Agreement) from time to time (the "Purchase Contract Agreement"). Holders of the Units have the right to separate such Units into their constituent parts, consisting of Separate Purchase Contracts (as defined in the Purchase Contract Agreement) and Separate Notes, during the times, and under the circumstances, described in the Purchase Contract Agreement. Following separation of any Unit into its constituent Separate Note and Separate Purchase Contract, the Separate Notes are transferable independently from the Separate Purchase Contracts. In addition, Separate Notes can be recombined with Separate Purchase Contracts to recreate Units, as provided for in the Purchase Contract Agreement. Reference is hereby made to the Purchase Contract Agreement for a more complete description of the terms thereof applicable to the Units.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note shall be registered on the Security Register of the Company, upon due presentation of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon the Company shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Note or Notes in authorized denominations and for a like aggregate principal amount.

This Note and the Indenture and any claim, controversy or dispute arising under or related thereto shall be governed by and construed in accordance with the laws of the State of New York.

Capitalized terms used but not defined in this Note shall have the meanings ascribed to such terms in the Indenture.

No recourse shall be had for the payment of any Installment Payment on this Note, or for any claim based hereon, or upon any obligation, covenant or agreement of the Company in the Indenture, against any incorporator, stockholder, officer or director, past, present or future of the Company or of any predecessor or successor, either directly or through the Company or any predecessor or successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment of penalty or otherwise; and all such personal liability is expressly released and waived as a condition of, and as part of the consideration for, the issuance of this Note.

Any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given, made or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by an agent duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Company. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01) conclusive in favor of the Trustee and the Company, if made in the manner provided in this Section.

The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to him the execution thereof. Where such execution is by a signer acting in a capacity other than his individual capacity, such certificate or affidavit shall also constitute sufficient proof of his authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

The ownership of Securities shall be proved by the Security Register.

Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Security shall bind every future Holder of the same Security and the Holder of every Security issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Company in reliance thereon, whether or not notation of such action is made upon such Security.

The Company may, in the circumstances permitted by the Trust Indenture Act, set any day as the record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to give or take any request, demand, authorization, direction, notice, consent, waiver or other action provided or permitted by this Indenture to be given or taken by Holders of Securities of such series. With regard to any record date set pursuant to this paragraph, the Holders of Outstanding Securities of the relevant series on such record date (or their duly appointed agents), and only such Persons, shall be entitled to give or take the relevant action, whether or not such Holders remain Holders after such record date. With regard to any action that may be given or taken hereunder only by Holders of a requisite principal amount of Outstanding Securities of any series (or their duly appointed agents) and for which a record date is set pursuant to this paragraph, the Company may, at its option, set an expiration date after which no such action purported to be given or taken by any Holder shall be effective hereunder unless given or taken on or prior to such expiration date by Holders of the requisite principal amount of Outstanding Securities of such series on such record date (or their duly appointed agents). On or prior to any expiration date set pursuant to this paragraph, the Company may, on one or more occasions at its option, extend such date to any later date. Nothing in this paragraph shall prevent any Holder (or any duly appointed agent thereof) from giving or taking, after any such expiration date, any action identical to, or, at any time, contrary to or different from, the action or purported action to which such expiration date relates, in which event the Company may set a record date in respect thereof pursuant to this paragraph. Nothing in this paragraph shall be construed to render ineffective any action taken at any time by the Holders (or their duly appointed agents) of the requisite principal amount of Outstanding Securities of the relevant series on the date such action is so taken. Notwithstanding the foregoing or the Trust Indenture Act, the Company shall not set a record date for, and the provisions of this paragraph shall not apply with respect to, any notice, declaration or direction referred to in the next paragraph.

The Trustee may set any day as a record date for the purpose of determining the Holders of Outstanding Securities of any series entitled to join in the giving or making of (i) any Notice of Default, (ii) any declaration of acceleration referred to in Section 5.02, if an Event of Default with respect to Securities of such series has occurred and is continuing and the Trustee shall not have given such a declaration to the Company, (iii) any request to institute proceedings referred to in Section 5.07(2) or (iv) any direction referred to in Section 5.12, in each case with respect to Securities of such series. Promptly

after any record date is set pursuant to this paragraph, the Trustee shall notify the Company and the Holders of Outstanding Series of such series of any such record date so fixed and the proposed action. The Holders of Outstanding Securities of such series on such record date (or their duly appointed agents), and only such Persons, shall be entitled to join in such notice, declaration or direction, whether or not such Holders remain Holders after such record date; provided that, unless such notice, declaration or direction shall have become effective by virtue of Holders of the requisite principal amount of Outstanding Securities of such series on such record date (or their duly appointed agents) having joined therein on or prior to the 90th day after such record date, such notice, declaration or direction shall automatically and without any action by any Person be cancelled and of no further effect. Nothing in this paragraph shall be construed to prevent a Holder (or a duly appointed agent thereof) from giving, before or after the expiration of such 90-day period, a notice, declaration or direction contrary to or different from, or, after the expiration of such period, identical to, the notice, declaration or direction to which such record date relates, in which event a new record date in respect thereof shall be set pursuant to this paragraph. Nothing in this paragraph shall be construed to render ineffective any notice, declaration or direction of the type referred to in this paragraph given at any time to the Trustee and the Company by Holders (or their duly appointed agents) of the requisite principal amount of Outstanding Securities of the relevant series on the date such notice, declaration or direction is so given.

Without limiting the foregoing, a Holder entitled hereunder to give or take any action hereunder with regard to any particular Security may do so with regard to all or any part of the principal amount of such Security or by one or more duly appointed agents each of which may do so pursuant to such appointment with regard to all or any different part of such principal amount.

Section 1.05 Notices, Etc., to Trustee and Company.

Any request, demand, authorization, direction, notice, consent, waiver or Act of Holders or other document provided or permitted by this Indenture to be made upon, given or furnished to, or filed with,

(2) the Company by the Trustee or by any Holder shall be sufficient for every purpose hereunder (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to the Company addressed to it at the address of its principal office specified in the first paragraph of this instrument or at any other address previously furnished in writing to the Trustee by the Company.

Section 1.06 Notice to Holders; Waiver.

Where this Indenture provides for notice to Holders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if in writing and mailed, first-class postage prepaid, to each Holder affected by such event, at his address as it appears in the Security Register, or sent electronically in accordance with the Depositary's procedures, in each case, not later than the latest date (if any), and not earlier than the earliest date (if any), prescribed for the giving of such notice. In any case where notice to Holders is given by mail, neither the failure to mail such notice, nor any defect in any notice so mailed, to any particular Holder shall affect the sufficiency of such notice with respect to other Holders. Where this Indenture provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Trustee, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

In case by reason of the suspension of regular mail service or by reason of any other cause it shall be impracticable to give such notice by mail, then such notification as shall be made with the approval of the Trustee shall constitute a sufficient notification for every purpose hereunder.

Section 1.07 Conflict with Trust Indenture Act.

If any provision hereof limits, qualifies or conflicts with a provision of the Trust Indenture Act that is required under such Act to be a part of and govern this Indenture, the latter provision shall control. If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision shall be deemed to apply to this Indenture as so modified or to be excluded, as the case may be. Wherever this Indenture refers to a provision of the Trust Indenture Act, such provision is incorporated by reference in and made a part of this Indenture.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities of each series to be affected under the Indenture at any time by the Company and the Trustee with the consent of the Holders of a majority in principal amount of the Securities at the time Outstanding of each series to be affected.

No reference herein to the Indenture and no provision of this Security or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and any premium and interest on this Security at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Security is registerable in the Security Register, upon surrender of this Security for registration of transfer at the office or agency of the Company in any place where the principal of and any premium and interest on this Security are payable, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Securities of this series and of like tenor, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only in registered form without coupons in denominations of [$1,000 and any integral multiple thereof]. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of this series and of like tenor of a different authorized denomination, as requested by the Holder surrendering the same. No service charge shall be made for any such registration of transfer or exchange, but the Company or the Security Registrar may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

Prior to due presentment of this Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Security is registered as the owner hereof for all purposes, whether or not this Security be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

All terms used in this Security which are defined in the Indenture shall have the meanings assigned to them in the Indenture.

Section 2.04 Form of Legend for Global Securities

Unless otherwise specified as contemplated by Section 3.01 for the Securities evidenced thereby, every Global Security authenticated and delivered hereunder shall bear a legend in substantially the following form:

All Securities of any one series shall be substantially identical except as to denomination and except as may otherwise be provided in or pursuant to the Board Resolution referred to above and (subject to Section 3.03) set forth, or determined in the manner provided, in the Officer's Certificate referred to above or in any such indenture supplemental hereto.

If any of the terms of the series are established by action taken pursuant to a Board Resolution, a copy of an appropriate record of such action shall be certified by an Officer and delivered to the Trustee at or prior to the delivery of the Officer's Certificate setting forth the terms of the series.

The Company may, from time to time, by adoption of a Board Resolution and subject to compliance with any other applicable provisions of this Indenture, without the consent of the Holders, create and issue pursuant to this Indenture additional securities of any series of Securities ("Add On Securities") having terms and conditions identical to those of such series of Outstanding Securities, except that such Add On Securities:

(i) may have a different issue date from such series of Outstanding Securities;

(ii) may have a different amount of interest payable on the first Interest Payment Date after issuance than is payable on such series of Outstanding Securities; and

(iii) may have terms specified in such Board Resolution for such Add On Securities making appropriate adjustments to this Article III applicable to such Add On Securities in order to conform to and ensure compliance with the Securities Act (or applicable securities laws) which are not adverse in any material respect to the Holder of any Outstanding Securities (other than such Add On Securities) and which shall not affect the rights or duties of the Trustee.

Section 3.02 Denominations.

The Securities of each series shall be issuable only in registered form without coupons in such denominations as shall be specified as contemplated by Section 3.01. In the absence of any such specified denomination with respect to the Securities of any series, the Securities of such series shall be issuable in denominations of $1,000 and any integral multiple thereof.

Section 3.03 Execution, Authentication, Delivery and Dating

The Securities shall be executed on behalf of the Company by an Officer. The signature of any such Officer on the Securities may be manual or facsimile. Securities bearing the manual or facsimile signatures of individuals who were at any time the proper Officers shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Securities or did not hold such offices at the date of such Securities.

At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Securities of any series executed by the Company to the Trustee for authentication, together with a Company Order for the authentication and delivery of such Securities, and the Trustee in accordance with the Company Order shall authenticate and deliver such Securities. If the form or terms of the Securities of the series have been established in or pursuant to one or more Board Resolutions as permitted by Sections 2.01 and 3.01, in authenticating such Securities, and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating,

(1) if the form of such Securities has been established by or pursuant to Board Resolution as permitted bySection 2.01, that such form has been established in conformity with the provisions of this Indenture;

(2) if the terms of such Securities have been established by or pursuant to Board Resolution as permitted bySection 3.01, that such terms have been established in conformity with the provisions of this Indenture; and

(3) that such Securities, when authenticated and delivered by the Trustee and issued by the Company in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Company enforceable in accordance with their terms, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and this Indenture or otherwise in a manner which is not reasonably acceptable to the Trustee.

Notwithstanding the provisions of Section 3.01 and of the preceding paragraph, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Officer's Certificate otherwise required pursuant to Section 3.01 or the Company Order and Opinion of Counsel otherwise required pursuant to such preceding paragraph at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

Each Security shall be dated the date of its authentication.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Security shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Security to the Trustee for cancellation as provided in Section 3.09, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

Section 3.04 Temporary Securities.

Pending the preparation of definitive Securities of any series, the Company may execute, and upon Company Order the Trustee shall authenticate and deliver, temporary Securities which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Securities in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Securities may determine, as evidenced by their execution of such Securities.

If temporary Securities of any series are issued, the Company will cause definitive Securities of that series to be prepared without unreasonable delay. After the preparation of definitive Securities of such series, the temporary Securities of such series shall be exchangeable for definitive Securities of such series upon surrender of the temporary Securities of such series at the office or agency of the Company in a Place of Payment for that series, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Securities of any series the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor one or more definitive Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor. Until so exchanged the temporary Securities of any series shall in all respects be entitled to the same benefits under this Indenture as definitive Securities of such series and tenor.

Section 3.05 Registration, Registration of Transfer and Exchange.

The Company shall cause to be kept at the Corporate Trust Office of U.S. Bank Trust Company, National Association a register (the register maintained in such office and in any other office or agency of the Company in a Place of Payment being herein sometimes collectively referred to as the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Company shall provide for the registration of Securities and of transfers of Securities. U.S. Bank Trust Company, National Association is hereby appointed "Security Registrar" for the purpose of registering Securities and transfers of Securities as herein provided.

Upon surrender for registration of transfer of any Security of any series at the office or agency in a Place of Payment for that series, the Company shall execute (or through book-entry transfer in the case of Global Securities), and the Trustee shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor.

At the option of the Holder, Securities of any series may be exchanged for other Securities of the same series, of any authorized denominations and of a like aggregate principal amount and tenor, upon surrender of the Securities to be exchanged at such office or agency. Whenever any Securities are so surrendered for exchange, the Company shall execute (or through book-entry transfer in the case of Global Securities), and the Trustee shall authenticate and deliver, the Securities which the Holder making the exchange is entitled to receive.

All Securities issued upon any registration of transfer or exchange of Securities shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Securities surrendered upon such registration of transfer or exchange.

Every Security presented or surrendered for registration of transfer or for exchange shall (if so required by the Company or the Trustee) be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

No service charge shall be made for any registration of transfer or exchange of Securities, but the Company or Security Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer or exchange of Securities, other than exchanges pursuant to Section 3.04, 9.06 or 11.07 not involving any transfer.

The Company shall not be required (1) to issue, register the transfer of or exchange Securities of any series during a period beginning at the opening of business 15 days before the day of the mailing of a notice of redemption of Securities of that series selected for redemption under Section 11.03 and ending at the close of business on the day of such mailing, or (2) to register the transfer of or exchange any Security so selected for redemption in whole or in part, except the unredeemed portion of any Security being redeemed in part.

Notwithstanding any other provision in this Indenture, no Global Security may be transferred to, or registered or exchanged for Securities registered in the name of, any Person other than the Depositary for such Global Security or any nominee thereof, and no such transfer may be registered, unless (1) such Depositary (A) notifies the Company that it is unwilling or unable to continue as Depositary for such Global Security or (B) has ceased to be a clearing agency registered under the Exchange Act, (2) the Company executes and delivers to the Trustee a Company Order that such Global Security shall be so transferable, registrable and exchangeable, and such transfers shall be registrable, (3) there shall have occurred and be continuing an Event of Default with respect to the Securities evidenced by such Global Security or (4) there shall exist such other circumstances, if any, as have been specified for this purpose as contemplated by Section 3.01. Notwithstanding any other provision in this Indenture, a Global Security to which the restriction set forth in the preceding sentence shall have ceased to apply may be transferred only to, and may be registered and exchanged for Securities registered only in the name or names of, such Person or Persons as the Depositary for such Global Security shall have directed and no transfer thereof other than such a transfer may be registered.

Every Security authenticated and delivered upon registration of transfer of, or in exchange for or in lieu of, a Global Security to which the restriction set forth in the first sentence of the preceding paragraph shall apply, whether pursuant to this Section, Section 3.04, 3.06, 9.06 or 11.07 or otherwise, shall be authenticated and delivered in the form of, and shall be, a Global Security.

Section 3.06 Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and deliver in exchange therefor a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a bona fide purchaser, the Company shall execute and the Trustee shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Security, a new Security of the same series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of counsel to the Company and the fees and expenses of the Trustee and its counsel) connected therewith.

Every new Security issued under this Section shall constitute an original additional contractual obligation of the Company, whether or not the mutilated, destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

Section 3.07 Payment of Interest; Interest Rights Preserved.

Except as otherwise provided as contemplated by Section 3.01 with respect to any series of Securities, interest on any Security which is payable, and is punctually paid or duly provided for, on any Interest Payment Date shall be paid to the Person in whose name that Security (or one or more Predecessor Securities) is registered at the close of business on the Regular Record Date for such interest.

Any interest on any Security of any series which is payable, but is not punctually paid or duly provided for, on any Interest Payment Date (herein called "Defaulted Interest") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Interest may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Interest to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Interest proposed to be paid on each Security of such series and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Interest as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Securities of such series at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been so mailed, such Defaulted Interest shall be paid to the Persons in whose names the Securities of such series (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Interest on the Securities of any series in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Securities may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

Subject to the foregoing provisions of this Section, each Security delivered under this Indenture upon registration of transfer of or in exchange for or in lieu of any other Security shall carry the rights to interest accrued and unpaid, and to accrue, which were carried by such other Security.

Section 3.08 Persons Deemed Owners

Prior to due presentment of a Security for registration of transfer, the Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name such Security is registered as the owner of such Security for the purpose of receiving payment of principal of and any premium and (subject to Section 3.07) any interest on such Security and for all other purposes whatsoever, whether or not such Security be overdue, and neither the Company, the Trustee nor any agent of the Company or the Trustee shall be affected by notice to the contrary.

Section 3.09 Cancellation.

All Securities surrendered for payment, redemption, registration of transfer or exchange or for credit against any sinking fund payment shall, if surrendered to any Person other than the Trustee, be delivered to the Trustee and shall be promptly cancelled by it. The Company may at any time deliver to the Trustee for cancellation any Securities previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee (or to any other Person for delivery to the Trustee) for cancellation any Securities previously authenticated hereunder which the Company has not issued and sold, and all Securities so delivered shall be promptly cancelled by the Trustee. No Securities shall be authenticated in lieu of or in exchange for any Securities cancelled as provided in this Section, except as expressly permitted by this Indenture. All cancelled Securities held by the Trustee shall be disposed of by the Trustee in its customary manner.

Section 3.10 Computation of Interest.

Except as otherwise specified as contemplated by Section 3.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

Section 3.11 CUSIP Numbers.

The Company in issuing the Securities may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Company will promptly notify the Trustee of any changes in the “CUSIP” numbers.

ARTICLE IV

SATISFACTION AND DISCHARGE

Section 4.01 Satisfaction and Discharge of Indenture.

This Indenture, with respect to the Securities of any series (if all series issued under this Indenture are not to be affected), shall, upon Company Request, cease to be of further effect (except as to any surviving rights of registration of transfer or exchange of such Securities herein expressly provided for), and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture as to such series, when

(1) either

(A) all Securities of such series theretofore authenticated and delivered (other than (i) Securities of such series which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 3.06 and (ii) Securities of such series for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Company and thereafter repaid to the Company or discharged from such trust, as provided in Section 10.03) have been delivered to the Trustee for cancellation; or

(B) all Securities of such series not delivered to the Trustee for cancellation

(i) have become due and payable, or

(ii) will become due and payable at their Stated Maturity within one year, or

(iii) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company, in the case of (i), (ii) or (iii) above, has deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose an amount sufficient to pay and discharge the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and any premium and interest to the date of such deposit (in the case of Securities which have become due and payable) or to the Stated Maturity or Redemption Date, as the case may be;

(2) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and

(3) the Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to such series have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any series of Securities, the obligations of the Company to the Trustee with respect to the Securities of such series under Section 6.07, and, if money shall have been deposited with the Trustee pursuant to subclause (B) of Clause (1) of this Section, the obligations of the Trustee with respect to the Securities of such series under Section 4.02 and the last paragraph of Section 10.03 shall survive such satisfaction and discharge.

Section 4.02 Application of Trust Money.

Subject to the provisions of the last paragraph of Section 10.03, all money deposited with the Trustee pursuant toSection 4.01 shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Persons entitled thereto, of the principal and any premium and interest for whose payment such money has been deposited with the Trustee.

ARTICLE V

REMEDIES

Section 5.01 Events of Default.

"Event of Default", wherever used herein or in a Security issued hereunder with respect to Securities of any series, means any one of the following events (whatever the reason for such Event of Default and whether it shall be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(1) default in the payment of any interest upon any Security of that series when it becomes due and payable, and continuance of such default for a period of 30 days; or

(2) default in the payment of the principal of (or premium, if any, on) any Security of that series when due; or

(3) default in the deposit of any sinking fund payment, when and as due by the terms of a Security of that series, and continuance of such default for a period of 30 days; or

(4) default in the performance, or breach, of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Securities other than that series), and continuance of such default or breach for a period of 90 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in principal amount of the Outstanding Securities of that series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a "Notice of Default" hereunder; or

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

(6) the commencement by the Company of a voluntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or of any other case or proceeding to be adjudicated a bankrupt or insolvent, or the consent by it to the entry of a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or to the commencement of any bankruptcy or insolvency case or proceeding against it, or the filing by it of a petition or answer or consent seeking reorganization or relief under any applicable Federal or State law, or the consent by it to

the filing of such petition or to the appointment of or taking possession by a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or the making by it of an assignment for the benefit of creditors, or the admission by it in writing of its inability to pay its debts generally as they become due, or the taking of corporate action by the Company in furtherance of any such action; or

(7) any other Event of Default provided with respect to Securities of that series.

Section 5.02 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Securities of any series at the time Outstanding occurs and is continuing, then in every such case the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Securities of that series may declare the principal amount (or, if any of the Securities of that series are Original Issue Discount Securities, such portion of the principal amount of such Securities as may be specified in the terms thereof) of all of the Securities of that series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) shall become immediately due and payable.

At any time after such a declaration of acceleration with respect to Securities of any series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Securities of that series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue interest on all Securities of that series,

(B) the principal of (and premium, if any, on) any Securities of that series which have become due otherwise than by such declaration of acceleration and any interest thereon at the rate or rates prescribed therefor in such Securities,

(C) to the extent that payment of such interest is lawful, interest upon overdue interest at the rate or rates prescribed therefor in such Securities, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Securities of that series, other than thenon-payment of the principal of Securities of that series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

(1) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the payment of the principal of (or premium, if any, on) any Security at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and any premium and interest and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and premium and on any overdue interest, at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If an Event of Default with respect to Securities of any series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such series by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04 Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Securities), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any Custodian or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

Section 5.05 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

Section 5.06 Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of principal or any premium or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for principal of and any premium and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and any premium and interest, respectively; and

THIRD: To the Company.

Section 5.07 Limitation on Suits.

No Holder of any Security of any series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a Custodian, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that series;

(2) the Holders of not less than 25% in principal amount of the Outstanding Securities of that series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such60-day period by the Holders of a majority in principal amount of the Outstanding Securities of that series; it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

Section 5.08 Unconditional Right of Holders to Receive Principal, Premium and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and any premium and (subject to Section 3.07) interest on such Security on the respective Stated Maturities expressed in such Security (or, in the case of redemption, on the Redemption Date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 5.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12 Control by Holders.

The Holders of a majority in principal amount of the Outstanding Securities of any series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such series, provided that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) subject to the provisions of Section 6.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine, that the proceedings so directed would involve the Trustee in personal liability.

Section 5.13 Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Securities of any series may on behalf of the Holders of all the Securities of such series waive any past default hereunder with respect to such series and its consequences, except a default

(1) in the payment of the principal of or any premium or interest on any Security of such series, or

(2) in respect of a covenant or provision hereof which under Article IX cannot be modified or amended without the consent of the Holder of each Outstanding Security of such series affected.

Upon any such waiver, such default shall cease to exist and be deemed to not have occurred, and any Event of Default arising therefrom shall be deemed to have been cured and not have occurred, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 5.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; provided that neither this Section nor the Trust Indenture Act shall apply to any suit instituted by the Trustee, to any suit instituted by any Holders of the Securities, or group of Holders of the Securities, holding in the aggregate more than 10% of principal amount of the Outstanding Securities of any series, or to any suit instituted by any Holder of the Outstanding Securities for the enforcement of the payment of principal of or interest on any Outstanding Securities held by such Holder, on or after the respective due dates expressed in such Outstanding Securities, and provided, further, that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE VI

Section 6.01 Duties of Trustee.

(a) If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(b) Except during the continuance of an Event of Default:

(1) The Trustee need perform only those duties as are specifically set forth in this Indenture and no others, and no covenants or obligations shall be implied in or read into this Indenture.

(2) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture. However, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they substantially conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (b) of this Section 6.01.

(2) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or to take or omit to take any action under this Indenture.

(e) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraphs (a), (b), (c), (d) and (f) of this Section 6.01.

(d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers.

(e) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, notice, request, direction, consent, order, bond, debenture, or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such investigation.

(f) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Holders, pursuant to the provisions of this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to it against the costs, expenses and liabilities which may be incurred therein or thereby.

(g) The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection of any action taken, suffered or omitted by in hereunder in good faith and in reliance thereon.

(i) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, Custodian and other Person employed to act hereunder.

(k) The Trustee shall not be liable for any indirect, punitive, special or consequential losses or damages (including but not limited to lost profits) whatsoever, even if it has been informed of the likelihood thereof and regardless of the form of action.

Section 6.03 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company, its Subsidiaries, or their respective Affiliates with the same rights it would have if it were not Trustee. Any Paying Agent or Security Registrar may do the same with like rights. However, the Trustee must comply with Sections 6.08, 6.09 and 6.10.

Section 6.04 Trustee's Disclaimer.

The Trustee makes no representation as to the validity or adequacy of this Indenture or the Securities and it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement in the Securities, other than the Trustee's certificate of authentication, or the use or application of any funds received by a Paying Agent other than the Trustee.

Section 6.05 Notice of Default.

If an Event of Default with respect to Securities of any series occurs and is continuing and if it is known to the Trustee, the Trustee shall mail to each Holder of Securities of such series notice of the uncured Event of Default within 90 days after such Event of Default occurs. Except in the case of an Event of Default in payment of principal (or premium, if any) of, or interest on, any Security, the Trustee may withhold the notice if and so long as a Responsible Officer in good faith determines that withholding the notice is in the interest of the Holders of Securities of such series.

Section 6.06 Reports by Trustee to Holders.

Within 60 days after each December 31 beginning with the December 31 following the date of this Indenture, the Trustee shall mail to each Holder a brief report dated as of such December 31 that complies with Trust Indenture Act Section 313(a) if such report is required by such Trust Indenture Act Section 313(a). The Trustee also shall comply with Trust Indenture Act Sections 313(b) and 313(c).

The Company shall promptly notify the Trustee in writing if the Securities of any series become listed on any stock exchange or automatic quotation system.

A copy of each report at the time of its mailing to Holders shall be mailed to the Company and filed with the Commission and each stock exchange, if any, on which the Securities are listed.

Section 6.07 Compensation and Indemnity.

The Company shall pay to the Trustee from time to time such compensation for its services as the Company and the Trustee shall from time to time agree in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable disbursements, expenses and advances incurred or made by it. Such expenses shall include the reasonable compensation, disbursements and expenses of the Trustee's agents, accountants, experts and counsel.

The Company shall indemnify each of the Trustee (in its capacity as Trustee) and any predecessor Trustee and each of their respective officers, directors, attorneys-in-fact and agents for, and hold it harmless against, any claim, demand, expense (including but not limited to reasonable compensation, disbursements and expenses of the Trustee's agents and counsel), loss, charges (including taxes (other than taxes based upon the income of the Trustee)) or liability incurred by them without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust and their rights or duties hereunder including the reasonable costs and expenses of defending themselves against any claim or liability in connection with the exercise or performance of any of its powers or duties hereunder. The Trustee shall notify the Company promptly of any claim asserted against the Trustee for which it may seek indemnity. At the request of the Trustee, the Company shall defend the claim and the Trustee shall provide reasonable cooperation at the Company's expense in the defense. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its written consent which consent shall not be unreasonably withheld. The Company need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee as determined by a final, non-appealable, judgment of a court of competent jurisdiction to have been caused by its own negligence, bad faith or willful misconduct.

To secure the Company's payment obligations in this Section 6.07, the Trustee shall have a lien prior to the Securities on all assets held or collected by the Trustee, in its capacity as Trustee, except assets held in trust to pay principal and premium, if any, of or interest on particular Securities.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 5.01(5) or (6) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The Company's obligations under this Section 6.07 and any lien arising hereunder shall survive the resignation or removal of the Trustee, the discharge of the Company's obligations pursuant to Article IV of this Indenture and any rejection or termination of this Indenture under any Bankruptcy Law.

Section 6.08 Replacement of Trustee.

The Trustee may resign at any time with respect to the Securities of one or more series by so notifying the Company in writing. The Holder or Holders of a majority in principal amount of the outstanding Securities of a series may remove the Trustee with respect to Securities of such series by so notifying the Company and the Trustee in writing and may appoint a successor trustee with respect to Securities of such series with the Company's consent. The Company may remove the Trustee if:

(1) the Trustee fails to comply with Section 6.10;

(2) the Trustee is adjudged bankrupt or insolvent;

(3) a Custodian, or other public officer takes charge of the Trustee or its property; or

(4) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee, with respect to the Securities of one or more series, for any reason, the Company shall promptly appoint a successor Trustee, with respect to Securities of that or those series. Within one year after the successor Trustee with respect to a series of Securities takes office, the Holder or Holders of a majority in principal amount of the Securities of such series may appoint a successor Trustee with respect to such series to replace the successor Trustee appointed by the Company.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after that and provided that all sums owing to the Trustee provided for in Section 6.07 have been paid, the retiring Trustee shall transfer all property held by it as Trustee with respect to such series of Securities to the successor Trustee, subject to the lien provided in Section 6.07, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee with respect to one or more series of Securities shall mail notice of its succession to each Holder of Securities of that or those series.

If a successor Trustee with respect to a series of Securities does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holder or Holders of at least 10% in principal amount of the outstanding Securities of that series may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee with respect to such series.

If the Trustee fails to comply with Section 6.10, any Holder of Securities of a series may petition any court of competent jurisdiction for the removal of the Trustee with respect to such series and the appointment of a successor Trustee with respect to such series.

Notwithstanding replacement of the Trustee pursuant to this Section 6.08, the Company's obligations under Section 6.07 shall continue for the benefit of the retiring Trustee.

Section 6.09 Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the resulting, surviving or transferee corporation without any further act shall, if such resulting, surviving or transferee corporation is otherwise eligible hereunder, be the successor Trustee.

Section 9.02 Supplemental Indentures with Consent of Holders.

With the consent of the Holders of not less than a majority in principal amount of the Outstanding Securities of each series affected by such supplemental indenture, by Act of said Holders delivered to the Company and the Trustee, the Company, when authorized by a Board Resolution, and the Trustee may enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or modifying in any manner the rights of the Holders of Securities of such series under this Indenture; provided, however, that no such supplemental indenture shall, without the consent of the Holder of each Outstanding Security affected thereby,

(1) change the Stated Maturity of the principal of, or any installment of principal of or interest on, any Security, or reduce the principal amount thereof or the rate of interest or the time of payment of interest thereon or any premium payable upon the redemption thereof, or reduce the amount of the principal of an Original Issue Discount Security that would be due and payable upon a declaration of acceleration of the Maturity thereof pursuant to Section 5.02, or change the coin or currency in which any Security or any premium or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof (or, in the case of redemption, on or after the Redemption Date), or

(2) reduce the percentage in principal amount of the Outstanding Securities of any series, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences) provided for in this Indenture, or

(3) modify any of the provisions of this Section or Section 5.13 or Section 10.06, except to increase any such percentage or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Security affected thereby, or

(4) change any obligation of the Company to pay additional amounts, or

(5) adversely affect the right of repayment or repurchase at the option of the Holder, or

(6) reduce or postpone any sinking fund or similar provision.

A supplemental indenture which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular series of Securities, or which modifies the rights of the Holders of Securities of such series with respect to such covenant or other provision, shall be deemed not to affect the rights under this Indenture of the Holders of Securities of any other series.

It shall not be necessary for any Act of Holders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such Act shall approve the substance thereof.

Section 9.03 Execution of Supplemental Indentures.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 6.01) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee may, but shall not be obligated to, enter into any such supplemental indenture which affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 9.04 Effect of Supplemental Indentures.

Upon the execution of any supplemental indenture under this Article, this Indenture shall be modified in accordance therewith, and such supplemental indenture shall form a part of this Indenture for all purposes; and every Holder of Securities theretofore or thereafter authenticated and delivered hereunder shall be bound thereby.

Section 9.05 Conformity with Trust Indenture Act.

Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act.

Section 9.06 Reference in Securities to Supplemental Indentures.

Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to this Article may, and shall if required by the Trustee, bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. If the Company shall so determine, new Securities of any series so modified as to conform, in the opinion of the Trustee and the Company, to any such supplemental indenture may be prepared and executed by the Company and authenticated and delivered by the Trustee in exchange for Outstanding Securities of such series.

ARTICLE X

COVENANTS.

Section 10.01 Payment of Principal, Premium and Interest.

The Company covenants and agrees for the benefit of each series of Securities that it will duly and punctually pay the principal of and any premium and interest on the Securities of that series in accordance with the terms of the Securities and this Indenture.

Section 10.02 Maintenance of Office or Agency.

The Company will maintain in each Place of Payment for any series of Securities an office or agency where Securities of that series may be presented or surrendered for payment, where Securities of that series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of that series and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Securities of one or more series may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Securities of any series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 10.03 Money for Securities Payments to Be Held in Trust

If the Company shall at any time act as its own Paying Agent with respect to any series of Securities, it will, on or before each due date of the principal of or any premium or interest on any of the Securities of that series, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal and any premium and interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for any series of Securities, it will, on or prior to each due date of the principal of or any premium or interest on any Securities of that series, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent for any series of Securities other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (2) during the continuance of any default by the Company (or any other obligor upon the Securities of that series) in the making of any payment in respect of the Securities of that series, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Securities of that series.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust hereunder by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent; and, upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the principal of or any premium or interest on any Security of any series and remaining unclaimed for two years after such principal, premium or interest has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Security shall thereafter, as an unsecured general creditor, look

only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

Section 10.04 Statement by Officers as to Default.

The Company will deliver to the Trustee, within 120 calendar days after the end of each fiscal year (beginning with the fiscal year ending December 31, 2024), an Officer's Certificate, stating whether or not to the best knowledge of the signers thereof the Company is in default in the performance and observance of any of the terms, provisions and conditions of this Indenture.

Section 10.05 Waiver of Certain Covenants.

Except as otherwise specified as contemplated by Section 3.01 for Securities of such series, the Company may, with respect to the Securities of any series, omit in any particular instance to comply with any term, provision or condition set forth in any covenant provided pursuant to Section 3.01(16) or 9.01(2) for the benefit of the Holders of such series if before the time for such compliance the Holders of not less than a majority in principal amount of the Outstanding Securities of such series shall, by Act of such Holders, either waive such compliance in such instance or generally waive compliance with such term, provision or condition, but no such waiver shall extend to or affect such term, provision or condition except to the extent so expressly waived, and, until such waiver shall become effective, the obligations of the Company and the duties of the Trustee in respect of any such term, provision or condition shall remain in full force and effect.

Section 10.06 Reports by Company.

The Company shall comply with all of the applicable provisions of the Trust Indenture Act. Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

ARTICLE XI

REDEMPTION OF SECURITIES

Section 11.01 Applicability of Article.

Securities of any series which are redeemable before their Stated Maturity shall be redeemable in accordance with their terms and (except as otherwise specified as contemplated by Section 3.01 for Securities of any series) in accordance with this Article.

Section 11.02 Election to Redeem; Notice to Trustee.

The election of the Company to redeem any Securities shall be evidenced by a Board Resolution. In case of any redemption at the election of the Company of less than all the Securities of any series, the Company shall, at least 10 days prior to the Redemption Date fixed by the Company (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee of such Redemption Date, of the principal amount of Securities of such series to be redeemed and, if applicable, of the tenor of the Securities to be redeemed. In the case of any redemption of Securities prior to the expiration of any restriction on such redemption provided in the terms of such Securities or elsewhere in this Indenture, the Company shall furnish the Trustee with an Officer's Certificate evidencing compliance with such restriction.

Section 11.03 Selection by Trustee of Securities to Be Redeemed

If less than all the Securities of any series are to be redeemed (unless all of the Securities of such series and of a specified tenor are to be redeemed), the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series not previously called for redemption, by such method as the Trustee shall deem fair and appropriate and which may provide for the selection for redemption of portions (equal to the minimum authorized denomination for Securities of that series or any integral multiple authorized for Securities of that series) of the principal amount of Securities of such series of a denomination larger than the minimum authorized denomination for Securities of that series. If less than all of the Securities of such series and of a specified tenor are to be redeemed, the particular Securities to be redeemed shall be selected not more than 60 days prior to the Redemption Date by the Trustee, from the Outstanding Securities of such series and specified tenor not previously called for redemption in accordance with the preceding sentence.

The Trustee shall promptly notify the Company in writing of the Securities selected for redemption and, in the case of any Securities selected for partial redemption, the principal amount thereof to be redeemed.

For all purposes of this Indenture, unless the context otherwise requires, all provisions relating to the redemption of Securities shall relate, in the case of any Securities redeemed or to be redeemed only in part, to the portion of the principal amount of such Securities which has been or is to be redeemed.

Section 11.04 Notice of Redemption.

Notice of redemption shall be given not less than 10 nor more than 60 days prior to the Redemption Date, to each Holder of Securities to be redeemed, at his address appearing in the Security Register or delivered as required by the Depositary.

All notices of redemption shall state:

(1) the Redemption Date,

(2) the Redemption Price,

(3) if less than all the Outstanding Securities of any series are to be redeemed, the identification (and, in the case of partial redemption of any Securities, the principal amounts) of the particular Securities to be redeemed,

(4) that on the Redemption Date the Redemption Price will become due and payable upon each such Security to be redeemed and, if applicable, that interest thereon will cease to accrue on and after said date,

(5) the place or places where such Securities are to be surrendered for payment of the Redemption Price,

(6) that the redemption is for a sinking fund, if such is the case, and

(7) applicable CUSIP Numbers.

Notice of redemption of Securities to be redeemed at the election of the Company shall be given by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company and shall be irrevocable.

Section 11.05 Deposit of Redemption Price.

Prior to any Redemption Date, the Company shall deposit with the Trustee or with a Paying Agent (or, if the Company is acting as its own Paying Agent, the Company will segregate and hold in trust as provided in Section 10.03) an amount of money sufficient to pay the Redemption Price of, and (except if the Redemption Date shall be an Interest Payment Date) accrued interest on, all the Securities which are to be redeemed on that date.

Section 11.06 Securities Payable on Redemption Date.

Notice of redemption having been given as aforesaid, the Securities so to be redeemed shall, on the Redemption Date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Company shall default in the payment of the Redemption Price and accrued interest) such Securities shall cease to bear interest. Upon surrender of any such Security for redemption in accordance with said notice, such Security shall be paid by the Company at the Redemption Price, together with accrued interest to the Redemption Date; provided, however, that, unless otherwise specified as contemplated by Section 3.01, installments of interest whose Stated Maturity is on or prior to the Redemption Date shall be payable to the Holders of such Securities, or one or more Predecessor Securities, registered as such at the close of business on the relevant Record Dates according to their terms and the provisions of Section 3.07.

If any Security called for redemption shall not be so paid upon surrender thereof for redemption, the principal and any premium shall, until paid, bear interest from the Redemption Date at the rate prescribed therefor in the Security.

Section 11.07 Securities Redeemed in Part.

Any Security which is to be redeemed only in part shall be surrendered at a Place of Payment therefor (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing), and the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Security without service charge, a new Security or Securities of the same series and of like tenor, of any authorized denomination as requested by such Holder, in aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Security so surrendered.

ARTICLE XII

SINKING FUNDS

Section 12.01 Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of Securities of a series except as otherwise specified as contemplated by Section 3.01 for Securities of such series.

The minimum amount of any sinking fund payment provided for by the terms of Securities of any series is herein referred to as a "mandatory sinking fund payment", and any payment in excess of such minimum amount provided for by the terms of Securities of any series is herein referred to as an "optional sinking fund payment". If provided for by the terms of Securities of any series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 12.02. Each sinking fund payment shall be applied to the redemption of Securities of any series as provided for by the terms of Securities of such series.

Section 12.02 Satisfaction of Sinking Fund Payments with Securities.

The Company (1) may deliver Outstanding Securities of a series (other than any previously called for redemption) and (2) may apply as a credit Securities of a series which have been redeemed either at the election of the Company pursuant to the terms of such Securities or through the application of permitted optional sinking fund payments pursuant to the terms of such Securities, in each case in satisfaction of all or any part of any sinking fund payment with respect to the Securities of such series required to be made pursuant to the terms of such Securities as provided for by the terms of such series; provided that such Securities have not been previously so credited. Such Securities shall be received and credited for such purpose by the Trustee at the Redemption Price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly.

Section 12.03 Redemption of Securities for Sinking Fund.

Not less than 10 days prior to each sinking fund payment date for any series of Securities, the Company will deliver to the Trustee an Officer's Certificate specifying the amount of the next ensuing sinking fund payment for that series pursuant to the terms of that series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting Securities of that series pursuant to Section 12.02 and will also deliver to the Trustee any Securities to be so delivered. Not less than 10 days before each such sinking fund payment date the Trustee shall select the Securities to be redeemed upon such sinking fund payment date in the manner specified in Section 11.03 and cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 11.04. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 11.06 and 11.07.

ARTICLE XIV

DEFEASANCE AND COVENANT DEFEASANCE

Section 14.01 Company's Option to Effect Defeasance or Covenant Defeasance.

The Company may elect, at its option by Board Resolution at any time, to have either Section 14.02 or Section 14.03 applied to the Outstanding Securities of any series designated pursuant to Section 3.01 as being defeasible pursuant to this Article XIV (hereinafter called a "Defeasible Series"), upon compliance with the conditions set forth below in this Article XIV.

Section 14.02 Defeasance and Discharge.

Upon the Company's exercise of the option provided in Section 14.01 to have this Section 14.02 applied to the Outstanding Securities of any Defeasible Series and subject to the proviso to Section 14.01, the Company shall be deemed to have been discharged from its obligations with respect to the Outstanding Securities of such series as provided in this Section on and after the date the conditions set forth in Section 14.04 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Securities of such series and to have satisfied all its other obligations under the Securities of such series and this Indenture insofar as the Securities of such series are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), subject to the following which shall survive until otherwise terminated or discharged hereunder: (1) the rights of Holders of Securities of such series to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments in respect of the principal of and any premium and interest on such Securities of such series when payments are due, (2) the Company's obligations with respect to the Securities of such series under Sections 3.04, 3.05, 3.06, 10.02 and 10.03, (3) the rights, powers, trusts, duties and immunities of the Trustee hereunder and (4) this Article XIV. Subject to compliance with this Article XIV, the Company may exercise its option provided in Section 14.01 to have this Section 14.02 applied to the Outstanding Securities of any Defeasible Series notwithstanding the prior exercise of its option provided in Section 14.01 to have Section 14.03 applied to the Outstanding Securities of such series. Following a Defeasance, payment of such Securities may not be accelerated because of an Event of Default.

Section 14.03 Covenant Defeasance.

