For purposes of any determination of Consolidated Total Debt or Consolidated Senior Secured Debt, amounts in currencies other than Dollars shall be translated into Dollars at the currency exchange rates used in preparing the most recently delivered Section 9.1 Financials.

1.7 Rates. The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission, or any other matter related to the rates in the definition of LIBOR Rate or with respect to any comparable or successor rate thereto.

1.12 Pro Forma and Other Calculations.

(a) For purposes of calculating the Fixed Charge Coverage Ratio, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio, Consolidated Total Debt to Consolidated EBITDA Ratio, Investments, acquisitions, dispositions, mergers, consolidations, and disposed operations (as determined in accordance with GAAP) that have been made by the Borrower or any Restricted Subsidiary during the Test

Period or subsequent to such Test Period and on or prior to or simultaneously with the date of determination shall be calculated on a Pro Forma Basis assuming that all such Investments, acquisitions, dispositions, mergers, consolidations, and disposed operations (and the change in any associated fixed charge obligations and the change in Consolidated EBITDA resulting therefrom) had occurred on the first day of the Test Period. If, since the beginning of such period, any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Borrower or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation, or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage Ratio, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio and Consolidated Total Debt to Consolidated EBITDA Ratio shall be calculated giving Pro Forma Effect thereto for such Test Period as if such Investment, acquisition, disposition, merger, consolidation, or disposed operation had occurred at the beginning of the Test Period. Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that does not require compliance with a financial ratio or test (including, without limitation, the Fixed Charge Coverage Ratio, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio and Consolidated Total Debt to Consolidated EBITDA Ratio) (any such amounts, the "**Fixed Amounts**") substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with any such financial ratio or test (any such amounts, the "**Incurrence Based Amounts**"), it is understood and agreed that the Fixed Amounts (and any cash proceeds thereof) shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence Based Amounts in connection with such substantially concurrent incurrence, except that incurrences of Indebtedness and Liens constituting Fixed Amounts shall be taken into account for purposes of Incurrence Based Amounts other than Incurrence Based Amounts contained in Section 10.1 or Section 10.2.

(b) Whenever Pro Forma Effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower (and may include, for the avoidance of doubt and without duplication, cost savings, operating expense enhancements and operating expense reductions resulting from such Investment, acquisition, merger, or consolidation which is being given Pro Forma Effect that have been or are expected to be realized; provided that such costs savings, operating expense enhancements and operating expense reductions are made in compliance with the definition of Pro Forma Adjustment). If any Indebtedness bears a floating rate of interest and is being given Pro Forma Effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account for such entire period, any Hedging Obligation applicable to such Indebtedness with a remaining term of 12 months or longer, and in the case of any Hedging Obligation applicable to such Indebtedness with a remaining term of less than 12 months, taking into account such Hedging Obligation to the extent of its remaining term). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a Pro Forma Basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period (or, if lower, the greater of (i) maximum commitments under such revolving credit facilities as of the date of determination and (ii) the aggregate principal amount of loans outstanding under such a revolving credit facilities on such date). Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Borrower may designate. For the avoidance of doubt, in connection with the incurrence of any Indebtedness under Section 2.14, the definitions of Required Lenders shall be calculated on a Pro Forma Basis in accordance with this Section 1.12, Section 2.14 and the definition of Maximum Incremental Facilities Amount.

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(i) determining compliance with any provision of the Credit Documents which requires the calculation of the Consolidated Senior Secured Debt to Consolidated EBITDA Ratio, Consolidated Total Debt to Consolidated EBITDA Ratio or the Fixed Charge Coverage Ratio;

(ii) determining the accuracy of representations and warranties in Section 8 and/or whether a Default or Event of Default shall have occurred and be continuing under Section 11; or

(iii) testing availability under baskets set forth in the Credit Documents (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**") (it being understood and agreed that the Borrower may elect to revoke any LCT Election in its sole discretion), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until after such time as the Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(c) Notwithstanding anything to the contrary in this Section 1.12 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into as discontinued operations, no Pro Forma Effect shall be given to any discontinued operations (and the Consolidated EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(d) Any determination of Consolidated Total Assets shall be made by reference to the last day of the Test Period most recently ended on or prior to the relevant date of determination.

(e) Except as otherwise specifically provided herein, all computations of Excess Cash Flow, Consolidated Total Assets, Available Amount, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio, Consolidated Total Debt to Consolidated EBITDA Ratio, the Fixed Charge Coverage Ratio and other financial ratios and financial calculations (and all definitions (including accounting terms) used in determining any of the foregoing) shall be calculated, in each case, with respect to the Borrower and the Restricted Subsidiaries on a consolidated basis.

(f) All leases of any Person that are or would be characterized as operating leases in accordance with GAAP immediately prior to December 31, 2017 (whether or not such operating leases were in effect on such date) shall continue to be accounted for as operating leases (and not as Capital Leases) for purposes of this Agreement regardless of any change in GAAP following the date that would otherwise require such leases to be recharacterized as Capital Leases.

1.13 LIBOR Rate Successor. Notwithstanding anything to the contrary in this Agreement or any other Credit Documents, if at any time (i) the Administrative Agent (at the direction of the Required Lenders), in consultation with the Borrower, determines in good faith (which determination shall be conclusive absent manifest error) or (ii) the Borrower or Required Lenders notify the Administrative Agent in writing (with, in the case of the Required Lenders, a copy to Borrower) that the Borrower or Required Lenders (as applicable) have determined that a LIBOR Discontinuance Event has occurred, then, at or promptly after the LIBOR Discontinuance Event Time, the Administrative Agent and Borrower shall endeavor to establish an alternate benchmark rate to replace LIBOR under this Agreement, together with any spread or adjustment to be applied to such alternate benchmark rate to account for the effects of transition from LIBOR to such alternate benchmark rate, giving due consideration to the then prevailing market convention for determining a rate of interest (including the application of a spread and the making of other appropriate adjustments to such alternate benchmark rate and this Agreement to account for the effects of transition from LIBOR to such replacement benchmark, including any changes necessary to reflect the available interest periods and timing for determining such alternate benchmark rate) for syndicated leveraged loans of this type in the United States at such time and any recommendations (if any) therefor by a Relevant Governmental Sponsor, provided that any such alternate benchmark rate and adjustments shall be required to be commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion) (any such rate, the "**Successor LIBOR Rate**").

After such determination that a LIBOR Discontinuance Event has occurred, promptly following the LIBOR Discontinuance Event Time, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such Successor LIBOR Rate and such other related changes to this Agreement as may be necessary or appropriate, as the Administrative Agent (at the direction of the Required Lenders), in consultation with the Borrower, may determine in good faith (which determination shall be conclusive absent manifest error), to implement and give effect to the Successor LIBOR Rate under this Agreement on the LIBOR Replacement Date and, notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective for each Class of Loans and Lenders without any further action or consent of any other party to this Agreement on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment; provided, that if a Successor LIBOR Rate has not been established pursuant to the foregoing, at the option of the Borrower, the Borrower and the Required Lenders may select a different Successor LIBOR Rate that is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion) and, upon not less than 15 Business Days' prior written notice to the Administrative Agent, the Administrative Agent, such Required Lenders and the Borrower shall enter into an amendment to this Agreement to reflect

such Successor LIBOR Rate and such other related changes to this Agreement as may be applicable and, notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective without any further action or consent of any other party to this Agreement;provided, further, that if no Successor LIBOR Rate has been determined pursuant to the foregoing and a Scheduled Unavailability Date (as defined in the definition of "LIBOR Discontinuance Event") has occurred, the Administrative Agent will promptly so notify the Borrower and each Lender and thereafter, until such Successor LIBOR Rate has been determined pursuant to this paragraph, (i) any request for Borrowing, the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of LIBOR Loans shall be ineffective and (ii) all outstanding Borrowings shall be converted to an ABR Loan Borrowing until a Successor LIBOR Rate has been chosen pursuant to this paragraph. Notwithstanding anything else herein, any definition of Successor LIBOR Rate shall provide that in no event shall such Successor LIBOR Rate be less than 1.00% per annum for purposes of this Agreement.

Section 2. Amount and Terms of Credit.

2.1 Commitments.

Subject to and upon the terms and conditions herein set forth, each Lender having an Initial Term Loan Commitment severally agrees to make a loan or loans denominated in Dollars (each, an "**Initial Term Loan**") to the Borrower on the Closing Date, which Initial Term Loans shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender and in the aggregate shall not exceed $450,000,000. Such Term Loans (i) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or LIBOR Loans; provided that all Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, (ii) may be repaid or prepaid (without premium or penalty other than as set forth in Section 5.1(b)) in accordance with the provisions hereof, but once repaid or prepaid, may not be reborrowed, (iii) shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender, and (iv) shall not exceed in the aggregate the Total Initial Term Loan Commitment. On the Initial Term Loan Maturity Date, all then unpaid Initial Term Loans shall be repaid in full in Dollars.

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Loans shall be in a minimum amount of at least the Minimum Borrowing Amount for such Type of Loans and in a multiple of $100,000 in excess thereof. More than one Borrowing may be incurred on any date; provided that at no time shall there be outstanding more than three Borrowings of LIBOR Loans that are Term Loans; provided, further, that for each additional Class of Term Loans, an additional two Interest Periods shall be permitted.

2.3 Notice of Borrowing.

(a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office prior to 12:00 p.m. (New York City time) or as otherwise agreed by the Required Lenders at least three Business Days' prior written notice in the case of a Borrowing of Initial Term Loans to be made on the Closing Date. Such notice (a "**Notice of Borrowing**", each substantially in the form of Exhibit J) shall specify (A) the aggregate principal amount of the Term Loans to be made, (B) the date of the Borrowing (which shall be the Closing Date) and (C) whether the Term Loans shall consist of ABR Loans and/or LIBOR Loans and, if the Term Loans are to include LIBOR Loans, the Interest Period to be initially applicable thereto. If no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Borrowing of LIBOR Loans is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Other than in connection with a Borrowing of Initial Term Loans to be

made on the Closing Date, the Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.3(a) (and the contents thereof), and of each Lender's pro rata share of the requested Borrowing.

2.4 Disbursement of Funds.

(a) No later than 2:00 p.m. (New York City time) on the date specified in each Notice of Borrowing, each Lender shall make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that on the Closing Date, such funds may be made available at such earlier time as may be agreed among the Lenders, the Borrower, and the Administrative Agent for the purpose of consummating the Transactions.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments, and in immediately available funds, to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent in Dollars. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the Federal Funds Effective Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, for the respective Loans.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt

(a) The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Loan Lenders, on the Initial Term Loan Maturity Date, the then outstanding Initial Term Loans.

(b) [Reserved].

(c) In the event that any New Term Loans are made, such New Term Loans shall, subject to Section 2.14(d), be repaid by the Borrower in the amounts and on the date set forth in the applicable Joinder Agreement and subject to any adjustment to ensure fungibility with the other Term Loans. In the event that any Extended Term Loans are established, such Extended Term Loans shall, subject to Section 2.14(g), be repaid by the Borrower in the amounts and on the dates set forth in the applicable Extension Amendment.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent shall maintain the Register pursuant to Section 13.6(b), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan or New Term Loan, Loan, the Type of each Loan made, the names of the Borrower and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(f) The entries made in the Register and accounts and subaccounts maintained pursuant to clauses (d) and (e) of this Section 2.5 shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that, in the event of any inconsistency between the Register and any such account or subaccount, the Register shall govern; provided, further, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

(g) The Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made an initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit G, evidencing the Initial Term Loans and/or New Term Loans owing to such Lender. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.6) be represented by one or more promissory notes in such form payable to such payee, to such payee and its registered assigns.

2.6 Conversions and Continuations.

(a) Subject to the penultimate sentence of this clause (a), (x) the Borrower shall have the option on any Business Day to convert all or a portion equal to at least $5,000,000 of the outstanding principal amount of Term Loans of one Type into a Borrowing or Borrowings of another Type and (y) the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any LIBOR Loans as LIBOR Loans for an additional Interest Period; provided that (i) no partial conversion of LIBOR Loans shall reduce the outstanding principal amount of LIBOR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into LIBOR Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) LIBOR Loans may not be continued as LIBOR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation,

and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent prior written notice at the Administrative Agent's Office prior to 12:00 noon (New York City time) at least (i) three Business Days prior, in the case of a continuation of or conversion to LIBOR Loans (other than in the case of a notice delivered on the Closing Date, which shall be deemed to be effective on the Closing Date), or (ii) 12:00 noon (New York City time) one Business Day prior to a conversion into ABR Loans (each, a "**Notice of Conversion or Continuation**" substantially in the form of Exhibit J) specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans are to be converted into or continued as LIBOR Loans, the Interest Period to be initially applicable thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a LIBOR Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

(b) If any Event of Default is in existence at the time of any proposed continuation of any LIBOR Loans denominated in Dollars and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such LIBOR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of LIBOR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in clause (a), the Borrower shall be deemed to have elected to convert such Borrowing of LIBOR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.

2.7 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be made by the Lenders*pro rata* on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of New Term Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable New Term Loan Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation, under any Credit Document.

2.8 Interest.

(a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for ABR Loans*plus* the ABR, in each case, in effect from time to time.

(b) The unpaid principal amount of each LIBOR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for LIBOR Loans*plus* the relevant Adjusted LIBOR Rate.

(c) If an Event of Default has occurred and is continuing underSection 11.1 or Section 11.5 hereto, if all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum (the "**Default Rate**") that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto *plus* 2.00% per annum or (y) in the case of any other overdue amount, including overdue interest, to the extent permitted by applicable law, the rate described in Section 2.8(a) for the applicable Class*plus* 2.00% per annum from the date of such non-payment to the date on which such amount is paid in full (after as well as before judgment).

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower (provided that in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment), (ii) in respect of each LIBOR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan, (A) on any prepayment in respect thereof, (B) at maturity (whether by acceleration or otherwise), and (C) after such maturity, on demand.

(e) All computations of interest hereunder shall be made in accordance withSection 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of LIBOR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of LIBOR Loans in accordance with Section 2.6(a), the Borrower shall give the Administrative Agent written notice of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower, be a one, two, three or six month period (or if approved by all the Lenders making such LIBOR Loans as determined by such Lenders in good faith based on prevailing market conditions, a 12 month or shorter period).

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of LIBOR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of LIBOR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided that if any Interest Period in respect of a LIBOR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the immediately preceding Business Day; and

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any LIBOR Loan if such Interest Period would extend beyond the Maturity Date of such Loan.

2.10 Increased Costs, Illegality, Etc.

(a) In the event that (x) in the case of clause (i) below, the Administrative Agent (at the direction of the Required Lenders) and (y) in the case of clauses (ii) through (iv) below, the Required Lenders shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the Adjusted LIBOR Rate for any Interest Period that (x) deposits in the principal amounts and currencies of the Loans comprising such LIBOR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the interbank LIBOR market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Adjusted LIBOR Rate; or

(ii) at any time, that such Lenders shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any LIBOR Loans other than with respect to Taxes because of any Change in Law;

(iii) that a Change in Law shall subject any such Lenders to any Tax (other than (1) Indemnified Taxes, (2) Excluded Taxes or (3) Other Taxes) on its loans, loan principal, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) at any time, that the making or continuance of any LIBOR Loan has become unlawful by compliance by such Lenders in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the interbank LIBOR market;

(such Loans, "**Impacted Loans**"), then, and in any such event, such Required Lenders (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give written notice to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, LIBOR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion or Continuation given by the Borrower with respect to LIBOR Loans that have not yet been incurred shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower shall pay to such Lenders, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Required Lenders in their reasonable discretion shall determine) as shall be required to compensate such Lenders for such actual increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lenders, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lenders shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto), and (z) in the case of subclause (iii) above, the Borrower shall take one of the actions specified in subclause (x) or (y), as applicable, of Section 2.10(b) promptly and, in any event, within the time period required by law.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in Section 2.10(a)(i)(x), the Administrative Agent (at the direction of the Required Lenders), in consultation with the Borrower and the other affected Lenders, may establish an alternative interest rate for the Impacted Loans (which rate shall not be negative), in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (x) of the first sentence of the immediately preceding paragraph, (2) the affected Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(b) At any time that any LIBOR Loan is affected by the circumstances described in Section 2.10(a)(ii) or (iii), the Borrower may (and in the case of a LIBOR Loan affected pursuant to Section 2.10(a)(iii) shall) either (x) if a Notice of Borrowing or Notice of Conversion or Continuation with respect to the affected LIBOR Loan has been submitted pursuant to Section 2.3 but the affected LIBOR Loan has not been funded or continued, cancel such requested Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrower was notified by Lenders pursuant to Section 2.10(a)(ii) or (iii) or (y) if the affected LIBOR Loan is then outstanding, upon at least three Business Days' notice to the Administrative Agent, require the affected Lender to convert each such LIBOR Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the actual rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly after written demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such actual additional amount or amounts as will compensate such Lender or its parent for such actual reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any law, rule or regulation as in effect on the Closing Date or to the extent such Lender is not imposing such charges on, or requesting such compensation from, borrowers (similarly situated to the Borrower hereunder) under comparable syndicated credit facilities similar to the Credit Facilities. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) promptly following receipt of such notice.

(d) If the Administrative Agent shall have received notice from the Required Lenders that the Adjusted LIBOR Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as certified by such Lenders) of making or maintaining its affected LIBOR Loans during such Interest Period, the Administrative Agent shall give written notice thereof to the

Borrower and the Lenders as soon as practicable thereafter (which notice shall include supporting calculations in reasonable detail as provided by the Required Lenders). If such notice is given, (i) any LIBOR Loan requested to be made on the first day of such Interest Period shall be made an ABR Loan, (ii) any Loans that were to have been converted on the first day of such Interest Period to LIBOR Loans shall be continued as an ABR Loan and (iii) any outstanding LIBOR Loans shall be converted, on the first day of such Interest Period, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further LIBOR Loans shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to LIBOR Loans.

2.11 Compensation. If (a) any payment of principal of any LIBOR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such LIBOR Loan as a result of a payment or conversion pursuant to Sections 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of LIBOR Loans is not made as a result of a withdrawn Notice of Borrowing or a failure to satisfy borrowing conditions, (c) any ABR Loan is not converted into a LIBOR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any LIBOR Loan is not continued as a LIBOR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any LIBOR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Sections 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender, with a copy to the Administrative Agent (which request shall set forth in reasonable detail the basis for requesting such amount), promptly pay to such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such LIBOR Loan. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender as specified in this Section 2.11 and setting forth in reasonable detail the manner in which such amount or amounts were determined shall be delivered to the Borrower and shall be conclusive, absent manifest error. The obligations of the Borrower under this Section 2.11 shall survive the payment in full of the Loans and the termination of this Agreement.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation ofSections 2.10(a)(ii), 2.10(a)(iii), 2.10(b) or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no unreimbursed cost or other material economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10, or 5.4.

2.13 Notice of Certain Costs. Failure or delay on the part of any Lender to demand compensation pursuant to Sections 2.10 or 2.11 shall not constitute a waiver of such Lender's right to demand such compensation, provided, that, notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Sections 2.10 or 2.11 is given by any Lender more than 120 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Sections 2.10 or 2.11, as the case may be, for any such amounts incurred or accruing prior to the 121st day prior to the giving of such notice to the Borrower (except that, if the event or Change in Law giving rise to such increased costs or reductions is retroactive, then the period referred to above shall be extended to include the period of retroactive effect).

2.14 Incremental Facilities.

(a) The Borrower may, by written notice to Administrative Agent, elect to request the establishment of one or more (x) additional tranches of term loans or increases in Term Loans of any Class (the commitments thereto, the "**New Term Loan Commitments**") by an aggregate amount not in excess of the Maximum Incremental Facilities Amount in the aggregate and not less than $10,000,000 individually (or such lesser amount as (x) may be approved by the Administrative Agent or (y) shall constitute the difference between the Maximum Incremental Facilities Amount and all such New Term Loan Commitments obtained on or prior to such date), which may be incurred in Dollars, Euros or Pounds Sterling. In connection with the incurrence of any Indebtedness under this Section 2.14, at the request of the Administrative Agent, the Borrower shall provide to the Administrative Agent a certificate certifying that the New Term Loan Commitments do not exceed the Maximum Incremental Facilities Amount, which certificate shall be in reasonable detail and shall provide the calculations and basis therefor and, subject to reclassification as set forth in Section 10.1, classify such Indebtedness as being incurred under clause (i) or clause (ii) of the definition of Maximum Incremental Facilities Amount. The Borrower may approach any Lender or any Person (other than a natural Person) to provide all or a portion of the New Term Loan Commitments; provided that any Lender offered or approached to provide all or a portion of the New Term Loan Commitments may elect or decline, in its sole discretion, to provide a New Term Loan Commitment. In each case, on each applicable Increased Amount Date (subject to Section 1.12), such New Term Loan Commitments shall be subject to (i) no Event of Default (except in connection with an acquisition or investment (including any Permitted Acquisition or Investment), no Event of Default under Section 11.1 or Section 11.5) shall exist on such Increased Amount Date before or after giving effect to such New Term Loan Commitments, as applicable, and subject to Section 1.12, (ii) the New Term Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrower and Administrative Agent, and each of which shall be recorded in the Register and shall be subject to the requirements set forth in Section 5.4(e), and (iii) the Borrower shall make any payments required pursuant to Section 2.11 in connection with the New Term Loan Commitments, as applicable. No Lender shall have any obligation to provide any Commitments pursuant to this Section 2.14(a). Any New Term Loans shall, at the election of the Borrower and agreed to by Lenders providing such New Term Loan Commitments, be designated as (a) a separate series (a "**Series**") of New Term Loans for all purposes of this Agreement or (b) as part of a Series of existing Term Loans for all purposes of this Agreement.

(b) [Reserved].

(c) New Term Loan Commitments of any Series shall be subject to the satisfaction of the foregoing and following terms and conditions, each Lender with a New Term Loan Commitment (each, a "**New Term Loan Lender**") of any Series shall make a Loan to the Borrower (a "**New Term Loan**") in an amount equal to its New Term Loan Commitment of such Series, and (ii) each New Term Loan Lender of any Series shall become a Lender hereunder with respect to the New Term Loan Commitment of such Series and the New Term Loans of such Series made pursuant thereto.

(d) The terms and provisions of the New Term Loans and New Term Loan Commitments of any Series shall be on terms and documentation set forth in the Joinder Agreement as determined by the Borrower; provided that (i) the applicable New Term Loan Maturity Date of each Series shall be no earlier than the Initial Term Loan Maturity Date; (ii) the weighted average life to maturity of all New Term Loans shall be no shorter than the weighted average life to maturity of the then existing Initial Term Loans as calculated without giving effect to any prepayments made in connection with the Initial Term Loans; (iii) the pricing, interest rate margins, discounts, premiums, rate floors, fees, and, subject to clauses (i) and (ii) above, amortization schedule applicable to any New Term Loans shall be determined by the Borrower and the Lenders thereunder; provided that only during the period commencing on the Closing Date and

ending on the thirty month anniversary of the Closing Date, if the Effective Yield for LIBOR Loans or ABR Loans in respect of such New Term Loans consisting of Term Loans that are secured by the Collateral on a pari passu basis with the Initial Term Loans exceeds the Effective Yield for LIBOR Loans or ABR Loans in respect of the then existing Initial Term Loans of like currency by more than 0.50%, the Applicable Margin for LIBOR Loans or ABR Loans in respect of the then existing Initial Term Loans shall be adjusted so that the Effective Yield in respect of the then existing Initial Term Loans is equal to the Effective Yield for LIBOR Loans or ABR Loans in respect of the New Term Loans *minus* 0.50% (the terms of this proviso to this clause (iii), the "**MFN Protection**"); and (iv) to the extent such terms and documentation are not consistent with the then existing Initial Term Loans (except to the extent permitted by clause (i), (ii) or (iii) above), they shall be reasonably satisfactory to the Administrative Agent and the Required Lenders (it being understood that, (1) to the extent that any financial maintenance covenant is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such financial maintenance covenant is also added for the benefit of any corresponding Term Loans remaining outstanding after the issuance or incurrence of such Indebtedness or (2) no consent shall be required by the Administrative Agent or any of the Lenders if any covenants or other provisions are only applicable after the Latest Term Loan Maturity Date).

(e) [Reserved].

(f) Each Joinder Agreement may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this Section 2.14.

(g) (i) The Borrower may at any time, and from time to time, request that all or a portion of the Term Loans of any Class (an "**Existing Term Loan Class**") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so converted, "**Extended Term Loans**") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class which such request shall be offered equally to all such Lenders) (a "**Term Loan Extension Request**") setting forth the proposed terms of the Extended Term Loans to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the Term Loans of the Existing Term Loan Class unless (x) the Lenders of the Term Loans of such applicable Existing Term Loan Class receive the benefit of such more restrictive terms or (y) any such provisions apply after the Initial Term Loan Maturity Date (a "**Permitted Other Provision**"); provided, however, that (x) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Joinder Agreement, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were converted, in each case as more particularly set forth in paragraph (iv) of this Section 2.14(g) below), (y) (A) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for the Term Loans of such Existing Term Loan Class and/or (B) additional fees, premiums or applicable high-yield discount obligation ("**AHYDO**") payments may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment and to the extent that any Permitted Other Provision (including a financial maintenance covenant) is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such Permitted Other Provision is also added for the

benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness or if such Permitted Other Provision applies only after the Initial Term Loan Maturity Date. Notwithstanding anything to the contrary in this Section 2.14 or otherwise, no Extended Term Loans may be optionally prepaid prior to the date on which the Existing Term Loan Class from which they were converted is repaid in full, except in accordance with the last sentence of Section 5.1(a). No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class from which they were converted.

(ii) [Reserved].

(iii) Any Lender (an "**Extending Lender**") wishing to have all or a portion of its Term Loans subject to such Extension Request converted into Extended Term Loans, shall notify the Administrative Agent (an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of its Term Loans subject to such Extension Request that it has elected to convert into Extended Term Loans. In the event that the aggregate amount of Term Loans subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Term Loans subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Term Loans included in each such Extension Election.

(iv) Extended Term Loans shall be established pursuant to an amendment (an "**Extension Amendment**") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.14(g)(iv) and notwithstanding anything to the contrary set forth inSection 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Term Loans in an aggregate principal amount that is less than $10,000,000. In addition to any terms and changes required or permitted by Section 2.14(g)(i), each Extension Amendment may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of New Term Loans incurred following the date of such Extension Amendment. Notwithstanding anything to the contrary in this Section 2.14(g) and without limiting the generality or applicability of Section 13.1 to any Section 2.14 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "**Section 2.14 Additional Amendment**") to this Agreement and the other Credit Documents; provided that such Section 2.14 Additional Amendments are within the requirements of Section 2.14(g)(i) and do not become effective prior to the time that such Section 2.14 Additional Amendments have been consented to (including, without limitation, pursuant to (1) consents applicable to holders of New Term Loans provided for in any Joinder Agreement and (2) consents applicable to holders of any Extended Term Loans provided for in any Extension Amendment) by such of the Lenders, Credit Parties and other parties (if any) as may be required in order for such Section 2.14 Additional Amendments to become effective in accordance with Section 13.1.

(v) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Term Loan Class is converted to extend the related scheduled maturity date(s) in accordance with clause (i) above (an "**Extension Date**"), the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date).

(vi) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.14.

2.15 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "**Permitted Debt Exchange Offer**") made from time to time by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Other Indebtedness in the form of notes (such notes, "**Permitted Debt Exchange Notes**," and each such exchange a "**Permitted Debt Exchange**"), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans of a given Class (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Agent, and (vi) any applicable Minimum Tender Condition shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.15, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.1 or 5.2, and (ii) such Permitted Debt Exchange Offer shall be made for not less than $20,000,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "**Minimum Tender Condition**") to

consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.15 and without conflict with Section 2.15(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act.

Section 3. [Reserved]

Section 4. Fees.

4.1 Fees.

Without duplication, the Borrower agrees to pay to the Administrative Agent and the Collateral Agent in Dollars, each for its own account, fees payable in the amounts and at the times set forth in the Administrative Agent/Collateral Agent Fee Letter or as may be agreed in writing from time to time.

4.2 [Reserved].

4.3 Mandatory Termination of Commitments.

(a) The Initial Term Loan Commitments shall terminate at 5:00 p.m. (New York City time) on the Closing Date. The Commitments, if any, for Extended Term Loans shall terminate at 5:00 p.m. (New York City time) on the date of the applicable Extension Amendment.

(b) The New Loan Commitment for any Series shall, unless otherwise provided in the applicable Joinder Agreement, terminate at 5:00 p.m. (New York City time) on the Increased Amount Date for such Series.

Section 5. Payments.

5.1 Voluntary Prepayments.

(a) The Borrower shall have the right to prepay Term Loans, other than as set forth inSection 5.1(b), without premium or penalty, in whole or in part from time to time on the following terms and conditions: (1) the Borrower shall give the Administrative Agent at the Administrative Agent's Office written notice of its intent to make such prepayment, the amount of such prepayment and (in the case of

LIBOR Loans) the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than 12:00 noon (New York City time) (i) in the case of LIBOR Loans, three Business Days prior to and (ii) in the case of ABR Loans, one Business Day prior to the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; (2) each partial prepayment of (i) any Borrowing of LIBOR Loans shall be in a minimum amount of $5,000,000 and in multiples of $1,000,000 in excess thereof and (ii) any ABR Loans shall be in a minimum amount of $1,000,000 and in multiples of $100,000 in excess thereof, provided that no partial prepayment of LIBOR Loans made pursuant to a single Borrowing shall reduce the outstanding LIBOR Loans made pursuant to such Borrowing to an amount less than the applicable Minimum Borrowing Amount for such LIBOR Loans, and (3) in the case of any prepayment of LIBOR Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto, the Borrower shall, promptly after receipt of a written request by any applicable Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to such Lender any amounts required pursuant to Section 2.11. Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be applied to the Class or Classes of Term Loans as the Borrower may specify. Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be applied to the Class or Classes of Term Loans as the Borrower may specify.

(b) If during any of the time periods set forth below any Initial Term Loans are voluntarily prepaid pursuant to Section 5.1(a) or mandatorily prepaid pursuant to Section 5.2 pursuant to a Debt Incurrence Prepayment Event or as a result of the incurrence of Indebtedness under Section 10.1(w)(i) or Section 10.1(x)(i)(b) or as a result of an assignment by a Non-Consenting Lender in accordance with Section 13.7(b), or are the subject of a Repricing Amendment, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, a premium (the "Prepayment Premium") equal to the product of (I) the percentage set forth below as in effect during the relevant time period and (II) the aggregate principal amount of the Initial Term Loans so prepaid or so subject to such Repricing Amendment.

TIME PERIOD	PREMIUM
On and after the Closing Date and prior to the first anniversary of the Closing Date	the Applicable Premium
On and after the first anniversary of the Closing Date and prior to the second anniversary of the Closing Date	3.0%
On and after the second anniversary of the Closing Date and prior to the third anniversary of the Closing Date	1.0%
On and after the third anniversary of the Closing Date	0.0%

5.2 Mandatory Prepayments.

(a) Term Loan Prepayments.

(i) On each occasion that a Prepayment Event occurs, the Borrower shall, within three Business Days after receipt of the Net Cash Proceeds of a Debt Incurrence Prepayment Event (other than

one covered by clause (iii) below) and within ten Business Days after the occurrence of any other Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within ten Business Days after the Deferred Net Cash Proceeds Payment Date), prepay, in accordance with clause (c) below, Term Loans with an equivalent principal amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided that, with respect to the Net Cash Proceeds of an Asset Sale Prepayment Event, Casualty Event or Permitted Sale Leaseback, in each case solely to the extent with respect to any Collateral, the Borrower may use a portion of such Net Cash Proceeds to prepay or repurchase Permitted Other Indebtedness (and with such prepaid or repurchased Permitted Other Indebtedness permanently extinguished) with a Lien on the Collateral ranking equal with the Liens securing the Obligations to the extent any applicable Permitted Other Indebtedness Document requires the issuer of such Permitted Other Indebtedness to prepay or make an offer to purchase such Permitted Other Indebtedness with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds *multiplied* by (y) a fraction, the numerator of which is the outstanding principal amount of the Permitted Other Indebtedness with a Lien on the Collateral ranking equal with the Liens securing the Obligations and with respect to which such a requirement to prepay or make an offer to purchase exists and the denominator of which is the sum of the outstanding principal amount of such Permitted Other Indebtedness and the outstanding principal amount of Term Loans.

(ii) Not later than ten Business Days after the date on which financial statements are required to be delivered pursuant to Section 9.1(a) for any fiscal year (commencing with and including the fiscal year ending December 31, 2020), if, and solely to the extent, Excess Cash Flow for such fiscal year exceeds $15,000,000, the Borrower shall prepay (or cause to be prepaid), in accordance with clause (c) below, Term Loans with a principal amount equal to (x) 50% of Excess Cash Flow for such fiscal year; provided that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Consolidated Senior Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of the Borrower) for the most recent Test Period ended prior to such prepayment date is less than or equal to 5.25:1.00 but greater than 4.75:1.00 and (B) no payment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Consolidated Senior Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of the Borrower) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.75:1.00, *minus,* (y) (i) the sum during such fiscal year of the principal amount of First Lien Term Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 of the First Lien Credit Agreement and Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 (in each case, including purchases of the Loans by the Borrower and its Subsidiaries at or below par offered to all Lenders and Dutch auctions, in which case the amount of voluntary prepayments of Loans shall be deemed not to exceed the actual purchase price of such Loans at or below par) during such fiscal year or after such fiscal year and prior to the date of the required Excess Cash Flow payment and (ii) to the extent accompanied by permanent reduction of commitments, optional reductions of Incremental Revolving Credit Commitments (as defined the First Lien Credit Agreement), Revolving Credit Commitments (as defined the First Lien Credit Agreement), Extended Revolving Credit Commitments (as defined the First Lien Credit Agreement), Incremental Revolving Credit Commitments (as defined the First Lien Credit Agreement), Swingline Loans (as defined the First Lien Credit Agreement), as applicable, Revolving Credit Loans (as defined the First Lien Credit Agreement), Extended Revolving Credit Loans (as defined the First Lien Credit Agreement), Incremental Revolving Credit Loans (as defined the First Lien Credit Agreement), in each case, other than to the extent any such prepayment is funded with the proceeds of Funded Debt.

(iii) On each occasion that Permitted Other Indebtedness is issued or incurred pursuant to Section 10.1(w), the Borrower shall within three Business Days of receipt of the Net Cash Proceeds of such Permitted Other Indebtedness prepay, in accordance with clause (c) below, Term Loans with a principal amount equal to 100% of the Net Cash Proceeds from such issuance or incurrence of Permitted Other Indebtedness.

(iv) Notwithstanding any other provisions of this Section 5.2, (A) to the extent that any or all of the Net Cash Proceeds of any Prepayment Event by a Subsidiary that is not a Credit Party giving rise to a prepayment pursuant to clause (i) above (a "**Non-Credit Party Prepayment Event**") or Excess Cash Flow are prohibited or delayed by any Requirements of Law from being repatriated to the Credit Parties, an amount equal to the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in clauses (i) and (ii) above, as the case may be, but only so long, as the applicable Requirements of Law will not permit repatriation to the Credit Parties (the Credit Parties hereby agreeing to cause the applicable Subsidiary to promptly take all actions reasonably required by the applicable Requirements of Law to permit repatriation), and once a repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Requirements of Law, an amount equal to such Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation is permitted) applied (net of any taxes that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) to the repayment of the Loans pursuant to clauses (i) and (ii) above, as applicable, and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Non-Credit Party Prepayment Event or Excess Cash Flow would have a material adverse tax consequence with respect to such Net Cash Proceeds or Excess Cash Flow, an amount equal to the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Subsidiary; provided that in the case of this clause (B), on or before the date on which any Net Cash Proceeds from any Non-Credit Party Prepayment Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to clause (i) above or, in the case of Excess Cash Flow, a date on or before the date that is eighteen months after the date an amount equal to such Excess Cash Flow would have so required to be applied to prepayments pursuant to clause (ii) above unless previously actually repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to clause (ii) above, (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Credit Parties rather than such Subsidiary, less the amount of any taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Subsidiary that is not a Credit Party. For the avoidance of doubt, nothing in this Agreement, including Section 5 shall be construed to require any Subsidiary to repatriate cash.

(b) [Reserved].

(c) Application to Repayment Amounts. Subject to Section 5.2(f), each prepayment of Term Loans required by Section 5.2(a)(i) or (ii) shall be allocated pro rata among the Initial Term Loans, the New Term Loans, and the Extended Term Loans and shall be applied within each Class of Term Loans in respect of such Term Loans in direct order of maturity thereof or as otherwise directed by the Borrower; provided that the Borrower may allocate a greater proportion of such prepayment in its sole discretion to the Initial Term Loans to the extent agreed to by the Lenders providing any applicable New Term Loans and/or Extended Term Loans outstanding at such time. Subject to Section 5.2(f), with respect to each such prepayment, the Borrower will, not later than the date specified in Section 5.2(a) for making such prepayment, give the Administrative Agent written notice which shall include a calculation of the amount of such prepayment to be applied to each Class of Term Loans requesting that the Administrative Agent provide notice of such prepayment to each Initial Term Loan Lender, New Term Loan Lender or Lender of Extended Term Loans, as applicable.

(d) Application to Term Loans. With respect to each prepayment of Term Loans required bySection 5.2(a), the Borrower may, if applicable, designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided, that if any Lender has provided a Rejection Notice in compliance with Section 5.2(f), such prepayment shall be applied with respect to the Term Loans to be prepaid on a pro rata basis across all outstanding Types of such Term Loans in proportion to the percentage of such outstanding Term Loans to be prepaid represented by each such Class. In the absence of a Rejection Notice or a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation as instructed by the Required Lenders in their reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(e) [Reserved].

(f) Rejection Right. The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 5.2(a) by 2:00 p.m. (New York City time) at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such prepayment. The Administrative Agent will promptly notify each Lender holding Term Loans of the contents of such prepayment notice and of such Lender's pro rata share of the prepayment. Each Term Loan Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment other than any such mandatory prepayment with respect to a Debt Incurrence Prepayment Event under Section 5.2(a)(i) or Permitted Other Indebtedness under Section 5.2(a)(iii) (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant toSection 5.2(a) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining after offering such Declined Proceeds to the Lenders in accordance with the terms hereof shall be retained by the Borrower ("**Retained Declined Proceeds**").

(g) Notwithstanding anything to the contrary in thisSection 5.2, no prepayments of Loans shall be required pursuant to this Section 5.2 until the First Lien Termination Date has occurred (except amounts declined by the Term Loan Lenders (as defined in the First Lien Credit Agreement) pursuant to Section 5.2(f) of the First Lien Credit Agreement shall be required to be applied as a mandatory prepayment hereunder).

5.3 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, withoutset-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto not later than 12:00 noon (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder shall be made in the currency in which such Loans are denominated and all other payments under each Credit Document shall, unless otherwise specified in such Credit Document, be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually

received by the Administrative Agent prior to (x) 12:00 noon (New York City time) in the case of payments denominated in Dollars, and (y) 9:45 a.m. (New York City time) in the case of payments denominated in any other currency, or, otherwise in each case, on the next Business Day in the Administrative Agent's sole discretion) like funds relating to the payment of principal or interest or fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than (x) 12:00 noon (New York City time) in the case of payments denominated in Dollars, and (y) 9:45 a.m. (New York City time) in the case of payments denominated in any other currency, in each case, may be deemed to have been made on the next succeeding Business Day in the Administrative Agent's sole discretion for purposes of calculating interest thereon. Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes.

(ii) If any Withholding Agent shall be required by applicable law to withhold or deduct any Taxes from any payment, then (A) such Withholding Agent shall withhold or make such deductions as are reasonably determined by such Withholding Agent to be required by applicable law, (B) such Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by the applicable Credit Party shall be increased as necessary so that after any required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 5.4) each Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or timely reimburse the Administrative Agent or any Lender for the payment of any Other Taxes.

(c) Tax Indemnifications. Without limiting the provisions of subsection (a) or (b) above, the Borrower shall indemnify the Administrative Agent and each Lender, and shall make payment in respect thereof within 15 days after receipt of written demand therefor, for the full amount of Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) payable or paid by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability (along with a written statement setting forth in reasonable detail the basis and calculation of such amounts) delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. If the Borrower reasonably believes that any such Indemnified Taxes

or Other Taxes were not correctly or legally asserted, the Administrative Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Indemnified Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(d) Evidence of Payments. After any payment of Taxes by any Credit Party or the Administrative Agent to a Governmental Authority as provided in this Section 5.4, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders and Tax Documentation.

(i) Each Lender shall deliver to the Borrower and to the Administrative Agent, at such time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the Borrower or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Credit Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and (C) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Credit Party pursuant to any Credit Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. Any documentation and information required to be delivered by a Lender pursuant to this Section 5.4(e) (including any specific documentation set forth in subsection (ii) below) shall be delivered by such Lender (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before any date on which such documentation expires or becomes obsolete or invalid, (iii) promptly after the occurrence of any change in the Lender's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and each such Lender shall promptly notify in writing the Borrower and the Administrative Agent if such Lender is no longer legally eligible to provide any documentation previously provided. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.4(e)(ii)(A), (B)(1), (B)(2), (B)(3), (B)(4), (C) and (D) below) shall not be required if in such Lender's or the Administrative Agent's reasonable judgment such completion, execution, or submission would subject such Lender or the Administrative Agent to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or the Administrative Agent.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "**U.S. Lender**") shall deliver to the Borrower and the Administrative Agent executed originals or copies of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable laws or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements;

(B) each Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) whichever of the following is applicable:

(1) executed originals or copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(2) executed originals or copies of Internal Revenue Service Form W-8ECI (or any successor form thereto);

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, substantially in the form of Exhibit I-1, I-2, I-3 or I-4, as applicable, (a "**Non-Bank Tax Certificate**"), to the effect that such Non-U.S. Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10-percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Document are effectively connected with such Non-U.S. Lender's conduct of a United States trade or business and (y) executed originals or copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form);

(4) where such Non-U.S. Lender is a partnership (for U.S. federal income tax purposes) or otherwise not a beneficial owner (e.g., where such Non-U.S. Lender has sold a participation), Internal Revenue Service Form W-8IMY (or any successor thereto) and all required supporting documentation (including, where one or more of the underlying beneficial owner(s) is claiming the benefits of the portfolio interest exemption, a Non-Bank Tax Certificate (substantially in the form of Exhibit I-2 or Exhibit I-3, as applicable) of such beneficial owner(s)) (provided that, if the Non-U.S. Lender is a partnership and not a participating Lender, the Non-Bank Tax Certificate(s) (substantially in the form of Exhibit I-4) may be provided by the Non-U.S. Lender on behalf of the direct or indirect partner(s)); or

(5) executed originals of any other form prescribed by applicable laws as a basis for claiming exemption from or a reduction in U.S. federal withholding tax together with such supplementary documentation as may be prescribed by applicable laws to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(C) each Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (C), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(D) if the Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower with two duly completed copies of Internal Revenue Service Form W-9. If the Administrative Agent is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide an original Internal Revenue Service Form W-8IMY certifying on Part I and Part VI of such Form W-8IMY that it is a U.S. branch that has agreed to be treated as a U.S. person for United States federal withholding tax purposes with respect to payments received by it from the Borrower. The Administrative Agent shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide the certification described in the prior sentence.

(f) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which any Credit Party has paid additional amounts pursuant to this Section 5.4, the Administrative Agent or such Lender (as applicable) shall promptly pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Parties under this Section 5.4 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In such event, the Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that it deems confidential). Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the Administrative Agent or any Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person.

(g) For the avoidance of doubt, for purposes of this Section 5.4, the term "applicable law" includes FATCA.

(h) Each party's obligations under this Section 5.4 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Credit Documents.

5.5 Computations of Interest and Fees.

(a) Except as provided in the next succeeding sentence, interest on LIBOR Loans shall be calculated on the basis of a360-day year for the actual days elapsed. Interest on ABR Loans shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.6 Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules, and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate that would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; provided that to the extent lawful, the interest or other amounts that would have been payable but were not payable as a result of the operation of this Section shall be cumulated and the interest payable to such Lender in respect of other Loans or periods shall be increased (but not above such maximum amount or rate of interest therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

This Agreement will not treat (1) unsecured Indebtedness as subordinated or junior to secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

10.2 Limitation on Liens.

(a) The Borrower will not, and will not permit any of its Restricted Subsidiaries to, create, incur, assume or suffer to exist any Lien upon any property or assets of any kind (real or personal, tangible or intangible) of the Borrower or any Restricted Subsidiary, whether now owned or hereafter acquired (each, a "**Subject Lien**") that secures obligations under any Indebtedness on any asset or property of Holdings or any Restricted Subsidiary, except:

(iii) in the case of any Subject Lien on assets or property not constituting Collateral, any Subject Lien if (i) the Obligations are equally and ratably secured with (or on a senior basis to, in the case such Subject Lien secures any Junior Debt) the obligations secured by such Subject Lien or (ii) such Subject Lien is a Permitted Lien.

(b) Any Lien created for the benefit of the Secured Parties pursuant toSection 10.2(a)(iii) above shall provide by its terms that such Lien shall be automatically and unconditionally be released and discharged upon the release and discharge of the Subject Lien that gave rise to the obligation to so secure the Obligations.

Unrestricted Subsidiaries will not be subject to any of the restrictive covenants set forth in this Agreement.

For purposes of determining compliance with this covenant, in the event that a proposed Restricted Payment or Investment (or a portion thereof) meets the criteria of clauses (1) through (18) above or is entitled to be made pursuant to Section 10.5(a) and/or one or more of the exceptions contained in the definition of Permitted Investments, the Borrower will be entitled to classify or later reclassify (based on circumstances existing on the date of such reclassification) such Restricted Payment (or portion thereof) among such clauses (1) through (18), Section 10.5(a) and/or one or more of the exceptions contained in the definition of "Permitted Investments", in a manner that otherwise complies with this covenant.

(c) Prior to the Initial Term Loan Maturity Date, to the extent any Permitted Debt Exchange Notes are issued pursuant to Section 10.1(y) for the purpose of consummating a Permitted Debt Exchange, (i) the Borrower will not, and will not permit its Restricted Subsidiaries to, prepay, repurchase, redeem or otherwise defease or acquire any Permitted Debt Exchange Notes unless the Borrower or a Restricted Subsidiary shall concurrently voluntarily prepay Term Loans pursuant to Section 5.1(a) on a pro rata basis among the Term Loans, in an amount not less than the product of (a) a fraction, the numerator of which is the aggregate principal amount (calculated on the face amount thereof) of such Permitted Debt Exchange Notes that are proposed to be prepaid, repurchased, redeemed, defeased or acquired and the denominator of which is the aggregate principal amount (calculated on the face amount thereof) of all Permitted Debt Exchange Notes in respect of the relevant Permitted Debt Exchange then outstanding (prior to giving effect to such proposed prepayment, repurchase, redemption, defeasance or acquisition) and (b) the aggregate principal amount (calculated on the face amount thereof) of Term Loans then outstanding and (ii) the Borrower will not waive, amend or modify the terms of any Permitted Debt Exchange Notes or any indenture pursuant to which such Permitted Debt Exchange Notes have been issued in any manner inconsistent with the terms of Section 2.15(a), Section 10.1(y), or the definition of Permitted Other Indebtedness or that would result in an Event of Default hereunder if such Permitted "Debt Exchange Notes" (as so amended or modified) were then being issued or incurred.