Upon the Company's exercise of the option provided in Section 14.01 to have this Section 14.03 applied to the Outstanding Securities of any Defeasible Series, (1) the Company shall be released from its obligations under any covenants provided pursuant to Section 3.01(17) or Section 9.01(2) with respect to any Securities or any series of Securities for the benefit of the Holders of such Securities, and Section 8.01, as applicable, and (2) the occurrence of any event specified in Sections 5.01(3), 5.01(4) (with respect to Section 8.01, any such covenants provided pursuant to Section 3.01(17) or Section 9.01(2)), 5.01(7) shall be deemed not to be or result in an Event of Default, in each case with respect to the Outstanding Securities of such series as provided in this Section on and after the date the conditions set forth in Section 14.04 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that, with respect to such Securities, the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any covenants added for the benefit of the Securities of such series pursuant to any such specified Section (to the extent so specified in the case of Section 5.01(4)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and the Securities of such series shall be unaffected thereby.

Section 14.04 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to application of either Section 14.02 or Section 14.03 to the Outstanding Securities of any Defeasible Series:

(1) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of Outstanding Securities of such series, (A) money in an amount, or (B) U.S. Government Obligations that through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than one day before the due date of any payment, money in an amount, or (C) a combination thereof, in each case sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and any premium and interest on the Securities of such series on the respective Stated Maturities, in accordance with the terms of this Indenture and the Securities of such series.

(2) In the case of an election under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date first set forth hereinabove, there has been a change in the applicable Federal income tax law, in either case (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the Holders of the Outstanding Securities of such series will not recognize gain or loss for Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to the Securities of such series and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) In the case of an election under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of the Outstanding Securities of such series will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to the Securities of such series and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) No Event of Default or event that (after notice or lapse of time or both) would become an Event of Default shall have occurred and be continuing at the time of such deposit or, with regard to any Event of Default or any such event specified in Sections 5.01(5) and (6), at any time on or prior to the 90th day after the date of such deposit (it being understood that this condition shall not be deemed satisfied until after such 90th day).

(5) Such Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act (assuming all Securities are in default within the meaning of such Act).

(6) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any other material agreement or instrument to which the Company is a party or by which it is bound.

(7) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

Section 14.05 Deposited Money and U.S. Government Obligations to be Held in Trust; Other Miscellaneous Provisions

Subject to Section 10.03, all money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section and Section 14.06, the Trustee and any such other trustee are referred to collectively as the "Trustee") pursuant to Section 14.04 in respect of the Securities of any Defeasible Series shall be held in trust and applied by the Trustee, in accordance with the provisions of the Securities of such series and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of Securities of such series, of all sums due and to become due thereon in respect of principal and any premium and interest, but money so held in trust need not be segregated from other funds except to the extent required by law.

The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 14.04 or the principal and interest received in respect thereof other than any such tax, fee or other charge that by law is for the account of the Holders of Outstanding Securities.

Anything in this Article XIV to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money or U.S. Government Obligations held by it as provided in Section 14.04 with respect to Securities of any Defeasible Series that, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Defeasance or Covenant Defeasance with respect to the Securities of such series.

Section 14.06 Reinstatement.

If the Trustee or the Paying Agent is unable to apply any money in accordance with thisArticle XIV with respect to the Securities of any series by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, then the Company's obligations under this Indenture and the Securities of such series shall be revived and reinstated as though no deposit had occurred pursuant to this Article XIV with respect to Securities of such series until such time as the Trustee or Paying Agent is permitted to apply all money held in trust pursuant to Section 14.05 with respect to Securities of such series in accordance with thisArticle XIV; provided, however, that if the Company makes any payment of principal of or any premium or interest on any Security of such series following the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of Securities of such series to receive such payment from the money so held in trust.

ARTICLE XV

MISCELLANEOUS

The parties may sign any number of copies of this Indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture as to the parties hereto and may be used in lieu of the original Indenture for all purposes. (b) The Notes will initially be issued as Component Notes in substantially the form of Attachment 4 to the form of Global Unit attached as Exhibit A to the Purchase Contract Agreement, with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by the Indenture, and may have such letters, numbers or other marks of identification and such legends or endorsements placed thereon as may be required to comply with the rules of any securities exchange or as may, consistently herewith, be determined by the officers of the Company executing such Notes, as evidenced by their execution of the Notes. The Notes will initially be attached to the related Global Unit and registered in the name of U.S. Bank Trust Company, National Association, as attorney-in-fact of the holder(s) of such Global Unit.

(c) Holders of Units have the right to separate such Units into their constituent parts, consisting of Separate Purchase Contracts and Separate Notes, during the times, and under the circumstances, described in Section 2.03 of the Purchase Contract Agreement. Upon separation of any Unit into its constituent parts, (i) if such Unit is a Global Unit, the Separate Notes will initially be evidenced by a Global Note (the "**Global Note**") in substantially the form of Exhibit A hereto, which is incorporated into and shall be deemed a part of this Supplemental Indenture, and deposited with the Trustee as custodian for the Depositary and registered in the name of the Depositary or its nominee, or (ii) if such Unit is in definitive, registered form, the Separate Notes will be evidenced by Certificated Notes in substantially the form of Exhibit A hereto, in each case, as provided in Section 2.03 of the Purchase Contract Agreement. (d) The Global Note representing Separate Notes (which shall initially have a balance of zero Notes) shall be registered in the name of Cede & Co., as nominee of the Depositary and delivered to the Trustee, as custodian for the Depositary. (c) Each Installment Payment shall constitute a payment of interest (at a rate of [•]% per annum) and a partial repayment of principal on the Notes, allocated with respect to each Note as set forth in the schedule below:

[•], 2026	$ [•]	$ [•]
[•], 2027	$ [•]	$ [•]

(d) Each Installment Payment for any Installment Payment Period shall be computed on the basis of a 360-day year of twelve 30-day months. If an Installment Payment is payable for any period shorter or longer than a full Installment Payment Period, such Installment Payment shall be computed on the basis of the actual number of days elapsed per 30-day month. Furthermore, if any date on which an Installment Payment is payable is not a Business Day, then payment of the Installment Payment on such date shall be made on the next succeeding day that is a Business Day, and without any interest or other payment in respect of any such delay.

Any Installment Payment on any Note which is payable, but is not punctually paid or duly provided for, on any Installment Payment Date (herein called "**Defaulted Installment Payment**") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Installment Payment may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Installment Payment to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Installment Payment, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of Defaulted Installment Payment proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Installment Payment or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Installment Payment as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Installment Payment which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the

proposed payment of such Defaulted Installment Payment and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Notes at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Installment Payment and the Special Record Date therefor having been so mailed, such Defaulted Installment Payment shall be paid to the Persons in whose names the Notes (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Installment Payment on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

Section 2.03. Maturity Date. The date on which the final Installment Payment on the Notes shall be due, unless the Notes are accelerated pursuant to the terms hereof or otherwise paid prior to Maturity in connection with a Holder's exercise of the Repurchase Right, shall be the Maturity Date.

Section 2.04. Right to Exchange or Register a Transfer (a) The Company shall not be required to exchange or register a transfer of any Note if the Holder thereof has exercised his, her or its right, if any, to require the Company to repurchase such Note in whole or in part, except the portion of such Note not required to be repurchased.

(b) For purposes of any Note that constitutes part of a Unit, Section 3.05 of the Base Indenture (as modified by this Supplemental Indenture) shall be subject to the provisions of the Purchase Contract Agreement.

(c) Notwithstanding anything to the contrary in the Base Indenture, if:

(i) the Depositary is at any time unwilling or unable to continue as depositary for the Global Notes or ceases to be a Clearing Agency registered under the Exchange Act, and a successor Depositary registered as a Clearing Agency under the Exchange Act is not appointed by the Company within 90 days; or

(ii) an Event of Default has occurred and is continuing and a Beneficial Holder requests that its Notes be issued in physical, certificated form,

then, in each case the Company shall execute, and the Trustee, upon receipt of a Company Order for the authentication and delivery of Certificated Notes, shall authenticate and deliver Certificated Notes representing an aggregate principal amount of Notes with respect to the Global Note or Notes representing such Notes (or representing an aggregate principal amount of Notes equal to the aggregate principal amount of Notes in respect of which such Beneficial Holder has requested the issuance of Certificated Notes pursuant to clause (ii) above) in exchange for such Global Note or Notes (or portion thereof). Each Certificated Note so delivered shall evidence Notes of the same kind and tenor as the Global Note so surrendered in respect thereof.

(1) default in the payment of any Installment Payment on any Notes as and when the same shall become due and payable and continuance of such failure for a period of 30 days; or

(2) default in the payment of the Repurchase Price of any Notes when the same shall become due and payable; or

(3) failure by the Company to give notice of a Fundamental Change pursuant to Section 4.07 of the Purchase Contract Agreement when due and continuance of such failure for a period of five Business Days; or

(4) failure by the Company to comply with any of its other agreements or covenants in, or provisions of, the Notes or this Indenture (other than a covenant or warranty a default in whose performance or whose breach is elsewhere in this Section specifically dealt with or which has expressly been included in this Indenture solely for the benefit of series of Notes other than the Notes), and such failure continues for the period and after the notice specified in Section 5.02, subject to extension pursuant to Section 5.16; or

(5) the entry by a court having jurisdiction in the premises of (A) a decree or order for relief in respect of the Company in an involuntary case or proceeding under any applicable Federal or State bankruptcy, insolvency, reorganization or other similar law or (B) a decree or order adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization, arrangement, adjustment or composition of or in respect of the Company under any applicable Federal or State law, or appointing a custodian, receiver, liquidator, assignee, trustee, sequestrator or other similar official of the Company or of any substantial part of its property, or ordering the winding up or liquidation of its affairs, and the continuance of any such decree or order for relief or any such other decree or order unstayed and in effect for a period of 60 consecutive days; or

Section 5.02 Acceleration of Maturity; Rescission and Annulment.

A default as described in Section 5.01(4) will not be deemed an Event of Default until the Trustee notifies the Company, or the Holders of not less than 25% in principal amount of the Outstanding Notes notify the Company in writing and the Trustee, of the default and the Company does not cure the default within 90 calendar days after receipt of such notice. The notice must reference the Company, as issuer, the Units and this Indenture and specify the default, demand that it be remedied and state that the notice is a "Notice of Default." If such a default is cured within such time period, it ceases.

If an Event of Default with respect to Notes at the time Outstanding (other than an Event of Default described in Section 5.01(5) or Section 5.01(6)) occurs and is continuing, either the Trustee or the Holders of not less than 25% in principal amount of the Outstanding Notes may, by written notice to the Company (and to the Trustee if given by Holders), declare all Notes to be due and payable immediately. Upon such declaration of acceleration, all future, scheduled Installment Payments on the Notes will be due and payable immediately. If an Event of Default described in Section 5.01(5) or Section 5.01(6) occurs and is continuing, such amount will automatically become due and payable without any declaration, notice or other act on the part of the Trustee or any Holders.

At any time after such a declaration of acceleration with respect to Notes has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the Outstanding Notes, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if:

(1) the Company has paid or deposited with the Trustee a sum sufficient to pay

(A) all overdue Installment Payments on all Notes,

(B) the Repurchase Price on any Notes which have become due otherwise than by such declaration of acceleration and any interest thereon at the rate or rates prescribed therefor in such Notes,

(C) to the extent that payment of such interest is lawful, interest upon overdue Repurchase Price and Installment Payments at the rate or rates prescribed therefor in such Notes, and

(D) all sums paid or advanced by the Trustee hereunder and the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel; and

(2) all Events of Default with respect to Notes, other than thenon-payment of the Repurchase Price of Notes which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 5.13.

No such rescission shall affect any subsequent default or impair any right consequent thereon.

Section 5.03 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

(1) default is made in the payment of any Installment Payments on any Note when such Installment Payment becomes due and payable and such default continues for a period of 30 days, or

(2) default is made in the Repurchase Price of any Note at the Maturity thereof,

the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Notes, the whole amount then due and payable on such Notes for the Repurchase Price and Installment Payments and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue Repurchase Price or Installment Payments, at the rate or rates prescribed therefor in such Notes, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If an Event of Default with respect to the Notes occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Notes by such appropriate judicial proceedings as the Trustee shall deem necessary to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

Section 5.04 Trustee May File Proofs of Claim.

In case of any judicial proceeding relative to the Company (or any other obligor upon the Notes), its property or its creditors, the Trustee shall be entitled and empowered, by intervention in such proceeding or otherwise, to take any and all actions authorized under the Trust Indenture Act in order to have claims of the Holders and the Trustee allowed in any such proceeding. In particular, the Trustee shall be authorized to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same; and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 6.07.

No provision of this Indenture shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding; provided, however, that the Trustee may, on behalf of the Holders, vote for the election of a trustee in bankruptcy or similar official and be a member of a creditors' or other similar committee.

Section 5.05 Trustee May Enforce Claims Without Possession of Notes.

All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered.

Section 5.06 Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account of Repurchase Price or any Installment Payment, upon presentation of the Notes and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

FIRST: To the payment of all amounts due the Trustee under Section 6.07;

SECOND: To the payment of the amounts then due and unpaid for Repurchase Price and Installment Payments on the Notes, ratably, without preference or priority of any kind, according to the amounts due and payable on such Notes for Repurchase Price and Installment Payments; and

THIRD: To the Company.

Section 5.07 Limitation on Suits.

No Holder of any Note shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless

(1) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Notes;

(2) the Holders of not less than 25% in principal amount of the Outstanding Notes shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;

(3) such Holder or Holders have offered to the Trustee reasonable indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request;

(4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and

(5) no direction inconsistent with such written request has been given to the Trustee during such60-day period by the Holders of a majority in principal amount of the Outstanding Notes; it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all of such Holders.

Section 5.08 Unconditional Right of Holders to Receive Repurchase Price and Installment Payments.

Notwithstanding any other provision in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the Repurchase Price and Installment Payments (subject to Section 3.07) on such Note on the respective Stated Maturities expressed in such Note and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

Section 5.09 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

Section 5.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes in the last paragraph of Section 3.06, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Notes to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 5.12 Control by Holders.

The Holders of a majority in principal amount of the Outstanding Notes shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Notes, provided that

(1) such direction shall not be in conflict with any rule of law or with this Indenture,

(2) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and

(3) subject to the provisions of Section 6.01, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer or Officers of the Trustee, determine that the proceedings so directed would involve the Trustee in personal liability.

Section 5.13 Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the Outstanding Notes may on behalf of the Holders of all the Notes waive any past default hereunder with respect to such Notes and its consequences, except a default

(1) in the payment of the Repurchase Price or any Installment Payment on any Note, or

(2) in respect of a covenant or provision hereof which under Article IX cannot be modified or amended without the consent of the Holder of each Outstanding Note affected.

Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

Section 5.14 Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, a court may require any party litigant in such suit to file an undertaking to pay the costs of such suit, and may assess costs against any such party litigant, in the manner and to the extent provided in the Trust Indenture Act; provided that neither this Section nor the Trust Indenture Act shall apply to any suit instituted by the Trustee, to any suit instituted by any Holders of the Notes, or group of Holders of the Notes, holding in the aggregate more than 10% of principal amount of the Outstanding Notes, or to any suit instituted by any Holder of the Outstanding Notes for the enforcement of the payment of the Installment Payments on any Outstanding Notes held by such Holder, on or after the respective due dates expressed in such Outstanding Notes, and provided, further, that neither this Section nor the Trust Indenture Act shall be deemed to authorize any court to require such an undertaking or to make such an assessment in any suit instituted by the Company.

Section 5.15 Waiver of Usury, Stay or Extension Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any usury, stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Company (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.16 Sole Remedy for a Failure to Report.

Notwithstanding anything to the contrary in this Indenture or the Notes, the Company may elect that the sole remedy for any Event of Default (a "Reporting Event of Default") pursuant to Section 5.01(4) arising from the Company's failure to comply with Section 10.06 will, for each of the first 180 days on which a Reporting Event of Default has occurred and is continuing, consist exclusively of the right to receive Special Interest. If the Company has made such an election, then (i) the Notes will be subject to acceleration pursuant to Section 5.02 on account of the relevant Reporting Event of Default from, and including, the 181st day on which a Reporting Event of Default has occurred and is continuing or if the Company fails to pay any accrued and unpaid Special Interest when due; and (ii) Special Interest will cease to accrue on any Notes from, and including, such 181st day.

Any Special Interest that accrues on a Note will be payable on the same dates and in the same manner as Installment Payments on such Note and will accrue at a rate per annum equal to 0.25% of the principal amount thereof for the first 90 days on which Special Interest accrues and, thereafter, at a rate per annum equal to 0.50% of the principal amount thereof.

To make the election set forth in this Section 5.16, the Company must send to the Holders, the Trustee and the Paying Agent, before the date on which each Reporting Event of Default first occurs, a notice that (i) briefly describes the report(s) that the Company failed to file with the Commission; (ii) states that the Company is electing that the sole remedy for such Reporting Event of Default consist of the accrual of Special Interest; and (iii) briefly describes the periods during which and rate at which Special Interest will accrue and the circumstances under which the Notes will be subject to acceleration on account of such Reporting Event of Default.

If Special Interest accrues on any Note, then, no later than five Business Days before each date on which such Special Interest is to be paid, the Company will deliver an Officer's Certificate to the Trustee and the Paying Agent stating (i) that the Company is obligated to pay Special Interest on such Note on such date of payment; and (ii) the amount of such Special Interest that is payable on such date of payment. The Trustee will have no duty to determine whether any Special Interest is payable or the amount thereof.

No election pursuant to this Section 5.16 with respect to a Reporting Event of Default will affect the rights of any Holder with respect to any other Event of Default, including with respect to any other Reporting Event of Default.

ARTICLE 8

COVENANTS

Section 8.01. Amendments to Article X of the Base Indenture.

(a) For purposes of the Notes, Section 10.01 of the Base Indenture shall be amended and restated in its entirety with the following:

"The Company covenants and agrees for the benefit of the Notes that it will duly and punctually pay the Repurchase Price and Installment Payments on the Notes in accordance with the terms of the Notes and this Indenture."

(b) For purposes of the Notes, Section 10.03 of the Base Indenture shall be amended and restated in its entirety with the following:

"If the Company shall at any time act as its own Paying Agent with respect to the Notes, it will, on or before each due date of the Repurchase Price and Installment Payments on the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the Repurchase Price and Installment Payments so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee of its action or failure so to act.

Whenever the Company shall have one or more Paying Agents for the Notes, it will, on or prior to each due date of the Repurchase Price and Installment Payments on the Notes, deposit with a Paying Agent a sum sufficient to pay such amount, such sum to be held as provided by the Trust Indenture Act, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee of its action or failure so to act.

The Company will cause each Paying Agent for the Notes other than the Trustee to execute and deliver to the Trustee an instrument in which such Paying Agent shall agree with the Trustee, subject to the provisions of this Section, that such Paying Agent will (1) comply with the provisions of the Trust Indenture Act applicable to it as a Paying Agent and (2) during the continuance of any default by the Company (or any other obligor upon the Notes) in the making of any payment in respect of the Notes, upon the written request of the Trustee, forthwith pay to the Trustee all sums held in trust by such Paying Agent for payment in respect of the Notes.

The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct any Paying Agent to pay, to the Trustee all sums held in trust hereunder by the Company or such Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or such Paying Agent. Upon such payment by any Paying Agent to the Trustee, such Paying Agent shall be released from all further liability with respect to such money.

Any money deposited with the Trustee or any Paying Agent, or then held by the Company, in trust for the payment of the Repurchase Price and Installment Payments on any Note and remaining unclaimed for two years after such Repurchase Price and Installment Payment has become due and payable shall be paid to the Company on Company Request, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; provided, however, that the Trustee or such Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in the Borough of Manhattan, The City of New York, New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company."

"The Company will send to the Trustee copies of all reports that it is required to file with the Commission pursuant to Section 13(a) or 15(d) of the Exchange Act within 15 calendar days after the date it is required to so file the same (after giving effect to any grace period provided by Rule 12b-25 under the Exchange Act). For purposes of this Section, documents filed by the Company with the Commission via EDGAR system will be deemed to be filed with the Trustee as of the time such documents are filed via EDGAR, provided, however, that the Trustee shall have no obligation whatsoever to determine if such filing has occurred.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such reports, information or documents shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants under the Indenture (as to which the Trustee is entitled to conclusively rely exclusively on an Officer's Certificate)."

ARTICLE 9

NO REDEMPTION

Section 9.01. Article XI of the Base Indenture Inapplicable. The Notes shall not be redeemable at the option of the Company and Article XI of the Base Indenture shall not apply to the Notes.

ARTICLE 10

DEFEASANCE AND COVENANT DEFEASANCE

Section 10.01. Amendments to Article XIV of the Base Indenture. For purposes of the Notes, Article XIV of the Base Indenture shall be amended and restated in its entirety with the following:

"Section 14.01 Company's Option to Effect Defeasance or Covenant Defeasance.

The Company may elect, at its option by Board Resolution at any time, to have either Section 14.02 or Section 14.03 applied to the Outstanding Notes, upon compliance with the conditions set forth below in this Article XIV.

Section 14.02 Defeasance and Discharge.

Upon the Company's exercise of the option provided in Section 14.01 to have this Section 14.02 applied to the Outstanding Notes, the Company shall be deemed to have been discharged from its obligations with respect to the Outstanding Notes as provided in this Section on and after the date the conditions set forth in Section 14.04 are satisfied (hereinafter called "Defeasance"). For this purpose, such Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the Outstanding Notes and to have satisfied all its other obligations under the Notes and this Indenture insofar as the Notes are concerned (and the Trustee, at the expense of the Company, shall execute proper instruments acknowledging the same), subject to the following which shall survive until otherwise terminated or discharged hereunder: (1) the rights of Holders of Notes to receive, solely from the trust fund described in Section 14.04 and as more fully set forth in such Section, payments in respect of the principal and interest on such Notes when payments are due, (2) the Company's obligations with respect to the Notes under Sections 3.04, 3.05, 3.06, 10.02 and 10.03, (3) the rights, protections, powers, trusts, duties and immunities of the Trustee hereunder and (4) this Article XIV. Subject to compliance with this Article XIV, the Company may exercise its option provided in Section 14.01 to have this Section 14.02 applied to the Outstanding Notes notwithstanding the prior exercise of its option provided in Section 14.01 to have Section 14.03 applied to the Outstanding Notes. Following a Defeasance, payment of such Notes may not be accelerated because of an Event of Default.

Section 14.03 Covenant Defeasance.

Upon the Company's exercise of the option provided in Section 14.01 to have this Section 14.03 applied to the Outstanding Notes, (1) the Company shall be released from its obligations under any covenants provided pursuant to Section 3.01(16) or Section 9.01(2) with respect to the Notes and Section 8.01, as applicable, and (2) the occurrence of any event specified in Section 5.01(4) (with respect to Section 8.01, any such covenants provided pursuant to Section 3.01(16) or Section 9.01(2)), shall be deemed not to be or result in an Event of Default, in each case with respect to the Outstanding Notes as provided in this Section on and after the date the conditions set forth in Section 14.04 are satisfied (hereinafter called "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that the Company may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any covenants added for the benefit of the Notes pursuant to any such specified Section (to the extent so specified in the case of Section 5.01(4)), whether directly or indirectly by reason of any reference elsewhere herein to any such Section or by reason of any reference in any such Section to any other provision herein or in any other document, but the remainder of this Indenture and the Notes shall be unaffected thereby.

Section 14.04 Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to application of either Section 14.02 or Section 14.03 to the Outstanding Notes:

(1) The Company shall irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to, the benefit of the Holders of Outstanding Notes, U.S. Dollars in an amount sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge, and which shall be applied by the Trustee (or any such other qualifying trustee) to pay and discharge, the principal of and interest on the Notes on the respective Stated Maturities, in accordance with the terms of this Indenture and the Notes.

(2) In the case of an election under Section 14.02, the Company shall have delivered to the Trustee an Opinion of Counsel stating that (A) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (B) since the date first set forth hereinabove, there has been a change in the applicable Federal income tax law, in either case (A) or (B) to the effect that, and based thereon such opinion shall confirm that, the beneficial owners of the Outstanding Notes will not recognize gain or loss for Federal income tax purposes as a result of the deposit, Defeasance and discharge to be effected with respect to the Notes and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit, Defeasance and discharge were not to occur.

(3) In the case of an election under Section 14.03, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the beneficial owners of the Outstanding Notes will not recognize gain or loss for Federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to the Notes and will be subject to Federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur.

(4) No Event of Default or event that (after notice or lapse of time or both) would become an Event of Default shall have occurred and be continuing at the time of such deposit.

(5) Such Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act (assuming all Notes are in default within the meaning of such Act).

(6) Such Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any other material agreement or instrument to which the Company is a party or by which it is bound.

(7) The Company shall have delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that all conditions precedent with respect to such Defeasance or Covenant Defeasance have been complied with.

Section 14.05 Deposited Money to be Held in Trust; Other Miscellaneous Provisions.

Subject to Section 10.03, all money (including the proceeds thereof) deposited with the Trustee or other qualifying trustee (solely for purposes of this Section and Section 14.06, the Trustee and any such other trustee are referred to collectively as the "Trustee") pursuant to Section 14.04 in respect of the Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any such Paying Agent (including the Company acting as its own Paying Agent) as the Trustee may determine, to the Holders of Notes, of all sums due and to become due thereon in respect of principal or interest, but money so held in trust need not be segregated from other funds except to the extent required by law.

Anything in this Article XIV to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon Company Request any money held by it as provided in Section 14.04 with respect to Notes that, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof that would then be required to be deposited to effect an equivalent Defeasance or Covenant Defeasance with respect to the Notes.

Section 14.06 Reinstatement.

ARTICLE 11

REPURCHASE OF NOTES AT THE OPTION OF THE HOLDER

Section 11.01. Offer to Repurchase. If the Company elects to exercise its Early Mandatory Settlement Right with respect to the Purchase Contracts pursuant to the terms of the Purchase Contract Agreement, then each Holder of Notes (whether any such Note is a Separate Note or constitutes part of a Unit) shall have the right (the "**Repurchase Right**") to require the Company to repurchase some or all of its Notes for cash at the Repurchase Price per Note to be repurchased on the Repurchase Date, pursuant to Section 11.03. The Company shall not be required to repurchase a portion of a Note. Holders shall not have the right to require the Company to repurchase any or all of such Holders' Notes in connection with any Early Settlement (as such term is defined in the Purchase Contract Agreement) of such Holders' Purchase Contracts at the Holders' option pursuant to the terms of the Purchase Contract Agreement.

Section 11.02. Early Mandatory Settlement Notice. If the Company elects to exercise its Early Mandatory Settlement Right with respect to the Purchase Contracts pursuant to the terms of the Purchase Contract Agreement, the Company shall provide the Trustee and the Holders of the Notes with a copy of the Early Mandatory Settlement Notice delivered pursuant to the Purchase Contract Agreement.

Section 11.03. Procedures for Exercise.

(a) To exercise the Repurchase Right, a Holder must deliver, on or prior to the close of business on the Business Day immediately preceding the Repurchase Date, the Notes to be repurchased (or the Units that include the Notes to be repurchased, if (x) the Early Mandatory Settlement Date occurs on or after the Repurchase Date and (y) the relevant Notes have not been separated from the Units), together with a duly completed written Repurchase Notice, in each case, subject to and in accordance with applicable procedures of the Depositary, unless the Notes are not in the form of a Global Note (or the Units are not in the form of Global Units, as the case may be), in which case such Holder must deliver the Notes to be repurchased (or the Units that include the Notes to be repurchased, if (i) the Early Mandatory Settlement Date occurs on or after the Repurchase Date and (ii) the Notes have not been separated from the Units), duly endorsed for transfer to the Company, together, in either case, with a Repurchase Notice, to the Paying Agent.

(b) The Repurchase Notice must state the following:

(i) if Certificated Notes (or Units) have been issued, the certificate numbers of the Notes (or Units), or if the Notes (or Units) are in the form of a Global Note (or a Global Unit), the Repurchase Notice must comply with appropriate procedures of the Depositary;

(ii) the number of Notes to be repurchased; and

(iii) that the Notes are to be repurchased by the Company pursuant to the applicable provisions of the Notes and this Article 11.

(c) In the event that the Company exercises its Early Mandatory Settlement Right with respect to Purchase Contracts that are a component of Units and the Early Mandatory Settlement Date occurs prior to the Repurchase Date, upon such Early Mandatory Settlement Date, the Company shall execute and the Trustee shall authenticate on behalf of the holder of the Units and deliver to such holder, at the expense of the Company, Separate Notes in the same form and in the same number as the Notes comprising part of the Units.

Section 11.04. Withdrawal of Repurchase Notice.

(a) A Holder may, subject to and in accordance with applicable procedures of the Depositary, in the case of a Global Note or Global Unit, withdraw any Repurchase Notice (in whole or in part) by a written, irrevocable notice of withdrawal delivered to the Paying Agent, with a copy to the Trustee and the Company, on or prior to the close of business on the Business Day immediately preceding the Repurchase Date.

(b) The notice of withdrawal must state the following:

(i) if Certificated Notes (or Units) have been issued, the certificate numbers of the withdrawn Notes (or Units), or if the Notes (or Units) are in the form of a Global Note (or a Global Unit), the notice of withdrawal must comply with appropriate Depositary procedures;

(ii) the number of the withdrawn Notes; and

(iii) the number of Notes, if any, that remain subject to the Repurchase Notice.

Section 11.05. Effect of Repurchase. (a) The Company shall be required to repurchase the Notes with respect to which the Repurchase Right has been validly exercised and not withdrawn on the Repurchase Date. To effectuate such repurchase, the Company shall deposit immediately available funds with the Paying Agent, on or prior to 11:00 a.m., New York City time, on the Repurchase Date, in an amount or amounts sufficient to pay the Repurchase Price with respect to those Notes for which the Repurchase Right has been exercised. A Holder electing to exercise the Repurchase Right shall receive payment of the Repurchase Price on the later of (i) the Repurchase Date and (ii) the time of book-entry transfer or the delivery of the Notes (or Units, as applicable).

(b) If the Paying Agent holds money on the Repurchase Date sufficient to pay the Repurchase Price with respect to those Notes for which the Repurchase Right has been exercised, then (i) such Notes shall cease to be outstanding and interest shall cease to accrue thereon (whether or not book-entry transfer of the Notes or Units, as applicable, is made or whether or not the Notes or Units, as applicable, are delivered as required herein), and (ii) all other rights of the Holder shall terminate (other than the right to receive the Repurchase Price and, if the Repurchase Date falls between a Regular Record Date and the corresponding Installment Payment Date, the related Installment Payment).

(c) In connection with any repurchase offer pursuant to this Article 11, the Company shall, if required, comply with the provisions of the tender offer rules under the Exchange Act that may then be applicable.

(d) Notwithstanding anything to the contrary herein, no Notes may be repurchased at the option of Holders if the principal amount thereof has been accelerated, and such acceleration has not been rescinded, on or prior to the Repurchase Date (except in the case of an acceleration resulting from a default by the Company of the payment of the Repurchase Price with respect to such Notes).

Section 11.06. No Sinking Fund. The Notes are not entitled to the benefit of any sinking fund.

This Note is one of a duly authorized series of Securities of the Company designated as its [•]% Senior Amortizing Notes due 2027 (herein sometimes referred to as the "**Notes**"), issued under the Indenture, dated as of [•], 2024, between the Company and U.S. Bank Trust Company, National Association, as trustee (the "**Trustee**," which term includes any successor trustee under the Indenture), (including any provisions of the Trust Indenture Act that are deemed incorporated therein) (the "**Base Indenture**"), as supplemented by the First Supplemental Indenture, dated as of [•], 2024 (the "**First Supplemental Indenture**"), between the Company and the Trustee, Paying Agent and Security Registrar (the Base Indenture, as supplemented by the First Supplemental Indenture, the "**Indenture**"), to which Indenture reference is hereby made for a description of the rights, limitations of rights, obligations, duties and immunities thereunder of the Trustee, the Company and the Holders. The terms of other series of Securities issued under the Base Indenture may vary with respect to interest rates, issue dates, maturity, redemption, repayment, currency of payment and otherwise as provided in the Base Indenture. Any Installment Payment on any Note which is payable, but is not punctually paid or duly provided for, on any Installment Payment Date (herein called "**Defaulted Installment Payment**") shall forthwith cease to be payable to the Holder on the relevant Regular Record Date by virtue of having been such Holder, and such Defaulted Installment Payment may be paid by the Company, at its election in each case, as provided in Clause (1) or (2) below:

(1) The Company may elect to make payment of any Defaulted Installment Payment to the Persons in whose names the Notes (or their respective Predecessor Notes) are registered at the close of business on a Special Record Date for the payment of such Defaulted Installment Payment, which shall be fixed in the following manner. The Company shall notify the Trustee in writing of the amount of

Defaulted Installment Payment proposed to be paid on each Note and the date of the proposed payment, and at the same time the Company shall deposit with the Trustee an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Installment Payment or shall make arrangements satisfactory to the Trustee for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the Persons entitled to such Defaulted Installment Payment as in this Clause provided. Thereupon the Trustee shall fix a Special Record Date for the payment of such Defaulted Installment Payment which shall be not more than 15 days and not less than 10 days prior to the date of the proposed payment and not less than 10 days after the receipt by the Trustee of the notice of the proposed payment. The Trustee shall promptly notify the Company of such Special Record Date and, in the name and at the expense of the Company, shall cause notice of the proposed payment of such Defaulted Installment Payment and the Special Record Date therefor to be mailed, first-class postage prepaid, to each Holder of Notes at his address as it appears in the Security Register, not less than 10 days prior to such Special Record Date. Notice of the proposed payment of such Defaulted Installment Payment and the Special Record Date therefor having been so mailed, such Defaulted Installment Payment shall be paid to the Persons in whose names the Notes (or their respective Predecessor Securities) are registered at the close of business on such Special Record Date and shall no longer be payable pursuant to the following Clause (2).

(2) The Company may make payment of any Defaulted Installment Payment on the Notes in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Notes may be listed, and upon such notice as may be required by such exchange, if, after notice given by the Company to the Trustee of the proposed payment pursuant to this Clause, such manner of payment shall be deemed practicable by the Trustee.

The Notes shall not be subject to redemption at the option of the Company. However, a Holder shall have the right to require the Company to repurchase some or all of its Notes for cash at the Repurchase Price per Note and on the Repurchase Date, upon the occurrence of certain events and subject to the conditions set forth in the Indenture.

This Note is not entitled to the benefit of any sinking fund. The Indenture contains provisions for satisfaction and discharge, legal defeasance and covenant defeasance of this Note upon compliance by the Company with certain conditions set forth therein, which provisions apply to this Note.

If an Event of Default with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in principal amount of the Notes then outstanding may declare the Repurchase Price and all Installment Payments on this Note, to be due and payable immediately, in the manner, subject to the conditions and with the effect provided in the Indenture.

The Indenture permits, with certain exceptions as therein provided, the Company and the Trustee, with the consent of the Holders of not less than a majority in principal amount of the Notes at the time outstanding, to execute supplemental indentures for certain purposes as described therein.

No provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the Repurchase Price, if applicable, of and all Installment Payments on this Note at the time, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

The Notes are originally being issued as part of the [•]% Tangible Equity Units (the "**Units**") issued by the Company pursuant to that certain Purchase Contract Agreement, dated as of [•], 2024, between the Company and U.S. Bank Trust Company, National Association, as Purchase Contract Agent, as Trustee and as attorney-in-fact for the holders of Equity-Linked Securities (as defined in the Purchase Contract Agreement) from time to time (the "**Purchase Contract Agreement**"). Holders of the Units have the

right to separate such Units into their constituent parts, consisting of Separate Purchase Contracts (as defined in the Purchase Contract Agreement) and Separate Notes, during the times, and under the circumstances, described in the Purchase Contract Agreement. Following separation of any Unit into its constituent Separate Note and Separate Purchase Contract, the Separate Notes are transferable independently from the Separate Purchase Contracts. In addition, Separate Notes can be recombined with Separate Purchase Contracts to recreate Units, as provided for in the Purchase Contract Agreement. Reference is hereby made to the Purchase Contract Agreement for a more complete description of the terms thereof applicable to the Units.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note shall be registered on the Security Register of the Company, upon due presentation of this Note for registration of transfer at the office or agency of the Company in the Borough of Manhattan, The City of New York, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder hereof or by his attorney duly authorized in writing, and thereupon the Company shall execute and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Note or Notes in authorized denominations and for a like aggregate principal amount.

The Notes are initially issued in registered, global form without coupons in denominations equal to $[•] initial principal amount and integral multiples in excess thereof.

The Company or Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any registration of transfer of this Note. No service charge shall be made for any such transfer or for any exchange of this Note as contemplated by the Indenture.

The Company, the Trustee and any agent of the Company or the Trustee may deem and treat the Person in whose name this Note is registered upon the Security Register for the Notes as the absolute owner of this Note (whether or not this Note shall be overdue and notwithstanding any notice of ownership or writing thereon made by anyone other than the Security Registrar) for the purpose of receiving payment of or on account of the principal of and, subject to the provisions of the Indenture, interest on this Note and for all other purposes; and neither the Company nor the Trustee nor any agent of the Company or the Trustee shall be affected by any notice to the contrary.

This Note and the Indenture and any claim, controversy or dispute arising under or related thereto shall be governed by and construed in accordance with the laws of the State of New York.

Capitalized terms used but not defined in this Note shall have the meanings ascribed to such terms in the Indenture.

No recourse shall be had for the payment of any Installment Payment on this Note, or for any claim based hereon, or upon any obligation, covenant or agreement of the Company in the Indenture, against any incorporator, stockholder, officer or director, past, present or future of the Company or of any predecessor or successor, either directly or through the Company or any predecessor or successor, whether by virtue of any constitution, statute or rule of law, or by the enforcement of any assessment of penalty or otherwise; and all such personal liability is expressly released and waived as a condition of, and as part of the consideration for, the issuance of this Note.

The Company and each Holder of Notes and beneficial owner of Notes agrees, for United States federal income tax purposes, to treat the Notes as indebtedness of the Company.

In the event of any inconsistency between the provisions of this Note and the provisions of the Indenture, the Indenture shall prevail.

Directors holding at least two (2) votes on the Board out of the total number of votes held by all Directors may call a special meeting of the Board on not less than five (5) Business Days' notice to each other Director. Notice of any meeting of either Board may be delivered to each Director personally, by telephone, by mail, by telecopier, by electronic mail or by any other means of communication reasonably calculated to give notice. Notice of any meeting of the Board need not be given to any Director if a written waiver of notice, executed by such Director before or after the meeting, is filed with the records of the meeting, or to any Director who attends the meeting without protesting the lack of notice prior thereto or at its commencement. Each notice of a meeting of the Board shall state the purposes of the meeting. Notwithstanding whether a meeting of the Board is requested to be an in- person meeting, Directors of the Board may participate in any meeting of such Board by means of conference telephone, video conference or similar communications equipment by means of which all persons participating in the meeting can hear and speak to each other, and such participation in a meeting shall constitute presence in person at the meeting.

Section 2.4. Acts of the Board and Approval Rights.

(a) At all duly called meetings of the Board, Directors holding a majority of the total number of votes on such Board shall constitute a quorum for the transaction of business. If a quorum shall not be present at any meeting of the Board, the Directors present thereat may adjourn the meeting from time to time, without notice other than announcement at the meeting, until a quorum shall be present; *provided* that notice for any reconvened meeting shall have been given in accordance with Section 2.3; *provided*, *further*, that the quorum for the transaction of business at any reconvened or subsequent meeting shall be Directors holding a majority of the total votes on the Board. No action may be taken by the Board without the consent of Directors holding a majority of the votes on such Board; *provided* that, prior to an Initial Public Offering and so long as the Walgreens Stockholder owns at least 15% of the issued and outstanding Shares (disregarding any Shares or options to purchase Shares issued or granted to management or employees of the Company and its Subsidiaries), any action set forth on Schedule III shall also require the approval of the Walgreens Designated Directors or the Walgreens Stockholder, provided, that, notwithstanding the foregoing, so long as the ABDC Prime Vendor Agreement (or any replacement Affiliated Purchasing Arrangement under which WBA or its Affiliates are jointly and severally liable for the obligations of the Company or its Subsidiaries thereunder) is in effect, any action set forth in clause (xxi) of Schedule III shall require the approval of the Walgreens Designated Directors (for so long as the Walgreens Stockholder has such board designation right) or the Walgreens Stockholder (even if the Walgreens Stockholder no longer Beneficially Owns any Common Stock of the Company at such time) until the earlier to occur of (i) the execution of a separate agreement between PharMerica or any of its Subsidiaries and ABDC for the purchase of pharmaceuticals and other products directly from ABDC, or (ii) September 30, 2026.

(b) Each Director shall be entitled to one vote; *provided* that, (i) except to the extent prohibited by Law, any Director shall be entitled to vote on behalf of one or more other Director(s) appointed or designated by the KKR Stockholder or the Walgreens Stockholder, as applicable, if such other Director(s) is (or are) not present at a meeting of such Board (or a committee thereof), (ii) in the event the KKR Stockholder or the Walgreens Stockholder, as applicable, shall not have filled all of its designees to the Board allotted to such Person pursuant to Section 2.1, any Director designated by such Person shall have, in addition to the right to vote for him- or her- self and any other Director(s) described in clause (i) above, the right to vote for any undesignated Director, such that the KKR Designated Directors and the Walgreens Designated Directors shall, in connection with any vote of the Board (or a committee thereof), have a number of votes with respect to such matter as is equal to the number of designees such Person is entitled to designate pursuant to Section 2.1 or Section 2.2, as applicable, at such time

(e.g., if the KKR Stockholder shall have designated two (2) Directors, and shall be entitled to designate three (3) Directors, such KKR Designated Directors that have been so designated shall be entitled to three (3) votes collectively) and (iii) except to the extent prohibited by Law, prior to an Initial Public Offering and so long as the KKR Stockholders Beneficially Own a majority of the issued and outstanding Shares, the KKR Designated Directors collectively shall in all circumstances have a number of votes equal to a majority of the total number of votes on the Board.

(c) Both prior to and following an Initial Public Offering and until such time as the IPO Corporation is no longer a "controlled company" (as defined under the applicable stock exchange listing rules), each Stockholder shall (i) cause all Voting Securities Beneficially Owned by such Stockholder to be voted in favor of any action requiring stockholder approval that is approved by the requisite approvals of the Board as set forth in Section 2.4(a) and (ii) refrain from causing the Voting Securities of the Company that are Beneficially Owned by such Stockholder, to be voted in favor of any action requiring stockholder approval that is not approved by the requisite approvals of the Board as set forth in Section 2.4(a).

Section 2.5. Action by Consent. Any action required or permitted to be taken at any meeting of the Board may be taken without a meeting and without a vote, if a consent or consents in writing (including by facsimile and e-mail), setting forth the action so taken, shall be signed by all of the Directors (*provided*, that for such purposes an electronic signature shall be valid).

Section 2.6. Outside Activities. (a) Subject only to Section 4.3, any Stockholder, Director or Affiliate of the foregoing, may engage in or possess any interest in other investments, business ventures or Persons of any nature or description, independently or with others, similar or dissimilar to, or that competes with, the investments or business of the Company and its Subsidiaries, and may provide advice and other assistance to any such investment, business venture or Person, (b) the Company and the Stockholders shall have no rights by virtue of this Agreement in and to such investments, business ventures or Persons or the income or profits derived therefrom, and (c) the pursuit of any such investment or venture, even if competitive with the business of the Company and its Subsidiaries, shall not be deemed wrongful or improper and shall not constitute a conflict of interest or breach of fiduciary or other duty in respect of the Company, its Subsidiaries or the Stockholders. Subject only to Section 4.3, no Stockholder, Director or Affiliate of the foregoing, shall be obligated to present any particular investment or business opportunity to the Company even if such opportunity is of a character that, if presented to the Company, could be pursued by the Company, and any Stockholder, Director or Affiliate of the foregoing, shall have the right to pursue for its own account (individually or as a partner or a fiduciary) or to recommend to any other Person any such investment opportunity.

Section 2.7. Interlocking Directorates. Notwithstanding anything in this Article II to the contrary, WBA, the Walgreens Stockholders and their Affiliates shall (i) not appoint or designate any individual as a member of the board of directors (or similar governing body) of the Company or any of its Subsidiaries any person serving as a board member or officer of Option Care Enterprises, Inc. ("Option Care") or any other long- term care pharmacy or specialty infusion competitor of the Company or its Subsidiaries; (ii) implement appropriate information sharing restrictions to ensure that (x) information, data, or documents relating to or containing any competitively sensitive information of the Company or any of its Subsidiaries which are disclosed to or received by WBA's, the Walgreens Stockholders' or their Affiliates' individuals are not disclosed to Option Care or representatives of WBA, the Walgreens Stockholders or their Affiliates serving as officers or directors of Option Care or any representative managing the Walgreens Stockholders' or their Affiliates' investment in Option Care, or any other representatives of the Walgreens Stockholders or their Affiliates directly responsible for managing a business or product line that competes directly with the Company or any of its Subsidiaries and (y) information, data, or documents relating to or containing any competitively sensitive information of Option Care or any other business or product line that competes directly with the Company or any of its Subsidiaries which are disclosed to, received by, or in the possession of WBA, the Walgreens Stockholders or their Affiliates are not disclosed to the Company or any of its Subsidiaries or representatives of WBA, the Walgreens Stockholders or their Affiliates serving as officers or directors of the Company or any of its Subsidiaries or any representative managing WBA's, the Walgreens Stockholders' or their Affiliates' investment in the Company or any of its Subsidiaries; and (iii) if requested by the Company or the KKR Stockholder following a good faith determination

by the Company or the KKR Stockholder that removal is necessary or appropriate pursuant to applicable Law and following reasonable consultation with WBA and the Walgreens Stockholder, remove its designees from the boards of directors (or similar governing bodies) of the Company and its Subsidiaries (and shall not exercise its board designation rights pursuant to this Agreement) or, in the alternative and at WBA's and the Walgreens Stockholder's discretion, remove their designees from the board of directors of Option Care and any other entity that competes directly with the Company or any of its Subsidiaries.

ARTICLE III

TRANSFERABILITY OF SHARES; PREEMPTIVE RIGHTS

Section 3.1. Transfers Generally.

(a) *Transfers Generally*. No Stockholder shall Transfer any Shares held or Beneficially Owned (whether as of the date hereof or subsequently acquired) by such Stockholder, unless such Transfer is made in accordance with the requirements of this Article III, as may be applicable, and any purported Transfer in violation of this Article III shall be null and void *ab initio.*

(b) *Transfer Books*. The Company shall not record upon its books any attempted Transfer of Shares held or Beneficially Owned by any Stockholder to any other Person, except Transfers made in accordance with this Agreement, and any attempted Transfer not made in accordance with this Agreement shall be null and void *ab initio.*

(c) *Rights and Obligations of Transferees.* Other than in connection with a Transfer to a Permitted Transferee, no transferee of Shares from any Walgreens Stockholder shall be entitled to any rights granted to any Walgreens Stockholder pursuant to Section 2.1 (including the right to appoint or nominate Directors and the right to appoint member(s) to any committee of the Board), Section 2.4 (including any approval rights), Section 3.3(b), Section 4.2 or Section 4.4. Subject to the last sentence of this Section 3.1(c), no Transfer of Shares by a Stockholder that would otherwise be permitted pursuant to this Agreement shall be effective unless (i) the transferee shall have executed an appropriate document (a "Joinder Agreement") substantially in the form attached hereto as Annex A or otherwise in form and substance reasonably satisfactory to the Company confirming that (A) the transferee takes such Shares subject to all the terms and conditions of this Agreement to the same extent as its transferor was bound and, except as otherwise set forth herein, with all of the benefits of such provisions, and (B) such Shares shall bear legends, substantially in the forms required by Section 5.5, and (ii) such Joinder Agreement shall have been delivered to and approved by the Company prior to such transferee's acquisition of such shares, which approval shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, a transferee of Shares shall not be bound by any of the terms and conditions of this Agreement if the applicable Transfer is pursuant to an effective registration statement under the Securities Act or pursuant to Rule 144 of the Securities Act.

Section 3.2. General Restrictions on Transfer of Shares.

(a) A Stockholder may only Transfer Shares as follows:

(i) to a Permitted Transferee of such Stockholder;

(ii) pursuant to, and in accordance with, Section 3.3, Section 3.4 or Section 3.5; or

(iii) following the completion of an Initial Public Offering, any Stockholder may Transfer any or all of such Stockholder's Shares without regard to any restriction on transfer contained in this Section 3.2(a), but subject to compliance with the other provisions of this Article III and the Registration Rights Agreement, as applicable.

Section 3.3. Exit Transactions.

(a) Following the date that is forty-two months after the Closing Date, KKR shall have the right to (i) commence and conduct a process for (and cause the consummation of) the sale of all of the Shares of the Company or all or substantially all of the consolidated assets of the Company (including the capital stock of any Subsidiaries of the Company) (a "Company Sale"), which Company Sale may be effected by a Transfer of Shares, merger, sale of stock, sale of assets or other business combination, or (ii) initiate (and cause to be consummated) an Initial Public Offering. KKR, following meaningful consultation with Walgreens, shall have the right to make all decisions with respect to such Initial Public Offering process; *provided*, that all decisions made in connection with such process shall be consistent with the fiduciary duties of the Board.

(b) Following the date that is the fifth anniversary of the Closing Date, if an Initial Public Offering has not yet occurred (unless KKR has initiated a process with respect to an Initial Public Offering or a Company Sale and such process is ongoing), Walgreens shall have the right to initiate (and cause to be consummated) an Initial Public Offering.

(c) Prior to initiating any Company Sale, Required Sale (as defined below) or Initial Public Offering, KKR shall engage in good-faith negotiations with Walgreens to discuss the terms of a potential acquisition by the Walgreens Stockholders (or an Affiliate thereof) of all Shares that are Beneficially Owned by the KKR Stockholders; *provided* that the KKR Stockholders have the right to not accept any offer that may be made by the Walgreens Stockholders and the decision to initiate such a Company Sale or an Initial Public Offering (following consultation with Walgreens) shall be in the sole discretion of KKR. If negotiations between Walgreens and KKR cease and KKR decides to initiate such a Company Sale, KKR shall provide written notice to Walgreens promptly following the date KKR initiates such Company Sale ("Sale Notice Date"). If a definitive transaction agreement for such Company Sale is not executed and delivered by the parties thereto on or before one hundred and eighty (180) days after the Sale Notice Date (or if such definitive transaction agreement is executed and delivered but subsequently terminated), the restrictions provided for in this Section 3.3(c) shall again become effective and no Company Sale may be initiated or continued thereafter by KKR without again engaging with Walgreens pursuant to this Section 3.3(c). Any transaction agreement providing for the acquisition by the Walgreens Stockholders (or an Affiliate thereof) of all Shares that are Beneficially Owned by the KKR Stockholders shall be on a "public company" basis with no post-closing indemnity or recourse to the KKR Stockholders or any Affiliate thereof.

(d) In the event the Walgreens Stockholders (or their Affiliates) purchase all of the Shares Beneficially Owned by the KKR Stockholders or the KKR Stockholders (or their Affiliates) purchase all of the Shares Beneficially Owned by the Walgreens Stockholders (in each case, whether in a single or series of transactions), KKR Americas XII or WBA, as the case may be, will agree to a customary confidentiality and non- solicit/no-hire agreement with respect to any Covered Persons consistent with the provisions set forth in Section 4.2(c) and Section 4.3(a), which agreement shall expire on the second anniversary of the closing of such transaction.

Section 3.4. Tag-Along Rights.

(a) Subject to Section 3.3(a), no KKR Stockholder (the "Selling Stockholder") shall sell or otherwise effect a Transfer of all or any number of its Shares (other than (x) to a Permitted Transferee, (y) in a Required Sale pursuant to Section 3.5 or (z) to the Walgreens Stockholders (or their Affiliates)) unless the terms and conditions of such Transfer include an offer, on the Same Terms and Conditions as the offer by the proposed third party transferee to the Selling Stockholder, to each of the Walgreens Stockholders (collectively, the "Tag Offerees"), to include at the option of each Tag Offeree, in such Transfer to the third party, a number of Shares owned by each Tag Offeree determined in accordance with this Section 3.4.

(b) The Selling Stockholder shall promptly send written notice of such third party offer (the "Inclusion Notice") to each of the Tag Offerees in the manner specified herein, which Inclusion Notice shall include the material terms and conditions of the proposed Transfer, including but not limited to, (i) the name and address of the proposed transferee, (ii) the proposed amount (including the amount per Share, if then calculable,

or an estimate thereof) and form of consideration, (iii) the proposed Transfer date, if known, (iv) the number of Shares to be sold by the Selling Stockholder and (v) the Tag-Along Pro Rata Share. If a Tag Offeree exercises its Inclusion Right and there is an adverse change (other than an insignificant change) to the material terms (including for the avoidance of doubt any change to the form of consideration or a significant decrease in the amount of consideration) or the material conditions of the offer set forth in any Inclusion Notice, the Selling Stockholder shall notify such Tag Offeree, and such Tag Offeree shall have five (5) Business Days to notify the Selling Stockholder whether it wishes to withdraw its Shares from the Transfer. If such Tag Offeree does not notify the Selling Stockholder of its desire to withdraw its Shares from such Transfer within five (5) Business Days, such Tag Offeree's Inclusion Notice shall be deemed to continue to be valid with respect to such modified terms and/or conditions of such Transfer.

(c) Each Tag Offeree shall have the right (an "Inclusion Right"), exercisable by delivery of a notice to the Selling Stockholder at any time within twenty (20) Business Days after receipt of the Inclusion Notice, to Transfer pursuant to such third party offer, and upon the terms and conditions set forth in the Inclusion Notice, that number of Shares requested to be included by such Tag Offeree, which number shall not exceed a number of such Tag Offeree's Shares equal to the product of (x) such Tag Offeree's Shares multiplied by (y) the Tag-Along Pro Rata Share (it being understood that the failure to exercise such right within such time period specified above shall be deemed to constitute a waiver of all of such Tag Offeree's rights with respect to such proposed Transfer and any such exercise of the Inclusion Right shall be irrevocable). If the proposed third party transferee is unwilling to acquire all of the Shares proposed to be Transferred by the Selling Stockholder and all exercising Tag Offerees (determined in accordance with the first sentence of this Section 3.4(c)), then the Selling Stockholder and each exercising Tag Offeree shall reduce, on a *pro rata* basis based on their respective Sharing Percentages of the Shares held by the exercising Tag Offerees and the Selling Stockholder (it being understood, that for purposes of determining the respective Sharing Percentages pursuant to this Section 3.4(c), all Shares owned by the KKR Stockholders shall be deemed to be owned by the Selling Stockholder), the number of Shares that each otherwise would have Transferred so as to permit the Selling Stockholder and each exercising Tag Offeree to Transfer the number of Shares that the proposed third party transferee is willing to acquire. The Tag Offerees and the Selling Stockholder shall Transfer to the proposed third party transferee the Shares proposed to be Transferred by them in accordance with this Section 3.4 at the time and place provided for the closing in the Inclusion Notice, or at such other time and place as the Selling Stockholder and the proposed third party transferee shall agree. Notwithstanding the foregoing, no Tag Offeree shall be entitled to Transfer Shares pursuant to an Inclusion Right conferred pursuant to this Section 3.4 in the event that, notwithstanding delivery of an Inclusion Notice pursuant to this Section 3.4, the Selling Stockholder fails to consummate the Transfer of Shares which gave rise to such Inclusion Right. The Selling Stockholder shall, in its sole discretion, decide whether or not to pursue, consummate, postpone or abandon any proposed Transfer and the terms and conditions thereof, provided, that in the event that the Selling Stockholder and the proposed transferee fail to execute and deliver a definitive transaction agreement for the Transfer of Shares which gave rise to such Inclusion Right within one hundred and eighty (180) days after the date of the Inclusion Notice (or if such definitive transaction agreement is executed and delivered but subsequently terminated), the Selling Stockholder shall be required to deliver a revised Inclusion Notice in accordance with Section 3.4(b), and further comply with this Section 3.4(c), and the offer set forth in such revised Inclusion Notice shall constitute a new offer for purposes of this Section 3.4. No Stockholder nor any Affiliate of any such Stockholder shall have any liability to any other Stockholder or the Company arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any such proposed Transfer except to the extent such Stockholder shall have failed to comply with the provisions of this Section 3.4.

(d) In connection with any such Transfer, each Tag Offeree participating in such Transfer must agree to make the same representations, warranties, covenants and indemnities as the Selling Stockholder; *provided* that (x) no such Tag Offeree shall be required to make representations and warranties or covenants or provide indemnities as to any other Stockholder, (y) no Tag Offeree shall be liable for the breach of any covenant by any other Tag Offeree or the Selling Stockholder and (z) notwithstanding anything in this Section 3.4(d) to the contrary, any liability relating to representations, warranties and covenants (and related indemnities) and other indemnification obligations regarding the business of the Company or its Subsidiaries assumed in connection with such Transfer shall be shared by all exercising Tag Offerees electing to Transfer and the Selling Stockholder

pro rata in proportion to the number of Shares to be actually Transferred by each of those Stockholders and in any event shall not exceed the proceeds received by such Stockholder in the proposed Transfer. Each Tag Offeree participating in such Transfer will be responsible for its proportionate share, based upon the number of Shares Transferred in such Transfer by such Tag Offeree as a proportion of the total number of Shares Transferred in such Transfer by the Selling Stockholder and all of the Tag Offerees, of the costs of the proposed Transfer to the extent not paid or reimbursed by the proposed third party transferee.

(e) For the avoidance of doubt, if the Inclusion Notice provides for cash consideration but certain Tag Offerees are given the option by the proposed third party transferee to receive securities in lieu of such cash consideration in connection with a rollover transaction or similar transaction and elect to do so, such rollover securities shall be deemed to be the same form of consideration.

(f) The provisions of this Section 3.4 shall terminate upon completion of an Initial Public Offering.

Section 3.5. Drag Along Right.

(a) Subject to Section 3.3, if the KKR Stockholders (the "Dragging Stockholders") (i) receive an offer to purchase or otherwise desire to Transfer (a "Sale Proposal") a number of Shares, including Shares owned by other Stockholders (the "Drag Shares") and Shares owned by the KKR Stockholders, such that the transaction would result in a sale of 50% or more of the Shares held by the Stockholders (taking into account all Shares being "dragged") or (ii) otherwise desires to cause a Company Sale, including by merger, sale of assets (including the capital stock of any Subsidiaries of the Company) or other business combination (each of (i) and (ii), a "Required Sale"), then the Dragging Stockholders may, by delivery of a written notice (a "Required Sale Notice") with respect to such Sale Proposal at least twenty (20) Business Days prior to the anticipated closing date of such Required Sale to all other Stockholders, require all other Stockholders to Transfer their Shares to the proposed transferee, and/or take such other actions as may be reasonably requested in such Required Sale, on the Same Terms and Conditions, in accordance with the provisions of this Section 3.5.

(b) The Required Sale Notice will include the material terms and conditions of the Required Sale, including (i) the name and address of the proposed transferee, (ii) the proposed amount (including the amount per Share, if then calculable, or an estimate thereof) per Share purchase price and form of consideration and (iii) the proposed Transfer date, if known. The Dragging Stockholders will deliver or cause to be delivered to each other Stockholder copies of all transaction documents relating to the Required Sale promptly as the same become available.

(c) Each Stockholder, upon receipt of a Required Sale Notice, shall be obligated to Transfer the same proportion of its Shares as is to be transferred by the Dragging Stockholder in the Required Sale contemplated by the Sale Proposal, to vote, if required by this Agreement or otherwise, its Shares in favor of the Required Sale at any meeting of stockholders called to vote on or approve the Required Sale and/or to consent in writing to the Required Sale, to cause any designees of such Stockholder serving on the Board to vote in favor of the Required Sale in a vote among the Board called to vote on or approve the Required Sale and/or to consent in writing to the Required Sale, to waive all dissenters' or appraisal or similar rights, if any, in connection with the Required Sale, to enter into agreements relating to the Required Sale, to agree (as to itself) to make to the proposed purchaser the same representations, warranties, covenants, indemnities and agreements as the Dragging Stockholders agree to make in connection with the Required Sale, and to take or cause to be taken all other actions as may be reasonably necessary to consummate the Required Sale; *provided* that (x) unless otherwise agreed, a Stockholder may not be required to make representations and warranties or provide indemnities as to any other Stockholders, (y) no such Stockholder shall be liable for the breach of any covenant by any other Stockholder and (z) notwithstanding anything in this Section 3.5(c) to the contrary, any liability relating to representations and warranties and covenants (and related indemnities) and other indemnification obligations regarding the business of the Company or its Subsidiaries assumed in connection with the Required Sale shall be shared by all Stockholders based on their respective Sharing Percentages and in any event shall not exceed the proceeds received by such Stockholder in the Required Sale.

(d) Any expenses incurred for the benefit of the Company or all Stockholders, and any indemnities, holdbacks, escrows and similar items relating to the Required Sale, that are not paid or established by the Company (other than those that relate to representations or indemnities concerning a Stockholder's valid ownership of its Shares free and clear of all liens, claims and encumbrances or a Stockholder's authority, power and legal right to enter into and consummate a purchase or merger agreement or ancillary documentation and the enforceability thereof against such Stockholder) shall be paid or established by the Stockholders in accordance with their respective proportionate share based upon the number of Shares Transferred in such Required Sale by such Stockholder as a proportion of the total number of Shares Transferred in such Required Sale by all of the Stockholders.

(e) The Dragging Stockholders shall, in their sole discretion, decide whether or not to pursue, consummate, postpone or abandon any Required Sale and the terms and conditions thereof. No Stockholder nor any Affiliate of any such Stockholder shall have any liability to any other Stockholder or the Company arising from, relating to or in connection with the pursuit, consummation, postponement, abandonment or terms and conditions of any Required Sale except to the extent such Stockholder shall have failed to comply with the provisions of this Section 3.5.

(f) For the avoidance of doubt, if the Required Sale Notice provides for cash consideration but certain Stockholders are given the option by the third party Transferee to receive securities in lieu of such cash consideration in connection with a rollover transaction or similar transaction and elect to do so, such rollover securities shall be deemed to be the same form of consideration.

(g) The provisions of this Section 3.5 shall terminate upon the completion of an Initial Public Offering.

Section 3.6. Other Transfer Restrictions.

(a) In addition to any other restrictions to Transfer herein contained, unless agreed by the Board and other than a Company Sale or an Initial Public Offering effected in accordance with this Agreement, in no event may any Transfer of any Shares by any Stockholder be made:

(i) if such Transfer would require the registration of such Transferred Share pursuant to any applicable foreign, federal, provincial or state securities Laws;

(ii) if such Transfer would subject the Company, its stockholders or any of their respective Affiliates to regulation under the Investment Company Act of 1940, as amended, or Title I of ERISA, or would subject the Company, its stockholders or any of their respective Affiliates to regulation under the Investment Advisers Act of 1940, as amended;

(iii) if such Transfer would result in a violation of any applicable Law;

(iv) if such Transfer would require the Company or any of its Subsidiaries to obtain any licensing or regulatory consent other than any such license or regulatory consent that is immaterial or ministerial in nature or that is a condition to the Transfer;

(v) if such Transfer would reasonably be expected to have an adverse regulatory impact (other than an immaterial impact) on the Company or its Subsidiaries; or

(vi) if such Transfer is made to any Person who lacks the legal right, power or capacity to own such Shares.

(b) Except as otherwise provided in Section 3.5, the Stockholders effecting any Transfer of Shares permitted hereunder shall pay all reasonable costs and expenses, including attorneys' fees and disbursements, incurred by the Company in connection with the Transfer on a *pro rata* basis in proportion to the number of Shares so transferred by each such Stockholder.

Section 3.7. Preemptive Rights.

(a) Prior to an Initial Public Offering, if the Company wishes to issue additional equity securities of the Company (including securities exercisable for or convertible into equity securities) or any Subsidiary of the Company wishes to issue additional equity securities of such Subsidiary (including securities exercisable for or convertible into equity securities) to any Person (including the KKR Stockholders or the Walgreens Stockholders) other than the Company or a wholly owned Subsidiary of the Company, the Board shall consider the terms and conditions of such proposed issuance and thereafter the Company shall deliver to each Stockholder (each, a "Participating Stockholder", or, collectively, the "Participating Stockholders") a written notice of such proposed issuance (an "Issuance Notice") at least twenty (20) Business Days prior to the date of the proposed issuance (the period from the effectiveness pursuant to Section 5.6 of such Issuance Notice until the expiration of such twenty (20) Business Day period, the "Subscription Period"). Each Issuance Notice shall include, to the extent applicable, (i) the identity of the issuer, (ii) the amount, kind and terms of the equity securities to be included in the issuance, (iii) the price of the equity securities to be included in the issuance and (iv) the proposed issuance date, if known.

(b) Each Participating Stockholder shall have the option, exercisable at any time during first fifteen (15) Business Days of the Subscription Period by delivering an irrevocable written notice to the Company (except as otherwise provided in this Section 3.7) and on the same terms as those of the proposed issuance of such additional equity securities (including the number or amount, as applicable, of equity securities issuable upon exercise or conversion of any security), to irrevocably subscribe for such number or amount, as applicable, of equity securities up to an amount equal to the product of (i) the number or amount of any such additional equity securities (including securities exercisable for or convertible into equity securities) to be offered and (ii) a fraction the numerator of which is the number of Shares owned by such Stockholder and the denominator of which is the total number of Shares owned by all of the Stockholders (the "Preemptive Percentage"); *provided* that each Stockholder's Preemptive Percentage shall be reduced, ratably among all Stockholders, if any Person (who is not a Stockholder) has a contractual preemption right with respect to such issuance that is exercisable together with the preemption right granted to the Stockholders herein; *provided*, *further*, that if such Person waives or otherwise does not exercise its preemption right in connection with an issuance, the Company may (but shall not be obligated to) extend such preemption right ratably to the Stockholders hereunder. Each Participating Stockholder who does not exercise such option in accordance with the above requirements shall be deemed to have waived all of such Participating Stockholder's rights with respect to such issuance. In the event that any Participating Stockholder does not elect to purchase its aggregate Preemptive Percentage of the additional equity securities (including securities exercisable for or convertible into equity securities), the Company shall deliver to each Participating Stockholder (other than any declining Participating Stockholders or any Participating Stockholder who elects to purchase less than the full amount offered to it (collectively, the "Declining Stockholders")) a written notice thereof not later than the seventeenth (17th) Business Day of the Subscription Period, including the number or amount, as applicable, of equity securities which were subject to the purchase right of the Declining Stockholder(s) and which were not elected to be purchased by such Declining Stockholder(s), and each other Participating Stockholder may subscribe for not more than its Preemptive Percentage (but calculated using the Preemptive Percentage of such Stockholder relative to all other Participating Stockholders who are not Declining Stockholders) of such declined equity securities by delivering an irrevocable written notice to the Company before the expiration of the Subscription Period. Any Stockholder that has elected to purchase the entire amount offered to it pursuant to this Section 3.7(b) may propose to the Board and the other Stockholder to change the terms and conditions of the proposed issuance of such additional equity securities (for example, it may propose that such issuance will be in the form of debt instead of equity) but any such changed terms and conditions will be subject to the requisite approval of the Board in accordance with Section 2.4(a).

(c) If at the end of the 180th day after the date of the effectiveness of the notice contemplated by Section 3.7(a) (as such period may be extended to obtain any required regulatory approvals), the Company or its Subsidiary, as applicable, has not completed the issuance, each Participating Stockholder shall be released from such Participating Stockholder's obligations under the written commitment, the notice shall be null and void, and it shall be necessary for a separate notice to be furnished, and the terms and provisions of this Section 3.7 separately complied with, in order to consummate such issuance.

(d) Each Participating Stockholder shall take or cause to be taken all such reasonable actions as may be necessary or reasonably desirable in order expeditiously to consummate each issuance pursuant to this Section 3.7.

(e) Notwithstanding the requirements of this Section 3.7, the Company or its Subsidiary, as applicable, may proceed with any issuance that would otherwise be subject to this Section 3.7 prior to having complied with the provisions of this Section 3.7; *provided* that the Company or its Subsidiary, as applicable, shall:

(i) provide to each Stockholder in connection with such issuance (A) prompt notice of such issuance (which notice, in any event, shall be provided not later than ten (10) Business Days after such issuance) and (B) the notice described in Section 3.7(a) in which the actual price of the equity securities shall be set forth;

(ii) within a reasonable period of time following such notice, offer to issue (or have Transferred) to each Stockholder such number or amount of securities of the type issued in the issuance as may be requested by such Stockholder (not to exceed the number or amount of such securities which is sufficient to give such Stockholder the same fractional interest in the Company, and/or indirect interest in the Company's Subsidiaries, giving effect to such issuance and any further issuances pursuant to this Section 3.7(e), as it would have had if the Company had served a notice pursuant to, and such Stockholder had exercised its rights in full under, Sections 3.7(a) and 3.7(b) prior to the issuance) on the same economic terms and conditions with respect to such securities as the subscribers in the issuance received; and

(iii) keep such offer open for a period of twenty (20) Business Days, during which period, each such Stockholder may accept such offer by sending an irrevocable written acceptance to the Company or its Subsidiary, as applicable, committing to purchase in accordance with the procedures set forth in Section 3.7(b), an amount of such securities (not to exceed the amount specified in the offer made pursuant to Section 3.7(e)(ii)).

(f) The provisions of this Section 3.7 shall not apply to issuances by the Company or any Subsidiary of the Company as follows:

(i) Subject to the provisos at the end of the first sentence of Section 3.7(b), any issuance of securities pursuant to any third party contractual right outstanding on the Closing Date or created after the Closing Date in a transaction that complied with the provisions of this Agreement;

(ii) any issuance of securities pursuant to the Initial Management Equity Program or any other Management Equity Program adopted in accordance with the provisions of this Agreement;

(iii) any issuance of securities: (A) in any direct or indirect business combination or acquisition transaction involving the Company or any of its Subsidiaries, (B) in connection with any joint venture or partnership or (C) to financial institutions, commercial lenders or other debt investors, broker/finders or any similar party, or their respective designees in connection with the incurrence or guarantee of indebtedness by the Company or any of its Subsidiaries;

(iv) the issuance of Shares (of any class) to the Stockholders or otherwise, in each case, in connection with the Closing; any issuance of securities in connection with any stock split, stock dividend paid on a proportionate basis to all holders of the affected class of equity interest or recapitalization approved by the governing body of the entity making such issuance; or

(v) any issuance of securities in an Initial Public Offering.

Section 3.8. Appraisal Related Capital Contributions.

(a) Neither the Walgreens Stockholders nor the KKR Stockholders will have any obligation to make any capital commitments or capital contributions to the Company or its Subsidiaries following the Closing except as expressly required pursuant to this Section 3.8.

(b) If the Board determines from time to time that the Company or PharMerica requires additional equity capital in order to satisfy any post-Closing payment obligations to pre-Closing holders of PharMerica stock that have exercised appraisal rights, whether such payment obligations are for the payment of the Merger Consideration (as defined in the Merger Agreement) if any such stockholders withdraw or fail to perfect their appraisal claim, for payment of a settlement of any appraisal claim, or for payment of a court-determined appraisal award (an "Appraisal-Related Additional Capital Contribution"), the Company shall deliver an Issuance Notice to the KKR Stockholders and the Walgreens Stockholders and promptly thereafter the Walgreens Stockholders and the KKR Stockholders shall fund their pro rata share (based on the Shares then owned by the Walgreens Stockholders and the KKR Stockholders, respectively) of such Appraisal-Related Additional Capital Contribution to the Company in an amount not to exceed $125 million in aggregate for all such Appraisal-Related Additional Capital Contributions (the "Appraisal-Related Additional Capital Contribution Cap"). If a Stockholder fails to fund such pro rata share of any such Appraisal-Related Additional Capital Contribution, any Stockholder that has fully funded its pro rata share may propose to the Board and the other Stockholder to change the terms and conditions of the proposed Appraisal-Related Additional Capital Contribution (for example, it may propose that such funding will be in the form of debt instead of equity) but any such changed terms and conditions will be subject to the requisite approval of the Board in accordance with Section 2.4(a).

Section 3.9. Specific Performance. In furtherance of and not in limitation of Section 5.10, each of the parties to this Agreement acknowledges that it shall be impossible to measure in money damages to the Company or the Stockholder(s), if any of them or any transferee or any legal representative of any party hereto fails to comply with any of the restrictions or obligations imposed by this Article III, that every such restriction or obligation is material, and that in the event of any such failure, neither the Company nor the Stockholder(s) shall have an adequate remedy at law or in damages. Therefore, each party hereto consents to the issuance of an injunction or the enforcement of other equitable remedies against it at the suit of an aggrieved party without the posting of any bond or other equity security, to compel specific performance of all of the terms of this Article III and to prevent any Transfer of Shares in contravention of any terms of this Article III, and waives, any defenses thereto, including the defenses of: (i) failure of consideration; (ii) breach of any other provision of this Agreement and (iii) availability of relief in damages.

ARTICLE IV

OTHER COVENANTS

Section 4.1. Further Assurances. In connection with this Agreement and the transactions contemplated hereby, the Company and each Stockholder shall execute and deliver all such future instruments and take such other and further action as may be reasonably necessary or appropriate to carry out the provisions of this Agreement and the intention of the parties as expressed herein; *provided* that any such instrument or action does not increase a Stockholder's obligations or have an adverse effect upon such Stockholder's rights under this Agreement.

Section 4.2. Information.

(a) The Company will provide, or cause to be provided, to (x) each KKR Stockholder for so long as the KKR Stockholders Beneficially Own at least 5% of the total outstanding Shares and (y) each Walgreens Stockholder for so long as the Walgreens Stockholders Beneficially Own at least 5% of the total outstanding Shares and, in each case, until the completion of an Initial Public Offering:

(i) reasonable access to the properties, books and records, personnel and advisors (including outside auditors) of the Company and its Subsidiaries, at reasonable hours and upon reasonable advance notice; provided that such access is also granted to each of the KKR Stockholders' and the Walgreens Stockholders' respective advisors (including attorneys and accountants);

(ii) as soon as reasonably available after the end of each fiscal month of each fiscal quarter (other than such fiscal month that ends on the same day as the end of such fiscal quarter), an internally- generated consolidated balance sheet of the Company and its Subsidiaries as of the end of each such month and the related consolidated statements of income and cash flows of the Company and its Subsidiaries for such month and for the then elapsed portion of the fiscal year; and

(iii) (A) as soon as reasonably available after the end of the applicable fiscal period, annual audited financial statements of the Company and its Subsidiaries, and quarterly unaudited financial statements of the Company and its Subsidiaries and (B) as soon as reasonably practicable, such other financial or operating information regarding the Company and its Subsidiaries as such Stockholder may reasonably request from time to time, including such information as such Stockholder may in good faith deem necessary or advisable for such Stockholder's external reporting, if applicable, including in the case of the Walgreens Stockholder, for its equity method accounting and external reporting thereof.

(b) Notwithstanding the foregoing, the Company shall not be required to provide, or be required to cause to be provided, the information or access set forth in Section 4.2(a) to the extent that such provision or access (i) is determined by the Company in good faith to be unreasonably burdensome to, or unreasonably disruptive to the operations of, the Company or its Subsidiaries, (ii) would result in the disclosure of any trade secrets or proprietary, privileged or other competitively sensitive information of the Company or its Subsidiaries or (iii) would violate any confidentiality obligations of the Company or its Subsidiaries or violate any Law (including competition laws or regulations).

(c) In furtherance of and not in limitation of any other similar agreement such Stockholder may have with the Company or its Subsidiaries, each Stockholder agrees that all Confidential Information shall be kept confidential by such Stockholder and shall not be disclosed by such Stockholder in any manner whatsoever; *provided*, *however*, that (i) any of such Confidential Information may be disclosed (A) by a Stockholder to its Affiliates (other than an entity deemed by the Board to be a long-term care pharmacy or specialty infusion competitor of the Company; *provided* that, in the case of Walgreens, WBA and its Subsidiaries shall not be prohibited from receiving Confidential Information by virtue of this parenthetical), subject, however, to the provisions of Section 2.7 and their respective directors, managers, officers, employees and authorized representatives (including, attorneys, accountants, consultants, bankers and financial advisors of such Stockholder or its Affiliates) and each Stockholder or Affiliate of such Stockholder that is a limited partnership or limited liability company may disclose such Confidential Information to any former direct or indirect partners, members or other equityholders who retained an economic interest in such Stockholder and to any current or prospective direct or indirect partner, limited partner, member, general partner, equityholder or management company of such Stockholder or Affiliate (or any employee, attorney, accountant, consultant, banker or financial advisor or representative of any of the foregoing) (collectively, for purposes of this Section 4.2(c) and the definition of "Confidential Information", "Representatives") who have a legitimate need to be provided such Confidential Information in the good faith determination of such disclosing Stockholder and (B) on a confidential basis, by a KKR Stockholder or its Affiliate to their respective Representatives that are current or prospective direct or indirect partners, members or other equityholders of such KKR Stockholder or Affiliate or are former direct or indirect partners, members or other equityholders who retained an economic interest in such KKR Stockholder or Affiliate to the extent such disclosure is limited to customary disclosures made in the ordinary course of business by an investment fund to its current, prospective or former investors or equity holders in respect of investments made thereby, including in connection with the disposition thereof; provided that such KKR Stockholder shall be responsible for any breach of this provision by any such Representative, (ii) any disclosure of Confidential Information may be made by a Stockholder, an Affiliate of such Stockholder or their respective Representatives to the extent the Company consents in writing, (iii) Confidential Information may be disclosed by a Stockholder to a potential Permitted Transferee (but such Stockholder shall be responsible for any breach of this provision or such confidentiality agreement by any such Person) or any other transferee to whom such Stockholder is permitted to transfer Shares hereunder, in each case, who shall agree to be bound by the provisions of this Section 4.2(c) or a

confidentiality agreement having restrictions substantially similar to this Section 4.2(c), and (iv) Confidential Information may be disclosed by any Stockholder, any Affiliate of such Stockholder or their respective Representatives to the extent that such Stockholder, Affiliate or Representative has received advice from its counsel that it is legally compelled to do so or is required to do so to comply with applicable Law or legal process or government agency or self-regulatory body request; *provided* that prior to making such disclosure, the Stockholder, Affiliate or Representative, as the case may be, uses commercially reasonable efforts to preserve the confidentiality of the Confidential Information to the extent permitted by Law, including to the extent practicable and permitted by Law, consulting with the Company regarding such disclosure and, if reasonably requested by the Company, assisting the Company, at the Company's expense, in seeking a protective order to prevent the requested disclosure; *provided further* that the Stockholder, Affiliate or Representative, as the case may be, uses reasonable best efforts to disclose only that portion of the Confidential Information as is requested by applicable Governmental Authority or as is, based on the advice of its counsel, legally required. Notwithstanding anything to the contrary herein, the confidentiality obligations of the Stockholders under this Section 4.2(c) shall not apply to the disclosure of the fact that the disclosing Stockholder has an investment in the Company or its Subsidiaries (or their respective successors) in name only (it being understood that this disclosure shall not include the investment amount, valuation information or any other information related thereto nor shall it include the identity of any other Stockholder, unless such other Stockholder consents); *provided* that, for the avoidance of doubt, such information may otherwise be disclosed by the Stockholders to their respective Representatives in accordance with the first sentence of this Section 4.2(c).

(d) Each party agrees to cooperate with each other party reasonably and in good faith with respect to the publication of any press release or public announcement or other communication with any news media in respect of the Acquisition, this Agreement, the Transaction Agreements or the transactions contemplated hereby or thereby. Unless otherwise required by applicable Law or the rules of any stock exchange or regulatory authority (including a self-regulatory organization), no party hereto may issue any press release or otherwise make any public announcement or comment relating to the Acquisition, this Agreement, the Transaction Agreements or the transactions contemplated hereby or thereby, without the prior consent of KKR and Walgreens.

Section 4.3. Non-Solicit and Non-Compete.

(a) In furtherance of the transactions contemplated by the Merger Agreement and this Agreement and the substantial economic benefit to be conferred upon the parties thereto and hereto, until the expiration of the applicable Restricted Period, each of KKR Americas XII and WBA (each, a "Restricted Person") shall not (and each of them shall cause its controlled Affiliates to not), directly or indirectly, recruit, solicit for employment, hire, engage, retain, employ or offer employment to any senior executive or management employee of the Company or any of its Subsidiaries (collectively, "Covered Persons"), or knowingly encourage or knowingly facilitate any Covered Person to leave employment with the Company or any of its Subsidiaries; *provided*, that the foregoing shall not be deemed to prohibit the Restricted Persons or any of their respective controlled Affiliates from engaging in general media advertising or general employment solicitation that is not targeted towards Covered Persons.

(b) In furtherance of the transactions contemplated by the Merger Agreement and this Agreement and the substantial economic benefit to be conferred upon the parties thereto and hereto, until the expiration of the applicable Restricted Period, each Restricted Person shall not (and each of them shall cause its controlled Affiliates to not), (i) engage or be involved, in any capacity, directly or indirectly in the Restricted Business, (ii) directly or indirectly acquire Beneficial Ownership of any Capital Stock (or any debt securities exercisable or exchangeable for, or convertible into, Capital Stock) of, or provide any loan or other financial assistance to, any Person that derives 30% or more of its revenue or EBITDA (based on its most recent quarterly financial statements) from operating in the U.S. long term care pharmacy business (such business, the "Restricted Business") anywhere in the world; *provided* that for the avoidance of doubt, WBA's (and its controlled Affiliates') retail pharmacies will be permitted to continue to provide services as a back-up supplier to skilled nursing facilities consistent with practices in effect as of the date of the Original Agreement; *provided, further* that the Restricted Persons and their respective controlled Affiliates shall not be prohibited from Beneficially Owning, solely as a passive investment, not in excess of 5% in the aggregate of any Capital Stock of any Person if

such Capital Stock is of the same class of Capital Stock that is listed on any national securities exchange, regardless of whether or not such Person is engaging in the Restricted Business, so long as such Restricted Person does not otherwise violate the restrictions set forth in this Section 4.3(b).

(c) For the avoidance of doubt, none of the covenants in this Section 4.3 will apply to any KKR Portfolio Company or to any business of Kohlberg Kravis Roberts & Co. L.P. and its Affiliates other than the private equity business of KKR Americas XII, *provided* that KKR Americas XII will not, directly or indirectly, cause, direct, knowingly encourage or knowingly facilitate any KKR Portfolio Company to violate the provisions of this Section 4.3.

(d) Each of the parties acknowledges that the restrictions contained in this Section 4.3 are reasonable and necessary to protect the legitimate interests of the Company and its Subsidiaries and constitute a material inducement to the Company to enter into this Agreement and consummate the transactions contemplated by this Agreement. It is the intent of the parties that the provisions of this Section 4.3 shall be fully enforced to the fullest extent permissible under applicable Law and public policies applied in each jurisdiction in which enforcement is sought. If any particular provision or portion of this Section 4.3 shall be adjudicated to be invalid or unenforceable, such provision or portion thereof shall be deemed amended to the minimum extent necessary to render such provision or portion valid and enforceable, such amendment to apply only with respect to the operation of such provision or portion in the particular jurisdiction in which such adjudication is made.

(e) The provisions of this Section 4.3 shall terminate upon a Company Sale.

Section 4.4. Term Debt.