10.6 Limitation on Subsidiary Distributions. The Borrower will not permit any of its Restricted Subsidiaries that are not Guarantors to, directly or indirectly, create or otherwise cause or suffer to exist or become effective any consensual encumbrance or consensual restriction on the ability of any such Restricted Subsidiary to:

(a) (i) pay dividends or make any other distributions to the Borrower or any Restricted Subsidiary on its Capital Stock or with respect to any other interest or participation in, or measured by, its profits or (ii) pay any Indebtedness owed to the Borrower or any Restricted Subsidiary;

(v) any agreement or other instrument of a Person acquired by or merged or consolidated with or into the Borrower or any Restricted Subsidiary, or of an Unrestricted Subsidiary that is designated a Restricted Subsidiary, or that is assumed in connection with the acquisition of assets from such Person, in each case that is in existence at the time of such transaction (but not created in contemplation thereof), which encumbrance or restriction is not applicable to any Person, or the properties or assets of any Person, other than the Person and its Subsidiaries, or the property or assets of the Person and its Subsidiaries, so acquired or designated;

(vi) contracts for the sale of assets, including customary restrictions with respect to a Subsidiary of the Borrower pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock or assets of such Subsidiary and restrictions on transfer of assets subject to Permitted Liens;

(vii) (x) secured Indebtedness otherwise permitted to be incurred pursuant to Sections 10.1 and 10.2 that limit the right of the debtor to dispose of the assets securing such Indebtedness and (y) restrictions on transfers of assets subject to Permitted Liens (but, with respect to any such Permitted Lien, only to the extent that such transfer restrictions apply solely to the assets that are the subject of such Permitted Lien);

(viii) restrictions on cash or other deposits or net worth imposed by customers under contracts entered into in the ordinary course of business;

(ix) other Indebtedness, Disqualified Stock or preferred stock of Restricted Subsidiaries permitted to be incurred subsequent to the Closing Date pursuant to the provisions of Section 10.1;

(xii) restrictions created in connection with any Receivables Facility that, in the good faith determination of the board of directors of the Borrower, are necessary or advisable to effect such Receivables Facility; and

(xiii) any encumbrances or restrictions of the type referred to in clauses (a), (b), and (c) above imposed by any amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements or refinancings of the contracts, instruments or obligations referred to in clauses (i) through (xii) above; provided that such amendments, modifications, restatements, renewals, increases, supplements, refundings, replacements, or refinancings (x) are, in the good faith judgment of the Borrower's boards of directors, no more restrictive in any material respect with respect to such encumbrance and other restrictions taken as a whole than those prior to such amendment, modification, restatement, renewal, increase, supplement, refunding, replacement or refinancing or (y) do not materially impair the Borrower's ability to pay their respective obligations under the Credit Documents as and when due (as determined in good faith by the Borrower).

10.7 Anti-Layering. Notwithstanding anything herein to the contrary, (x) any Indebtedness that is subordinated in right of payment to any other Indebtedness in respect of borrowed money (other than permitted intercompany Indebtedness owing to the Borrower or any Restricted Subsidiary) of any Credit Party (including by being "first loss" or "last out" in any payment waterfall, but excluding any "first loss" or "last out" tranche under the First Lien Facilities) shall be subordinated in right of payment to such Credit Party's Obligations to the same extent and (y) no Credit Party shall create, incur, assume or permit to exist secured Indebtedness that, by its express terms, is subordinated as to rights to receive, or subject to turnover of, payments or proceeds of collateral to any of the First Lien Facilities which shall be secured by the same collateral as the First Lien Facilities, unless such secured Indebtedness is pari passu without regard to control of remedies or junior in right of payment and secured on a pari passu without regard to control of remedies or junior basis with the Term Loans.

Section 12. The Agents.

12.1 Appointment.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Section 12.1(c) with respect to the Joint Lead Arrangers and Bookrunners and Sections 12.1, 12.9, 12.11 and 12.12 with respect to the Borrower) are solely for the benefit of the Agents and the Lenders, none of Holdings, the Borrower or any other Credit Party shall have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings, the Borrower or any of their respective Subsidiaries.

(b) The Administrative Agent and each Lender hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and the Administrative Agent and each Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent and the Lenders, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

(c) Each of the Joint Lead Arrangers and Bookrunners each in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 12.

12.2 Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, subagents or attorneys-in-fact selected by it in the absence of its gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).

12.3 Exculpatory Provisions. No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the creation, perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party or any Affiliate thereof. The Collateral Agent shall not be under any obligation to the Administrative Agent or any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party. Without limiting the generality of the foregoing, (a) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 13.1), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law and (b) except as expressly set forth in the Credit Documents, no Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity.

12.4 Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it (in good faith) to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings and the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or

concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or applicable law.

12.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or the Collateral Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders.

12.6 Non-Reliance on Administrative Agent, Collateral Agent, and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender. Each Lender represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into the business, operations, property, financial and other condition and creditworthiness of Holdings, the Borrower and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of any of the Credit Parties. Except for notices, reports, and other documents expressly required to be furnished to each Lender by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of Holdings, the Borrower or any other Credit Party that may come into the possession of the Administrative Agent or the Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7 Indemnification. The Lenders agree to severally indemnify each Agent in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the Termination Date, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against an Agent in any way

relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing; provided that no Lender shall be liable to an Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of Holdings or the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing Reimbursement Obligations (as defined in the First Lien Credit Agreement) with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata portion thereof; and provided, further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder. The indemnity provided to each Agent under this Section 12.7 shall also apply to such Agent's respective Affiliates, directors, officers, members, controlling persons, employees, trustees, investment advisors and agents and successors.

12.8 Agents in Their Individual Capacities. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9 Successor Agents.

(a) Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed) so long as no Event of Default under Sections 11.1 or 11.5 is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States (other than any Disqualified Lender). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (the "**Resignation Effective Date**"), then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent) after consulting with the Lenders; provided that if the Administrative Agent or the Collateral Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and the Required Lenders shall appoint a Lender to perform all of the duties of the Agent hereunder until such time as the Lenders shall appoint a successor agent as provided for above.

(b) At any time and from time to time, with or without cause, the Required Lenders may to the extent permitted by applicable law, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), by notice in writing to the Borrower and the Person then acting as Administrative Agent (or Collateral Agent) remove such Person as the Administrative Agent (or Collateral Agent, as applicable) and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders and the Borrower) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date, (1) the retiring or removed agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the retiring or removed Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph (and otherwise subject to the terms above). Upon the acceptance of a successor's appointment as the Administrative Agent or the Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Agent. Except as provided above, any resignation or removal of WT as the Administrative Agent pursuant to this Section 12.9 shall also constitute the resignation or removal of WT as the Collateral Agent. The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

12.10 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other

jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Credit Party and without limiting the obligation of any applicable Credit Party to do so), fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this Section 12.10. The agreements in this Section 12.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

12.11 Agents Under Security Documents and Guarantee. Each Secured Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral and the Security Documents. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable, may execute any documents or instruments necessary to (a) release any Lien, in whole or in part, on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Credit Document (i) upon the Termination Date, (ii) that is sold or to be sold or transferred as part of or in connection with any sale, disposition or other transfer permitted hereunder or under any other Credit Document to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary, (iii) if the property subject to such Lien is owned by a Guarantor, upon the release of such Guarantor from its Guarantee otherwise in accordance with the Credit Documents, (iv) as to the extent provided in the Security Documents, (v) that constitutes Excluded Property or Excluded Stock and Stock Equivalents or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor (other than Holdings (except as otherwise permitted by Section 10.3)) from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; (c) subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Credit Document to the holder of any Lien permitted under clause (iv) (solely with respect to Section 10.1(d)), and (vii) of the definition of "Permitted Liens" or if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement constitutes a Permitted Lien; and (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the Intercreditor Agreement.

The Collateral Agent shall have its own independent right to demand payment of the amounts payable by the Borrower under this Section 12.11, irrespective of any discharge of the Borrower's obligations to pay those amounts to the other Lenders resulting from failure by them to take appropriate steps in insolvency proceedings affecting the Borrower to preserve their entitlement to be paid those amounts.

Any amount due and payable by the Borrower to the Collateral Agent under this Section 12.11 shall be decreased to the extent that the other Lenders have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents and any amount due and payable by the Borrower to the Collateral Agent under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 12.11.

12.12 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents, and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights, and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights, and remedies under the Security Documents may be exercised solely by the Collateral Agent in accordance with the terms thereof, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

12.13 Intercreditor Agreements Govern. The Administrative Agent, the Collateral Agent, and each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof, (b) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into each intercreditor agreement entered into pursuant to the terms hereof and to subject the Liens securing the Obligations to the provisions thereof, and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then-existing intercreditor agreement to provide for, the terms described in the definition of Permitted Other Indebtedness.

Each Lender hereunder (i) acknowledges that it has received a copy of the Intercreditor Agreement, (ii) agrees that it will be bound by and will take no actions contrary to the provisions of the Intercreditor Agreement, (iii) authorizes and instructs the Administrative Agent to enter into the Intercreditor Agreement as Administrative Agent and on behalf of such Lender and (iv) hereby consents to the subordination of the Liens securing the Obligations on the terms set forth in the Intercreditor Agreement. The foregoing provisions are intended as an inducement to the lenders under the First Lien Credit Documents to extend credit to the Credit Parties and such lenders are intended third party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall control.

12.14 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that at least one of the following is and will be true:

(i) such Lender is not using "plan assets" (within the meaning of Section 3(42) of ERISA or otherwise) of one or more Benefit Plans with respect to such Lender's entrance into, participation in, administration of and performance of the Loans or the Commitments,

(iii) (A) such Lender is an investment fund managed by a "Qualified Professional Asset Manager" (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement satisfies the requirements of sub-sections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement, or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (1) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (2) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Credit Party, that the Administrative Agent is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any of the other Credit Documents or any documents related hereto or thereto).

Section 13. Miscellaneous.

13.1 Amendments, Waivers, and Releases. Except as otherwise expressly set forth in the Credit Documents, neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. Except as provided to the contrary in the Credit Documents (including under (I) Section 2.14 or 2.15 or (II) the sixth and seventh paragraphs hereof in respect of Replacement Term Loans or (III) the second proviso below), the Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with Holdings or the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of Holdings or the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall (x) (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate (it being understood that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate or amend Section 2.8(c)), or forgive any portion thereof, or extend the date for the payment, of any principal, interest or fee hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or amend or modify any provisions of Section 13.20, or make any Loan, interest, Fee or other amount payable in any currency other than expressly provided herein, in each case without the written consent of each Lender directly and adversely affected thereby; provided that a waiver of any condition precedent in Section 6 or 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory prepayment or reductions, any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal, premium or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment, in each case for purposes of this clause (i), or (ii) consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent in a manner that directly and adversely affects such Person, or (iv) release all or substantially all of the Guarantors under the Guarantees (except as expressly permitted by the Guarantees, the Intercreditor Agreement or this Agreement) or release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents, the Intercreditor Agreement or this Agreement) without the prior written consent of each Lender, or (v) alter the ratable payments required by Section 5.3(a), Section 11.13(ii), Section 13.8(a) or Section 13.20 without the written consent of each Lender directly and adversely affected thereby, or (vi) reduce the percentages specified in the definitions of the term Required Lenders or amend, modify or waive any provision of this Section 13.1 that has the effect of decreasing the number of Lenders that must approve any amendment, modification or waiver, without the written consent of each Lender directly and adversely affected thereby, (y) notwithstanding anything to the contrary in clause (x), (i) extend the final expiration date of any Lender's Commitment or (ii) increase the aggregate amount of the Commitments of any Lender, in each case, without the written consent of such Lender, or (z) in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans is refinanced with a replacement Class of

Term Loans bearing (or is modified in such a manner such that the resulting Term Loans bear) a lower Effective Yield (a "**Permitted Repricing Amendment**"), require the consent of any Lender other than the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon Holdings, the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, Holdings, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding the foregoing, in addition to any credit extensions and related Joinder Agreement(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such New Term Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, Holdings, the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing of all outstanding Term Loans of any Class ("**Refinanced Term Loans**") with a replacement term loan tranche ("**Replacement Term Loans**") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans (*plus* an amount equal to all accrued but unpaid interest, fees, premiums, and expenses incurred in connection therewith), (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless any such Applicable Margin applies after the Initial Term Loan Maturity Date, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans), and (d) the covenants, events of default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, upon the Termination Date, (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request

without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the applicable Guarantee (in accordance with the second following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, and (vii) if such assets constitute Excluded Property or Excluded Stock and Stock Equivalents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that any Restricted Subsidiary that is a Guarantor shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary or otherwise no longer being required to be a Guarantor hereunder. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to add syndication or documentation agents and make customary changes and references related thereto with the consent of only the Borrower and the Administrative Agent.

Notwithstanding anything in this Agreement (including, without limitation, this Section 13.1) or any other Credit Document to the contrary, (i) this Agreement and the other Credit Documents may be amended to effect an incremental facility or extension facility pursuant to Section 2.14 (and the Administrative Agent and the Borrower may effect such amendments to this Agreement and the other Credit Documents without the consent of any other party as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such incremental facility or extension facility); (ii) no Lender consent is required to effect any amendment or supplement to the Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the Intercreditor Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent in consultation with the Borrower, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole); provided, further, that no such agreement shall amend, modify or otherwise directly and adversely affect the rights or duties of the Administrative Agent hereunder or under any other Credit Document without the prior written consent of the Administrative Agent; (iii) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) or (y) effect administrative changes of a technical or immaterial nature and such amendment shall be deemed approved by the Lenders if the Lenders shall have received at least five Business Days' prior written notice of such change and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; and (iv) guarantees, collateral documents and related documents executed by Holdings and the Credit Parties in

connection with this Agreement may be in a form reasonably determined by the Administrative Agent and the Required Lenders and may be, together with any other Credit Document, entered into, amended, supplemented or waived, without the consent of any other Person, by Holdings or the applicable Credit Party or Credit Parties and the Administrative Agent or the Collateral Agent (at the instruction of the Required Lenders in their respective sole discretion, except as otherwise specified below), to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law or advice of counsel to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law, or (C) to cure ambiguities, omissions, mistakes or defects or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents (in each case as reasonably determined by the Administrative Agent and the Borrower).

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, at the instruction of the Required Lenders in their sole discretion, grant extensions of time for the satisfaction of any of the requirements under Sections 9.12, 9.13 and 9.14 or any Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of Holdings, the Borrower and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

13.2 Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower, the Administrative Agent or the Collateral Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

(b) if to any other Lender, to the address, facsimile number, electronic mail address or telephone number specified in its Administrative Questionnaire or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to Holdings, the Borrower, the Administrative Agent and the Collateral Agent.

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant toSections 2.3, 2.6, 2.9 and 5.1 shall not be effective until received.

13.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further

exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.

13.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses; Indemnification.

(a) Each of Holdings and the Borrower, jointly and severally, agree (i) to pay or reimburse each of the Agents for all their reasonable and documented out-of-pocket costs and expenses (without duplication) incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement, modification to, waiver and/or enforcement this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Gibson, Dunn & Crutcher LLP (or such other counsel as may be agreed by the Required Lenders and the Borrower) and of Duane Morris LLP (or such other counsel as may be agreed by the Administrative Agent and the Borrower), one counsel in each relevant local jurisdiction with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), (ii) to pay or reimburse each Agent for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to each of the Administrative Agent and the Collateral Agent, each other Agent, and, to the extent required, one firm or local counsel for each Agent in each relevant local jurisdiction with the Borrower's consent (such consent not to be unreasonably withheld or delayed) (which may include a single special counsel acting in multiple jurisdictions), and (iii) to pay, indemnify and hold harmless each Lender, each Agent and their respective Related Parties (without duplication) (the "**Indemnified Persons**") from and against any and all losses, claims, damages, liabilities, obligations, demands, actions, judgments, suits, costs, expenses, disbursements or penalties of any kind or nature whatsoever (and the reasonable and documented out-of-pocket fees, expenses, disbursements and other charges of one firm of counsel for all Indemnified Persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing (including the reasonable fees) has retained its own counsel, of another firm of counsel in each relevant jurisdiction for such affected Indemnified Person), and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) of any such Indemnified Person arising out of or with respect to the Transactions or to the execution, enforcement, delivery, performance and administration of this Agreement, the other Credit Documents and any such other documents or relating to any action, claim, litigation, investigation or other proceeding (regardless of whether such Indemnified Person is a party thereto or whether or not such action, claim, litigation or proceeding was brought by Holdings, any of its Subsidiaries or any other Person), arising out of, or relating to the foregoing, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law relating in any way to the Borrower or any of its Subsidiaries or any actual or alleged presence, Release or threatened Release of Hazardous Materials relating in any way to Borrower or any of its Subsidiaries (all the foregoing in this clause (iii), collectively, the "**Indemnified Liabilities**"); provided that Holdings and the Borrower shall have no obligation hereunder to any Indemnified Person with respect to Indemnified Liabilities to the extent arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnified Person or any of its Related Parties as determined in a final and

non-appealable judgment of a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnified Person or any of its Related Parties under the terms of this Agreement by such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction or (iii) any proceeding between and among Indemnified Persons that does not involve an act or omission by Holdings, the Borrower or their respective Restricted Subsidiaries; provided that the exception for bad faith set forth in clause (i) and the exceptions set forth in clause (ii) of the immediately preceding proviso shall not apply to the Agents and shall not limit or impair the right of the Agents to indemnification and reimbursement; provided further, with respect to the forgoing clause (iii), the Agents, to the extent acting in their capacity as such, shall remain indemnified in respect of such proceeding, to the extent that the exceptions set forth in clause (i) (other than bad faith, which is not applicable to the Agents) of the immediately preceding proviso applies to such person at such time. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder. This Section 13.5 shall not apply with respect to Taxes, other than any Taxes that represent losses, claims, damages, liabilities, obligations, penalties, actions, judgments, suits, costs, expenses or disbursements arising from any non-Tax claim.

(b) No Credit Party nor any Indemnified Person shall have any liability for any special, punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not limit Holdings' and the Borrower's indemnification obligations to the Indemnified Persons pursuant toSection 13.5(a) in respect of damages incurred or paid by an Indemnified Person to a third party. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Person or any of its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction; provided that the foregoing exception for bad faith shall not apply to the Agents and shall not limit or impair any release or exculpation of the Agents.

13.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (c) of this Section 13.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders and each other Person entitled to indemnification under Section 13.5) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth inclause (b)(ii) below and Section 13.7, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed; it being understood that the relevant Person shall have the right to withhold their consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Borrower (not to be unreasonably withheld or delayed);provided that no consent of the Borrower shall be required (1) for an assignment of Term Loans to (X) a Lender, (Y) an Affiliate of a Lender, or (Z) an Approved Fund, (2) for an assignment of Loans or Commitments to any assignee if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing or (3) with respect to the Term Loans only, unless the Borrower has already objected thereto by delivering written notice to the Administrative Agent within ten (10) Business Days after the receipt of a written request for consent thereto; and

(B) the Administrative Agent (not to be unreasonably withheld or delayed);provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

Notwithstanding the foregoing, no such assignment shall be made to (i) a natural Person, or Disqualified Lender. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Persons who are Disqualified Lenders at any time.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents (which consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default underSection 11.1 or Section 11.5 has occurred and is continuing;provided, further, that contemporaneous assignments by a Lender and its Affiliates or Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above (and simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system or other method reasonably acceptable to the Administrative Agent, together with a processing and recordation fee in the amount of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; provided, further, that such processing and recordation fee shall not be payable in the case of assignments by any Agent or any of its Affiliates;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "**Administrative Questionnaire**") and applicable tax forms (as required underSection 5.4(e)); and

(E) any assignment to the Borrower, any Subsidiary or an Affiliated Lender (other than an Affiliated Institutional Lender) shall also be subject to the requirements of Section 13.6(h).

For the avoidance of doubt, the Administrative Agent bears no responsibility for tracking or monitoring assignments to or participations by any Affiliated Lender or any Disqualified Lender.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(v) of this Section 13.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 13.6. For the avoidance of doubt, in case of an assignment to a new Lender pursuant to this Section 13.6, (i) the Administrative Agent, the new Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the new Lender been an original Lender signatory to this Agreement with the rights and/or obligations acquired or assumed by it as a result of the assignment and to the extent of the assignment the assigning Lender shall each be released from further obligations under the Credit Documents and (ii) the benefit of each Security Document shall be maintained in favor of the new Lender.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and stated interest amounts) owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the Administrative Agent and its Affiliates and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 13.6 and any written consent to such assignment required by clause (b) of this Section 13.6, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than (x) a natural person, (y) Holdings and its Subsidiaries and (z) any Disqualified Lender provided, however, that, notwithstanding clause (z) hereof, participations may be sold to Disqualified Lenders unless a list of Disqualified Lenders has been made available to all Lenders who so request) (each, a "**Participant**") in all or a portion of such Lender's

rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Disqualified Lenders or the sales of participations thereto at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i) and (vii) of the second proviso to Section 13.1 that affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agree that each Participant shall be entitled to the benefits of Sections 2.10, 2.11, and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the participating Lender)). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than the applicable Lender would have been entitled to receive absent the sale of such the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld). Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest amounts) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, or other central bank having jurisdiction over such Lender and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) The words "execution," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments or other modifications, Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(g) SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent (as instructed by the Required Lenders)) other than a Disqualified Lender providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 13.16, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement but subject to the following sentence, each SPV shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the Granting Lender)). Notwithstanding the prior sentence, an SPV shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than its Granting Lender would have been entitled to receive absent the grant to such SPV, unless such grant to such SPV is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

(h) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans

to the Borrower, any Subsidiary or an Affiliated Lender and (y) the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Auction Agent or (2) open market purchases; provided that:

(i) any Loans or Commitments acquired the Borrower or any other Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;

(ii) by its acquisition of Loans or Commitments, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) it shall not have any right to (i) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (iii) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender; and

(B) except with respect to any amendment, modification, waiver, consent or other action (I) in Section 13.1 requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (II) that alters an Affiliated Lender's pro rata share of any payments given to all Lenders, or (III) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the Affiliated Lender in a manner that is materially adverse to such Affiliated Lender relative to other Lenders, shall be deemed to have voted its interest in the Term Loans in the same proportion as the other Lenders) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph); and

(iii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 30% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase; and

(iv) any such Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time (and such Loans or Commitments shall be retired and cancelled promptly).

For avoidance of doubt, the foregoing limitations shall not be applicable to Affiliated Institutional Lenders. None of the Borrower, any Subsidiary or any Affiliated Lender shall be required to make any representation that it is not in possession of information which is not publicly available and/or material with respect to the Borrower and its Subsidiaries or their respective securities for purposes of U.S. federal and state securities laws.

13.7 Replacements of Lenders Under Certain Circumstances

(a) The Borrower shall be permitted (x) to replace any Lender or (y) to terminate the Commitment of such Lender and repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date that (a) requests reimbursement for amounts owing pursuant to Sections 2.10 or 5.4 or (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirements of Law, (ii) no Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts pursuant to Sections 2.10, 2.11 or 5.4, as the case may be, owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, an Affiliate of a Lender, an Affiliated Lender or Approved Fund, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent and the Required Lenders, (v) the replacement bank or institution, if not already a Lender shall be subject to the provisions of Section 13.6(b), (vi) the replaced Lender shall be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that unless otherwise agreed the Borrower shall be obligated to pay the registration and processing fee referred to therein), and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, waiver, discharge or termination that pursuant to the terms of Section 13.1 requires the consent of either (i) all of the Lenders directly and adversely affected or (ii) all of the Lenders, and, in each case, with respect to which the Required Lenders (or at least 50.1% of the directly and adversely affected Lenders) shall have granted their consent, then, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to (x) replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent (to the extent such consent would be required under Section 13.6) and repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that (a) all Obligations hereunder of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to such Non-Consenting Lender concurrently with such assignment including any amounts that such Lender may be owed pursuant to Section 2.11, and (b) the replacement Lender shall purchase the foregoing by paying to such Non-Consenting Lender a price equal to the principal amount thereof *plus* accrued and unpaid interest thereon, and (c) the Borrower shall pay to such Non-Consenting Lender the amount, if any, owing to such Lender pursuant to Section 5.1(b). In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6.

13.8 Adjustments; Set-off.

(a) Except as contemplated in Section 13.6 or elsewhere herein (or in the Intercreditor Agreement), if any Lender (a "**Benefited Lender**") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to in Section 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Credit Parties but with the prior consent of the Administrative Agent, any such notice being expressly waived by the Credit Parties to the extent permitted by applicable law, upon any amount becoming due and payable by the Credit Parties hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary, and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Credit Parties. Each Lender agrees promptly to notify the Credit Parties and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

13.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11 Integration. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by Holdings, the Borrower, the Administrative Agent, the Collateral Agent nor any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

13.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

13.13 Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;

(b) consents that any such action or proceeding shall be brought in such courts and waives any right to any other jurisdiction to which it may be entitled on account of its present or future place of residence or domicile or any other reason, any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;

(c) agrees that service of process in any such action or proceeding shall be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 or such other address of which the Administrative Agent shall have been notified pursuant to Section 13.2;

(d) agrees that nothing herein shall affect the right of the Administrative Agent, the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against Holdings, the Borrower or any other Credit Party in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages; provided that nothing in this clause (e) shall limit the Credit Parties' indemnification obligations set forth in Section 13.5.

13.14 Acknowledgments. Each of Holdings and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution, and delivery of this Agreement and the other Credit Documents;

(b) (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower and the other Credit Parties, on the one hand, and the Administrative Agent, the Lenders and the other Agents on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof);

(ii) in connection with the process leading to such transaction, each of the Administrative Agent and the other Agents, is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary for the Borrower, any other Credit Parties or any of their respective Affiliates, equity holders, creditors or employees, or any other Person;

(iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any

other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or other Agent has advised or is currently advising the Borrower, the other Credit Parties or their respective Affiliates on other matters) and neither the Administrative Agent or other Agent has any obligation to the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents;

(iv) the Administrative Agent, each other Agent and each Affiliate of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and

(v) neither the Administrative Agent nor any other Agent has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower has consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower hereby agrees that it will not claim that any Agent owes a fiduciary or similar duty to the Credit Parties in connection with the Transactions contemplated hereby and waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent or any other Agent with respect to any breach or alleged breach of agency or fiduciary duty; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower, on the one hand, and any Lender, on the other hand.

13.15 WAIVERS OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.16 Confidentiality. The Administrative Agent, each other Agent and each Lender (collectively, the "**Restricted Persons**" and, each a "**Restricted Person**") shall treat confidentially all non-public information provided to any Restricted Person by or on behalf of any Credit Party hereunder in connection with such Restricted Person's evaluation of whether to become a Lender hereunder or obtained by such Restricted Person pursuant to the requirements of this Agreement ("**Confidential Information**") and shall not publish, disclose or otherwise divulge such Confidential Information; provided that nothing herein shall prevent any Restricted Person from disclosing any such Confidential Information (a) pursuant to the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by applicable law, rule or regulation or compulsory legal process (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (b) upon the request or demand of any regulatory authority having jurisdiction over such Restricted Person or any of its Affiliates (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or

examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority) to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (c) to the extent that such Confidential Information becomes publicly available other than by reason of improper disclosure by such Restricted Person or any of its affiliates or any related parties thereto in violation of any confidentiality obligations owing under this Section 13.16, (d) to the extent that such Confidential Information is received by such Restricted Person from a third party that is not, to such Restricted Person's knowledge, subject to confidentiality obligations owing to any Credit Party or any of their respective subsidiaries or affiliates, (e) to the extent that such Confidential Information was already in the possession of the Restricted Persons prior to any duty or other undertaking of confidentiality or is independently developed by the Restricted Persons without the use of such Confidential Information, (f) to such Restricted Person's affiliates and to its and their respective officers, directors, partners, employees, legal counsel, independent auditors, and other experts or agents who need to know such Confidential Information in connection with providing the Loans or action as an Agent hereunder and who are informed of the confidential nature of such Confidential Information and who are subject to customary confidentiality obligations of professional practice or who agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) (with each such Restricted Person, to the extent within its control, responsible for such person's compliance with this paragraph), (g) to potential or prospective Lenders, hedge providers (or other derivative transaction counterparties) (any such person, a "**Derivative Counterparty**"), participants or assignees, in each case who agree (pursuant to customary syndication practice) to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16); provided that (i) the disclosure of any such Confidential Information to any potential or prospective Lenders, Derivative Counterparties, participants or assignees referred to above shall be made subject to the acknowledgment and acceptance by such potential or prospective Lender, Derivative Counterparty, participant or assignee that such Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) in accordance with the standard syndication processes of such Restricted Person or customary market standards for dissemination of such type of information, which shall in any event require "click through" or other affirmative actions on the part of recipient to access such Confidential Information and (ii) no such disclosure shall be made by any Restricted Person to whom a list of Disqualified Lenders has been made available to any person that is at such time a Disqualified Lender, (h) for purposes of establishing a "due diligence" defense, (i) to rating agencies in connection with obtaining ratings for the Borrower and the Credit Facilities to the extent such rating agencies are subject to customary confidentiality obligations of professional practice or agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16), (j) to any other party to this Agreement or (k) to any pledgee referred to in Section 13.6 hereof. Notwithstanding the foregoing, (i) Confidential Information shall not include, with respect to any Person, information available to it or its Affiliates on a non-confidential basis from a source other than Holdings, its Subsidiaries or its Affiliates, (ii) the Administrative Agent shall not be responsible for compliance with this Section 13.16 by any other Restricted Person (other than its officers, directors or employees), (iii) in no event shall any Lender, the Administrative Agent or any other Agent be obligated or required to return any materials furnished by Holdings or any of its Subsidiaries, and (iv) each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration, settlement and management of this Agreement and the other Credit Documents.

13.17 Direct Website Communications. Each of Holdings and the Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all

notices, requests, financial statements, financial, and other reports, certificates, and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto, (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) upon written request by the Administrative Agent or the Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of Holdings, the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at itse-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(a) Each of Holdings and the Borrower further agrees that any Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"), so long as the access to such Platform (i) is limited to the Agents, the Lenders and Transferees or prospective Transferees and (ii) remains subject to the confidentiality requirements set forth in Section 13.16.

(b) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY MATERIALS OR INFORMATION PROVIDED BY THE CREDIT PARTIES (THE "**BORROWER MATERIALS**") OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**" and each, an "**Agent Party**") have any liability to the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities, or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than any trustee or advisor)) gross negligence or willful misconduct as determined in the final non-appealable judgment of a court of competent jurisdiction.

(c) Each of Holdings and the Borrower and each Lender acknowledge that certain of the Lenders may be "public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to Holdings and the Borrower, the Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that Holdings or the Borrower has indicated contains only publicly available information with respect to Holdings or the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If Holdings or the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to Holdings, the Borrower, the Subsidiaries and their securities. Notwithstanding the foregoing, each of Holdings and the Borrower shall use commercially reasonable efforts to indicate whether any document or notice contains only publicly available information; provided, however, that the following documents shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains material nonpublic information: (1) the Credit Documents, (2) any notification of changes in the terms of the Credit Facility and (3) all financial statements and certificates delivered pursuant to Sections 9.1(a), (b) and (d).

13.18 USA PATRIOT Act. Each Lender hereby notifies each Credit Party that, pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**"), it is required to obtain, verify, and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act, including the Beneficial Ownership Regulation.

13.19 [Reserved].

13.20 Payments Set Aside. To the extent that any payment by or on behalf of Holdings or the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver, or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable Federal Funds Effective Rate from time to time in effect.

13.21 No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Credit Parties, their equity holders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its equity holders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender

has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its equity holders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its equity holders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, equity holders or creditors. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

13.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties to any Credit Document, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(ii) a reduction in full or in part or cancellation of any such liability

(iii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iv) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

TECHNICAL AMENDMENT (this "**Amendment**"), dated as of May 17, 2019, to the Second Lien Credit Agreement dated as of March 5, 2019 (the "**Credit Agreement**", terms not otherwise defined in this Amendment shall have the meanings assigned to such terms in the Credit Agreement), among PHOENIX INTERMEDIATE HOLDINGS INC. ("**Holdings**"), PHOENIX GUARANTOR INC. W I T N E S S E T H:

WHEREAS, Section 13.1 of the Credit Agreement permits the Credit Agreement to be modified from time to time by the Borrower and the Administrative Agent to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) or (y) effect administrative changes of a technical or immaterial nature, and such amendment shall be deemed approved by the Lenders if the Lenders shall have received at least five Business Days' prior written notice of such change and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment.

NOW THEREFORE, in consideration of the premises and mutual covenants contained herein, the undersigned hereby agree as follows:

I. Modification to the Credit Agreement. Section 1.1 of the Credit Agreement is hereby modified by deleting clause (xvii) of the defined term for "Consolidated Net Income".

II. Effectiveness of Amendment. This Amendment shall become effective as of the date upon which the following conditions are satisfied, (i) receipt by the Administrative Agent of a duly executed counterpart to this Amendment from the Borrower and (ii) execution by the Administrative Agent of this Amendment (it being understood that the Administrative Agent shall only execute this Amendment if the Lenders shall have received at least five Business Days' prior written notice thereof and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to this Amendment).

III. Governing Law. This Amendment and the rights and obligations of the parties hereto shall be governed by, and construed and interpreted in accordance with, the laws of the State of New York.

Exhibit 10.13

AMENDMENT No. 1, dated as of April 15, 2020 (this "Amendment"), to Second Lien Credit Agreement, dated as of March 5, 2019 (as amended by the Technical Amendment, dated May 13, 2019, and as otherwise may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Phoenix Intermediate Holdings Inc., a Delaware corporation ("Holdings"), Phoenix Guarantor Inc. (the "Borrower"), the several lenders from time to time parties thereto and Wilmington Trust, National Association, as the Administrative Agent and the Collateral Agent (capitalized terms used but not defined herein having the meaning provided in the Credit Agreement or the Amended Credit Agreement (as defined below), as applicable).

WHEREAS, Holdings and the Borrower (each a "Credit Party" and, together, the "Credit Parties") have requested that the Credit Agreement be amended as set forth herein;

WHEREAS, Lenders constituting the Required Lenders are willing to agree to this Amendment on the terms set forth herein;

NOW, THEREFORE, in consideration of the premises and covenants contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound hereby, agree as follows:

Section 1. **Amendments**. The Credit Agreement is hereby amended effective as of the first Business Day on which all conditions precedent set forth in Section 3 of this Amendment are satisfied (the "Amendment No. 1 Effective Date") as follows:

Each of the parties hereto agrees that, effective on the Amendment No. 1 Effective Date, the Credit Agreement shall be amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the Credit Agreement attached as Exhibit A hereto (the "Amended Credit Agreement").

Section 2. **Representations and Warranties**. The Credit Parties represent and warrant to the Lenders and the Administrative Agent as of the Amendment No. 1 Effective Date that:

(a) Each Credit Party has taken all necessary organizational action to authorize the execution and delivery of this Amendment and the performance of the obligations by each Credit Party under this Amendment and under the Amended Credit Agreement.

(b) Each Credit Party has duly executed and delivered this Amendment and this Amendment constitutes the legal, valid and binding obligation of such Credit Party enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity.

(c) The execution, delivery and performance by each Credit Party of this Amendment and the performance of the obligations by each Credit Party under the Amended Credit Agreement will not (a) contravene any applicable provision of any material law, statute, rule, regulation, order, writ, injunction or decree of any court or governmental instrumentality, (b) result in any breach of any of the terms, covenants, conditions or provisions of, or constitute a default under, or result in the creation or imposition of (or the obligation to create or impose) any Lien upon any of the property or assets of any Credit Party or any of the Restricted Subsidiaries (other than Liens created under the Credit Documents) pursuant to, the terms of any material indenture, loan agreement, lease agreement, mortgage, deed of trust, agreement or other material instrument to which such Credit Party or any of the Restricted Subsidiaries is a party or by which it or any of its property or assets is bound other than any such breach, default or Lien that could not reasonably be expected to result in a Material Adverse Effect or (c) violate any provision of the certificate of incorporation, by-laws or other organizational documents of such Credit Party or any of the Restricted Subsidiaries.

(d) Before and after giving effect to this Amendment, the representations and warranties made by any Credit Party contained in the Credit Agreement and in the other Credit Documents are true and correct in all material respects (or if qualified by "materiality," "material adverse effect" or similar language, in all respects (after giving effect to such qualification)) with the same effect as though such representations and warranties had been made on and as of the Amendment No. 1 Effective Date, except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (or if qualified by "materiality," "material adverse effect" or similar language, in all respects (after giving effect to such qualification)) as of such earlier date.

(e) At the time of and after giving effect to this Amendment, no Default or Event of Default has occurred and is continuing.

Section 3. **Conditions to Effectiveness of Amendment**. This Amendment shall become effective on the first Business Day on which each of the following conditions is satisfied:

WHEREAS, in accordance with Section 1.13 of the Existing Credit Agreement, (a) (i) the Borrower has notified the Administrative Agent that the Borrower has determined that syndicated loans are currently being executed, or that include language similar to that contained in Section 1.13 of the Existing Credit Agreement, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace LIBOR, and (ii) the Administrative Agent and the Borrower have jointly elected to replace LIBOR with a Successor LIBOR Rate, (b) in connection with the implementation of such Successor LIBOR Rate, the Administrative Agent and the Borrower are entering into this Amendment to reflect such Successor LIBOR Rate and other necessary or appropriate related changes without any further action or consent of any other party to the Existing Credit Agreement and (c) following the posting of this Amendment to all Lenders, as applicable, this Amendment, which establishes the Successor LIBOR Rate as Term SOFR, shall become effective unless, prior as of 5:00 p.m. on the fifth Business Day after such posting, the Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that the Required Lenders do not accept this Amendment;

WHEREAS, in accordance with Section 1.13 of the Existing Credit Agreement, this Amendment will become effective on the Amendment No. 2 Effective Date so long as the Administrative Agent has not received, by 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date that the draft of this Amendment was provided to the Lenders (it being understood that the posting of the draft of this Amendment to the Platform constitutes such notice and such date is June 22, 2023), written notice of objection to such proposed Amendment from Lenders comprising the Required Lenders; and

WHEREAS, pursuant to and in accordance with the terms and conditions set forth in this Amendment, the Existing Credit Agreement and the Amended Credit Agreement, each Required Lender and Credit Party authorizes, instructs and directs the Administrative Agent and the Collateral Agent to execute and deliver this Amendment.

NOW, THEREFORE, in consideration of the premises and the mutual covenants herein contained, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, it is agreed as follows:

SECTION 1 DEFINED TERMS.

1.1 Unless otherwise defined herein, terms defined in the Amended Credit Agreement and used herein shall have the meanings given to them in the Amended Credit Agreement.

SECTION 2 AMENDMENTS TO THE EXISTING CREDIT AGREEMENT.

2.1 The Existing Credit Agreement is hereby amended to (i) delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) (ii) add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) and (iii) move the green stricken text (indicated textually in the same manner as the following example: ~~stricken green text~~) to where shown in green double-underlined text (indicated textually in the same manner as the following example: green double underlined text), in each case, as set forth in Exhibit A attached hereto and, pursuant to and in accordance with the terms and conditions set forth in this Amendment, the Existing Credit Agreement and the Amended Credit Agreement.

2.2 Exhibits A and J to the Existing Credit Agreement are hereby amended by replacing all the references to "LIBOR" with "Term SOFR".

2.3 Each party hereto agrees that, by executing this Amendment, such party intends to amend the Existing Credit Agreement to remove any option for interest on Loans, as applicable, to accrue at a rate based upon the London Interbank Offered Rate ("LIBOR") and, in place thereof, to add the option for interest on such Loans to accrue at a rate based upon Term SOFR, as more fully set forth in this Amendment.

2.4 Notwithstanding anything set forth in the Existing Credit Agreement or the Amended Credit Agreement, in lieu of the Borrower delivering a notice or taking any other action prescribed thereby, the Borrower and the Administrative Agent agree that, as of the Amendment No. 2 Effective Date, all Loans outstanding on the Amendment No. 2 Effective Date immediately prior to giving effect to this Amendment shall be Loans bearing interest based upon Term SOFR with a one month Interest Period, in each case, until such time as otherwise provided by the Amended Credit Agreement. The parties hereto agree that the Borrower shall not be responsible for any prepayment or breakage fees in connection with the transition from LIBOR to Term SOFR as contemplated by the immediately preceding Section 2.3 and this Section 2.4.

SECTION 3 REPRESENTATIONS AND WARRANTIES. The Credit Parties hereby represent and warrant that this Amendment has been duly authorized, executed and delivered by each Credit Party and constitutes the legal, valid and binding obligations of each Credit Party enforceable against it in accordance with its terms, except as the enforceability hereof may be limited by bankruptcy, insolvency or similar laws affecting creditors' rights generally and subject to general principles of equity.

SECTION 4 CREDIT PARTY CERTIFICATIONS. By their execution and delivery of this Amendment, the Borrower and each of the undersigned officers of the Borrower hereby certifies, represents and warrants that:

4.1 no Default or Event of Default has occurred and is continuing before or after giving effect to this Amendment; and

4.2 all representations and warranties made by any Credit Party contained in this Amendment, the Amended Credit Agreement or in the other Credit Documents are true and correct in all material respects (*provided* that any such representations and warranties which are qualified by materiality, material adverse effect or similar language shall be true and correct in all respects) with the same effect as though such representations and warranties had been made on and as of the Amendment No. 2 Effective Date (except where such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects (*provided* that any such representations and warranties which are qualified by materiality, material adverse effect or similar language shall be true and correct in all respects) as of such earlier date).

SECTION 5 AMENDMENT NO. 2 EFFECTIVE DATE CONDITIONS. This Amendment shall become effective as of the first date (the "Amendment No. 2 Effective Date") on which (i) the Administrative Agent shall have received from Holdings and the Borrower a signed counterpart of this Amendment and (ii) the Borrower shall have paid all fees and expenses (including fees, charges and disbursements of counsel) that are due and payable on or before the Amendment No. 2 Effective Date.

The Credit Agreement, as specifically amended by this Amendment, and each of the other Credit Documents are and shall continue to be in full force and effect and are hereby in all respects ratified and confirmed. This Amendment constitutes a Credit Document.

6.4 Severability. Any term or provision of this Amendment which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Amendment or affecting the validity or enforceability of any of the terms or provisions of this Amendment in any other jurisdiction. If any provision of this Amendment is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as would be enforceable.

6.5 Counterparts. This Amendment may be executed in counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same agreement. Any signature to this Amendment may be delivered by facsimile, electronic mail (including pdf) or as any electronic signature complying with the U.S. federal ESIGN Act of 2000 or the New York Electronic Signature and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act or other transmission method and any counterpart so delivered shall be deemed to have been duly and validly delivered and electronic signatures or the keeping of records in electronic form shall be valid and effective for all purposes to the fullest extent permitted by applicable law. For the avoidance of doubt, the foregoing also applies to any amendment, extension or renewal of this Amendment. Each of the parties hereto hereby represents and warrants to the other parties hereto that it has the corporate capacity and authority to execute this Amendment through electronic means and there are no restrictions for doing so in such party's constitutive documents, including having the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system.

6.6 GOVERNING LAW; SUBMISSION TO JURISDICTION. THIS AMENDMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK. Pricing Level	Consolidated Senior Secured Debt to Consolidated EBITDA Ratio	ABR Rate Initial Term Loans	Adjusted ~~LIBOR~~ SOFR Rate Initial Term Loans
I	> 5.15:1.00	7.50%	8.50%
II	≤ 5.15:1.00	7.25%	8.25%

Consolidated Senior Secured Debt to Consolidated EBITDA Ratio shall be deemed to be in Pricing Level I for the purposes of determining the Applicable Margin (but only for so long as such failure continues, after which such ratio and Pricing Level and shall be determined based on the then existing Consolidated Senior Secured Debt to Consolidated EBITDA Ratio).

"**Applicable Premium**" means with respect to any Initial Term Loan on any Prepayment Date, the greater of:

Calculation of the Applicable Premium will be made by the Borrower or on behalf of the Borrower by such Person as the Borrower shall designate (and the amount of the Applicable Premium shall be provided by the Borrower to the Administrative Agent promptly following the calculation thereof); provided that such calculation or the correctness thereof shall not be a duty or obligation of the Administrative Agent.

If, since the beginning of such period, any Person (that subsequently became a Restricted Subsidiary or was merged with or into the Borrower or any Restricted Subsidiary since the beginning of such period) shall have made any Investment, acquisition, disposition, merger, consolidation, or disposed operation that would have required adjustment pursuant to this definition, then the Fixed Charge Coverage

Ratio, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio and Consolidated Total Debt to Consolidated EBITDA Ratio shall be calculated giving Pro Forma Effect thereto for such Test Period as if such Investment, acquisition, disposition, merger, consolidation, or disposed operation had occurred at the beginning of the Test Period. (b) Whenever Pro Forma Effect is to be given to a transaction, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Borrower (and may include, for the avoidance of doubt and without duplication, cost savings, operating expense enhancements and operating expense reductions resulting from such Investment, acquisition, merger, or consolidation which is being given Pro Forma Effect that have been or are expected to be realized; provided that such costs savings, operating expense enhancements and operating expense reductions are made in compliance with the definition of Pro Forma Adjustment). If any Indebtedness bears a floating rate of interest and is being given Pro Forma Effect, the interest on such Indebtedness shall be calculated as if the rate in effect on the date of determination had been the applicable rate for the entire period (taking into account for such entire period, any Hedging Obligation applicable to such Indebtedness with a remaining term of 12 months or longer, and in the case of any Hedging Obligation applicable to such Indebtedness with a remaining term of less than 12 months, taking into account such Hedging Obligation to the extent of its remaining term). Interest on a Capitalized Lease Obligation shall be deemed to accrue at an interest rate reasonably determined by a responsible financial or accounting officer of the Borrower to be the rate of interest implicit in such Capitalized Lease Obligation in accordance with GAAP. For purposes of making the computation referred to above, interest on any Indebtedness under a revolving credit facility computed on a Pro Forma Basis shall be computed based upon the average daily balance of such Indebtedness during the applicable period (or, if lower, the greater of (i) maximum commitments under such revolving credit facilities as of the date of determination and (ii) the aggregate principal amount of loans outstanding under such a revolving credit facilities on such date). Interest on Indebtedness that may optionally be determined at an interest rate based upon a factor of a prime or similar rate, a eurocurrency interbank offered rate, or other rate, shall be deemed to have been based upon the rate actually chosen, or, if none, then based upon such optional rate chosen as the Borrower may designate. For the avoidance of doubt, in connection with the incurrence of any Indebtedness under Section 2.14, the definitions of Required Lenders shall be calculated on a Pro Forma Basis in accordance with this Section 1.12, Section 2.14 and the definition of Maximum Incremental Facilities Amount.