(a) KKR Americas XII and WBA acknowledge that (i) pursuant to the senior credit facilities of PharMerica entered into at the Closing (together with any additional or replacement credit facilities entered into by PharMerica or its Subsidiaries after the Closing in accordance with the terms of this Agreement, the "Senior Credit Facility"), KKR Americas XII and WBA, collectively, are subject to a limit on purchases of the term loans thereunder (the "Term Debt") of 30% of the total outstanding Term Debt (such limitation, together with any analogous limitation under any documentation governing any Senior Credit Facility entered into after the Closing, the "Term Debt Limit"), and that KKR Capital Markets LLC and other debt funds managed or advised by Kohlberg Kravis Roberts & Co. L.P. or any of its Affiliates (collectively, "KKR Debt Fund Affiliates", which, for the avoidance of doubt, shall not be deemed to include any KKR Portfolio Company) are not subject to this limitation under the terms of the Senior Credit Facility, and (ii) pursuant to Kohlberg Kravis Roberts & Co. L.P.'s internal investment policy, KKR Debt Fund Affiliates, collectively, are subject to a limit on purchases of the Term Debt of 20% of the total outstanding Term Debt. KKR Americas XII and WBA are hereby agreeing to certain principles with respect to the acquisition of Term Debt by them and their Subsidiaries or certain of their Affiliates so that, to the extent any such parties purchase any Term Debt, KKR Americas XII (together with the KKR Debt Fund Affiliates), on the one hand, and the Walgreens Stockholder and its Subsidiaries, on the other hand, are able to acquire such Term Debt pro rata to their respective then Beneficial Ownership of Shares by the KKR Stockholders and the Walgreens Stockholders (the "Pro Rata Equity Holding") while complying with the Term Debt Limit, as follows:

(i) if either KKR Americas XII or WBA (or their respective Subsidiaries) wishes to purchase any Term Debt pursuant to the Senior Credit Facility (and none of the KKR Debt Fund Affiliates has previously purchased any Term Debt), the other shall be notified prior to such investment and given the opportunity to participate up to its Pro Rata Equity Holding on such date, but such combined purchases of Term Debt by KKR Americas XII and WBA (or their respective Subsidiaries) shall not exceed the Term Debt Limit;

(ii) if any KKR Debt Fund Affiliate wishes to purchase any Term Debt pursuant to the Senior Credit Facility (and neither KKR Americas XII nor WBA (or their respective Subsidiaries) has previously purchased any Term Debt), it may purchase up to 20% of the total outstanding Term Debt, and WBA shall be notified following such investment and WBA (or any of its Subsidiaries) may purchase Term

Debt in an amount equal to (x) its Pro Rata Equity Holding at such time multiplied by (y) the sum of the percentage of the total outstanding Term Debt purchased by KKR Debt Fund Affiliates plus 30% (i.e., such that, assuming the Pro Rata Equity Holding of each of KKR Americas XII and WBA on the date hereof, if KKR Debt Fund Affiliates purchase 20% of the total outstanding Term Debt, WBA (and its Subsidiaries) may purchase up to 15% of the total outstanding Term Debt);

(iii) if either (x) KKR Americas XII and/or WBA (or their respective Subsidiaries) has purchased Term Debt (but collectively less than the Term Debt Limit) and then any KKR Debt Fund Affiliate wishes to purchase Term Debt or (y) KKR Debt Fund Affiliates have purchased Term Debt (up to 20% of the total outstanding Term Debt) and then KKR Americas XII and/or WBA (or their respective Subsidiaries) wishes to purchase Term Debt, the party (or parties) that wish to purchase Term Debt will notify the other parties and the parties will coordinate with respect to the next purchase(s) of Term Debt to ensure that WBA (and its Subsidiaries) will be able to purchase (at that time or going forward) Term Debt up to its Pro Rata Equity Holding at such time of the aggregate amount of the Term Debt purchased (or to be purchased) by KKR Americas XII, the KKR Debt Fund Affiliates and WBA (and its Subsidiaries) in compliance with the Term Debt Limit, it being understood that, in order to achieve such outcome KKR Debt Fund Affiliates may be required to suspend or cease further purchases of Term Debt;

(iv) if (x) the Term Debt Limit has been reached and (y) WBA (and its Affiliates) has not previously been afforded the opportunity to purchase Term Debt up to its Pro Rata Equity Holding, then KKR Americas XII (and/or the KKR Debt Fund Affiliates) that have purchased Term Debt shall promptly sell, in one or more transactions (and to one or more parties that are not WBA or its Affiliates), an amount of Term Debt such that if WBA (or its Affiliates) were to purchase the same amount of Term Debt, WBA and its Affiliates would own its Pro Rata Equity Holding of the Term Debt;

(v) if (x) the Term Debt Limit has been reached and (y) KKR Americas XII (together with the KKR Debt Fund Affiliates) have not previously been afforded the opportunity to purchase Term Debt up to their Pro Rata Equity Holding, then WBA and/or its Affiliates that have purchased Term Debt shall promptly sell, in one or more transactions (and to one or more parties that are not KKR Debt Fund Affiliates or KKR Americas XII or their respective Affiliates), an amount of Term Debt such that if KKR Americas XII (or the KKR Debt Fund Affiliates) were to purchase the same amount of Term Debt they would own their Pro Rata Equity Holding of the Term Debt; and

(vi) for the avoidance of doubt, subject to compliance with the Term Debt Limit and the foregoing principles, neither KKR Americas XII nor WBA (nor any of their respective Affiliates or Subsidiaries) shall have a blocking right if it chooses not to participate in any such investment in Term Debt.

(b) For the avoidance of doubt, none of the covenants in this Section 4.4 will apply to any KKR Portfolio Company or to any business of Kohlberg Kravis Roberts & Co. L.P. and its Affiliates other than the KKR Debt Fund Affiliates and private equity business of KKR Americas XII and; *provided* that KKR Americas XII will not, directly or indirectly, cause, direct, knowingly encourage or knowingly facilitate any KKR Portfolio Company to violate the provisions of this Section 4.4.

(c) The provisions of this Section 4.4 shall terminate upon the completion of an Initial Public Offering.

Section 4.5. Additional Synergies. KKR and Walgreens will work in good faith with the Company and its Subsidiaries to realize synergy opportunities (in addition to the synergies with respect to drug purchasing under the ABDC Prime Vendor Agreement or pursuant to the WBAD Membership Agreement). Any services other than drug purchasing under the ABDC Prime Vendor Agreement or WBAD Membership Agreement provided by Walgreens (or its Affiliates) to the Company or its Subsidiaries will be priced based on transfer pricing of Walgreen's (or its Affiliates') marginal cost plus 10%.

Section 4.6. Standstill. In furtherance of the transactions contemplated by the Merger Agreement and this Agreement and the substantial economic benefit to be conferred upon the parties thereto and hereto, during the period commencing on the date of an Initial Public Offering and terminating on the earliest to occur of (i) the date that is the third anniversary of the date of the Initial Public Offering and (ii) the date that the KKR Stockholders collectively cease to hold any Shares, WBA shall not (and shall cause its controlled Affiliates to not), directly or indirectly: (i) acquire or agree, offer, seek or propose to acquire, or cause to be acquired, ownership (including, but not limited to, any voting right or beneficial ownership as defined in Rule 13d-3 under the Exchange Act)) of any voting securities of the IPO Corporation or any option, forward contract, swap or other position with a value derived from voting securities of the IPO Corporation (other than any broad index-based derivative that is not related to the value of any such securities of the IPO Corporation) or conveying the right to acquire or vote securities of the IPO Corporation, or any ownership of any of the assets or businesses of the IPO Corporation, or any rights or options to acquire any such ownership (including from a third party); (ii) make, or in any way participate in, any "solicitation" (as such term is used in the Exchange Act) to vote or seek to advise or influence in any manner whatsoever any Person with respect to the voting of any securities of the IPO Corporation; (iii) form, join, or in any way communicate or associate with other security-holders or participate in a "group" (within the meaning of Section 13(d)(3) of the Exchange Act) with respect to the IPO Corporation or any voting securities of the IPO Corporation; (iv) arrange, or in any way participate in, any financing for the purchase of any voting securities or securities convertible or exchangeable into or exercisable for any voting securities or assets of the IPO Corporation; (v) otherwise act, whether alone or with others, to seek to propose to the IPO Corporation or any of its stockholders any merger, business combination, tender or exchange offer, restructuring, recapitalization, liquidation of or other transaction with or involving the IPO Corporation or otherwise act, whether alone or with others, to seek to control, change or influence the management, board of directors or policies of the IPO Corporation, or nominate any person as a director of the IPO Corporation (except in accordance with its rights under this Agreement), or propose any matter to be voted upon by the stockholders of the IPO Corporation; (vi) solicit, negotiate with, or provide any information to, any Person (other than its permitted Representatives) with respect to a merger, business combination, tender or exchange offer, restructuring, recapitalization, liquidation of or other transaction with or involving the IPO Corporation or any other acquisition of the IPO Corporation, any acquisition of voting securities of or all or any portion of the assets of the IPO Corporation, or any other similar transaction; (vii) advise, assist or encourage any other Person in connection with any of the foregoing; (viii) take any action which is reasonably likely to cause or require WBA (or its Affiliates) or the IPO Corporation to make a public announcement regarding any of the types of matters set forth in this Section 4.6; (ix) disclose any intention, plan or arrangement inconsistent with the foregoing; or (x) request that the IPO Corporation to amend or waive any provision of this Section 4.6 (including this clause (x)).

Section 4.7. Prime Vendor Agreement.

(a) Walgreens will not amend, modify or waive the ABDC Prime Vendor Agreement in a manner that adversely and disproportionately impacts PharMerica or its Subsidiaries as compared to Walgreens and/or the other "affiliates" (as defined therein) (an "Adverse PVA Amendment") without the prior written consent of the Company; provided, however, that in the event that Walgreens elects, in its sole discretion, to effect an Adverse PVA Amendment without the prior written consent of the Company, Walgreens shall indemnify PharMerica and its Subsidiaries for any losses incurred by any of them arising solely from the adverse and disproportionate impact of such Adverse PVA Amendment on PharMerica and its Subsidiaries, up to $50,000,000 in the aggregate (the "Annual Indemnification Cap") for each calendar year; provided PharMerica and its Subsidiaries shall not be entitled to such indemnification for losses incurred following September 30, 2026.

(b) In the event the ABDC Prime Vendor Agreement is terminated (i) by Walgreens, including as a result of a Change of Control (as defined in the Underlying ABDC Prime Vendor Agreement) of ABDC (but excluding a termination as set forth in Section 4.7(c)), (ii) by mutual agreement of ABDC and Walgreens, (iii) by ABDC, in accordance with its terms, as a result of a Change of Control (as defined in the Underlying ABDC Prime Vendor Agreement) of Walgreens or (iv) by ABDC, in accordance with its terms, as a result of Walgreens' uncured default under the ABDC Prime Vendor Agreement, Walgreens shall in each case use its commercially reasonable efforts to ensure that PharMerica and its Subsidiaries are treated as affiliates of Walgreens under (or otherwise are entitled to purchase pharmaceuticals and other products on the terms set forth in or pursuant to) any new or replacement prime vendor agreement or any similar agreement or any other arrangement serving as the

principle arrangement for the purchasing of pharmaceuticals and other products by Walgreens or any of its Affiliates (an "Alternative Purchasing Arrangement" and any such Alternative Purchasing Arrangement under which PharMerica and its Subsidiaries are treated as affiliates of Walgreens or otherwise are entitled to purchase pharmaceuticals and other products, an "Affiliated Purchasing Arrangement"); provided, however, that if following a termination of the ABDC Prime Vendor Agreement as set forth in this Section 4.7(b), Walgreens or any of its Affiliates enters into an Alternative Purchasing Arrangement that is not an Affiliated Purchasing Arrangement (an "Adverse PVA Termination"), Walgreens shall indemnify PharMerica and its Subsidiaries for any losses incurred by them arising from (i) an Adverse PVA Termination or (ii) a termination of the WBAD Membership Agreement, dated as of June 27, 2018, by and among Walgreens Boots Alliance Development GmbH ("WBAD") and PharMerica (as may be amended from time to time, the "WBAD Membership Agreement") pursuant to (x) Section 4.C.(ii) thereof, (y) Section 4.C.(iii) thereof if (A) the underlying grounds for such termination arises directly from an affirmative action taken by WBAD or its Affiliates after the date hereof (including allowing additional parties to become members of the WBAD GPO) or (B) following such termination, the activities conducted by the WBAD GPO are no longer in violation of applicable antitrust Law and Walgreens Boots Alliance, Inc. (or any Affiliate thereto) remains as a member of the WBAD GPO, or (z) Section 4.B(i)(c) thereof if the basis for such termination would result in a right to indemnification under the immediately preceding clauses (x) or (y), in each of cases (x), (y) and (z) other than as a result of any action taken by PharMerica or its Subsidiaries (each, an "Adverse WBAD Termination") up to the Annual Indemnification Cap for each calendar year; provided PharMerica and its Subsidiaries shall not be entitled to such indemnification for losses incurred following September 30, 2026, and provided, further, that all indemnifiable losses under this Section 4.7, shall be calculated on a quarterly basis by a mutually agreed upon internationally-recognized accounting firm, jointly selected and retained by PharMerica and Walgreens (the "Expert Auditor") by reference to the then-current pharmaceutical pricing applicable to PharMerica, on the one hand, and to Walgreens, on the other hand (which the parties acknowledge may vary from time to time) at the times that such losses are incurred; provided, further, that each of PharMerica and Walgreens shall cooperate reasonably with, and provide reasonable access to its books, records and accounts to, such Expert Auditor solely for the purpose of calculating such losses. Notwithstanding anything to the contrary contained in this Agreement, PharMerica and its Subsidiaries shall use commercially reasonable efforts to mitigate or otherwise reduce the amount of any indemnifiable losses that it may incur under this Section 4.7. For the avoidance of doubt, in no event shall Walgreens be required to take any efforts to enter into an Affiliated Purchasing Arrangement if the ABDC Prime Vendor Agreement is terminated by Walgreens or ABDC, in accordance with its terms, as a result of a Change of Control (as such term is defined in the Eighth Amendment to the ABDC Prime Vendor Agreement) of PharMerica that is not a Change of Control (as defined in the Underlying Prime Vendor Agreement) of Walgreens.

(c) In the event that (i) the ABDC Prime Vendor Agreement is terminated by Walgreens, in accordance with its terms, as a result of ABDC's uncured breach of the ABDC Prime Vendor Agreement; or (ii) ABDC terminates the ABDC Prime Vendor Agreement, or ceases to otherwise perform under its terms, in connection with a claim of default by Walgreens under the ABDC Primer Vendor Agreement, that is disputed and contested by Walgreens, Walgreens shall in each case use reasonable best efforts to ensure that any new or replacement prime vendor agreement that Walgreens enters into following clause (i) or (ii) is an Affiliated Purchasing Arrangement.

(d) Walgreens shall promptly notify the Company and PharMerica in the event of an Adverse PVA Amendment or an Adverse PVA Termination, and if a claim shall arise for indemnification under this Section 4.7, PharMerica shall promptly provide Walgreens with PharMerica management's good faith estimate of the amount of documented losses actually suffered by PharMerica and its Subsidiaries from any such Adverse PVA Amendment or any such Adverse PVA Termination or from any Adverse WBAD Termination (such amount, the "Indemnification Amount"). Following delivery of any claim by PharMerica, Walgreens and PharMerica shall be given such access (including electronic access, to the extent available) as they may reasonably require to the books and records of the other party, in addition to the rights provided to Walgreens under Section 4.2, and access to such personnel or representatives of the other party (during normal business hours) as PharMerica or Walgreens may reasonably require for the purposes of confirming the Indemnification Amount.

(e) Walgreens shall have sixty (60) days from the date of such notice to object to the Indemnification Amount by delivery of a written notice of such objection, specifying in reasonable detail the basis of such objection. Failure to timely so object shall constitute a final and binding acceptance of the Indemnification Amount. If an objection is timely delivered to PharMerica, then PharMerica and Walgreens shall negotiate in good faith for a period of sixty (60) days from the date PharMerica receives the objection notice (such period, the "Negotiation Period"). After the Negotiation Period, if Walgreens and PharMerica cannot agree on the Indemnification Amount, then either party may seek the appropriate legal remedy, including equitable or injunctive relief in a court of equity, with respect to such dispute.

(f) With respect to the obligations of PharMerica or any of its Subsidiaries under the ABDC Prime Vendor Agreement, if Walgreens incurs any penalties or is required to make any other payments as a result of the failure by PharMerica or its Subsidiaries to pay any amounts due thereunder, then PharMerica or the Company shall reimburse Walgreens in full for any such payment made by Walgreens on PharMerica's or its Subsidiaries' behalf.

(g) Notwithstanding anything to the contrary herein, all of Walgreens' obligations herein with respect to the ABDC Prime Vendor Agreement, including this Section 4.7, shall terminate upon the earlier to occur of (i) the execution of a separate agreement between PharMerica or any of its Subsidiaries and ABDC for the purchase of pharmaceuticals and other products directly from ABDC, or (ii) September 30, 2026. Following the date of the Original Agreement, Walgreens shall work in good faith with the Company, PharMerica and the KKR Stockholder to enable PharMerica to enter into its own purchasing agreement with ABDC on at least as favorable terms to PharMerica as the ABDC Prime Vendor Agreement, provided that, whether PharMerica enters into any such proposed purchasing agreement or continues to purchase pharmaceuticals and other products under the ABDC Prime Vendor Agreement shall be decided by the Board in its sole discretion.

ARTICLE V

MISCELLANEOUS

Section 5.1. Termination. This Agreement shall terminate only (i) by written consent of both KKR and Walgreens or (ii) upon the date of consummation of a Company Sale. Termination of this Agreement shall not relieve any party for the breach of any obligations under this Agreement prior to such termination. Notwithstanding any such termination of this Agreement, Section 2.1(d)(i), Section 3.5(d), Section 3.5(e), Section 3.6(b) and this Article V shall survive any termination of this Agreement.

Section 5.2. Indemnification. The Company hereby acknowledges and agrees that each Stockholder and certain Affiliates of each Stockholder and their respective directors, officers, managers, partners, members, employees, agents, advisors, consultants, representatives and controlling Persons are entitled to indemnification in accordance with, and pursuant to the terms of, the Indemnification Agreement.

Section 5.3. Amendments and Waivers. Except as otherwise provided herein, this Agreement may not be amended except by an instrument in writing signed by each of the Company, the KKR Stockholders and the Walgreens Stockholders; *provided* that KKR Americas XII shall have the right to consent to any amendment or waiver of any of the KKR Americas Specified Provisions; *provided*, *further*, that WBA shall have the right to consent to any amendment or waiver of any of the WBA Specified Provisions; *provided*, *further*, that any party may waive (in writing) the benefit of any provision of this Agreement with respect to itself for any purpose. Prompt written notice of any amendment to this Agreement shall be given to all Stockholders and, if such amendment pertains to any of the KKR Americas Specified Provisions, to KKR Americas XII and, if such amendment pertains to any of the WBA Specified Provisions, to WBA. No waiver of any breach of any of the terms of this Agreement shall be effective unless such waiver is expressly in writing and executed and delivered by the party against whom such waiver is claimed. A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations with respect to this Agreement is not a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person with respect to this Agreement. Failure on the part of a Person to complain of any act

of any Person or to declare any Person in default, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default until the applicable statute-of-limitations period has run.

Section 5.4. Successors, Assigns and Transferees. Subject to the restrictions on Transfers set forth in this Agreement, this Agreement shall be binding upon and inure to the benefit of and be enforceable by the parties hereto and their respective successors and permitted assigns and; and by their signatures hereto, each party intends to and does hereby become bound. The rights and obligations of the parties shall not be assigned without the prior written consent of KKR and Walgreens. Any assignment of rights or obligations in violation of this Section 5.4 shall be null and void. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any Person any legal or equitable right, remedy or claim under, in or in respect of this Agreement or any provision herein contained other than the parties hereto and their respective permitted successors and assigns.

Section 5.5. Legend.

(a) Unless and until the Board shall determine otherwise, all Shares shall be uncertificated and recorded in the books and records of the Company. If at any time the Board shall determine to certificate Shares, such certificates shall bear a legend on the face thereof in the following form:

(i) THE SECURITIES REPRESENTED BY THIS CERTIFICATE WERE ISSUED IN A TRANSACTION THAT WAS NOT REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR UNDER THE SECURITIES LAWS OF ANY STATE AND MAY NOT BE TRANSFERRED, SOLD OR OTHERWISE DISPOSED OF EXCEPT PURSUANT TO AN EFFECTIVE REGISTRATION STATEMENT OR PURSUANT TO AN EXEMPTION FROM REGISTRATION UNDER SAID ACT AND APPLICABLE STATE SECURITIES LAWS.

(ii) THE SECURITIES REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO THE TERMS AND CONDITIONS SET FORTH IN A STOCKHOLDERS' AGREEMENT, DATED AS OF DECEMBER 7, 2017, AS AMENDED FROM TIME TO TIME, COPIES OF WHICH MAY BE OBTAINED FROM THE ISSUER WITHOUT CHARGE UPON REQUEST. NO TRANSFER OF SUCH SECURITIES WILL BE MADE ON THE BOOKS OF THE ISSUER UNLESS ACCOMPANIED BY EVIDENCE OF COMPLIANCE WITH THE TERMS OF SUCH AGREEMENT.

(b) Upon the sale of any Shares pursuant to (i) an effective registration statement under the Securities Act or pursuant to Rule 144 under the Securities Act in compliance with this Agreement or (ii) another exemption from registration under the Securities Act, the certificates representing such Shares, if any, shall be replaced, at the expense of the Company, with certificates or instruments not bearing the legends required by this Section 5.5; *provided* that the Company may condition such replacement of certificates under clause (ii) upon the receipt of an opinion of securities counsel reasonably satisfactory to the Company.

Section 5.6. Notices.

(c) To the extent permitted by Law, whenever any notice is required to be given by Law or this Agreement, a written waiver thereof, signed by the Person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

Section 5.7. Entire Agreement. Except as otherwise expressly set forth herein, this Agreement, together with the Transaction Agreements, embodies the complete agreement and understanding among the parties hereto with respect to the subject matter hereof and supersedes and preempts any prior understandings, agreements or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

Section 5.8. Delays or Omissions. It is agreed that no delay or omission to exercise any right, power or remedy accruing to any party, upon any breach, default or noncompliance by another party under this Agreement, shall impair any such right, power or remedy, nor shall it be construed to be a waiver of any such breach, default or noncompliance, or any acquiescence therein, or of or in any similar breach, default or noncompliance thereafter occurring. It is further agreed that any waiver, permit, consent or approval of any kind or character on the part of any party hereto of any breach, default or noncompliance under this Agreement or any waiver on such party's part of any provisions or conditions of this Agreement, must be in writing and shall be effective only to the extent specifically set forth in such writing. All remedies, either under this Agreement, by law, or otherwise afforded to any party, shall be cumulative and not alternative.

Section 5.9. Governing Law; Severability; Limitation of Liability; Judicial Proceedings.

(a) This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware, without regard to the conflicts of law rules of such state.

(b) In the event of a direct conflict between the provisions of this Agreement and any mandatory, non-waivable provision of the DGCL, such provision of the DGCL shall control. In the event of a direct conflict between the provisions of this Agreement and the Certificate of Incorporation or bylaws of the Company, this Agreement shall control as between the parties hereto and the parties hereto furthermore undertake to exercise their powers as Stockholders to amend the Certificate of Incorporation or bylaws, as applicable, so as to be consistent with and give effect to the terms of this Agreement. If any provision of the DGCL provides that it may be varied or superseded in the Certificate of Incorporation or bylaws of a corporation, such provision shall be deemed superseded and waived in its entirety if this Agreement contains a provision addressing the same issue or subject matter.

(c) If any provision of this Agreement is held to be illegal, invalid or unenforceable under present or future Laws effective during the term of this Agreement, such provision shall be fully severable; this Agreement shall be construed and enforced as if such illegal, invalid, or unenforceable provision had never comprised a part of this Agreement; and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance from this Agreement. Furthermore, in lieu of each such illegal, invalid or unenforceable provision, there shall be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

(d) To the fullest extent permitted by Law, none of the Company, any Stockholder or any other party to this Agreement shall be liable to any of the other such Persons for punitive, special, exemplary or consequential damages, including damages for loss of profits, loss of use or revenue or losses by reason of cost of capital, arising out of or relating to this Agreement or the transactions contemplated hereby, regardless of whether based on contract, tort (including negligence), strict liability, violation of any applicable deceptive trade practices act or similar Law or any other legal or equitable principle, and the Company, each Stockholder and each other party releases each of the other such Persons from liability for any such damages.

(e) In any judicial proceeding involving any dispute, controversy or claim arising out of or relating to this Agreement, each of the parties unconditionally accepts the exclusive jurisdiction and venue of any United States District Court located in the State of Delaware, or of the Court of Chancery of the State of Delaware, and

the appellate courts to which orders and judgments thereof may be appealed. In any such judicial proceeding, the parties agree that in addition to any method for the service of process permitted or required by such courts, to the fullest extent permitted by Law, service of process may be made by delivery provided pursuant to the directions in Section 5.6. EACH OF THE PARTIES HERETO HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATED TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

(f) To the fullest extent permitted by Law, the parties hereby irrevocably waive any objection which they may now or hereafter have to the laying of venue of any claim, controversy or dispute arising out of or relating to this Agreement or any of the transactions contemplated hereby brought in such courts or any defense of inconvenient forum for the maintenance of such claim, controversy or dispute. Each of the parties agrees that a final and unappealable judgment in any such claim, controversy or dispute shall be conclusive and may be enforced in other jurisdictions by suit on the judgment, a certified copy of which shall be conclusive evidence of the fact and amount of such judgment, or in any other manner provided by Law.

Section 5.10. Equitable Relief. The parties hereby confirm that damages at Law would be an inadequate remedy for a breach or threatened breach of this Agreement and agree that, in the event of a breach or threatened breach of any provision hereof, the respective rights and obligations hereunder shall be enforceable by specific performance, injunction or other equitable remedy, but, nothing herein contained is intended to, nor shall it, limit or affect any right or rights at Law or by statute or otherwise of a party aggrieved as against another party for a breach or threatened breach of any provision hereof, it being the intention by this Section 5.10 to make clear the agreement of the parties that the respective rights and obligations of the parties hereunder shall be enforceable in equity as well as at Law or otherwise and that the mention herein of any particular remedy shall not preclude a party from any other remedy it or he might have, either in Law or in equity.

Section 5.11. Aggregation of Shares. Notwithstanding anything to the contrary herein, all Shares held or acquired by a Stockholder and its Affiliates shall be aggregated together for purposes of determining the rights or obligations of a Stockholder, or application of any restrictions to a Stockholder, or reference to its Shares under this Agreement, in each instance in which such right, obligation or restriction is determined by any ownership threshold. Within a group of investors that are Affiliates, the members of such group of investors may allocate the ability to exercise any rights of such group of investors under this Agreement in any manner that such group of investors (by approval of the holders of a majority of Shares held by such group) sees fit, subject to the other terms of this Agreement.

Section 5.12. Subsequent Acquisition of Shares. Any Shares acquired subsequent to the date of the Original Agreement by a Stockholder shall be subject to the terms and conditions of this Agreement and such securities shall be considered to be "Shares" as such term is used herein for purposes of this Agreement.

Section 5.13. Table of Contents, Headings and Captions. The table of contents, headings, subheadings and captions contained in this Agreement are included for convenience of reference only, and in no way define, limit or describe the scope of this Agreement or the intent of any provision hereof.

Section 5.14. No Recourse. Notwithstanding anything that may be expressed or implied in this Agreement or any document or instrument delivered contemporaneously herewith, and notwithstanding the fact that any party hereto may be a partnership or limited liability company, each party hereto, by its acceptance of the benefits of this Agreement, covenants, agrees and acknowledges that no Persons other than the named parties hereto shall have any obligation hereunder and that it has no rights of recovery hereunder against, and no recourse hereunder or under any documents or instruments delivered contemporaneously herewith or in respect of any oral representations made or alleged to be made in connection herewith or therewith shall be had against, any former, current or future director, officer, agent, Affiliate, manager, assignee, incorporator, controlling Person, fiduciary, representative or employee of any other party (or any of their successor or permitted assignees), against any former, current, or future general or limited partner, manager, stockholder or member of any KKR Stockholder, KKR Americas XII, any Walgreens Stockholder or WBA (or any of their successors or permitted assignees) or any Affiliate thereof or against any former, current or future director, officer, agent, employee, Affiliate, manager,

assignee, incorporator, controlling Person, fiduciary, representative, general or limited partner, stockholder, manager or member of any of the foregoing, but in each case not including the named parties hereto (each, but excluding for the avoidance of doubt, the named parties hereto, an "Associated Person"), whether by or through attempted piercing of the corporate veil, by or through a claim (whether in tort, contract or otherwise) by or on behalf of such party against the Associated Persons, by the enforcement of any assessment or by any legal or equitable proceeding, or by virtue of any statute, regulation or other applicable law, or otherwise; it being expressly agreed and acknowledged that no personal liability whatsoever shall attach to, be imposed on, or otherwise be incurred by any Associated Person, as such, for any obligations of the applicable party under this Agreement or the transactions contemplated hereby, under any documents or instruments delivered contemporaneously herewith, in respect of any oral representations made or alleged to be made in connection herewith or therewith, or for any claim (whether in tort, contract or otherwise) based on, in respect of, or by reason of, such obligations or their creation.

Section 5.15. Counterparts. This Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. This Agreement shall become effective when each party hereto shall have received a counterpart hereof signed by all of the other parties hereto. Until and unless each party has received a counterpart hereof signed by each other party hereto, this Agreement shall have no effect and no party shall have any right or obligation hereunder (whether by virtue of any other oral or written agreement or other communication).

1.12 Pro Forma and Other Calculations.

(a) For purposes of calculating the Fixed Charge Coverage Ratio, Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio, Consolidated Total Debt to Consolidated EBITDA Ratio, Investments, acquisitions, dispositions, mergers, consolidations, and disposed operations (as determined in accordance with GAAP) that have been made by the Borrower or any Restricted Subsidiary during the Test Period or subsequent to such Test Period and on or prior to or simultaneously with the date of determination shall be calculated on a Pro Forma Basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations, and disposed operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the Test Period. If, since the beginning of such period, any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Borrower or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation, or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio, Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio and Consolidated Total Debt to Consolidated EBITDA Ratio shall be calculated giving Pro Forma Effect thereto for such Test Period as if such Investment, acquisition, disposition, merger, consolidation, or disposed operation had occurred at the beginning of the Test Period. Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, the Fixed Charge Coverage Ratio, the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio and Consolidated Total Debt to Consolidated EBITDA Ratio) (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the "**Incurrence Based Amounts**"), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection

with such substantially concurrent incurrence, except that incurrences of Indebtedness and Liens constituting Fixed Amounts shall be taken into account for purposes of Incurrence Based Amounts other than Incurrence Based Amounts contained in Section 10.1 or Section 10.2.

(b) Whenever Pro Forma Effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower (and may include, for the avoidance of doubt and without duplication, cost savings, operating expense enhancements and operating expense reductions resulting from such Investment, acquisition, merger, or consolidation which is being given Pro Forma Effect that have been or are expected to be realized; provided that such costs savings, operating expense enhancements and operating expense reductions are made in compliance with the definition of Pro Forma Adjustment). If any Indebtedness bears a floating rate of interest and is being given Pro Forma Effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account for such entire period, any Hedging Obligation applicable to such Indebtedness with a remaining term of 12 months or longer, and in the case of any Hedging Obligation applicable to such Indebtedness with a remaining term of less than 12 months, taking into account such Hedging Obligation to the extent of its remaining term). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a Pro Forma Basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period (or, if lower, the greater of (i) maximum commitments under such revolving credit facilities as of the date of determination and (ii) the aggregate principal amount of loans outstanding under such a revolving credit facilities on such date). Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Borrower may designate. For the avoidance of doubt, in connection with the incurrence of any Indebtedness under Section 2.14, the definitions of Required Lenders, Required Revolving Credit Lenders and Required Term Loan Lenders shall be calculated on a Pro Forma Basis in accordance with this Section 1.12, Section 2.14 and the definition of Maximum Incremental Facilities Amount.

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of the Credit Documents which requires the calculation of the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio, Consolidated Senior Secured Debt to Consolidated EBITDA, Consolidated Total Debt to Consolidated EBITDA Ratio or the Fixed Charge Coverage Ratio;

(ii) determining the accuracy of representations and warranties in Section 8 and/or whether a Default or Event of Default shall have occurred and be continuing under Section 11; or

(iii) testing availability under baskets set forth in the Credit Documents (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**") (it being understood and agreed that the Borrower may elect to revoke any LCT Election in its sole discretion), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements

for such Limited Condition Transaction are entered into (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until after such time as the Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(c) Notwithstanding anything to the contrary in thisSection 1.12 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into as discontinued operations, no Pro Forma Effect shall be given to any discontinued operations (and the Consolidated EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(d) Any determination of Consolidated Total Assets shall be made by reference to the last day of the Test Period most recently ended on or prior to the relevant date of determination.

(e) Except as otherwise specifically provided herein, all computations of Excess Cash Flow, Consolidated Total Assets, Available Amount, Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio, Consolidated Total Debt to Consolidated EBITDA Ratio, the Fixed Charge Coverage Ratio and other financial ratios and financial calculations (and all definitions (including accounting terms) used in determining any of the foregoing) and all computations and all definitions (including accounting terms) used in determining compliance with Section 10.7 shall be calculated, in each case, with respect to the Borrower and the Restricted Subsidiaries on a consolidated basis.

(f) All leases of any Person that are or would be characterized as operating leases in accordance with GAAP immediately prior to December 31, 2017 (whether or not such operating leases were in effect on such date) shall continue to be accounted for as operating leases (and not as Capital Leases) for purposes of this Agreement regardless of any change in GAAP following the date that would otherwise require such leases to be recharacterized as Capital Leases.

1.13 LIBOR Rate Successor. Notwithstanding anything to the contrary in this Agreement or any other Credit Documents, if at any time (i) the Administrative Agent, in consultation with the Borrower, determines in good faith (which determination shall be conclusive absent manifest error) or (ii) the Borrower or Required Lenders notify the Administrative Agent in writing (with, in the case of the Required Lenders, a copy to Borrower) that the Borrower or Required Lenders (as applicable) have determined that a LIBOR Discontinuance Event has occurred, then, at or promptly after the LIBOR Discontinuance Event Time, the Administrative Agent and Borrower shall endeavor to establish an alternate benchmark rate to replace LIBOR under this Agreement, together with any spread or adjustment to be applied to such alternate benchmark rate to account for the effects of transition from LIBOR to such alternate benchmark rate, giving due consideration to the then prevailing market convention for determining a rate of interest (including the application of a spread and the making of other appropriate adjustments to such alternate benchmark rate and this Agreement to account for the effects of transition from LIBOR to such replacement benchmark, including any changes necessary to reflect the available interest periods and timing for determining such alternate benchmark rate) for syndicated leveraged loans of this type in the United States at such time and any recommendations (if any) therefor by a Relevant Governmental Sponsor, provided that any such alternate benchmark rate and adjustments shall be required to be commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion) (any such rate, the "**Successor LIBOR Rate**").

After such determination that a LIBOR Discontinuance Event has occurred, promptly following the LIBOR Discontinuance Event Time, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such Successor LIBOR Rate and such other related changes to this Agreement as may be necessary or appropriate, as the Administrative Agent, in consultation with the Borrower, may determine in good faith (which determination shall be conclusive absent manifest error), to implement and give effect to the Successor LIBOR Rate under this Agreement on the LIBOR Replacement Date and, notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective for each Class of Loans and Lenders without any further action or consent of any other party to this Agreement on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment; provided, that if a Successor LIBOR Rate has not been established pursuant to the foregoing, at the option of the Borrower, the Borrower and the Required Lenders may select a different Successor LIBOR Rate that is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion) and, upon not less than 15 Business Days' prior written notice to the Administrative Agent, the Administrative Agent, such Required Lenders and the Borrower shall enter into an amendment to this Agreement to reflect such Successor LIBOR Rate and such other related changes to this Agreement as may be applicable and, notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective without any further action or consent of any other party to this Agreement; provided, further, that if no Successor LIBOR Rate has been determined pursuant to the foregoing and a Scheduled Unavailability Date (as defined in the definition of "LIBOR Discontinuance Event") has occurred, the Administrative Agent will promptly so notify the Borrower and each Lender and thereafter, until such Successor LIBOR Rate has been determined pursuant to this paragraph, (i) any request for Borrowing, the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of LIBOR Loans shall be ineffective and (ii) all outstanding Borrowings shall be converted to an ABR Loan Borrowing until a Successor LIBOR Rate has been chosen pursuant to this paragraph. Notwithstanding anything else herein, any definition of Successor LIBOR Rate shall provide that in no event shall such Successor LIBOR Rate be less than zero for purposes of this Agreement.

Section 2. Amount and Terms of Credit.

2.1 Commitments.

(a) Subject to and upon the terms and conditions herein set forth, each Lender having an Initial Term Loan Commitment severally agrees to make a loan or loans denominated in Dollars (each, an "**Initial Term Loan**") to the Borrower on the Closing Date, which Initial Term Loans shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender and in the aggregate shall not exceed $1,650,000,000. Such Term Loans (i) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans; provided that all Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, (ii) may be repaid or prepaid (without premium or penalty other than as set forth in Section 5.1(b)) in accordance with the provisions hereof, but once repaid or prepaid, may not be reborrowed, (iii) shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender, and (iv) shall not exceed in the aggregate the Total Initial Term Loan Commitment. On the Initial Term Loan Maturity Date, all then unpaid Initial Term Loans (including any then unpaid Delayed Draw Term Loans funded hereunder pursuant to Section 2.1(b) below) shall be repaid in full in Dollars.

(b) Subject to and upon the terms and conditions herein set forth, each Lender having a Delayed Draw Term Loan Commitment severally agrees to make a loan or loans denominated in Dollars (each, a "**Delayed Draw Term Loan**" and, collectively, the "**Delayed Draw Term Loans**") to the Borrower from time to time after the Closing Date until, but not including, the Delayed Draw Term Loan Commitment Termination Date, which Delayed Draw Term Loans (i) shall not exceed, for any such Lender, the Available Delayed Draw Term Loan Commitment of such Lender, (ii) shall not exceed, in the aggregate, the Total Delayed Draw Term Loan Commitment, (iii) may, at the option of the Borrower, be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans; provided that all such Delayed Draw Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Delayed Draw Term Loans of the same Type and (iv) may be repaid or prepaid in accordance with the provisions hereof, but once repaid or prepaid may not be reborrowed. Notwithstanding anything to the contrary in this Agreement, the Delayed Draw Term Loans (if and when funded) shall be added to and a part of the Initial Term Loans, shall have the same terms as the Initial Term Loans and the Initial Term Loans and the Delayed Draw Term Loans shall be treated as part of a single class of Initial Term Loans for all purposes, except that interest on the Delayed Draw Term Loans shall commence to accrue from the applicable Delayed Draw Funding Date thereof.

(c) Subject to and upon the terms and conditions set forth herein each Revolving Credit Lender severally agrees to make Revolving Credit Loans denominated in Dollars to the Borrower from its applicable lending office (each, a "**Revolving Credit Loan**") in an aggregate principal amount not to exceed at any time outstanding the amount of such Revolving Credit Lender's Revolving Credit Commitment, provided that any of the foregoing such Revolving Credit Loans (A) shall be made at any time and from time to time on and after the Closing Date and prior to the Revolving Credit Maturity Date, (B) may, at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans that are Revolving Credit Loans; provided that all Revolving Credit Loans may by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Revolving Credit Loans of the same Type, (C) may be repaid (without premium or penalty) and reborrowed in accordance with the provisions hereof, (D) shall not, for any Lender at any time, after giving effect thereto and to the application of the proceeds thereof, result in such Revolving Credit Lender's Revolving Credit Exposure in respect of any Class of Revolving Loans at such time exceeding such Revolving Credit Lender's Revolving Credit Commitment in respect of such Class of

Revolving Loan at such time and (E) shall not, after giving effect thereto and to the application of the proceeds thereof, result at any time in the aggregate amount of the Revolving Credit Lenders' Revolving Credit Exposures at such time exceeding the Total Revolving Credit Commitment then in effect or the aggregate amount of the Revolving Credit Lenders' Revolving Credit Exposures of any Class of Revolving Loans at such time exceeding the aggregate Revolving Credit Commitment with respect to such Class.

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of (i) Term Loans shall be in a minimum amount of at least the Minimum Borrowing Amount for such Type of Loans and in a multiple of $100,000 in excess thereof; provided that any Delayed Draw Term Loans shall be in a multiple of $1,000,000 and (ii) Revolving Loans shall be in a minimum amount of at least the Minimum Borrowing Amount for such Type of Loans and in a multiple of $100,000 in excess thereof. More than one Borrowing may be incurred on any date; provided that at no time shall there be outstanding more than three Borrowings of LIBOR Loans that are Term Loans (including Delayed Draw Term Loans) and five Borrowings of LIBOR Loans that are Revolving Loans; provided, further, that for each additional Class of Term Loans, an additional two Interest Periods shall be permitted, and for each additional Class of Revolving Loans, an additional three Interest Periods shall be permitted, such that a maximum of fifteen Interest Periods shall be permitted.

2.3 Notice of Borrowing.

(a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office prior to 12:00 p.m. (New York City time) at least one Business Day's prior written notice in the case of a Borrowing of Initial Term Loans to be made on the Closing Date if such Initial Term Loans are to be LIBOR Loans or ABR Loans. Such notice (a "**Notice of Borrowing**", each substantially in the form of Exhibit J) shall specify (A) the aggregate principal amount of the Term Loans to be made, (B) the date of the Borrowing (which shall be the Closing Date) and (C) whether the Term Loans shall consist of ABR Loans and/or LIBOR Loans and, if the Term Loans are to include LIBOR Loans, the Interest Period to be initially applicable thereto. If no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. Each Swingline Loan shall be an ABR Borrowing. If no Interest Period with respect to any Borrowing of LIBOR Loans is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.3(a) (and the contents thereof), and of each Lender's pro rata share of the requested Borrowing.

(b) Whenever the Borrower desires to borrow Delayed Draw Term Loans hereunder, the Borrower shall give the Administrative Agent at the Administrative Agent's Office, prior to 12:00 noon (New York City time) at least three Business Days' prior written notice of each Borrowing of Delayed Draw Term Loans if all or any of such Delayed Draw Term Loans are to be initially LIBOR Loans or ABR Loans (or such shorter notice period as may be agreed in writing by the Administrative Agent in its sole discretion). Each such Notice of Borrowing shall specify (A) the aggregate principal amount of the Delayed Draw Term Loans to be made pursuant to such Borrowing, (B) the date of the Borrowing (which shall be a Business Day) and (C) whether the Borrowing shall consist of ABR Loans or LIBOR Loans and, if LIBOR Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each applicable Lender written notice of each proposed Borrowing of Delayed Draw Term Loans, of such Lender's proportionate share thereof, and of the other matters covered by the related Notice of Borrowing.

(c) Whenever the Borrower desires to incur Revolving Credit Loans (other than borrowings to repay Unpaid Drawings), the Borrower shall give the Administrative Agent at the Administrative Agent's Office, (i) prior to 12:00 noon (New York City time) at least three Business Days' prior written notice of each Borrowing of LIBOR Loans that are Revolving Credit Loans and (ii) prior to 10:00 a.m. (New York City time) or, if agreed by the Administrative Agent, 2:00 p.m. (New York City time) on the day of such Borrowing prior written notice of each Borrowing of Revolving Credit Loans that are ABR Loans. Each such Notice of Borrowing, except as otherwise expressly provided in Section 2.10, shall specify (A) the aggregate principal amount of the Revolving Credit Loans to be made pursuant to such Borrowing, (B) the date of Borrowing (which shall be a Business Day) and (C) whether the respective Borrowing shall consist of ABR Loans or LIBOR Loans that are Revolving Credit Loans and, if LIBOR Loans that are Revolving Credit Loans, the Interest Period to be initially applicable thereto. The Administrative Agent shall promptly give each Revolving Credit Lender written notice of each proposed Borrowing of Revolving Credit Loans, of such Lender's Revolving Credit Commitment Percentage thereof, of the identity of the Borrower, and of the other matters covered by the related Notice of Borrowing.

(d) Borrowings to reimburse Unpaid Drawings shall be made upon the notice specified inSection 3.4(a).

(e) Without in any way limiting the obligation of the Borrower to confirm in writing any notice it shall give hereunder by telephone (which obligation is absolute), the Administrative Agent may act prior to receipt of written confirmation without liability upon the basis of such telephonic notice believed by the Administrative Agent in good faith to be from an Authorized Officer of the Borrower.

2.4 Disbursement of Funds.

(a) No later than 2:00 p.m. (New York City time) on the date specified in each Notice of Borrowing, each Lender shall make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that on the Closing Date, such funds may be made available at such earlier time as may be agreed among the Lenders, the Borrower, and the Administrative Agent for the purpose of consummating the Transactions; provided, further, that all same day ABR Revolving Loans shall be made available to the Borrower in the full amount thereof by the Administrative Agent no later than 4:00 p.m. (New York City time).

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments, and in immediately available funds, to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will (except in the case of Borrowings to repay Unpaid Drawings) make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the

Administrative Agent in Dollars. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Overnight Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8. for the respective Loans.

(c) Notwithstanding anything to the contrary herein, at its option and in its sole discretion, the Administrative Agent may fund the Delayed Draw Term Loans on the Delayed Draw Funding Date on behalf of each Lender having a Delayed Draw Term Loan Commitment immediately prior to the Delayed Draw Funding Date. To the extent the Administrative Agent funds the Delayed Draw Term Loans on behalf of such Lenders, each Lender with a Delayed Draw Term Loan Commitment immediately prior to the Delayed Draw Funding Date severally agrees to repay to the Administrative Agent within one Business Day after the Administrative Agent has funded the Delayed Draw Term Loans, and the Borrower agrees to repay to the Administrative Agent any such amount not so funded by any Lender within three (3) Business Days after the Administrative Agent has funded the Delayed Draw Term Loans, the amount of Delayed Draw Term Loans corresponding to such Lender's Delayed Draw Term Loan Commitment immediately prior to the Delayed Draw Funding Date together, with interest thereon, for each day from the date such amount is made available to the Borrower to but excluding the date such amount is repaid to the Administrative Agent at (i) in the case of the Borrower, a rate per annum equal to the interest rate applicable at the time to the Loans comprising such Borrowing and (ii) in the case of such Lender, a rate determined by the Administrative Agent to represent its cost of overnight or short-term funds (which determination shall be conclusive absent manifest error). If such Lender shall repay to the Administrative Agent such corresponding amount (other than, for the avoidance of doubt, interest paid pursuant to clause (ii) above), such amount shall constitute such Lender's Delayed Draw Term Loan as part of such Borrowing for purposes of this Agreement.

(d) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt

(a) The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Loan Lenders, on the Initial Term Loan Maturity Date, the then outstanding Initial Term Loans (including, without limitation, the then outstanding Delayed Draw Term Loans). The Borrower shall repay to the Administrative Agent for the benefit of the Revolving Credit Lenders, on the Revolving Credit Maturity Date, the then outstanding Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the benefit of the Revolving Credit Lenders, on each Extended Revolving Loan Maturity Date, the then outstanding amount of Extended Revolving Credit Loans. The Borrower shall repay to the Administrative Agent for the benefit of the Incremental Revolving Loan Lenders, on each Incremental Revolving Credit Maturity Date, the then outstanding amount of Incremental Revolving Credit Loans.

(b) The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Loan Lenders, (i) on the last Business Day of each of March, June, September and December, commencing with the fiscal quarter ending on September 30, 2019 (each such date, an "**Initial Term Loan Repayment Date**"), a principal amount of Term Loans (including Delayed Draw Term Loans, if and when funded) equal to the aggregate outstanding principal amount of Initial Term Loans (including

Delayed Draw Term Loans, if and when funded) multiplied by (x) 0.25% or (y) after the first Delayed Draw Funding Date, with respect to the relevant Delayed Draw Term Loans, to the extent determined by the Administrative Agent, an increased percentage not to exceed the minimum percentage necessary to enable all Delayed Draw Term Loans to be treated as fungible with the Initial Term Loans and any other Delayed Draw Term Loans outstanding immediately prior to the incurrence of such Delayed Draw Term Loans, as reasonably determined by the Administrative Agent in consultation with the Borrower and (ii) on the Initial Term Loan Maturity Date, any remaining outstanding amount of Initial Term Loans (including Delayed Draw Term Loans, if any) (the repayment amounts in clauses (i) and (ii) above, each, an "**Initial Term Loan Repayment Amount**").

(c) In the event that any New Term Loans are made, such New Term Loans shall, subject to Section 2.14(d), be repaid by the Borrower in the amounts (each, a "**New Term Loan Repayment Amount**") and on the dates (each, a "**New Term Loan Repayment Date**") set forth in the applicable Joinder Agreement and subject to any adjustment to ensure fungibility with the other Term Loans. In the event that any Incremental Revolving Credit Loans are made, such Incremental Revolving Credit Loans shall, subject to Section 2.14(e), be repaid by the Borrower in the amounts (each, a "**New Revolving Loan Repayment Amount**") and on the dates (each, a "**New Revolving Loan Repayment Date**") set forth in the applicable Joinder Agreement. In the event that any Extended Term Loans are established, such Extended Term Loans shall, subject to Section 2.14(g), be repaid by the Borrower in the amounts (each such amount with respect to any Extended Repayment Date, an "**Extended Term Loan Repayment Amount**") and on the dates (each, an "**Extended Repayment Date**") set forth in the applicable Extension Amendment.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent shall maintain the Register pursuant to Section 13.6(b), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan, New Term Loan, Delayed Draw Term Loan, Revolving Credit Loan, New Revolving Credit Loan, Additional Revolving Credit Loan, Swingline Loan or Incremental Revolving Credit Loan, the Type of each Loan made, the names of the Borrower and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to clauses (d) and (e) of this Section 2.5 shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that, in the event of any inconsistency between the Register and any such account or subaccount, the Register shall govern; provided, further, that the failure of any Lender, the Swingline Lender or the Administrative Agent to maintain such account, such Register or subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

(g) The Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made an initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit G-1 or Exhibit G-2, as applicable, evidencing the Initial Term Loans (and if and when funded, the Delayed Draw Term Loans), New Term Loans and/or Revolving Loans owing to such Lender. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.6) be represented by one or more promissory notes in such form payable to such payee, to such payee and its registered assigns.

2.6 Conversions and Continuations.

(a) Subject to the penultimate sentence of this clause (a), (x) the Borrower shall have the option on any Business Day to convert all or a portion equal to at least $5,000,000 of the outstanding principal amount of Term Loans of one Type or at least the Minimum Borrowing Amount for Revolving Credit Loans of one Type into a Borrowing or Borrowings of another Type and (y) the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans as LIBOR Loans for an additional Interest Period; provided that (i) no partial conversion of LIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans may not be continued as LIBOR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent prior written notice at the Administrative Agent's Office prior to 12:00 noon (New York City time) at least (i) three Business Days prior, in the case of a continuation of or conversion to LIBOR Loans (other than in the case of a notice delivered on the Closing Date, which shall be deemed to be effective on the Closing Date), or (ii) 10:00 a.m. (New York City time) on the proposed day of a conversion into ABR Loans (each, a "**Notice of Conversion or Continuation**" substantially in the form of Exhibit J) specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans are to be converted into or continued as LIBOR Loans, the Interest Period to be initially applicable thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a LIBOR Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans. This Section shall not apply to Swingline Loans, which may not be converted or continued.

(b) If any Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans denominated in Dollars and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in clause (a), the Borrower shall be deemed to have elected to convert such Borrowing of LIBOR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.

2.7 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be made by the Lenders*pro rata* on the basis of their then-applicable Initial Term Loan Commitments.

Each Borrowing of Delayed Draw Term Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable Delayed Draw Term Loan Commitments. Each Borrowing of Revolving Credit Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable Revolving Credit Commitment Percentages. Each Borrowing of New Term Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable New Term Loan Commitments. Each Borrowing of Incremental Revolving Credit Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable Incremental Revolving Credit Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) other than as expressly provided herein with respect to a Defaulting Lender, failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation, under any Credit Document.

2.8 Interest.

(a) The unpaid principal amount of each ABR Loan (including each Swingline Loan) shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for ABR Loans *plus* the ABR, in each case, in effect from time to time.

(b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for LIBOR Loans *plus* the relevant Adjusted LIBOR Rate.

(c) If an Event of Default has occurred and is continuing underSection 11.1 or Section 11.5 hereto, if all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum (the "**Default Rate**") that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto *plus* 2.00% per annum or (y) in the case of any other overdue amount, including overdue interest, to the extent permitted by applicable law, the rate described in Section 2.8(a) for the applicable Class *plus* 2.00% per annum from the date of such non-payment to the date on which such amount is paid in full (after as well as before judgment).

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower (provided that in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment), (ii) in respect of each LIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan, (A) on any prepayment in respect thereof, (B) at maturity (whether by acceleration or otherwise), and (C) after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance withSection 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans in accordance with Section 2.6(a), the Borrower shall give the Administrative Agent written notice of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower, be a one, two, three or six month period (or if approved by all the Lenders making such LIBOR Loans as determined by such Lenders in good faith based on prevailing market conditions, a 12 month or shorter period).

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of LIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of LIBOR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided that if any Interest Period in respect of a LIBOR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the immediately preceding Business Day; and

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan if such Interest Period would extend beyond the Maturity Date of such Loan.

Notwithstanding the foregoing, the initial Interest Period for each Borrowing of Delayed Draw Term Loans will end on the last day of the Interest Period in effect for the Initial Term Loans outstanding immediately prior to the applicable Delayed Draw Funding Date, and if the outstanding Initial Term Loans have more than one Interest Period in effect, the initial Interest Periods for such Borrowing of Delayed Draw Term Loans will end on the last day of such Interest Periods in effect (divided among such Interest Periods on a ratable basis) as determined by the Borrower.

2.10 Increased Costs, Illegality, Etc.

(a) In the event that (x) in the case of clause (i) below, the Administrative Agent and (y) in the case of clauses (ii) through (iv) below, the Required Term Loan Lenders (with respect to Term Loans) or the Required Revolving Credit Lenders (with respect to Revolving Credit Commitments) shall have

reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the Adjusted LIBOR Rate for any Interest Period that (x) deposits in the principal amounts and currencies of the Loans comprising such LIBOR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Adjusted LIBOR Rate; or

(ii) at any time, that such Lenders shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans other than with respect to Taxes because of any Change in Law;

(iii) that, due to a Change in Law, which shall subject any such Lenders to any Tax (other than (1) Indemnified Taxes, (2) Excluded Taxes or (3) Other Taxes) on its loans, loan principal, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lenders in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the interbank LIBOR market;

(such Loans, "**Impacted Loans**"), then, and in any such event, such Required Term Loan Lenders or Required Revolving Credit Lenders, as applicable (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give notice (if by telephone, confirmed in writing) to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion or Continuation given by the Borrower with respect to LIBOR Loans that have not yet been incurred shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower shall pay to such Lenders, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Required Term Loan Lenders or Required Revolving Credit Lenders, as applicable, in their reasonable discretion shall determine) as shall be required to compensate such Lenders for such actual increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lenders, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lenders shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto), and (z) in the case of subclauses (iii) and (iv) above, the Borrower shall take one of the actions specified in subclause (x) or (y), as applicable, of Section 2.10(b) promptly and, in any event, within the time period required by law.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in Section 2.10(a)(i)(x), the Administrative Agent, in consultation with the Borrower and the affected Lenders, may establish an alternative interest rate for the Impacted Loans (which rate shall not be negative), in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under

clause (x) of the first sentence of the immediately preceding paragraph, (2) the Administrative Agent or the affected Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii), (iii) or (iv), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(iii) or (iv) shall) either (x) if a Notice of Borrowing or Notice of Conversion or Continuation with respect to the affected LIBOR Loan has been submitted pursuant to Section 2.3 but the affected LIBOR Loan has not been funded or continued, cancel such requested Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrower was notified by Lenders pursuant to Section 2.10(a)(ii), (iii) or (iv) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the actual rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly after written demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such actual additional amount or amounts as will compensate such Lender or its parent for such actual reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any law, rule or regulation as in effect on the Closing Date or to the extent such Lender is not imposing such charges on, or requesting such compensation from, borrowers (similarly situated to the Borrower hereunder) under comparable syndicated credit facilities similar to the Credit Facilities. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) promptly following receipt of such notice.

(d) If the Administrative Agent shall have received notice from the Required Lenders that the Adjusted LIBOR Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as certified by such Lenders) of making or maintaining its affected LIBOR Loans during such Interest Period, the Administrative Agent shall give telecopy or telephonic notice thereof to the Borrower and the Lenders as soon as practicable thereafter (which notice shall include supporting calculations in reasonable detail). If such notice is given, (i) any LIBOR Loan requested to be made on the first day of such Interest Period shall be made an ABR Loan, (ii) any Loans that were to have been converted on the first day of such Interest Period to LIBOR Loans shall be continued as an ABR Loan and (iii) any outstanding LIBOR Loans shall be converted, on the first day of

such Interest Period, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further LIBOR Loans shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to LIBOR Loans.

2.11 Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Sections 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loans is not made as a result of a withdrawn Notice of Borrowing or a failure to satisfy borrowing conditions, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as a LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Sections 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender (which request shall set forth in reasonable detail the basis for requesting such amount), promptly pay to the Administrative Agent for the account of such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender as specified in this Section 2.11 and setting forth in reasonable detail the manner in which such amount or amounts were determined shall be delivered to the Borrower and shall be conclusive, absent manifest error. The obligations of the Borrower under this Section 2.11 shall survive the payment in full of the Loans and the termination of this Agreement.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation ofSections 2.10(a)(ii), 2.10(a)(iii), 2.10(b), 3.5 or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no unreimbursed cost or other material economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10, 3.5 or 5.4.

2.13 Notice of Certain Costs. Notwithstanding anything in this Agreement to the contrary, to the extent any notice required bySections 2.10, 2.11 or 3.5 is given by any Lender more than 120 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Sections 2.10, 2.11 or 3.5, as the case may be, for any such amounts incurred or accruing prior to the 121st day prior to the giving of such notice to the Borrower.

2.14 Incremental Facilities.

(a) The Borrower may, by written notice to Administrative Agent, elect to request the establishment of one or more (x) additional tranches of term loans or increases in Term Loans of any Class (the commitments thereto, the "**New Term Loan Commitments**"), (y) increases in Revolving Credit Commitments of any Class (the "**New Revolving Credit Commitments**"), and/or (z) additional

tranches of Revolving Credit Commitments (the "**Additional Revolving Credit Commitments**" and, together with the New Revolving Credit Commitments, the "**Incremental Revolving Credit Commitments**"; together with the New Term Loan Commitments and the New Revolving Credit Commitments, the "**New Loan Commitments**") by an aggregate amount not in excess of the Maximum Incremental Facilities Amount in the aggregate and not less than $10,000,000 individually (or such lesser amount as (x) may be approved by the Administrative Agent or (y) shall constitute the difference between the Maximum Incremental Facilities Amount and all such New Loan Commitments obtained on or prior to such date), which may be incurred in Dollars, Euros or Pounds Sterling. In connection with the incurrence of any Indebtedness under this Section 2.14, at the request of the Administrative Agent, the Borrower shall provide to the Administrative Agent a certificate certifying that the New Loan Commitments do not exceed the Maximum Incremental Facilities Amount, which certificate shall be in reasonable detail and shall provide the calculations and basis therefor and, subject to reclassification as set forth in Section 10.1, classify such Indebtedness as being incurred under clause (i) or clause (ii) of the definition of Maximum Incremental Facilities Amount. The Borrower may approach any Lender or any Person (other than a natural Person) to provide all or a portion of the New Loan Commitments, subject, if applicable, to the proviso to Section 2.14(b); provided that any Lender offered or approached to provide all or a portion of the New Loan Commitments may elect or decline, in its sole discretion, to provide a New Loan Commitment. In each case, on each applicable Increased Amount Date (subject to Section 1.12), such New Loan Commitments shall be subject to (i) no Event of Default (except in connection with an acquisition or investment (including any Permitted Acquisition or Investment), no Event of Default under Section 11.1 or Section 11.5) shall exist on such Increased Amount Date before or after giving effect to such New Loan Commitments, as applicable, and subject to Section 1.12, (ii) the New Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrower and Administrative Agent, and each of which shall be recorded in the Register and shall be subject to the requirements set forth in Section 5.4(e), and (iii) the Borrower shall make any payments required pursuant to Section 2.11 in connection with the New Loan Commitments, as applicable. No Lender shall have any obligation to provide any Commitments pursuant to this Section 2.14(a). Any New Term Loans shall, at the election of the Borrower and agreed to by Lenders providing such New Loan Commitments, be designated as (a) a separate series (a "**Series**") of New Term Loans for all purposes of this Agreement or (b) as part of a Series of existing Term Loans for all purposes of this Agreement. On and after the Increased Amount Date, Additional Revolving Credit Loans shall be designated a separate Series of Additional Revolving Credit Loans for all purposes of this Agreement.

(b) Incremental Revolving Credit Commitments shall be subject to the satisfaction of the following terms and conditions, (a) with respect to New Revolving Credit Commitments, each of the Lenders with Revolving Credit Commitments of such Class shall assign to each Lender with a New Revolving Credit Commitment (each, a "**New Revolving Loan Lender**") and each of the new Revolving Loan Lenders shall purchase from each of the Lenders with revolving Credit Commitments of such Class, at the principal amount thereof, such interests in the Revolving Credit Loans outstanding on such Increased Amount Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Revolving Credit Loans of such Class will be held by existing Revolving Credit Lenders and New Revolving Loan Lenders ratably in accordance with their Revolving Credit Commitments of such Class after giving effect to the addition of such new Revolving Credit Commitments to the Revolving Credit Commitments, and (b) with respect to Incremental Revolving Credit Commitments, (i) each Incremental Revolving Credit Commitment shall be deemed for all purposes a Revolving Credit Commitment and, each Loan made under a New Revolving Credit Commitment (a "**New Revolving Credit Loan**") and each Loan made under an Additional Revolving Credit Commitment (an "**Additional Revolving Credit Loan**" and, together with new Revolving Credit Loans, the "**Incremental Revolving Credit Loan**") shall be deemed, for all purposes, Revolving Credit Loans and (ii) each New Revolving Loan Lender and each Lender with an Additional Revolving Credit Commitment (each, an "**Additional**

Revolving Loan Lender" and, together with the New Revolving Loan Lenders, the "**Incremental Revolving Loan Lenders**") shall become a Lender with respect to the New Revolving Credit Commitment and all matters relating thereto; provided that the Administrative Agent and the Letter of Credit Issuer shall have consented (not to be unreasonably withheld or delayed) to such Lender's or Incremental Revolving Loan Lender's providing such Incremental Revolving Credit Commitment to the extent such consent, if any, would be required under Section 13.6(b) for an assignment of Revolving Loans or Revolving Credit Commitments, as applicable, to such Lender or Incremental Revolving Loan Lender.

(c) New Term Loan Commitments of any Series shall be subject to the satisfaction of the foregoing and following terms and conditions, each Lender with a New Term Loan Commitment (each, a "**New Term Loan Lender**") of any Series shall make a Loan to the Borrower (a "**New Term Loan**" and, together with the Incremental Revolving Credit Loans, the "**Incremental Loans**") in an amount equal to its New Term Loan Commitment of such Series, and (ii) each New Term Loan Lender of any Series shall become a Lender hereunder with respect to the New Term Loan Commitment of such Series and the New Term Loans of such Series made pursuant thereto.

(d) The terms and provisions of the New Term Loans and New Term Loan Commitments of any Series shall be on terms and documentation set forth in the Joinder Agreement as determined by the Borrower; provided that (i) the applicable New Term Loan Maturity Date of each Series shall be no earlier than the Initial Term Loan Maturity Date; (ii) the weighted average life to maturity of all New Term Loans shall be no shorter than the weighted average life to maturity of the then existing Initial Term Loans as calculated without giving effect to any prepayments made in connection with the Initial Term Loans; (iii) the pricing, interest rate margins, discounts, premiums, rate floors, fees, and, subject to clauses (i) and (ii) above, amortization schedule applicable to any New Term Loans shall be determined by the Borrower and the Lenders thereunder; provided that only during the period commencing on the Closing Date and ending on the thirty month anniversary of the Closing Date, if the Effective Yield for LIBOR Loans or ABR Loans in respect of such New Term Loans consisting of Term Loans that are secured by the Collateral on a pari passu basis with the Initial Term Loans (other than any New Term Loans incurred in connection with a Permitted Acquisition or other Permitted Investment) exceeds the Effective Yield for LIBOR Loans or ABR Loans in respect of the then existing Initial Term Loans of like currency by more than 0.50%, the Applicable Margin for LIBOR Loans or ABR Loans in respect of the then existing Initial Term Loans shall be adjusted so that the Effective Yield in respect of the then existing Initial Term Loans is equal to the Effective Yield for LIBOR Loans or ABR Loans in respect of the New Term Loans *minus* 0.50% (the terms of this proviso to this clause (iii), the "**MFN Protection**"); and (iv) to the extent such terms and documentation are not consistent with the then existing Initial Term Loans (except to the extent permitted by clause (i), (ii) or (iii) above), they shall be reasonably satisfactory to the Administrative Agent (it being understood that, (1) to the extent that any financial maintenance covenant is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such financial maintenance covenant is also added for the benefit of any corresponding Term Loans remaining outstanding after the issuance or incurrence of such Indebtedness or (2) no consent shall be required by the Administrative Agent or any of the Lenders if any covenants or other provisions are only applicable after the Latest Term Loan Maturity Date);.

(e) Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall be identical to the Initial Revolving Credit Commitments and the related Revolving Credit Loans, other than the Maturity Date and as set forth in this Section 2.14(e); provided that notwithstanding anything to the contrary in this Section 2.14 or otherwise:

(i) any such Incremental Revolving Credit Commitments or Incremental Revolving Credit Loans shall rank equal in right of payment and of security with the Revolving Credit Loans and the Term Loans,

(ii) any such Incremental Revolving Credit Commitments or Incremental Revolving Credit Loans shall not mature earlier than the Initial Revolving Credit Commitments and related Revolving Credit Loans at the time of incurrence of such Incremental Revolving Credit Commitments,

(iii) the borrowing and repayment (except for (1) payments of interest and fees at different rates on Incremental Revolving Credit Commitments (and related outstandings), (2) repayments required upon the maturity date of the Incremental Revolving Credit Commitments, and (3) repayment made in connection with a permanent repayment and termination of commitments (subject to clause (v) below)) of Loans with respect to Incremental Revolving Credit Commitments after the associated Increased Amount Date shall be made on a pro rata basis with all other Revolving Credit Commitments on such Increased Amount Date,

(iv) subject to the provisions of Section 3.12 to the extent dealing with Letters of Credit which mature or expire after a maturity date when there exists Incremental Revolving Credit Commitments with a longer maturity date, all Letters of Credit shall be participated on a pro rata basis by all Lenders with Revolving Credit Commitments of the same Series in accordance with their percentage of such Revolving Credit Commitments on the applicable Increased Amount Date (and except as provided in Section 3.12, without giving effect to changes thereto on an earlier maturity date with respect to Letters of Credit theretofore incurred or issued in respect of such Series),

(v) the permanent repayment of Revolving Credit Loans with respect to, and termination of, Incremental Revolving Credit Commitments after the associated Increased Amount Date shall be made on a pro rata basis with all other Revolving Credit Commitments on such Increased Amount Date, except that the Borrower shall be permitted to permanently repay and terminate commitments of any such Class on a better than a pro rata basis as compared to any other Class with a later maturity date than such Class,

(vi) assignments and participations of Incremental Revolving Credit Commitments and Incremental Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and Revolving Credit Loans on the applicable Increased Amount Date,

(vii) any Incremental Revolving Credit Commitments may constitute a separate Class or Classes, as the case may be, of Commitments from the Classes constituting the applicable Revolving Credit Commitments prior to such Increased Amount Date,

(viii) the pricing, fees, maturity and other immaterial terms of the Additional Revolving Credit Loans may be different and shall be determined by the Borrower and the Lenders thereunder so long as the final maturity date and the weighted average maturity of any Additional Revolving Credit Loans and Additional Revolving Credit Commitments, as applicable, shall not be earlier than, or shorter than, as the case may be, the maturity date or the weighted average life, as applicable, of the Initial Revolving Credit Commitments and related Revolving Credit Loans, and

(ix) to the extent that any financial maintenance covenant is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such financial maintenance covenant is also added for the benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness.

(f) Each Joinder Agreement may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this Section 2.14.

(g) (i) The Borrower may at any time, and from time to time, request that all or a portion of the Term Loans of any Class (an **Existing Term Loan Class**") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so converted, "**Extended Term Loans**") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class which such request shall be offered equally to all such Lenders) (a "**Term Loan Extension Request**") setting forth the proposed terms of the Extended Term Loans to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrowers), when taken as a whole, than the terms of the Term Loans of the Existing Term Loan Class unless (x) the Lenders of the Term Loans of such applicable Existing Term Loan Class receive the benefit of such more restrictive terms or (y) any such provisions apply after the Initial Term Loan Maturity Date (a "**Permitted Other Provision**"); provided, however, that (x) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Joinder Agreement, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were converted, in each case as more particularly set forth in paragraph (iv) of this Section 2.14(g) below), (y) (A) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for the Term Loans of such Existing Term Loan Class and/or (B) additional fees, premiums or applicable high-yield discount obligation ("**AHYDO**") payments may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment and to the extent that any Permitted Other Provision (including a financial maintenance covenant) is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such Permitted Other Provision is also added for the benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness or if such Permitted Other Provision applies only after the Initial Term Loan Maturity Date . Notwithstanding anything to the contrary in this Section 2.14 or otherwise, no Extended Term Loans may be optionally prepaid prior to the date on which the Existing Term Loan Class from which they were converted is repaid in full, except in accordance with the last sentence of Section 5.1(a). No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class from which they were converted.

(ii) The Borrower may at any time and from time to time request that all or a portion of the Revolving Credit Commitments of any Class, any Extended Revolving Credit Commitments and/or any Incremental Revolving Credit Commitments, each existing at the time of such request (each, an "**Existing Revolving Credit Commitment**" and any related revolving credit loans thereunder, "**Existing Revolving Credit Loans**"; each Existing Revolving Credit Commitment and related Existing Revolving Credit

Loans together being referred to as an "**Existing Revolving Credit Class**") be converted to extend the termination date thereof and the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of Loans related to such Existing Revolving Credit Commitments (any such Existing Revolving Credit Commitments which have been so extended, "**Extended Revolving Credit Commitments**" and any related Loans, "**Extended Revolving Credit Loans**") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Revolving Credit Commitments, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Class of Existing Revolving Credit Commitments which such request shall be offered equally to all such lenders) setting forth the proposed terms of the Extended Revolving Credit Commitments to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the applicable Existing Revolving Credit Commitments (the "**Specified Existing Revolving Credit Commitment**") unless (x) the Lenders providing Existing Revolving Credit Loans receive the benefit of such more restrictive terms or (y) any such provisions apply after the Revolving Credit Termination Date, in each case, to the extent provided in the applicable Extension Amendment; provided, however, that (w) all or any of the final maturity dates of such Extended Revolving Credit Commitments may be delayed to later dates than the final maturity dates of the Specified Existing Revolving Credit Commitments, (x) (A) the interest margins with respect to the Extended Revolving Credit Commitments may be higher or lower than the interest margins for the Specified Existing Revolving Credit Commitments and/or (B) additional fees and premiums may be payable to the Lenders providing such Extended Revolving Credit Commitments in addition to or in lieu of any increased margins contemplated by the preceding clause (A) and (y) the Revolving Credit Commitment fee rate with respect to the Extended Revolving Credit Commitments may be higher or lower than the Revolving Credit Commitment fee rate for the Specified Existing Revolving Credit Commitment; provided that, notwithstanding anything to the contrary in this Section 2.14(g) or otherwise, (1) the borrowing and repayment (other than in connection with a permanent repayment and termination of commitments) of Loans with respect to any Original Revolving Credit Commitments shall be made on a pro rata basis with all other Original Revolving Credit Commitments and (2) assignments and participations of Extended Revolving Credit Commitments and Extended Revolving Credit Loans shall be governed by the same assignment and participation provisions applicable to Revolving Credit Commitments and the Revolving Credit Loans related to such Commitments set forth in Section 13.6. No Lender shall have any obligation to agree to have any of its Revolving Credit Loans or Revolving Credit Commitments of any Existing Revolving Credit Class converted into Extended Revolving Credit Loans or Extended Revolving Credit Commitments pursuant to any Extension Request. Any Extended Revolving Credit Commitments of any Extension Series shall constitute a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Commitments and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date).

(iii) Any Lender (an "**Extending Lender**") wishing to have all or a portion of its Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment of the Existing Class or Existing Classes subject to such Extension Request converted into Extended Term Loans or Extended Revolving Credit Commitments, as applicable, shall notify the Administrative Agent (an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of its Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment of the Existing Class or Existing Classes subject to such Extension Request that it has elected to convert into Extended Term Loans or Extended Revolving Credit Commitments, as applicable. In the event that the aggregate amount of Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment of the Existing Class or Existing Classes subject to Extension Elections exceeds the amount of Extended Term Loans or Extended Revolving Credit Commitments, as applicable,

requested pursuant to the Extension Request, Term Loans or Revolving Credit Commitments, Incremental Revolving Credit Commitments or Extended Revolving Credit Commitments of the Existing Class or Existing Classes subject to Extension Elections shall be converted to Extended Term Loans or Extended Revolving Credit Commitments, as applicable, on a pro rata basis based on the amount of Term Loans, Revolving Credit Commitments, Incremental Revolving Credit Commitment or Extended Revolving Credit Commitment included in each such Extension Election. Notwithstanding the conversion of any Existing Revolving Credit Commitment into an Extended Revolving Credit Commitment, such Extended Revolving Credit Commitment shall be treated identically to all other Original Revolving Credit Commitments for purposes of the obligations of a Revolving Credit Lender in respect of Letters of Credit under Section 3, except that the applicable Extension Amendment may provide that the L/C Facility Maturity Date may be extended and the related obligations to issue Letters of Credit may be continued so long as the Letter of Credit Issuer, as applicable, have consented to such extensions in their sole discretion (it being understood that no consent of any other Lender shall be required in connection with any such extension).

(iv) Extended Term Loans or Extended Revolving Credit Commitments, as applicable, shall be established pursuant to an amendment (an "**Extension Amendment**") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.14(g)(iv) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans or Extended Revolving Credit Commitments, as applicable, established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Term Loans or Extended Revolving Credit Commitments in an aggregate principal amount that is less than $10,000,000. In addition to any terms and changes required or permitted by Section 2.14(g)(i), each Extension Amendment (x) shall amend the scheduled amortization payments pursuant to Section 2.5 or the applicable Joinder Agreement with respect to the Existing Term Loan Class from which the Extended Term Loans were converted to reduce each scheduled Repayment Amount for the Existing Term Loan Class in the same proportion as the amount of Term Loans of the Existing Term Loan Class is to be converted pursuant to such Extension Amendment (it being understood that the amount of any Repayment Amount payable with respect to any individual Term Loan of such Existing Term Loan Class that is not an Extended Term Loan shall not be reduced as a result thereof) and (y) may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of New Term Loans incurred following the date of such Extension Amendment. Notwithstanding anything to the contrary in this Section 2.14(g) and without limiting the generality or applicability of Section 13.1 to any Section 2.14 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "**Section 2.14 Additional Amendment**") to this Agreement and the other Credit Documents; provided that such Section 2.14 Additional Amendments are within the requirements of Section 2.14(g)(i) and do not become effective prior to the time that such Section 2.14 Additional Amendments have been consented to (including, without limitation, pursuant to (1) consents applicable to holders of New Term Loans or Extended Revolving Credit Commitments provided for in any Joinder Agreement and (2) consents applicable to holders of any Extended Term Loans or Extended Revolving Credit Commitments provided for in any Extension Amendment) by such of the Lenders, Credit Parties and other parties (if any) as may be required in order for such Section 2.14 Additional Amendments to become effective in accordance with Section 13.1.

(v) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Class is converted to extend the related scheduled maturity date(s) in accordance with clauses (i) and/or (ii) above (an "**Extension Date**"), (I) in the case of the existing Term Loans of

each Extending Lender, the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date) and (II) in the case of the Specified Existing Revolving Credit Commitments of each Extending Lender, the aggregate principal amount of such Specified Existing Revolving Credit Commitments shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Revolving Credit Commitments so converted by such Lender on such date, and such Extended Revolving Credit Commitments shall be established as a separate Class of revolving credit commitments from the Specified Existing Revolving Credit Commitments and from any other Existing Revolving Credit Commitments (together with any other Extended Revolving Credit Commitments so established on such date) and (B) if, on any Extension Date, any Loans of any Extending Lender are outstanding under the applicable Specified Existing Revolving Credit Commitments, such Loans (and any related participations) shall be deemed to be allocated as Extended Revolving Credit Loans (and related participations) and Existing Revolving Credit Loans (and related participations) in the same proportion as such Extending Lender's Specified Existing Revolving Credit Commitments to Extended Revolving Credit Commitments.

(vi) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by thisSection 2.14 (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Extended Term Loans and/or Extended Revolving Credit Commitments on such terms as may be set forth in the relevant Extension Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.14.

2.15 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "**Permitted Debt Exchange Offer**") made from time to time by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Other Indebtedness in the form of notes (such notes, "**Permitted Debt Exchange Notes**," and each such exchange a "**Permitted Debt Exchange**"), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans of a given Class (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class

actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Agent, and (vi) any applicable Minimum Tender Condition shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.15, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.1 or 5.2, and (ii) such Permitted Debt Exchange Offer shall be made for not less than $20,000,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "**Minimum Tender Condition**") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.15 and without conflict with Section 2.15(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act.

2.16 Defaulting Lenders.

(a) Adjustments. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable Requirements of Law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in the definition of Required Lenders and Section 13.1.

(ii) Defaulting Lender Waterfall. Any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of such Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Section 11 or otherwise) or received by the Administrative Agent from a Defaulting Lender pursuant to Section 13.8 shall be applied at such time or times as may be determined by the Administrative Agent as follows: *first*, to the

payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder; *second*, to the payment on a pro rata basis of any amounts owing by such Defaulting Lender to the Letter of Credit Issuer and Swingline Lender hereunder; *third*, to Cash Collateralize the Letter of Credit Issuer's or Swingline Lender's Fronting Exposure with respect to such Defaulting Lender in accordance with Section 3.8; *fourth*, as the Borrower may request (so long as no Default exists), to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; *fifth*, if so determined by the Administrative Agent and the Borrower, to be held in a deposit account and released pro rata in order to satisfy (x) such Defaulting Lender's potential future funding obligations with respect to Loans under this Agreement and (y) Cash Collateralize the Letter of Credit Issuer's future Fronting Exposure with respect to such Defaulting Lender with respect to future Letters of Credit issued under this Agreement, in accordance with Section 3.8; *sixth*, to the payment of any amounts owing to the Borrower or the Lenders, the Letter of Credit Issuer or the Swingline Lender as a result of any judgment of a court of competent jurisdiction obtained by the Borrower, any Lender, the Letter of Credit Issuer or Swingline Lender against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement; and *seventh*, to such Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if (x) such payment is a payment of the principal amount of any Loans, L/C Borrowings or Swingline Loans in respect of which such Defaulting Lender has not fully funded its appropriate share, and (y) such Loans or Swingline Loans were made or the related Letters of Credit were issued at a time when the conditions set forth in Section 7 were satisfied or waived, such payment shall be applied solely to pay the Loans or Swingline Loans of, and L/C Obligations owed to, all Non-Defaulting Lenders on a pro rata basis prior to being applied to the payment of any Loans of such Defaulting Lender until such time as all Loans and funded and unfunded participations in L/C Obligations and/or Swingline Loans are held by the Lenders pro rata in accordance with the Commitments hereunder without giving effect to Section 2.16(a)(iv). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or post Cash Collateral pursuant to this Section 2.16(a)(ii) shall be deemed paid to and redirected by such Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees.

(A) No Defaulting Lender shall be entitled to receive any fee payable under Section 4 for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender).

(B) Each Defaulting Lender shall be entitled to receive Letter of Credit Fees for any period during which that Lender is a Defaulting Lender only to the extent allocable to its applicable percentage of the stated amount of Letters of Credit for which it has provided Cash Collateral pursuant to Section 3.8.

(C) With respect to any Letter of Credit Fee not required to be paid to any Defaulting Lender pursuant to clause (A) or (B) above, the Borrower shall (x) pay to each Non-Defaulting Lender that portion of any such fee otherwise payable to such Defaulting Lender with respect to such Defaulting Lender's participation in L/C Obligations that has been

reallocated to such Non-Defaulting Lender pursuant to clause (iv) below, (y) pay to the Letter of Credit Issuer the amount of any such fee otherwise payable to such Defaulting Lender to the extent allocable to such Letter of Credit's Fronting Exposure to such Defaulting Lender and (z) not be required to pay the remaining amount of any such fee.

(iv) Reallocation of Revolving Credit Commitment Percentage to Reduce Fronting Exposure. All or any part of such Defaulting Lender's participation in L/C Obligations shall be reallocated among the Non-Defaulting Lenders in accordance with their respective Revolving Credit Commitment Percentages (calculated without regard to such Defaulting Lender's Commitment) but only to the extent that such reallocation does not cause the aggregate Revolving Credit Exposure of any Non-Defaulting Lender to exceed such non-Defaulting Lender's Commitment. Subject to Section 13.22, no reallocation hereunder shall constitute a waiver or release of any claim of any party hereunder against a Defaulting Lender arising from that Lender having become a Defaulting Lender, including any claim of a Non-Defaulting Lender as a result of such Non-Defaulting Lender's increased exposure following such reallocation.

(v) Cash Collateral. If the reallocation described in clause (a)(iv) above cannot, or can only partially, be effected, the Borrower shall Cash Collateralize the Letter of Credit Issuer's Fronting Exposure in accordance with the procedures set forth in Section 3.8.

(b) Defaulting Lender Cure. If the Borrower, the Administrative Agent, the Letter of Credit Issuer and the Swingline Lender agree in writing that a Lender is no longer a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein (which may include arrangements with respect to any Cash Collateral), that Lender will, to the extent applicable, purchase at par that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Revolving Credit Loans and funded and unfunded participations in Letters of Credit and/or Swingline Loans to be held on a pro rata basis by the Lenders in accordance with their Revolving Credit Commitment Percentages (without giving effect to Section 2.16(a)(iv)), whereupon such Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

2.17 Swingline Loans.

(a) Subject to the terms and conditions set forth herein, in reliance upon the agreements of the other Lenders set forth in this Section 2.17, the Swingline Lender agrees to make Swingline Loans to the Borrower from time to time until the Revolving Credit Maturity Date denominated in Dollars in an aggregate principal amount at any time outstanding that will not result in (i) the aggregate Revolving Credit Exposure exceeding the aggregate Revolving Credit Commitments or (ii) the aggregate amount of Swingline Loans outstanding exceeding the Swingline Sublimit; provided that the Swingline Lender shall be required to make a Swingline Loan to refinance an outstanding Swingline Loan. Within the foregoing limits and subject to the terms and conditions set forth herein, the Borrower may borrow, prepay and reborrow Swingline Loans.

(b) To request a Swingline Loan, the Borrower shall notify the Administrative Agent and the Swingline Lender of such request (i) by telephone (confirmed in writing in the form of Exhibit J) or by facsimile or electronic communication in the form of Exhibit J, if arrangements for doing so have been approved by the Swingline Lender (confirmed by telephone), not later than 11:00 a.m., New York City time, or, if agreed by the Swingline Lender, 3:00 p.m. New York City time on the day of such proposed Swingline Loan. Each such notice shall be irrevocable and shall specify the requested date (which shall be a Business Day), the amount of the requested Swingline Loan and in the case of any Swingline Loan requested to finance the reimbursement of an Unpaid Drawing as provided in Section 3.4, the identity of the Letter of Credit Issuer that made the applicable Letter of Credit. The Swingline Lender shall make each Swingline Loan available to the Borrower by means of a credit to any accounts of the Borrower maintained with the Swingline Lender for the Swingline Loan (or, in the case of a Swingline Loan made to finance the reimbursement of an Unpaid Drawing as provided in Section 3.4, by remittance to the applicable Letter of Credit Issuer) by 3:00 p.m., New York City time, on the requested date of such Swingline Loan.

(c) The Swingline Lender may by written notice given to the Administrative Agent not later than 2:00 p.m., New York City time, on any Business Day require the Revolving Credit Lenders to acquire participations on such Business Day in all or a portion of the Swingline Loans outstanding. Such notice shall specify the aggregate amount of Swingline Loans in which Revolving Credit Lenders will participate. Promptly upon receipt of such notice, the Administrative Agent will give notice thereof to each Revolving Credit Lender, specifying in such notice the Lender's Revolving Credit Commitment Percentage of such Swingline Loan or Swingline Loans. Each Revolving Credit Lender hereby absolutely and unconditionally agrees, upon receipt of notice as provided above, to pay to the Administrative Agent, for the account of the Swingline Lender, such Lender's Revolving Credit Commitment Percentage of such Swingline Loan or Swingline Loans. Each Revolving Credit Lender acknowledges and agrees that its obligation to acquire participations in Swingline Loans pursuant to this paragraph is absolute and unconditional and shall not be affected by any circumstance whatsoever, including the occurrence and continuance of a Default or any reduction or termination of the Revolving Credit Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever. Each Revolving Credit Lender shall comply with its obligation under this paragraph by wire transfer of immediately available funds, in the same manner as provided in Section 3.3 with respect to Loans made by such Lender (and Section 3.3 shall apply, *mutatis mutandis*, to the payment obligations of the Revolving Credit Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the Swingline Lender the amounts so received by it from the Revolving Credit Lenders. The Administrative Agent shall notify the Borrower of any participations in any Swingline Loan acquired pursuant to this paragraph, and thereafter payments in respect of such Swingline Loan shall be made to the Administrative Agent and not to the Swingline Lender. Any amounts received by the Swingline Lender from the Borrower (or other Person on behalf of the Borrower) in respect of a Swingline Loan after receipt by the Swingline Lender of the proceeds of a sale of participations therein shall be promptly remitted by the Swingline Lender to the Administrative Agent; any such amounts received by the Administrative Agent shall be promptly remitted by the Administrative Agent to the Revolving Credit Lenders that shall have made their payments pursuant to this paragraph and to the Swingline Lender, as their interests may appear; provided that any such payment so remitted shall be repaid to the Swingline Lender or the Administrative Agent, as the case may be, and thereafter to the Borrower, if and to the extent such payment is required to be refunded to the Borrower for any reason. The purchase of participations in a Swingline Loan pursuant to this paragraph shall not relieve the Borrower of any default in the payment thereof.

(d) The Borrower may, at any time and from time to time, designate as additional Swingline Lenders one or more Revolving Credit Lenders that agree to serve in such capacity as provided below.

The acceptance by a Revolving Credit Lender of an appointment as a Swingline Lender hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Swingline Lender, and, from and after the effective date of such agreement, (i) such Revolving Credit Lender shall have all the rights and obligations of a Swingline Lender under this Agreement and (ii) references herein to the term "Swingline Lender" shall be deemed to include such Revolving Credit Lender in its capacity as a lender of Swingline Loans hereunder.