In connection with any action being taken solely in connection with a Limited Condition Transaction, for purposes of:

(ii) determining the accuracy of representations and warranties in Section 8 and/or whether a Default or Event of Default shall have occurred and be continuing under Section 11; or

(iii) testing availability under baskets set forth in the Credit Documents (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets);

in each case, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "**LCT Election**") (it being understood and agreed that the Borrower may elect to revoke any LCT Election in its sole discretion), the date of determination of whether any such action is permitted hereunder, shall be deemed to be the date the definitive agreements for such Limited Condition Transaction are entered into (the "**LCT Test Date**"), and if, after giving Pro Forma Effect to the Limited Condition Transaction and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with. For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of any ratio or basket availability with respect to the incurrence of Indebtedness or Liens, or the making of Restricted Payments, mergers, the conveyance, lease or other transfer of all or substantially all of the assets of the Borrower, the prepayment, redemption, purchase, defeasance or other satisfaction of Indebtedness, or the designation of an Unrestricted Subsidiary on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement for such Limited Condition Transaction is terminated or expires without consummation of such Limited Condition Transaction, any such ratio or basket shall be calculated on a Pro Forma Basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness and the use of proceeds thereof) have been consummated until after such time as the Limited Condition Transaction has actually closed or the definitive agreement with respect thereto has been terminated or expires.

(c) Notwithstanding anything to the contrary in this Section 1.12 or in any classification under GAAP of any Person, business, assets or operations in respect of which a definitive agreement for the disposition thereof has been entered into as discontinued operations, no Pro Forma Effect shall be given to any discontinued operations (and the Consolidated EBITDA attributable to any such Person, business, assets or operations shall not be excluded for any purposes hereunder) until such disposition shall have been consummated.

(d) Any determination of Consolidated Total Assets shall be made by reference to the last day of the Test Period most recently ended on or prior to the relevant date of determination.

(e) Except as otherwise specifically provided herein, all computations of Excess Cash Flow, Consolidated Total Assets, Available Amount, Consolidated Senior Secured Debt to Consolidated EBITDA Ratio, Consolidated Total Debt to Consolidated EBITDA Ratio, the Fixed Charge Coverage Ratio and other financial ratios and financial calculations (and all definitions (including accounting terms) used in determining any of the foregoing) shall be calculated, in each case, with respect to the Borrower and the Restricted Subsidiaries on a consolidated basis.

(f) All leases of any Person that are or would be characterized as operating leases in accordance with GAAP immediately prior to December 31, 2017 (whether or not such operating leases were in effect on such date) shall continue to be accounted for as operating leases (and not as Capital Leases) for purposes of this Agreement regardless of any change in GAAP following the date that would otherwise require such leases to be recharacterized as Capital Leases.

1.13 ~~LIBOR Rate Successor~~Inability to Determine Rates and Benchmark Replacement Setting.

(a) Subject to Section 1.13(b), if, on or prior to the first day of any Interest Period for any SOFR Loan:

(i) the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof, or

(ii) the Required Lenders determine that for any reason in connection with any request for a SOFR Loan or a conversion thereto or a continuation thereof that Term SOFR for any requested Interest Period with respect to a proposed SOFR Loan does not adequately and fairly reflect the cost to such Lenders of making and maintaining such Loan, and the Required Lenders have provided notice of such determination to the Administrative Agent, the Administrative Agent will promptly so notify the Borrower and each Lender.

Upon notice thereof by the Administrative Agent to the Borrower, any obligation of the Lenders to make SOFR Loans, and any right of the Borrower to continue SOFR Loans or to convert ABR Loans to SOFR Loans, shall be suspended (to the extent of the affected SOFR Loans or affected Interest Periods) until the Administrative Agent (with respect to clause (ii), at the instruction of the Required Lenders) revokes such notice. Upon receipt of such notice, (i) the Borrower may revoke any pending request for a borrowing of, conversion to or continuation of SOFR Loans (to the extent of the affected SOFR Loans or affected Interest Periods) or, failing that, the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans in the amount specified therein and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. Upon any such conversion, the Borrower shall also pay accrued interest on the amount so converted, together with any additional amounts required pursuant to Section 2.11. Subject to Section 2.18(b), if the Administrative Agent determines (which determination shall be conclusive and binding absent manifest error) that "Term SOFR" cannot be determined pursuant to the definition thereof on any given day, the interest rate on ABR Loans shall be determined by the Administrative Agent without reference to clause (iii) of the definition of "ABR" until the Administrative Agent revokes such determination.

(b) Benchmark Replacement Setting.

~~.~~ (i) Notwithstanding anything to the contrary ~~in this Agreement or any other Credit Documents, if at any time (i) the Administrative Agent (at the direction of the Required Lenders), in consultation with the Borrower, determines in good faith (which determination shall be conclusive absent manifest error) or (ii) the Borrower or Required Lenders notify the Administrative Agent in writing (with, in the case of the Required Lenders, a copy to Borrower) that the Borrower or Required Lenders (as applicable) have determined that a LIBOR Discontinuance Event has occurred, then, at or promptly after the LIBOR Discontinuance Event Time, the Administrative Agent and Borrower shall endeavor to establish an alternate benchmark~~

~~rate to replace LIBOR under this Agreement, together with any spread or adjustment to be applied to such alternate benchmark rate to account for the effects of transition from LIBOR to such alternate benchmark rate, giving due consideration to the then prevailing market convention for determining a rate of interest (including the application of a spread and the making of other appropriate adjustments to such alternate benchmark rate and this Agreement to account for the effects of transition from LIBOR to such replacement benchmark, including any changes necessary to reflect the available interest periods and timing for determining such alternate benchmark rate) for syndicated leveraged loans of this type in the United States at such time and any recommendations (if any) therefor by a Relevant Governmental Sponsor, provided that any such alternate benchmark rate and adjustments shall be required to be commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion) (any such rate, the "**Successor LIBOR Rate**").~~herein or in any other Credit Document, if a Benchmark Transition Event and its related Benchmark Replacement Date have occurred prior to any setting of the then-current Benchmark, then (x) if a Benchmark Replacement is determined in accordance with clause (1) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of such Benchmark setting and subsequent Benchmark settings without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document and (y) if a Benchmark Replacement is determined in accordance with clause (2) of the definition of "Benchmark Replacement" for such Benchmark Replacement Date, such Benchmark Replacement will replace such Benchmark for all purposes hereunder and under any Credit Document in respect of any Benchmark setting at or after 5:00 p.m. (New York City time) on the fifth (5th) Business Day after the date notice of such Benchmark Replacement is provided to the Lenders and Borrower without any amendment to, or further action or consent of any other party to, this Agreement or any other Credit Document so long as the Administrative Agent has not received, by such time, written notice of objection to such Benchmark Replacement from Lenders comprising the Required Lenders. If the Benchmark Replacement is Daily Simple SOFR, all interest payments will be payable on a monthly basis.

~~After such determination that a LIBOR Discontinuance Event has occurred, promptly following the LIBOR Discontinuance Event Time, the Administrative Agent and the Borrower shall enter into an amendment to this Agreement to reflect such Successor LIBOR Rate and such other related changes to this Agreement as may be necessary or appropriate, as the Administrative Agent (at the direction of the Required Lenders), in consultation with the Borrower, may determine in good faith (which determination shall be conclusive absent manifest error), to implement and give effect to the Successor LIBOR Rate under this Agreement on the LIBOR Replacement Date and, notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective for each Class of Loans and Lenders without any further action or consent of any other party to this Agreement on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders do not accept such amendment; provided, that if a Successor LIBOR Rate has not been established pursuant to the foregoing, at the option of the Borrower, the Borrower and the Required Lenders may select a different Successor LIBOR Rate that is commercially practicable for the Administrative Agent to administer (as determined by the Administrative Agent in its sole discretion) and, upon not less than 15 Business Days' prior written notice to the Administrative Agent, the Administrative Agent, such Required Lenders and the Borrower shall enter into an amendment to this Agreement to reflect such Successor LIBOR Rate and such other related changes to this Agreement as may be applicable and, notwithstanding anything to the contrary in Section 13.1, such amendment shall become effective without any further action or consent of any other party to this Agreement; provided, further, that if no Successor LIBOR Rate has been determined pursuant to the foregoing and a Scheduled Unavailability Date (as defined~~

~~in the definition of "LIBOR Discontinuance Event") has occurred, the Administrative Agent will promptly so notify the Borrower and each Lender and thereafter, until such Successor LIBOR Rate has been determined pursuant to this paragraph, (i) any request for Borrowing, the conversion of any Borrowing to, or continuation of any Borrowing as, a Borrowing of LIBOR Loans shall be ineffective and (ii) all outstanding Borrowings shall be converted to an ABR Loan Borrowing until a Successor LIBOR Rate has been chosen pursuant to this paragraph. Notwithstanding anything else herein, any definition of Successor LIBOR Rate shall provide that in no event shall such Successor LIBOR Rate be less than 1.00% per annum for purposes of this Agreement.~~

No Hedge Agreement shall be deemed to be a "Credit Document" for purposes of this Section 1.13(a).

(ii) Benchmark Replacement Conforming Changes. In connection with the uses, implementation, adoption and administration of a Benchmark Replacement, the Administrative Agent (at the direction of the Required Lenders) will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document (other than as provided in the definition of Conforming Changes).

(iii) Notices; Standards for Decisions and Determinations. The Administrative Agent will promptly notify the Borrower and the Lenders of (i) the commencement of any Benchmark Unavailability Period, (ii) the implementation of any Benchmark Replacement, (iii) the effectiveness of any Conforming Changes, (iv) the removal or reinstatement of any tenor of a Benchmark pursuant to clause (iv) below. Any determination, decision or election that may be made by the Administrative Agent or, if applicable, any Lender (or group of Lenders) pursuant to this Section 1.13, including any determination with respect to a tenor, rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action or any selection, will be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party to this Agreement or any other Credit Document, except, in each case, as expressly required pursuant to this Section 1.13.

(iv) Unavailability of Tenor of Benchmark. Notwithstanding anything to the contrary herein or in any other Credit Document, at any time (including in connection with the implementation of a Benchmark Replacement), (i) if the then-current Benchmark is a term rate (including the Term SOFR Reference Rate) and either (A) any tenor for such Benchmark is not displayed on a screen or other information service that publishes such rate from time to time as selected by the Administrative Agent (at the direction of the Required Lenders) in their reasonable discretion or (B) the administrator of such benchmark or the regulatory supervisor for the administrator of such Benchmark has provided a public statement or publication of information announcing that any tenor for such Benchmark is not or will not be representative, then the Administrative Agent (at the direction of the Required Lenders) may modify the definition of "Interest Period" (or any similar or analogous definition) for any Benchmark settings at or after such time to remove such unavailable or non-representative tenor and (ii) if a tenor that was removed pursuant to clause (i) above either (A) is subsequently displayed on a screen or information service for a Benchmark (including a Benchmark Replacement) or (B) is not, or is no longer, subject to an announcement that it is not or will not be representative, then the Administrative Agent may modify the definition of "Interest Period" for all settings of such Benchmark at or after such time to reinstate such previously removed tenor.

(v) Benchmark Unavailability Period. Upon the Borrower's receipt of notice of the commencement of a Benchmark Unavailability Period, the Borrower may revoke any pending request for a SOFR Borrowing of, conversion to or continuation of SOFR Loans to be made, converted or continued during any Benchmark Unavailability Period and, failing that, (i) the Borrower will be deemed to have converted any such request into a request for a Borrowing of or conversion to ABR Loans and (ii) any outstanding affected SOFR Loans will be deemed to have been converted into ABR Loans at the end of the applicable Interest Period. During a Benchmark Unavailability Period or at any time that a tenor for the then-current Benchmark is not an Available Tenor, the component of ABR based upon the then-current Benchmark or such tenor for such Benchmark, as applicable, will not be used in any determination of ABR.

(vi) Tax Matters. To the extent administratively and operationally feasible, the Administrative Agent shall consider in good faith any reasonable requests by the Borrower in order to ensure that any Benchmark Replacement shall meet the standards set forth in Section 1.1001-6 of the United States Treasury Regulations (or any successor or final version of such regulation) so as not to be treated as a "modification" (and therefore an exchange) of this Agreement for purposes of Section 1.1001-3 of the United States Treasury Regulations, it being understood that for these purposes, the substantially equivalent fair market value requirement of Treasury Regulations 1.1001-6(b)(2) shall be deemed satisfied, and it being further understood that the Administrative Agent shall not be required to take any action under this provision that would cause it any commercially unreasonable burden as determined in good faith by the Administrative Agent.

1.14 Divisions . For all purposes under the Credit Documents, in connection with any division or plan of division under Delaware law (or any comparable event under a different jurisdiction's laws): (a) if any asset, right, obligation or liability of any Person becomes the asset, right, obligation or liability of a different Person, then it shall be deemed to have been transferred from the original Person to the subsequent Person, and (b) if any new Person comes into existence, such new Person shall be deemed to have been organized and acquired on the first date of its existence by the holders of its Equity Interests at such time.

Section 2. Amount and Terms of Credit.

2.1 Commitments.

Subject to and upon the terms and conditions herein set forth, each Lender having an Initial Term Loan Commitment severally agrees to make a loan or loans denominated in Dollars (each, an "**Initial Term Loan**") to the Borrower on the Closing Date, which Initial Term Loans shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender and in the aggregate shall not exceed $450,000,000. Such Term Loans (i) may at the option of the Borrower be incurred and maintained as, and/or converted into, ABR Loans or ~~LIBOR~~SOFR Loans; provided that all Term Loans made by each of the Lenders pursuant to the same Borrowing shall, unless otherwise specifically provided herein, consist entirely of Term Loans of the same Type, (ii) may be repaid or prepaid (without premium or penalty other than as set forth in Section 5.1(b)) in accordance with the provisions hereof, but once repaid or prepaid, may not be reborrowed, (iii) shall not exceed for any such Lender the Initial Term Loan Commitment of such Lender, and (iv) shall not exceed in the aggregate the Total Initial Term Loan Commitment. On the Initial Term Loan Maturity Date, all then unpaid Initial Term Loans shall be repaid in full in Dollars.

2.2 Minimum Amount of Each Borrowing; Maximum Number of Borrowings. The aggregate principal amount of each Borrowing of Loans shall be in a minimum amount of at least the Minimum Borrowing Amount for such Type of Loans and in a multiple of $100,000 in excess thereof. More than one Borrowing may be incurred on any date; provided that at no time shall there be outstanding more than three Borrowings of~~LIBOR~~SOFR Loans that are Term Loans; provided, further, that for each additional Class of Term Loans, an additional two Interest Periods shall be permitted.

2.3 Notice of Borrowing.

(a) The Borrower shall give the Administrative Agent at the Administrative Agent's Office prior to 12:00 p.m. (New York City time) or as otherwise agreed by the Required Lenders at least three U.S. Government Securities Business Days' prior written notice in the case of a Borrowing of Initial Term Loans to be made on the Closing Date. Such notice (a "**Notice of Borrowing**", each substantially in the form of Exhibit J) shall specify (A) the aggregate principal amount of the Term Loans to be made, (B) the date of the Borrowing (which shall be the Closing Date) and (C) whether the Term Loans shall consist of ABR Loans and/or ~~LIBOR~~SOFR Loans and, if the Term Loans are to include ~~LIBOR~~SOFR Loans, the Interest Period to be initially applicable thereto. If no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Borrowing of ~~LIBOR~~SOFR Loans is specified in any such notice, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Other than in connection with a Borrowing of Initial Term Loans to be made on the Closing Date, the Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.3(a) (and the contents thereof), and of each Lender's pro rata share of the requested Borrowing.

(b) [Reserved].

2.4 Disbursement of Funds.

(a) No later than 2:00 p.m. (New York City time) on the date specified in each Notice of Borrowing, each Lender shall make available its pro rata portion, if any, of each Borrowing requested to be made on such date in the manner provided below; provided that on the Closing Date, such funds may be made available at such earlier time as may be agreed among the Lenders, the Borrower, and the Administrative Agent for the purpose of consummating the Transactions.

(b) Each Lender shall make available all amounts it is to fund to the Borrower under any Borrowing for its applicable Commitments, and in immediately available funds, to the Administrative Agent at the Administrative Agent's Office and the Administrative Agent will make available to the Borrower, by depositing to an account designated by the Borrower to the Administrative Agent the aggregate of the amounts so made available in Dollars. Unless the Administrative Agent shall have been notified by any Lender prior to the date of any such Borrowing that such Lender does not intend to make available to the Administrative Agent its portion of the Borrowing or Borrowings to be made on such date, the Administrative Agent may assume that such Lender has made such amount available to the Administrative Agent on such date of Borrowing, and the Administrative Agent, in reliance upon such assumption, may (in its sole discretion and without any obligation to do so) make available to the Borrower a corresponding amount. If such corresponding amount is not in fact made available to the Administrative Agent by such Lender and the Administrative Agent has made available such amount to the Borrower, the Administrative Agent shall be entitled to recover such corresponding amount from such Lender. If such Lender does not pay such corresponding amount forthwith upon the Administrative Agent's demand therefor the Administrative Agent shall promptly notify the Borrower and the Borrower shall immediately pay such corresponding amount to the Administrative Agent in Dollars. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount in respect of each day from the date such corresponding amount was made available by the Administrative Agent to the Borrower to the date such corresponding amount is recovered by the Administrative Agent, at a rate per annum equal to (i) if paid by such Lender, the ~~Federal Funds Effective~~Overnight Rate or (ii) if paid by the Borrower, the then-applicable rate of interest or fees, calculated in accordance with Section 2.8, for the respective Loans.

(c) Nothing in this Section 2.4 shall be deemed to relieve any Lender from its obligation to fulfill its commitments hereunder or to prejudice any rights that the Borrower may have against any Lender as a result of any default by such Lender hereunder (it being understood, however, that no Lender shall be responsible for the failure of any other Lender to fulfill its commitments hereunder).

2.5 Repayment of Loans; Evidence of Debt

(a) The Borrower shall repay to the Administrative Agent, for the benefit of the Initial Term Loan Lenders, on the Initial Term Loan Maturity Date, the then outstanding Initial Term Loans.

(b) [Reserved].

(c) In the event that any New Term Loans are made, such New Term Loans shall, subject toSection 2.14(d), be repaid by the Borrower in the amounts and on the date set forth in the applicable Joinder Agreement and subject to any adjustment to ensure fungibility with the other Term Loans. In the event that any Extended Term Loans are established, such Extended Term Loans shall, subject to Section 2.14(g), be repaid by the Borrower in the amounts and on the dates set forth in the applicable Extension Amendment.

(d) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the Indebtedness of the Borrower to the appropriate lending office of such Lender resulting from each Loan made by such lending office of such Lender from time to time, including the amounts of principal and interest payable and paid to such lending office of such Lender from time to time under this Agreement.

(e) The Administrative Agent shall maintain the Register pursuant toSection 13.6(b), and a subaccount for each Lender, in which Register and subaccounts (taken together) shall be recorded (i) the amount of each Loan made hereunder, whether such Loan is an Initial Term Loan or New Term Loan, Loan, the Type of each Loan made, the names of the Borrower and the Interest Period, if any, applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from the Borrower and each Lender's share thereof.

(f) The entries made in the Register and accounts and subaccounts maintained pursuant toclauses (d) and (e) of this Section 2.5 shall, to the extent permitted by applicable law, be prima facie evidence of the existence and amounts of the obligations of the Borrower therein recorded; provided, however, that, in the event of any inconsistency between the Register and any such account or subaccount, the Register shall govern; provided, further, that the failure of any Lender or the Administrative Agent to maintain such account, such Register or subaccount, as applicable, or any error therein, shall not in any manner affect the obligation of the Borrower to repay (with applicable interest) the Loans made to the Borrower by such Lender in accordance with the terms of this Agreement.

(g) The Borrower hereby agrees that, upon request of any Lender at any time and from time to time after the Borrower has made an initial borrowing hereunder, the Borrower shall provide to such Lender, at the Borrower's own expense, a promissory note, substantially in the form of Exhibit G, evidencing the Initial Term Loans and/or New Term Loans owing to such Lender. Thereafter, unless otherwise agreed to by the applicable Lender, the Loans evidenced by such promissory note and interest thereon shall at all times (including after assignment pursuant to Section 13.6) be represented by one or more promissory notes in such form payable to such payee, to such payee and its registered assigns.

2.6 Conversions and Continuations.

(a) Subject to the penultimate sentence of this clause (a), (x) the Borrower shall have the option on any Business Day to convert all or a portion equal to at least $5,000,000 of the outstanding principal amount of Term Loans of one Type into a Borrowing or Borrowings of another Type and (y) the Borrower shall have the option on any Business Day to continue the outstanding principal amount of any ~~LIBOR~~SOFR Loans as ~~LIBOR~~SOFR Loans for an additional Interest Period; provided that (i) no partial conversion of ~~LIBOR~~SOFR Loans shall reduce the outstanding principal amount of ~~LIBOR~~SOFR Loans made pursuant to a single Borrowing to less than the Minimum Borrowing Amount, (ii) ABR Loans may not be converted into ~~LIBOR~~SOFR Loans if an Event of Default is in existence on the date of the conversion and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such conversion, (iii) ~~LIBOR~~SOFR Loans may not be continued as ~~LIBOR~~SOFR Loans for an additional Interest Period if an Event of Default is in existence on the date of the proposed continuation and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, and (iv) Borrowings resulting from conversions pursuant to this Section 2.6 shall be limited in number as provided in Section 2.2. Each such conversion or continuation shall be effected by the Borrower by giving the Administrative Agent prior written notice at the Administrative Agent's Office prior to 12:00 noon (New York City time) at least (i) three U.S. Government Securities Business Days prior, in the case of a continuation of or conversion to ~~LIBOR~~SOFR Loans (other than in the case of a notice delivered on the Closing Date, which shall be deemed to be effective on the Closing Date), or (ii) ~~12:00 noon~~12:00 p.m. (New York City time) one Business Day prior to a conversion into ABR Loans (each, a "**Notice of Conversion or Continuation**" substantially in the form of Exhibit J) specifying the Loans to be so converted or continued, the Type of Loans to be converted or continued into and, if such Loans are to be converted into or continued as ~~LIBOR~~SOFR Loans, the Interest Period to be initially applicable thereto. If no Interest Period is specified in any such notice with respect to any conversion to or continuation as a ~~LIBOR~~SOFR Loan, the Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall give each applicable Lender notice as promptly as practicable of any such proposed conversion or continuation affecting any of its Loans.

(b) If any Event of Default is in existence at the time of any proposed continuation of any ~~LIBOR~~SOFR Loans denominated in Dollars and the Administrative Agent has or the Required Lenders have determined in its or their sole discretion not to permit such continuation, such ~~LIBOR~~SOFR Loans shall be automatically converted on the last day of the current Interest Period into ABR Loans. If upon the expiration of any Interest Period in respect of ~~LIBOR~~SOFR Loans, the Borrower has failed to elect a new Interest Period to be applicable thereto as provided in clause (a), the Borrower shall be deemed to have elected to convert such Borrowing of ~~LIBOR~~SOFR Loans into a Borrowing of ABR Loans, effective as of the expiration date of such current Interest Period.

2.7 Pro Rata Borrowings. Each Borrowing of Initial Term Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable Initial Term Loan Commitments. Each Borrowing of New Term Loans under this Agreement shall be made by the Lenders *pro rata* on the basis of their then-applicable New Term Loan Commitments. It is understood that (a) no Lender shall be responsible for any default by any other Lender in its obligation to make Loans hereunder and that each Lender severally but not jointly shall be obligated to make the Loans provided to be made by it hereunder, regardless of the failure of any other Lender to fulfill its commitments hereunder and (b) failure by a Lender to perform any of its obligations under any of the Credit Documents shall not release any Person from performance of its obligation, under any Credit Document.

2.8 Interest.

(a) The unpaid principal amount of each ABR Loan shall bear interest from the date of the Borrowing thereof until maturity (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for ABR Loans *plus* the ABR, in each case, in effect from time to time.

(b) The unpaid principal amount of each ~~LIBOR~~SOFR Loan shall bear interest from the date of the Borrowing thereof until maturity thereof (whether by acceleration or otherwise) at a rate per annum that shall at all times be the Applicable Margin for ~~LIBOR~~SOFR Loans *plus* the relevant Adjusted ~~LIBOR~~Term SOFR Rate.

(c) If an Event of Default has occurred and is continuing under Section 11.1 or Section 11.5 hereto, if all or a portion of (i) the principal amount of any Loan or (ii) any interest payable thereon or any other amount payable hereunder shall not be paid when due (whether at the stated maturity, by acceleration or otherwise), such overdue amount shall bear interest at a rate per annum (the "**Default Rate**") that is (x) in the case of overdue principal, the rate that would otherwise be applicable thereto *plus* 2.00% per annum or (y) in the case of any other overdue amount, including overdue interest, to the extent permitted by applicable law, the rate described in Section 2.8(a) for the applicable Class *plus* 2.00% per annum from the date of such non-payment to the date on which such amount is paid in full (after as well as before judgment).

(d) Interest on each Loan shall accrue from and including the date of any Borrowing to but excluding the date of any repayment thereof and shall be payable in Dollars; provided that any Loan that is repaid on the same date on which it is made shall bear interest for one day. Except as provided below, interest shall be payable (i) in respect of each ABR Loan, quarterly in arrears on the last Business Day of each fiscal quarter of the Borrower (provided that in the event of any repayment or prepayment of any Loan, accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment), (ii) in respect of each ~~LIBOR~~SOFR Loan, on the last day of each Interest Period applicable thereto and, in the case of an Interest Period in excess of three months, on each date occurring at three-month intervals after the first day of such Interest Period, and (iii) in respect of each Loan, (A) on any prepayment in respect thereof, (B) at maturity (whether by acceleration or otherwise), ~~and~~ (C) after such maturity, on demand, and (D) in the event of any conversion of any SOFR Borrowing prior to the end of the Interest Period therefor, on the effective date of such conversion.

(e) All computations of interest hereunder shall be made in accordance with Section 5.5.

(f) The Administrative Agent, upon determining the interest rate for any Borrowing of ~~LIBOR~~SOFR Loans, shall promptly notify the Borrower and the relevant Lenders thereof. Each such determination shall, absent clearly demonstrable error, be final and conclusive and binding on all parties hereto.

(g) In connection with the use or administration of Term SOFR, the Administrative Agent (at the direction of the Required Lenders) will have the right to make Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Credit Document, any amendments implementing such Conforming Changes will become effective without any further action or consent of any other party to this Agreement or any other Credit Document. The Administrative Agent will promptly notify the Borrowers and the Lenders of the effectiveness of any Conforming Changes in connection with the use or administration of Term SOFR.

2.9 Interest Periods. At the time the Borrower gives a Notice of Borrowing or Notice of Conversion or Continuation in respect of the making of, or conversion into or continuation as, a Borrowing of ~~LIBOR~~SOFR Loans in accordance with Section 2.6(a), the Borrower shall give the Administrative Agent written notice of the Interest Period applicable to such Borrowing, which Interest Period shall, at the option of the Borrower, be a one, two, three or six month period (or if approved by all the Lenders making such ~~LIBOR~~SOFR Loans as determined by such Lenders in good faith based on prevailing market conditions, a 12 month or shorter period).

Notwithstanding anything to the contrary contained above:

(a) the initial Interest Period for any Borrowing of ~~LIBOR~~SOFR Loans shall commence on the date of such Borrowing (including the date of any conversion from a Borrowing of ABR Loans) and each Interest Period occurring thereafter in respect of such Borrowing shall commence on the day on which the next preceding Interest Period expires;

(b) if any Interest Period relating to a Borrowing of ~~LIBOR~~SOFR Loans begins on the last Business Day of a calendar month or begins on a day for which there is no numerically corresponding day in the calendar month at the end of such Interest Period, such Interest Period shall end on the last Business Day of the calendar month at the end of such Interest Period;

(c) if any Interest Period would otherwise expire on a day that is not a Business Day, such Interest Period shall expire on the next succeeding Business Day; provided that if any Interest Period in respect of a ~~LIBOR~~SOFR Loan would otherwise expire on a day that is not a Business Day but is a day of the month after which no further Business Day occurs in such month, such Interest Period shall expire on the immediately preceding Business Day; and

(d) the Borrower shall not be entitled to elect any Interest Period in respect of any ~~LIBOR~~SOFR Loan if such Interest Period would extend beyond the Maturity Date of such Loan.

2.10 Increased Costs, Illegality, Etc.

(a) In the event that (x) in the case of clause (i) below, the Administrative Agent (at the direction of the Required Lenders) and (y) in the case of clauses (ii) through (iv) below, the Required Lenders shall have reasonably determined (which determination shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto):

(i) on any date for determining the Adjusted ~~LIBOR~~Term SOFR Rate for any Interest Period that (x) deposits in the principal amounts and currencies of the Loans comprising such ~~LIBOR~~SOFR Borrowing are not generally available in the relevant market or (y) by reason of any changes arising on or after the Closing Date affecting the applicable interbank ~~LIBOR~~ market, adequate and fair means do not exist for ascertaining the applicable interest rate on the basis provided for in the definition of Adjusted ~~LIBOR~~Term SOFR Rate; or

(ii) at any time, that such Lenders shall incur increased costs or reductions in the amounts received or receivable hereunder with respect to any ~~LIBOR~~SOFR Loans other than with respect to Taxes because of any Change in Law;

(iii) that, due to a Change in Law, which shall subject any such Lenders to any Tax (other than (1) Indemnified Taxes, (2) Excluded Taxes or (3) Other Taxes) on its loans, loan principal, letters of credits, commitments or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto; or

(iv) at any time, that the making or continuance of any ~~LIBOR~~SOFR Loan has become unlawful by compliance by such Lenders in good faith with any law, governmental rule, regulation, guideline or order (or would conflict with any such governmental rule, regulation, guideline or order not having the force of law even though the failure to comply therewith would not be unlawful), or has become impracticable as a result of a contingency occurring after the Closing Date that materially and adversely affects the applicable interbank ~~LIBOR~~ market;

(such Loans, "**Impacted Loans**"), then, and in any such event, such Required Lenders (or the Administrative Agent, in the case of clause (i) above) shall within a reasonable time thereafter give written notice to the Borrower and to the Administrative Agent of such determination (which notice the Administrative Agent shall promptly transmit to each of the other Lenders). Thereafter (x) in the case of clause (i) above, ~~LIBOR~~SOFR Loans shall no longer be available until such time as the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice by the Administrative Agent no longer exist (which notice the Administrative Agent agrees to give at such time when such circumstances no longer exist), and any Notice of Borrowing or Notice of Conversion or Continuation given by the Borrower with respect to ~~LIBOR~~SOFR Loans that have not yet been incurred shall be deemed rescinded by the Borrower, (y) in the case of clause (ii) above, the Borrower shall pay to such Lenders, promptly after receipt of written demand therefor such additional amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Required Lenders in their reasonable discretion shall determine) as shall be required to compensate such Lenders for such actual increased costs or reductions in amounts receivable hereunder (it being agreed that a written notice as to the additional amounts owed to such Lenders, showing in reasonable detail the basis for the calculation thereof, submitted to the Borrower by such Lenders shall, absent clearly demonstrable error, be final and conclusive and binding upon all parties hereto), and (z) in the case of subclauses (iii) and (iv) above, the Borrower shall take one of the actions specified in subclause (x) or (y), as applicable, of Section 2.10(b) promptly and, in any event, within the time period required by law.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in Section 2.10(a)(i)(x), the Administrative Agent (at the direction of the Required Lenders), in consultation with the Borrower and the other affected Lenders, may establish an alternative interest rate for the Impacted Loans (which rate shall not be negative), in which case, such alternative rate of interest shall apply with respect to the Impacted Loans until (1) the Administrative Agent revokes the notice delivered with respect to the Impacted Loans under clause (x) of the first sentence of the immediately preceding paragraph, (2) the affected Lenders notify the Administrative Agent and the Borrower that such alternative interest rate does not adequately and fairly reflect the cost to such Lenders of funding the Impacted Loans, or (3) any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for such Lender or its applicable lending office to make, maintain or fund Loans whose interest is determined by reference to such alternative rate of interest or to determine or charge interest rates based upon such rate or any Governmental Authority has imposed material restrictions on the authority of such Lender to do any of the foregoing and provides the Administrative Agent and the Borrower written notice thereof.

(b) At any time that any ~~LIBOR~~SOFR Loan is affected by the circumstances described in Section 2.10(a)(ii) ~~or~~, (iii) or (iv), the Borrower may (and in the case of a ~~LIBOR~~SOFR Loan affected pursuant to Section 2.10(a)(iii) or (iv) shall) either (x) if a Notice of Borrowing or Notice of Conversion or Continuation with respect to the affected ~~LIBOR~~SOFR Loan has been submitted pursuant to Section 2.3 but the affected ~~LIBOR~~SOFR Loan has not been funded or continued, cancel such requested Borrowing by giving the Administrative Agent written notice thereof on the same date that the Borrower was notified by Lenders pursuant to Section 2.10(a)(ii) ~~or~~, (iii) or (iv) or (y) if the affected ~~LIBOR~~SOFR Loan is then outstanding, upon at least three U.S. Government Securities Business Days' notice to the Administrative Agent, require the affected Lender to convert each such ~~LIBOR~~SOFR Loan into an ABR Loan; provided that if more than one Lender is affected at any time, then all affected Lenders must be treated in the same manner pursuant to this Section 2.10(b).

(c) If, after the Closing Date, any Change in Law relating to capital adequacy or liquidity of any Lender or compliance by any Lender or its parent with any Change in Law relating to capital adequacy or liquidity occurring after the Closing Date, has or would have the effect of reducing the actual rate of return on such Lender's or its parent's or its Affiliate's capital or assets as a consequence of such Lender's commitments or obligations hereunder to a level below that which such Lender or its parent or its Affiliate could have achieved but for such Change in Law (taking into consideration such Lender's or its parent's policies with respect to capital adequacy or liquidity), then from time to time, promptly after written demand by such Lender (with a copy to the Administrative Agent), the Borrower shall pay to such Lender such actual additional amount or amounts as will compensate such Lender or its parent for such actual reduction, it being understood and agreed, however, that a Lender shall not be entitled to such compensation as a result of such Lender's compliance with, or pursuant to any request or directive to comply with, any law, rule or regulation as in effect on the Closing Date or to the extent such Lender is not imposing such charges on, or requesting such compensation from, borrowers (similarly situated to the Borrower hereunder) under comparable syndicated credit facilities similar to the Credit Facilities. Each Lender, upon determining in good faith that any additional amounts will be payable pursuant to this Section 2.10(c), will give prompt written notice thereof to the Borrower, which notice shall set forth in reasonable detail the basis of the calculation of such additional amounts, although the failure to give any such notice shall not, subject to Section 2.13, release or diminish the Borrower's obligations to pay additional amounts pursuant to this Section 2.10(c) promptly following receipt of such notice.

(d) If the Administrative Agent shall have received notice from the Required Lenders that the Adjusted~~LIBOR~~Term SOFR Rate determined or to be determined for such Interest Period will not adequately and fairly reflect the cost to such Lenders (as certified by such Lenders) of making or maintaining its affected ~~LIBOR~~SOFR Loans during such Interest Period, the Administrative Agent shall give written notice thereof to the Borrower and the Lenders as soon as practicable thereafter (which notice shall include supporting calculations in reasonable detail as provided by the Required Lenders). If such notice is given, (i) any ~~LIBOR~~SOFR Loan requested to be made on the first day of such Interest Period shall be made an ABR Loan, (ii) any Loans that were to have been converted on the first day of such Interest Period to ~~LIBOR~~SOFR Loans shall be continued as an ABR Loan and (iii) any outstanding ~~LIBOR~~SOFR Loans shall be converted, on the first day of such Interest Period, to ABR Loans. Until such notice has been withdrawn by the Administrative Agent, no further ~~LIBOR~~SOFR Loans shall be made or continued as such, nor shall the Borrower have the right to convert ABR Loans to~~LIBOR~~SOFR Loans.

2.11 Compensation. If (a) any payment of principal of any~~LIBOR~~SOFR Loan is made by the Borrower to or for the account of a Lender other than on the last day of the Interest Period for such ~~LIBOR~~SOFR Loan as a result of a payment or conversion pursuant to Sections 2.5, 2.6, 2.10, 5.1, 5.2 or 13.7, as a result of acceleration of the maturity of the Loans pursuant to Section 11 or for any other reason, (b) any Borrowing of~~LIBOR~~SOFR Loans is not made as a result of a withdrawn Notice of Borrowing or a failure to satisfy borrowing conditions, (c) any ABR Loan is not converted into a ~~LIBOR~~SOFR Loan as a result of a withdrawn Notice of Conversion or Continuation, (d) any ~~LIBOR~~SOFR Loan is not continued as a ~~LIBOR~~SOFR Loan, as the case may be, as a result of a withdrawn Notice of Conversion or Continuation or (e) any prepayment of principal of any ~~LIBOR~~SOFR Loan is not made as a result of a withdrawn notice of prepayment pursuant to Sections 5.1 or 5.2, the Borrower shall, after receipt of a written request by such Lender, with a copy to the Administrative Agent (which request shall set forth in reasonable detail the basis for requesting such amount), promptly pay to such Lender any amounts required to compensate such Lender for any additional losses, costs or expenses that such Lender may reasonably

incur as a result of such payment, failure to convert, failure to continue or failure to prepay, including any loss, cost or expense (excluding loss of anticipated profits) actually incurred by reason of the liquidation or reemployment of deposits or other funds acquired by any Lender to fund or maintain such ~~LIBOR~~SOFR Loan. A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender as specified in this Section 2.11 and setting forth in reasonable detail the manner in which such amount or amounts were determined shall be delivered to the Borrower and shall be conclusive, absent manifest error. The obligations of the Borrower under this Section 2.11 shall survive the payment in full of the Loans and the termination of this Agreement.

2.12 Change of Lending Office. Each Lender agrees that, upon the occurrence of any event giving rise to the operation of Sections 2.10(a)(ii), 2.10(a)(iii), 2.10(b) or 5.4 with respect to such Lender, it will, if requested by the Borrower, use reasonable efforts (subject to overall policy considerations of such Lender) to designate another lending office for any Loans affected by such event; provided that such designation is made on such terms that such Lender and its lending office suffer no unreimbursed cost or other material economic, legal or regulatory disadvantage, with the object of avoiding the consequence of the event giving rise to the operation of any such Section. Nothing in this Section 2.12 shall affect or postpone any of the obligations of the Borrower or the right of any Lender provided in Sections 2.10, or 5.4.

2.13 Notice of Certain Costs. Failure or delay on the part of any Lender to demand compensation pursuant to Sections 2.10 or 2.11 shall not constitute a waiver of such Lender's right to demand such compensation, provided, that, notwithstanding anything in this Agreement to the contrary, to the extent any notice required by Sections 2.10 or 2.11 is given by any Lender more than 120 days after such Lender has knowledge (or should have had knowledge) of the occurrence of the event giving rise to the additional cost, reduction in amounts, loss, or other additional amounts described in such Sections, such Lender shall not be entitled to compensation under Sections 2.10 or 2.11, as the case may be, for any such amounts incurred or accruing prior to the 121st day prior to the giving of such notice to the Borrower (except that, if the event or Change in Law giving rise to such increased costs or reductions is retroactive, then the period referred to above shall be extended to include the period of retroactive effect).

2.14 Incremental Facilities.

(a) The Borrower may, by written notice to Administrative Agent, elect to request the establishment of one or more (x) additional tranches of term loans or increases in Term Loans of any Class (the commitments thereto, the "**New Term Loan Commitments**") by an aggregate amount not in excess of the Maximum Incremental Facilities Amount in the aggregate and not less than $10,000,000 individually (or such lesser amount as (x) may be approved by the Administrative Agent or (y) shall constitute the difference between the Maximum Incremental Facilities Amount and all such New Term Loan Commitments obtained on or prior to such date), which may be incurred in Dollars, Euros or Pounds Sterling. In connection with the incurrence of any Indebtedness under this Section 2.14, at the request of the Administrative Agent, the Borrower shall provide to the Administrative Agent a certificate certifying that the New Term Loan Commitments do not exceed the Maximum Incremental Facilities Amount, which certificate shall be in reasonable detail and shall provide the calculations and basis therefor and, subject to reclassification as set forth in Section 10.1, classify such Indebtedness as being incurred under clause (i) or clause (ii) of the definition of Maximum Incremental Facilities Amount. The Borrower may approach any Lender or any Person (other than a natural Person) to provide all or a portion of the New Term Loan Commitments; provided that any Lender offered or approached to provide all or a portion of the New Term Loan Commitments may elect or decline, in its sole discretion, to provide a New Term Loan Commitment. In each case, on each applicable Increased Amount Date (subject to Section 1.12), such New Term Loan Commitments shall be subject to (i) no Event of Default (except in connection with an acquisition or

investment (including any Permitted Acquisition or Investment), no Event of Default under Section 11.1 or Section 11.5) shall exist on such Increased Amount Date before or after giving effect to such New Term Loan Commitments, as applicable, and subject to Section 1.12, (ii) the New Term Loan Commitments shall be effected pursuant to one or more Joinder Agreements executed and delivered by the Borrower and Administrative Agent, and each of which shall be recorded in the Register and shall be subject to the requirements set forth in Section 5.4(e), and (iii) the Borrower shall make any payments required pursuant to Section 2.11 in connection with the New Term Loan Commitments, as applicable. No Lender shall have any obligation to provide any Commitments pursuant to this Section 2.14(a). Any New Term Loans shall, at the election of the Borrower and agreed to by Lenders providing such New Term Loan Commitments, be designated as (a) a separate series (a "**Series**") of New Term Loans for all purposes of this Agreement or (b) as part of a Series of existing Term Loans for all purposes of this Agreement.

(b) [Reserved].

(c) New Term Loan Commitments of any Series shall be subject to the satisfaction of the foregoing and following terms and conditions, each Lender with a New Term Loan Commitment (each, a "**New Term Loan Lender**") of any Series shall make a Loan to the Borrower (a "**New Term Loan**") in an amount equal to its New Term Loan Commitment of such Series, and (ii) each New Term Loan Lender of any Series shall become a Lender hereunder with respect to the New Term Loan Commitment of such Series and the New Term Loans of such Series made pursuant thereto.

(d) The terms and provisions of the New Term Loans and New Term Loan Commitments of any Series shall be on terms and documentation set forth in the Joinder Agreement as determined by the Borrower; provided that (i) the applicable New Term Loan Maturity Date of each Series shall be no earlier than the Initial Term Loan Maturity Date; (ii) the weighted average life to maturity of all New Term Loans shall be no shorter than the weighted average life to maturity of the then existing Initial Term Loans as calculated without giving effect to any prepayments made in connection with the Initial Term Loans; (iii) the pricing, interest rate margins, discounts, premiums, rate floors, fees, and, subject to clauses (i) and (ii) above, amortization schedule applicable to any New Term Loans shall be determined by the Borrower and the Lenders thereunder; provided that only during the period commencing on the Closing Date and ending on the thirty month anniversary of the Closing Date, if the Effective Yield for ~~LIBOR~~SOFR Loans or ABR Loans in respect of such New Term Loans consisting of Term Loans that are secured by the Collateral on a pari passu basis with the Initial Term Loans exceeds the Effective Yield for ~~LIBOR~~SOFR Loans or ABR Loans in respect of the then existing Initial Term Loans of like currency by more than 0.50%, the Applicable Margin for ~~LIBOR~~SOFR Loans or ABR Loans in respect of the then existing Initial Term Loans shall be adjusted so that the Effective Yield in respect of the then existing Initial Term Loans is equal to the Effective Yield for ~~LIBOR~~SOFR Loans or ABR Loans in respect of the New Term Loans *minus* 0.50% (the terms of this proviso to this clause (iii), the "**MFN Protection**"); and (iv) to the extent such terms and documentation are not consistent with the then existing Initial Term Loans (except to the extent permitted by clause (i), (ii) or (iii) above), they shall be reasonably satisfactory to the Administrative Agent and the Required Lenders (it being understood that, (1) to the extent that any financial maintenance covenant is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such financial maintenance covenant is also added for the benefit of any corresponding Term Loans remaining outstanding after the issuance or incurrence of such Indebtedness or (2) no consent shall be required by the Administrative Agent or any of the Lenders if any covenants or other provisions are only applicable after the Latest Term Loan Maturity Date).

(e) [Reserved].

(f) Each Joinder Agreement may, without the consent of any other Lenders, effect technical and corresponding amendments to this Agreement and the other Credit Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to effect the provision of this Section 2.14.

(g) (i) The Borrower may at any time, and from time to time, request that all or a portion of the Term Loans of any Class (an "**Existing Term Loan Class**") be converted to extend the scheduled maturity date(s) of any payment of principal with respect to all or a portion of any principal amount of such Term Loans (any such Term Loans which have been so converted, "**Extended Term Loans**") and to provide for other terms consistent with this Section 2.14(g). In order to establish any Extended Term Loans, the Borrower shall provide a notice to the Administrative Agent (who shall provide a copy of such notice to each of the Lenders of the applicable Existing Term Loan Class which such request shall be offered equally to all such Lenders) (a "**Term Loan Extension Request**") setting forth the proposed terms of the Extended Term Loans to be established, which shall not be materially more restrictive to the Credit Parties (as determined in good faith by the Borrower), when taken as a whole, than the terms of the Term Loans of the Existing Term Loan Class unless (x) the Lenders of the Term Loans of such applicable Existing Term Loan Class receive the benefit of such more restrictive terms or (y) any such provisions apply after the Initial Term Loan Maturity Date (a "**Permitted Other Provision**"); provided, however, that (x) the scheduled final maturity date shall be extended and all or any of the scheduled amortization payments of principal of the Extended Term Loans may be delayed to later dates than the scheduled amortization of principal of the Term Loans of such Existing Term Loan Class (with any such delay resulting in a corresponding adjustment to the scheduled amortization payments reflected in Section 2.5 or in the Joinder Agreement, as the case may be, with respect to the Existing Term Loan Class from which such Extended Term Loans were converted, in each case as more particularly set forth in paragraph (iv) of this Section 2.14(g) below), (y) (A) the interest margins with respect to the Extended Term Loans may be higher or lower than the interest margins for the Term Loans of such Existing Term Loan Class and/or (B) additional fees, premiums or applicable high-yield discount obligation ("**AHYDO**") payments may be payable to the Lenders providing such Extended Term Loans in addition to or in lieu of any increased margins contemplated by the preceding clause (A), in each case, to the extent provided in the applicable Extension Amendment and to the extent that any Permitted Other Provision (including a financial maintenance covenant) is added for the benefit of any such Indebtedness, no consent shall be required by the Administrative Agent or any of the Lenders if such Permitted Other Provision is also added for the benefit of any corresponding Loans remaining outstanding after the issuance or incurrence of such Indebtedness or if such Permitted Other Provision applies only after the Initial Term Loan Maturity Date . Notwithstanding anything to the contrary in this Section 2.14 or otherwise, no Extended Term Loans may be optionally prepaid prior to the date on which the Existing Term Loan Class from which they were converted is repaid in full, except in accordance with the last sentence of Section 5.1(a). No Lender shall have any obligation to agree to have any of its Term Loans of any Existing Term Loan Class converted into Extended Term Loans pursuant to any Extension Request. Any Extended Term Loans of any Extension Series shall constitute a separate Class of Term Loans from the Existing Term Loan Class from which they were converted.

(ii) [Reserved].

(iii) Any Lender (an "**Extending Lender**") wishing to have all or a portion of its Term Loans subject to such Extension Request converted into Extended Term Loans, shall notify the Administrative Agent (an "**Extension Election**") on or prior to the date specified in such Extension Request of the amount of its Term Loans subject to such Extension Request that it has elected to convert into Extended Term Loans. In the event that the aggregate amount of Term Loans subject to Extension Elections exceeds the amount of Extended Term Loans requested pursuant to the Extension Request, Term Loans subject to Extension Elections shall be converted to Extended Term Loans on a pro rata basis based on the amount of Term Loans included in each such Extension Election.