(e) The Borrower may terminate the appointment of any Swingline Lender as a "Swingline Lender" hereunder by providing a written notice thereof to such Swingline Lender, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (i) such Swingline Lender's acknowledging receipt of such notice and (ii) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the Swingline Exposure of such Swingline Lender shall have been reduced to zero. Notwithstanding the effectiveness of any such termination, the terminated Swingline Lender shall remain a party hereto and shall continue to have all the rights of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to such termination, but shall not make any additional Swingline Loans.

(f) Any Swingline Lender may be replaced at any time by written agreement among the Borrower, the Administrative Agent, the replaced Swingline Lender and the successor Swingline Lender. The Administrative Agent shall notify the Lenders of any such replacement of a Swingline Lender. At the time any such replacement shall become effective, the Borrower shall pay all unpaid interest accrued for the account of the replaced Swingline Lender pursuant to Section 2.8(a). From and after the effective date of any such replacement, (x) the successor Swingline Lender shall have all the rights and obligations of the replaced Swingline Lender under this Agreement with respect to Swingline Loans made thereafter and (y) references herein to the term "Swingline Lender" shall be deemed to refer to such successor or to any previous Swingline Lender, or to such successor and all previous Swingline Lenders, as the context shall require. After the replacement of a Swingline Lender hereunder, the replaced Swingline Lender shall remain a party hereto and shall continue to have all the rights and obligations of a Swingline Lender under this Agreement with respect to Swingline Loans made by it prior to its replacement, but shall not be required to make additional Swingline Loans.

(g) Subject to the appointment and acceptance of a successor Swingline Lender, any Swingline Lender may resign as a Swingline Lender at any time upon 30 days' prior written notice to the Administrative Agent, the Borrower and the Lenders, in which case, such Swingline Lender shall be replaced in accordance with Section 2.17(f) above.

Section 3. Letters of Credit.

3.1 Letters of Credit.

(a) Subject to and upon the terms and conditions set forth herein, at any time and from time to time after the Closing Date and prior to the L/C Facility Maturity Date, each Letter of Credit Issuer agrees, in reliance upon the agreements of the Revolving Credit Lenders set forth in this Section 3, to issue from time to time from the Closing Date through the L/C Facility Maturity Date for the account of the Borrower (or, so long as the Borrower is the primary obligor and signatory to the Letter of Credit Request, for the account of Holdings or any Restricted Subsidiary) letters of credit (the "**Letters of Credit**" and each, a "**Letter of Credit**"), which Letters of Credit shall not at any time exceed (i) such Letter of Credit Issuer's Letter of Credit Commitment, (ii) the L/C Sublimit and (iii) 125 individual Letters of Credit, in such form as may be approved by the Letter of Credit Issuer in its reasonable discretion.

(b) Notwithstanding the foregoing, (i) no letter of Credit shall be issued the Stated Amount of which, when added to the Letters of Credit Outstanding at such time, would exceed the L/C Sublimit (or with respect to any letter of Credit Issuer, exceed such Letter of Credit Issuer's Letter of Credit Commitment); (ii) no Letter of Credit shall be issued the Stated Amount of which would cause the aggregate amount of the Lenders' Revolving Credit Exposures at the time of the issuance thereof to exceed the Total Revolving Credit Commitment the in effect; (iii) each Letter of Credit shall have an expiration date occurring no later than one year after the date of issuance thereof (except as set forth in Section 3.2(d)), provided that in no event shall such expiration date occur later than the L/C Facility Maturity Date, in each case, unless otherwise agreed upon by the Administrative Agent, the Letter of Credit Issuer and, unless the Letter of Credit has been Cash Collateralized or backstopped (in the case of a backstop only, on terms reasonably satisfactory to such Letter of Credit Issuer), the Revolving Credit Lenders; (iv) the Letter of Credit shall be denominated in Dollars; (v) no Letter of Credit shall be issued if it would be illegal under any applicable law for the beneficiary of the Letter of Credit to have a Letter of Credit issued in its favor; and (vi) no Letter of Credit shall be issued by a Letter of Credit Issuer after it has received a written notice from any Credit Party or the Administrative Agent or the Required Revolving Credit Lenders stating that a Default or Event of Default has occurred and is continuing until such time as such Letter of Credit Issuer shall have received a written notice of (x) rescission of such notice from the party or parties originally delivering such notice or (y) the waiver of such Default or Event of Default in accordance with the provisions of Section 13.1.

(c) Upon at least two Business Days' prior written notice to the Administrative Agent and the Letter of Credit Issuer (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, on any day, permanently to terminate or reduce the Letter of Credit Commitment in whole or in part; provided that, after giving effect to such termination or reduction, the Letters of Credit Outstanding shall not exceed the Letter of Credit Commitment (or with respect to a Letter of Credit Issuer, the Letters of Credit Outstanding with respect to Letters of Credit issued by such Letter of Credit Issuer shall not exceed such Letter of Credit Issuer's Letter of Credit Commitment).

(d) The Letter of Credit Issuer shall not be under any obligation to issue any Letter of Credit if:

(i) any order, judgment or decree of any Governmental Authority or arbitrator shall by its terms enjoin or restrain the Letter of Credit Issuer from issuing such Letter of Credit, or any law applicable to such Letter of Credit Issuer or any request or directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such letter of Credit Issuer shall prohibit, or request that such letter of Credit Issuer refrain from, the issuance of letters of credit generally or such Letter of Credit in particular or shall impose upon such Letter of Credit Issuer with respect to such Letter of Credit any restriction, reserve or capital requirement (in each case, for which such Letter of Credit Issuer is not otherwise compensated hereunder) not in effect on the Closing Date, or shall impose upon such Letter of Credit Issuer any unreimbursed loss, cost or expense which was not applicable on the Closing Date and which such Letter of Credit Issuer in good faith deems material to it;

(ii) the issuance of such Letter of Credit would violate one or more policies of such Letter of Credit Issuer applicable to letters of credit generally;

(iii) except as otherwise agreed by the Letter of Credit Issuer, such Letter of Credit is in an initial Stated Amount less than $50,000, in the case of a commercial Letter of Credit, or $10,000, in the case of a standby Letter of Credit; provided that none of the initial Letter of Credit Issuers or their respective affiliates shall be obligated or requested to issue commercial Letters of Credit;

(iv) such Letter of Credit is denominated in a currency other than Dollars;

(v) such Letters of Credit contains any provisions for automatic reinstatement of the Stated Amount after any drawing thereunder; or

(vi) a default of any Revolving Credit Lender's obligations to fund under Section 3.3 exists or any Revolving Credit Lender is at such time a Defaulting Lender hereunder, unless, in each case, the Borrower have entered into arrangements reasonably satisfactory to the Letter of Credit Issuer to eliminate such Letter of Credit Issuer's risk with respect to such Revolving Credit Lender or such risk has been reallocated in accordance with Section 2.16.

(e) The Letter of Credit Issuer shall not increase the Stated Amount of any Letter of Credit if the Letter of Credit Issuer would not be permitted at such time to issue such Letter of Credit in its amended form under the terms hereof.

(f) The Letter of Credit Issuer shall be under no obligation to amend any Letter of Credit if (A) the Letter of Credit Issuer would have no obligation at such time to issue such Letter of Credit in its amended form under the terms hereof, or (B) the beneficiary of such Letter of Credit does not accept the proposed amendment to such Letter of Credit.

(g) The Letter of Credit Issuer shall act on behalf of the Revolving Credit Lenders with respect to any Letters of Credit issued by it and the documents associated therewith and the Letter of Credit Issuer shall have all of the benefits and immunities (A) provided to the Administrative Agent in Section 13 with respect to any acts taken or omissions suffered by the Letter of Credit Issuer in connection with Letters of Credit issued by it or proposed to be issued by it and Issuer Documents pertaining to such Letters of Credit as fully as if the term "Administrative Agent" as used in Section 13 included the Letter of Credit Issuer with respect to such acts or omission, and (B) as additionally provided herein with respect to the Letter of Credit Issuer.

3.2 Letter of Credit Requests.

(a) Whenever the Borrower desires that a Letter of Credit be issued or amended, the Borrower shall give the Administrative Agent and the Letter of Credit Issuer a Letter of Credit Request by no later than 1:00 p.m. (New York City time) at least four Business Days (or such other period as may be agreed upon by the Borrower, the Administrative Agent and the Letter of Credit Issuer) prior to the proposed date of issuance or amendment. Each Letter of Credit Request shall be executed by the Borrower. Such Letter of Credit Request may be sent by facsimile, by United States mail, by overnight courier, by electronic transmission using the system provided by the Letter of Credit Issuer, by personal delivery or by any other means acceptable to the Letter of Credit Issuer.

(b) In the case of a request for the issuance of a Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the Letter of Credit Issuer: (A) the proposed issuance date of the requested Letter of Credit (which shall be a Business Day); (B) the Stated Amount thereof; (C) the expiry date thereof; (D) the name and address of the beneficiary thereof; (E) the documents to be presented by such beneficiary in case of any drawing thereunder; (F) the full text of any certificate to be presented by such beneficiary in case of any drawing thereunder; (G) the identity of the

applicant; and (H) such other matters as the Letter of Credit Issuer may reasonably require. In the case of a request for an amendment of any outstanding Letter of Credit, such Letter of Credit Request shall specify in form and detail reasonably satisfactory to the Letter of Credit Issuer (I) the Letter of Credit to be amended; (II) the proposed date of amendment thereof (which shall be a Business Day); (III) the nature of the proposed amendment; and (IV) such other matters as the Letter of Credit Issuer may reasonably require. Additionally, the Borrower shall furnish to the Letter of Credit Issuer and the Administrative Agent such other documents and information pertaining to such requested Letter of Credit issuance or amendment, including any Issuer Documents, as the Letter of Credit Issuer or the Administrative Agent may reasonably require.

(c) Unless the Letter of Credit Issuer has received written notice from any Revolving Credit Lender, the Administrative Agent or any Credit Party, at least two Business Days prior to the requested date of issuance or amendment of the Letter of Credit, that one or more applicable conditions contained in Sections 6 (solely with respect to any Letter of Credit issued on the Closing Date) and 7 shall not then be satisfied to the extent required thereby, then, subject to the terms and conditions hereof, the Letter of Credit Issuer shall, on the requested date, issue a Letter of Credit for the account of the Borrower (or, so long as the Borrower are the primary obligors, for the account of Holdings or a Restricted Subsidiary) or enter into the applicable amendment, as the case may be, in each case in accordance with each such Letter of Credit Issuer's usual and customary business practices.

(d) If the Borrower so requests in any Letter of Credit Request, the Letter of Credit Issuer shall agree to issue a Letter of Credit that has automatic extension provisions (each, an "**Auto-Extension Letter of Credit**"); provided that any such Auto-Extension Letter of Credit must permit the Letter of Credit Issuer to prevent any such extension at least once in each twelve-month period (commencing with the date of issuance of such Letter of Credit) by giving prior notice to the beneficiary thereof and the Borrower not later than a day (the "**Non-Extension Notice Date**") in each such twelve-month period to be agreed upon at the time such Letter of Credit is issued. Unless otherwise directed by the Letter of Credit Issuer, the Borrower shall not be required to make a specific request to the Letter of Credit Issuer for any such extension. Once an Auto-Extension Letter of Credit has been issued, the Lenders shall be deemed to have authorized (but may not require) the Letter of Credit Issuer to permit the extension of such Letter of Credit at any time to an expiry date not later than the L/C Facility Maturity Date, unless otherwise agreed upon by the Administrative Agent and the Letter of Credit Issuer; provided, however, that the Letter of Credit Issuer shall not permit any such extension if (A) the Letter of Credit Issuer has reasonably determined that it would not be permitted, at such time to issue such Letter of Credit in its revised form (as extended) under the terms hereof (by reason of the provisions of Section 3.1(b) or otherwise), or (B) it has received written notice on or before the day that is ten Business Days before the Non-Extension Notice Date from the Administrative Agent, any Lender or the Borrower that one or more of the applicable conditions specified in Sections 6 and 7 are not then satisfied, and in each such case directing the Letter of Credit Issuer not to permit such extension.

(e) Promptly after its delivery of any Letter of Credit or any amendment to a Letter of Credit to an advising bank with respect thereto or to the beneficiary thereof, the Letter of Credit Issuer will also deliver to the Borrower and the Administrative Agent a true and complete copy of such Letter of Credit or amendment. On the first Business Day of each month, the Letter of Credit Issuer shall provide the Administrative Agent a list of all Letters of Credit issued by it that are outstanding at such time.

(f) The making of each Letter of Credit Request shall be deemed to be a representation and warranty by the Borrower that the Letter of Credit may be issued in accordance with, and will not violate the requirements of, Section 3.1(b).

3.3 Letter of Credit Participations.

(a) Immediately upon the issuance by the Letter of Credit Issuer of any Letter of Credit, the Letter of Credit Issuer shall be deemed to have sold and transferred to each Revolving Credit Lender (each such Revolving Credit Lender, in its capacity under this Section 3.3, an "**L/C Participant**"), and each such L/C Participant shall be deemed irrevocably and unconditionally to have purchased and received from the Letter of Credit Issuer, without recourse or warranty, an undivided interest and participation (each an "**L/C Participation**"), to the extent of such L/C Participant's Revolving Credit Commitment Percentage in each Letter of Credit, each substitute therefor, each drawing made thereunder and the obligations of the Borrower under this Agreement with respect thereto, and any security therefor or guaranty pertaining thereto; provided that the Letter of Credit Fees will be paid directly to the Administrative Agent for the ratable account of the L/C Participants as provided in Section 4.1(b) and the L/C Participants shall have no right to receive any portion of any Fronting Fees.

(b) In determining whether to pay under any Letter of Credit, the relevant Letter of Credit Issuer shall have no obligation relative to the L/C Participants other than to confirm that any documents required to be delivered under such Letter of Credit have been delivered and that they appear to comply on their face with the requirements of such Letter of Credit. Any action taken or omitted to be taken by the relevant Letter of Credit Issuer under or in connection with any Letter of Credit issued by it, if taken or omitted in the absence of gross negligence or willful misconduct as determined in the final non-appealable judgment of a court of competent jurisdiction, shall not create for the Letter of Credit Issuer any resulting liability.

(c) In the event that the Letter of Credit Issuer makes any payment under any Letter of Credit issued by it and the applicable Borrower shall not have repaid such amount in full to the respective Letter of Credit Issuer through the Administrative Agent pursuant to Section 3.4(a), the Administrative Agent shall promptly notify each L/C Participant of such failure, and each L/C Participant shall promptly and unconditionally pay to the Administrative Agent for the account of the Letter of Credit Issuer, the amount of such L/C Participant's Revolving Credit Commitment Percentage of such unreimbursed payment in Dollars and in immediately available funds. If and to the extent such L/C Participant shall not have so made its Revolving Credit Commitment Percentage of the amount of such payment available to the Administrative Agent for the account of the Letter of Credit Issuer, such L/C Participant agrees to pay to the Administrative Agent for the account of the Letter of Credit Issuer, forthwith on demand, such amount, together with interest thereon for each day from such date until the date such amount is paid to the Administrative Agent for the account of the Letter of Credit Issuer at a rate per annum equal to the Overnight Rate from time to time then in effect, plus any administrative, processing or similar fees that are reasonably and customarily charged by the Letter of Credit Issuer in connection with the foregoing. The failure of any L/C Participant to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under any Letter of Credit shall not relieve any other L/C Participant of its obligation hereunder to make available to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage of any payment under such Letter of Credit on the date required, as specified above, but no L/C Participant shall be responsible for the failure of any other L/C Participant to make available to the Administrative Agent such other L/C Participant's Revolving Credit Commitment Percentage of any such payment.

(d) Whenever the Administrative Agent receives a payment in respect of an unpaid reimbursement obligation as to which the Administrative Agent has received for the account of the Letter of Credit Issuer any payments from the L/C Participants pursuant to clause (c) above, the Administrative Agent shall promptly pay to each L/C Participant that has paid its Revolving Credit Commitment

Percentage of such reimbursement obligation, in Dollars and in immediately available funds, an amount equal to such L/C Participant's share (based upon the proportionate aggregate amount originally funded by such L/C Participant to the aggregate amount funded by all L/C Participants) of the amount so paid in respect of such reimbursement obligation and interest thereon accruing after the purchase of the respective L/C Participations at the Overnight Rate.

(e) The obligations of the L/C Participants to make payments to the Administrative Agent for the account of the Letter of Credit Issuer with respect to Letters of Credit shall be irrevocable and not subject to counterclaim, set-off or other defense or any other qualification or exception whatsoever and shall be made in accordance with the terms and conditions of this Agreement under all circumstances.

(f) If any payment received by the Administrative Agent for the account of the Letter of Credit Issuer pursuant toSection 3.3(c) is required to be returned, each Lender shall pay to the Administrative Agent for the account of the Letter of Credit Issuer its Revolving Credit Commitment Percentage thereof on demand of the Administrative Agent, *plus* interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the applicable Overnight Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

3.4 Agreement to Repay Letter of Credit Drawings.

(a) The Borrower hereby agrees to reimburse the Letter of Credit Issuer, by making payment with respect to any drawing under any Letter of Credit in the same currency in which such drawing was made unless the Letter of Credit Issuer (at its option) shall have specified in the notice of drawing that it will require reimbursement in Dollars. Any such reimbursement shall be made by the Borrower to the Administrative Agent in immediately available funds for any payment or disbursement made by the Letter of Credit Issuer under any Letter of Credit (each such amount so paid until reimbursed, an "**Unpaid Drawing**") no later than the date that is one Business Day after the date on which the Borrower receives written notice of such payment or disbursement (the "**Reimbursement Date**"), with interest on the amount so paid or disbursed by the Letter of Credit Issuer, to the extent not reimbursed prior to 5:00 p.m. (New York City time) on the Reimbursement Date, from the Reimbursement Date to the date the Letter of Credit Issuer is reimbursed therefor at a rate per annum that shall at all times be the Applicable Margin for ABR Loans that are Revolving Credit Loans *plus* the ABR as in effect from time to time, provided that, notwithstanding anything contained in this Agreement to the contrary, (i) unless the Borrower shall have notified the Administrative Agent and the relevant Letter of Credit Issuer prior to 12:00 noon (New York City time) on the Reimbursement Date that the Borrower intends to reimburse the relevant Letter of Credit Issuer for the amount of such drawing with funds other than the proceeds of Loans, the Borrower shall be deemed to have given a Notice of Borrowing requesting that, with respect to Letters of Credit, the Revolving Credit Lenders make Revolving Credit Loans (which shall be denominated in Dollars and which shall be ABR Loans) on the Reimbursement Date in the amount of such drawing and (ii) the Administrative Agent shall promptly notify each L/C Participant of such drawing and the amount of its Revolving Credit Loan to be made in respect thereof, and each L/C Participant shall be irrevocably obligated to make a Revolving Credit Loan to the Borrower in Dollars in the manner deemed to have been requested in the amount of its Revolving Credit Commitment Percentage of the applicable Unpaid Drawing by 2:00 p.m. (New York City time) on such Reimbursement Date by making the amount of such Revolving Credit Loan available to the Administrative Agent. Such Revolving Credit Loans shall be made without regard to the Minimum Borrowing Amount. The Administrative Agent shall use the proceeds of such Revolving Credit Loans solely for purpose of reimbursing the Letter of Credit Issuer for the related Unpaid Drawing. In the event that the Borrower fails to Cash Collateralize any Letter of Credit that is outstanding on the L/C Facility Maturity Date, the full amount of the Letters of Credit

Outstanding in respect of such Letter of Credit shall be deemed to be an Unpaid Drawing subject to the provisions of this Section 3.4 except that the Letter of Credit Issuer shall hold the proceeds received from the L/C Participants as contemplated above as cash collateral for such Letter of Credit to reimburse any Unpaid Drawing under such Letter of Credit and shall use such proceeds first, to reimburse itself for any Unpaid Drawings made in respect of such Letter of Credit following the L/C Facility Maturity Date, second, to the extent such Letter of Credit expires or is returned for cancellation with an undrawn balance while any such cash collateral remains, to the repayment of obligations in respect of any Revolving Credit Loans that have not been paid at such time and third, to the Borrower or as otherwise directed by a court of competent jurisdiction. Nothing in this Section 3.4(a) shall affect the Borrower's obligation to repay all outstanding Revolving Credit Loans when due in accordance with the terms of this Agreement.

(b) The obligation of the Borrower to reimburse the Letter of Credit Issuer for each drawing under each Letter of Credit and to repay each L/C Borrowing shall be absolute, unconditional and irrevocable, and shall be paid strictly in accordance with the terms of this Agreement under all circumstances, including the following:

(i) any lack of validity or enforceability of this Agreement or any of the other Credit Documents;

(ii) the existence of any claim, set-off, defense or other right that the Borrower may have at any time against a beneficiary named in a Letter of Credit, any transferee of any Letter of Credit (or any Person for whom any such transferee may be acting), the Administrative Agent, the Letter of Credit Issuer, any Lender or other Person, whether in connection with this Agreement, any Letter of Credit, the transactions contemplated herein or any unrelated transactions (including any underlying transaction between the Borrower and the beneficiary named in any such Letter of Credit);

(iii) any draft, demand, certificate or other document presented under such Letter of Credit proving to be forged, fraudulent, invalid or insufficient in any respect or any statement therein being untrue or inaccurate in any respect; or any loss or delay in the transmission or otherwise of any document required in order to make a drawing under such Letter of Credit;

(iv) waiver by the Letter of Credit Issuer of any requirement that exists for the Letter of Credit Issuer's protection and not the protection of the Borrower (or Holdings or other Restricted Subsidiary) or any waiver by the Letter of Credit Issuer which does not in fact materially prejudice the Borrower (or Holdings or other Restricted Subsidiary);

(v) any payment made by the Letter of Credit Issuer in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under, such Letter of Credit if presentation after such date is authorized by the Uniform Commercial Code, the ISP or the UCP or the Letter of Credit itself, as applicable;

(vi) any payment by the Letter of Credit Issuer under such Letter of Credit against presentation of a draft or certificate that does not strictly comply with the terms of such Letter of Credit; or any payment made by the Letter of Credit Issuer under such Letter of Credit to any Person purporting to be a trustee in bankruptcy, debtor-in-possession, assignee for the benefit of creditors, liquidator, receiver or other representative of or successor to any beneficiary or any transferee of such Letter of Credit, including any arising in connection with any proceeding under the Bankruptcy Code;

(vii) honor of a demand for payment presented electronically even if such Letter of Credit requires that demand be in the form of a draft;

(viii) any adverse change in any relevant exchange rates or in the relevant currency markets generally; or

(ix) any other circumstance or happening whatsoever, whether or not similar to any of the foregoing, including any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower (or Holdings or other Restricted Subsidiary) (other than the defense of payment or performance).

(c) The Borrower shall not be obligated to reimburse the Letter of Credit Issuer for any wrongful payment made by the Letter of Credit Issuer under the Letter of Credit issued by it as a result of acts or omissions constituting willful misconduct or gross negligence on the part of the Letter of Credit Issuer as determined in the final non-appealable judgment of a court of competent jurisdiction.

3.5 Increased Costs. If, after the Closing Date, any Change in Law shall (x) impose, modify or make applicable any reserve, deposit, capital adequacy, liquidity or similar requirement against letters of credit issued by the Letter of Credit Issuer, or any L/C Participant's L/C Participation therein, (y) impose on the Letter of Credit Issuer or any L/C Participant any other conditions or costs affecting its obligations under this Agreement in respect of Letters of Credit or L/C Participations therein or any Letter of Credit or such L/C Participant's L/C Participation therein (other than with respect to Taxes) or (z) impose on the Letter of Credit Issuer or any L/C Participant any other conditions or costs affecting its obligations under this Agreement in respect of Letters of Credit or L/C Participations therein or any Letter of Credit or such L/C Participant's L/C Participation therein other than (1) Indemnified Taxes, (2) Excluded Taxes or (3) Other Taxes) on its loans, loan principal, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, and the result of any of the foregoing is to increase the actual cost to the Letter of Credit Issuer or such L/C Participant of issuing, maintaining or participating in any Letter of Credit, or to reduce the actual amount of any sum received or receivable by the Letter of Credit Issuer or such L/C Participant hereunder in respect of Letters of Credit or L/C Participations therein, then, promptly after receipt of written demand to the Borrower by the Letter of Credit Issuer or such L/C Participant, as the case may be (a copy of which notice shall be sent by the Letter of Credit Issuer or such L/C Participant to the Administrative Agent (with respect to a Letter of Credit issued on account of the Borrower (or Holdings or other Restricted Subsidiary))), the Borrower shall pay to the Letter of Credit Issuer or such L/C Participant such actual additional amount or amounts as will compensate the Letter of Credit Issuer or such L/C Participant for such increased cost or reduction, it being understood and agreed, however, that the Letter of Credit Issuer or an L/C Participant shall not be entitled to such compensation as a result of such Person's compliance with, or pursuant to any request or directive to comply with, any law, rule or regulation as in effect on the Closing Date. A certificate submitted to the Borrower by the relevant Letter of Credit Issuer or an L/C Participant, as the case may be (a copy of which certificate shall be sent by the Letter of Credit Issuer or such L/C Participant to the Administrative Agent), setting forth in reasonable detail the basis for the determination of such actual additional amount or amounts necessary to compensate the Letter of Credit Issuer or such L/C Participant as aforesaid shall be conclusive and binding on the Borrower absent clearly demonstrable error. The obligations of the Borrower under this Section 3.5 shall survive the payment in full of the Obligations and the termination of this Agreement.

3.6 New or Successor Letter of Credit Issuer.

(a) The Letter of Credit Issuer may resign as the Letter of Credit Issuer upon 60 days' prior written notice to the Administrative Agent, the Lenders, Holdings and the Borrower. The Borrower may replace any Letter of Credit Issuer for any reason upon written notice to the Administrative Agent and such Letter of Credit Issuer. The Borrower may add Letter of Credit Issuers at any time upon notice to the Administrative Agent. If the Letter of Credit Issuer shall resign or be replaced, or if the Borrower shall decide to add a new Letter of Credit Issuer under this Agreement, then the Borrower may appoint from among the Lenders a successor issuer of Letters of Credit or a new Letter of Credit Issuer, as the case may be, or, with the consent of the Administrative Agent (such consent not to be unreasonably withheld or delayed), another successor or new issuer of Letters of Credit, whereupon such successor issuer accepting such appointment shall succeed to the rights, powers and duties of the replaced or resigning Letter of Credit Issuer under this Agreement and the other Credit Documents, or such new issuer of Letters of Credit accepting such appointment shall be granted the rights, powers and duties of the Letter of Credit Issuer hereunder, and the term Letter of Credit Issuer shall mean such successor or such new issuer of Letters of Credit effective upon such appointment. At the time such resignation or replacement shall become effective, the Borrower shall pay to the resigning or replaced Letter of Credit Issuer all accrued and unpaid fees applicable to the Letters of Credit pursuant to Sections 4.1(b) and 4.1(d). The acceptance of any appointment as the Letter of Credit Issuer hereunder whether as a successor issuer or new issuer of Letters of Credit in accordance with this Agreement, shall be evidenced by an agreement entered into by such new or successor issuer of Letters of Credit, in a form reasonably satisfactory to the Borrower and the Administrative Agent and, from and after the effective date of such agreement, such new or successor issuer of Letters of Credit shall become the Letter of Credit Issuer hereunder. After the resignation or replacement of the Letter of Credit Issuer hereunder, the resigning or replaced Letter of Credit Issuer shall remain a party hereto and shall continue to have all the rights and obligations of the Letter of Credit Issuer under this Agreement and the other Credit Documents with respect to Letters of Credit issued by it prior to such resignation or replacement, but shall not be required to issue additional Letters of Credit. In connection with any resignation or replacement pursuant to this clause (a) (but, in case of any such resignation, only to the extent that a successor issuer of Letters of Credit shall have been appointed), either (i) the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall arrange to have any outstanding Letters of Credit issued by the resigning or replaced Letter of Credit Issuer replaced with Letters of Credit issued by the successor issuer of Letters of Credit or (ii) the Borrower shall cause the successor issuer of Letters of Credit, if such successor issuer is reasonably satisfactory to the replaced or resigning Letter of Credit Issuer, to issue "back-stop" Letters of Credit naming the resigning or replaced Letter of Credit Issuer as beneficiary for each outstanding Letter of Credit issued by the resigning or replaced Letter of Credit Issuer, which new Letters of Credit shall be denominated in the same currency as, and shall have a face amount equal to, the Letters of Credit being back-stopped and the sole requirement for drawing on such new Letters of Credit shall be a statement that there has been a compliant drawing on the corresponding back-stopped Letters of Credit. After any resigning or replaced Letter of Credit Issuer's resignation or replacement as Letter of Credit Issuer, the provisions of this Agreement relating to the Letter of Credit Issuer shall inure to its benefit as to any actions taken or omitted to be taken by it (A) while it was the Letter of Credit Issuer under this Agreement or (B) at any time with respect to Letters of Credit issued by such Letter of Credit Issuer.

(b) To the extent there are, at the time of any resignation or replacement as set forth in clause (a) above, any outstanding Letters of Credit, nothing herein shall be deemed to impact or impair any rights and obligations of any of the parties hereto with respect to such outstanding Letters of Credit (including, without limitation, any obligations related to the payment of Fees or the reimbursement or funding of amounts drawn), except that the Borrower, the resigning or replaced Letter of Credit Issuer and the successor issuer of Letters of Credit shall have the obligations regarding outstanding Letters of Credit described in clause (a) above.

3.7 Role of Letter of Credit Issuer. Each Lender and the Borrower agree that, in paying any drawing under a Letter of Credit, the Letter of Credit Issuer shall not have any responsibility to obtain any document (other than any sight draft, certificates and documents expressly required by the Letter of Credit) or to ascertain or inquire as to the validity or accuracy of any such document or the authority of the Person executing or delivering any such document. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable to any Lender for (i) any action taken or omitted in connection herewith at the request or with the approval of the Required Revolving Credit Lenders; (ii) any action taken or omitted in the absence of gross negligence or willful misconduct as determined in the final non-appealable judgment of a court of competent jurisdiction; or (iii) the due execution, effectiveness, validity or enforceability of any document or instrument related to any Letter of Credit or Issuer Document. The Borrower hereby assumes all risks of the acts or omissions of any beneficiary or transferee with respect to its use of any Letter of Credit; provided that this assumption is not intended to, and shall not, preclude the Borrower's pursuit of such rights and remedies as they may have against the beneficiary or transferee at law or under any other agreement. None of the Letter of Credit Issuer, the Administrative Agent, any of their respective Affiliates nor any correspondent, participant or assignee of the Letter of Credit Issuer shall be liable or responsible for any of the matters described in Section 3.3(b); provided that anything in such Section to the contrary notwithstanding, the Borrower may have a claim against a Letter of Credit Issuer, and a Letter of Credit Issuer may be liable to the Borrower, to the extent, but only to the extent, of any direct, as opposed to consequential or exemplary, damages suffered by the Borrower which the Borrower proves were caused by such Letter of Credit Issuer's willful misconduct or gross negligence or such Letter of Credit Issuer's willful failure to pay under any Letter of Credit after the presentation to it by the beneficiary of documents strictly complying with the terms and conditions of a Letter of Credit in each case as determined in the final non-appealable judgment of a court of competent jurisdiction. In furtherance and not in limitation of the foregoing, the Letter of Credit Issuer may accept documents that appear on their face to be in order, without responsibility for further investigation, regardless of any notice or information to the contrary, and the Letter of Credit Issuer shall not be responsible for the validity or sufficiency of any instrument transferring or assigning or purporting to transfer or assign a Letter of Credit or the rights or benefits thereunder or proceeds thereof, in whole or in part, which may prove to be invalid or ineffective for any reason.

The Letter of Credit Issuer may send a Letter of Credit or conduct any communication to or from the beneficiary via the Society for Worldwide Interbank Financial Telecommunication (SWIFT) message or overnight courier, or any other commercially reasonable means of communicating with a beneficiary.

3.8 Cash Collateral.

(a) Certain Credit Support Events. Upon the written request of the Administrative Agent, the Letter of Credit Issuer or Swingline Lender, if (i) as of the L/C Facility Maturity Date, any L/C Obligation for any reason remains outstanding, (ii) the Borrower shall be required to provide Cash Collateral pursuant to Section 11.13, or (iii) the provisions of Section 2.16(a)(v) are in effect, the Borrower shall immediately (in the case of clause (ii) above) or within one Business Day (in all other cases) following any written request by the Administrative Agent or the Letter of Credit Issuer, provide Cash Collateral in an amount not less than the applicable Minimum Collateral Amount (determined in the case of Cash Collateral provided pursuant to clause (iii) above, after giving effect to Section 2.16(a)(iv) and any Cash Collateral provided by the Defaulting Lender).

(b) Grant of Security Interest. The Borrower, and to the extent provided by any Defaulting Lender, such Defaulting Lender, hereby grant to (and subject to the control of) the Administrative Agent, for the benefit of the Administrative Agent, the Letter of Credit Issuer and the Revolving Credit Lenders,

and agree to maintain, a first priority security interest in all such cash, deposit accounts and all balances therein as described in Section 3.8(a), and all other property so provided as collateral pursuant hereto, and in all proceeds of the foregoing, all as security for the obligations to which such Cash Collateral may be applied pursuant to Section 3.8(c). If at any time the Administrative Agent determines that Cash Collateral is subject to any right or claim of any Person other than the Administrative Agent or the Letter of Credit Issuer as herein provided, other than Permitted Liens, or that the total amount of such Cash Collateral is less than the Minimum Collateral Amount (including, without limitation, as a result of exchange rate fluctuations), the Borrower will, promptly upon written demand by the Administrative Agent, pay or provide to the Administrative Agent additional Cash Collateral in an amount sufficient to eliminate such deficiency. Cash Collateral shall be maintained in blocked, interest bearing deposit accounts with the Administrative Agent. The Borrower shall pay on demand therefor from time to time all customary account opening, activity and other administrative fees and charges in connection with the maintenance and disbursement of Cash Collateral.

(c) Application. Notwithstanding anything to the contrary contained in this Agreement, Cash Collateral provided under any of thisSection 3.8 or Sections 2.16, 5.2, or 11.13 in respect of Letters of Credit shall be held and applied to the satisfaction of the specific L/C Obligations, obligations to fund participations therein (including, as to Cash Collateral provided by a Defaulting Lender, any interest accrued on such obligation) and other obligations for which the Cash Collateral was so provided, prior to any other application of such property as may otherwise be provided for herein.

(d) Cash Collateral (or the appropriate portion thereof) provided to reduce Fronting Exposure or to secure other obligations shall be released promptly following (i) the elimination of the applicable Fronting Exposure or other obligations giving rise thereto (including by the termination of Defaulting Lender status of the applicable Lender (or, as appropriate, its assignee following compliance with Section 13.6(b)(ii)) or there is no longer existing an Event of Default) or (ii) the determination by the Administrative Agent and the Letter of Credit Issuer that there exists excess Cash Collateral.

3.9 Applicability of ISP and UCP. Unless otherwise expressly agreed by the Letter of Credit Issuer and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, the Letter of Credit Issuer shall not be responsible to the Borrower for, and the Letter of Credit Issuer's rights and remedies against the Borrower shall not be impaired by, any action or inaction of the Letter of Credit Issuer required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the applicable law or any order of a jurisdiction where the Letter of Credit Issuer or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade - International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

3.10 Conflict with Issuer Documents. In the event of any conflict between the terms hereof and the terms of any Issuer Document, the terms hereof shall control and any grant of security interest in any Issuer Documents shall be void.

3.11 Letters of Credit Issued for Restricted Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, Holdings or a Restricted Subsidiary, the Borrower shall be obligated to reimburse the Letter of Credit

Issuer hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Holdings or any other Restricted Subsidiaries inures to the benefit of the Borrower and that the Borrower's business derives substantial benefits from the businesses of Holdings and the other Restricted Subsidiaries.

3.12 Provisions Related to Extended Revolving Credit Commitments. If the L/C Facility Maturity Date in respect of any tranche of Revolving Credit Commitments occurs prior to the expiry date of any Letter of Credit, then (i) if consented to by the Letter of Credit Issuer which issued such Letter of Credit, if one or more other tranches of Revolving Credit Commitments in respect of which the L/C Facility Maturity Date shall not have so occurred are then in effect, such Letters of Credit for which consent has been obtained shall automatically be deemed to have been issued (including for purposes of the obligations of the Revolving Credit Lenders to purchase participations therein and to make Revolving Credit Loans and payments in respect thereof pursuant to Sections 3.3 and 3.4) under (and ratably participated in by Lenders pursuant to) the Revolving Credit Commitments in respect of suchnon-terminating tranches up to an aggregate amount not to exceed the aggregate amount of the unutilized Revolving Credit Commitments thereunder at such time (it being understood that no partial face amount of any Letter of Credit may be so reallocated) and (ii) to the extent not reallocated pursuant to immediately preceding clause (i), the Borrower shall Cash Collateralize any such Letter of Credit in accordance withSection 3.8. Upon the maturity date of any tranche of Revolving Credit Commitments, the sublimit for Letters of Credit may be reduced as agreed between the Letter of Credit Issuer and the Borrower, without the consent of any other Person.

Section 4. Fees.

4.1 Fees.

(a) Without duplication, the Borrower agrees to pay to the Administrative Agent in Dollars, for the account of each Revolving Credit Lender (in each case pro rata according to the respective Revolving Credit Commitments of all such Lenders), a commitment fee (the "**Commitment Fee**") for each day from the Closing Date to the Revolving Credit Termination Date. Each Commitment Fee shall be payable (x) quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower (for the quarterly period (or portion thereof) ended on such day for which no payment has been received) and (y) on the Revolving Credit Termination Date (for the period ended on such date for which no payment has been received pursuant to clause (x) above), and shall be computed for each day during such period at a rate per annum equal to the Commitment Fee Rate in effect on such day on the Available Commitment in effect on such day. For purposes of computing Commitment Fees, the Available Commitment of each Revolving Credit Lender shall be deemed to be used to the extent of the Revolving Credit Loans and the Letter of Credit Exposure (but the Swingline Exposure of such Lender shall be disregarded for such purpose).

(b) Without duplication, the Borrower agrees to pay to the Administrative Agent in Dollars for the account of the Revolving Credit Lenders pro rata on the basis of their respective Letter of Credit Exposure, a fee in respect of each Letter of Credit issued on the Borrower's or any of the other Restricted Subsidiaries' behalf (the "**Letter of Credit Fee**"), for the period from the date of issuance of such Letter of Credit to the termination date of such Letter of Credit computed at the per annum rate for each day equal to the Applicable Margin for Adjusted LIBOR Rate Revolving Credit Loans less the Fronting Fee set forth in clause (d) below. Except as provided below, such Letter of Credit Fees shall be due and payable (x) quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower and (y) on the date upon which the Total Revolving Credit Commitment terminates and the Letters of Credit Outstanding shall have been reduced to zero.

(c) Without duplication, the Borrower agrees to pay to the Administrative Agent in Dollars, for its own account, administrative agent fees as have been previously agreed in writing or as may be agreed in writing from time to time.

(d) Without duplication, the Borrower agrees to pay to the Letter of Credit Issuer a fee in Dollars in respect of each Letter of Credit issued by it to the Borrower (the "**Fronting Fee**") (i) with respect to each commercial Letter of Credit, at the rate of 0.125%, computed on the amount of such Letter of Credit, and (ii) with respect to each standby Letter of Credit, for the period from the date of issuance of such Letter of Credit to the termination date of such Letter of Credit, computed at the rate for each day equal to 0.125% per annum on the average daily Stated Amount of such Letter of Credit (or at such other rate per annum as agreed in writing between the Borrower and the Letter of Credit Issuer). Such Fronting Fees shall be due and payable (x) quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower and (y) on the date upon which the Total Revolving Credit Commitment terminates and the Letters of Credit Outstanding shall have been reduced to zero.

(e) Without duplication, the Borrower agrees to pay directly to the Letter of Credit Issuer in Dollars upon each issuance or extension of, drawing under, and/or amendment of, a Letter of Credit issued by it such amount as shall at the time of such issuance or extension of, drawing under, and/or amendment be the processing charge that the Letter of Credit Issuer is customarily charging for issuances or extension of, drawings under or amendments of, letters of credit issued by it.

(f) Without duplication, the Borrower agrees to pay to the Administrative Agent in Dollars, for the account of each Lender (other than a Defaulting Lender) with a Delayed Draw Term Loan Commitment (in each case *pro rata* according to the respective Delayed Draw Term Loan Commitments of all such Lenders), a commitment fee in an amount equal to, from and after the date that is 31 days after the Closing Date, 100% of the Applicable Margin for LIBOR Loans that are Initial Term Loans (the "**Delayed Draw Commitment Fee Rate**"), *multiplied by* the actual daily amount of the Available Delayed Draw Term Loan Commitment of such Lenders, (such commitment fees, the "**Delayed Draw Commitment Fee**"); which shall begin to accrue from the date that is 31 days after the Closing Date to and including the Delayed Draw Term Loan Commitment Termination Date; provided that the Borrower, in its sole discretion, may elect to terminate the unfunded commitments under the Delayed Draw First Lien Term Loan Facility in whole or in part at any time and upon such termination, commitment fees shall cease to accrue and shall be then due and payable. Each Delayed Draw Commitment Fee shall be payable (x) quarterly in arrears on the last Business Day of each March, June, September and December, as applicable (for the quarterly period (or portion thereof) ended on such day for which no payment has been received), (y) on the Delayed Draw Term Loan Commitment Termination Date and (z) with respect to accrued and unpaid Delayed Draw Commitment Fees in respect of the Delayed Draw Term Loans funded on any Delayed Draw Funding Date, on such Delayed Draw Funding Date (in each case of the foregoing clauses (y) and (z), for the period ended on such date for which the required payments have not been received pursuant to clause (x) above), and shall be computed for each day during such period at a rate*per annum* equal to the Delayed Draw Commitment Fee Rate on the Available Delayed Draw Term Loan Commitment in effect on such day. The Delayed Draw Commitment Fee shall be calculated quarterly in arrears on the basis of a 360-day year for the actual days elapsed.

(g) Without duplication, the Borrower agrees to pay to the Administrative Agent in Dollars, for the account of each Delayed Draw Term Lender, an upfront fee (the "**Delayed Draw Upfront Fee**") in an amount equal to 1.50% of the stated principal amount of such Delayed Draw Term Lender's Delayed Draw Term Loans made on any date prior to the Delayed Draw Term Loan Commitment Termination Date. Such Delayed Draw Upfront Fee will be in all respects fully earned, due and payable on the date on which any such Delayed Draw Term Loans are made and non-refundable thereafter.

(h) Notwithstanding the foregoing, the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this Section 4.1.

4.2 Voluntary Reduction of Revolving Credit Commitments and Delayed Draw Term Loan Commitments

(a) Upon at least two Business Days' prior written notice to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Revolving Credit Commitments in whole or in part; provided that (a) any such reduction shall apply proportionately and permanently to reduce the Revolving Credit Commitment of each of the Lenders of any applicable Class, except that (i) notwithstanding the foregoing, in connection with the establishment on any date of any Extended Revolving Credit Commitments pursuant to Section 2.14(g), the Revolving Credit Commitments of any one or more Lenders providing any such Extended Revolving Credit Commitments on such date shall be reduced in an amount equal to the amount of Revolving Credit Commitments so extended on such date (provided that (x) after giving effect to any such reduction and to the repayment of any Revolving Credit Loans made on such date, the Revolving Credit Exposure of any such Lender does not exceed the Revolving Credit Commitment thereof and (y) for the avoidance of doubt, any such repayment of Revolving Credit Loans contemplated by the preceding clause shall be made in compliance with the requirements of Section 5.3(a) with respect to the ratable allocation of payments hereunder, with such allocation being determined after giving effect to any conversion pursuant to Section 2.14(g) of Revolving Credit Commitments and Revolving Credit Loans into Extended Revolving Credit Commitments and Extended Revolving Credit Loans pursuant to Section 2.14(g) prior to any reduction being made to the Revolving Credit Commitment of any other Lender) and (ii) the Borrower may at its election permanently reduce the Revolving Credit Commitment of a Defaulting Lender to $0 without affecting the Revolving Credit Commitments of any other Lender, (b) any partial reduction pursuant to this Section 4.2(a) shall be in the amount of at least $5,000,000, and (c) after giving effect to such termination or reduction and to any prepayments of the Loans and Swingline Loans made on the date thereof in accordance with this Agreement, the aggregate amount of the Lenders' Revolving Credit Exposures shall not exceed the Total Revolving Credit Commitment and the aggregate amount of the Lenders' Revolving Credit Exposures in respect of any Class shall not exceed the aggregate Revolving Credit Commitment of such Class.

(b) Upon at least two Business Days' prior written notice to the Administrative Agent at the Administrative Agent's Office (which notice the Administrative Agent shall promptly transmit to each of the Lenders holding a Delayed Draw Term Loan Commitment), the Borrower shall have the right, without premium or penalty, on any day, permanently to terminate or reduce the Delayed Draw Term Loan Commitments in whole or in part; provided that (a) any such reduction shall apply proportionately and permanently to reduce the Delayed Draw Term Loan Commitment of each of the Delayed Draw Term Lenders and (b) any partial reduction pursuant to this Section 4.2(b) shall be in the amount of at least $1,000,000.

Section 5. Payments.

5.1 Voluntary Prepayments.

(a) The Borrower shall have the right to prepay Loans, including Term Loans and Revolving Credit Loans, as applicable, in each case, other than as set forth in Section 5.1(b), without premium or penalty, in whole or in part from time to time on the following terms and conditions: (1) the Borrower shall give the Administrative Agent at the Administrative Agent's Office (and, in the case of a Swingline Loan, the Swingline Lender) written notice of its intent to make such prepayment, the amount of such prepayment and (in the case of LIBOR Loans) the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than 12:00 noon (New York City time) (i) in the case of LIBOR Loans, three Business Days prior to and (ii) in the case of ABR Loans, one Business Day prior to the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; (2) each partial prepayment of (i) any Borrowing of LIBOR Loans shall be in a minimum amount of $5,000,000 and in multiples of $1,000,000 in excess thereof and (ii) any ABR Loans shall be in a minimum amount of $1,000,000 and in multiples of $100,000 in excess thereof, provided that no partial prepayment of LIBOR Loans made pursuant to a single Borrowing shall reduce the outstanding LIBOR Loans made pursuant to such Borrowing to an amount less than the applicable Minimum Borrowing Amount for such LIBOR Loans, and (3) in the case of any prepayment of LIBOR Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto, the Borrower shall, promptly after receipt of a written request by any applicable Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to the Administrative Agent for the account of such Lender any amounts required pursuant to Section 2.11. Each prepayment in respect of any Term Loans pursuant to thisSection 5.1 shall be applied to the Class or Classes of Term Loans as the Borrower may specify. Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be (a) applied to the Class or Classes of Term Loans as the Borrower may specify and (b) applied to reduce Initial Term Loan Repayment Amounts, any New Term Loan Repayment Amounts, and, subject to Section 2.14(g), Extended Term Loan Repayment Amounts, as the case may be, in each case, in such order and to such Classes as the Borrower may specify. At the Borrower's election in connection with any prepayment pursuant to this Section 5.1, such prepayment shall not be applied to any Term Loan or Revolving Credit Loan of a Defaulting Lender.

(b) In the event that, on or prior to the six-month anniversary of the Closing Date, the Borrower (i) makes any prepayment of Initial Term Loans in connection with any Repricing Transaction the primary purpose of which is to decrease the Effective Yield on such Initial Term Loans or (ii) effects any amendment of this Agreement resulting in a Repricing Transaction the primary purpose of which is to decrease the Effective Yield on the Initial Term Loans, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, (x) in the case of clause (i), a prepayment premium of 1.00% of the principal amount of the Initial Term Loans being prepaid in connection with such Repricing Transaction and (y) in the case of clause (ii), an amount equal to 1.00% of the aggregate principal amount of the applicable Initial Term Loans outstanding immediately prior to such amendment that are subject to an effective pricing reduction pursuant to such Repricing Transaction.

5.2 Mandatory Prepayments.

(a) Term Loan Prepayments.

(i) On each occasion that a Prepayment Event occurs, the Borrower shall, within three Business Days after receipt of the Net Cash Proceeds of a Debt Incurrence Prepayment Event (other than one covered by clause (iii) below) and within ten Business Days after the occurrence of any other Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within ten Business Days after the Deferred Net Cash Proceeds Payment Date), prepay, in accordance with clause (c) below, Term Loans with an equivalent principal amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided that, with respect to the Net Cash Proceeds of an Asset Sale Prepayment Event, Casualty Event or Permitted Sale Leaseback, in each case solely to the extent with respect to any Collateral, the Borrower may use a portion of such Net Cash Proceeds to prepay or repurchase Permitted Other Indebtedness (and with such prepaid or repurchased Permitted Other Indebtedness permanently extinguished) with a Lien on the Collateral ranking equal with the Liens securing the Obligations to the extent any applicable Permitted Other Indebtedness Document requires the issuer of such Permitted Other Indebtedness to prepay or make an offer to purchase such Permitted Other Indebtedness with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds *multiplied* by (y) a fraction, the numerator of which is the outstanding principal amount of the Permitted Other Indebtedness with a Lien on the Collateral ranking equal with the Liens securing the Obligations and with respect to which such a requirement to prepay or make an offer to purchase exists and the denominator of which is the sum of the outstanding principal amount of such Permitted Other Indebtedness and the outstanding principal amount of Term Loans.

(ii) Not later than ten Business Days after the date on which financial statements are required to be delivered pursuant to Section 9.1(a) for any fiscal year (commencing with and including the fiscal year ending December 31, 2020), if, and solely to the extent, Excess Cash Flow for such fiscal year exceeds $15,000,000, the Borrower shall prepay (or cause to be prepaid), in accordance with clause (c) below, Term Loans with a principal amount equal to (x) 50% of Excess Cash Flow for such fiscal year; provided that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of the Borrower) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.00:1.00 but greater than 3.50:1.00 and (B) no payment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Consolidated First Lien Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of the Borrower) for the most recent Test Period ended prior to such prepayment date is less than or equal to 3.50:1.00, *minus,* (y) (i) the sum during such fiscal year of the principal amount of Term Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6, Second Lien Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 of the Second Lien Credit Agreement (in each case, including purchases of the Loans by the Borrower and its Subsidiaries at or below par offered to all Lenders and Dutch auctions, in which case the amount of voluntary prepayments of Loans shall be deemed not to exceed the actual purchase price of such Loans at or below par) during such fiscal year or after such fiscal year and prior to the date of the required Excess Cash Flow payment and (ii) to the extent accompanied by permanent reduction of commitments, optional reductions of Incremental Revolving Credit Commitments, Revolving Credit Commitments, Extended Revolving Credit Commitments, Incremental Revolving Credit Commitments, Swingline Loans, as applicable, Revolving Credit Loans, Extended Revolving Credit Loans, Incremental Revolving Credit Loans, in each case, other than to the extent any such prepayment is funded with the proceeds of Funded Debt.

(iii) On each occasion that Permitted Other Indebtedness is issued or incurred pursuant to Section 10.1(w), the Borrower shall within three Business Days of receipt of the Net Cash Proceeds of such Permitted Other Indebtedness prepay, in accordance with clause (c) below, Term Loans with a principal amount equal to 100% of the Net Cash Proceeds from such issuance or incurrence of Permitted Other Indebtedness.

(iv) Notwithstanding any other provisions of this Section 5.2, (A) to the extent that any or all of the Net Cash Proceeds of any Prepayment Event by a Subsidiary that is not a Credit Party giving rise to a prepayment pursuant to clause (i) above (a "**Non-Credit Party Prepayment Event**") or Excess Cash Flow are prohibited or delayed by any Requirements of Law from being repatriated to the Credit Parties, an amount equal to the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in clauses (i) and (ii) above, as the case may be, but only so long, as the applicable Requirements of Law will not permit repatriation to the Credit Parties (the Credit Parties hereby agreeing to cause the applicable Subsidiary to promptly take all actions reasonably required by the applicable Requirements of Law to permit repatriation), and once a repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Requirements of Law, an amount equal to such Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation is permitted) applied (net of any taxes that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) to the repayment of the Loans pursuant to clauses (i) and (ii) above, as applicable, and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Non-Credit Party Prepayment Event or Excess Cash Flow would have a material adverse tax consequence with respect to such Net Cash Proceeds or Excess Cash Flow, an amount equal to the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Subsidiary; provided that in the case of this clause (B), on or before the date on which any Net Cash Proceeds from any Non-Credit Party Prepayment Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to clause (i) above or, in the case of Excess Cash Flow, a date on or before the date that is eighteen months after the date an amount equal to such Excess Cash Flow would have so required to be applied to prepayments pursuant to clause (ii) above unless previously actually repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to clause (ii) above, (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Credit Parties rather than such Subsidiary, less the amount of any taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Subsidiary that is not a Credit Party. For the avoidance of doubt, nothing in this Agreement, including Section 5 shall be construed to require any Subsidiary to repatriate cash.

(b) Repayment of Revolving Credit Loans. If on any date the aggregate amount of the Lenders' Revolving Credit Exposures in respect of any Class of Revolving Loans for any reason exceeds 100% of the Revolving Credit Commitment of such Class then in effect, the Borrower shall forthwith repay on such date Revolving Loans of such Class or the Swingline Loans, as the case may be, in an amount equal to such excess. If after giving effect to the prepayment of all outstanding Revolving Loans of such Class, the Revolving Credit Exposures of such Class exceed the Revolving Credit Commitment of such Class then in effect, the Borrower shall Cash Collateralize the Letter of Credit Outstanding in relation to such Class to the extent of such excess.

(c) Application to Repayment Amounts. Subject to Section 5.2(f), each prepayment of Term Loans required by Section 5.2(a)(i) or (ii) shall be allocated pro rata among the Initial Term Loans, the New Term Loans, the Delayed Draw Term Loans and the Extended Term Loans based on the applicable remaining Repayment Amounts due thereunder and shall be applied within each Class of Term Loans in respect of such Term Loans in direct order of maturity thereof or as otherwise directed by the Borrower; provided that the Borrower may allocate a greater proportion of such prepayment in its sole discretion to the Initial Term Loans to the extent agreed to by the Lenders providing any applicable New Term Loans and/or Extended Term Loans outstanding at such time. Subject to Section 5.2(f), with respect to each such prepayment, the Borrower will, not later than the date specified in Section 5.2(a) for making such prepayment, give the Administrative Agent written notice which shall include a calculation of the amount of such prepayment to be applied to each Class of Term Loans requesting that the Administrative Agent provide notice of such prepayment to each Initial Term Loan Lender, New Term Loan Lender, Delayed Draw Term Lender or Lender of Extended Term Loans, as applicable.

(d) Application to Term Loans. With respect to each prepayment of Term Loans required by Section 5.2(a), the Borrower may, if applicable, designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided, that if any Lender has provided a Rejection Notice in compliance with Section 5.2(f), such prepayment shall be applied with respect to the Term Loans to be prepaid on a pro rata basis across all outstanding Types of such Term Loans in proportion to the percentage of such outstanding Term Loans to be prepaid represented by each such Class. In the absence of a Rejection Notice or a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(e) Application to Revolving Credit Loans. With respect to each prepayment of Revolving Credit Loans, the Borrower may designate (i) the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made and (ii) the Revolving Loans to be prepaid, provided that (y) each prepayment of any Loans made pursuant to a Borrowing shall be applied pro rata among such Loans; and (z) notwithstanding the provisions of the preceding clause (y), no prepayment of Revolving Loans shall be applied to the Revolving Credit Loans of any Defaulting Lender unless otherwise agreed in writing by the Borrower. In the absence of a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(f) Rejection Right. The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 5.2(a) at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender holding Term Loans of the contents of such prepayment notice and of such Lender's pro rata share of the prepayment. Each Term Loan Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment other than any such mandatory prepayment with respect to a Debt Incurrence Prepayment Event under Section 5.2(a)(i) or Permitted Other Indebtedness under Section 5.2(a)(iii) (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant to Section 5.2(a) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining after offering such Declined Proceeds to the Lenders in accordance with the terms hereof and remaining after offering such Declined Proceeds to the Lenders under the Second Lien Facility in accordance with the terms of the Second Lien Facility shall thereafter be retained by the Borrower ("**Retained Declined Proceeds**").

5.3 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, without set-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto, the Letter of Credit Issuer entitled thereto or the Swingline Lender entitled thereto, as the case may be; all such payments shall be made, except as otherwise specifically provided herein, not later than 12:00 noon (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower, it being understood that written or facsimile notice by the Borrower to the Administrative Agent to make a payment from the funds in the Borrower's account(s) at the Administrative Agent's Office shall constitute the making of such payment to the extent of such funds held in such account. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder shall be made in the currency in which such Loans are denominated and all other payments under each Credit Document shall, unless otherwise specified in such Credit Document, be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to 12:00 noon (New York City time) or, otherwise, on the next Business Day in the Administrative Agent's sole discretion) like funds relating to the payment of principal or interest or Fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than 12:00 noon (New York City time) may be deemed to have been made on the next succeeding Business Day in the Administrative Agent's sole discretion for purposes of calculating interest thereon. Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes.

(ii) If any Withholding Agent shall be required by applicable law to withhold or deduct any Taxes from any payment, then (A) such Withholding Agent shall withhold or make such deductions as are reasonably determined by such Withholding Agent to be required by applicable law, (B) such Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by the applicable Credit Party shall be increased as necessary so that after any required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 5.4) each Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or timely reimburse the Administrative Agent or any Lender for the payment of any Other Taxes.

(c) Tax Indemnifications. Without limiting the provisions of subsection (a) or (b) above, the Borrower shall indemnify the Administrative Agent and each Lender, and shall make payment in respect thereof within 15 days after receipt of written demand therefor, for the full amount of Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) payable or paid by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability (along with a written statement setting forth in reasonable detail the basis and calculation of such amounts) delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. If the Borrower reasonably believes that any such Indemnified Taxes or Other Taxes were not correctly or legally asserted, the Administrative Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Indemnified Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(d) Evidence of Payments. After any payment of Taxes by any Credit Party or the Administrative Agent to a Governmental Authority as provided in this Section 5.4, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders and Tax Documentation.

(i) Each Lender shall deliver to the Borrower and to the Administrative Agent, at such time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the Borrower or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Credit Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Credit Party pursuant to any Credit Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. Any documentation and information required to be delivered by a Lender pursuant to this Section 5.4(e) (including any specific documentation set forth in subsection (ii) below) shall be delivered by such Lender (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before any date on which such documentation expires or becomes obsolete or invalid, (iii) promptly after the occurrence of any change in the Lender's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and each such Lender shall promptly notify in writing the Borrower and the Administrative Agent if such Lender is no longer legally eligible to provide any documentation previously provided. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.4(e)(ii)(A), (B)(1), (B)(2),

(B)(3), (B)(4), (C) and (D) below) shall not be required if in such Lender's or the Administrative Agent's reasonable judgment such completion, execution, or submission would subject such Lender or the Administrative Agent to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or the Administrative Agent.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "**U.S. Lender**") shall deliver to the Borrower and the Administrative Agent executed originals or copies of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable laws or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements;

(B) each Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) whichever of the following is applicable:

(1) executed originals or copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(2) executed originals or copies of Internal Revenue Service Form W-8ECI (or any successor form thereto);

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, substantially in the form of Exhibit I-1, I-2, I-3 or I-4, as applicable, (a "**Non-Bank Tax Certificate**"), to the effect that such Non-U.S. Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10-percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Document are effectively connected with such Non-U.S. Lender's conduct of a United States trade or business and (y) executed originals or copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form);

(4) where such Non-U.S. Lender is a partnership (for U.S. federal income tax purposes) or otherwise not a beneficial owner (e.g., where such Non-U.S. Lender has sold a participation), Internal Revenue Service Form W-8IMY (or any successor thereto) and all required supporting documentation (including, where one or more of the underlying beneficial owner(s) is claiming the benefits of the portfolio interest exemption, a Non-Bank Tax Certificate (substantially in the form of Exhibit I-2 or Exhibit I-3, as applicable) of such beneficial owner(s)) (provided that, if the Non-U.S. Lender is a partnership and not a participating Lender, the Non-Bank Tax Certificate(s) (substantially in the form of Exhibit I-4) may be provided by the Non-U.S. Lender on behalf of the direct or indirect partner(s)); or

(5) executed originals of any other form prescribed by applicable laws as a basis for claiming exemption from or a reduction in U.S. federal withholding tax together

with such supplementary documentation as may be prescribed by applicable laws to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(C) each Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (C), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(D) if the Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower with two duly completed copies of Internal Revenue Service Form W-9. If the Administrative Agent is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide an original Internal Revenue Service Form W-8IMY certifying on Part I and Part VI of such Form W-8IMY that it is a U.S. branch that has agreed to be treated as a U.S. person for United States federal withholding tax purposes with respect to payments received by it from the Borrower. The Administrative Agent shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide the certification described in the prior sentence.

(f) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which any Credit Party has paid additional amounts pursuant to this Section 5.4, the Administrative Agent or such Lender (as applicable) shall promptly pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Parties under this Section 5.4 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, the Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that it deems confidential). Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the Administrative Agent or any Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person.

(g) For the avoidance of doubt, for purposes of this Section 5.4, the term "Lender" includes any Letter of Credit Issuer and the term "applicable law" includes FATCA.

(h) Each party's obligations under this Section 5.4 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Credit Documents.

5.5 Computations of Interest and Fees.

(a) Except as provided in the next succeeding sentence, interest on LIBOR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees and the average daily Stated Amount of Letters of Credit shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.6 Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules, and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate that would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; provided that to the extent lawful, the interest or other amounts that would have been payable but were not payable as a result of the operation of this Section shall be cumulated and the interest payable to such Lender in respect of other Loans or periods shall be increased (but not above such maximum amount or rate of interest therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

8.3 No Violation. Neither the execution, delivery or performance by any Credit Party of the Credit Documents to which it is a party nor compliance with the terms and provisions thereof nor the consummation of the Acquisition and the other transactions contemplated hereby or thereby will (a) contravene any applicable provision of any material law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of such Credit Party or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents or Permitted Liens) pursuant to, the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which such Credit Party or any of the Restricted Subsidiaries is a party or by which it or any of its property or assets is bound (any such term, covenant, condition or provision, a "**Contractual Requirement**") other than any such breach, default or Lien that would not reasonably be expected to result in a Material Adverse Effect or (c) violate any provision of the certificate of incorporation, by-laws, memorandum and articles of association or other organizational documents of such Credit Party or any of the Restricted Subsidiaries (after giving effect to the Acquisition).

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

This Agreement will not treat (1) unsecured Indebtedness as subordinated or junior to secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

(b) so long as no Event of Default has occurred and is continuing or would result therefrom, any Subsidiary of the Borrower or any other Person (other than the Borrower) may be merged, amalgamated or consolidated with or into any one or more Subsidiaries of the Borrower; provided that (i) in the case of any merger, amalgamation or consolidation involving one or more Restricted Subsidiaries, (A) a Restricted Subsidiary shall be the continuing or surviving Person or (B) the Borrower shall cause the Person formed by or surviving any such merger, amalgamation or consolidation (if other than a Restricted Subsidiary) to become a Restricted Subsidiary, (ii) in the case of any merger, amalgamation or consolidation involving one or more Guarantors, a Guarantor shall be the continuing or surviving Person or the Person formed by or surviving any such merger, amalgamation or consolidation and if the surviving Person is not already a Guarantor, such Person shall execute a supplement to the Guarantee and the relevant Security Documents in form and substance reasonably satisfactory to the Administrative Agent in order to become a Guarantor and pledgor, mortgagor and grantor, as applicable, thereunder for the benefit of the Secured Parties, and (iii) the Borrower shall have delivered to the Administrative Agent an officer's certificate stating that such merger, amalgamation or consolidation and any such supplements to any Security Document preserve the enforceability of the Guarantees and the perfection and priority of the Liens under the Security Documents;

11.12 Remedies Upon Event of Default. If an Event of Default occurs and is continuing (other than in the case of an Event of Default under Section 11.3(a) with respect to any default of performance or compliance with the covenant under Section 10.7), the Administrative Agent shall, upon the written request of the Required Lenders, by written notice to the Borrower, without prejudice to the rights of the Administrative Agent or any Lender to enforce its claims against Holdings and the Borrower, except as otherwise specifically provided for in this Agreement: (i) declare the Total Revolving Credit Commitment terminated, whereupon the Revolving Credit Commitment of each Lender shall forthwith terminate immediately and any Fees theretofore accrued shall forthwith become due and payable without any other notice of any kind, (ii) declare the Delayed Draw Term Loan Commitment terminated, whereupon the Delayed Draw Term Loan Commitment, if any, of each Lender shall forthwith be terminated immediately and any Fees theretofore accrued shall forthwith become due and payable without any other notice of any kind, (iii) declare the principal of and any accrued interest and fees in respect of all Loans and all Obligations to be, whereupon the same shall become, forthwith due and payable without presentment,

demand, protest or other notice of any kind, all of which are hereby waived by the Borrower to the extent permitted by applicable law, (iv) terminate any Letter of Credit that may be terminated in accordance with its terms, and/or (v) direct the Borrower to pay (and the Borrower agrees that upon receipt of such notice, or upon the occurrence of an Event of Default specified in Section 11.5 with respect to the Borrower, it will pay) to the Administrative Agent at the Administrative Agent's Office such additional amounts of cash, to be held as security for the Borrower's Reimbursement Obligations for Unpaid Drawings that may subsequently occur thereunder, equal to 101% of the aggregate Stated Amount of all Letters of Credit issued and then outstanding; provided that, if an Event of Default specified in Section 11.5 shall occur with respect to the Borrower or Holdings, the result that would occur upon the giving of written notice by the Administrative Agent shall occur automatically without the giving of any such notice. In the case of an Event of Default under Section 11.3(a) in respect of a failure to observe or perform the covenant under Section 10.7, provided that the actions hereinafter described will be permitted to occur only following the expiration of the ability to effectuate the Cure Right if such Cure Right has not been so exercised, and at any time thereafter during the continuance of such event, the Administrative Agent shall, upon the written request of the Required Revolving Credit Lenders, by written notice to Holdings, take either or both of the following actions, at the same or different times (except the following actions may not be taken until the ability to exercise the Cure Right under Section 11.14 has expired (but may be taken as soon as the ability to exercise the Cure Right has expired and it has not been so exercised)): (a) declare the Total Revolving Credit Commitment terminated, whereupon the Revolving Credit Commitment of each Lender and Swingline Commitment of each Swingline Lender, shall forthwith terminate immediately and any Fees theretofore accrued shall forthwith become due and payable without any other notice of any kind; and (b) declare the Revolving Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter, during the continuance of such event, be declared to be due and payable), and thereupon the principal of the Revolving Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower (to the extent permitted by applicable law). On or after the date on which the Required Revolving Credit Lenders have, by written request to the Administrative Agent, elected to take the action under clause (iii) above as a result of an Event of Default under Section 11.3(a) in respect of a failure to observe or perform the covenant under Section 10.7, the Required Term Loan Lenders may, upon the written request of the Required Term Loan Lenders to the Administrative Agent, elect to declare the Term Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter, during the continuance of such event, be declared to be due and payable), and thereupon the principal of the Term Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of the Borrower accrued hereunder, shall become due and payable immediately, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by the Borrower (to the extent permitted by applicable law).

11.13 Application of Proceeds. Subject to the terms of, in each case if executed, any First Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement, any amount received by the Administrative Agent or the Collateral Agent from any Credit Party (or from proceeds of any Collateral) following any acceleration of the Obligations under this Agreement, any exercise of remedies under the Credit Documents or any Event of Default with respect to the Borrower under Section 11.5 shall be applied:

(i) *first*, to the payment of all reasonable and documented costs and expenses incurred by the Administrative Agent or the Collateral Agent in connection with any collection or sale of the Collateral or otherwise in connection with any Credit Document, including all court costs and the reasonable fees and expenses of its agents and legal counsel, the repayment of all

advances made by the Administrative Agent or the Collateral Agent hereunder or under any other Credit Document on behalf of Holdings (if applicable) or any Credit Party and any other reasonable and documented costs or expenses incurred in connection with the exercise of any right or remedy hereunder or under any other Credit Document to the extent reimbursable hereunder or thereunder;

(ii) *second*, to the Secured Parties, an amount (x) equal to all Obligations owing to them on the date of any distribution and (y) sufficient to Cash Collateralize all Letters of Credit Outstanding on the date of any distribution, and, if such moneys shall be insufficient to pay such amounts in full and Cash Collateralize all Letters of Credit Outstanding, then ratably (without priority of any one over any other) to such Secured Parties in proportion to the unpaid amounts thereof and to Cash Collateralize the Letters of Credit Outstanding; and

(iii) *third*, any surplus then remaining shall be paid to the applicable Credit Parties or their successors or assigns or to whomsoever may be lawfully entitled to receive the same or as a court of competent jurisdiction may direct;

provided that any amount applied to Cash Collateralize any Letters of Credit Outstanding that has not been applied to reimburse the Borrower for Unpaid Drawings under the applicable Letters of Credit at the time of expiration of all such Letters of Credit shall be applied by the Administrative Agent in the order specified in clauses (i) through (iii) above. Notwithstanding the foregoing, amounts received from any Guarantor that is not an "Eligible Contract Participant" (as defined in the Commodity Exchange Act) shall not be applied to its Obligations that are Excluded Swap Obligations.

11.14 Equity Cure. Notwithstanding anything to the contrary contained in this Section 11, in the event that the Borrower fails to comply with the requirement of the financial covenant set forth in Section 10.7, from the beginning of any fiscal period until the expiration of the 10th Business Day following the date financial statements referred to in Sections 9.1(a) or (b) are required to be delivered in respect of such fiscal period for which such financial covenant is being measured, any holder of Capital Stock or Stock Equivalents of the Borrower or any direct or indirect parent of the Borrower shall have the right to cure such failure (the "**Cure Right**") by causing cash net equity proceeds derived from an issuance of Capital Stock or Stock Equivalents (other than Disqualified Stock, unless reasonably satisfactory to the Administrative Agent) by the Borrower (or from a contribution to the common equity capital of Holdings) to be contributed, directly or indirectly, as cash common equity to the Borrower, and upon receipt by the Borrower of such cash contribution (such cash amount being referred to as the "**Cure Amount**") pursuant to the exercise of such Cure Right, such financial covenant shall be recalculated giving effect to the following pro forma adjustments:

(a) Consolidated EBITDA shall be increased, solely for the purpose of determining the existence of an Event of Default resulting from a breach of the financial covenant set forth in Section 10.7 with respect to any period of four consecutive fiscal quarters that includes the fiscal quarter for which the Cure Right was exercised and not for any other purpose under this Agreement, by an amount equal to the Cure Amount;

(b) Consolidated First Lien Secured Debt shall be decreased solely to the extent proceeds of the Cure Amount are actually applied to prepay any of the Credit Facilities and there shall be no pro forma reduction in Indebtedness with the proceeds of the Cure Amount for determining compliance with the financial covenant set forth in Section 10.7 unless such proceeds are actually applied to prepay Indebtedness under the Credit Facilities; and

(c) if, after giving effect to the foregoing recalculations, Holdings shall then be in compliance with the requirements of the financial covenant set forth in Section 10.7, Holdings shall be deemed to have satisfied the requirements of the financial covenant set forth in Section 10.7 as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of such financial covenants that had occurred shall be deemed cured for the purposes of this Agreement; provided that (i) in each period of four consecutive fiscal quarters there shall be at least two fiscal quarters in which no Cure Right is made, (ii) there shall be a maximum of five Cure Rights made during the term of this Agreement, (iii) each Cure Amount shall be no greater than the amount expected to be required to cause the Borrower to be in compliance with the financial covenant set forth in Section 10.7; and (iv) all Cure Amounts shall be disregarded for the purposes of any financial ratio determination under the Credit Documents other than for determining compliance with Section 10.7.

Section 12. The Agents.

12.1 Appointment.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Section 12.1(c) with respect to the Joint Lead Arrangers and Bookrunners and Sections 12.1, 12.9, 12.11 and 12.12 with respect to the Borrower) are solely for the benefit of the Agents and the Lenders, none of Holdings, the Borrower or any other Credit Party shall have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings, the Borrower or any of their respective Subsidiaries.

(b) The Administrative Agent, each Lender, the Letter of Credit Issuer and the Swingline Lender hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and each of the Administrative Agent, each Lender, the Letter of Credit Issuer and the Swingline Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent, the Lenders, the Letter of Credit Issuer or the Swingline Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

(c) Each of the Joint Lead Arrangers and Bookrunners each in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 12.

12.2 Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, subagents or attorneys-in-fact selected by it in the absence of its gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).

12.3 Exculpatory Provisions. No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the creation, perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party or any Affiliate thereof. The Collateral Agent shall not be under any obligation to the Administrative Agent or any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party. Without limiting the generality of the foregoing, (a) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 13.1), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law or that may effect a forfeiture, modification or termination of property of a Defaulting Lender in violation of any debtor relief law and (b) except as expressly set forth in the Credit Documents, no Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity.

12.4 Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it (in good faith) to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings and the Borrower), independent accountants and other experts selected by the Administrative Agent or the

Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or applicable law.

12.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or the Collateral Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders; provided that unless and until the Administrative Agent shall have received such directions, the Administrative Agent may (but shall not be obligated to) take such action, or refrain from taking such action, with respect to such Default or Event of Default as it shall deem advisable in the best interests of the Lenders except to the extent that this Agreement requires that such action be taken only with the approval of the Required Lenders or each of the Lenders, as applicable.

12.6 Non-Reliance on Administrative Agent, Collateral Agent, and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender, the Letter of Credit Issuer or the Swingline Lender. Each Lender, Letter of Credit Issuer and Swingline Lender represent to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, operations, property, financial and other condition and creditworthiness of Holdings, the Borrower and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender, Letter of Credit Issuer and Swingline Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of any of the Credit Parties. Except for notices, reports, and other documents expressly required to be furnished to each Lender, Letter of Credit Issuer and Swingline Lender by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender, Letter of Credit Issuer or Swingline Lender with any credit or other information

concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of Holdings, the Borrower or any other Credit Party that may come into the possession of the Administrative Agent or the Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7 Indemnification. The Lenders agree to severally indemnify each Agent in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the Termination Date, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against an Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing; provided that no Lender shall be liable to an Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of Holdings or the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing Reimbursement Obligations with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata portion thereof; and provided, further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder. The indemnity provided to each Agent under this Section 12.7 shall also apply to such Agent's respective Affiliates, directors, officers, members, controlling persons, employees, trustees, investment advisors and agents and successors.

12.8 Agents in Their Individual Capacities. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9 Successor Agents.

(a) Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders, the Letter of Credit Issuer, the Swingline Lender and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed) so long as no Event of Default under Sections 11.1 or 11.5 is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States (other than any Disqualified Lender). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (the "**Resignation Effective Date**"), then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent); provided that if the Administrative Agent or the Collateral Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice.

(b) If the Person serving as the Administrative Agent is a Defaulting Lender pursuant to clause (v) of the definition of "Lender Default," the Required Lenders may to the extent permitted by applicable law, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), by notice in writing to the Borrower and such Person remove such Person as the Administrative Agent and, in consultation with the consent of the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders (with the consent of the Borrower as required above) and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders and the Borrower) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date or the Removal Effective Date(as applicable), (1) the retiring or removed agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders, the Letter of Credit Issuer of the Swingline Lender under any of the Credit Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the retiring or removed Administrative Agent shall instead be made by or to each Lender, the Letter of Credit Issuer and the Swingline Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph (and otherwise subject to the terms above). Upon the acceptance of a successor's appointment as the Administrative Agent or the Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed

to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Agent, and the retiring or removed Agent shall be discharged from all of its duties and obligations hereunder or under the other Credit Documents (if not already discharged therefrom as provided above in this Section 12.9). Except as provided above, any resignation or removal of MSSF as the Administrative Agent pursuant to this Section 12.9 shall also constitute the resignation or removal of MSSF as the Collateral Agent. The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

12.10 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Credit Party and without limiting the obligation of any applicable Credit Party to do so), fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this Section 12.10. The agreements in this Section 12.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations. For the avoidance of doubt, for purposes of this Section 12.10, the term Lender includes the Letter of Credit Issuer and Swingline Lender.

12.11 Agents Under Security Documents and Guarantee. Each Secured Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral and the Security Documents. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable, may execute any documents or instruments necessary to (a) release any Lien, in whole or in part, on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Credit Document (i) upon the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any sale, disposition or other transfer permitted hereunder or under any other Credit Document to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary, (iii) if the property subject to such Lien is owned by a Guarantor, upon the release of such Guarantor from its Guarantee otherwise in accordance with the Credit Documents, (iv) as to the extent provided in the Security Documents, (v) that constitutes Excluded Property or Excluded Stock and Stock Equivalents or (vi) if approved, authorized or ratified in writing in

accordance with Section 13.1; (b) release any Guarantor (other than Holdings (except as otherwise permitted by Section 10.3)) from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; (c) subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Credit Document to the holder of any Lien permitted under clause (iv) (solely with respect to Section 10.1(d)), and (vii) of the definition of "Permitted Liens" or if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement constitutes a Permitted Lien; and (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the First Lien Intercreditor Agreement and the Second Lien Intercreditor Agreement.

The Collateral Agent shall have its own independent right to demand payment of the amounts payable by the Borrower under this Section 12.11, irrespective of any discharge of the Borrower's obligations to pay those amounts to the other Lenders resulting from failure by them to take appropriate steps in insolvency proceedings affecting the Borrower to preserve their entitlement to be paid those amounts.

Any amount due and payable by the Borrower to the Collateral Agent under this Section 12.11 shall be decreased to the extent that the other Lenders have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents and any amount due and payable by the Borrower to the Collateral Agent under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 12.11.

12.12 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents, and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights, and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights, and remedies under the Security Documents may be exercised solely by the Collateral Agent, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition. No holder of Secured Hedge Obligations or Secured Cash Management Obligations shall have any rights in connection with the management or release of any Collateral or of the obligations of Holdings (if applicable) or any Credit Party under this Agreement. No holder of Secured Hedge Obligations or Secured Cash Management Obligations that obtains the benefits of any Guarantee or any Collateral by virtue of the provisions hereof or of any other Credit Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Credit Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a Lender or Agent and, in such case, only to the extent expressly provided in the Credit Documents. Notwithstanding any other provision of this Agreement to the contrary, the Administrative Agent shall not be required to verify the payment

of, or that other satisfactory arrangements have been made with respect to, Obligations arising under Secured Hedge Agreements and Secured Cash Management Agreements, unless the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Administrative Agent may request, from the applicable Cash Management Bank or Hedge Bank, as the case may be.

12.13 Intercreditor Agreements Govern. The Administrative Agent, the Collateral Agent, and each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof, (b) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into each intercreditor agreement entered into pursuant to the terms hereof and to subject the Liens securing the Obligations to the provisions thereof, and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then-existing intercreditor agreement to provide for, the terms described in the definition of Permitted Other Indebtedness.

Section 13. Miscellaneous.

13.1 Amendments, Waivers, and Releases. Except as otherwise expressly set forth in the Credit Documents, neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. Except as provided to the contrary in the Credit Documents (including under (I) Section 2.14 or 2.15 or (II) the sixth and seventh paragraphs hereof in respect of Replacement Term Loans or (III) the second proviso below (other than with respect to any amendment, modification or waiver contemplated in clauses (x)(iii), (x)(iv) and (x)(v) thereof and, for the avoidance of doubt, the proviso to clause (x)(i) thereof), which shall only require the consent of the Lenders expressly set forth therein and not the Required Lenders), the Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with Holdings or the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of Holdings or the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall (x) (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate (it being understood that

only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate or amend Section 2.8(c)), or forgive any portion thereof, or extend the date for the payment, of any principal, interest or fee hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or extend the final expiration date of any Letter of Credit beyond the L/C Facility Maturity Date, or amend or modify any provisions of Section 13.20, or make any Loan, interest, Fee or other amount payable in any currency other than expressly provided herein, in each case without the written consent of each Lender directly and adversely affected thereby; provided that a waiver of any condition precedent in Section 6 or 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory prepayment or reductions, any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal, premium or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment, in each case for purposes of this clause (i), or (ii) consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent in a manner that directly and adversely affects such Person, or (iv) amend, modify or waive any provision of Section 2.17 with respect to any Swingline Loan without the written consent of the Swingline Lender to the extent such amendment, modification or waiver directly and adversely affects the Swingline Lender, or (v) amend, modify or waive any provision of Section 3 with respect to any Letter of Credit without the written consent of the Letter of Credit Issuer to the extent such amendment, modification or waiver directly and adversely affects the Letter of Credit Issuer, or (vi) release all or substantially all of the Guarantors under the Guarantees (except as expressly permitted by the Guarantees, the First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement or this Agreement) or release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents, the First Lien Intercreditor Agreement, the Second Lien Intercreditor Agreement or this Agreement) without the prior written consent of each Lender, or (vii) alter the ratable payments required by Section 5.3(a), Section 11.13(ii), Section 13.8(a) or Section 13.20 without the written consent of each Lender or (viii) decrease the Initial Term Loan Repayment Amount applicable to Initial Term Loans or extend any scheduled Initial Term Loan Repayment Date applicable to Initial Term Loans, in each case without the written consent of each Lender directly and adversely affected thereby, or (ix) reduce the percentages specified in the definitions of the term "Required Lenders," "Required Revolving Credit Lenders", "Required Delayed Draw Term Lenders" or "Required Term Loan Lenders" or amend, modify or waive any provision of this Section 13.1 that has the effect of decreasing the number of Lenders that must approve any amendment, modification or waiver, without the written consent of each Lender directly and adversely affected thereby, (y) notwithstanding anything to the contrary in the preceding clause (x), (i) extend the final expiration date of any Lender's Commitment or (ii) increase the aggregate amount of the Commitments of any Lender, in each case, without the written consent of such Lender, or (z) in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans is refinanced with a replacement Class of Term Loans bearing (or is modified in such a manner such that the resulting Term Loans bear) a lower Effective Yield (a "**Permitted Repricing Amendment**"), require the consent of any Lender other than the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans.

Notwithstanding anything to the contrary herein, no Defaulting Lender shall have any right to approve or disapprove any amendment, waiver or consent hereunder, except (x) that the Commitment of such Lender may not be increased or extended without the consent of such Lender and (y) for any such amendment, waiver or consent that treats such Defaulting Lender disproportionately and adversely from the other Lenders of the same Class (other than because of its status as a Defaulting Lender).

Notwithstanding anything to the contrary herein, only the consent of the Required Delayed Draw Term Lenders shall be required with respect to an amendment, modification or waiver solely impacting the Delayed Draw First Lien Term Loan Facility.

Notwithstanding the foregoing, only the Required Revolving Credit Lenders shall have the ability to waive, amend, supplement or modify the covenant set forth in Section 10.7 (or the defined terms to the extent used therein but not as used in any other Section of this Agreement) orSection 11 (solely as it relates to Section 10.7); provided that if the lenders under any Incremental Revolving Credit Commitment have agreed not to have the benefit of the covenant set forth in Section 10.7, such Incremental Revolving Credit Commitments shall be disregarded for purposes of determining the Required Revolving Credit Lenders under this paragraph .

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon Holdings, the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, Holdings, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding the foregoing, in addition to any credit extensions and related Joinder Agreement(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the Revolving Credit Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such New Term Loans and the Revolving Credit Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, Holdings, the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing of all outstanding Term Loans of any Class ("**Refinanced Term Loans**") with a replacement term loan tranche ("**Replacement Term Loans**") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans (*plus* an amount equal to all accrued but unpaid interest, fees, premiums, and expenses incurred in connection therewith), (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless any such Applicable Margin applies after the Initial Term Loan Maturity Date, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans), and (d) the covenants, events of

default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, upon the Termination Date, (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the applicable Guarantee (in accordance with the second following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, and (vii) if such assets constitute Excluded Property or Excluded Stock and Stock Equivalents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that any Restricted Subsidiary that is a Guarantor shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary or otherwise no longer being required to be a Guarantor hereunder. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to add syndication or documentation agents and make customary changes and references related thereto with the consent of only the Borrower and the Administrative Agent.

Notwithstanding anything in this Agreement (including, without limitation, this Section 13.1) or any other Credit Document to the contrary, (i) this Agreement and the other Credit Documents may be amended to effect an incremental facility or extension facility pursuant to Section 2.14 (and the Administrative Agent and the Borrower may effect such amendments to this Agreement and the other Credit Documents without the consent of any other party as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such incremental facility or extension facility); (ii) no Lender consent is required to effect any amendment or supplement to the First Lien Intercreditor Agreement, Second Lien Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the First Lien Intercreditor Agreement, Second Lien Intercreditor Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith

determination of the Administrative Agent in consultation with the Borrower, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole); provided, further, that no such agreement shall amend, modify or otherwise directly and adversely affect the rights or duties of the Administrative Agent hereunder or under any other Credit Document without the prior written consent of the Administrative Agent; (iii) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) or (y) effect administrative changes of a technical or immaterial nature (including to effect changes to the terms and conditions applicable solely to the Swingline Lender or Letter of Credit Issuer in respect of issuances of Swingline Loans or Letters of Credit, respectively) and such amendment shall be deemed approved by the Lenders if the Lenders shall have received at least five Business Days' prior written notice of such change and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; and (iv) guarantees, collateral documents and related documents executed by Holdings and the Credit Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and may be, together with any other Credit Document, entered into, amended, supplemented or waived, without the consent of any other Person, by Holdings or the applicable Credit Party or Credit Parties and the Administrative Agent or the Collateral Agent in its or their respective sole discretion, to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law or advice of counsel to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law, or (C) to cure ambiguities, omissions, mistakes or defects (as reasonably determined by the Administrative Agent and the Borrower) or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents.