(iv) Extended Term Loans shall be established pursuant to an amendment (an "**Extension Amendment**") to this Agreement (which, except to the extent expressly contemplated by the penultimate sentence of this Section 2.14(g)(iv) and notwithstanding anything to the contrary set forth in Section 13.1, shall not require the consent of any Lender other than the Extending Lenders with respect to the Extended Term Loans established thereby) executed by the Credit Parties, the Administrative Agent and the Extending Lenders. No Extension Amendment shall provide for any tranche of Extended Term Loans in an aggregate principal amount that is less than $10,000,000. In addition to any terms and changes required or permitted by Section 2.14(g)(i), each Extension Amendment may, but shall not be required to, impose additional requirements (not inconsistent with the provisions of this Agreement in effect at such time) with respect to the final maturity and weighted average life to maturity of New Term Loans incurred following the date of such Extension Amendment. Notwithstanding anything to the contrary in this Section 2.14(g) and without limiting the generality or applicability of Section 13.1 to any Section 2.14 Additional Amendments, any Extension Amendment may provide for additional terms and/or additional amendments other than those referred to or contemplated above (any such additional amendment, a "**Section 2.14 Additional Amendment**") to this Agreement and the other Credit Documents; provided that such Section 2.14 Additional Amendments are within the requirements of Section 2.14(g)(i) and do not become effective prior to the time that such Section 2.14 Additional Amendments have been consented to (including, without limitation, pursuant to (1) consents applicable to holders of New Term Loans provided for in any Joinder Agreement and (2) consents applicable to holders of any Extended Term Loans provided for in any Extension Amendment) by such of the Lenders, Credit Parties and other parties (if any) as may be required in order for such Section 2.14 Additional Amendments to become effective in accordance with Section 13.1.

(v) Notwithstanding anything to the contrary contained in this Agreement, (A) on any date on which any Existing Term Loan Class is converted to extend the related scheduled maturity date(s) in accordance with clause (i) above (an "**Extension Date**"), the aggregate principal amount of such existing Term Loans shall be deemed reduced by an amount equal to the aggregate principal amount of Extended Term Loans so converted by such Lender on such date, and the Extended Term Loans shall be established as a separate Class of Term Loans (together with any other Extended Term Loans so established on such date).

(vi) The Administrative Agent and the Lenders hereby consent to the consummation of the transactions contemplated by this Section 2.14 (including, for the avoidance of doubt, payment of any interest, fees, or premium in respect of any Extended Term Loans on such terms as may be set forth in the relevant Extension Amendment) and hereby waive the requirements of any provision of this Agreement (including, without limitation, any pro rata payment or amendment section) or any other Credit Document that may otherwise prohibit or restrict any such extension or any other transaction contemplated by this Section 2.14.

2.15 Permitted Debt Exchanges.

(a) Notwithstanding anything to the contrary contained in this Agreement, pursuant to one or more offers (each, a "**Permitted Debt Exchange Offer**") made from time to time by the Borrower, the Borrower may from time to time following the Closing Date consummate one or more exchanges of Term Loans for Permitted Other Indebtedness in the form of notes (such notes, "**Permitted Debt Exchange Notes**," and each such exchange a "**Permitted Debt Exchange**"), so long as the following conditions are satisfied: (i) no Event of Default shall have occurred and be continuing at the time the final offering document in respect of a Permitted Debt Exchange Offer is delivered to the relevant Lenders, (ii) the

aggregate principal amount (calculated on the face amount thereof) of Term Loans exchanged shall equal no more than the aggregate principal amount (calculated on the face amount thereof) of Permitted Debt Exchange Notes issued in exchange for such Term Loans; provided that the aggregate principal amount of the Permitted Debt Exchange Notes may include accrued interest and premium (if any) under the Term Loans exchanged and underwriting discounts, fees, commissions and expenses in connection with the issuance of such Permitted Debt Exchange Notes, (iii) the aggregate principal amount (calculated on the face amount thereof) of all Term Loans exchanged under each applicable Class by the Borrower pursuant to any Permitted Debt Exchange shall automatically be cancelled and retired by the Borrower on the date of the settlement thereof (and, if requested by the Administrative Agent, any applicable exchanging Lender shall execute and deliver to the Administrative Agent an Assignment and Acceptance, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in the Term Loans being exchanged pursuant to the Permitted Debt Exchange to the Borrower for immediate cancellation), (iv) if the aggregate principal amount of all Term Loans of a given Class (calculated on the face amount thereof) tendered by Lenders in respect of the relevant Permitted Debt Exchange Offer (with no Lender being permitted to tender a principal amount of Term Loans which exceeds the principal amount thereof of the applicable Class actually held by it) shall exceed the maximum aggregate principal amount of Term Loans of such Class offered to be exchanged by the Borrower pursuant to such Permitted Debt Exchange Offer, then the Borrower shall exchange Term Loans subject to such Permitted Debt Exchange Offer tendered by such Lenders ratably up to such maximum amount based on the respective principal amounts so tendered, (v) all documentation in respect of such Permitted Debt Exchange shall be consistent with the foregoing, and all written communications generally directed to the Lenders in connection therewith shall be in form and substance consistent with the foregoing and made in consultation with the Borrower and the Auction Agent, and (vi) any applicable Minimum Tender Condition shall be satisfied.

(b) With respect to all Permitted Debt Exchanges effected by the Borrower pursuant to this Section 2.15, (i) such Permitted Debt Exchanges (and the cancellation of the exchanged Term Loans in connection therewith) shall not constitute voluntary or mandatory payments or prepayments for purposes of Section 5.1 or 5.2, and (ii) such Permitted Debt Exchange Offer shall be made for not less than $20,000,000 in aggregate principal amount of Term Loans; provided that subject to the foregoing clause (ii), the Borrower may at its election specify as a condition (a "**Minimum Tender Condition**") to consummating any such Permitted Debt Exchange that a minimum amount (to be determined and specified in the relevant Permitted Debt Exchange Offer in the Borrower's discretion) of Term Loans of any or all applicable Classes be tendered.

(c) In connection with each Permitted Debt Exchange, the Borrower and the Auction Agent shall mutually agree to such procedures as may be necessary or advisable to accomplish the purposes of this Section 2.15 and without conflict with Section 2.15(d); provided that the terms of any Permitted Debt Exchange Offer shall provide that the date by which the relevant Lenders are required to indicate their election to participate in such Permitted Debt Exchange shall be not less than a reasonable period (in the discretion of the Borrower and the Auction Agent) of time following the date on which the Permitted Debt Exchange Offer is made.

(d) The Borrower shall be responsible for compliance with, and hereby agrees to comply with, all applicable securities and other laws in connection with each Permitted Debt Exchange, it being understood and agreed that (x) none of the Auction Agent, the Administrative Agent nor any Lender assumes any responsibility in connection with the Borrower's compliance with such laws in connection with any Permitted Debt Exchange and (y) each Lender shall be solely responsible for its compliance with any applicable "insider trading" laws and regulations to which such Lender may be subject under the Securities Exchange Act.

Section 3. [Reserved]

Section 4. Fees.

4.1 Fees.

Without duplication, the Borrower agrees to pay to the Administrative Agent and the Collateral Agent in Dollars, each for its own account, fees payable in the amounts and at the times set forth in the Administrative Agent/Collateral Agent Fee Letter or as may be agreed in writing from time to time.

4.2 [Reserved].

4.3 Mandatory Termination of Commitments.

(a) The Initial Term Loan Commitments shall terminate at 5:00 p.m. (New York City time) on the Closing Date. The Commitments, if any, for Extended Term Loans shall terminate at 5:00 p.m. (New York City time) on the date of the applicable Extension Amendment.

(b) The New Loan Commitment for any Series shall, unless otherwise provided in the applicable Joinder Agreement, terminate at 5:00 p.m. (New York City time) on the Increased Amount Date for such Series.

Section 5. Payments.

5.1 Voluntary Prepayments.

(a) The Borrower shall have the right to prepay Term Loans, other than as set forth in Section 5.1(b), without premium or penalty, in whole or in part from time to time on the following terms and conditions: (1) the Borrower shall give the Administrative Agent at the Administrative Agent's Office written notice of its intent to make such prepayment, the amount of such prepayment and (in the case of ~~LIBOR~~SOFR Loans) the specific Borrowing(s) pursuant to which made, which notice shall be given by the Borrower no later than 12:00 noon (New York City time) (i) in the case of ~~LIBOR~~SOFR Loans, three U.S. Government Securities Business Days prior to and (ii) in the case of ABR Loans, one Business Day prior to the date of such prepayment and shall promptly be transmitted by the Administrative Agent to each of the Lenders; (2) each partial prepayment of (i) any Borrowing of ~~LIBOR~~SOFR Loans shall be in a minimum amount of $5,000,000 and in multiples of $1,000,000 in excess thereof and (ii) any ABR Loans shall be in a minimum amount of $1,000,000 and in multiples of $100,000 in excess thereof, provided that no partial prepayment of ~~LIBOR~~SOFR Loans made pursuant to a single Borrowing shall reduce the outstanding ~~LIBOR~~SOFR Loans made pursuant to such Borrowing to an amount less than the applicable Minimum Borrowing Amount for such ~~LIBOR~~SOFR Loans, and (3) in the case of any prepayment of ~~LIBOR~~SOFR Loans pursuant to this Section 5.1 on any day other than the last day of an Interest Period applicable thereto, the Borrower shall, promptly after receipt of a written request by any applicable Lender (which request shall set forth in reasonable detail the basis for requesting such amount), pay to such Lender any amounts required pursuant to Section 2.11. Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be applied to the Class or Classes of Term Loans as the Borrower may specify. Each prepayment in respect of any Term Loans pursuant to this Section 5.1 shall be applied to the Class or Classes of Term Loans as the Borrower may specify.

(b) If during any of the time periods set forth below any Initial Term Loans are voluntarily prepaid pursuant to Section 5.1(a) or mandatorily prepaid pursuant to Section 5.2 pursuant to a Debt Incurrence Prepayment Event or as a result of the incurrence of Indebtedness under Section 10.1(w)(i) or Section 10.1(x)(i)(b) or as a result of an assignment by a Non-Consenting Lender in accordance with Section 13.7(b), or are the subject of a Repricing Amendment, the Borrower shall pay to the Administrative Agent, for the ratable account of each of the applicable Lenders, a premium (the "Prepayment Premium") equal to the product of (I) the percentage set forth below as in effect during the relevant time period and (II) the aggregate principal amount of the Initial Term Loans so prepaid or so subject to such Repricing Amendment.

TIME PERIOD	PREMIUM
On and after the Closing Date and prior to the first anniversary of the Closing Date	the Applicable Premium
On and after the first anniversary of the Closing Date and prior to the second anniversary of the Closing Date	3.0%
On and after the second anniversary of the Closing Date and prior to the third anniversary of the Closing Date	1.0%
On and after the third anniversary of the Closing Date	0.0%

5.2 Mandatory Prepayments.

(a) Term Loan Prepayments.

(i) On each occasion that a Prepayment Event occurs, the Borrower shall, within three Business Days after receipt of the Net Cash Proceeds of a Debt Incurrence Prepayment Event (other than one covered by clause (iii) below) and within ten Business Days after the occurrence of any other Prepayment Event (or, in the case of Deferred Net Cash Proceeds, within ten Business Days after the Deferred Net Cash Proceeds Payment Date), prepay, in accordance with clause (c) below, Term Loans with an equivalent principal amount equal to 100% of the Net Cash Proceeds from such Prepayment Event; provided that, with respect to the Net Cash Proceeds of an Asset Sale Prepayment Event, Casualty Event or Permitted Sale Leaseback, in each case solely to the extent with respect to any Collateral, the Borrower may use a portion of such Net Cash Proceeds to prepay or repurchase Permitted Other Indebtedness (and with such prepaid or repurchased Permitted Other Indebtedness permanently extinguished) with a Lien on the Collateral ranking equal with the Liens securing the Obligations to the extent any applicable Permitted Other Indebtedness Document requires the issuer of such Permitted Other Indebtedness to prepay or make an offer to purchase such Permitted Other Indebtedness with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Cash Proceeds *multiplied* by (y) a fraction, the numerator of which is the outstanding principal amount of the Permitted Other Indebtedness with a Lien on the Collateral ranking equal with the Liens securing the Obligations and with respect to which such a requirement to prepay or make an offer to purchase exists and the denominator of which is the sum of the outstanding principal amount of such Permitted Other Indebtedness and the outstanding principal amount of Term Loans.

(ii) Not later than ten Business Days after the date on which financial statements are required to be delivered pursuant to Section 9.1(a) for any fiscal year (commencing with and including the fiscal year ending December 31, 2020), if, and solely to the extent, Excess Cash Flow for such fiscal year exceeds $15,000,000, the Borrower shall prepay (or cause to be prepaid), in accordance with clause (c) below, Term Loans with a principal amount equal to (x) 50% of Excess Cash Flow for such fiscal year; provided that (A) the percentage in this Section 5.2(a)(ii) shall be reduced to 25% if the Consolidated Senior Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of the Borrower) for the most recent Test Period ended prior to such prepayment date is less than or equal to 5.25:1.00 but greater than 4.75:1.00 and (B) no payment of any Term Loans shall be required under this Section 5.2(a)(ii) if the Consolidated Senior Secured Debt to Consolidated EBITDA Ratio on the date of prepayment (prior to giving effect thereto but giving effect to any prepayment described in clause (y) below and as certified by an Authorized Officer of the Borrower) for the most recent Test Period ended prior to such prepayment date is less than or equal to 4.75:1.00, *minus,* (y) (i) the sum during such fiscal year of the principal amount of First Lien Term Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 of the First Lien Credit Agreement and Loans voluntarily prepaid pursuant to Section 5.1 or Section 13.6 (in each case, including purchases of the Loans by the Borrower and its Subsidiaries at or below par offered to all Lenders and Dutch auctions, in which case the amount of voluntary prepayments of Loans shall be deemed not to exceed the actual purchase price of such Loans at or below par) during such fiscal year or after such fiscal year and prior to the date of the required Excess Cash Flow payment and (ii) to the extent accompanied by permanent reduction of commitments, optional reductions of Incremental Revolving Credit Commitments (as defined the First Lien Credit Agreement), Revolving Credit Commitments (as defined the First Lien Credit Agreement), Extended Revolving Credit Commitments (as defined the First Lien Credit Agreement), Incremental Revolving Credit Commitments (as defined the First Lien Credit Agreement), Swingline Loans (as defined the First Lien Credit Agreement), as applicable, Revolving Credit Loans (as defined the First Lien Credit Agreement), Extended Revolving Credit Loans (as defined the First Lien Credit Agreement), Incremental Revolving Credit Loans (as defined the First Lien Credit Agreement), in each case, other than to the extent any such prepayment is funded with the proceeds of Funded Debt.

(iii) On each occasion that Permitted Other Indebtedness is issued or incurred pursuant to Section 10.1(w), the Borrower shall within three Business Days of receipt of the Net Cash Proceeds of such Permitted Other Indebtedness prepay, in accordance with clause (c) below, Term Loans with a principal amount equal to 100% of the Net Cash Proceeds from such issuance or incurrence of Permitted Other Indebtedness.

(iv) Notwithstanding any other provisions of this Section 5.2, (A) to the extent that any or all of the Net Cash Proceeds of any Prepayment Event by a Subsidiary that is not a Credit Party giving rise to a prepayment pursuant to clause (i) above (a "**Non-Credit Party Prepayment Event**") or Excess Cash Flow are prohibited or delayed by any Requirements of Law from being repatriated to the Credit Parties, an amount equal to the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Loans at the times provided in clauses (i) and (ii) above, as the case may be, but only so long, as the applicable Requirements of Law will not permit repatriation to the Credit Parties (the Credit Parties hereby agreeing to cause the applicable Subsidiary to promptly take all actions reasonably required by the applicable Requirements of Law to permit repatriation), and once a repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable Requirements of Law, an amount equal to such Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than ten Business Days after such repatriation is permitted) applied (net of any taxes that would be payable or reserved against if such amounts were actually repatriated whether or not they are repatriated) to the repayment of the Loans pursuant to clauses (i) and (ii) above, as applicable, and (B) to the extent that the Borrower has determined in good faith that repatriation of any of or all the Net

Cash Proceeds of any Non-Credit Party Prepayment Event or Excess Cash Flow would have a material adverse tax consequence with respect to such Net Cash Proceeds or Excess Cash Flow, an amount equal to the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Subsidiary; provided that in the case of this clause (B), on or before the date on which any Net Cash Proceeds from any Non-Credit Party Prepayment Event so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to clause (i) above or, in the case of Excess Cash Flow, a date on or before the date that is eighteen months after the date an amount equal to such Excess Cash Flow would have so required to be applied to prepayments pursuant to clause (ii) above unless previously actually repatriated in which case such repatriated Excess Cash Flow shall have been promptly applied to the repayment of the Term Loans pursuant to clause (ii) above, (x) the Borrower shall apply an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the Credit Parties rather than such Subsidiary, less the amount of any taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow shall be applied to the repayment of Indebtedness of a Subsidiary that is not a Credit Party. For the avoidance of doubt, nothing in this Agreement, including Section 5 shall be construed to require any Subsidiary to repatriate cash.

(b) [Reserved].

(c) Application to Repayment Amounts. Subject to Section 5.2(f), each prepayment of Term Loans required by Section 5.2(a)(i) or (ii) shall be allocated pro rata among the Initial Term Loans, the New Term Loans, and the Extended Term Loans and shall be applied within each Class of Term Loans in respect of such Term Loans in direct order of maturity thereof or as otherwise directed by the Borrower; provided that the Borrower may allocate a greater proportion of such prepayment in its sole discretion to the Initial Term Loans to the extent agreed to by the Lenders providing any applicable New Term Loans and/or Extended Term Loans outstanding at such time. Subject to Section 5.2(f), with respect to each such prepayment, the Borrower will, not later than the date specified in Section 5.2(a) for making such prepayment, give the Administrative Agent written notice which shall include a calculation of the amount of such prepayment to be applied to each Class of Term Loans requesting that the Administrative Agent provide notice of such prepayment to each Initial Term Loan Lender, New Term Loan Lender or Lender of Extended Term Loans, as applicable.

(d) Application to Term Loans. With respect to each prepayment of Term Loans required by Section 5.2(a), the Borrower may, if applicable, designate the Types of Loans that are to be prepaid and the specific Borrowing(s) pursuant to which made; provided, that if any Lender has provided a Rejection Notice in compliance with Section 5.2(f), such prepayment shall be applied with respect to the Term Loans to be prepaid on a pro rata basis across all outstanding Types of such Term Loans in proportion to the percentage of such outstanding Term Loans to be prepaid represented by each such Class. In the absence of a Rejection Notice or a designation by the Borrower as described in the preceding sentence, the Administrative Agent shall, subject to the above, make such designation as instructed by the Required Lenders in their reasonable discretion with a view, but no obligation, to minimize breakage costs owing under Section 2.11.

(e) [Reserved].

(f) Rejection Right. The Borrower shall notify the Administrative Agent in writing of any mandatory prepayment of Term Loans required to be made pursuant to Section 5.2(a) by 2:00 p.m. (New York City time) at least three Business Days prior to the date of such prepayment. Each such notice shall specify the date of such prepayment and provide a reasonably detailed calculation of the amount of such

prepayment. The Administrative Agent will promptly notify each Lender holding Term Loans of the contents of such prepayment notice and of such Lender's pro rata share of the prepayment. Each Term Loan Lender may reject all (but not less than all) of its pro rata share of any mandatory prepayment other than any such mandatory prepayment with respect to a Debt Incurrence Prepayment Event under Section 5.2(a)(i) or Permitted Other Indebtedness under Section 5.2(a)(iii) (such declined amounts, the "**Declined Proceeds**") of Term Loans required to be made pursuant toSection 5.2(a) by providing written notice (each, a "**Rejection Notice**") to the Administrative Agent no later than 5:00 p.m. (New York City time) one Business Day after the date of such Lender's receipt of notice from the Administrative Agent regarding such prepayment. If a Lender fails to deliver a Rejection Notice to the Administrative Agent within the time frame specified above, any such failure will be deemed an acceptance of the total amount of such mandatory prepayment of Term Loans. Any Declined Proceeds remaining after offering such Declined Proceeds to the Lenders in accordance with the terms hereof shall be retained by the Borrower ("**Retained Declined Proceeds**").

(g) Notwithstanding anything to the contrary in thisSection 5.2, no prepayments of Loans shall be required pursuant to this Section 5.2 until the First Lien Termination Date has occurred (except amounts declined by the Term Loan Lenders (as defined in the First Lien Credit Agreement) pursuant to Section 5.2(f) of the First Lien Credit Agreement shall be required to be applied as a mandatory prepayment hereunder).

5.3 Method and Place of Payment.

(a) Except as otherwise specifically provided herein, all payments under this Agreement shall be made by the Borrower, withoutset-off, counterclaim or deduction of any kind, to the Administrative Agent for the ratable account of the Lenders entitled thereto not later than 12:00 noon (New York City time) on the date when due and shall be made in immediately available funds at the Administrative Agent's Office or at such other office as the Administrative Agent shall specify for such purpose by notice to the Borrower. All repayments or prepayments of any Loans (whether of principal, interest or otherwise) hereunder shall be made in the currency in which such Loans are denominated and all other payments under each Credit Document shall, unless otherwise specified in such Credit Document, be made in Dollars. The Administrative Agent will thereafter cause to be distributed on the same day (if payment was actually received by the Administrative Agent prior to (x) 12:00 noon (New York City time) in the case of payments denominated in Dollars, and (y) 9:45 a.m. (New York City time) in the case of payments denominated in any other currency, or, otherwise in each case, on the next Business Day in the Administrative Agent's sole discretion) like funds relating to the payment of principal or interest or fees ratably to the Lenders entitled thereto.

(b) Any payments under this Agreement that are made later than (x) 12:00 noon (New York City time) in the case of payments denominated in Dollars, and (y) 9:45 a.m. (New York City time) in the case of payments denominated in any other currency, in each case, may be deemed to have been made on the next succeeding Business Day in the Administrative Agent's sole discretion for purposes of calculating interest thereon. Except as otherwise provided herein, whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, the due date thereof shall be extended to the next succeeding Business Day and, with respect to payments of principal, interest shall be payable during such extension at the applicable rate in effect immediately prior to such extension.

5.4 Net Payments.

(a) Payments Free of Taxes; Obligation to Withhold; Payments on Account of Taxes.

(i) Any and all payments by or on account of any obligation of any Credit Party hereunder or under any other Credit Document shall to the extent permitted by applicable laws be made free and clear of and without reduction or withholding for any Taxes.

(ii) If any Withholding Agent shall be required by applicable law to withhold or deduct any Taxes from any payment, then (A) such Withholding Agent shall withhold or make such deductions as are reasonably determined by such Withholding Agent to be required by applicable law, (B) such Withholding Agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority, and (C) to the extent that the withholding or deduction is made on account of Indemnified Taxes or Other Taxes, the sum payable by the applicable Credit Party shall be increased as necessary so that after any required withholding or deductions have been made (including withholding or deductions applicable to additional sums payable under this Section 5.4) each Lender (or, in the case of a payment to the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such withholding or deductions been made.

(b) Payment of Other Taxes by the Borrower. Without limiting the provisions of subsection (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law or timely reimburse the Administrative Agent or any Lender for the payment of any Other Taxes.

(c) Tax Indemnifications. Without limiting the provisions of subsection (a) or (b) above, the Borrower shall indemnify the Administrative Agent and each Lender, and shall make payment in respect thereof within 15 days after receipt of written demand therefor, for the full amount of Indemnified Taxes or Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 5.4) payable or paid by the Administrative Agent or such Lender, as the case may be, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of any such payment or liability (along with a written statement setting forth in reasonable detail the basis and calculation of such amounts) delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error. If the Borrower reasonably believes that any such Indemnified Taxes or Other Taxes were not correctly or legally asserted, the Administrative Agent and/or each affected Lender will use reasonable efforts to cooperate with the Borrower in pursuing a refund of such Indemnified Taxes or Other Taxes so long as such efforts would not, in the sole determination of the Administrative Agent or affected Lender, result in any additional costs, expenses or risks or be otherwise disadvantageous to it.

(d) Evidence of Payments. After any payment of Taxes by any Credit Party or the Administrative Agent to a Governmental Authority as provided in this Section 5.4, such Credit Party shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of any return required by laws to report such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Status of Lenders and Tax Documentation.

(i) Each Lender shall deliver to the Borrower and to the Administrative Agent, at such time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable laws or by the taxing authorities of any jurisdiction and such other reasonably requested information as will permit the Borrower or the Administrative Agent, as the case may be, to determine (A) whether or not any payments made hereunder or under any other Credit Document are subject to Taxes, (B) if applicable, the required rate of withholding or deduction, and

(C) such Lender's entitlement to any available exemption from, or reduction of, applicable Taxes in respect of any payments to be made to such Lender by any Credit Party pursuant to any Credit Document or otherwise to establish such Lender's status for withholding tax purposes in the applicable jurisdiction. Any documentation and information required to be delivered by a Lender pursuant to this Section 5.4(e) (including any specific documentation set forth in subsection (ii) below) shall be delivered by such Lender (i) on or prior to the Closing Date (or on or prior to the date it becomes a party to this Agreement), (ii) on or before any date on which such documentation expires or becomes obsolete or invalid, (iii) promptly after the occurrence of any change in the Lender's circumstances requiring a change in the most recent documentation previously delivered by it to the Borrower and the Administrative Agent, and (iv) from time to time thereafter if reasonably requested by the Borrower or the Administrative Agent, and each such Lender shall promptly notify in writing the Borrower and the Administrative Agent if such Lender is no longer legally eligible to provide any documentation previously provided. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and submission of such documentation (other than such documentation set forth in Sections 5.4(e)(ii)(A), (B)(1), (B)(2), (B)(3), (B)(4), (C) and (D) below) shall not be required if in such Lender's or the Administrative Agent's reasonable judgment such completion, execution, or submission would subject such Lender or the Administrative Agent to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender or the Administrative Agent.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code (a "**U.S. Lender**") shall deliver to the Borrower and the Administrative Agent executed originals or copies of Internal Revenue Service Form W-9 or such other documentation or information prescribed by applicable laws or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent, as the case may be, to determine whether or not such Lender is subject to backup withholding or information reporting requirements;

(B) each Non-U.S. Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent (in such number of copies as shall be requested by the recipient) whichever of the following is applicable:

(1) executed originals or copies of Internal Revenue Service FormW-8BEN or Form W-8BEN-E (or any applicable successor form) claiming eligibility for benefits of an income tax treaty to which the United States is a party;

(2) executed originals or copies of Internal Revenue Service FormW-8ECI (or any successor form thereto);

(3) in the case of a Non-U.S. Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Code, (x) a certificate, substantially in the form of Exhibit I-1, I-2, I-3 or I-4, as applicable, (a "**Non-Bank Tax Certificate**"), to the effect that such Non-U.S. Lender is not (A) a "bank" within the meaning of Section 881(c)(3)(A) of the Code, (B) a "10-percent shareholder" of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Code and that no payments under any Credit Document are effectively connected with such Non-U.S. Lender's conduct of a United States trade or business and (y) executed originals or copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or any applicable successor form);

(4) where such Non-U.S. Lender is a partnership (for U.S. federal income tax purposes) or otherwise not a beneficial owner (e.g., where such Non-U.S. Lender has sold a participation), Internal Revenue Service Form W-8IMY (or any successor thereto) and all required supporting documentation (including, where one or more of the underlying beneficial owner(s) is claiming the benefits of the portfolio interest exemption, a Non-Bank Tax Certificate (substantially in the form of Exhibit I-2 or Exhibit I-3, as applicable) of such beneficial owner(s)) (provided that, if the Non-U.S. Lender is a partnership and not a participating Lender, the Non-Bank Tax Certificate(s) (substantially in the form of Exhibit I-4) may be provided by the Non-U.S. Lender on behalf of the direct or indirect partner(s)); or

(5) executed originals of any other form prescribed by applicable laws as a basis for claiming exemption from or a reduction in U.S. federal withholding tax together with such supplementary documentation as may be prescribed by applicable laws to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made;

(C) each Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has complied with such Lender's obligations under FATCA or to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (C), "FATCA" shall include any amendments made to FATCA after the date of this Agreement; and

(D) if the Administrative Agent is a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide the Borrower with two duly completed copies of Internal Revenue Service Form W-9. If the Administrative Agent is not a "United States person" (as defined in Section 7701(a)(30) of the Code), it shall provide an original Internal Revenue Service Form W-8IMY certifying on Part I and Part VI of such Form W-8IMY that it is a U.S. branch that has agreed to be treated as a U.S. person for United States federal withholding tax purposes with respect to payments received by it from the Borrower. The Administrative Agent shall promptly notify the Borrower at any time it determines that it is no longer in a position to provide the certification described in the prior sentence.

(f) Treatment of Certain Refunds. If the Administrative Agent or any Lender determines, in its sole discretion exercised in good faith, that it has received a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Credit Party or with respect to which any Credit Party has paid additional amounts pursuant to this Section 5.4, the Administrative Agent or such Lender (as applicable) shall promptly pay to the Borrower an amount equal to such refund (but only to the extent of indemnity payments made, or additional amounts paid, by the Credit Parties under this Section 5.4 with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including any Taxes) incurred by the Administrative Agent or such Lender, as the case may be, and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund); provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees to repay the amount paid over to the Borrower (*plus* any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. In

such event, the Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that it deems confidential). Notwithstanding anything to the contrary in this paragraph (f), in no event will the Administrative Agent or any Lender be required to pay any amount to an indemnifying party pursuant to this paragraph (f) the payment of which would place the Administrative Agent or any Lender in a less favorable net after-Tax position than the Administrative Agent or any Lender would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This subsection shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to any Credit Party or any other Person.

(g) For the avoidance of doubt, for purposes of this Section 5.4, the term "applicable law" includes FATCA.

(h) Each party's obligations under this Section 5.4 shall survive the resignation or replacement of the Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under the Credit Documents.

5.5 Computations of Interest and Fees.

(a) Except as provided in the next succeeding sentence, interest on ~~LIBOR~~SOFR Loans shall be calculated on the basis of a 360-day year for the actual days elapsed. Interest on ABR Loans shall be calculated on the basis of a 365- (or 366-, as the case may be) day year for the actual days elapsed.

(b) Fees shall be calculated on the basis of a 360-day year for the actual days elapsed.

5.6 Limit on Rate of Interest.

(a) No Payment Shall Exceed Lawful Rate. Notwithstanding any other term of this Agreement, the Borrower shall not be obliged to pay any interest or other amounts under or in connection with this Agreement or otherwise in respect of the Obligations in excess of the amount or rate permitted under or consistent with any applicable law, rule or regulation.

(b) Payment at Highest Lawful Rate. If the Borrower is not obliged to make a payment that it would otherwise be required to make, as a result of Section 5.6(a), the Borrower shall make such payment to the maximum extent permitted by or consistent with applicable laws, rules, and regulations.

(c) Adjustment if Any Payment Exceeds Lawful Rate. If any provision of this Agreement or any of the other Credit Documents would obligate the Borrower to make any payment of interest or other amount payable to any Lender in an amount or calculated at a rate that would be prohibited by any applicable law, rule or regulation, then notwithstanding such provision, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law, such adjustment to be effected, to the extent necessary, by reducing the amount or rate of interest required to be paid by the Borrower to the affected Lender under Section 2.8; provided that to the extent lawful, the interest or other amounts that would have been payable but were not payable as a result of the operation of this Section shall be cumulated and the interest payable to such Lender in respect of other Loans or periods shall be increased (but not above such maximum amount or rate of interest therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Notwithstanding the foregoing, and after giving effect to all adjustments contemplated thereby, if any Lender shall have received from the Borrower an amount in excess of the maximum permitted by any applicable law, rule or regulation, then the Borrower shall be entitled, by notice in writing to the Administrative Agent, to obtain reimbursement from that Lender in an amount equal to such excess, and pending such reimbursement, such amount shall be deemed to be an amount payable by that Lender to the Borrower.

9.10 End of Fiscal Years. The Borrower will, for financial reporting purposes, cause each of its, and each of the Restricted Subsidiaries', fiscal years to end on dates consistent with past practice; provided, however, that the Borrower may, upon written notice to the Administrative Agent change the financial reporting convention specified above to (x) align the dates of such fiscal year and for any Restricted Subsidiary whose fiscal years end on dates different from those of the Borrower or (y) any other financial reporting convention (including a change of fiscal year) reasonably acceptable (such consent not to be unreasonably withheld or delayed) to the Administrative Agent, in which case the Borrower and the Administrative Agent will, and are hereby authorized by the Lenders to, make any adjustments to this Agreement that are necessary in order to reflect such change in financial reporting.

9.11 Additional Guarantors and Grantors. Subject to any applicable limitations set forth in the Security Documents and the terms, provisions and conditions of the Intercreditor Agreement, Holdings will cause each direct or indirect Subsidiary (other than any Excluded Subsidiary) formed or otherwise purchased or acquired after the Closing Date (including pursuant to a Permitted Acquisition and upon the formation of any Subsidiary that is a Delaware Divided LLC), and each other Subsidiary that ceases to constitute an Excluded Subsidiary, within 60 days from the date of such formation, acquisition or cessation, as applicable (or such longer period as the Administrative Agent may agree as instructed by the Required Lenders in their reasonable discretion), and Holdings may at its option cause any other Domestic Subsidiary, to execute a supplement to each of the Guarantee, the Pledge Agreement and the Security Agreement, in order to become a Guarantor under the Guarantee and a grantor under such Security Documents or, to the extent reasonably requested by the Collateral Agent, enter into a new Security Document substantially consistent with the analogous existing Security Documents and otherwise in form and substance reasonably satisfactory to the Collateral Agent and the Required Lenders and take all other action reasonably requested by the Collateral Agent to grant a perfected security interest in its assets to substantially the same extent as created and perfected by the Credit Parties on the Closing Date and pursuant to Section 9.14(d) in the case of such Credit Parties. For the avoidance of doubt, neither Holdings nor any Restricted Subsidiary shall be required to take any action outside the United States to perfect any security interest in the Collateral (including the execution of any agreement, document or other instrument governed by the law of any jurisdiction other than the United States, any State thereof or the District of Columbia).

9.12 Pledge of Additional Stock and Evidence of Indebtedness. Subject to any applicable limitations set forth in the Security Documents and the terms, provisions and conditions of the intercreditor Agreement and other than (x) when in the reasonable determination of the Administrative Agent, the Required Lenders and the Borrower (as agreed to in writing), the cost or other consequences of doing so would be excessive in view of the benefits to be obtained by the Secured Parties therefrom or (y) to the extent doing so would result in material adverse tax consequences as reasonably determined by the

Borrower in consultation with the Administrative Agent and the Required Lenders, Holdings will cause (i) all certificates representing Capital Stock and Stock Equivalents of any Restricted Subsidiary (other than any Excluded Stock and Stock Equivalents) held directly by Holdings or any other Credit Party, (ii) all evidences of Indebtedness in excess of the greater of (a) $40 million and (b) 10% of Consolidated EBITDA for the most recently ended Test Period (calculated on a Pro Forma Basis) at the time of any disposition of assets pursuant to Section 10.4 received by Holdings, the Borrower or any of the Guarantors in connection with any disposition of assets pursuant to Section 10.4, and (iii) any promissory notes executed after the Closing Date evidencing Indebtedness in excess of the greater of (a) $40 million and (b) 10% of Consolidated EBITDA for the most recently ended Test Period (calculated on a Pro Forma Basis) at the time such promissory note is executed; of Holdings or any Subsidiary that is owing to Holdings or any other Credit Party, in each case, to be delivered to the Collateral Agent as security for the Obligations accompanied by undated instruments of transfer executed in blank pursuant to the terms of the Security Documents. Notwithstanding the foregoing any promissory note among Holdings and/or its Subsidiaries need not be delivered to the Collateral Agent so long as (i) a global intercompany note superseding such promissory note has been delivered to the Collateral Agent, (ii) such promissory note is not delivered to any other party other than Holdings or any other Credit Party, in each case, owed money thereunder, and (iii) such promissory note indicates on its face that it is subject to the security interest of the Collateral Agent.

On the Closing Date, the Borrower will use (i) the proceeds of the Initial Term Loans, the First Lien Facilities (other than the Delayed Draw First Lien Term Loan Facility) and the Equity Investments to effect the Transactions and pay related fees, (ii) up to $20 million, in the aggregate, of the proceeds of the borrowing of the Revolving Credit Facility (as defined in the First Lien Credit Agreement) to fund certain Transaction Expenses and the proceeds of the borrowing of the Revolving Credit Facility (exclusive of Letter of Credit (as defined in the First Lien Credit Agreement) usage) to fund working capital and (iii) cash on hand to effect the Transactions and pay related fees.

9.14 Further Assurances.

(a) Subject to the terms of Sections 9.11 and 9.12, this Section 9.14, the Security Documents and the terms, provisions and conditions of the Intercreditor Agreement, Holdings will, and will cause each other Credit Party to, execute any and all further documents, financing statements, agreements, and instruments, and take all such further actions (including the filing and recording of financing statements, fixture filings, mortgages, deeds of trust, and other documents) that may be required under any applicable law, or that the Collateral Agent or the Required Lenders may reasonably request, in order to grant, preserve, protect, and perfect the validity and priority of the security interests created or intended to be created by the Security Documents, all at the expense of Holdings and the Restricted Subsidiaries.

(b) Subject to any applicable limitations set forth in the Security Documents and the terms, provisions and conditions of the Intercreditor Agreement and other than (x) when in the reasonable determination of the Administrative Agent (at the direction of the Required Lenders) and the Borrower (as agreed to in writing), the cost or other consequences of doing so would be excessive in view of the benefits to be obtained by the Secured Parties therefrom (including, without limitation, the cost of title insurance, surveys or flood insurance) (it being understood and agreed that prior to the First Lien Termination Date, the determination of the First Lien Administrative Agent with respect to the matters described in this clause (x) shall be the basis for such direction by the Required Lenders with respect to such matters) or (y) to the extent doing so would result in material adverse tax consequences as reasonably determined by the Borrower in consultation with the Administrative Agent and the Required Lenders, if any assets (other than

Excluded Property) (including any real estate or improvements thereto or any interest therein but excluding Capital Stock and Stock Equivalents of any Subsidiary and excluding any real estate which the applicable Credit Party intends to dispose of pursuant to a Permitted Sale Leaseback so long as actually disposed of within 270 days of acquisition (or such longer period as the Administrative Agent and the Required Lenders may reasonably agree)) with a Fair Market Value in excess of $20 million (at the time of acquisition) are acquired by Holdings or any other Credit Party after the Closing Date (other than assets constituting Collateral under a Security Document that become subject to the Lien of the applicable Security Document upon acquisition thereof) that are of a nature secured by a Security Document or that constitute a fee interest in real property in the United States, the Borrower will notify the Collateral Agent, and, if requested by the Collateral Agent (at the direction of the Required Lenders), Holdings will cause such assets to be subjected to a Lien securing the Obligations (provided, however, that in the event any Mortgage delivered pursuant to thisclause (b) shall incur any mortgage recording tax or similar charges in connection with the recording thereof, such Mortgage shall not secure an amount in excess of the Fair Market Value of the applicable Mortgaged Property) and will take, and cause the other applicable Credit Parties to take, such actions as shall be necessary or reasonably requested by the Collateral Agent, as soon as commercially reasonable but in no event later than 90 days, unless waived or extended by the Administrative Agent as instructed by the Required Lenders in their sole discretion, to grant and perfect such Liens consistent with the applicable requirements of the Security Documents, including actions described in clause (a) of this Section 9.14.

(c) Any Mortgage delivered to the Administrative Agent in accordance with the precedingclause (b) shall, if requested by the Collateral Agent, be received as soon as commercially reasonable but in no event later than 90 days (except as set forth in the preceding clause (b)), unless waived or extended by the Administrative Agent acting reasonably and accompanied by (x) a policy or policies (or an unconditional binding commitment therefor to be replaced by a final title policy) of title insurance issued by a nationally recognized title insurance company (each such policy, a "**Title Policy**"), in such amounts as reasonably acceptable to the Administrative Agent (at the direction of the Required Lenders) not to exceed the Fair Market Value of the applicable Mortgaged Property, insuring the Lien of each Mortgage as a valid second Lien on the Mortgaged Property described therein, free of any other Liens except as expressly permitted by Section 10.2 or as otherwise permitted by the Administrative Agent and otherwise in form and substance reasonably acceptable to the Administrative Agent, the Required Lenders and the Borrower, together with such endorsements, co-insurance and reinsurance as the Administrative Agent may reasonably request but only to the extent such endorsements are (i) available in the relevant jurisdiction (provided in no event shall the Administrative Agent request a creditors' rights endorsement) and (ii) available at commercially reasonable rates, (y) an opinion of local counsel to the applicable Credit Party in form and substance reasonably acceptable to the Administrative Agent and the Required Lenders, (z) a completed "Life-of-Loan" Federal Emergency Management Agency Standard Flood Hazard Determination, and if any improvements on such Mortgaged Property are located in a special flood hazard area, (i) a notice about special flood hazard area status and flood disaster assistance duly executed by the applicable Credit Parties and (ii) certificates of insurance evidencing the insurance required by Section 9.3 in form and substance reasonably satisfactory to the Administrative Agent and the Required Lenders, and (aa) an ALTA/NSPS survey in a form and substance reasonably acceptable to the Required Lenders or such existing survey together with a no-change affidavit sufficient for the title company to remove all standard survey exceptions from the Title Policy related to such Mortgaged Property and issue the endorsements required in (x) above. It is understood and agreed that prior to the First Lien Termination Date, to the extent that the First Lien Administrative Agent is satisfied with or agrees to any deliveries or documents required under this Section 9.14(c), the Required Lenders, the Collateral Agent and/or the Administrative Agent, as the case may be, shall be deemed to be satisfied with such deliveries or documents (to the extent substantially identical to the corresponding deliveries or documents accepted by the First Lien Administrative Agent for the benefit of the First Lien Facilities), as the case may be.

(d) Post-Closing Covenant. Each of Holdings and the Borrower agree that it will, or will cause its relevant Subsidiaries to, complete each of the actions described on Schedule 9.14 as soon as commercially reasonable and by no later than the date set forth onSchedule 9.14 with respect to such action or such later date as the Administrative Agent and the Required Lenders may reasonably agree.

9.16 Lines of Business. The Borrower and the Restricted Subsidiaries, taken as a whole, will not fundamentally and substantively alter the character of their business, taken as a whole, from the business conducted by the Borrower and the Subsidiaries, taken as a whole, on the Closing Date and other business activities which are extensions thereof or otherwise incidental, synergistic, reasonably related, or ancillary to any of the foregoing (and non-core incidental businesses acquired in connection with any Permitted Acquisition or Permitted Investment).

The principal amount of any Indebtedness incurred to refinance other Indebtedness, if incurred in a different currency from the Indebtedness being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Indebtedness is denominated that is in effect on the date of such refinancing.

This Agreement will not treat (1) unsecured Indebtedness as subordinated or junior to secured Indebtedness merely because it is unsecured or (2) senior Indebtedness as subordinated or junior to any other senior Indebtedness merely because it has a junior priority with respect to the same collateral.

Section 12. The Agents.

12.1 Appointment.

(a) Each Lender hereby irrevocably designates and appoints the Administrative Agent as the agent of such Lender under this Agreement and the other Credit Documents and irrevocably authorizes the Administrative Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Administrative Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. The provisions of this Section 12 (other than Section 12.1(c) with respect to the Joint Lead Arrangers and Bookrunners and Sections 12.1, 12.9, 12.11 and 12.12 with respect to the Borrower) are solely for the benefit of the Agents and the Lenders, none of Holdings, the Borrower or any other Credit Party shall have rights as third party beneficiary of any such provision. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Administrative Agent shall not have any duties or responsibilities, except those expressly

set forth herein, or any fiduciary relationship with any Lender, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Administrative Agent. In performing its functions and duties hereunder, each Agent shall act solely as an agent of Lenders and does not assume and shall not be deemed to have assumed any obligation towards or relationship of agency or trust with or for Holdings, the Borrower or any of their respective Subsidiaries.

(b) The Administrative Agent and each Lender hereby irrevocably designate and appoint the Collateral Agent as the agent with respect to the Collateral, and the Administrative Agent and each Lender irrevocably authorizes the Collateral Agent, in such capacity, to take such action on its behalf under the provisions of this Agreement and the other Credit Documents and to exercise such powers and perform such duties as are expressly delegated to the Collateral Agent by the terms of this Agreement and the other Credit Documents, together with such other powers as are reasonably incidental thereto. Notwithstanding any provision to the contrary elsewhere in this Agreement, the Collateral Agent shall not have any duties or responsibilities except those expressly set forth herein, or any fiduciary relationship with any of the Administrative Agent and the Lenders, and no implied covenants, functions, responsibilities, duties, obligations or liabilities shall be read into this Agreement or any other Credit Document or otherwise exist against the Collateral Agent.

(c) Each of the Joint Lead Arrangers and Bookrunners each in its capacity as such, shall not have any obligations, duties or responsibilities under this Agreement but shall be entitled to all benefits of this Section 12.

12.2 Delegation of Duties. The Administrative Agent and the Collateral Agent may each execute any of its duties under this Agreement and the other Credit Documents by or through agents, sub-agents, employees or attorneys-in-fact and shall be entitled to advice of counsel concerning all matters pertaining to such duties. Neither the Administrative Agent nor the Collateral Agent shall be responsible for the negligence or misconduct of any agents, subagents or attorneys-in-fact selected by it in the absence of its gross negligence or willful misconduct (as determined in the final non-appealable judgment of a court of competent jurisdiction).

12.3 Exculpatory Provisions. No Agent nor any of its officers, directors, employees, agents, attorneys-in-fact or Affiliates shall be (a) liable for any action lawfully taken or omitted to be taken by any of them under or in connection with this Agreement or any other Credit Document (except for its or such Person's own gross negligence or willful misconduct, as determined in the final non-appealable judgment of a court of competent jurisdiction, in connection with its duties expressly set forth herein) or (b) responsible in any manner to any of the Lenders or any participant for any recitals, statements, representations or warranties made by any Credit Party or any officer thereof contained in this Agreement or any other Credit Document or in any certificate, report, statement or other document referred to or provided for in, or received by such Agent under or in connection with, this Agreement or any other Credit Document or for the value, validity, effectiveness, genuineness, enforceability or sufficiency of this Agreement or any other Credit Document, or the creation, perfection or priority of any Lien or security interest created or purported to be created under the Security Documents, or for any failure of any Credit Party to perform its obligations hereunder or thereunder. No Agent shall be under any obligation to any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party or any Affiliate thereof. The Collateral Agent shall not be under any obligation to the Administrative Agent or any Lender to ascertain or to inquire as to the observance or performance of any of the agreements contained in, or conditions of, this Agreement or any other Credit Document, or to inspect the properties, books or records of any Credit Party. Without limiting the generality of the foregoing,

(a) no Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 13.1), provided that no Agent shall be required to take any action that, in its opinion or the opinion of its counsel, may expose such Agent to liability or that is contrary to any Credit Document or applicable law, including for the avoidance of doubt any action that may be in violation of the automatic stay under any debtor relief law and (b) except as expressly set forth in the Credit Documents, no Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Agent or any of its Affiliates in any capacity.