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, in its sole discretion, grant extensions of time for the satisfaction of any of the requirements under Sections 9.12, 9.13 and 9.14 or any Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of Holdings, the Borrower and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

13.2 Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower, the Administrative Agent or the Collateral Agent, the Letter of Credit Issuer or the Swingline Lender, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to Holdings, the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer and the Swingline Lender.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant toSections 2.3, 2.6, 2.9, 4.2 and 5.1 shall not be effective until received.

13.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.

13.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses; Indemnification.

(a) Each of Holdings and the Borrower, jointly and severally, agree (i) to pay or reimburse each of the Agents for all their reasonable and documented out-of-pocket costs and expenses (without duplication) incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement, modification to, waiver and/or enforcement this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Cahill Gordon & Reindel LLP (or such other counsel as may be agreed by the Administrative Agent and the Borrower), one counsel in each relevant local jurisdiction with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), (ii) to pay or reimburse each Agent for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to the Administrative Agent and the Collateral Agent, and, to the extent required, one firm or local counsel in each relevant local jurisdiction with the Borrower's consent (such consent not to be unreasonably withheld or delayed (which may include a single special counsel acting in multiple jurisdictions), and (iii) to pay, indemnify and hold harmless each Lender, each Agent, the Letter of Credit Issuer and the Swingline Lender and their respective Related Parties (without duplication) (the "**Indemnified Persons**") from and against any and all losses, claims, damages, liabilities, obligations, demands, actions, judgments, suits, costs, expenses, disbursements or penalties of any kind or nature whatsoever (and the reasonable and documented out-of-pocket fees, expenses, disbursements and other charges of one firm of counsel for all Indemnified Persons, taken as a whole

(and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing (including the reasonable fees) has retained its own counsel, of another firm of counsel in each relevant jurisdiction for such affected Indemnified Person), and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) of any such Indemnified Person arising out of or with respect to the Transactions or to the execution, enforcement, delivery, performance and administration of this Agreement, the other Credit Documents and any such other documents or relating to any action, claim, litigation, investigation or other proceeding (regardless of whether such Indemnified Person is a party thereto or whether or not such action, claim, litigation or proceeding was brought by Holdings, any of its Subsidiaries or any other Person), arising out of the foregoing, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law relating in any way to the Borrower or any of its Subsidiaries or any actual or alleged presence, Release or threatened Release of Hazardous Materials relating in any way to Borrower or any of its Subsidiaries (all the foregoing in this clause (iii), collectively, the "**Indemnified Liabilities**"); provided that Holdings and the Borrower shall have no obligation hereunder to any Indemnified Person with respect to Indemnified Liabilities to the extent arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnified Person or any of its Related Parties under the terms of this Agreement by such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction or (iii) any proceeding between and among Indemnified Persons that does not involve an act or omission by Holdings, the Borrower or their respective Restricted Subsidiaries; provided the Agents, to the extent acting in their capacity as such, shall remain indemnified in respect of such proceeding, to the extent that neither of the exceptions set forth in clause (i) or (ii) of the immediately preceding proviso applies to such person at such time. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder. ThisSection 13.5 shall not apply with respect to Taxes, other than any Taxes that represent losses, claims, damages, liabilities, obligations, penalties, actions, judgments, suits, costs, expenses or disbursements arising from any non-Tax claim.

(b) No Credit Party nor any Indemnified Person shall have any liability for any special, punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not limit Holdings' and the Borrower's indemnification obligations to the Indemnified Persons pursuant toSection 13.5(a) in respect of damages incurred or paid by an Indemnified Person to a third party. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Person or any of its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction.

13.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void)

and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (c) of this Section 13.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer, the Swingline Lender and the Lenders and each other Person entitled to indemnification under Section 13.5) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth inclause (b)(ii) below and Section 13.7, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans (including participations in L/C Obligations and/or Swingline Loans) at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed; it being understood that the relevant Person shall have the right to withhold their consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Borrower (not to be unreasonably withheld or delayed);provided that no consent of the Borrower shall be required (1) for an assignment of Term Loans or Delayed Draw Term Loan Commitments to (X) a Lender, (Y) an Affiliate of a Lender, or (Z) an Approved Fund, (2) for an assignment of Loans or Commitments to any assignee if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing or (3) with respect to the Term Loans only, unless the Borrower has already objected thereto by delivering written notice to the Administrative Agent within ten (10) Business Days after the receipt of a written request for consent thereto; and

(B) the Administrative Agent (not to be unreasonably withheld or delayed) and, with respect to Revolving Credit Commitments and Revolving Credit Loans only, the Sponsors (not to be unreasonably withheld or delayed), each Swingline Lender (not to be unreasonably withheld or delayed) and each Letter of Credit Issuer (not to be unreasonably withheld or delayed); provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan or Delayed Draw Term Loan Commitment to a Lender, an Affiliate of a Lender or an Approved Fund; provided, further, that no consent of the Sponsor shall be required (1) for an assignment of Revolving Credit Commitments or Revolving Credit Loans to a Revolving Credit Lender, an Affiliate of a Revolving Credit Lender, an Approved Fund of a Revolving Credit Lender or (2) if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing.

Notwithstanding the foregoing, no such assignment shall be made to (i) a natural Person, or Disqualified Lender or Defaulting Lender and (ii) with respect to the Revolving Credit Commitments, Holdings, the Borrower or any of their Subsidiaries or any Affiliated Lender (other than an Affiliated Institutional Lender). For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Persons who are Disqualified Lenders at any time.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning

Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $5,000,000 in the case of Revolving Credit Commitments and $1,000,000 in the case of Term Loans, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing; provided, further, that contemporaneous assignments by a Lender and its Affiliates or Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above (and simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system or other method reasonably acceptable to the Administrative Agent, together with a processing and recordation fee in the amount of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; provided, further, that such processing and recordation fee shall not be payable in the case of assignments by any Agent or any of its Affiliates;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "**Administrative Questionnaire**") and applicable tax forms (as required under Section 5.4(e)); and

(E) any assignment to the Borrower, any Subsidiary or an Affiliated Lender (other than an Affiliated Institutional Lender) shall also be subject to the requirements of Section 13.6(h).

For the avoidance of doubt, the Administrative Agent bears no responsibility for tracking or monitoring assignments to or participations by any Affiliated Lender or any Disqualified Lender.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(v) of this Section 13.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 13.6. For the avoidance of doubt, in case of an assignment to a new Lender pursuant to this Section 13.6, (i) the Administrative Agent, the new Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the new Lender been

an original Lender signatory to this Agreement with the rights and/or obligations acquired or assumed by it as a result of the assignment and to the extent of the assignment the assigning Lender shall each be released from further obligations under the Credit Documents and (ii) the benefit of each Security Document shall be maintained in favor of the new Lender.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and stated interest amounts) and any payment made by the Letter of Credit Issuer under any Letter of Credit or by the Swingline Lender under any Swingline Loan owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent, the Letter of Credit Issuer, the Swingline Lender and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the Letter of Credit Issuer, the Swingline Lender the Administrative Agent and its Affiliates and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 13.6 and any written consent to such assignment required by clause (b) of this Section 13.6, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower, the Administrative Agent, the Swingline Lender or the Letter of Credit Issuer, sell participations to one or more banks or other entities (other than (x) a natural person, (y) Holdings and its Subsidiaries and (z) any Disqualified Lender provided, however, that, notwithstanding clause (z) hereof, participations may be sold to Disqualified Lenders unless a list of Disqualified Lenders has been made available to all Lenders who so request) (each, a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent, the Letter of Credit Issuer and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Disqualified Lenders or the sales of participations thereto at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i) and (vii) of the second proviso to Section 13.1 that affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agree that each Participant shall be entitled to the benefits of Sections 2.10, 2.11, 3.5 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6,

including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the participating Lender)). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11, 3.5 or 5.4 than the applicable Lender would have been entitled to receive absent the sale of such the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest amounts) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, or other central bank having jurisdiction over such Lender and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) The words "execution," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments or other modifications, Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(g) SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPV**"), identified as such in

writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent) other than a Disqualified Lender providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 13.16, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement but subject to the following sentence, each SPV shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the Granting Lender)). Notwithstanding the prior sentence, an SPV shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than its Granting Lender would have been entitled to receive absent the grant to such SPV, unless such grant to such SPV is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

(h) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to the Borrower, any Subsidiary or an Affiliated Lender and (y) the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Auction Agent or (2) open market purchases; provided that:

(i) any Loans or Commitments acquired the Borrower or any other Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;

(ii) by its acquisition of Loans or Commitments, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) it shall not have any right to (i) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any

Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (iii) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender; and

(B) except with respect to any amendment, modification, waiver, consent or other action (I) in Section 13.1 requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (II) that alters an Affiliated Lender's pro rata share of any payments given to all Lenders, or (III) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the Affiliated Lender in a manner that is materially adverse to such Affiliated Lender relative to other Lenders, shall be deemed to have voted its interest in the Term Loans in the same proportion as the other Lenders) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph); and

(iii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 30% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase; and

(iv) any such Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time (and such Loans or Commitments shall be retired and cancelled promptly).

For avoidance of doubt, the foregoing limitations shall not be applicable to Affiliated Institutional Lenders. None of the Borrower, any Subsidiary or any Affiliated Lender shall be required to make any representation that it is not in possession of information which is not publicly available and/or material with respect to the Borrower and its Subsidiaries or their respective securities for purposes of U.S. federal and state securities laws.

13.7 Replacements of Lenders Under Certain Circumstances

(a) The Borrower shall be permitted (x) to replace any Lender or (y) to terminate the Commitment of such Lender, Letter of Credit Issuer or Swingline Lender, as the case may be, and (1) in the case of a Lender (other than the Letter of Credit Issuer and Swingline Lender), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such

Lender as of such termination date, (2) in the case of the Letter of Credit Issuer, repay all Obligations of the Borrower owing to such Letter of Credit Issuer relating to the Loans and participations held by the Letter of Credit Issuer as of such termination date and cancel or backstop on terms satisfactory to such Letter of Credit issuer any Letters of Credit issued by it, and (3) in the case of a Swingline Lender, repay all Obligations of the Borrower owing to such Swingline Lender relating to the Loans and participations held by the Swingline Lender as of such termination date and cancel or backstop on terms satisfactory to such Swingline Lender any Swingline Loans issued by it that (a) requests reimbursement for amounts owing pursuant to Sections 2.10 or 5.4 or (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken, or (c) becomes a Defaulting Lender, with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirements of Law, (ii) no Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts pursuant to Sections 2.10, 2.11, 3.5 or 5.4, as the case may be, owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, an Affiliate of a Lender, an Affiliated Lender or Approved Fund, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent, (v) the replacement bank or institution, if not already a Lender shall be subject to the provisions of Section 13.6(b), (vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that unless otherwise agreed the Borrower shall be obligated to pay the registration and processing fee referred to therein), and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, waiver, discharge or termination that pursuant to the terms of Section 13.1 requires the consent of either (i) all of the Lenders directly and adversely affected or (ii) all of the Lenders, and, in each case, with respect to which the Required Lenders (or at least 50.1% of the directly and adversely affected Lenders) shall have granted their consent, then, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to (x) replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent (to the extent such consent would be required under Section 13.6) or terminate the Commitment of such Lender or Letter of Credit Issuer, as the case may be, and (1) in the case of a Lender (other than the Letter of Credit Issuer and Swingline Lender), repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date, (2) in the case of the Letter of Credit Issuer, repay all Obligations of the Borrower owing to such Letter of Credit Issuer relating to the Loans and participations held by the Letter of Credit Issuer as of such termination date and cancel or backstop on terms satisfactory to such Letter of Credit Issuer any Letters of Credit Issued by it, and (3) in the case of a Swingline Lender, repay all Obligations of the Borrower owing to such Swingline Lender relating to the Loans and participations held by the Swingline Lender as of such termination date and cancel or backstop on terms satisfactory to such Swingline Lender any Swingline Loans issued by it; provided that (a) all Obligations hereunder of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment including any amounts that such Lender may be owed pursuant to Section 2.11, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof *plus* accrued and unpaid interest thereon, and (c) the Borrower shall pay to such Non-Consenting Lender the amount, if any, owing to such Lender pursuant to Section 5.1(b). In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6.

13.8 Adjustments; Set-off.

(a) Except as contemplated in Section 13.6 or elsewhere herein (or in the Second Lien Intercreditor Agreement and/or the First Lien Intercreditor Agreement), if any Lender (a "**Benefited Lender**") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Credit Parties but with the prior consent of the Administrative Agent, any such notice being expressly waived by the Credit Parties to the extent permitted by applicable law, upon any amount becoming due and payable by the Credit Parties hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary, and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Credit Parties. Each Lender agrees promptly to notify the Credit Parties and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

13.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11 Integration. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by Holdings, the Borrower, the Administrative Agent, the Collateral Agent nor any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

13.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND

INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. EACH LETTER OF CREDIT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.

13.13 Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;

(b) consents that any such action or proceeding shall be brought in such courts and waives any right to any other jurisdiction to which it may be entitled on account of its present or future place of residence or domicile or any other reason, any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;

(c) agrees that service of process in any such action or proceeding shall be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 or such other address of which the Administrative Agent shall have been notified pursuant to Section 13.2;

(d) agrees that nothing herein shall affect the right of the Administrative Agent, the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against Holdings, the Borrower or any other Credit Party in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages; provided that nothing in this clause (e) shall limit the Credit Parties' indemnification obligations set forth in Section 13.5.

13.14 Acknowledgments. Each of Holdings and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution, and delivery of this Agreement and the other Credit Documents;

(b) (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower and the other Credit Parties, on the one hand, and the Administrative Agent, the Lenders and the other Agents on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof);

(ii) in connection with the process leading to such transaction, each of the Administrative Agent and the other Agents, is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary for the Borrower, any other Credit Parties or any of their respective Affiliates, equity holders, creditors or employees, or any other Person;

(iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or other Agent has advised or is currently advising the Borrower, the other Credit Parties or their respective Affiliates on other matters) and neither the Administrative Agent or other Agent has any obligation to the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents;

(iv) the Administrative Agent, each other Agent and each Affiliate of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and

(v) neither the Administrative Agent nor any other Agent has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower has consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower hereby agrees that it will not claim that any Agent owes a fiduciary or similar duty to the Credit Parties in connection with the Transactions contemplated hereby and waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent or any other Agent with respect to any breach or alleged breach of agency or fiduciary duty; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower, on the one hand, and any Lender, on the other hand.

13.15 WAIVERS OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.16 Confidentiality. The Administrative Agent, each other Agent and each Lender (collectively, the "**Restricted Persons**" and, each a "**Restricted Person**") shall treat confidentially all non-public information provided to any Restricted Person by or on behalf of any Credit Party hereunder in connection with such Restricted Person's evaluation of whether to become a Lender hereunder or obtained by such Restricted Person pursuant to the requirements of this Agreement ("**Confidential Information**") and shall not publish, disclose or otherwise divulge such Confidential Information; provided that nothing herein shall prevent any Restricted Person from disclosing any such Confidential Information (a) pursuant to the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by applicable law, rule or regulation or

compulsory legal process (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (b) upon the request or demand of any regulatory authority having jurisdiction over such Restricted Person or any of its Affiliates (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority) to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (c) to the extent that such Confidential Information becomes publicly available other than by reason of improper disclosure by such Restricted Person or any of its affiliates or any related parties thereto in violation of any confidentiality obligations owing under this Section 13.16, (d) to the extent that such Confidential Information is received by such Restricted Person from a third party that is not, to such Restricted Person's knowledge, subject to confidentiality obligations owing to any Credit Party or any of their respective subsidiaries or affiliates, (e) to the extent that such Confidential Information was already in the possession of the Restricted Persons prior to any duty or other undertaking of confidentiality or is independently developed by the Restricted Persons without the use of such Confidential Information, (f) to such Restricted Person's affiliates and to its and their respective officers, directors, partners, employees, legal counsel, independent auditors, and other experts or agents who need to know such Confidential Information in connection with providing the Loans or action as an Agent hereunder and who are informed of the confidential nature of such Confidential Information and who are subject to customary confidentiality obligations of professional practice or who agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) (with each such Restricted Person, to the extent within its control, responsible for such person's compliance with this paragraph), (g) to potential or prospective Lenders, hedge providers (or other derivative transaction counterparties) (any such person, a "**Derivative Counterparty**"), participants or assignees, in each case who agree (pursuant to customary syndication practice) to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in thisSection 13.16); provided that (i) the disclosure of any such Confidential Information to any potential or prospective Lenders, Derivative Counterparties, participants or assignees referred to above shall be made subject to the acknowledgment and acceptance by such potential or prospective Lender, Derivative Counterparty, participant or assignee that such Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) in accordance with the standard syndication processes of such Restricted Person or customary market standards for dissemination of such type of information, which shall in any event require "click through" or other affirmative actions on the part of recipient to access such Confidential Information and (ii) no such disclosure shall be made by any Restricted Person to whom a list of Disqualified Lenders has been made available to any person that is at such time a Disqualified Lender, (h) for purposes of establishing a "due diligence" defense, (i) to rating agencies in connection with obtaining ratings for the Borrower and the Credit Facilities to the extent such rating agencies are subject to customary confidentiality obligations of professional practice or agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16), (j) to any other party to this Agreement or (k) to any pledgee referred to inSection 13.6 hereof. Notwithstanding the foregoing, (i) Confidential Information shall not include, with respect to any Person, information available to it or its Affiliates on a non-confidential basis from a source other than Holdings, its Subsidiaries or its Affiliates, (ii) the Administrative Agent shall not be responsible for compliance with this Section 13.16 by any other Restricted Person (other than its officers, directors or employees), (iii) in no event shall any Lender, the Administrative Agent or any other Agent be obligated or required to return any materials furnished by Holdings or any of its Subsidiaries, and (iv) each Agent and each Lender may disclose the existence of this Agreement and the information about

this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration, settlement and management of this Agreement and the other Credit Documents.

13.17 Direct Website Communications. Each of Holdings and the Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial, and other reports, certificates, and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto, (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) upon written request by the Administrative Agent or the Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of Holdings, the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(a) Each of Holdings and the Borrower further agrees that any Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"), so long as the access to such Platform (i) is limited to the Agents, the Lenders and Transferees or prospective Transferees and (ii) remains subject to the confidentiality requirements set forth in Section 13.16.

(b) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY MATERIALS OR INFORMATION PROVIDED BY THE CREDIT PARTIES (THE "**BORROWER MATERIALS**") OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND,

EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**" and each, an "**Agent Party**") have any liability to the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities, or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than any trustee or advisor)) gross negligence, bad faith or willful misconduct or material breach of the Credit Documents as determined in the final non-appealable judgment of a court of competent jurisdiction.

(c) Each of Holdings and the Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to Holdings and the Borrower, the Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that Holdings or the Borrower has indicated contains only publicly available information with respect to Holdings or the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If Holdings or the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to Holdings, the Borrower, the Subsidiaries and their securities. Notwithstanding the foregoing, each of Holdings and the Borrower shall use commercially reasonable efforts to indicate whether any document or notice contains only publicly available information; provided, however, that the following documents shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains material nonpublic information: (1) the Credit Documents, (2) any notification of changes in the terms of the Credit Facility and (3) all financial statements and certificates delivered pursuant to Sections 9.1(a), (b) and (d).

13.18 USA PATRIOT Act. Each Lender hereby notifies each Credit Party that, pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**"), it is required to obtain, verify, and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act, including the Beneficial Ownership Regulation.

13.19 [Reserved].

13.20 Payments Set Aside. To the extent that any payment by or on behalf of Holdings or the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver, or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Overnight Rate from time to time in effect.

13.21 No Fiduciary Duty. Each Agent, each Lender, each Letter of Credit Issuer, each Swingline Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Credit Parties, their equity holders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its equity holders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its equity holders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its equity holders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, equity holders or creditors. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

13.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties to any Credit Document, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(ii) a reduction in full or in part or cancellation of any such liability

(iii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iv) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

Each New Revolving Loan Lender (i) confirms that it has received a copy of the Credit Agreement and the other Credit Documents and the schedules and exhibits attached thereto, together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Agreement; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any Letter of Credit Issuer, any other New Revolving Loan Lender or any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent or the Collateral Agent, as the case may be, by the terms thereof, together with such powers as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as an Incremental Revolving Loan Lender and a Lender.

The Borrower, the Administrative Agent and each New Revolving Loan Lender hereby agree that the Credit Agreement will be amended to provide for the Incremental Revolving Credit

Loan Lender and the Administrative Agent of the Effective Date Conditions, and the table under the heading "Revolving Credit Commitment and Letter of Credit Commitment" of Schedule 1.1 of the Credit Agreement shall then be deemed replaced in its entirety with Schedule B annexed hereto.

1. **Terms Generally**. For all purposes under the Credit Agreement and the other Credit Documents (including this Joinder), the Incremental Revolving Credit Commitments and the related Incremental Revolving Credit Loans shall have the same terms as, and be treated as, the Initial Revolving Credit Commitments and the related Incremental Revolving Credit Loans, as applicable.

2. **Other Fees**. The Borrower agrees to pay each New Revolving Loan Lender its pro rata share (determined based upon each New Revolving Loan Lender's share of the Incremental Revolving Credit Commitments) an aggregate fee equal to 1.00% of the Incremental Revolving Credit Commitments on September 30, 2019.

3. **Incremental Revolving Loan Lenders**. Each New Revolving Loan Lender acknowledges and agrees that upon its execution of this Agreement and providing of Incremental Revolving Credit Commitments, that such New Revolving Loan Lender shall become an "Incremental Revolving Loan Lender", a "Revolving Credit Lender" and a "Lender" under, and for all purposes of, the Credit Agreement and the other Credit Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of a an Incremental Revolving Loan Lender, a Revolving Credit Lender and a Lender thereunder.

4. **Credit Agreement Governs**. Except as set forth in this Agreement, the Incremental Revolving Credit Commitments shall otherwise be subject to the provisions of the Credit Agreement and the other Credit Documents.

5. **Assignments**. On the Effective Date, concurrently with the effectiveness of this Agreement, each of the Lenders with Revolving Credit Commitments shall assign to each New Revolving Loan Lender and each New Revolving Loan Lender shall purchase from each of the Lenders with Revolving Credit Commitments, at the principal amount thereof, such interests in the Revolving Credit Loans outstanding on the Effective Date as shall be necessary in order that, after giving effect to all such assignments and purchases, the Revolving Credit Loans will be held by existing Revolving Credit Lenders and New Revolving Loan Lenders ratably in accordance with their Revolving Credit Commitments after giving effect to the addition of such new Incremental Revolving Credit Commitments to the Revolving Credit Commitment. The trade date and the effective date of all such assignments shall be the Effective Date. By their execution hereof, each of the Borrower, the Letter of Credit Issuer, the Swingline Lender, the Sponsors and the Administrative Agent hereby consent to all such assignments to and purchases by the New Revolving Loan Lenders.

   On the Effective Date the Borrower shall make all payments in respect of the existing Revolving Credit Commitments and Revolving Credit Loans outstanding on the Effective Date (immediately prior to giving effect to this Agreement) (including principal, interest, fees and other amounts (including, for the avoidance of doubt, any Letter of Credit Fees)) to each Revolving Credit Lender that holds existing Revolving Credit Commitments and/or existing Revolving Credit Loans, in each case, which have accrued to but excluding the Effective Date. Notwithstanding the foregoing, the Administrative Agent shall make all payments of interest, fees or other amounts paid from and after the Effective Date to the relevant assignee, as applicable.

The Administrative Agent further acknowledges and agrees that this Agreement shall constitute an "Assignment and Acceptance" in a reasonably satisfactory form.

6. **Consents**. The Administrative Agent and each Letter of Credit Issuer hereby consent to each New Revolving Loan Lender.

10. **Severability**. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

11. **Counterparts**. This Agreement may be executed in counterparts (including by facsimile or other electronic transmission), each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement.

party, including, in each case, such obligations, covenants, guarantees, pledges, grants of Liens and security interests and agreements or other commitments as in effect immediately after giving effect to this Agreement and the transactions contemplated hereby, (ii) each Credit Party's guarantee of the Obligations (including, without limitation, the Incremental Revolving Credit Commitments and the Incremental Revolving Credit Loans) under each Guarantee, as applicable, (iii) each Credit Party's prior grant of Liens and security interests on the Collateral to secure the Obligations (including, without limitation, the Obligations with respect to the Incremental Revolving Credit Commitments and the Incremental Revolving Credit Loans) pursuant to the Security Documents and (iv) agrees that after giving effect to this Agreement and the transactions contemplated hereby (A) each Credit Document to which a Credit Party is a party is ratified and affirmed in all respects and shall continue to be in full force and effect and (B) all guarantees, pledges, grants of Liens and security interests, covenants, agreements and other commitments by any Credit Party under the Credit Documents shall continue to be in full force and effect and shall accrue to the benefit of the Secured Parties and shall not be affected, impaired or discharged hereby or by the transactions contemplated in this Agreement.

14. **Effect of this Agreement.** Except as expressly set forth herein, this Agreement shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of, the Lenders or the Administrative Agent under the Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Credit Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Agreement and all other Credit Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Credit Documents as in effect prior to the date hereof. Nothing herein shall be deemed to establish a precedent for purposes of interpreting the provisions of the Credit Agreement or entitle any Credit Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Credit Document in similar or different circumstances. This Agreement shall apply to and be effective only with respect to the provisions of the Credit Agreement and the other Credit Documents specifically referred to herein.

15. **Acknowledgement Regarding Any Supported QFCs** To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Secured Hedge Agreement or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

    (a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and

such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 15, the following terms have the following meanings:

(i) "BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) "Covered Entity" means any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

(iii) "Default Right" has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) "QFC" has the meaning assigned to the term "qualified financial contract" in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

(d) The Borrower shall have paid (i) the Amendment No. 1 Arrangers the fees in the amounts previously agreed in writing to be received on the Amendment No. 1 Effective Date and (ii) the Administrative Agent all reasonable costs and expenses (including, without limitation the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent and the Amendment No. 1 Arrangers) of the Administrative Agent for which invoices have been presented prior to the Amendment No. 1 Effective Date;

(e) At the time of and immediately after giving effect to the Amendment no Default or Event of Default shall have occurred and be continuing; and

(f) The Administrative Agent (or its counsel) shall have received (A) a certificate of each of (x) Holdings and the Borrower, dated as of the Closing Date, substantially in the form of Exhibit E to the Credit Agreement, with appropriate insertions, executed by any Authorized Officer and the Secretary or any Assistant Secretary of Holdings and the Borrower, as applicable, and attaching the documents referred to in the following clause (B) and (B) (x) a copy of the resolutions of the board of directors or other managers of Holdings and the Borrower authorizing (I) the execution, delivery, and performance of this Amendment (and any agreements relating thereto) to which it is a party and the performance of the obligations under the Amended Credit Agreement and (II) in the case of the Borrower, the extensions of credit contemplated hereunder, (y) the Certificate of Incorporation and By-Laws, Certificate of Formation and Operating Agreement or other comparable organizational documents, as applicable, of Holdings and the Borrower and (z) signature and incumbency certificates (or other comparable documents evidencing the same) of the Authorized Officers of Holdings and the Borrower executing the Credit Documents to which it is a party.

Section 4. **Counterparts**. This Amendment may be executed in any number of counterparts and by different parties hereto on separate counterparts, each of which when so executed and delivered shall be deemed to be an original, but all of which when taken together shall constitute a single instrument. Delivery of an executed counterpart of a signature page of this Amendment by facsimile transmission shall be effective as delivery of an original executed counterpart hereof.

Section 5. **Applicable Law**. THIS AMENDMENT SHALL BE GOVERNED BY, CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

Section 6. **Headings**. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 7. **Effect of Amendment**.

(a) This Amendment shall not constitute a novation of the Credit Agreement or any of the Credit Documents. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or any other Credit Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. By executing and delivering a copy hereof, each Credit Party hereby consents to Amendment No. 1 and the transactions contemplated thereby and hereby confirms its respective guarantees, pledges and grants of security interests, as applicable, under and subject to the terms of each of the Credit Documents to which it is party, and agrees that, after giving effect to this Amendment, such guarantees, pledges and grants of security interests, and the terms of each of the Security Documents to which it is a party, shall continue to be in full force and effect, including to guarantee and secure the Obligations (including, without limitation, the Tranche B-1 Term Loans). For the avoidance of doubt, on and after the Amendment No. 1 Effective Date, this Amendment shall for all purposes constitute a Credit Document.

(b) Each Additional Tranche B-1 Term Loan Lender party hereto (i) confirms that it has received a copy of the Credit Agreement, this Amendment No. 1 and the other Credit Documents, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment No. 1; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, any Agent or any other Additional Tranche B-1 Term Loan Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent by the terms thereof, together with such powers and discretion as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender. Upon the Amendment No. 1 Effective Date, the undersigned Additional Tranche B-1 Term Loan Lender shall become a Lender under the Credit Agreement and shall have the respective Additional Tranche B-1 Term Loan Commitment set forth next to its name on the Allocation Schedule. In addition, if an Existing Term Loan Lender has exercised its “Cashless Settlement Option” or the “Post-Closing Settlement Option” pursuant to their Consent to Amendment No. 1, the amount of such Existing Term Loan Lender’s participation in the Tranche B-1 Term Loans may be less than 100% of the principal amount of such Existing Term Loan Lender’s Existing Term Loans, based on the Amendment No. 1 Arrangers’ allocation of the Tranche B-1 Term Loans.

IN WITNESS WHEREOF, the parties hereto have caused this Amendment to be duly executed as of the date first above written.

JOINDER AGREEMENT AND AMENDMENT NO. 2, dated as of June 30, 2020 (this "**Agreement**"), by and among Crédit Agricole Corporate and Investment Bank (the "**2020 Additional Revolving Credit Lender**" and "**2020 Letter of Credit Issuer**"), Phoenix Guarantor Inc., a Delaware corporation (the "**Borrower**"), Phoenix Intermediate Holdings Inc., a Delaware corporation ("**Holdings**") and Morgan Stanley Senior Funding, Inc., as the Administrative Agent.

RECITALS:

WHEREAS, reference is hereby made to the First Lien Credit Agreement, dated as of March 5, 2019 (as amended by the Technical Amendment, dated May 13, 2019, as supplemented by the Joinder Agreement, dated as of September 30, 2019, as amended by Amendment No. 1, dated as of January 30, 2020, and as otherwise amended, restated, supplemented or otherwise modified from time to time prior to the date hereof, the "**Credit Agreement**"; the Credit Agreement as amended by this Agreement is referred to as the "**Amended Credit Agreement**"), among Holdings, the Borrower, the several lenders from time to time parties thereto, the Letter of Credit Issuers from time to time parties thereto and Morgan Stanley Senior Funding, Inc., as the Administrative Agent and the Collateral Agent (capitalized terms used but not defined herein having the meaning provided in the Credit Agreement); and

WHEREAS, subject to the terms and conditions of the Credit Agreement, the Borrower may establish Additional Revolving Credit Commitments by, among other things, entering into one or more Joinder Agreements with Additional Revolving Loan Lenders;

WHEREAS, the Borrower has notified the Administrative Agent that it is requesting, pursuant to Section 2.14 of the Credit Agreement the establishment of Additional Revolving Credit Commitments in the form of a separate letter of credit facility in an aggregate principal amount equal to $55,000,000 (the "Additional Revolving Credit Commitments");

WHEREAS, pursuant to Section 2.14 of the Credit Agreement, the Borrower wishes to make certain other amendments to the Credit Agreement as are necessary to effect the establishment and provision of the Additional Revolving Credit Commitments, as described herein;

WHEREAS, 2020 Additional Revolving Credit Lender party hereto has agreed to provide Additional Revolving Credit Commitments on the terms and subject to the conditions set forth in this Agreement;

NOW, THEREFORE, in consideration of the premises and agreements, provisions and covenants herein contained, the parties hereto agree as follows:

ARTICLE I. THE ADDITIONAL REVOLVING CREDIT COMMITMENTS

The 2020 Additional Revolving Credit Lender party hereto hereby agrees to commit to provide its respective Additional Revolving Credit Commitment as set forth on Schedule A annexed hereto, on the terms and subject to the conditions set forth in this Agreement. The aggregate principal amount of the Additional Revolving Credit Commitments is $55,000,000.

The 2020 Additional Revolving Credit Lender (i) confirms that it has received a copy of the Credit Agreement and the other Credit Documents and the schedules and exhibits attached thereto,

together with copies of the financial statements referred to therein and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Agreement; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent, any Letter of Credit Issuer or any other Lender or Agent and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent and the Collateral Agent to take such action as agent on its behalf and to exercise such powers under the Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent or the Collateral Agent, as the case may be, by the terms thereof, together with such powers as are reasonably incidental thereto; (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as an Additional Revolving Loan Lender and a Lender; and (v) directs the Administrative Agent to execute this Agreement in accordance with Section 2.14(b) of the Credit Agreement.

The Borrower, the Administrative Agent and the 2020 Additional Revolving Credit Lender hereby agree that the Credit Agreement will be amended to provide for the Additional Revolving Credit Commitments as set forth in this Agreement upon the satisfaction (or waiver) by the 2020 Additional Revolving Credit Lender and the Administrative Agent of the Effective Date Conditions (as defined below).

The 2020 Additional Revolving Credit Lender hereby agrees to make its Additional Revolving Credit Commitment on the following terms and conditions:

1. **Terms Generally**. Other than as set forth herein and in the Amended Credit Agreement (including, for the avoidance of doubt, with respect to the fact that the Additional Revolving Credit Commitments shall not benefit from the financial covenant set forth in Section 10.7 of the Amended Credit Agreement), for all purposes under the Amended Credit Agreement and the other Credit Documents (including this Agreement (unless the context dictates otherwise)), the Additional Revolving Credit Commitments shall have the same terms as the Initial Revolving Credit Commitments outstanding under the Credit Agreement immediately prior to the Effective Date (as amended as set forth in this Agreement) (and the related Revolving Credit Loans), but shall be designated and treated as a different Class of Revolving Credit Commitments and Revolving Loans than the Initial Revolving Credit Commitments and the related Revolving Credit Loans, including, for the avoidance of doubt, with respect to voting matters. All Additional Revolving Credit Commitments shall (i) constitute Obligations and have all of the benefits thereof; (ii) have terms, rights, remedies, privileges and protections set forth in the Amended Credit Agreement and each of the other Credit Documents; and (iii) be secured by the Liens granted (I) to the Collateral Agent for the benefit of the Secured Parties under the Security Documents and/or (II) to the Secured Parties in their capacity as such (or to any of them). For the avoidance of doubt, the Additional Revolving Credit Commitments shall rank equal in right of payment and of security with all other Commitments and Loans under the Amended Credit Agreement.

2. **Additional Revolving Loan Lenders**. The 2020 Additional Revolving Credit Lender acknowledges and agrees that upon its execution of this Agreement and providing of Additional Revolving Credit Commitments, that such 2020 Additional Revolving Credit Lender shall become an "Additional Revolving Loan Lender", an "Incremental Revolving Loan Lender", a "Revolving Credit Lender" and a "Lender" under, and for all purposes of, the Credit Agreement and the other Credit Documents, and shall be subject to and bound by the terms thereof, and shall perform all the obligations of and shall have all rights of an Additional Revolving Loan Lender, an Incremental Revolving Loan Lender, a Revolving Credit Lender and a Lender thereunder.

3. **Credit Agreement Governs**. Except as set forth in this Agreement, the Additional Revolving Credit Commitments shall otherwise be subject to the provisions of the Amended Credit Agreement and the other Credit Documents.

4. **Consents**. In response to the 2020 Additional Revolving Credit Lender's direction set forth in clause (v) in the second paragraph of this Article I above and pursuant to Section 2.14(b) of the Credit Agreement, the Administrative Agent hereby consents to each 2020 Additional Revolving Credit Lender.

ARTICLE II. AMENDMENTS

1. Subject to the occurrence of (and concurrently with) the Effective Date, each of the 2020 Additional Revolving Credit Lender, the Borrower, each Letter of Credit Issuer and the Administrative Agent hereby consents to the amendments to the Credit Agreement made pursuant to the terms of this Agreement.

2. Effective as of the Effective Date, the Credit Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in Exhibit A hereto.

3. Schedule 13.2 to the Credit Agreement is hereby amended and replaced in its entirety with the schedule attached as Exhibit B hereto.

ARTICLE III. OTHER TERMS OF THIS AGREEMENT

1. **Representations and Warranties**. The Borrower hereby represents and warrants that:

   (a) this Agreement has been duly authorized, executed and delivered by the Borrower and constitutes the legal, valid and binding obligations of the Borrower enforceable against it in accordance with its terms, except that the enforceability hereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity; and

   (b) the execution, delivery and performance by the Borrower of this Agreement is within the Borrower's corporate powers, has been duly authorized by all necessary corporate or other organizational action, and does not and will not (a) except as would not reasonably be expected to result in a Material Adverse Effect, contravene any applicable provision of any material law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of the Borrower or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents or Permitted Liens) pursuant to, the terms of any Contractual Requirement) other than any such breach, default or Lien that would not reasonably be expected to result in a Material Adverse Effect or (c) violate any provision of the certificate of incorporation, by-laws, memorandum and articles of association or other organizational documents of the Borrower or any of the Restricted Subsidiaries.

2. **Borrower Certifications**. By its execution of this Agreement, each undersigned officer of the Borrower, to the best of his or her knowledge, hereby certifies, solely in his or her capacity as an officer of the Borrower, and not in his or her individual capacity, that (the "**Borrower Certifications**"):

   (a) no Event of Default exists on the date hereof before and after giving effect to the Additional Revolving Credit Commitments contemplated hereby; and

   (b) all representations and warranties made by any Credit Party contained herein or in the other Credit Documents shall be true and correct in all material respects (provided that any such representations and warranties which are qualified by materiality, material adverse effect or similar language shall be true and correct in all respects) with the same effect as though such representations and warranties had been made on and as of the Effective Date after giving effect to this Agreement (except where such representations and warranties (other than the representations and warranties set forth in Sections 8.17 and 8.19 of the Amended Credit Agreement, each of which shall relate to the Effective Date (instead of the Closing Date)) expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (provided that any such representations and warranties which are qualified by materiality, material adverse effect or similar language shall be true and correct in all respects) as of such earlier date).

8. **Entire Agreement**. This Agreement, the Amended Credit Agreement and the other Credit Documents constitute the entire agreement among the parties with respect to the subject matter hereof and thereof and supersede all other prior agreements and understandings, both written and verbal, among the parties or any of them with respect to the subject matter hereof.

9. **GOVERNING LAW; SUBMISSION TO JURISDICTION; WAIVER OF JURY TRIAL. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE INTERPRETED, CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK.** Sections 13.13 and 13.15 of the Amended Credit Agreement are hereby incorporated into this Agreement *mutatis mutandis*.

10. **Severability**. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement or affecting the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

This Agreement shall apply to and be effective only with respect to the provisions of the Amended Credit Agreement and the other Credit Documents specifically referred to herein.

Delivery of an executed counterpart of a signature page of this Amendment by facsimile or other electronic transmission shall be effective as delivery of an original executed counterpart hereof. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Amendment or any document to be signed in connection with this Amendment shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

Section 5. **Applicable Law**. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE INTERPRETED, CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK. Sections 13.13 and 13.15 of the Amended Credit Agreement are hereby incorporated into this Amendment *mutatis mutandis*.

Section 6. **Headings**. The headings of this Amendment are for purposes of reference only and shall not limit or otherwise affect the meaning hereof.

Section 7. **Effect of Amendment**.

(a) This Amendment shall not constitute a novation of the Credit Agreement or any of the Credit Documents. Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of the Lenders or the Agents under the Credit Agreement or any other Credit Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other provision of the Credit Agreement or any other Credit Document, all of which are ratified and affirmed by Holdings and the Borrower on behalf of all Credit

Parties in all respects and shall continue in full force and effect. By executing and delivering a copy hereof, each of Holdings and the Borrower hereby consents to Amendment No. 4 and the transactions contemplated thereby and hereby confirms, on behalf of each Credit Party, the respective guarantees, pledges and grants of security interests, as applicable, under and subject to the terms of each of the Credit Documents to which each Credit Party is party, and agrees on behalf of each Credit Party that, after giving effect to this Amendment, such guarantees, pledges and grants of security interests, and the terms of each of the Security Documents to which each Credit Party is a party, shall continue to be in full force and effect, including to guarantee and secure the Obligations (including, without limitation, the Tranche B-3 Term Loans). For the avoidance of doubt, on and after the Amendment No. 4 Effective Date, this Amendment shall for all purposes constitute a Credit Document.

(b) Each Additional Tranche B-3 Term Loan Lender party hereto (i) confirms that it has received a copy of the Credit Agreement, this Amendment No. 4 and the other Credit Documents, together with such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into this Amendment No. 4; (ii) agrees that it will, independently and without reliance upon the Administrative Agent, any Agent or any other Additional Tranche B-3 Term Loan Lender or any other Lender and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under the Credit Agreement; (iii) appoints and authorizes the Administrative Agent to take such action as agent on its behalf and to exercise such powers and discretion under the Credit Agreement and the other Credit Documents as are delegated to the Administrative Agent by the terms thereof, together with such powers and discretion as are reasonably incidental thereto; and (iv) agrees that it will perform in accordance with their terms all of the obligations which by the terms of the Credit Agreement are required to be performed by it as a Lender. Upon the Amendment No. 4 Effective Date, the undersigned Additional Tranche B-3 Term Loan Lender shall become a Lender under the Credit Agreement and shall have the respective Additional Tranche B-3 Term Loan Commitment set forth next to its name on the Allocation Schedule. In addition, if an Existing Term Loan Lender has exercised its "Cashless Settlement Option" or the "Post- Closing Settlement Option" pursuant to their Consent to Amendment No. 4, the amount of such Existing Term Loan Lender's participation in the Tranche B-3 Term Loans may be less than 100% of the principal amount of such Existing Term Loan Lender's Existing Term Loans, based on the Amendment No. 4 Arrangers' allocation of the Tranche B-3 Term Loans.

Section 8. **Severability**. Any term or provision of this Amendment which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Amendment or affecting the validity or enforceability of any of the terms or provisions of this Amendment in any other jurisdiction. If any provision of this Amendment is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.