12.4 Reliance by Agents. The Administrative Agent and the Collateral Agent shall be entitled to rely, and shall be fully protected in relying, upon any writing, resolution, notice, consent, certificate, affidavit, letter, telecopy, telex or teletype message, statement, order or other document or instruction believed by it (in good faith) to be genuine and correct and to have been signed, sent or made by the proper Person or Persons and upon advice and statements of legal counsel (including counsel to Holdings and the Borrower), independent accountants and other experts selected by the Administrative Agent or the Collateral Agent. The Administrative Agent may deem and treat the Lender specified in the Register with respect to any amount owing hereunder as the owner thereof for all purposes unless a written notice of assignment, negotiation or transfer thereof shall have been filed with the Administrative Agent. The Administrative Agent and the Collateral Agent shall be fully justified in failing or refusing to take any action under this Agreement or any other Credit Document unless it shall first receive such advice or concurrence of the Required Lenders as it deems appropriate or it shall first be indemnified to its satisfaction by the Lenders against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action. The Administrative Agent and the Collateral Agent shall in all cases be fully protected in acting, or in refraining from acting, under this Agreement and the other Credit Documents in accordance with a request of the Required Lenders, and such request and any action taken or failure to act pursuant thereto shall be binding upon all the Lenders and all future holders of the Loans; provided that the Administrative Agent and the Collateral Agent shall not be required to take any action that, in its opinion or in the opinion of its counsel, may expose it to liability or that is contrary to any Credit Document or applicable law.

12.5 Notice of Default. Neither the Administrative Agent nor the Collateral Agent shall be deemed to have knowledge or notice of the occurrence of any Default or Event of Default hereunder unless the Administrative Agent or the Collateral Agent has received written notice from a Lender or the Borrower referring to this Agreement, describing such Default or Event of Default and stating that such notice is a "notice of default." In the event that the Administrative Agent receives such a notice, it shall give notice thereof to the Lenders and the Collateral Agent. The Administrative Agent shall take such action with respect to such Default or Event of Default as shall be reasonably directed by the Required Lenders.

12.6 Non-Reliance on Administrative Agent, Collateral Agent, and Other Lenders. Each Lender expressly acknowledges that neither the Administrative Agent nor the Collateral Agent nor any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates has made any representations or warranties to it and that no act by the Administrative Agent or the Collateral Agent hereinafter taken, including any review of the affairs of any Credit Party, shall be deemed to constitute any representation or warranty by the Administrative Agent or the Collateral Agent to any Lender. Each Lender represents to the Administrative Agent and the Collateral Agent that it has, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of an investigation into

the business, operations, property, financial and other condition and creditworthiness of Holdings, the Borrower and each other Credit Party and made its own decision to make its Loans hereunder and enter into this Agreement. Each Lender also represents that it will, independently and without reliance upon the Administrative Agent, the Collateral Agent or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under this Agreement and the other Credit Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of any of the Credit Parties. Except for notices, reports, and other documents expressly required to be furnished to each Lender by the Administrative Agent hereunder, neither the Administrative Agent nor the Collateral Agent shall have any duty or responsibility to provide any Lender with any credit or other information concerning the business, assets, operations, properties, financial condition, prospects or creditworthiness of Holdings, the Borrower or any other Credit Party that may come into the possession of the Administrative Agent or the Collateral Agent any of their respective officers, directors, employees, agents, attorneys-in-fact or Affiliates.

12.7 Indemnification. The Lenders agree to severally indemnify each Agent in its capacity as such (to the extent not reimbursed by the Credit Parties and without limiting the obligation of the Credit Parties to do so), ratably according to their respective portions of the Total Credit Exposure in effect on the date on which indemnification is sought (or, if indemnification is sought after the Termination Date, ratably in accordance with their respective portions of the Total Credit Exposure in effect immediately prior to such date), from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses, or disbursements of any kind whatsoever that may at any time (including at any time following the payment of the Loans) be imposed on, incurred by or asserted against an Agent in any way relating to or arising out of the Commitments, this Agreement, any of the other Credit Documents or any documents contemplated by or referred to herein or therein or the transactions contemplated hereby or thereby or any action taken or omitted by the Administrative Agent or the Collateral Agent under or in connection with any of the foregoing; provided that no Lender shall be liable to an Agent for the payment of any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. In the case of any investigation, litigation or proceeding giving rise to any liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind whatsoever that may at any time occur (including at any time following the payment of the Loans), this Section 12.7 applies whether any such investigation, litigation or proceeding is brought by any Lender or any other Person. Without limitation of the foregoing, each Lender shall reimburse each Agent upon demand for its ratable share of any costs or out-of-pocket expenses (including attorneys' fees) incurred by such Agent in connection with the preparation, execution, delivery, administration, modification, amendment or enforcement (whether through negotiations, legal proceedings or otherwise) of, or legal advice rendered in respect of rights or responsibilities under, this Agreement, any other Credit Document, or any document contemplated by or referred to herein, to the extent that such Agent is not reimbursed for such expenses by or on behalf of Holdings or the Borrower; provided that such reimbursement by the Lenders shall not affect the Borrower's continuing Reimbursement Obligations (as defined in the First Lien Credit Agreement) with respect thereto. If any indemnity furnished to any Agent for any purpose shall, in the opinion of such Agent, be insufficient or become impaired, such Agent may call for additional indemnity and cease, or not commence, to do the acts indemnified against until such additional indemnity is furnished; provided, in no event shall this sentence require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement in excess of such Lender's pro rata

portion thereof; and provided, further, this sentence shall not be deemed to require any Lender to indemnify any Agent against any liability, obligation, loss, damage, penalty, action, judgment, suit, cost, expense or disbursement resulting from such Agent's gross negligence or willful misconduct as determined by a final non-appealable judgment of a court of competent jurisdiction; provided, further, that no action taken by the Administrative Agent in accordance with the directions of the Required Lenders (or such other number or percentage of the Lenders as shall be required by the Credit Documents) shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section 12.7. The agreements in this Section 12.7 shall survive the payment of the Loans and all other amounts payable hereunder. The indemnity provided to each Agent under this Section 12.7 shall also apply to such Agent's respective Affiliates, directors, officers, members, controlling persons, employees, trustees, investment advisors and agents and successors.

12.8 Agents in Their Individual Capacities. The agency hereby created shall in no way impair or affect any of the rights and powers of, or impose any duties or obligations upon, any Agent in its individual capacity as a Lender hereunder. Each Agent and its Affiliates may make loans to, accept deposits from and generally engage in any kind of business with any Credit Party as though such Agent were not an Agent hereunder and under the other Credit Documents. With respect to the Loans made by it, each Agent shall have the same rights and powers under this Agreement and the other Credit Documents as any Lender and may exercise the same as though it were not an Agent, and the terms "Lender" and "Lenders" shall include each Agent in its individual capacity.

12.9 Successor Agents.

(a) Each of the Administrative Agent and the Collateral Agent may at any time give notice of its resignation to the Lenders and the Borrower. Upon receipt of any such notice of resignation, the Required Lenders shall have the right, subject to the consent of the Borrower (not to be unreasonably withheld or delayed) so long as no Event of Default under Sections 11.1 or 11.5 is continuing, to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States (other than any Disqualified Lender). If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Agent gives notice of its resignation (the "**Resignation Effective Date**"), then the retiring Agent may on behalf of the Lenders, appoint a successor Agent meeting the qualifications set forth above (including receipt of the Borrower's consent) after consulting with the Lenders; provided that if the Administrative Agent or the Collateral Agent shall notify the Borrower and the Lenders that no qualifying Person has accepted such appointment, then such resignation shall nonetheless become effective in accordance with such notice and the Required Lenders shall appoint a Lender to perform all of the duties of the Agent hereunder until such time as the Lenders shall appoint a successor agent as provided for above.

(b) At any time and from time to time, with or without cause, the Required Lenders may to the extent permitted by applicable law, subject to the consent of the Borrower (not to be unreasonably withheld or delayed), by notice in writing to the Borrower and the Person then acting as Administrative Agent (or Collateral Agent) remove such Person as the Administrative Agent (or Collateral Agent, as applicable) and, in consultation with the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (or such earlier day as shall be agreed by the Required Lenders and the Borrower) (the "**Removal Effective Date**"), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

(c) With effect from the Resignation Effective Date, (1) the retiring or removed agent shall be discharged from its duties and obligations hereunder and under the other Credit Documents (except that in the case of any collateral security held by the Collateral Agent on behalf of the Lenders under any of the Credit Documents, the retiring or removed Collateral Agent shall continue to hold such collateral security

as nominee until such time as a successor Collateral Agent is appointed) and (2) all payments, communications and determinations provided to be made by, to or through the retiring or removed Administrative Agent shall instead be made by or to each Lender directly, until such time as the Required Lenders appoint a successor Agent as provided for above in this paragraph (and otherwise subject to the terms above). Upon the acceptance of a successor's appointment as the Administrative Agent or the Collateral Agent, as the case may be, hereunder, and upon the execution and filing or recording of such financing statements, or amendments thereto, and such amendments or supplements to the Mortgages, and such other instruments or notices, as may be necessary or desirable, or as the Required Lenders may request, in order to continue the perfection of the Liens granted or purported to be granted by the Security Documents, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or retired) or removed Agent. Except as provided above, any resignation or removal of WT as the Administrative Agent pursuant to this Section 12.9 shall also constitute the resignation or removal of WT as the Collateral Agent. The fees payable by the Borrower (following the effectiveness of such appointment) to such Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Agent's resignation or removal hereunder and under the other Credit Documents, the provisions of this Section 12 (including Section 12.7) and Section 13.5 shall continue in effect for the benefit of such retiring or removed Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Agent was acting as an Agent.

12.10 Withholding Tax. To the extent required by any applicable law, the Administrative Agent may withhold from any payment to any Lender under any Credit Document an amount equivalent to any applicable withholding Tax. If the Internal Revenue Service or any authority of the United States or other jurisdiction asserts a claim that the Administrative Agent did not properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including because the appropriate form was not delivered, was not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstances that rendered the exemption from, or reduction of, withholding Tax ineffective) or if the Administrative Agent reasonably determines that a payment was made to a Lender pursuant to this Agreement without deduction of applicable withholding Tax from such payment, such Lender shall indemnify the Administrative Agent (to the extent that the Administrative Agent has not already been reimbursed by any applicable Credit Party and without limiting the obligation of any applicable Credit Party to do so), fully for all amounts paid, directly or indirectly, by the Administrative Agent as Tax or otherwise, including penalties, additions to Tax and interest, together with all expenses incurred, including legal expenses, allocated staff costs and any out of pocket expenses. A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Credit Document against any amount due to the Administrative Agent under this Section 12.10. The agreements in this Section 12.10 shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all other Obligations.

12.11 Agents Under Security Documents and Guarantee Each Secured Party hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit of the Secured Parties, to be the agent for and representative of the Secured Parties with respect to the Collateral and the Security Documents. Subject to Section 13.1, without further written consent or authorization from any Secured Party, the Administrative Agent or the Collateral Agent, as applicable, may execute any documents or instruments necessary to (a) release any Lien, in whole or in part, on any property granted to or held by the Administrative Agent or the Collateral Agent (or any sub-agent thereof) under any Credit Document (i) upon the Termination Date, (ii) that is sold or to be sold or transferred as part of or in

connection with any sale, disposition or other transfer permitted hereunder or under any other Credit Document to a Person that is not a Credit Party or in connection with the designation of any Restricted Subsidiary as an Unrestricted Subsidiary, (iii) if the property subject to such Lien is owned by a Guarantor, upon the release of such Guarantor from its Guarantee otherwise in accordance with the Credit Documents, (iv) as to the extent provided in the Security Documents, (v) that constitutes Excluded Property or Excluded Stock and Stock Equivalents or (vi) if approved, authorized or ratified in writing in accordance with Section 13.1; (b) release any Guarantor (other than Holdings (except as otherwise permitted by Section 10.3)) from its obligations under the Guarantee if such Person ceases to be a Restricted Subsidiary (or becomes an Excluded Subsidiary) as a result of a transaction or designation permitted hereunder; (c) subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Credit Document to the holder of any Lien permitted under clause (iv) (solely with respect to Section 10.1(d)), and (vii) of the definition of "Permitted Liens" or if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement constitutes a Permitted Lien; and (d) enter into subordination or intercreditor agreements with respect to Indebtedness to the extent the Administrative Agent or the Collateral Agent is otherwise contemplated herein as being a party to such intercreditor or subordination agreement, including the Intercreditor Agreement.

The Collateral Agent shall have its own independent right to demand payment of the amounts payable by the Borrower under this Section 12.11, irrespective of any discharge of the Borrower's obligations to pay those amounts to the other Lenders resulting from failure by them to take appropriate steps in insolvency proceedings affecting the Borrower to preserve their entitlement to be paid those amounts.

Any amount due and payable by the Borrower to the Collateral Agent under this Section 12.11 shall be decreased to the extent that the other Lenders have received (and are able to retain) payment in full of the corresponding amount under the other provisions of the Credit Documents and any amount due and payable by the Borrower to the Collateral Agent under those provisions shall be decreased to the extent that the Collateral Agent has received (and is able to retain) payment in full of the corresponding amount under this Section 12.11.

12.12 Right to Realize on Collateral and Enforce Guarantee. Anything contained in any of the Credit Documents to the contrary notwithstanding, the Borrower, the Agents, and each Secured Party hereby agree that (i) no Secured Party shall have any right individually to realize upon any of the Collateral or to enforce the Guarantee, it being understood and agreed that all powers, rights, and remedies hereunder may be exercised solely by the Administrative Agent, on behalf of the Secured Parties in accordance with the terms hereof and all powers, rights, and remedies under the Security Documents may be exercised solely by the Collateral Agent in accordance with the terms thereof, and (ii) in the event of a foreclosure by the Collateral Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Collateral Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition and the Collateral Agent, as agent for and representative of the Secured Parties (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Obligations as a credit on account of the purchase price for any collateral payable by the Collateral Agent at such sale or other disposition.

12.13 Intercreditor Agreements Govern(i). The Administrative Agent, the Collateral Agent, and each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any intercreditor agreement entered into pursuant to the terms hereof, (b) hereby authorizes

and instructs the Administrative Agent and the Collateral Agent to enter into each intercreditor agreement entered into pursuant to the terms hereof and to subject the Liens securing the Obligations to the provisions thereof, and (c) hereby authorizes and instructs the Administrative Agent and the Collateral Agent to enter into any intercreditor agreement that includes, or to amend any then-existing intercreditor agreement to provide for, the terms described in the definition of Permitted Other Indebtedness.

The foregoing provisions are intended as an inducement to the lenders under the First Lien Credit Documents to extend credit to the Credit Parties and such lenders are intended third party beneficiaries of such provisions. In the event of any conflict or inconsistency between the provisions of the Intercreditor Agreement and this Agreement, the provisions of the Intercreditor Agreement shall control.

Section 13. Miscellaneous.

13.1 Amendments, Waivers, and Releases. Except as otherwise expressly set forth in the Credit Documents, neither this Agreement nor any other Credit Document, nor any terms hereof or thereof, may be amended, supplemented or modified except in accordance with the provisions of this Section 13.1. Except as provided to the contrary in the Credit Documents (including under (I) Section 2.14 or 2.15 or (II) the sixth and seventh paragraphs hereof in respect of Replacement Term Loans or (III) the second proviso below), the Required Lenders may, or, with the written consent of the Required Lenders, the Administrative Agent and/or the Collateral Agent may, from time to time, (a) enter into with Holdings or the relevant Credit Party or Credit Parties written amendments, supplements or modifications hereto and to the other Credit Documents for the purpose of adding any provisions to this Agreement or the other Credit Documents or changing in any manner the rights of the Lenders or of Holdings or the Credit Parties hereunder or thereunder or (b) waive in writing, on such terms and conditions as the Required Lenders or the Administrative Agent and/or the Collateral Agent, as the case may be, may specify in such instrument, any of the requirements of this Agreement or the other Credit Documents or any Default or Event of Default and its consequences; provided, however, that each such waiver and each such amendment, supplement or modification shall be effective only in the specific instance and for the specific purpose for which given; and provided, further, that no such waiver and no such amendment, supplement or modification shall (x) (i) forgive or reduce any portion of any Loan or extend the final scheduled maturity date of any Loan or reduce the stated rate (it being understood that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay interest at the Default Rate or amend Section 2.8(c)), or forgive any portion thereof, or extend the date for the payment, of any principal, interest or fee hereunder (other than as a result of waiving the applicability of any post-default increase in interest rates), or amend or modify any provisions of Section 13.20, or make any Loan, interest, Fee or other amount payable in any currency other than expressly provided herein, in each case without the written consent of each Lender directly and adversely affected thereby; provided that a waiver of any condition precedent in Section 6 or 7 of this Agreement, the waiver of any Default, Event of Default, default interest, mandatory

prepayment or reductions, any modification, waiver or amendment to the financial covenant definitions or financial ratios or any component thereof or the waiver of any other covenant shall not constitute an increase of any Commitment of a Lender, a reduction or forgiveness in the interest rates or the fees or premiums or a postponement of any date scheduled for the payment of principal, premium or interest or an extension of the final maturity of any Loan or the scheduled termination date of any Commitment, in each case for purposes of this clause (i), or (ii) consent to the assignment or transfer by the Borrower of its rights and obligations under any Credit Document to which it is a party (except as permitted pursuant to Section 10.3), in each case without the written consent of each Lender directly and adversely affected thereby, or (iii) amend, modify or waive any provision of Section 12 without the written consent of the then-current Administrative Agent and Collateral Agent in a manner that directly and adversely affects such Person, or (iv) release all or substantially all of the Guarantors under the Guarantees (except as expressly permitted by the Guarantees, the Intercreditor Agreement or this Agreement) or release all or substantially all of the Collateral under the Security Documents (except as expressly permitted by the Security Documents, the Intercreditor Agreement or this Agreement) without the prior written consent of each Lender, or (v) alter the ratable payments required by Section 5.3(a), Section 11.13(ii), Section 13.8(a) or Section 13.20 without the written consent of each Lender directly and adversely affected thereby, or (vi) reduce the percentages specified in the definitions of the term Required Lenders or amend, modify or waive any provision of this Section 13.1 that has the effect of decreasing the number of Lenders that must approve any amendment, modification or waiver, without the written consent of each Lender directly and adversely affected thereby, (y) notwithstanding anything to the contrary in clause (x), (i) extend the final expiration date of any Lender's Commitment or (ii) increase the aggregate amount of the Commitments of any Lender, in each case, without the written consent of such Lender, or (z) in connection with an amendment that addresses solely a repricing transaction in which any Class of Term Loans is refinanced with a replacement Class of Term Loans bearing (or is modified in such a manner such that the resulting Term Loans bear) a lower Effective Yield (a "**Permitted Repricing Amendment**"), require the consent of any Lender other than the consent of the Lenders holding Term Loans subject to such permitted repricing transaction that will continue as a Lender in respect of the repriced tranche of Term Loans or modified Term Loans.

Any such waiver and any such amendment, supplement or modification shall apply equally to each of the affected Lenders and shall be binding upon Holdings, the Borrower, such Lenders, the Administrative Agent and all future holders of the affected Loans. In the case of any waiver, Holdings, the Borrower, the Lenders and the Administrative Agent shall be restored to their former positions and rights hereunder and under the other Credit Documents, and any Default or Event of Default waived shall be deemed to be cured and not continuing, it being understood that no such waiver shall extend to any subsequent or other Default or Event of Default or impair any right consequent thereon. In connection with the foregoing provisions, the Administrative Agent may, but shall have no obligations to, with the concurrence of any Lender, execute amendments, modifications, waivers or consents on behalf of such Lender.

Notwithstanding the foregoing, in addition to any credit extensions and related Joinder Agreement(s) effectuated without the consent of Lenders in accordance with Section 2.14, this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (a) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Credit Documents with the Term Loans and the accrued interest and fees in respect thereof and (b) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders and other definitions related to such New Term Loans.

In addition, notwithstanding the foregoing, this Agreement may be amended with the written consent of the Administrative Agent, Holdings, the Borrower and the Lenders providing the relevant Replacement Term Loans to permit the refinancing of all outstanding Term Loans of any Class ("**Refinanced Term Loans**") with a replacement term loan tranche ('**Replacement Term Loans**") hereunder; provided that (a) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of such Refinanced Term Loans (*plus* an amount equal to all accrued but unpaid interest, fees, premiums, and expenses incurred in connection therewith), (b) the Applicable Margin for such Replacement Term Loans shall not be higher than the Applicable Margin for such Refinanced Term Loans, unless any such Applicable Margin applies after the Initial Term Loan Maturity Date, (c) the weighted average life to maturity of such Replacement Term Loans shall not be shorter than the weighted average life to maturity of such Refinanced Term Loans at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Term Loans), and (d) the covenants, events of default and guarantees shall be not materially more restrictive (taken as a whole) (as determined in good faith by the Borrower) to the Lenders providing such Replacement Term Loans than the covenants, events of default and guarantees applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants, events of default and guarantees applicable to any period after the maturity date in respect of the Refinanced Term Loans in effect immediately prior to such refinancing.

The Lenders hereby irrevocably agree that the Liens granted to the Collateral Agent by the Credit Parties on any Collateral shall be automatically released (i) in full, upon the Termination Date, (ii) upon the sale or other disposition of such Collateral (including as part of or in connection with any other sale or other disposition permitted hereunder) to any Person other than another Credit Party, to the extent such sale or other disposition is made in compliance with the terms of this Agreement (and the Collateral Agent may rely conclusively on a certificate to that effect provided to it by any Credit Party upon its reasonable request without further inquiry), (iii) to the extent such Collateral is comprised of property leased to a Credit Party, upon termination or expiration of such lease, (iv) if the release of such Lien is approved, authorized or ratified in writing by the Required Lenders (or such other percentage of the Lenders whose consent may be required in accordance with this Section 13.1), (v) to the extent the property constituting such Collateral is owned by any Guarantor, upon the release of such Guarantor from its obligations under the applicable Guarantee (in accordance with the second following sentence), (vi) as required to effect any sale or other disposition of Collateral in connection with any exercise of remedies of the Collateral Agent pursuant to the Security Documents, and (vii) if such assets constitute Excluded Property or Excluded Stock and Stock Equivalents. Any such release shall not in any manner discharge, affect, or impair the Obligations or any Liens (other than those being released) upon (or obligations (other than those being released) of the Credit Parties in respect of) all interests retained by the Credit Parties, including the proceeds of any sale, all of which shall continue to constitute part of the Collateral except to the extent otherwise released in accordance with the provisions of the Credit Documents. Additionally, the Lenders hereby irrevocably agree that any Restricted Subsidiary that is a Guarantor shall be released from the Guarantees upon consummation of any transaction not prohibited hereunder resulting in such Subsidiary ceasing to constitute a Restricted Subsidiary or otherwise no longer being required to be a Guarantor hereunder. The Lenders hereby authorize the Administrative Agent and the Collateral Agent, as applicable, to execute and deliver any instruments, documents, and agreements necessary or desirable to evidence and confirm the release of any Guarantor or Collateral pursuant to the foregoing provisions of this paragraph, all without the further consent or joinder of any Lender.

Notwithstanding anything herein to the contrary, the Credit Documents may be amended to add syndication or documentation agents and make customary changes and references related thereto with the consent of only the Borrower and the Administrative Agent.

Notwithstanding anything in this Agreement (including, without limitation, this Section 13.1) or any other Credit Document to the contrary, (i) this Agreement and the other Credit Documents may be amended to effect an incremental facility or extension facility pursuant to Section 2.14 (and the Administrative Agent and the Borrower may effect such amendments to this Agreement and the other Credit Documents without the consent of any other party as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the terms of any such incremental facility or extension facility); (ii) no Lender consent is required to effect any amendment or supplement to the Intercreditor Agreement or other intercreditor agreement or arrangement permitted under this Agreement that is for the purpose of adding the holders of any Indebtedness as expressly contemplated by the terms of the Intercreditor Agreement or such other intercreditor agreement or arrangement permitted under this Agreement, as applicable (it being understood that any such amendment or supplement may make such other changes to the applicable intercreditor agreement as, in the good faith determination of the Administrative Agent in consultation with the Borrower, are required to effectuate the foregoing; provided that such other changes are not adverse, in any material respect, to the interests of the Lenders taken as a whole); provided, further, that no such agreement shall amend, modify or otherwise directly and adversely affect the rights or duties of the Administrative Agent hereunder or under any other Credit Document without the prior written consent of the Administrative Agent; (iii) any provision of this Agreement or any other Credit Document may be amended by an agreement in writing entered into by the Borrower and the Administrative Agent to (x) cure any ambiguity, omission, mistake, defect or inconsistency (as reasonably determined by the Administrative Agent and the Borrower) or (y) effect administrative changes of a technical or immaterial nature and such amendment shall be deemed approved by the Lenders if the Lenders shall have received at least five Business Days' prior written notice of such change and the Administrative Agent shall not have received, within five Business Days of the date of such notice to the Lenders, a written notice from the Required Lenders stating that the Required Lenders object to such amendment; and (iv) guarantees, collateral documents and related documents executed by Holdings and the Credit Parties in connection with this Agreement may be in a form reasonably determined by the Administrative Agent and the Required Lenders and may be, together with any other Credit Document, entered into, amended, supplemented or waived, without the consent of any other Person, by Holdings or the applicable Credit Party or Credit Parties and the Administrative Agent or the Collateral Agent (at the instruction of the Required Lenders in their respective sole discretion, except as otherwise specified below), to (A) effect the granting, perfection, protection, expansion or enhancement of any security interest in any Collateral or additional property to become Collateral for the benefit of the Secured Parties, (B) as required by local law or advice of counsel to give effect to, or protect any security interest for the benefit of the Secured Parties, in any property or so that the security interests therein comply with applicable Requirements of Law, or (C) to cure ambiguities, omissions, mistakes or defects or to cause such guarantee, collateral security document or other document to be consistent with this Agreement and the other Credit Documents (in each case as reasonably determined by the Administrative Agent and the Borrower).

Notwithstanding anything in this Agreement or any Security Document to the contrary, the Administrative Agent may, at the instruction of the Required Lenders in their sole discretion, grant extensions of time for the satisfaction of any of the requirements under Sections 9.12, 9.13 and 9.14 or any Security Documents in respect of any particular Collateral or any particular Subsidiary if it determines that the satisfaction thereof with respect to such Collateral or such Subsidiary cannot be accomplished without undue expense or unreasonable effort or due to factors beyond the control of Holdings, the Borrower and the Restricted Subsidiaries by the time or times at which it would otherwise be required to be satisfied under this Agreement or any Security Document.

13.2 Notices. Unless otherwise expressly provided herein, all notices and other communications provided for hereunder or under any other Credit Document shall be in writing (including by facsimile transmission). All such written notices shall be mailed, faxed or delivered to the applicable address, facsimile number or electronic mail address, and all notices and other communications expressly permitted hereunder to be given by telephone shall be made to the applicable telephone number, as follows:

(a) if to Holdings, the Borrower, the Administrative Agent or the Collateral Agent, to the address, facsimile number, electronic mail address or telephone number specified for such Person on Schedule 13.2 or to such other address, facsimile number, electronic mail address or telephone number as shall be designated by such party in a notice to the other parties; and

All such notices and other communications shall be deemed to be given or made upon the earlier to occur of (i) actual receipt by the relevant party hereto and (ii) (A) if delivered by hand or by courier, when signed for by or on behalf of the relevant party hereto; (B) if delivered by mail, three Business Days after deposit in the mails, postage prepaid; (C) if delivered by facsimile, when sent and receipt has been confirmed by telephone; and (D) if delivered by electronic mail, when delivered; provided that notices and other communications to the Administrative Agent or the Lenders pursuant toSections 2.3, 2.6, 2.9 and 5.1 shall not be effective until received.

13.3 No Waiver; Cumulative Remedies. No failure to exercise and no delay in exercising, on the part of the Administrative Agent, the Collateral Agent or any Lender, any right, remedy, power or privilege hereunder or under the other Credit Documents shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. The rights, remedies, powers and privileges herein provided are cumulative and not exclusive of any rights, remedies, powers, and privileges provided by law.

13.4 Survival of Representations and Warranties. All representations and warranties made hereunder, in the other Credit Documents and in any document, certificate or statement delivered pursuant hereto or in connection herewith shall survive the execution and delivery of this Agreement and the making of the Loans hereunder.

13.5 Payment of Expenses; Indemnification.

(a) Each of Holdings and the Borrower, jointly and severally, agree (i) to pay or reimburse each of the Agents for all their reasonable and documented out-of-pocket costs and expenses (without duplication) incurred in connection with the development, preparation, execution and delivery of, and any amendment, supplement, modification to, waiver and/or enforcement this Agreement and the other Credit Documents and any other documents prepared in connection herewith or therewith, and the consummation and administration of the transactions contemplated hereby and thereby, including the reasonable fees, disbursements and other charges of Gibson, Dunn & Crutcher LLP (or such other counsel as may be agreed by the Required Lenders and the Borrower) and of Duane Morris LLP (or such other counsel as may be agreed by the Administrative Agent and the Borrower), one counsel in each relevant local jurisdiction with the consent of the Borrower (such consent not to be unreasonably withheld or delayed), (ii) to pay or reimburse each Agent for all their reasonable and documented out-of-pocket costs and expenses incurred in connection with the enforcement or preservation of any rights under this Agreement, the other Credit Documents and any such other documents, including the reasonable fees, disbursements and other charges of one firm or counsel to each of the Administrative Agent and the Collateral Agent, each other Agent, and, to the extent required, one firm or local counsel for each Agent in each relevant local jurisdiction with the Borrower's consent (such consent not to be unreasonably withheld or delayed) (which may include a single special counsel acting in multiple jurisdictions), and (iii) to pay, indemnify and hold harmless each Lender,

each Agent and their respective Related Parties (without duplication) (the "**Indemnified Persons**") from and against any and all losses, claims, damages, liabilities, obligations, demands, actions, judgments, suits, costs, expenses, disbursements or penalties of any kind or nature whatsoever (and the reasonable and documented out-of-pocket fees, expenses, disbursements and other charges of one firm of counsel for all Indemnified Persons, taken as a whole (and, in the case of an actual or perceived conflict of interest where the Indemnified Person affected by such conflict notifies the Borrower of any existence of such conflict and in connection with the investigating or defending any of the foregoing (including the reasonable fees) has retained its own counsel, of another firm of counsel in each relevant jurisdiction for such affected Indemnified Person), and to the extent required, one firm or local counsel in each relevant jurisdiction (which may include a single special counsel acting in multiple jurisdictions)) of any such Indemnified Person arising out of or with respect to the Transactions or to the execution, enforcement, delivery, performance and administration of this Agreement, the other Credit Documents and any such other documents or relating to any action, claim, litigation, investigation or other proceeding (regardless of whether such Indemnified Person is a party thereto or whether or not such action, claim, litigation or proceeding was brought by Holdings, any of its Subsidiaries or any other Person), arising out of, or relating to the foregoing, including any of the foregoing relating to the violation of, noncompliance with or liability under, any Environmental Law relating in any way to the Borrower or any of its Subsidiaries or any actual or alleged presence, Release or threatened Release of Hazardous Materials relating in any way to Borrower or any of its Subsidiaries (all the foregoing in this clause (iii), collectively, the "**Indemnified Liabilities**"); provided that Holdings and the Borrower shall have no obligation hereunder to any Indemnified Person with respect to Indemnified Liabilities to the extent arising from (i) the gross negligence, bad faith or willful misconduct of such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction, (ii) a material breach of the obligations of such Indemnified Person or any of its Related Parties under the terms of this Agreement by such Indemnified Person or any of its Related Parties as determined in a final and non-appealable judgment of a court of competent jurisdiction or (iii) any proceeding between and among Indemnified Persons that does not involve an act or omission by Holdings, the Borrower or their respective Restricted Subsidiaries; provided that the exception for bad faith set forth in clause (i) and the exceptions set forth in clause (ii) of the immediately preceding proviso shall not apply to the Agents and shall not limit or impair the right of the Agents to indemnification and reimbursement; provided further, with respect to the forgoing clause (iii), the Agents, to the extent acting in their capacity as such, shall remain indemnified in respect of such proceeding, to the extent that the exceptions set forth in clause (i) (other than bad faith, which is not applicable to the Agents) of the immediately preceding proviso applies to such person at such time. The agreements in this Section 13.5 shall survive repayment of the Loans and all other amounts payable hereunder. This Section 13.5 shall not apply with respect to Taxes, other than any Taxes that represent losses, claims, damages, liabilities, obligations, penalties, actions, judgments, suits, costs, expenses or disbursements arising from any non-Tax claim.

(b) No Credit Party nor any Indemnified Person shall have any liability for any special, punitive, indirect or consequential damages resulting from this Agreement or any other Credit Document or arising out of its activities in connection herewith or therewith (whether before or after the Closing Date); provided that the foregoing shall not limit Holdings' and the Borrower's indemnification obligations to the Indemnified Persons pursuant toSection 13.5(a) in respect of damages incurred or paid by an Indemnified Person to a third party. No Indemnified Person shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Credit Documents or the transactions contemplated hereby or thereby, except to the extent that such damages have resulted from the willful misconduct, bad faith or gross negligence of any Indemnified Person or any of its Related Parties as determined by a final and non-appealable judgment of a court of competent jurisdiction; provided that the foregoing exception for bad faith shall not apply to the Agents and shall not limit or impair any release or exculpation of the Agents.

13.6 Successors and Assigns; Participations and Assignments.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby, except that (i) except as expressly permitted by Section 10.3, the Borrower may not assign or otherwise transfer any of their rights or obligations hereunder without the prior written consent of the Administrative Agent and each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void) and (ii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section 13.6. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby, Participants (to the extent provided in clause (c) of this Section 13.6) and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Agent and the Lenders and each other Person entitled to indemnification under Section 13.5) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth inclause (b)(ii) below and Section 13.7, any Lender may at any time assign to one or more assignees all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans at the time owing to it) with the prior written consent (such consent not to be unreasonably withheld or delayed; it being understood that the relevant Person shall have the right to withhold their consent to any assignment if, in order for such assignment to comply with applicable law, the Borrower would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority) of:

(A) the Borrower (not to be unreasonably withheld or delayed);provided that no consent of the Borrower shall be required (1) for an assignment of Term Loans to (X) a Lender, (Y) an Affiliate of a Lender, or (Z) an Approved Fund, (2) for an assignment of Loans or Commitments to any assignee if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing or (3) with respect to the Term Loans only, unless the Borrower has already objected thereto by delivering written notice to the Administrative Agent within ten (10) Business Days after the receipt of a written request for consent thereto; and

(B) the Administrative Agent (not to be unreasonably withheld or delayed);provided that no consent of the Administrative Agent shall be required for an assignment of any Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund.

Notwithstanding the foregoing, no such assignment shall be made to (i) a natural Person, or Disqualified Lender. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Persons who are Disqualified Lenders at any time.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall not be less than $1,000,000, unless each of the Borrower and the Administrative Agent otherwise consents (which

consents shall not be unreasonably withheld or delayed); provided that no such consent of the Borrower shall be required if an Event of Default under Section 11.1 or Section 11.5 has occurred and is continuing; provided, further, that contemporaneous assignments by a Lender and its Affiliates or Approved Funds shall be aggregated for purposes of meeting the minimum assignment amount requirements stated above (and simultaneous assignments to or by two or more Related Funds shall be treated as one assignment), if any;

(B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement; provided that this clause shall not be construed to prohibit the assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans;

(C) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance via an electronic settlement system or other method reasonably acceptable to the Administrative Agent, together with a processing and recordation fee in the amount of $3,500; provided that the Administrative Agent may, in its sole discretion, elect to waive such processing and recordation fee in the case of any assignment; provided, further, that such processing and recordation fee shall not be payable in the case of assignments by any Agent or any of its Affiliates;

(D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an administrative questionnaire in a form approved by the Administrative Agent (the "**Administrative Questionnaire**") and applicable tax forms (as required under Section 5.4(e)); and

(E) any assignment to the Borrower, any Subsidiary or an Affiliated Lender (other than an Affiliated Institutional Lender) shall also be subject to the requirements of Section 13.6(h).

For the avoidance of doubt, the Administrative Agent bears no responsibility for tracking or monitoring assignments to or participations by any Affiliated Lender or any Disqualified Lender.

(iii) Subject to acceptance and recording thereof pursuant to clause (b)(v) of this Section 13.6, from and after the effective date specified in each Assignment and Acceptance, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.10, 2.11, 5.4 and 13.5). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section 13.6 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with clause (c) of this Section 13.6. For the avoidance of doubt, in case of an assignment to a new Lender pursuant to this Section 13.6, (i) the Administrative Agent, the new Lender and other Lenders shall acquire the same rights and assume the same obligations between themselves as they would have acquired and assumed had the new Lender been an original Lender signatory to this Agreement with the rights and/or obligations acquired or assumed by it as a result of the assignment and to the extent of the assignment the assigning Lender shall each be released from further obligations under the Credit Documents and (ii) the benefit of each Security Document shall be maintained in favor of the new Lender.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of the Borrower, shall maintain at the Administrative Agent's Office a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amount of the Loans (and stated interest amounts) owing to each Lender pursuant to the terms hereof from time to time (the "**Register**"). The entries in the Register shall be conclusive, absent manifest error, and the Borrower, the Administrative Agent, the Collateral Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower, the Collateral Agent, the Administrative Agent and its Affiliates and, with respect to itself, any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(v) Upon its receipt of a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and applicable tax forms (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in clause (b) of this Section 13.6 and any written consent to such assignment required by clause (b) of this Section 13.6, the Administrative Agent shall promptly accept such Assignment and Acceptance and record the information contained therein in the Register. No assignment, whether or not evidenced by a promissory note, shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this clause (b)(v).

(c) (i) Any Lender may, without the consent of the Borrower or the Administrative Agent, sell participations to one or more banks or other entities (other than (x) a natural person, (y) Holdings and its Subsidiaries and (z) any Disqualified Lender provided, however, that, notwithstanding clause (z) hereof, participations may be sold to Disqualified Lenders unless a list of Disqualified Lenders has been made available to all Lenders who so request) (each, a "**Participant**") in all or a portion of such Lender's rights and obligations under this Agreement (including all or a portion of its Commitments and the Loans owing to it); provided that (A) such Lender's obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, and (C) the Borrower, the Administrative Agent and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. For the avoidance of doubt, the Administrative Agent shall bear no responsibility or liability for monitoring and enforcing the list of Disqualified Lenders or the sales of participations thereto at any time. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce this Agreement and to approve any amendment, modification or waiver of any provision of this Agreement or any other Credit Document; provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in clauses (i) and (vii) of the second proviso to Section 13.1 that affects such Participant. Subject to clause (c)(ii) of this Section 13.6, the Borrower agree that each Participant shall be entitled to the benefits of Sections 2.10, 2.11, and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the participating Lender)). To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 13.8(b) as though it were a Lender; provided such Participant shall be subject to Section 13.8(a) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than the applicable Lender would have been entitled to receive absent the sale of such the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld). Each Lender that

sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest amounts) of each Participant's interest in the Loans or other obligations under this Agreement (the "**Participant Register**"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. No Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, or its other obligations under any Credit Document) except to the extent that such disclosure is necessary to establish that such commitment, loan or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations.

(d) Any Lender may, without the consent of the Borrower or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank, or other central bank having jurisdiction over such Lender and this Section 13.6 shall not apply to any such pledge or assignment of a security interest; provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Subject to Section 13.16, the Borrower authorizes each Lender to disclose to any Participant, secured creditor of such Lender or assignee (each, a "**Transferee**") and any prospective Transferee any and all financial information in such Lender's possession concerning the Borrower and its Affiliates that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates pursuant to this Agreement or that has been delivered to such Lender by or on behalf of the Borrower and its Affiliates in connection with such Lender's credit evaluation of the Borrower and its Affiliates prior to becoming a party to this Agreement.

(f) The words "execution," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Acceptances, amendments or other modifications, Notices of Borrowing, waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

(g) SPV Lender. Notwithstanding anything to the contrary contained herein, any Lender (a "**Granting Lender**") may grant to a special purpose funding vehicle (an "**SPV**"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make the Borrower pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the

termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it shall not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 13.6, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and the Administrative Agent (as instructed by the Required Lenders)) other than a Disqualified Lender providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) subject to Section 13.16, disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV. This Section 13.6(g) may not be amended without the written consent of the SPV. Notwithstanding anything to the contrary in this Agreement but subject to the following sentence, each SPV shall be entitled to the benefits of Sections 2.10, 2.11 and 5.4 to the same extent as if it were a Lender (subject to the limitations and requirements of those Sections as though it were a Lender and had acquired its interest by assignment pursuant to clause (b) of this Section 13.6, including the requirements of clause (e) of Section 5.4 (it being agreed that any documentation required under Section 5.4(e) shall be provided to the Granting Lender)). Notwithstanding the prior sentence, an SPV shall not be entitled to receive any greater payment under Section 2.10, 2.11 or 5.4 than its Granting Lender would have been entitled to receive absent the grant to such SPV, unless such grant to such SPV is made with the Borrower's prior written consent (which consent shall not be unreasonably withheld).

(h) Notwithstanding anything to the contrary contained herein, (x) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to the Borrower, any Subsidiary or an Affiliated Lender and (y) the Borrower and any Subsidiary may, from time to time, purchase or prepay Term Loans, in each case, on a non-pro rata basis through (1) Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Borrower and the Auction Agent or (2) open market purchases; provided that:

(i) any Loans or Commitments acquired the Borrower or any other Subsidiary shall be retired and cancelled promptly upon the acquisition thereof;

(ii) by its acquisition of Loans or Commitments, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) it shall not have any right to (i) attend or participate in (including, in each case, by telephone) any meeting (including "Lender only" meetings) or discussions (or portion thereof) among the Administrative Agent or any Lender to which representatives of the Borrower are not then present, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among the Administrative Agent and one or more Lenders or any other material which is "Lender only", except to the extent such information or materials have been made available to the Borrower or its representatives (and in any case, other than the right to receive notices of prepayments and other administrative notices in respect of its Loans required to be delivered to Lenders pursuant to Section 2) or receive any advice of counsel to the Administrative Agent or (iii) make any challenge to the Administrative Agent's or any other Lender's attorney-client privilege on the basis of its status as a Lender; and

(B) except with respect to any amendment, modification, waiver, consent or other action (I) in Section 13.1 requiring the consent of all Lenders, all Lenders directly and adversely affected or specifically such Lender, (II) that alters an Affiliated Lender's pro rata share of any payments given to all Lenders, or (III) affects the Affiliated Lender (in its capacity as a Lender) in a manner that is disproportionate to the effect on any Lender in the same Class, the Loans held by an Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote (and, in the case of a plan of reorganization that does not affect the Affiliated Lender in a manner that is materially adverse to such Affiliated Lender relative to other Lenders, shall be deemed to have voted its interest in the Term Loans in the same proportion as the other Lenders) (and shall be deemed to have been voted in the same percentage as all other applicable Lenders voted if necessary to give legal effect to this paragraph); and

(iii) the aggregate principal amount of Term Loans held at any one time by Affiliated Lenders may not exceed 30% of the aggregate principal amount of all Term Loans outstanding at the time of such purchase; and

(iv) any such Loans acquired by an Affiliated Lender may, with the consent of the Borrower, be contributed to the Borrower and exchanged for debt or equity securities that are otherwise permitted to be issued at such time (and such Loans or Commitments shall be retired and cancelled promptly).

For avoidance of doubt, the foregoing limitations shall not be applicable to Affiliated Institutional Lenders. None of the Borrower, any Subsidiary or any Affiliated Lender shall be required to make any representation that it is not in possession of information which is not publicly available and/or material with respect to the Borrower and its Subsidiaries or their respective securities for purposes of U.S. federal and state securities laws.

13.7 Replacements of Lenders Under Certain Circumstances

(a) The Borrower shall be permitted (x) to replace any Lender or (y) to terminate the Commitment of such Lender and repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date that (a) requests reimbursement for amounts owing pursuant to Sections 2.10 or 5.4 or (b) is affected in the manner described in Section 2.10(a)(iii) and as a result thereof any of the actions described in such Section is required to be taken with a replacement bank or other financial institution; provided that (i) such replacement does not conflict with any Requirements of Law, (ii) no Event of Default under Sections 11.1 or 11.5 shall have occurred and be continuing at the time of such replacement, (iii) the Borrower shall repay (or the replacement bank or institution shall purchase, at par) all Loans and other amounts pursuant to Sections 2.10, 2.11 or 5.4, as the case may be, owing to such replaced Lender prior to the date of replacement, (iv) the replacement bank or institution, if not already a Lender, an Affiliate of a Lender, an Affiliated Lender or Approved Fund, and the terms and conditions of such replacement, shall be reasonably satisfactory to the Administrative Agent and the Required Lenders, (v) the replacement bank or institution, if not already a Lender shall be subject to the provisions of Section 13.6(b), (vi) the replaced Lender shall

be obligated to make such replacement in accordance with the provisions of Section 13.6 (provided that unless otherwise agreed the Borrower shall be obligated to pay the registration and processing fee referred to therein), and (vii) any such replacement shall not be deemed to be a waiver of any rights that the Borrower, the Administrative Agent or any other Lender shall have against the replaced Lender.

(b) If any Lender (such Lender, a "**Non-Consenting Lender**") has failed to consent to a proposed amendment, waiver, discharge or termination that pursuant to the terms of Section 13.1 requires the consent of either (i) all of the Lenders directly and adversely affected or (ii) all of the Lenders, and, in each case, with respect to which the Required Lenders (or at least 50.1% of the directly and adversely affected Lenders) shall have granted their consent, then, the Borrower shall have the right (unless such Non-Consenting Lender grants such consent) to (x) replace such Non-Consenting Lender by requiring such Non-Consenting Lender to assign its Loans, and its Commitments hereunder to one or more assignees reasonably acceptable to the Administrative Agent (to the extent such consent would be required under Section 13.6) and repay all Obligations of the Borrower due and owing to such Lender relating to the Loans and participations held by such Lender as of such termination date; provided that (a) all Obligations hereunder of the Borrower owing to such Non-Consenting Lender being replaced shall be paid in full to suchNon-Consenting Lender concurrently with such assignment including any amounts that such Lender may be owed pursuant to Section 2.11, and (b) the replacement Lender shall purchase the foregoing by paying to suchNon-Consenting Lender a price equal to the principal amount thereof *plus* accrued and unpaid interest thereon, and (c) the Borrower shall pay to suchNon-Consenting Lender the amount, if any, owing to such Lender pursuant to Section 5.1(b). In connection with any such assignment, the Borrower, the Administrative Agent, such Non-Consenting Lender and the replacement Lender shall otherwise comply with Section 13.6.

13.8 Adjustments; Set-off.

(a) Except as contemplated in Section 13.6 or elsewhere herein (or in the Intercreditor Agreement), if any Lender (a '**Benefited Lender**") shall at any time receive any payment of all or part of its Loans, or interest thereon, or receive any collateral in respect thereof (whether voluntarily or involuntarily, by set-off, pursuant to events or proceedings of the nature referred to inSection 11.5, or otherwise), in a greater proportion than any such payment to or collateral received by any other Lender, if any, in respect of such other Lender's Loans, or interest thereon, such Benefited Lender shall purchase for cash from the other Lenders a participating interest in such portion of each such other Lender's Loan, or shall provide such other Lenders with the benefits of any such collateral, or the proceeds thereof, as shall be necessary to cause such Benefited Lender to share the excess payment or benefits of such collateral or proceeds ratably with each of the Lenders; provided, however, that if all or any portion of such excess payment or benefits is thereafter recovered from such Benefited Lender, such purchase shall be rescinded, and the purchase price and benefits returned, to the extent of such recovery, but without interest.

(b) After the occurrence and during the continuance of an Event of Default, in addition to any rights and remedies of the Lenders provided by law, each Lender shall have the right, without prior notice to the Credit Parties but with the prior consent of the Administrative Agent, any such notice being expressly waived by the Credit Parties to the extent permitted by applicable law, upon any amount becoming due and payable by the Credit Parties hereunder (whether at the stated maturity, by acceleration or otherwise) to set-off and appropriate and apply against such amount any and all deposits (general or special, time or demand, provisional or final) (other than payroll, trust, tax, fiduciary, and petty cash accounts), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Lender or any branch or agency thereof to or for the credit or the account of the Credit Parties. Each Lender agrees promptly to notify the Credit Parties and the Administrative Agent after any such set-off and application made by such Lender; provided that the failure to give such notice shall not affect the validity of such set-off and application.

13.9 Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by facsimile or other electronic transmission), and all of said counterparts taken together shall be deemed to constitute one and the same instrument. A set of the copies of this Agreement signed by all the parties shall be lodged with the Borrower and the Administrative Agent.

13.10 Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

13.11 Integration. This Agreement and the other Credit Documents represent the agreement of Holdings, the Borrower, the Collateral Agent, the Administrative Agent and the Lenders with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by Holdings, the Borrower, the Administrative Agent, the Collateral Agent nor any Lender relative to subject matter hereof not expressly set forth or referred to herein or in the other Credit Documents.

13.12 GOVERNING LAW. THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.

13.13 Submission to Jurisdiction; Waivers. Each party hereto irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Credit Documents to which it is a party to the exclusive general jurisdiction of the courts of the State of New York or the courts of the United States for the Southern District of New York, in each case sitting in New York City in the Borough of Manhattan, and appellate courts from any thereof;

(b) consents that any such action or proceeding shall be brought in such courts and waives any right to any other jurisdiction to which it may be entitled on account of its present or future place of residence or domicile or any other reason, any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same or to commence or support any such action or proceeding in any other courts;

(c) agrees that service of process in any such action or proceeding shall be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Person at its address set forth on Schedule 13.2 or such other address of which the Administrative Agent shall have been notified pursuant to Section 13.2;

(d) agrees that nothing herein shall affect the right of the Administrative Agent, the Collateral Agent or any other Secured Party to effect service of process in any other manner permitted by law or to commence legal proceedings or otherwise proceed against Holdings, the Borrower or any other Credit Party in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section 13.13 any special, exemplary, punitive or consequential damages; provided that nothing in this clause (e) shall limit the Credit Parties' indemnification obligations set forth in Section 13.5.

13.14 Acknowledgments. Each of Holdings and the Borrower hereby acknowledges that:

(a) it has been advised by counsel in the negotiation, execution, and delivery of this Agreement and the other Credit Documents;

(b) (i) the credit facilities provided for hereunder and any related arranging or other services in connection therewith (including in connection with any amendment, waiver or other modification hereof or of any other Credit Document) are an arm's-length commercial transaction between the Borrower and the other Credit Parties, on the one hand, and the Administrative Agent, the Lenders and the other Agents on the other hand, and the Borrower and the other Credit Parties are capable of evaluating and understanding and understand and accept the terms, risks and conditions of the transactions contemplated hereby and by the other Credit Documents (including any amendment, waiver or other modification hereof or thereof);

(ii) in connection with the process leading to such transaction, each of the Administrative Agent and the other Agents, is and has been acting solely as a principal and is not the financial advisor, agent or fiduciary for the Borrower, any other Credit Parties or any of their respective Affiliates, equity holders, creditors or employees, or any other Person;

(iii) neither the Administrative Agent nor any other Agent has assumed or will assume an advisory, agency or fiduciary responsibility in favor of the Borrower or any other Credit Party with respect to any of the transactions contemplated hereby or the process leading thereto, including with respect to any amendment, waiver or other modification hereof or of any other Credit Document (irrespective of whether the Administrative Agent or other Agent has advised or is currently advising the Borrower, the other Credit Parties or their respective Affiliates on other matters) and neither the Administrative Agent or other Agent has any obligation to the Borrower, the other Credit Parties or their respective Affiliates with respect to the transactions contemplated hereby except those obligations expressly set forth herein and in the other Credit Documents;

(iv) the Administrative Agent, each other Agent and each Affiliate of the foregoing may be engaged in a broad range of transactions that involve interests that differ from those of the Borrower and its Affiliates, and neither the Administrative Agent nor any other Agent has any obligation to disclose any of such interests by virtue of any advisory, agency or fiduciary relationship; and

(v) neither the Administrative Agent nor any other Agent has provided and none will provide any legal, accounting, regulatory or tax advice with respect to any of the transactions contemplated hereby (including any amendment, waiver or other modification hereof or of any other Credit Document) and the Borrower has consulted their own legal, accounting, regulatory and tax advisors to the extent it has deemed appropriate. The Borrower hereby agrees that it will not claim that any Agent owes a fiduciary or similar duty to the Credit Parties in connection with the Transactions contemplated hereby and waives and releases, to the fullest extent permitted by law, any claims that it may have against the Administrative Agent or any other Agent with respect to any breach or alleged breach of agency or fiduciary duty; and

(c) no joint venture is created hereby or by the other Credit Documents or otherwise exists by virtue of the transactions contemplated hereby among the Lenders or among the Borrower, on the one hand, and any Lender, on the other hand.

13.15 WAIVERS OF JURY TRIAL. EACH PARTY HERETO IRREVOCABLY AND UNCONDITIONALLY WAIVES (TO THE EXTENT PERMITTED BY APPLICABLE LAW) TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER CREDIT DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.

13.16 Confidentiality. The Administrative Agent, each other Agent and each Lender (collectively, the "**Restricted Persons**" and, each a "**Restricted Person**") shall treat confidentially all non-public information provided to any Restricted Person by or on behalf of any Credit Party hereunder in connection with such Restricted Person's evaluation of whether to become a Lender hereunder or obtained by such Restricted Person pursuant to the requirements of this Agreement ("**Confidential Information**") and shall not publish, disclose or otherwise divulge such Confidential Information; provided that nothing herein shall prevent any Restricted Person from disclosing any such Confidential Information (a) pursuant to the order of any court or administrative agency or in any pending legal, judicial or administrative proceeding, or otherwise as required by applicable law, rule or regulation or compulsory legal process (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority), to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (b) upon the request or demand of any regulatory authority having jurisdiction over such Restricted Person or any of its Affiliates (in which case such Restricted Person agrees (except with respect to any routine or ordinary course audit or examination conducted by bank accountants or any governmental or bank regulatory authority exercising examination or regulatory authority) to the extent practicable and not prohibited by applicable law, rule or regulation, to inform the Borrower promptly thereof prior to disclosure), (c) to the extent that such Confidential Information becomes publicly available other than by reason of improper disclosure by such Restricted Person or any of its affiliates or any related parties thereto in violation of any confidentiality obligations owing under this Section 13.16, (d) to the extent that such Confidential Information is received by such Restricted Person from a third party that is not, to such Restricted Person's knowledge, subject to confidentiality obligations owing to any Credit Party or any of their respective subsidiaries or affiliates, (e) to the extent that such Confidential Information was already in the possession of the Restricted Persons prior to any duty or other undertaking of confidentiality or is independently developed by the Restricted Persons without the use of such Confidential Information, (f) to such Restricted Person's affiliates and to its and their respective officers, directors, partners, employees, legal counsel, independent auditors, and other experts or agents who need to know such Confidential Information in connection with providing the Loans or action as an Agent hereunder and who are informed of the confidential nature of such Confidential Information and who are subject to customary confidentiality obligations of professional practice or who agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) (with each such Restricted Person, to the extent within its control, responsible for such person's compliance with this paragraph), (g) to potential or prospective Lenders, hedge providers (or other derivative transaction counterparties) (any such person, a "**Derivative Counterparty**"), participants or assignees, in each case who agree (pursuant to customary syndication practice) to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in thisSection 13.16); provided that (i) the disclosure of any such Confidential Information to any potential or prospective Lenders, Derivative Counterparties, participants or assignees

referred to above shall be made subject to the acknowledgment and acceptance by such potential or prospective Lender, Derivative Counterparty, participant or assignee that such Confidential Information is being disseminated on a confidential basis (on substantially the terms set forth in this Section 13.16 or confidentiality provisions at least as restrictive as those set forth in this Section 13.16) in accordance with the standard syndication processes of such Restricted Person or customary market standards for dissemination of such type of information, which shall in any event require "click through" or other affirmative actions on the part of recipient to access such Confidential Information and (ii) no such disclosure shall be made by any Restricted Person to whom a list of Disqualified Lenders has been made available to any person that is at such time a Disqualified Lender, (h) for purposes of establishing a "due diligence" defense, (i) to rating agencies in connection with obtaining ratings for the Borrower and the Credit Facilities to the extent such rating agencies are subject to customary confidentiality obligations of professional practice or agree to be bound by the terms of this Section 13.16 (or confidentiality provisions at least as restrictive as those set forth in this Section 13.16), (j) to any other party to this Agreement or (k) to any pledgee referred to in Section 13.6 hereof. Notwithstanding the foregoing, (i) Confidential Information shall not include, with respect to any Person, information available to it or its Affiliates on a non-confidential basis from a source other than Holdings, its Subsidiaries or its Affiliates, (ii) the Administrative Agent shall not be responsible for compliance with this Section 13.16 by any other Restricted Person (other than its officers, directors or employees), (iii) in no event shall any Lender, the Administrative Agent or any other Agent be obligated or required to return any materials furnished by Holdings or any of its Subsidiaries, and (iv) each Agent and each Lender may disclose the existence of this Agreement and the information about this Agreement to market data collectors, similar services providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration, settlement and management of this Agreement and the other Credit Documents.

13.17 Direct Website Communications. Each of Holdings and the Borrower may, at its option, provide to the Administrative Agent any information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Credit Documents, including, without limitation, all notices, requests, financial statements, financial, and other reports, certificates, and other information materials, but excluding any such communication that (A) relates to a request for a new, or a conversion of an existing, borrowing or other extension of credit (including any election of an interest rate or interest period relating thereto, (B) relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (C) provides notice of any default or event of default under this Agreement or (D) is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit thereunder (all such non-excluded communications being referred to herein collectively as "**Communications**"), by transmitting the Communications in an electronic/soft medium in a format reasonably acceptable to the Administrative Agent to the Administrative Agent at an email address provided by the Administrative Agent from time to time; provided that (i) upon written request by the Administrative Agent or the Borrower shall deliver paper copies of such documents to the Administrative Agent for further distribution to each Lender until a written request to cease delivering paper copies is given by the Administrative Agent and (ii) the Borrower shall notify (which may be by facsimile or electronic mail) the Administrative Agent of the posting of any such documents and provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each Lender shall be solely responsible for timely accessing posted documents or requesting delivery of paper copies of such documents from the Administrative Agent and maintaining its copies of such documents. Nothing in this Section 13.17 shall prejudice the right of Holdings, the Borrower, the Administrative Agent, any other Agent or any Lender to give any notice or other communication pursuant to any Credit Document in any other manner specified in such Credit Document.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at itse-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Credit Documents. Each Lender agrees that notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Credit Documents. Each Lender agrees (A) to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and (B) that the foregoing notice may be sent to such e-mail address.

(a) Each of Holdings and the Borrower further agrees that any Agent may make the Communications available to the Lenders by posting the Communications on Intralinks or a substantially similar electronic transmission system (the "**Platform**"), so long as the access to such Platform (i) is limited to the Agents, the Lenders and Transferees or prospective Transferees and (ii) remains subject to the confidentiality requirements set forth in Section 13.16.

(b) THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF ANY MATERIALS OR INFORMATION PROVIDED BY THE CREDIT PARTIES (THE "**BORROWER MATERIALS**") OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE BORROWER MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE BORROWER MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "**Agent Parties**" and each, an "**Agent Party**") have any liability to the Borrower, any Lender, or any other Person for losses, claims, damages, liabilities, or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Borrower Materials through the internet, except to the extent the liability of any Agent Party resulted from such Agent Party's (or any of its Related Parties' (other than any trustee or advisor)) gross negligence or willful misconduct as determined in the final non-appealable judgment of a court of competent jurisdiction.

(c) Each of Holdings and the Borrower and each Lender acknowledge that certain of the Lenders may be"public-side" Lenders (Lenders that do not wish to receive material non-public information with respect to Holdings and the Borrower, the Subsidiaries or their securities) and, if documents or notices required to be delivered pursuant to the Credit Documents or otherwise are being distributed through the Platform, any document or notice that Holdings or the Borrower has indicated contains only publicly available information with respect to Holdings or the Borrower may be posted on that portion of the Platform designated for such public-side Lenders. If Holdings or the Borrower has not indicated whether a document or notice delivered contains only publicly available information, the Administrative Agent shall post such document or notice solely on that portion of the Platform designated for Lenders who wish to receive material nonpublic information with respect to Holdings, the Borrower, the Subsidiaries and their securities. Notwithstanding the foregoing, each of Holdings and the Borrower shall use commercially reasonable efforts to indicate whether any document or notice contains only publicly available information; provided, however, that the following documents shall be deemed to be marked "PUBLIC," unless the Borrower notifies the Administrative Agent promptly that any such document contains material nonpublic information: (1) the Credit Documents, (2) any notification of changes in the terms of the Credit Facility and (3) all financial statements and certificates delivered pursuant to Sections 9.1(a), (b) and (d).

13.18 USA PATRIOT Act. Each Lender hereby notifies each Credit Party that, pursuant to the requirements of the USA PATRIOT Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "**Patriot Act**"), it is required to obtain, verify, and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow such Lender to identify each Credit Party in accordance with the Patriot Act, including the Beneficial Ownership Regulation.

13.19 [Reserved].

13.20 Payments Set Aside. To the extent that any payment by or on behalf of Holdings or the Borrower is made to any Agent or any Lender, or any Agent or any Lender exercises its right of setoff, and such payment or the proceeds of such setoff or any part thereof is subsequently invalidated, declared to be fraudulent or preferential, set aside or required (including pursuant to any settlement entered into by such Agent or such Lender in its discretion) to be repaid to a trustee, receiver, or any other party, in connection with any proceeding or otherwise, then (a) to the extent of such recovery, the obligation or part thereof originally intended to be satisfied shall be revived and continued in full force and effect as if such payment had not been made or such setoff had not occurred and (b) each Lender severally agrees to pay to the Administrative Agent upon demand its applicable share of any amount so recovered from or repaid by any Agent, *plus* interest thereon from the date of such demand to the date such payment is made at a rate per annum equal to the applicable ~~Federal Funds Effective~~Overnight Rate from time to time in effect.

13.21 No Fiduciary Duty. Each Agent, each Lender and their respective Affiliates (collectively, solely for purposes of this paragraph, the "**Lenders**"), may have economic interests that conflict with those of the Credit Parties, their equity holders and/or their affiliates. Each Credit Party agrees that nothing in the Credit Documents or otherwise will be deemed to create an advisory, fiduciary or agency relationship or fiduciary or other implied duty between any Lender, on the one hand, and such Credit Party, its equity holders or its affiliates, on the other. The Credit Parties acknowledge and agree that (i) the transactions contemplated by the Credit Documents (including the exercise of rights and remedies hereunder and thereunder) are arm's-length commercial transactions between the Lenders, on the one hand, and the Credit Parties, on the other, and (ii) in connection therewith and with the process leading thereto, (x) no Lender has assumed an advisory or fiduciary responsibility in favor of any Credit Party, its equity holders or its affiliates with respect to the transactions contemplated hereby (or the exercise of rights or remedies with respect thereto) or the process leading thereto (irrespective of whether any Lender has advised, is currently advising or will advise any Credit Party, its equity holders or its Affiliates on other matters) or any other obligation to any Credit Party except the obligations expressly set forth in the Credit Documents and (y) each Lender is acting solely as principal and not as the agent or fiduciary of any Credit Party, its management, equity holders or creditors. Each Credit Party acknowledges and agrees that it has consulted its own legal and financial advisors to the extent it deemed appropriate and that it is responsible for making its own independent judgment with respect to such transactions and the process leading thereto. Each Credit Party agrees that it will not claim that any Lender has rendered advisory services of any nature or respect, or owes a fiduciary or similar duty to such Credit Party, in connection with such transaction or the process leading thereto.

13.22 Acknowledgement and Consent to Bail-In of EEA Financial Institutions Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties to any Credit Document, each party hereto acknowledges that any liability of any Lender that is an EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any Lender that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(ii) a reduction in full or in part or cancellation of any such liability

(iii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent entity, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iv) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

13.23 Acknowledgement Regarding Any Supported QFCs. To the extent that the Credit Documents provide support, through a guarantee or otherwise, for any Hedge Agreement or any other agreement or instrument that is a QFC (such support, "**QFC Credit Support**", and each such QFC, a "**Supported QFC**"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "**U.S. Special Resolution Regimes**") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Credit Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "**Covered Party**") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Credit Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Credit Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 13.23, the following terms have the following meanings:

(i) "BHC Act Affiliate" of a party means an "affiliate" (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

(ii) "Covered Entity" means any of the following: (i) a "covered entity" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a "covered bank" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a "covered FSI" as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

(iii) “Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

(iv) “QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

Re: Amended and Restated Monitoring Agreement

Ladies and Gentlemen:

On December 7, 2017, PharMerica Corporation, a Delaware corporation ("PharMerica"), entered into that certain monitoring agreement dated as of December 7, 2017 (the "Original Agreement") with Kohlberg Kravis Roberts & Co. L.P. ("KKR") and Walgreens Boots Alliance, Inc. ("WBA", together with KKR, each, a "Manager" and, collectively, the "Managers") regarding consulting services to be provided to PharMerica and its direct and indirect subsidiaries and divisions, and parent holding companies and controlled affiliates. In connection with the acquisition of Onex ResCare Holdings Corp., a Delaware corporation ("BrightSpring" and the closing of such acquisition, the "BrightSpring Closing") by a wholly-owned subsidiary of Phoenix Parent Holdings Inc. on the date hereof, the parties to the Original Agreement desire to provide for the engagement of the Managers by the parent corporation of PharMerica and BrightSpring, Phoenix Guarantor Inc. (the "Company") and to amend and restate the Original Agreement as follows:

1. The Company hereby engages each Manager, and each Manager hereby accepts such engagement, to provide to the Company and its direct and indirect subsidiaries and divisions, and parent holding companies and controlled affiliates (collectively, the "Company Group"), when and if called upon, such consulting services as mutually agreed by each Manager and the Company, which consulting services may include, without limitation: (i) general management consulting services; (ii) assistance with the identification and analysis of acquisitions and dispositions by the Company Group; (iii) assistance with the identification and analysis of financing arrangements, including, without limitation, in connection with acquisitions, capital expenditures and indebtedness; (iv) assistance with the development and analysis of financial projections, the monitoring of compliance with financing agreements and other finance-related support; (v) assistance with the search for and recruiting of new executives, the evaluation of the performance of existing executives, and other human resources-related services, but in each case excluding the formulation, promulgation, monitoring or execution of personnel policies or personnel decision making; and (vi) other services for the Company Group upon which the Company and each Manager may expressly agree from time to time. Commencing on the date hereof (the "Effective Date"), the Company agrees to pay each Manager (or such affiliate(s) as such Manager may designate) its Pro Rata Share (as defined below) of an aggregate annual fee (the "Fee") in an amount equal to 1% of the Consolidated EBITDA (as defined below) of the Company for the

preceding fiscal year; provided that the Fee for fiscal year 2019 shall be $3,680,000 subject to pro ration to reflect that the fee with respect to the period from January 1, 2019 through the day immediately preceding the BrightSpring Closing will be determined in accordance with the Original Agreement and the portion of the Fee with respect to the period from the date of the BrightSpring Closing through March 31, 2019 will be determined in accordance with this letter agreement. The Fee shall be payable in cash in quarterly installments in arrears as soon as reasonably practicable following the end of each fiscal quarter of the Company. The Managers shall split the Fee so that each Manager shall receive a portion of the Fee equal to its Pro Rata Share (as defined below) of such Fee. The final quarterly Fee shall be pro rated (if applicable) to reflect the portion of the fiscal quarter that has elapsed as of the termination of this letter agreement. For the purpose hereof, "Pro Rata Share" of a Manager shall mean a fraction, the numerator of which is the aggregate number of shares of Common Stock (as defined in the Amended and Restated Stockholders Agreement of Parent dated as of the date hereof (as amended, supplemented or modified from time to time, the "Stockholders Agreement")) held by affiliates of such Manager and such affiliates' Permitted Transferees (as defined in the Stockholders Agreement) and the denominator of which is the total number of shares of Common Stock held by affiliates (or such affiliates' Permitted Transferees) of all of the Managers outstanding at the time of the payment of the Fee. The Parties agree that as of the date of this letter agreement, the Pro Rata Share for KKR is 70% and the Pro Rata Share for WBA is 30%. The term "Consolidated EBITDA" shall have the meaning given to such term in that certain First Lien Credit Agreement, dated as of the date hereof, by and among Parent, the Company, as borrower, Morgan Stanley Senior Funding Inc. as administrative agent and collateral agent, and each lender from time to time party thereto (as amended, supplemented or modified from time to time, the "First Lien Credit Agreement").

2. Following the Effective Date, from time to timethe Company Group may engage each Manager or its affiliates to provide consulting services of the type described in paragraph 1 in connection with any acquisition, divestiture or other transaction by the Company Group, and such Manager or such affiliate may charge the Company a customary fee (a "Transaction Fee") for services rendered in connection therewith or in connection with providing consulting services with respect to any acquisition, divestiture or other transaction, including but not limited to equity and debt financings and restructurings, in each case, by or involving the Company Group, provided that the Managers and the Company agree that any such Transaction Fee shall be payable to the Managers in accordance with their respective Pro Rata Shares. For the avoidance of doubt, in connection with any Transaction Fee, the Company Group may enter into separate agreements pursuant to which each Manager or its affiliates may be entitled to receive its Pro Rata Share of such Transaction Fee. In addition to any fees that may be payable to each Manager under this letter agreement, the Company shall, or shall cause one or more of its affiliates to, on behalf of itself and the other members of the Company Group (subject to paragraph 3), reimburse each Manager and its affiliates (including without limitation any of its or such affiliates' respective employees, representatives, agents and consultants), from time to time upon request, for all reasonable out-of-pocket expenses incurred, including unreimbursed out-of-pocket expenses incurred to the date hereof, in connection with the retention and services provided hereunder, including travel expenses and other disbursements and expenses of any legal, tax, accounting or other professional advisors to such Manager or its affiliates. Each Manager may submit monthly expense statements to the Company or any other member of the Company Group for such out-of-pocket expenses, which statements shall be payable within thirty days.

3. This letter agreement shall continue in effect from year to year unless amended or terminated by the consent of all of the parties hereto. In addition, (i) the Company may terminate this letter agreement with respect to any Manager by delivery of a written notice of termination to such Manager at any time after such Manager and its affiliates no longer hold any equity interests, directly or indirectly, in the Company and (ii) this letter agreement terminates with respect to any Manager and such Manager shall cease to be a party to and be bound by or have any rights under this letter agreement on the date such Manager provides written notice to the Company to terminate this letter agreement with respect to such Manager; provided, however, that in the event of such a termination, the Company shall pay in cash to such Manager its Pro Rata Share of the unpaid Fee (and its Pro Rata Share of any unpaid Transaction Fees, if applicable) payable to such Manager hereunder and all expenses due under this letter agreement to such Manager with respect to periods prior to the termination date. In addition, (i) in connection with the consummation of a Change in Control (as defined below), the Company may terminate this letter agreement by delivery of a written notice of termination to each Manager and (ii) immediately following the consummation of an Initial Public Offering (as defined below), this letter agreement shall automatically terminate unless the Company, by delivery of a written notice to each Manager prior to such consummation, otherwise elects to continue this letter agreement in full force and effect. In the event of a termination of this letter agreement pursuant to the immediately preceding sentence, the Company shall upon such termination pay in cash to each Manager (i) its Pro Rata Share of all unpaid Fees payable to such Manager hereunder and all expenses due under this letter agreement to such Manager with respect to periods prior to the termination date, plus (ii) if, following such termination, KKR continues to be a "significant stock or equity holder" (as described below) of the Company (or its acquirer or the surviving entity in a sale, merger or similar transaction), the net present value (using a discount rate equal to the yield as of such termination date on U.S. Treasury securities of like maturity based on the times such payments would have been due) of the Fees that would have been payable to both of the Managers, in the aggregate, with respect to the period from the termination date through the earlier of (x) the date that is three years and 182 days after the termination date and (y) December 31, 2028 (for such purposes assuming that the Pro Rata Share for such periods is the same as the Pro Rata Share as in effect at the date of termination and further assuming that the Fee for such periods is the Base Amount at the date of termination and increased on January 1 of each subsequent year after the termination date by the Per Annum Escalator. "Base Amount" means Consolidated EBITDA for the most recently completed four financial quarter periods of the Company prior to the termination date (the "Base Period"), and "Per Annum Escalator" means the per annum percentage increase in Consolidated EBITDA, if any, of the Base Amount over the Consolidated EBITDA for the four financial quarter period immediately preceding the Base Period; provided that this per annum escalator shall not exceed 5%, provided, further, that if such percentage is negative, it shall be deemed to be 0%. KKR will be considered a "significant stock or equity holder" if (a) KKR, its affiliates, entities advised by KKR or its affiliates, and any co-investors of KKR in aggregate own or control 10% or more of the stock or other equity interests in the relevant entity and (b) at least one KKR Manager or co-investor employee or designee of KKR serves as or is expected to serve as a member of or observer at the board of directors or similar governing body (or, in the absence of such service or expected service, if KKR, an affiliate of KKR or a co-investor has the right to appoint or nominate such a director or observer). For the purposes hereof, "Change in Control" means (i) the sale, transfer or other disposition of all or substantially all (i.e., at least 80%) of the assets (in one transaction or a series of related transactions) of the Company to any person (or group of persons acting in concert), including WBA and its affiliates, other than to (x) KKR and

its affiliates, (y) any employee benefit plan (or trust forming a part thereof) maintained by any member of the Company Group or (z) any other person of which a majority of its voting power or other equity securities is beneficially owned, directly or indirectly, by the Company (any entity in clause (y) or (z), a "Controlled Party"), or (ii) a merger, recapitalization or other sale (in one transaction or a series of related transactions) of the Company to a person (or group of persons acting in concert) that results in any person (or group of persons acting in concert), including WBA and its affiliates, (other than (x) KKR and its affiliates or (y) any Controlled Party), owning more than 50% of the stock of the Company (or the equity securities of any surviving or parent company after a merger). For the avoidance of doubt, none of an Initial Public Offering, a stock dividend or distribution, a stock split or any other similar change to the capital structure of the Company shall constitute a Change in Control. For the purpose hereof, "Initial Public Offering" means the first firm commitment underwritten sale of stock of the Company pursuant to an effective registration statement (other than a registration statement on Form S-4 or S-8 or any similar or successor form) filed under the Securities Act of 1933 (as amended, and the rules and regulations promulgated thereunder, or any successor statute thereto).

4. The Company (on behalf of itself and the other members of the Company Group) hereby acknowledges and agrees that the obligations of the Company under paragraphs 1, 2 and 3 shall be borne jointly and severally by each member of the Company Group.

5. Each party hereto represents and warrants that the execution and delivery of this letter agreement by such party has been duly authorized by all necessary action of such party.

6. The Company will, and will cause each member of the Company Group to, use its reasonable best efforts to furnish, or to cause their respective subsidiaries and agents to furnish, each Manager with such information (the "Information") as such Manager reasonably believe appropriate to its engagement hereunder. The Company acknowledges and agrees that (i) each Manager will rely on the Information and on information available from generally recognized public sources in performing the services contemplated hereunder and (ii) neither Manager assumes responsibility for the accuracy or completeness of the Information or such other information.

7. Each Manager will keep the Information confidential, provided that (i) each Manager may share the Information with its affiliates and with its and its affiliates' members, partners, equityholders, controlling persons, directors, officers, employees, legal, tax and other professional advisors, agents and other representatives (in respect of each Manager, collectively, such Manager's "Representatives") (provided that, for the purpose of this paragraph, none of such persons shall be deemed a "Representative" unless such person has been furnished with Information pursuant to paragraph 6) and (ii) the Information must only remain confidential so long as, and to the extent that, such Information (a) is not or does not come into the public domain, other than as a result of a breach of this letter agreement by the such Manager, (b) was not in the possession of such Manager or any of its Representatives prior to disclosure by the Company Group to such Manager or such Representative or (c) was not otherwise disclosed to such Manager or any of its Representatives, provided that the source of such Information was not known by such Manager or such Representative to be bound by any confidentiality obligation to the Company in respect of such Information. In the event that either Manager or any of its Representatives are requested or required by law, regulation or other applicable legal, judicial, governmental or

mandatory administrative process or pursuant to an audit or examination by a regulator, bank examiner of self-regulatory organization and, in the case of any such Representatives that are accounting firms, the applicable professional standards of the American Institute of Certified Public Accountants, Public Company Accounting Oversight Board or state boards of accountancy or obligations thereunder to disclose any Information to any such authority, such Manager or such Manager's Representative may disclose the portion of the Information that is requested or required by law, and the Company waives such Manager's or such Representative's compliance with the terms hereof with respect to such disclosure.

8. The Company (on behalf of itself and the other members of the Company Group) hereby acknowledges and agrees that the services provided by any Manager hereunder are being provided subject to the terms of the Amended and Restated Indemnification Agreement, dated as of the date hereof, by and among the Managers, Phoenix Parent Holdings Inc., the Company, PharMerica, BrightSpring and such other persons party from time to time thereto (as the same may be amended from time to time, the "Indemnification Agreement").

9. Any advice or opinions provided by either Manager may not be disclosed or referred to publicly or to any third party (other than the Company Group's legal, tax, financial or other advisors acting on the Company Group's behalf and who are bound by obligations of confidentiality), except with the prior written consent of such Manager.

10. The Company hereby grants each Manager and its affiliates anon-exclusive license to use the trademarks and logos of the Company and its subsidiaries in connection with describing such Manager's (or its affiliate's) relationship with the Company and the other members of the Company Group.

11. The parties agree that, in respect of the transactions contemplated by this letter agreement, each Manager is an independent contractor of the Company and is not acting as a fiduciary, partner, agent or joint venturer of the Company. The provisions hereof shall inure to the benefit of and shall be binding upon the parties hereto and their respective successors and assigns; provided, however, that (i) neither this letter agreement nor any right, interest or obligation hereunder may be assigned by any party, whether by operation of law or otherwise, without the express written consent of the other parties hereto and (ii) any assignment by either Manager of its rights but not the obligations under this letter agreement to any entity directly or indirectly controlling, controlled by or under common control with such Manager shall be expressly permitted hereunder and shall not require the prior written consent of the other parties hereto. Nothing in this letter agreement, expressed or implied, is intended to confer on any person other than the parties hereto or their respective successors and assigns, any rights or remedies under or by reason of this letter agreement. Without limiting the generality of the foregoing, the parties acknowledge that nothing in this letter agreement, expressed or implied, is intended to confer on any present or future holders of any securities of the Company or any other member of the Company Group, or any present or future creditor of the Company or any other member of the Company Group, any rights or remedies under or by reason of this letter agreement or any performance hereunder.

12. Neither of the Managers, its affiliates or any of its or such affiliates' respective employees, officers, directors, managers, representatives, agents, consultants, partners, members,

stockholders or their respective affiliates shall have any liability of any kind whatsoever to any member of the Company Group for any damages, losses or expenses (including, without limitation, special, punitive, incidental or consequential damages, lost profits and interest, penalties and fees and disbursements of attorneys, accountants, investment bankers and other professional advisors) with respect to the provision of services hereunder, unless such damages, losses or expenses result directly from the bad faith or willful misconduct of such Manager or from fraud of such Manager. (contractual or otherwise) to communicate or present any corporate opportunities to the Company or any of its affiliates or to refrain from any actions specified in this paragraph 13, and the Company, on its own behalf and on behalf of its affiliates, hereby renounces and waives any right to require either Manager or any of the Manager Affiliates (other than the Group) to act in a manner inconsistent with the provisions of this paragraph 13.

14. This letter agreement shall be governed by and construed in accordance with the laws of the State of New York. Each of the parties hereby agrees that any action or proceeding arising out of this letter agreement or the transactions contemplated hereby (whether in contract, tort, by statute, or otherwise) shall be brought in the federal or state courts sitting in the County of New York, in the State of New York, and each of the parties hereby consents to submit itself to the personal jurisdiction of such courts in any such action or proceeding, and hereby waives any defense of inconvenient forum to the maintenance of any action or proceeding so brought and waives any bond, surety or other security that might be required of any other party with respect thereto. Any waiver of, or consent pursuant to, any provision of this letter agreement must be in writing and is effective only to the extent specifically set forth therein. No failure or delay by a party hereto in exercising any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or any other right hereunder. References to "herein," "hereto" or words of similar import refer to the entire letter agreement (including all exhibits attached hereto) and not to only one provision. Any rule of construction based on the identity of the party who drafted this letter agreement shall be disregarded.

20. This letter agreement may be executed in counterparts, each of which shall be deemed an original letter agreement, but all of which together shall constitute one and the same instrument.

(c) Transfers in Compliance with Law; Substitution of Transferee. No transfer by any member of the Management Stockholder Group that would be permitted by Sections 2(a) and 2(b) may be made pursuant to this Agreement unless (i) the transferee has agreed in writing to be bound by the terms and conditions of this Agreement pursuant to an instrument substantially in the form attached hereto as Annex II (other than if (x) the transfer is conducted pursuant to and in accordance with Sections 3, 4, or 5 hereof or (y) the transfer is conducted following the Initial Public Offering pursuant to and in accordance with Rule 144 (or any similar provision then in force) under the Securities Act or Section 6 hereof), (ii) the transfer complies in all respects with the applicable provisions of this Agreement, (iii) the transfer complies in all respects with applicable federal, state and foreign securities laws, including,

Unless such requirement is waived in writing by the Company, no transfer by any member of the Management Stockholder Group may be made during the term of this Agreement (except pursuant to an effective registration statement under the Securities Act) unless and until such member has first delivered to the Company an opinion of counsel reasonably acceptable as to counsel and as to an opinion, in form and substance, to the Company (but which opinion delivery requirement may be waived as to any particular transfer in the discretion of the Board) that neither registration nor qualification under the Securities Act and applicable state securities laws is required in connection with such transfer.

(d) This Agreement shall terminate and no longer have any force or effect solely with respect to a Management Stockholder and his or her Management Stockholder Group if such Management Stockholder and none of his or her Management Stockholder Group holds any Stock or Stock Equivalents; provided that such Management Stockholder shall remain liable for any breach of this Agreement prior to such termination and the provisions of Section 21 and Section 22 shall survive any such termination.

(e) Upon consummation of a Walgreens Acquisition (i) if, as a result of such Walgreens Acquisition, the Walgreens Group acquires all of the outstanding Stock and none of the Management Stockholders or any members of their respective Management Stockholder Groups then holds any Stock or Stock Equivalents, this Agreement shall terminate and shall no longer have any force or effect; or (ii) if, as a result of such Walgreens Acquisition, either the Walgreens Group acquires less than all of the outstanding Stock and/or any Management Stockholder or any members of his or her Management Stockholder Group then holds any Stock or Stock Equivalents and the Walgreens Group executes and delivers a counterpart signature page(s) hereto, then (x) automatically by virtue thereof, this Agreement shall be deemed to be amended such that each reference herein to the "Sponsor Group" (except such references, including in clause (y) below, where such deemed change would result in an absurdity) shall be deemed to be a reference to the "Walgreens Group" and, from and after such time, the Walgreens Group shall have the rights and be subject to the obligations of the "Sponsor Group" hereunder and (y) this Agreement shall terminate and no longer have any force or effect solely with respect to the Sponsor Group (for the avoidance of doubt, even if the Sponsor Group then holds any Stock or Stock Equivalents). In the case of clause (ii) above, each of the Parties (including the Sponsor Group) shall, if requested by the Walgreens Group, execute and deliver an amendment and/or restatement of this Agreement to effectuate the changes described in clause (ii) and, subject to the terms of Section 14, any other changes reasonably requested by the Walgreens Group.

3. **Drag-Along Rights.**

(a) If at any time the Sponsor Group receives an offer from a Third Party to effect or otherwise proposes to effect with a Third Party a transaction that would constitute a Change in Control or a Walgreens Acquisition (a "Drag-Along Sale"), then each member of the Management Stockholder Group hereby agrees that, upon the request of the Sponsor Group pursuant to a written notice (the "Drag-Along Sale Notice") provided by the Sponsor Group at least ten (10) Business Days prior to the proposed consummation of such Drag-Along Sale (the "Drag-Along Notice Date"), such member shall sell a number of Shares owned by him, her or it

to such Third Party in an amount (which amount shall be determined in the sole discretion of the Sponsor Group) up to the product (rounded to the nearest whole number) of (i) the quotient determined by dividing (A) the total number of shares of Stock and Stock Equivalents that are proposed to be sold by the Sponsor Group to the Third Party purchaser in the contemplated Drag-Along Sale by (B) the total number of shares of Stock and Stock Equivalents owned by the Sponsor Group as of the close of business on the day immediately prior to the Drag-Along Notice Date, and (ii) the total number of Shares owned, or issuable upon exercise of any vested Stock Equivalents that are exercisable (or would become vested and exercisable as a result of the contemplated Drag-Along Sale, if any), by such member as of the close of business on the day immediately prior to the Drag-Along Notice Date, at the same price per share of Stock and upon substantially the same terms and conditions of the offer so accepted by the Sponsor Group, including representations, warranties, covenants, agreements and indemnities substantially similar to those to be made by the Sponsor Group (except that, (I) in the case of representations and warranties pertaining specifically to the Sponsor Group, each member of the Management Stockholder Group shall make comparable representations and warranties pertaining specifically to himself, herself or itself and (II) if the Drag-Along Sale involves any non-cash consideration, any rights or restrictions with respect to the non-cash consideration payable to each member of the Management Stockholder Group shall be proportionate to the relative size of ownership of such non-cash consideration, but shall not include any demand registration rights or board seats, consent rights or other governance rights); provided, that (x) all representations, warranties, agreements, covenants and indemnities shall be made by the Sponsor Group and the members of the Management Stockholder Group severally and not jointly, and (y) the maximum liability a member of the Management Stockholder Group shall have with respect to breaches thereof shall not exceed the value (at such time) of the aggregate proceeds received by such member in connection with the Drag-Along Sale; provided, further, that any such liability of such member shall be satisfied first by the return of any cash proceeds received by such member (including the cash proceeds from the sale of any securities or other non-cash consideration received by such member) and second by the return of anynon-cash consideration (including securities) received by such member. Upon the Sponsor Group providing the Drag-Along Sale Notice, in the event that a member of the Management Stockholder Group does not hold a sufficient number of Shares to meet its obligations under this Section 3(a), then a sufficient number of Stock Equivalents (that are vested and exercisable at any time up to and including the date immediately prior to the consummation of the Drag-Along Sale) shall be exercised by such member (which may be performed by using a net exercise method if approved by the Board or a committee thereof) to cover any such shortfall and the Shares issued upon such exercise shall be subject to the drag-along rights set forth in this Section 3(a). Any such Stock Equivalents that are required to be exercised to cover such shortfall but are not so exercised pursuant to this Section 3(a) shall automatically be cancelled without any consideration paid therefor. In the event that a member of the Management Stockholder Group does not have a sufficient number of such Stock Equivalents to cover such shortfall, such member shall exercise all such Stock Equivalents then held by such member in full satisfaction of its obligations with respect to the Drag-Along Sale (which may be performed using a net exercise method if approved by the Board or a committee thereof).

(b) The provisions of this Section 3 shall apply regardless of the form of consideration received in the Drag-Along Sale;provided, that, in the event the consideration to be paid in exchange for shares of Stock in a proposed Drag-Along Sale includes any securities,

and the receipt thereof by a member of the Management Stockholder Group required to sell Shares pursuant to Section 3(a) hereof would require (as determined by the Sponsor Group, upon the advice of its counsel) under applicable law (x) the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities where such registration or qualification is not otherwise required by the receipt of such securities by the Sponsor Group, or (y) the provision to any such member of any specified information regarding such securities or the issuer thereof that is not otherwise required to be provided for in connection with the Drag-Along Sale, then, in either case of (x) or (y), in lieu of receiving such securities (as determined by the Sponsor Group in its sole discretion), such member may, receive cash consideration equal to the fair market value of such securities (as determined by the Sponsor Group in good faith).

(c) The members of the Management Stockholder Group shall cooperate reasonably with the Sponsor Group in connection with the consummation of the transactions contemplated by Section 3(a) hereof and, in the event that the Drag-Along Sale is (i) a merger or other business combination of the Company with a Third Party (or an Affiliate thereof) or (ii) a purchase of all or substantially all of the assets of the Company (and/or its subsidiaries), then, upon the demand of the Sponsor Group, such members shall be required to vote all Shares they hold (or execute one or more written consents) in favor of (and not otherwise oppose) the merger or business combination or sale of all or substantially all of the assets of the Company (and/or its subsidiaries) as described in such offer, and otherwise to take all actions reasonably necessary or appropriate to facilitate the consummation of the proposed transaction, including waiving any and all dissenters or appraisal rights with respect thereto.

(d) Any expenses incurred for the benefit of the Company or all selling equityholders of the Company, and any indemnities, holdbacks, escrows and similar items relating to the Drag-Along Sale, that are not paid or established by the Company (other than those that relate solely to representations, warranties or indemnities concerning a member of the Management Stockholder Group or the ownership of his, her or its Stock or Stock Equivalents shall be paid or established by all selling stockholders pro rata based on the Stock being sold by each of them in the Drag-Along Sale (or, if Stock is not being sold in such Drag-Along Sale, pro rata based on the net transaction proceeds to be received by each of them in the transaction).

(e) The Sponsor Group shall have the sole right to decide (in its sole discretion) whether or not to pursue, consummate, postpone or abandon any Drag-Along Sale and the terms and conditions thereof.

(f) Prior to an Initial Public Offering, the Sponsor Group shall be entitled to require all members of the Management Stockholder Group to participate in any recapitalization or restructuring transaction in connection with which Stock is converted or exchanged, pro rata, for new equity securities (the terms and conditions of which shall not be materially and disproportionately adverse to any such member relative to any other holder of Stock), whether in preparation for an Initial Public Offering or otherwise. The other provisions of this Section 3 shall apply to any such transaction, *mutatis mutandis*.

(g) Upon written request by the Sponsor Group in connection with a Drag-Along Sale, each member of the Management Stockholder Group will execute and deliver a

custody agreement and power of attorney in form and substance reasonably satisfactory to the Sponsor Group with respect to the Shares which are to be sold by such member of the Management Stockholder Group pursuant hereto, containing customary provisions and providing, among other things, that such member will deliver to and deposit in custody with the custodian and attorney-in-fact named therein a certificate or certificates (if such shares are certificated) representing such Shares (with undated stock powers duly endorsed in blank for transfer by the registered owner or owners thereof) and irrevocably appointing such custodian and attorney-in-fact as such member's agent and attorney-in-fact with full power and authority to act on such member's behalf with respect to the matters specified therein (a "Custody Agreement and Power of Attorney").

(h) The rights set forth in this Section 3 shall terminate immediately prior to the consummation of an Initial Public Offering.

4. **Tag-Along Rights.**

(a) If at any time the Sponsor Group proposes to enter into an agreement to sell or otherwise dispose of for value any shares of Stock and Stock Equivalents, other than (i) any transfer of Stock to the Company, the Sponsor Group or an Affiliate of any of the foregoing, (ii) any customary syndications of equity by the Sponsor Group within the twelve months after the Closing Date or (iii) a Public Offering (including the Initial Public Offering) (such sale or other disposition for value being referred to as "Tag-Along Sale"), then the Sponsor Group shall afford each member of the Management Stockholder Group who holds Shares or vested Stock Equivalents (each, individually, a "Tag-Along Stockholder" and, collectively, the "Tag-Along Stockholders") the opportunity to participate proportionately in such Tag-Along Sale in accordance with this Section 4. The maximum number of Shares that each Tag-Along Stockholder will be entitled to include in such Tag-Along Sale (such Tag-Along Stockholder's "Tag-Along Allotment") shall be equal to the product (rounded to the nearest whole number) of (x) the number of Shares owned, or issuable upon exercise of any vested Stock Equivalents that are exercisable (or would become vested and exercisable as a result of the Tag-Along Sale, if any), by such Tag-Along Stockholder as of the close of business on the day immediately prior to the Tag-Along Notice Date (as defined in Section 4(b) hereof) and (y) a fraction, the numerator of which is the number of shares of Stock and Stock Equivalents proposed by the Sponsor Group to be transferred pursuant to the Tag-Along Sale and the denominator of which is the total number of shares of Stock and Stock Equivalents owned by the Sponsor Group as of the close of business on the day immediately prior to the Tag-Along Notice Date.

(b) The Sponsor Group shall provide each Tag-Along Stockholder with written notice (the "Tag-Along Sale Notice"). Each Tag-Along Sale Notice shall set forth: (i) the name and address of each proposed transferee in the Tag-Along Sale; (ii) the number of shares of Stock and Stock Equivalents that are proposed to be transferred by the Sponsor Group pursuant to the Tag-Along Sale; (iii) the proposed amount and form of consideration to be paid for such securities and the terms and conditions of payment offered by each proposed transferee; (iv) the aggregate number of shares of Stock and Stock Equivalents held of record by the Sponsor Group as of the close of business on the day immediately prior to the date of the Tag-Along Sale Notice (the "Tag-Along Notice Date"); (v) the Tag-Along Stockholder's Tag-Along Allotment, assuming the Tag-Along Stockholder elected to sell the maximum number of Shares permissible;

and (vi) the anticipated closing date of the Tag-Along Sale (the "Tag-Along Sale Date"). For the avoidance of doubt, a Tag-Along Stockholder shall participate in the Tag-Along Sale at the same price per share of Stock and upon the same terms and conditions of the offer so accepted by the Sponsor Group, including representations, warranties, covenants, indemnities and agreements substantially similar to those to be made by the Sponsor Group (except that, (A) in the case of representations and warranties pertaining specifically to the Sponsor Group, each member of the Management Stockholder Group shall make comparable representations and warranties pertaining specifically to himself, herself or itself and (B) if the Tag-Along Sale involves any non-cash consideration, any rights or restrictions with respect to the non-cash consideration payable to each such member of the Management Stockholder Group shall be proportionate to the relative size of ownership of such non-cash consideration, but shall not include any demand registration rights or board seats, consent rights or other governance rights); provided, that (x) all representations, warranties, covenants, agreements and indemnities shall be made by the Sponsor Group and such members transferring Shares pursuant to this Section 4 severally and not jointly, and (y) the maximum liability any such member shall have with respect to breaches thereof shall not exceed the value (at such time) of the aggregate proceeds received by such member in connection with the Tag-Along Sale; provided, further, that any such liability of such member shall be satisfied first by the return of any cash proceeds received by such member (including the cash proceeds from the sale of any securities or other non-cash consideration received by such member) and second by the return of any non-cash consideration (including securities) received by such member.

(c) Any Tag-Along Stockholder wishing to participate in the Tag-Along Sale shall provide written notice (the "Tag-Along Notice") to the Sponsor Group and the Company no less than fifteen (15) days after the Tag-Along Notice Date irrevocably electing to participate in such Tag-Along Sale. The Tag-Along Notice shall set forth the number of Shares that such Tag-Along Stockholder elects to include in the Tag-Along Sale, which may be less than, but which shall not exceed, such Tag-Along Stockholder's Tag-Along Allotment. The Tag-Along Notice given by any Tag-Along Stockholder shall constitute such Tag-Along Stockholder's binding agreement to sell the Shares specified in the Tag-Along Notice on the terms and conditions applicable to the Tag-Along Sale; provided, that in the event that there is any material adverse change in the terms and conditions of such Tag-Along Sale applicable to the Tag-Along Stockholder (including, but not limited to, any decrease in the purchase price that occurs other than pursuant to an adjustment mechanism set forth in the agreement relating to the Tag-Along Sale or as a consequence of transaction expenses) after such Tag-Along Stockholder gives its Tag-Along Notice, then the Tag-Along Stockholder shall have the right to withdraw from participation in the Tag-Along Sale with respect to all of its Shares affected thereby. If the proposed transferee does not agree to consummate the acquisition of all of the Shares requested to be included in the Tag-Along Sale by any Tag-Along Stockholder on substantially similar material terms and conditions applicable to the Sponsor Group (and, in any event, at a per share price not less than that received by the Sponsor Group, except as the purchase price may be adjusted pursuant to any agreement relating to the relevant Tag-Along Sale and the purchase price may be reduced for transaction expenses), then the Sponsor Group shall not consummate the Tag-Along Sale of any of its shares of Stock to such transferee, unless the shares of Stock of the Sponsor Group and the Tag-Along Stockholders to be transferred are reduced or limited pro rata in proportion to the respective number of shares of Stock actually held, directly or indirectly, by the Sponsor Group and the Tag-Along Stockholders and all other material terms and

conditions of the Tag-Along Sale are substantially similar for the Sponsor Group and the Tag-Along Stockholders (including the same price per share received by both the Sponsor Group and the Tag-Along Stockholders).

(d) If a Tag-Along Notice from any Tag-Along Stockholder is not received by the Sponsor Group prior to the lapse of the fifteen-day (15-day) period specified above, the Sponsor Group shall have the right to consummate the Tag-Along Sale without the participation of such Tag-Along Stockholder, who shall be deemed to have waived his, her or its rights hereunder, but only on terms and conditions which are no more favorable in any material respect to the Sponsor Group (and, in any event, at no greater a per share purchase price, except as the purchase price may be adjusted pursuant to any agreement relating to the relevant Tag-Along Sale or as a consequence of transaction expenses) than as stated in the Tag-Along Sale Notice, and only if such Tag-Along Sale occurs on a date within one hundred and eighty (180) days after the Tag-Along Notice Date. If such Tag-Along Sale does not occur within such one hundred and eighty (180)-day period, the shares or interests that were to be subject to such Tag-Along Sale thereafter shall continue to be subject to all of the restrictions contained in this Section 4.

(e) On the Tag-Along Sale Date, each Tag-Along Stockholder shall deliver a certificate or certificates (if certificated) for the Shares to be sold by such Tag-Along Stockholder in connection with the Tag-Along Sale, with undated stock powers duly endorsed in blank for transfer by the registered owner or owners thereof, to the transferee free and clear of all liens, encumbrances and restrictions, in the manner and at the address indicated in the Tag-Along Sale Notice, against delivery of the purchase price for such Shares. Each Tag-Along Stockholder shall reimburse the Sponsor Group for its proportionate share (based on the consideration received) of the reasonable out-of-pocket costs and expenses incurred by the Sponsor Group in connection with any such Tag-Along Sale.

(f) The Sponsor Group shall have the sole right to decide (in its sole discretion) whether or not to pursue, consummate, postpone or abandon any Tag-Along Sale and the terms and conditions thereof.

(g) The provisions of this Section 4 shall apply regardless of the form of consideration received in the Tag-Along Sale; provided, that, in the event the consideration to be paid in exchange for shares of Stock in a proposed Tag-Along Sale includes any securities, and the receipt thereof by a Tag-Along Stockholder would require (as determined by the Sponsor Group upon the advice of its counsel) under applicable law (x) the registration or qualification of such securities or of any Person as a broker or dealer or agent with respect to such securities where such registration or qualification is not otherwise required by the receipt of such securities by the Sponsor Group or (y) the provision to any such Tag-Along Stockholder of any specified information regarding such securities or the issuer thereof that is not otherwise required to be provided for in connection with the Tag-Along Sale, then, in either case of (x) or (y), in lieu of receiving such securities (as determined by the Sponsor Group, in its sole discretion), such member may, receive cash consideration equal to the fair market value of such securities (as determined by the Sponsor Group in good faith).

(h) Upon written request by the Sponsor Group in connection with a Tag-Along Sale, each member of the Management Stockholder Group will execute and deliver a Custody Agreement and Power of Attorney.

(i) The rights set forth in this Section 4 shall terminate immediately prior to the earlier to occur of a Change in Control and the consummation of an Initial Public Offering.

5. **Call Rights.**

(a) Each Management Stockholder agrees that the Company and the Sponsor Group, collectively, will each have a call right (the "Call Right") on the Shares (including without limitation, any Shares issued following a Termination pursuant to the exercise of Options or otherwise) (the "Callable Equity") after either a Termination for any reason or a Restrictive Covenant Violation (any such event, a "Call Event") as set forth in this Section 5. Upon a Call Event, the Company may exercise the Call Right with respect to all or any portion of the Callable Equity by one or more written notices (each, a "Call Right Notice") delivered to the Management Stockholder at any time during the period commencing on the date of Termination or the date on which the Board acquires actual knowledge of the occurrence of the Restrictive Covenant Violation, as applicable, and ending on the first anniversary of the later of (x) the date of Termination or the date on which the Board acquires actual knowledge of the occurrence of the Restrictive Covenant Violation, as applicable, and (y) for each Share acquired upon the exercise of an Option or similar purchase right, the date on which such Share was acquired (the date such notice is given being, the "Call Exercise Date"). Upon the giving of a Call Right Notice, the Company will be obligated to purchase and the Management Stockholder Group will be obligated to sell all (or any lesser portion indicated in the Call Right Notice) of the Callable Equity for the consideration calculated as set forth below. If the Company fails to exercise the Call Right, then the Sponsor Group (or any Affiliate of the Sponsor Group as such may be assigned to by the Sponsor Group) may exercise the Call Right within thirty (30) days after the expiration of the aforesaid one-year period by giving one or more written notices (each, a "Sponsor Group Call Right Notice") to the Management Stockholder that the Sponsor Group (or Affiliate thereof) is exercising the Call Right (the date such notice is given being, the "Sponsor Group Call Exercise Date"). Upon the giving of a Sponsor Group Call Right Notice, the Sponsor Group will be obligated to purchase and the Management Stockholder Group will be obligated to sell all (or any lesser portion indicated in the aforesaid notice) of the Callable Equity for the consideration calculated as set forth below. Notwithstanding anything herein to the contrary, if determined to be necessary by the Company in order to avoid an additional compensation expense, in no event shall the Company or the Sponsor Group (or any Affiliate of the Sponsor Group) be entitled to deliver any Call Right Notice or Sponsor Group Call Right Notice, as applicable, with respect to any Shares (including any Shares issued upon the exercise of an Option or similar purchase right in respect of any other Award) unless and until such Shares have been issued, vested (if applicable) and outstanding for at least six (6) months.

(i) In the case of either (x) a Termination for Cause or (y) a Restrictive Covenant Violation, the consideration will be equal to the lesser of (1) the Cost of such Shares and (2) the Fair Market Value of such Shares on the Call Exercise Date or the Sponsor Group Call Exercise Date, as applicable; and

(ii) In the case of a Termination for any reason other than for Cause, the consideration will be equal to the Fair Market Value of such Shares on the Call Exercise Date or the Sponsor Group Call Exercise Date, as applicable; provided, that if an Initial Public Offering or Change in Control occurs during the three (3) month period following the Call Exercise Date or Sponsor Group Call Exercise Date, as applicable, the Management Stockholder will be entitled to receive the excess, if any, of the Fair Market Value of such Shares as of the date of such Initial Public Offering or Change in Control over the Fair Market Value of such Shares paid by the Company or the Sponsor Group on the applicable Call Exercise Date or Sponsor Group Call Exercise Date.

(b) The closing for all purchases and sales of Callable Equity pursuant to this Section 5 will be at the principal executive offices of the Company within thirty (30) days after the Call Exercise Date or the Sponsor Group Call Exercise Date, as the case may be. The purchase price for the Callable Equity will be paid to the Management Stockholder (or his or her estate or beneficiary, as applicable) in cash, by cashier's check or by wire transfer of funds. The Management Stockholder Group will cause the Callable Equity to be delivered to the Company or the Sponsor Group, as the case may be, at the closing free and clear of all liens, claims, charges, restrictions or encumbrances of any kind, other than those which continue to apply pursuant to the terms of this Agreement. The Management Stockholder Group will take all such actions and deliver all such documents and instruments as the Company or the Sponsor Group, as the case may be, reasonably requests to vest in the Company or the Sponsor Group, respectively, title to the Callable Equity free of any lien, claim, charge, restriction or encumbrance incurred by or through the Management Stockholder Group.

(c) Notwithstanding anything in this Section 5 to the contrary, if (i) there exists and is continuing a default or an event of default on the part of any member of the Company Group under any loan, guarantee or other agreement under which any member of the Company Group has borrowed money or if the repurchase of Callable Equity would result in a default or an event of default on the part of the Company or any Affiliate of the Company under any such agreement or if a repurchase would not be permitted under the Delaware General Corporation Law (or if the Company reincorporates in another state, the business corporation law of such state) or any federal or state securities laws or regulations (each such occurrence being an "Event") and (ii) the Sponsor Group has not elected to acquire all Callable Equity which the Company and the Sponsor Group have a right to purchase pursuant to this Section 5, the Company will, to the extent it has exercised its Call Right and subject to the rescission rights below, in order to complete the purchase of any Callable Equity pursuant to this Section 5, deliver to the Management Stockholder a promissory note with a principal amount equal to the amount payable under this Section 5, having terms acceptable to the Company's (and its Affiliates', as applicable) lenders and permitted under the Company's (and its Affiliates', as applicable) debt instruments but which in any event (x) shall be mandatorily payable in installments of up to five years, and (y) shall bear interest at a rate equal to the Prime Rate. In lieu thereof, the Company, in its sole discretion, may rescind the exercise of such Call Right, in which case, the period upon which the Call Right may be exercised by the Company shall be tolled until thirty (30) days following the date on which there ceases to be any Event, and the Company may exercise the Call Right at any time during such thirty (30) day period pursuant to this Section 5.

(d) The rights set forth in this Section 5 shall terminate upon immediately prior to the earlier to occur of a Change in Control and the consummation of an Initial Public Offering.

6. **"Piggyback" Registration Rights.**

(a) Incidental Registration. After the closing of an Initial Public Offering, if the IPO Corporation files a registration statement under the Securities Act in connection with a proposed Public Offering and any of the Sponsor Group are registering shares of Stock in such proposed Public Offering, then each Management Stockholder Group, the Management Stockholder of which is then subject to the reporting requirements of Section 16 of the Exchange Act shall have the right (the "Piggyback Right") to include in such proposed Public Offering up to the number of Registrable Shares equal to (i) the aggregate number of Registrable Shares owned by such Management Stockholder Group multiplied by (ii) a fraction (A) the numerator of which is equal to the aggregate number of shares of Stock held by the Sponsor Group to be included in such proposed Public Offering and (B) the denominator of which is the aggregate number of shares of Stock and Stock Equivalents held by the Sponsor Group (the "Piggyback Pro-Rata Portion"). In the event that a proposed Public Offering gives rise to a Piggyback Right, the IPO Corporation will give written notice to the Management Stockholders. Upon written request of any Management Stockholder given within five (5) Business Days after mailing of any such notice from the IPO Corporation, the IPO Corporation will, except as herein provided, cause up to the Piggyback Pro-Rata Portion of such Management Stockholder Group's Registrable Shares that have been requested by such Management Stockholder to be included in the registration to be included in such registration statement; provided, that nothing herein shall prevent the IPO Corporation from, at any time, abandoning or delaying any registration for any reason or no reason.

(b) Limitations. If any Public Offering pursuant to Section 6(a) shall be underwritten on a firm commitment basis, in whole or in part, the IPO Corporation may require that the Registrable Shares requested for inclusion pursuant to Section 6(a) be included in such Public Offering on the same terms and conditions as the securities otherwise being sold through the underwriters. If the underwriter of such Public Offering determines that marketing factors (including, without limitation, an adverse effect on the per share offering price) require a limitation of the number of Registrable Shares to be underwritten in such Public Offering then, notwithstanding any contrary provision in Section 6(a), the underwriter may limit the number of shares that would otherwise be included in such Public Offering by excluding any or all Registrable Shares from such Public Offering. The number of Registrable Shares to be included in such Public Offering shall be allocated in the following manner: (i) if such registration has been initiated by one or more of the IPO Corporation's stockholders holding demand registration rights with the IPO Corporation pursuant to the Registration Rights Agreement or any other registration rights agreement or any similar agreements, then (A) first, the number of shares of Stock requested to be registered by such initiating stockholder(s) and any other holder(s) of the IPO Corporation's Securities which are entitled to sell pursuant to the Registration Rights Agreement or any other registration rights agreement or any similar agreements (including the Management Stockholder Groups hereunder), pro rata in accordance with the number of shares of Stock owned by each such stockholder or other holder of Stock, and (B) second, the number of shares of Stock that are proposed to be sold by the IPO Corporation for its own account; or (ii)

if such registration has been initiated by the IPO Corporation, then (A) first, the number of shares of Stock that are proposed to be sold by the IPO Corporation for its own account, and (B) second, the number of shares of Stock requested to be registered by any holder(s) of the IPO Corporation's Securities which are entitled to sell pursuant to the Registration Rights Agreement or any other registration rights agreement or similar agreements (including the Management Stockholder Groups hereunder), pro rata in accordance with the number of shares of Stock owned by each such stockholder or other holder of Stock; provided, that, in the case of either (A) or (B) in this Section 6(b), if the managing underwriter or underwriters require a different allocation, the amount of securities to be offered shall be allocated pursuant to the recommendation of such managing underwriter or underwriters.

(c) Information. It shall be a condition precedent to the obligation of the IPO Corporation to take any action pursuant to this Agreement in respect of the Registrable Shares which are to be registered at the request of any Management Stockholder that such Management Stockholder shall promptly furnish to the IPO Corporation such information regarding the Registrable Shares held by his or her Management Stockholder Group and the intended method of disposition thereof, and shall enter into such underwriting agreements (including customary representations, warranties, covenants, indemnities and other agreements) and execute such other documents, in each case as the IPO Corporation shall reasonably request in connection with such registration.

(d) Suspension of Disposition. Each Management Stockholder Group agrees that, upon receipt of any notice from the IPO Corporation that any prospectus required to be delivered to a Management Stockholder Group pursuant to the Securities Act contains an untrue statement of a material fact or fails to state a material fact necessary to make the statements therein, in the light of the circumstances in which they were made, not misleading, such Management Stockholder Group will forthwith discontinue disposition of Registrable Shares pursuant to the registration statement covering such Registrable Shares until such Management Stockholder Group receives from the IPO Corporation a corrected prospectus, and, if so directed by the IPO Corporation, such Management Stockholder Group will deliver to the IPO Corporation all copies, other than permanent file copies, then in such Management Stockholder Group's possession, of the prospectus covering such Registrable Shares current at the time of receipt of such notice.

(e) Expenses. With respect to each inclusion of Registrable Shares in a registration statement pursuant toSection 6(a), the IPO Corporation shall bear the following fees, costs and expenses: all registration, filing and listing fees, printing expenses, fees and disbursements of counsel for the IPO Corporation, fees and disbursements of accountants for the IPO Corporation and all legal fees and disbursements and other expenses of complying with state securities or blue sky laws of any jurisdictions in which the securities to be offered are to be registered or qualified and any fees and expenses for any special audits incidental to or required by a registration contemplated by this Section 6 and any other fees and expenses required to be borne by the IPO Corporation in connection with such registration pursuant to the Registration Rights Agreement or any other registration rights agreement or similar agreements of the IPO Corporation's Securities. Fees and disbursements of counsel for the transferring Management Stockholder Groups, fees and disbursements of accountants for the Management Stockholder Groups, underwriting discounts and selling commissions, transfer taxes and any other expenses incurred by the Management Stockholder Groups not expressly included above shall be borne by the applicable Management Stockholder Groups.

(f) Transfer Restriction Waiver. Notwithstanding anything in this Section 6 to the contrary, in lieu of the Piggyback Rights in connection with any Public Offering in which such rights would otherwise be available, the Board, in its sole discretion, may elect to waive the restrictions on Transfer contained in Section 2(a) with respect to all or any portion of the number of Registrable Shares that would have been subject to such Piggyback Rights in connection with such Public Offering.

(g) Lock-up Agreement. In connection with an underwritten Public Offering, each Management Stockholder Group, the Management Stockholder of which is then subject to the reporting requirements of Section 16 of the Exchange Act, agrees, if requested by the underwriter, to enter into an agreement not to, and shall use its best efforts to cause its Affiliates not to, effect any sale or distribution (except as a participant in such underwritten Public Offering), including any sale pursuant to Rule 144 (or any similar provision then in force) under the Securities Act, of any equity securities of the IPO Corporation, or of any security convertible into or exchangeable or exercisable for any equity security of the IPO Corporation (in each case, except as a participant in such underwritten Public Offering), during the seven (7) days prior to, and during the one hundred eighty-day (180-day) period, in the case of the Initial Public Offering, or the ninety-day (90-day) period, in the case of other Public Offerings, or such shorter period as the managing underwriters may require or permit, beginning on the pricing date of such Public Offering.

7. **Representations, Warranties and Covenants.**

(a) Representations and Warranties of the Members of a Management Stockholder Group. Each member of a Management Stockholder Group hereby represents and warrants to the Company and Sponsor Group that:

(i) Capacity; Authorization; Due Execution. The member of the Management Stockholder Group, if an individual, has all legal capacity to execute and deliver this Agreement and to carry out his or her obligations hereunder or, if an entity, is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation, and has all necessary organizational power and authority to execute and deliver this Agreement and carry out its obligations hereunder. The member of the Management Stockholder Group has duly executed and delivered this Agreement, and assuming due execution and delivery by the other Parties, this Agreement constitutes the legal, valid and binding obligation of such member, terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other laws affecting creditors' rights and remedies generally and subject, as to enforceability, to general principles of equity (regardless of whether enforcement is sought in a proceeding at law or in equity).

(ii) Brokerage Arrangements. B. WBAD Negotiations. (i) As soon as reasonably practicable following the Effective Date, the Parties shall engage in discussions to develop an orderly transition plan from PharMerica contracts. The Parties agree that they shall make commercially reasonable efforts to finalize and implement a transition plan in order to bring PharMerica volume under WBAD agreements as soon as is possible, subject to PharMerica's existing wholesale agreement and WBAD's notice requirements to Suppliers. Upon finalization of the implementation plan, WBAD shall provide notice to its Suppliers that PharMerica is joining WBAD in order to obtain Specified Terms on behalf of PharMerica. All other local terms (failure to supply, returned goods, etc.) shall be addressed by PharMerica either directly with a Supplier or with its wholesaler.

C. Limitations on Negotiations.

(i) WBAD shall negotiate Specified Terms in accordance with the Guiding Principles. WBAD shall consult with PharMerica regarding, and obtain PharMerica's consent (which may not be unreasonably withheld) prior to, deviating from any of the Guiding Principles.

B. Purchasing Exceptions. Notwithstanding anything to the contrary contained in this Agreement, PharMerica may Purchase Products under contracts, purchase orders or any other means other than any applicable WBAD Contract and/or from Suppliers other than those party to any applicable WBAD Contract (such purchases, "**Outside Purchases**"), provided that PharMerica's annual Outside Purchases shall be subject to a maximum of ten percent (10%) of the total dollar amount of all PharMerica's annual Product Purchases, under the following circumstances:

(i) On an occasional basis, in order to meet an immediate short-term inventory need, when PharMerica cannot satisfy such need through Purchase of an equivalent Available Product (for example, if an Available Product is out of stock and there is not another equivalent Available Product in stock and available for purchase); provided, however, that in such circumstances the minimum amount necessary of the equivalent Product will be purchased to satisfy the immediate need, and PharMerica shall provide prompt written notice to WBAD of the Purchases including the Product, Supplier and quantity purchased, after and to the extent such information is received by PharMerica;

(ii) The Outside Purchase is made pursuant to any contract pharmacy arrangement with a "covered entity" (within the meaning of Section 340B of the Public Health Services Act) under which PharMerica provides services to such covered entity's patients;

(iii) During any period of time in which a Supplier does not, or is temporarily unable, to supply the Available Product and there is no other equivalent Product available through a WBAD Contract, provided that during such time, PharMerica will cooperate with WBAD to resolve the supply problem and/or contract for a mutually agreeable equivalent Product; and

(iv) Non-prescription medications, such as OTC's, medical/surgical products, IV solutions and DME.

C. Notification. To the extent PharMerica intends to make any Outside Purchases, PharMerica shall provide written notice of the terms and Product specific details of such purchases to WBAD (to the extent permitted under the terms of such purchase or applicable Law) no later than ten (10) days following such Purchase.

D. Chargebacks. The Parties acknowledge and agree that the Contract Price made available to PharMerica will not be equivalent to the price PharMerica pays to ABC under the ABC Distribution Agreement. In order to protect WBAD's net pricing, Walgreens, as an agent of PharMerica, will collect from each applicable Supplier a chargeback on PharMerica's behalf on a monthly basis in order to collect the difference between PharMerica's indirect contract price and the indirect net price that is set between such Supplier and WBAD. For purposes of clarity, Walgrcens will manage the contracting process for the chargeback agreements. Walgreens will use each Supplier's sales data to calculate the chargeback. Walgreens will pass on the chargeback for each Supplier in a lump sum payment to PharMerica the fifteenth (15th) day of the month after the month in which the chargeback funds are received from such Supplier for the given month.

E. Volume Incentive Rebates. With respect to volume incentive tier rebates where PharMerica's volume is included and where such rebate is paid on the collective WBAD member volume, PharMerica shall be entitled to a pro rata share based on its volumes. Payments made on behalf of PharMerica's volumes will be passed through to PharMerica by WBAD the fifteenth (15th) day of the month after the month in which said payment is received by WBAD . For purposes of clarity, PharMerica's ability to achieve volume incentive rebates with respect to any particular Supplier will be subject to PharMerica's purchases and such Supplier's willingness to enter into such volume incentive agreements.

F. PharMerica Procurement Liaisons. PharMerica shall designate one representative to act as the primary contact person with respect to all issues relating to WBAD (the "**PharMerica Procurement Liaison**"). PharMerica may replace its appointed PharMerica Procurement Liaison at any time upon written notice to WBAD; provided, however, that PharMerica shall use reasonable efforts to preserve continuity of its PharMerica Procurement Liaison.

G. Cooperation. (i) WBAD and the PharMerica Procurement Liaison shall hold review meetings ("**Review Meetings**") with each other by telephone or in person, as mutually agreed upon, at such frequency as WBAD and PharMerica determine is reasonably necessary to discuss (i) the status of and any issues relating to the negotiation of Specified Terms or other matters relating to contracts with Suppliers, (ii) potential deviations from the Guiding Principles, (iii) negotiation strategies, (iv) the Parties' operational objectives and considerations and/or (v) any other matter contemplated by this Agreement.

(ii) To facilitate WBAD's negotiations with a Supplier, PharMerica shall, upon reasonable request, submit to WBAD its best estimates of its purchase requirements for all Products manufactured by the relevant Supplier for the 12 calendar month period (or such other period as WBAD and PharMerica may mutually agree) beginning on the date specified in WBAD's request (which shall be no earlier than 30 days following the date of such request) (each, a "**Demand Forecast**"). Each Demand Forecast shall be made in good faith and shall constitute PharMerica's best estimates of future orders of the applicable Product, but shall not be binding on PharMerica. PharMerica shall promptly notify WBAD of any material change to a then applicable Demand Forecast. Should WBAD require updates, PharMerica agrees to provide updated forecast information either directly or through its wholesaler.

H. Market Intelligence. From time to time, PharMerica and WBAD shall use their respective good faith efforts to provide each other with such information as may be in their respective possession regarding the market pricing or factors impacting market pricing for Products; provided, that neither WBAD nor PharMerica shall be obligated to provide any such information to the extent that doing so would violate any Law or contractual obligation to which such Party is subject. PharMerica shall not proactively solicit pricing offers for Products from Suppliers without first obtaining WBAD's permission to do so (which WBAD may withhold, in its sole discretion), except to the extent covered by a purchasing exception set forth in Section B, provided however, that PharMerica's negotiations and/or discussions with Suppliers pertaining to Outside Purchases shall not knowingly frustrate WBAD's ability to achieve Specified Terms for its other members.

I. New Product Launches. WBAD will provide regular updates to PharMerica regarding timing of new generic product launches. WBAD shall make reasonable efforts to provide PharMerica with information that will allow PharMerica to understand the pipeline and participate in discussions regarding any new products or changes to existing Products.

J. Monthly Reporting. PharMerica shall provide a monthly report no later than 12 Business Days after the end of each calendar month setting forth the aggregate number of Purchased Units for each Product. The Parties recognize that this report will be based either on wholesaler information or on the best information that PharMerica has available at the time.

3. VALUE/CLEAN ROOM PROCESS

A. Value Attributable to Member Purchases. The Parties acknowledge and agree that WBAD shall be entitled to retain, without exception, the Bona Fide GPO Fees earned as a result of PharMerica's Purchases of Products from Suppliers pursuant to WBAD Contracts.

(i) Except as otherwise set forth in this Agreement, all costs and expenses associated with this Agreement and the transactions and activities contemplated hereby, including general operating expenses, overhead and the fees of counsel and accountants, shall be borne by the Party incurring such expenses.

(ii) Except as expressly provided in this Agreement, no Party may offset, deduct or withhold any amounts due to it pursuant to this Agreement or any other contract or agreement with the other Party against any amounts due to such other Party hereunder or under such other contract or agreement.

B. Annual Clean Room Process. (i) On an annual date to be determined by WBAD, the Parties shall provide the External Auditor such information as is necessary for the External Auditor to conduct the Clean Room Process and to deliver the resulting report (the "**Year-End Data**"). The Parties acknowledge and agree that the first Annual Clean Room Process for calendar year 2018 will occur during calendar year 2019. The Parties shall provide the Year-End Data in such format as the External Auditor and the Parties shall mutually agree. Each Party shall cooperate reasonably with the External Auditor and shall provide to the External Auditor all such supporting documentation as shall be reasonably requested.

(ii) Using the Year-End Data, the External Auditor shall confirm that the Specified Terms received by PharMerica under the WBAD Contracts are consistent with the applicable WBAD Contracts (the "**Clean Room Process**"). All fees and reimbursable expenses of the External Auditor shall be borne 50/50 by PharMerica and WBAD, who shall, if possible, pay such fees directly to the External Auditor. Absent manifest error, the calculations resulting from the Clean Room Process shall be conclusive and binding on the Parties. Should the Annual Clean Room Process show that either Party did not receive the full benefit of the Specified Terms under a WBAD Contract, or conversely that a Party received more than full benefit, then the Parties shall make all necessary credits/debits to the other Party in order to keep each Party whole, provided that there shall be no penalties and/or late fees assessed with respect to such adjustment.

(iii) Each Party shall maintain and provide reasonable access to the External Auditor to its books, records and accounts in sufficient detail to permit the External Auditor to confirm the accuracy of the Year-End Data in accordance with the terms of this Section 4.B. Each Party shall retain such books, records and accounts for the longest of (i) a period of three (3) years from the end of the calendar year in which they were prepared, (ii) the period consistent with such Party's retention policies then applicable to such books, records and accounts and (iii) the period required by applicable Law.

(iv) In connection with the Clean Room Process, Walgreens shall join the engagement letter with the External Auditor in order to confirm the amount of all applicable chargebacks from Suppliers (or, if there has been a shortfall, the amount thereof) and to confirm that Walgreen has paid to PharMerica all applicable chargeback funds received from Suppliers on behalf of PharMerica.

4. TERM AND TERMINATION

A. Term. This Agreement shall be effective as of the Effective Date and will continue until the earlier of the following: (i) September 30, 2026; or (ii) the end of the ABC Distribution Agreement (the "**Initial Term**"), unless sooner terminated under the terms of this Agreement.

B. Termination With Cause. This Agreement may be terminated:

(i) by WBAD:

(a) upon any material breach of this Agreement by PharMerica, which breach is not cured within thirty (30) calendar days after written notice to PharMerica by WBAD;

(b) immediately upon written notice to PharMerica in the event of PharMerica's: (i) filing an application for or consenting to appointment of a trustee, receiver or custodian of its assets; (ii) having an order for relief entered in Bankruptcy Code proceedings; (iii) making a general assignment for the benefit of creditors; (iv) having a trustee, receiver or custodian of its assets appointed, unless proceedings and the person appointed are dismissed within 30 days; (v) insolvency within the meaning of Uniform Commercial Code § 1-201 or failing generally to pay its debts as they become due within the meaning of Bankruptcy Code § 303(h)(1), as amended; or (vi) certification in writing of its inability to pay its debts as they become due (each, a "**Bankruptcy Event**");

(c) if (I) there is any Law that (x) makes the consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited, (y) materially frustrates the Guiding Principles, taken as a whole, in a manner materially adverse to WBAD or (z) materially impairs the economic benefit of the transactions contemplated by this Agreement to WBAD or (II) any Governmental Entity having competent jurisdiction has issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting any material component of the transactions hereunder, materially frustrating the Guiding Principles, taken as a whole, in a manner materially adverse to WBAD or materially impairing the economic benefit of the transactions to WBAD, and such order, decree, ruling or other action becomes final and non-appealable; or

(ii) by PharMerica

(a) upon any material breach of this Agreement by WBAD which breach is not cured within thirty (30) calendar days after written notice to WBAD;

(b) immediately upon written notice to WBAD in the event of WBAD's Bankruptcy Event;

(c) (I) there is any Law that (x) makes the consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited, (y) materially frustrates the Guiding Principles, taken as a whole, in a manner materially adverse to PharMerica or (z) materially impairs the economic benefit of the transactions contemplated by this Agreement to PharMerica or (II) if any Governmental Entity having competent jurisdiction has issued an order, decree or ruling or taken any other action permanently restraining, enjoining or otherwise prohibiting any material component of the transactions hereunder, materially frustrating the Guiding Principles, taken as a whole, in a manner materially adverse to PharMerica or materially impairing the economic benefit of the transactions to PharMerica, and such order, decree, ruling or other action becomes final and non-appealable;

(iii) In determining whether a breach is material, the Parties shall not only consider the financial impact of the breach but also whether the breach (or the conduct giving rise to the breach) is or has been of a frequent or recurring nature, and the efforts taken by the breaching Party to cure, rem ediate or mitigate the breach or the impact thereof or to reduce the likelihood of such breach occurring again in the future.

(iv) Each Party will provide immediate notice to the other Party upon a Bankruptcy Event and either Party may periodically require the other Party to certify its ability to pay its debts as they become due.

C. Termination Due to Competition/Strategic Deals/Violation of Laws.

(i) In the event the ABC Distribution Agreement is terminated as a result of a Change of Control (as defined in the ABC Distribution Agreement) of PharMerica (other than as a result of a Change of Control (as defined in the ABC Distribution Agreement) of Walgreens), WBAD shall have the right to terminate this Agreement. Such termination right shall be subject to PharMerica receiving transition

assistance for a period of six (6) months after such termination becomes effective. Additionally, should PharMerica add volumes to its existing purchase volumes, either by a strategic relationship or by organic growth, and such additional volumes would not likely be permitted under applicable Laws, then the Parties shall agree on mutually acceptable exclusions from PharMerica's commitments to WBAD so as not to frustrate WBAD's abilities to provide services to its members.

(ii) In the event either Party or any of its Affiliates acquires an entity, or is under contract to acquire another entity, where any aspect of this Agreement is reasonably likely to materially delay or prevent the lawful consummation of such acquisition under applicable anti-trust Laws, then the Parties shall each use commercially reasonable efforts and work together in good faith to make accommodations that would permit the lawful consummation of such acquisition under applicable anti-trust Laws (including by agreeing to modify or change any terms of this Agreement). If, after exercising such commercially reasonable efforts, the Parties are unable to make accommodations that would permit the lawful consummation of such acquisition under applicable anti-trust Laws, then either Party shall be permitted to terminate PharMerica's membership in the WBAD GPO (and thereby terminate this Agreement) without penalty to the other Party by giving written notice of such termination to the other Party, with such termination to be effective: (i) twelve (12) months after such termination notice has been delivered if the termination is due to an acquisition contemplated by WBAD or any of its Affiliates and PharMerica shall be entitled to receive transition assistance during such 12-month period; or (ii) six (6) months after such termination notice has been delivered if the termination is due to an acquisition contemplated by PharMerica or any of its Affiliates and PharMerica shall be entitled to receive transition assistance during such 6-month period. In furtherance of the above, the Parties agree to cooperate in good faith in the event of an investigation by a Governmental Entity in order to avoid the entry into of a final and non-appealable order blocking any such acquisition.

(iii) In the event a Governmental Entity having proper jurisdiction initiates any action, including litigation, which alleges that the activities conducted by the WBAD GPO are not permitted under applicable anti-trust Law, other than in connection with a transaction as discussed in Section 4.C(ii) above, the Parties will work together in good faith to take such actions to comply with applicable anti-trust Law (including by agreeing to modify or change any terms of this Agreement). If, despite the Parties' respective good faith efforts described herein, the Parties are unable to cause the WBAD GPO to comply with applicable anti-trust Law, then either Party shall be permitted to terminate PharMerica's membership in the WBAD GPO (and thereby terminate this Agreement) without penalty by giving written notice of such termination to the other Party, provided; however, PharMerica shall be entitled to receive transition assistance from WBAD as set forth below for a period of 12 months after such termination becomes effective. The Parties acknowledge and agree that if compliance with applicable Law requires PharMerica to collectively make purchases outside of the WBAD GPO in excess of twenty-five (25%) of its annual purchases (as calculated in units) that would otherwise be required to be made under this Agreement, either Party shall be permitted to terminate PharMerica's membership in accordance with this Section 6.C. In furtherance of the above, the Parties agree to cooperate in good faith in the event of an investigation by a Governmental Entity in order to avoid the entry into a final and non-appealable order that the activities conducted by the WBAD GPO are not permitted under applicable anti-trust Law.

D. Effect of Termination. Upon any termination of this Agreement, the Parties shall work together in good faith to effect an orderly and equitable transition of PharMerica's Product Purchases from the WBAD Contracts to any successor contracts designated by PharMerica to the extent reasonably requested by PharMerica. With respect to any termination pursuant to which PharMerica is entitled to receive "transition assistance" for a period of time, WBAD shall additionally, for such period of time (as set forth in the applicable termination provision) (x) provide to PharMerica the same services and on the same terms and conditions that WBAD is providing as of the date of termination of this Agreement (subject to PharMerica continuing to comply, in all material respects, with all of its representations, warranties and

covenants under this Agreement) and (y) provide general "transition services" to PharMerica and shall cooperate with PharMerica in connection with PharMerica's exit from the WBAD GPO, which services shall include, but shall not be limited to, assistance in negotiations out of or into contracts with pharmaceutical suppliers, and providing records and other information, as reasonably requested by PharMerica. For the avoidance of doubt, any transition assistance that PharMerica may receive or have the right to receive under this Agreement or otherwise shall not limit or otherwise affect any other rights or remedies that PharMerica or any of its Affiliates may have under any other agreement with WBAD or any of its Affiliates (including Walgreens) or any other Person.

E. Survival of Termination. Termination of this Agreement shall not relieve any Party of its accrued rights and incurred obligations under this Agreement prior to termination. The terms and conditions of this Agreement and all WBAD Contracts entered into prior to termination of this Agreement shall remain in effect and shall survive any termination of this Agreement in accordance with their terms for a period of time sufficient to permit the provision of transition assistance to PharMerica in accordance with this Agreement and an orderly transition to another contract; provided that PharMerica shall not have any liability to WBAD with respect to any contract that contemplates purchases by PharMerica beyond September 30, 2026. The following provisions shall also survive any termination of this Agreement: Section 4, Section 5, Section 6 and Section 7 hereof.

5. CONFIDENTIALITY AND PUBLICITY

A. Confidential Information. (i) As used herein, "**Confidential Information**" means all confidential or proprietary information given to one Party by any other Party, or otherwise acquired by such Party in its performance of this Agreement, relating to the other Party or any of its Affiliates, including pricing data, the terms of contracts with or identity of Suppliers, information regarding its sales, advertising, distribution, marketing or strategic plans, or information regarding its costs, productivity or technological advances and the terms of this Agreement. No Party shall use or disclose to third parties any Confidential Information of any other Party (except to comply with its obligations under this Agreement), and each Party shall ensure that its and its Affiliates' employees, officers, representatives and agents shall not use or disclose to third parties any Confidential Information and upon the expiration or any termination of this Agreement shall return to the others or destroy all Confidential Information in written form. Confidential Information shall not include information that (i) was already known to the receiving Party at the time of its receipt thereof or is independently developed by the receiving Party, as evidenced by its written records; provided that such information is reasonably believed by the receiving Party not to be subject to an obligation of confidentiality (whether by agreement or otherwise) to the disclosing Party or another Person; (ii) is disclosed to the receiving Party after its receipt thereof from a third party who, the receiving Party in good faith believes, has a right to make such disclosure without violating any obligation of confidentiality; or (iii) is or becomes part of the public domain through no fault of the receiving Party and not as a result of any breach of this Agreement.

(ii) Notwithstanding Section 5.A(i), any Party may disclose Confidential Information of any other Party solely:

(a) to its directors, officers, employees, agents and advisors to the extent reasonably necessary for the receiving Party to perform its obligations or exercise its rights under this Agreement or any other Transaction Document; provided that such Persons shall be subject to obligations of confidentiality and non-use at least equivalent in scope to those set forth in this Section 5.A and the receiving Party shall be liable for any failure by any such Persons to comply with the terms hereof;

(b) pursuant to an order of a court or other Governmental Entity or as required by applicable Law or judicial, regulatory or other legal process;

provided that, to the extent legally permissible and reasonably practicable under the circumstances, the receiving Party provides the disclosing Party with reasonable advance written notice thereof and uses diligent and commercially reasonable efforts and reasonably cooperates with the disclosing Party to obtain a protective order or other confidential treatment therefor, if applicable, and only furnishes that Confidential Information which it is advised by counsel that it is legally required to furnish; or

(c) to the External Auditor.

(iii) Notwithstanding Section 5.A(i), PharMerica may disclose Confidential Information of WBAD to its Affiliates (and, in the case of PharMerica, Kohlberg Kravis Roberts & Co. L.P.) and their directors, officers, employees, agents and advisors to the extent reasonably necessary for the receiving Party to perform its obligations or exercise its rights under this Agreement; provided that such Persons shall be subject to obligations of confidentiality and non-use at least equivalent in scope to those set forth in this Section 5.A and PharMerica shall be liable for any failure by any such Persons to comply with the terms hereof.

B. Publicity. (i) The Parties acknowledge that the communication plan regarding the initial announcement of this Agreement to customers, suppliers, investors and employees and otherwise has been agreed by the Parties. No Party shall originate any publicity, news release or other public announcement, written or oral, relating to this Agreement, or the existence of any arrangement between the Parties, or make any other communication which is inconsistent with such agreed upon communication plan.

(ii) Without limiting the generality of Section 5.B(i), no Party shall originate any publicity, news release or other public announcement, written or oral, whether relating to this Agreement or the existence of any arrangement between the Parties, without the prior written consent of the other Party whether named in such publicity, news release or other public announcement or not, except where such publicity, news release or other public announcement is required by Law, or any judicial, regulatory or other legal process, or any listing or trading agreement concerning its publicly traded securities; provided that in such event, to the extent reasonably practicable under the circumstances, the Party issuing the same shall still be required to consult with the other Party, whether named in such publicity, news release or public announcement or not, a reasonable time prior to its release to allow the other Party to review and comment thereon (which comments will be taken into consideration in good faith) and, after its release, shall provide the other Party with a copy thereof. If any Party, based on the advice of its counsel, determines that this Agreement must be publicly filed with a Governmental Entity, then, to the extent reasonably practicable under the circumstances, such Party, prior to making any such filing, shall provide the other Party and its counsel with a redacted version of this Agreement which it intends to file, and will give good faith consideration to any comments provided by such Party or its counsel and use reasonable efforts (at the cost of the other Party) to ensure the confidential treatment by such Governmental Entity of those sections specified by the other Party or their counsel.

6. DISPUTE RESOLUTION

A. Dispute Resolution. (i) In the event that PharMerica and WBAD, after a period of thirty (30) days of discussion, are unable to resolve any disputed matter under this Agreement, such disputed matter shall be escalated through progressively senior levels of management at the Parties for an additional period of thirty (30) days.

(ii) In the event that the Parties are unable to reach a resolution of any referred disputed matter after the expiration of such thirty (30) day period, the Parties hereby retain all rights to pursue resolution of the matter pursuant to Section 6.B.

B. Arbitration.

(i) Any dispute, claim or controversy arising from or related in any way to this Agreement or the execution, interpretation, application, performance, breach, termination or validity thereof, including any claim of inducement of this Agreement by fraud or otherwise, which remains unresolved after following the procedures set forth in Section 6.A, shall be settled by arbitration in accordance with the Conflict Prevention & Resolution ("**CPR**") Global Rules for Accelerated Commercial Arbitration (the "**Rules**"). The arbitration hearing shall be held in the Borough of Manhattan, New York City, New York and shall commence with the delivery by any Party of a "Notice of Arbitration," in accordance with the Rules.

(ii) The arbitration panel (the "**Tribunal**") shall consist of three arbitrators chosen from the CPR Panels of Distinguished Neutrals (or, by agreement, from another provider of arbitrators), each of whom is either (i) a lawyer with at least 15 years' experience with a law firm or corporate law department of over 25 lawyers or (ii) a former judge or a senior judge (as defined in 28 U.S.C. § 294) of a court of general jurisdiction. In the event the aggregate damages sought by the claimant are stated to be less than $5 million, and the aggregate damages sought by the counterclaimant are stated to be less than $5 million, and neither side seeks injunctive relief, then the Tribunal shall consist of a sole arbitrator, having the same qualifications and experience specified above. Each arbitrator shall be impartial and independent of the Parties and shall abide by the Code of Ethics for Arbitrators in Commercial Disputes.

(iii) The Parties shall appoint the arbitrator(s) by agreement within 15 days of the commencement of arbitration. In the event the Parties fail to appoint the arbitrator(s) within 15 days of the commencement of arbitration, the arbitrator(s) shall be selected as follows:

(a) the CPR shall provide the Parties with a list of no fewer than 25 proposed arbitrators (or 15, if one arbitrator is to be selected) having the credentials referenced in paragraph (c) above;

(b) within 7 days of receiving such list, WBAD and PharMerica shall each exercise no more than five cause challenges each and then rank at least 65% of the proposed arbitrators remaining on the initial CPR list. WBAD and PharMerica may each exercise one peremptory challenge each on the five proposed arbitrators (or three, if one arbitrator is to be selected) with the highest combined rankings. The panel will consist of the remaining three proposed arbitrators (or one, if one arbitrator is to be selected) with the highest combined rankings; and

(c) in the event these procedures fail to result in the selection of three arbitrators (or one, if one arbitrator is to be selected), CPR shall select the remaining arbitrator(s) from among the members of the various CPR Panels of Distinguished Neutrals, allowing each side five challenges for cause and three peremptory challenges.

(iv) The Tribunal shall hold an initial pre-hearing conference for the planning and scheduling of the proceeding within 15 days of the constitution of the Tribunal. The Parties shall agree at such initial meeting or before upon procedures for discovery and as to the conduct of the hearing which will result in the award being rendered within six months of the commencement of arbitration. In the event the Parties cannot agree upon procedures for discovery and conduct of the hearing, then the Tribunal shall set dates for the hearing, any post-hearing briefing and the issuance of the award in accordance with the schedule set forth in the preceding sentence. The Tribunal shall provide for discovery according to those time limits, giving recognition to the understanding of the Parties that they contemplate reasonable discovery, including document demands and depositions, but that such discovery be limited so that the schedule set forth in the second sentence of this paragraph may be met. In no event will the Tribunal, absent agreement of the Parties, allow more than a total of 10 days for the hearing or permit either side to obtain

more than 40 hours of total deposition testimony from all witnesses, including both fact and expert witnesses, or serve more than 20 individual requests for documents, counting subparts as separate requests, or 20 individual requests for admission or interrogatories, counting subparts as separate requests. Multiple hearing days will be scheduled consecutively to the greatest extent possible. A transcript of the evidence adduced at the hearing shall be made and shall, upon request, be made available to any Party.

(v) The award shall be rendered within six months of the commencement of arbitration. The Parties may agree to extend this time limit or the Tribunal may do so in its discretion if it determines that the interests of justice so require. Failure to adhere to these time limits shall not be a basis for challenging the award.

(vi) The Tribunal must render its award, which may include specific performance, by application of the substantive law of the State of New York without regard for its conflicts of law principles, and must not apply "amiable compositeur" or "natural justice and equity" or any other similar principle. The Tribunal shall render a written opinion setting forth findings of fact and conclusions of law with the reasons therefor stated. To the extent possible, the arbitration hearings and award will be maintained in confidence.

(vii) The Parties consent to the jurisdiction of the Federal District Court for the Southern District of New York for the enforcement of these provisions and the entry of judgment on any award rendered hereunder. Should such court for any reason lack jurisdiction, the Parties consent to the jurisdiction of any state court in the Borough of Manhattan, New York City, New York for the enforcement of these provisions and the entry of judgment on any award rendered hereunder. If, but only if, such Federal District Court and such state court lack jurisdiction, the Parties consent to the jurisdiction of any court with jurisdiction for the enforcement of these provisions and the entry of judgment on any award rendered hereunder.

(viii) Each Party has the right before or, if the Tribunal cannot hear the matter within an acceptable period, during the arbitration to seek and obtain from the appropriate court provisional remedies such as attachment, preliminary injunction, replevin, etc., to avoid irreparable harm, maintain the status quo or preserve the subject matter of the arbitration.

(ix) **EACH PARTY HERETO WAIVES ITS RIGHT TO TRIAL OF ANY ISSUE BY JURY.**

C. Specific Performance. The Parties understand and agree that (a) the covenants and agreements on each of their parts herein contained are uniquely related to the desire of the Parties and their respective Affiliates to consummate the transactions contemplated by this Agreement, (b) the transactions contemplated by this Agreement are a unique business opportunity at a unique time for each of the Parties and their respective Affiliates, (c) irreparable damage could occur in the event that any provision of this Agreement were not performed in accordance with its specific terms, (d) although monetary damages may be available for the breach of such covenants and agreements, such monetary damages are not intended to and do not adequately compensate for the harm that would result from a breach of this Agreement, would be an inadequate remedy therefor and shall not be construed to diminish or otherwise impair in any respect any Party's right to specific performance and (e) the right of specific performance is an integral part of the transactions contemplated by this Agreement and without that right none of the Parties would have entered into this Agreement. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the Parties shall be entitled to seek an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement. Each of the Parties further agrees that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 6.C and each Party waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

D. Interim Relief. The procedures specified in this Section 6 shall be the sole and exclusive procedures for the resolution of disputes between the Parties arising out of or relating to this Agreement; provided, however, that a Party may file a complaint to seek a preliminary injunction or other injunctive judicial relief, if in its sole judgment such action is necessary, including to specifically enforce Section 5. Despite such action, the Parties will continue to participate in good faith in the procedures specified in this Section 6.

7. MISCELLANEOUS

A. Notices. Any notice, request, instruction or other communication required to be given hereunder by any Party to the other Party shall be in writing and delivered personally, or sent by overnight mail or certified mail, or in specific cases, where agreed to by the Parties, via email:

or to such other address for any Party as such Party shall hereafter designate by like notice. Notice shall be effective upon receipt, or refusal of receipt.

B. Force Majeure. The Parties shall be relieved of their obligations hereunder, if and to the extent that any of the following events hinder, limit or make impracticable the performance by any Party of any of its obligations hereunder: war, terrorist act, riot, fire, explosion, accident, flood, sabotage, national defense requirements, or any other "act of God" or similar event beyond the reasonable control and without the fault or negligence of such Party. The Party thus hindered or whose performance is otherwise affected shall promptly give the other Party written notice thereof and shall use best efforts to remove or otherwise address the impediment to action and to resume performance of its affected obligations as soon as practicable.

C. Assignment. This Agreement and the rights and obligations hereunder shall be binding upon and inure to the benefit of the Parties hereto, their respective successors and permitted assigns, but this Agreement shall not be assignable by either Party without the prior written consent of the other Party.

D. Amendments and Waivers. This Agreement may only be amended by the mutual agreement of the Parties in writing executed by authorized officers thereof.

E. Independent Contractors. Each Party acknowledges that it has entered into this Agreement for independent business reasons. The relationship of the Parties hereunder is that of independent contractors and nothing contained herein shall be deemed to create a joint venture or partnership. WBAD shall not have any power or authority to conclude any agreement, or to make any representation or to give any understanding on behalf of PharMerica in any way whatsoever save as provided for in this Agreement. Notwithstanding the foregoing, to the extent required to further the objectives of this Agreement, PharMerica shall execute any documents reasonably requested by WBAD as evidencing authority for WBAD to represent PharMerica hereunder.

F. No Third-Party Beneficiaries. The provisions of this Agreement are solely for the benefit of the Parties hereto and their successors and permitted assigns and are not intended to confer any rights or remedies to any Person, other than the Parties and such permitted successors and permitted assigns.

G. Compliance with Law. (i) Each Party will comply in all material respects with all applicable Laws, including the Controlled Substances Act and Laws applicable to purchasing, handling, sale and distribution of Products, as well as regulations regarding transportation of hazardous materials, provision of pedigrees, all applicable U.S. Drug Enforcement Administration and U.S. Food and Drug Administration regulations and all applicable government reporting obligations. The Parties agree that this Agreement is intended to comply with the Federal Anti-Kickback Statute 42 U.S.C. 1320a -7b(b), as well as similar state Laws. In the event there is any change in Law, regulation or interpretation thereof that has the effect of prohibiting any right or obligation of a Party under the Agreement or materially affects such right or obligation, then the Parties shall immediately work together in good faith to amend the Agreement so as to be in compliance with Law.

(ii) Each Party shall indemnify, defend and hold harmless the other Party, its agents, servants, employees, officers, directors, attorneys, subsidiaries, affiliates, parents and assigns, in each case, from and against all claims to the extent arising out of such Party's or any of its Affiliates' breach of this Section 7.G.

H. Severability. It is the desire and intent of the Parties hereto that the provisions of this Agreement will be enforced to the fullest extent permissible under the Laws in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement is determined to be invalid or unenforceable, such provision will be deemed amended to delete therefrom the portion thus determined to be invalid or unenforceable, such deletion to apply to the extent of such invalidity or unenforceability, without affecting in any way the remaining provisions hereof only with respect to the operation of such provision in the particular jurisdiction in which such determination is made.

I. Counterparts. This Agreement may be executed in two or more counterparts (which may be effectively delivered by facsimile or other electronic means), each of which shall be deemed to be an original and all of which shall be deemed to constitute the same Agreement.

J. Interpretation. Unless otherwise provided herein, all monetary values stated herein are expressed in United States dollars. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. Any reference to any Federal, state, local or foreign Law shall be deemed also to refer to all rules and regulations promulgated thereunder, unless the context requires otherwise. When a reference is made in this Agreement to a Party or to a Section or Exhibit, such reference shall be to a Party to, a Section of, or an Exhibit to, this Agreement, unless otherwise indicated. The Section headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning and interpretation of this Agreement. All terms

defined in this Agreement shall have their defined meanings when used in any Exhibit to this Agreement or any certificate or other document made or delivered pursuant hereto, unless otherwise defined therein. Whenever the words "include", "includes", "including" or "such as" are used in this Agreement, they shall be deemed to be followed by the words "without limitation". The word "will" shall be construed to have the same meaning and effect as the word "shall". The words "hereof", "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. The word "or" when used in this Agreement is not exclusive. The word "extent" in the phrase "to the extent" means the degree to which a subject or other thing extends, and such phrase shall not mean simply "if". Whenever used in this Agreement, any noun or pronoun shall be deemed to include the plural as well as the singular and to cover all genders. Any agreement, instrument or statute defined or referred to herein means such agreement, instrument or statute as from time to time amended, supplemented or modified, including (i) (in the case of agreements or instruments) by waiver or consent and (in the case of statutes) by succession of comparable successor statutes and (ii) all attachments thereto and instruments incorporated therein. References to a Person are also to its permitted successors and permitted assigns.

K. Entire Agreement. This Agreement, together with the Exhibits hereto, constitutes and sets forth the entire agreement and understanding between the Parties with respect to the subject matter hereof. Each of the Parties acknowledges and represents that in deciding to enter into this Agreement and to consummate the transactions contemplated hereby it has not relied upon any statements, promises, warranties or representations, written or oral, express or implied, other than those explicitly set forth herein.

L. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed entirely within such State, without regard to the conflicts of law principles of such State.

EXHIBIT 2
GUIDING PRINCIPLES

Except as otherwise provided in the Agreement, the Parties agree as follows:

- **Benefits in Pricing.** The Parties intend to capture legitimate, bona fide improvements in pricing for both PharMerica and the other members of WBAD resulting from this arrangement and for PharMerica to retain the value that results from improvements to PharMerica pricing.
- **Equal Treatment.** WBAD shall at all times (i) act in good faith considering the interests of each member individually and (ii) deal fairly with each member. At no time shall WBAD knowingly favor one member to the detriment of any other without such adversely affected member's consent (which may be withheld in such member's sole discretion).
- **Supplier Notification.** WBAD recognizes that switching Suppliers can be disruptive to PharMerica, particularly if such switches occur within short periods of time and/or with respect to large portions of PharMerica's Product portfolio, and shall take into consideration such potential disruption in deciding whether, how fast and how frequently to switch Products between Suppliers.
- **Negotiating Strategy.** WBAD will negotiate with manufacturers to capture contract price and terms available for its members. WBAD shall be the primary point of contact to the generic manufacturing community on behalf of Walgreens, AmerisourceBergen, Innovative Product Alignment LLC, Alliance Boots and PharMerica, except as otherwise provided in this Agreement. WBAD will negotiate terms that comply with its members' standard supplier requirements, subject to reasonably agreeable modifications. WBAD will maintain ongoing strategic dialogues with its critical members, including Walgreens, AmerisourceBergen, Innovative Product Alignment LLC, Alliance Boots and PharMerica. Each of its members will agree to accept the terms negotiated by WBAD in accordance with the these Guiding Principles (except as otherwise set forth in this Agreement) and will provide ongoing market intelligence to WBAD to enable WBAD, as GPO, to use this information in negotiations with the manufacturers; provided that nothing contained herein shall require any member to provide market intelligence to or otherwise share information with WBAD in violation of any applicable Law or contractual commitment to confidentiality.
- **Organizational Commitment.** The Parties commit (as Walgreens and Alliance Boots already have), from management down, to not engage in activities with the purpose of circumventing or frustrating the intention of this Agreement, nor impairing WBAD's ability to negotiate Specified Terms. To that end, PharMerica will utilize WBAD as its exclusive procurement vehicle for generic pharmaceuticals, except where legal or regulatory impediments or other mutually agreed exceptions make doing so impractical. In such circumstances, the Parties will work in good faith to try to remove, as quickly and as efficiently as possible, the legal or regulatory impediments or other exceptions making non-use of WBAD impractical.

- **Communications.** Effective communication from WBAD to Walgreens, AmerisourceBergen, Innovative Product Alignment LLC, Alliance Boots and PharMerica and any other members of WBAD is critical to success. WBAD and PharMerica will work together to develop a process by which market strategies are developed and communicated by WBAD to its members in a manner that is reasonably acceptable to these customers; provided, however, that WBAD shall not share information of a member with any other member in a manner that violates any applicable Law.
- **Affiliates.** In addition to Walgreens, AmerisourceBergen, Innovative Product Alignment LLC, Alliance Boots and PharMerica, WBAD will explore opportunities for acceptable affiliate entities to participate in this structure and increase the benefit for all Parties.
- **WBAD Expansion.** It is not in the spirit of this WBAD/PharMerica relationship to undermine PharMerica with its direct competitors or customers, however, WBAD also needs to be free to generate business in the United States with new clients and as such will not be restricted from adding new members to WBAD.

PHOENIX PARENT HOLDINGS INC.
2017 STOCK INCENTIVE PLAN

1. **Purpose**. The purpose of the Amended and Restated Phoenix Parent Holdings Inc. 2017 Stock Incentive Plan is to provide a means through which the Company and other members of the Company Group may attract and retain key personnel and to provide a means whereby directors, officers, employees, consultants, and advisors of the Company and other members of the Company Group can acquire and maintain an equity interest in the Company, or be paid incentive compensation measured by reference to the value of Common Stock, thereby strengthening their commitment to the welfare of the Company Group and aligning their interests with those of the Company's stockholders.

2. **Definitions**. Capitalized terms used herein are defined on Appendix A, attached hereto, or, to the extent not defined therein, will have the meanings given them in the Stockholders' Agreement.

3. **Effective Date; Duration**. The Plan shall be effective as of the Effective Date. The expiration date of the Plan, on and after which date no Awards may be granted hereunder, shall be the tenth (10th) anniversary of the Effective Date; *provided*, *however*, that such expiration shall not affect Awards then outstanding, and the terms and conditions of the Plan shall continue to apply to such Awards.

4. **Administration**.

(a) Subject to any proper allocations or delegations, as set forth below and approved by the Committee, the Committee shall administer the Plan. Subject to the provisions of the Plan and applicable law, the Committee shall have the sole and plenary authority, in addition to other express powers and authorizations conferred on the Committee by the Plan, to: (i) designate Participants; (ii) determine the type or types of Awards to be granted to a Participant; (iii) determine the number of shares of Common Stock to be covered by, or with respect to which payments, rights, or other matters are to be calculated in connection with, Awards; (iv) determine the terms and conditions of any Award; (v) determine whether, to what extent, and under what circumstances Awards may be settled in or exercised for cash, shares of Common Stock, other securities, other Awards, or other property, or canceled, forfeited, or suspended and the method or methods by which Awards may be settled, exercised, canceled, forfeited, or suspended; (vi) determine whether, to what extent, and under what circumstances the delivery of cash, shares of Common Stock, other securities, other Awards, or other property and other amounts payable with respect to an Award shall be deferred either automatically or at the election of the Participant or of the Committee; (vii) interpret, administer, reconcile any inconsistency in, correct any defect in, and/or supply any omission in the Plan and any instrument or agreement relating to, or Award granted under, the Plan; (viii) establish, amend, suspend, or waive any rules and regulations and appoint such agents as the Committee shall deem appropriate for the proper administration of the Plan; and (ix) make any other determination and take any other action that the Committee deems necessary or desirable for the administration of the Plan.

(b) Except to the extent prohibited by applicable law, the Committee may allocate all or any portion of its authority, responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any Person or Persons selected by it. Without limiting the generality of the foregoing, the Committee may delegate to one or more officers of the Company Group the authority to act on behalf of the Committee with respect to any matter, right, obligation, or election which is the responsibility of or which is allocated to the Committee herein, and which may be so delegated as a matter of law. Any such allocation or delegation of authority, responsibility and/or power may be revoked by the Committee at any time.

(c) Unless otherwise expressly provided in the Plan, all designations, determinations, interpretations, and other decisions under or with respect to the Plan or any Award or any documents evidencing Awards granted pursuant to the Plan shall be within the sole discretion of the Committee , may be made at any time and shall be final, conclusive, and binding, upon all Persons, including, without limitation, any member of the Company Group, any Participant, any holder or beneficiary of any Award, and any stockholder of the Company.

(d) Notwithstanding anything to the contrary contained in the Plan, the Board may, in its sole discretion, at any time and from time to time, grant Awards and administer the Plan with respect to any and all Awards granted thereunder. In any such case, the Board shall have all the authority granted to the Committee under the Plan.

(e) No member of the Board or the Committee, or any employee or agent of any member of the Company Group or any other Person to whom any authority, responsibility and/or power with respect to the administration of the Plan is allocated or delegated (each such Person, an "Indemnifiable Person") shall be personally liable by reason of any contract or other instrument executed by such member or Person, or on his behalf, in his capacity as a member of the Committee or Board or otherwise in making administrative determinations under the Plan made in good faith or for any action taken or omitted to be taken or for any mistake of judgment, in each case made in good faith, with respect to the Plan or any Award hereunder. Each Indemnifiable Person shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or incurred by such Indemnifiable Person in connection with or resulting from any action, suit, or proceeding to which such Indemnifiable Person may be a party or in which such Indemnifiable Person may be involved by reason of any action taken or omitted to be taken or determination made with respect to the Plan or any Award hereunder and against and from any and all amounts paid by such Indemnifiable Person with the Company's approval, in settlement thereof, or paid by such Indemnifiable Person in satisfaction of any judgment in any such action, suit, or proceeding against such Indemnifiable Person, and the Company shall advance to such Indemnifiable Person any such expenses promptly upon written request (which request shall include an undertaking by the Indemnifiable Person to repay the amount of such advance if it shall ultimately be determined as provided below that the Indemnifiable Person is not entitled to be indemnified); *provided* that the Company shall have the right, at its own expense, to assume and defend any such action, suit, or proceeding and once the Company gives notice of its intent to assume the defense, the Company shall have sole control over such defense with counsel of the Company's choice. The foregoing right of indemnification shall not be available to an Indemnifiable Person to the extent that a final judgment or other final adjudication (in

either case not subject to further appeal) binding upon such Indemnifiable Person determines that the acts or omissions or determinations of such Indemnifiable Person giving rise to the indemnification claim resulted from such Indemnifiable Person's fraud or willful criminal act or omission or that such right of indemnification is otherwise prohibited by law or by the organizational documents of any member of the Company Group, as applicable. The foregoing right of indemnification shall not be exclusive of or otherwise supersede any other rights of indemnification to which such Indemnifiable Person may be entitled under the organizational documents of any member of the Company Group, as a matter of law, under an individual indemnification agreement or contract, or otherwise, or any other power that the Company may have to indemnify such Indemnifiable Person or hold such Indemnifiable Person harmless.

(f) Each member of the Committee and the Board, and each other Person to whom any authority, responsibility or power has been delegated or allocated hereunder, shall take into account compliance with Section 409A of the Code in connection with any determination made or action taken, including the grant of any Award, under the Plan, to the extent applicable.

5. **Shares Subject to the Plan; Limitations.**

(a) Subject to Section 9 of the Plan, 1,132,819 shares of Common Stock (the "Plan Share Reserve") shall be available for grant of Awards under the Plan. Each Award granted under the Plan that provides for the possible issuance of shares of Common Stock will reduce the Plan Share Reserve by the number of shares of Common Stock underlying such Award. Awards may, in the sole discretion of the Committee, be granted under the Plan in assumption of, or in substitution for, outstanding awards previously granted by an entity directly or indirectly acquired by the Company or with which the Company combines ("Substitute Awards"). Substitute Awards shall not be counted against the Plan Share Reserve.

(b) To the extent that an Award (other than a Substitute Award) expires or is canceled, forfeited, terminated, settled in cash, or otherwise is settled without delivery to the Participant of the full number of shares of Common Stock to which the Award related, the undelivered shares underlying any Award will be returned to the Plan Share Reserve for future grant under the Plan. Shares of Common Stock withheld in payment of the Exercise Price or taxes relating to an Award (other than a Substitute Award) and shares equal to the number of shares surrendered in payment of any Exercise Price or taxes relating to an Award (other than a Substitute Award) shall constitute shares issued to the Participant and shall reduce the Plan Share Reserve.

(c) Shares of Common Stock issued by the Company in settlement of Awards may be authorized and unissued shares, shares held in the treasury of the Company, shares purchased on the open market or by private purchase, or a combination of the foregoing.

(d) In connection with the grant, vesting, and/or exercise of any Award, to the extent that a Participant is not already a party to the Stockholders' Agreement, the Committee may require such Participant to execute and become a party to such Stockholders' Agreement as a condition of such grant, vesting, and/or exercise of any Award by executing and delivering to the Company a joinder to the Stockholders' Agreement in the form provided by the Company from time to time. To the extent that there is any conflict between the terms of the Plan and the Stockholders' Agreement, the Stockholders' Agreement shall govern and control.

6. **Eligibility.** Participation in the Plan shall be limited to Eligible Persons.

7. **Options.**

(a) The Committee may grant Options under the Plan, subject to the conditions set forth in this Section 7 and Section 11(a) hereof.

(b) (b) Unless an Option is a Substitute Award, the exercise price per share of Common Stock (the "Exercise Price") for each Option shall not be less than 100% of the Fair Market Value of such share, determined as of the Date of Grant. The Exercise Price for any Option that is a Substitute Award shall be determined by the Committee at the time of grant.

(c) Vesting and Expiration; Termination

(i) Options shall vest and become exercisable in such manner and on such date or dates or upon such event or events as determined by the Committee; *provided, however,* that notwithstanding any such vesting dates or events, the Committee may in its sole discretion accelerate the vesting of any Options at any time and for any reason.

(ii) Options shall expire upon a date determined by the Committee and set forth in the applicable Award Agreement, not to exceed ten (10) years from the Date of Grant (the "Option Period"); *provided* that if, following an Initial Public Offering, the Option Period would expire at a time when trading in the shares of Common Stock is prohibited by the Company's insider trading policy (or Company-imposed "blackout period"), the Option Period shall be automatically extended until the thirtieth (30th) day following the expiration of such prohibition

(iii) Unless otherwise provided by the Committee, whether in an Award Agreement or otherwise, or in an employment or similar agreement between the Company and the Participant, in the event of: (A) a Participant's Termination by the Service Recipient for Cause, all outstanding Options granted to such Participant, whether vested or unvested, shall immediately terminate and expire; (B) a Participant's Termination due to death or Disability, each outstanding unvested Option granted to such Participant shall immediately terminate and expire, and each outstanding vested Option shall remain exercisable for one (1) year thereafter (but in no event beyond the expiration of the Option Period); and (C) a Participant's Termination for any other reason, each outstanding unvested Option granted to such Participant shall immediately terminate and expire, and each outstanding vested Option shall remain exercisable for ninety (90) days thereafter (but in no event beyond the expiration of the Option Period).

(d) Method of Exercise and Form of Payment. No shares of Common Stock shall be issued pursuant to any exercise of an Option until payment in full of the Exercise Price therefor is received by the Company and the Participant has paid to the Company an amount equal to any federal, state, local, and non-U.S. income, employment, and any other applicable taxes required to be withheld. Options which have become exercisable may be exercised by delivery

of written or electronic notice of exercise to the Company (or telephonic instructions to the extent permitted by the Committee) in accordance with the terms of the Option accompanied by payment of the Exercise Price. The Exercise Price shall be payable (i) in cash, check and/or cash equivalent; or (ii) by such other method as the Committee may permit in its sole discretion. Any fractional shares of Common Stock shall be settled in cash.

8. **Other Stock-Based Awards.** Subject to Section 11(a) hereof, the Committee may issue unrestricted or restricted shares of Common Stock or other Awards that are denominated in Common Stock or valued in whole or in part by reference to, or are otherwise based on the Fair Market Value of, Common Stock (including, without limitation, stock appreciation rights, restricted stock units and phantom stock) under the Plan to Eligible Persons, in such amounts and dependent on such conditions as the Committee shall from time to time, in its sole discretion, determine (including, without limitation, the vesting provisions thereof).

9. **Changes in Capital Structure and Similar Events.** Notwithstanding any other provision in this Plan to the contrary, the following provisions shall apply to all Awards granted hereunder:

(a) In the event of (i) any dividend (other than regular cash dividends) or other distribution (whether in the form of cash, shares of Common Stock, other securities, or other property), recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, split-up, split-off, spin-off, combination, extraordinary sale or repurchase transactions, or exchange of shares of Common Stock or other securities of the Company, or other similar corporate transaction or event that affects the shares of Common Stock (including a Change in Control), or (ii) any unusual or nonrecurring events affecting the Company, including changes in applicable laws, rules or regulations, or the dissolution or liquidation of the Company, that the Committee determines, its sole discretion, warrants adjustment in order to maintain or satisfy the intended purpose of the Plan (any event in (i) or (ii), an "Adjustment Event"), the Committee shall, in respect of any such Adjustment Event, make such proportionate substitution or adjustment, if any, as it deems equitable, to any or all of: (A) the Plan Share Reserve, (B) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) which may be issued in respect of Awards or with respect to which Awards may be granted under the Plan, and (C) the terms of any outstanding Award, including, without limitation: (I) the number of shares of Common Stock or other securities of the Company (or number and kind of other securities or other property) subject to outstanding Awards or to which outstanding Awards relate, (II) the Exercise Price with respect to any Award, or (III) any applicable performance measures. Any adjustment under this Section 9 shall be conclusive and binding for all purposes.

(b) Without limiting the foregoing, except as may otherwise be provided in an Award Agreement, in connection with any Adjustment Event that is a Change in Control, the Committee may, in its sole discretion, provide for any one or more of the following:

(i) Substitution or assumption of Awards, or acceleration of the vesting of, exercisability of, or lapse of restrictions on, Awards;

(ii) Cancellation of any one or more outstanding Awards and causing to be paid to the holders of such Awards that are vested as of such cancellation (including, without limitation, any Awards that would vest as a result of the occurrence of such Change in Control but for such cancellation) the value of such Awards, if any, as determined by the Committee, including without limitation, in the case of an outstanding Option, by providing payment in an amount equal to the excess, if any, of the Fair Market Value (as of a date specified by the Committee) of the shares of Common Stock subject to such Option over the aggregate Exercise Price of such Option (it being understood that, in such event, any Option having a per share Exercise Price equal to, or in excess of, the Fair Market Value of a share of Common Stock subject thereto may be canceled and terminated without any payment or consideration therefor); and

(iii) Conversion or replacement of any Award that is not vested as of the occurrence of such event into or with the right to receive a payment, based on the value of the Award at the time of such conversion or replacement, if any, as determined by the Committee, that is subject to continued vesting on the same basis as the vesting requirements applicable to such converted or replaced Award.

Payments to holders pursuant to clause (ii) or (iii) above shall be made in cash or, in the sole discretion of the Committee, in the form of such other consideration necessary for a Participant to receive property, cash, or securities (or combination thereof) as such Participant would have been entitled to receive upon the occurrence of the transaction if the Participant had been, immediately prior to such transaction, the holder of the number of shares of Common Stock covered by the Award at such time (less any applicable Exercise Price).

(c) Prior to any payment or adjustment contemplated under this Section 9, the Committee may require a Participant to: (i) represent and warrant as to the unencumbered title to the Participant's Awards; (ii) bear such Participant's pro rata share of any post-closing indemnity obligations and be subject to the same post-closing purchase price adjustments, escrow terms, offset rights, holdback terms, and similar conditions as the other holders of Common Stock, subject to any limitations or reductions as may be necessary to comply with Section 409A of the Code; and (iii) deliver customary transfer documentation as reasonably determined by the Committee.

(d) Any adjustment provided under this Section 9 may provide for the elimination of any fractional share that might otherwise become subject to an Award.

10. **Amendments and Termination.**

(a) Amendment and Termination of the Plan. The Board may amend, alter, suspend, discontinue, or terminate the Plan or any portion thereof at any time; *provided* that any such amendment, alteration, suspension, discontinuance, or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary of any Award theretofore granted shall not to that extent be effective without the consent of the Participants, holders, or beneficiaries holding more than fifty percent (50%) of the number of shares of Common Stock underlying the Awards of all such adversely affected Participants, holders, and beneficiaries.

(b) Amendment of Award Agreements. The Committee may amend any terms of, or alter, suspend, discontinue, cancel, or terminate any Award theretofore granted or the associated Award Agreement; *provided* that, other than pursuant to Section 9, any such amendment, alteration, suspension, discontinuance, cancellation, or termination that would materially and adversely affect the rights of any Participant or any holder or beneficiary with respect to any Award theretofore granted shall not to that extent be effective without either the consent of such affected Participant, holder or beneficiary or the consent of the Participants, holders, or beneficiaries holding more than fifty percent (50%) of the number of shares of Common Stock underlying the Awards of all such adversely affected Participants, holders, and beneficiaries.

11. **General.**

(a) Award Agreements. Each Award under the Plan shall be evidenced by an Award Agreement, which shall be delivered to the Participant to whom such Award was granted and shall specify the terms and conditions of the Award and any rules applicable thereto, and which agreement need not be the same for each Participant. For purposes of the Plan, an Award Agreement may be in any such form (written or electronic) as determined by the Committee (including, without limitation, a Board or Committee resolution, an employment agreement, a notice, a certificate, or a letter) evidencing the Award. The Committee need not require an Award Agreement to be signed by the Participant or a duly authorized representative of the Company.

(b) Transferability.

(i) Except as may be permitted by the Committee, no Award shall be assigned, alienated, pledged, attached, sold, or otherwise transferred or encumbered by a Participant, other than by will or by the laws of descent and distribution, and any such purported assignment, alienation, pledge, attachment, sale, transfer, or encumbrance shall be void and unenforceable against any member of the Company Group; *provided* that the designation of a beneficiary shall not constitute an assignment, alienation, pledge, attachment, sale, transfer, or encumbrance.

(ii) Notwithstanding the foregoing, subject to the terms of the Stockholders' Agreement, the Committee may, in its sole discretion, permit Awards to be transferred by a Participant, without consideration, subject to such rules as the Committee may adopt, to any Permitted Transferee; *provided* that the Participant gives the Committee advance written notice describing the terms and conditions of the proposed transfer and the Committee notifies the Participant in writing that such a transfer would comply with the requirements of the Plan.

(iii) The terms of any Award transferred in accordance with clause (ii) above shall apply to the Permitted Transferee and any reference in the Plan, or in any applicable Award Agreement, to a Participant shall be deemed to refer to the Permitted Transferee, except that: (A) Permitted Transferees shall not be entitled to transfer any Award (unless such transfer is specifically required pursuant to a domestic relations order or by applicable law) other than by will or the laws of descent and distribution; (B) neither the Committee nor the Company shall be required to provide any notice to a Permitted

Transferee, whether or not such notice is or would otherwise have been required to be given to the Participant under the Plan or otherwise; and (C) the consequences of a Participant's Termination under the terms of the Plan and the applicable Award Agreement shall continue to be applied with respect to the Permitted Transferee, including, without limitation, that an Option shall be exercisable by the Permitted Transferee only to the extent, and for the periods, that a Participant would be able to exercise such Option as specified in the Plan and the applicable Award Agreement.

(c) Stock Certificates and Book-Entry. Unless otherwise determined by the Committee, in its sole discretion, shares of Common Stock acquired upon the exercise, vesting, or settlement of Awards, as applicable, shall be held in book-entry form, rather than delivered to the Participant, until such time that applicable transfer restrictions under the Stockholders' Agreement have lapsed. If certificates representing shares of Common Stock are registered in the name of the Participant, the Committee may require that: (i) such certificates bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such shares of Common Stock; (ii) the Company retain physical possession of such certificates; and (iii) the Participant deliver a stock power to the Company, endorsed in blank, relating to such shares of Common Stock.

(d) Tax Withholding.

(i) A Participant shall be required to pay to the Company or, if directed by the Company, the Service Recipient, an amount in cash (by check or wire transfer) equal to the aggregate amount of any income, employment and/or other applicable taxes that are statutorily required to be withheld in respect of an Award. Alternatively, the Company may elect, in its sole discretion, to satisfy this requirement by withholding such amount from any cash compensation or other cash amounts owing to a Participant.

(ii) Without limiting the foregoing, the Committee may (but is not obligated to), in its sole discretion, permit or require a Participant to satisfy, all or any portion of the minimum income, employment and/or other applicable taxes that are statutorily required to be withheld with respect to an Award by having the Company withhold from the shares of Common Stock otherwise issuable or deliverable to, or that would otherwise be retained by, the Participant upon the grant, exercise, vesting or settlement of the Award, as applicable, a number of shares of Common Stock with an aggregate fair market value equal to an amount equal to the minimum statutorily required withholding liability (or portion thereof), or such greater amount (up to the maximum statutory withholding liability) that the Committee determines, in its sole discretion, would not result in adverse accounting consequences to the Company. Further, the Committee, after considering applicable accounting impact of any determination, shall have the full discretion to determine to allow a number of shares of Common Stock to be withheld to have a fair market value in excess of the minimum statutorily required withholding liability (but such withholding may in no event be in excess of the maximum statutory withholding amount(s) in a Participant's relevant tax jurisdictions).

(e) Data Protection. By participating in the Plan or accepting any rights granted under it, each Participant consents to the collection and processing of personal data relating to

the Participant so that the Company and other members of the Company Group can fulfill their obligations and exercise their rights under the Plan and generally administer and manage the Plan. This data will include, but may not be limited to, data about participation in the Plan and shares offered or received, purchased, or sold under the Plan from time to time and other appropriate financial and other data (such as the date on which the Awards were granted) about the Participant and the Participant's participation in the Plan.

(f) No Claim to Awards; No Rights to Continued Employment or Services; Waiver. No employee of the Company or any other member of the Company Group, or other person, shall have any claim or right to be granted an Award under the Plan or, having been selected for the grant of an Award, to be selected for a grant of any other Award. There is no obligation for uniformity of treatment of Participants or holders or beneficiaries of Awards. The terms and conditions of Awards and the Committee's determinations and interpretations with respect thereto need not be the same with respect to each Participant and may be made selectively among Participants, whether or not such Participants are similarly situated. Neither the Plan nor any action taken hereunder shall be construed as giving any Participant any right to be retained in the employ or service of any member of the Company Group, nor shall it be construed as giving any Participant any rights to continued service on the Board. By accepting an Award under the Plan, a Participant shall thereby be deemed to have waived any claim to continued exercise or vesting of an Award or to damages or severance entitlement related to non-continuation of the Award beyond the period provided under the Plan or any Award Agreement, except to the extent of any provision to the contrary in any written employment contract or other agreement between the Company and its Affiliates and the Participant, whether any such agreement is executed before, on, or after the Date of Grant.

(g) Termination.

(i) Except as otherwise provided in an Award Agreement, unless determined otherwise by the Committee in connection with such event: (A) neither a temporary absence from employment or services due to illness, vacation, or leave of absence (including, without limitation, a call to active duty for military service through a Reserve or National Guard unit) nor a transfer from employment or services with one Service Recipient to employment or services with another Service Recipient (or vice-versa) shall be considered a Termination; and (B) if a Participant undergoes a Termination of employment, but such Participant continues to provide services to the Company Group in a non-employee capacity, such change in status shall not be considered a Termination for purposes of the Plan. Further, unless otherwise determined by the Committee, in the event that any Service Recipient ceases to be a member of the Company Group (by reason of sale, divestiture, spin-off, or other similar transaction), unless a Participant's employment or services is or are transferred to another entity that would constitute a member of the Company Group immediately following such transaction, such Participant shall be deemed to have suffered a Termination hereunder as of the date of the consummation of such transaction.

(ii) For purposes of the Plan, no period of notice of Termination, if any, or payment in lieu of notice that is given or ought to have been given, pursuant to any employment or similar agreement between the Participant and the Service Recipient in

effect at the time of such Termination or applicable law, that follows or is in respect of a period after the last date of a Participant's actual and active employment with the Service Recipient will be considered as extending the Participant's period of employment for purposes of determining the date of Termination.

(h) No Rights as a Stockholder. Except as otherwise specifically provided in the Plan or any Award Agreement, no Person shall be entitled to the privileges of ownership in respect of shares of Common Stock which are subject to Awards hereunder until such shares have been issued or delivered to such Person.

(i) Government and Other Regulations.

(i) The obligation of the Company to settle Awards in shares of Common Stock or other consideration shall be subject to all applicable laws, rules, and regulations, and to such approvals by governmental agencies as may be required. Notwithstanding any terms or conditions of any Award to the contrary, the Company shall be under no obligation to offer to sell or to sell, and shall be prohibited from offering to sell or selling, any shares of Common Stock pursuant to an Award unless such shares have been properly registered for sale pursuant to the Securities Act with the Securities and Exchange Commission or unless the Company has received an opinion of counsel (if the Company has requested such an opinion), satisfactory to the Company, that such shares may be offered or sold without such registration pursuant to an available exemption therefrom and the terms and conditions of such exemption have been fully complied with. The Company shall be under no obligation to register for sale under the Securities Act any of the shares of Common Stock to be offered or sold under the Plan. The Committee shall have the authority to provide that all shares of Common Stock or other securities of any member of the Company Group issued under the Plan shall be subject to such stop transfer orders and other restrictions as the Committee may deem advisable under the Plan, the applicable Award Agreement, the federal securities laws, or the rules, regulations and other requirements of the Securities and Exchange Commission, any securities exchange, or inter-dealer quotation system on which the securities of the Company are listed or quoted and any other applicable federal, state, local, or non-U.S. laws, rules, regulations, and other requirements, and the Committee may cause a legend or legends to be put on certificates representing shares of Common Stock or other securities of any member of the Company Group issued under the Plan to make appropriate reference to such restrictions or may cause such Common Stock or other securities of any member of the Company Group issued under the Plan in book-entry form to be held subject to the Company's instructions or subject to appropriate stop transfer orders. Notwithstanding any provision in the Plan to the contrary, the Committee reserves the right to add any additional terms or provisions to any Award granted under the Plan that the Committee in its sole discretion deems necessary or advisable in order that such Award complies with the legal requirements of any governmental entity to whose jurisdiction the Award is subject.

(ii) The Committee may cancel an Award or any portion thereof if it determines, in its sole discretion, that legal or contractual restrictions and/or blockage and/or other market considerations would make the Company's acquisition of shares of

Common Stock from the public markets, the Company's issuance of Common Stock to the Participant, the Participant's acquisition of Common Stock from the Company, and/or the Participant's sale of Common Stock to the public markets illegal. If the Committee determines to cancel all or any portion of an Award in accordance with the foregoing, the Company shall provide the Participant with a cash payment subject to deferred vesting and delivery consistent with the vesting restrictions applicable to such Award.

(j) Payments to Persons Other Than Participants. If the Committee shall find that any Person to whom any amount is payable under the Plan is unable to care for the Participant's affairs because of illness or accident, or is a minor, or has died, then any payment due to such Person or the Participant's estate (unless a prior claim therefor has been made by a duly appointed legal representative) may, if the Committee so directs the Company, be paid to the Participant's spouse, child, relative, an institution maintaining or having custody of such Person, or any other Person deemed by the Committee to be a proper recipient on behalf of such Person otherwise entitled to payment. Any such payment shall be a complete discharge of the liability of the Committee and the Company therefor.

(k) Nonexclusivity of the Plan. Neither the adoption of the Plan by the Board nor the submission of the Plan to the stockholders of the Company for approval shall be construed as creating any limitations on the power of the Board to adopt such other incentive arrangements as it may deem desirable, including, without limitation, the granting of equity awards otherwise than under the Plan, and such arrangements may be either applicable generally or only in specific cases.

(l) No Trust or Fund Created. Neither the Plan nor any Award shall create or be construed to create a trust or separate fund of any kind or a fiduciary relationship between any member of the Company Group, on the one hand, and a Participant or other Person, on the other hand. No provision of the Plan or any Award shall require the Company, for the purpose of satisfying any obligations under the Plan, to purchase assets or place any assets in a trust or other entity to which contributions are made or otherwise to segregate any assets, nor shall the Company be obligated to maintain separate bank accounts, books, records, or other evidence of the existence of a segregated or separately maintained or administered fund for such purposes. Participants shall have no rights under the Plan other than as unsecured general creditors of the Company, except that insofar as they may have become entitled to payment of additional compensation by performance of services, they shall have the same rights as other service providers under general law.

(m) Reliance on Reports. Each member of the Committee and each member of the Board shall be fully justified in acting or failing to act, as the case may be, and shall not be liable for having so acted or failed to act in good faith, in reliance upon any report made by the independent public accountant of any member of the Company Group and/or any other information furnished in connection with the Plan by any agent of the Company or the Committee or the Board, other than himself or herself.

(n) Relationship to Other Benefits. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, profit sharing, group insurance, or other benefit plan of the Company except as otherwise specifically provided in such other plan or as required by applicable law.

(o) Governing Law. The Plan shall be governed by and construed in accordance with the internal laws of the State of Delaware applicable to contracts made and performed wholly within the State of Delaware, without giving effect to the conflict of laws provisions thereof. EACH PARTICIPANT WHO ACCEPTS AN AWARD IRREVOCABLY WAIVES ALL RIGHT TO A TRIAL BY JURY IN ANY SUIT, ACTION, OR OTHER PROCEEDING INSTITUTED BY OR AGAINST SUCH PARTICIPANT IN RESPECT OF THE PARTICIPANT'S RIGHTS OR OBLIGATIONS HEREUNDER.

(p) Severability. If any provision of the Plan or any Award or Award Agreement is or becomes or is deemed to be invalid, illegal, or unenforceable in any jurisdiction or as to any Person or Award, or would disqualify the Plan or any Award under any law deemed applicable by the Committee, such provision shall be construed or deemed amended to conform to the applicable laws, or if it cannot be construed or deemed amended without, in the determination of the Committee, materially altering the intent of the Plan or the Award, such provision shall be construed or deemed stricken as to such jurisdiction, Person, or Award and the remainder of the Plan and any such Award shall remain in full force and effect.

(q) Obligations Binding on Successors. The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation, or other reorganization of the Company, or upon any successor corporation or organization succeeding to substantially all of the assets and business of the Company.

(r) Section 409A of the Code.

(i) Notwithstanding any provision of the Plan to the contrary, it is intended that the provisions of the Plan and terms of Awards granted under the Plan either comply with or are exempt from the provisions of Section 409A of the Code, and all provisions of the Plan shall be construed and interpreted in a manner consistent with the requirements for avoiding taxes or penalties under Section 409A of the Code. Each Participant is solely responsible and liable for the satisfaction of all taxes and penalties that may be imposed on or in respect of such Participant in connection with the Plan (including any taxes and penalties under Section 409A of the Code), and neither the Service Recipient nor any other member of the Company Group shall have any obligation to indemnify or otherwise hold such Participant (or any beneficiary) harmless from any or all of such taxes or penalties. With respect to any Award that is considered "deferred compensation" subject to Section 409A of the Code, references in the Plan to "termination of employment" (and substantially similar phrases) shall mean "separation from service" within the meaning of Section 409A of the Code. For purposes of Section 409A of the Code, each of the payments that may be made in respect of any Award granted under the Plan is designated as a separate payment.

(ii) Notwithstanding anything in the Plan to the contrary, if a Participant is a "specified employee" within the meaning of Section 409A(a)(2)(B)(i) of the Code, no payments in respect of any Awards that are "deferred compensation" subject to Section

409A of the Code and which would otherwise be payable upon the Participant's "separation from service" (as defined in Section 409A of the Code) shall be made to such Participant prior to the date that is six (6) months after the date of such Participant's "separation from service" or, if earlier, the date of the Participant's death. Following any applicable six (6) month delay, all such delayed payments will be paid in a single lump sum on the earliest date permitted under Section 409A of the Code that is also a business day.

(iii) Unless otherwise provided by the Committee in an Award Agreement or otherwise, in the event that the timing of payments in respect of any Award (that would otherwise be considered "deferred compensation" subject to Section 409A of the Code) would be accelerated upon the occurrence of (A) a Change in Control, no such acceleration shall be permitted unless the event giving rise to the Change in Control satisfies the definition of a change in the ownership or effective control of a corporation or a change in the ownership of a substantial portion of the assets of a corporation pursuant to Section 409A of the Code or (B) a Disability, no such acceleration shall be permitted unless the Disability also satisfies the definition of "disability" pursuant to Section 409A of the Code.

(s) Clawback/Repayment. All Awards shall be subject to reduction, cancellation, forfeiture or recoupment to the extent necessary to comply with (i) any clawback, forfeiture or other similar policy adopted by the Board or Committee and as in effect from time to time, and (ii) applicable law. Further, to the extent that the Participant receives any amount in excess of the amount that the Participant should otherwise have received under the terms of the Award for any reason (including, without limitation, by reason of a financial restatement, mistake in calculations or other administrative error), the Participant shall be required to repay any such excess amount to the Company.

(t) Stockholders' Agreement. All Awards and the shares of Common Stock issued in connection with the vesting, settlement or exercise of any Awards shall be subject to the Stockholders' Agreement and all of its terms and conditions. To the extent requested by the Company, as a condition of the grant of an Award or the issuance of any shares of Common Stock in connection therewith, the Company may require a Participant to execute any documentation it reasonably requests, including a joinder or similar agreement to the Stockholders' Agreement, reflecting the provisions of this subsection.

(u) Expenses; Gender; Titles and Headings. The expenses of administering the Plan shall be borne by the Company Group. The titles and headings of the sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

WHEREAS, in connection with the Merger, the Company desires to employ the Employee as President and Chief Executive Officer of the Company and to enter into this Employment Agreement, which will embody the terms of the Employee's employment, and the Employee desires to serve the Company as President and Chief Executive Officer pursuant to the terms of this Employment Agreement; and

WHEREAS, should the closing of the Merger fail to occur for any reason, this Employment Agreement shall be null and void and have no effect, and any rights and obligations of the parties hereunder shall automatically terminate.

NOW, THEREFORE, in consideration of the foregoing, the mutual promises contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties, intending to be legally bound, agree as follows:

AGREEMENT:

1. **Employment and Term**. The Company hereby employs the Employee, and the Employee accepts such employment, upon the terms and conditions herein set forth for an initial term commencing effective March 5, 2019 (the "Commencement Date"), and ending on December 31, 2023, subject to earlier termination only in accordance with the express provisions of this Employment Agreement ("Initial Term"). This Employment Agreement shall be automatically extended for successive periods of one (1) year each (the "Additional Term(s)") on the same terms and conditions unless not less than sixty (60) days prior to the last day of the Initial Term or the then effective Additional Term, as applicable, either the Company or the Employee gives written notice to the other of such party's intent to not so extend the Term. The Initial Term and any effective Additional Terms shall be collectively referred to as the "Term." For purposes of this Employment Agreement, the term "Execution Date" shall mean the later of (i) the date this Employment Agreement is signed by the Employee and (ii) the date this Employment Agreement is signed on behalf of the Company.

2. **Duties**.

(a) Employment as President and Chief Executive Officer of the Company. During the Term, the Employee shall serve as the President and Chief Executive Officer of the Company. In addition, during the Term, the Employee shall be elected (or, following an initial public offering, shall be nominated to be) a director of the Board of Directors of the Company (the "Board"). During the Term, subject to the supervision and control of the Board, the Employee shall have the responsibility for management and oversight of the Company, its subsidiaries and all of the operations of the Company and its subsidiaries and shall perform such additional duties as may be prescribed from time to time by the Board, including, without limitation, serving as an officer or director of the Company and/or one or more subsidiaries or affiliates of the Company, if elected to such positions, without any additional salary or other compensation.

(b) Time and Effort. The Employee shall devote his best efforts on a full-time basis and all of his business time, energies and talents exclusively to the business of the Company and to no other business during the Term; provided, however, that subject to the restrictions in Section 7 hereof, the Employee may (i) invest his personal assets in such form or manner as will not require his services in the operation of the affairs of the entities in which such investments are made, (ii) subject to satisfactory performance of the duties described in Section 2(a) hereof, devote such time as may be reasonably required for him to continue to maintain his current level of participation in various civic and charitable activities, and (iii) subject to satisfactory performance of the duties described in Section 2(a) of this Employment Agreement, devote such time as may be reasonably required for him to serve as a director on various non-profit boards of directors. Any service by the Employee during the Term on any for-profit boards of directors shall be subject to the prior approval of the Board, which shall not be unreasonably withheld, conditioned or delayed.

(c) Employee Certification of Eligibility. If required by the Company, not less frequently than annually and upon the termination of the Employee's employment hereunder for any reason other than the Employee's death, the Employee shall execute and deliver to the Chairman of the Board (the "Chairman") and/or any other authorized officer designated by the Company a certificate confirming, to the best of the Employee's knowledge, that the Employee remains eligible for employment with the Company. If required, this same certificate will certify that the Employee has complied with applicable laws, regulations and Company policies and shall state that the Employee is not aware of any such violation by other employees, independent contractors, vendors, or other individuals performing services for the Company and its subsidiaries that they did not report as appropriate.

3. **Compensation and Benefits**.

(a) Base Salary. The Company shall pay to the Employee during the Term an annual salary (the "Base Salary"), which initially shall be $800,000. The Base Salary shall be due and payable in substantially equal bi-weekly installments or in such other installments as may be necessary to comport with the Company's normal pay periods for all employees. The Base Salary may be adjusted from time to time for changes in the Employee's responsibilities or for market adjustments. During the Term, the Company shall review the Base Salary for increase at least annually.

(b) Incentive Plan. During the Term, the Employee shall be eligible for incentive compensation in accordance with the bonus program established by the Board or the Compensation Committee thereof (the "Compensation Committee") for the Employee (the "Incentive Plan") each year. The target amount payable under the Incentive Plan to the Employee for each full calendar year during the Term shall equal one hundred percent (100%) of the Base Salary actually earned by the Employee for such calendar year (the "Target Incentive Bonus"). The maximum amount payable under the Incentive Plan to the Employee for each full calendar year during the Term shall equal two hundred percent (200%) of the Base Salary actually earned by the Employee for such calendar year. Any annual incentive earned by the Employee pursuant to this paragraph (b) shall be paid by the Company in cash to the Employee in the year following the year for which it is earned, and not later than the later of (x) seventy-four (74) days after the end of the applicable calendar year or (y) the date of delivery to the Company of the audited consolidated financial statements of the Company and its subsidiaries for such calendar year, provided that the Employee remains employed through December 31 of the year for which the incentive bonus is earned. Any amounts earned by the Employee under the Incentive Plan shall be hereinafter referred to as the "Incentive Bonus."

(c) Vacation; Participation in Benefit Plans. During the Term, the Employee shall be entitled annually to at leasttwenty-six (26) days of Paid Time Off ("PTO") (paid vacation, paid holidays, personal leave and sick leave) in accordance with the Company's policies, plans and regular practices, as may be modified from time to time. Upon termination of the Employee's employment for any reason, any accrued but unused PTO accumulated by the Employee shall be paid out to the Employee through the Date of Termination. During the Term, the Employee shall be entitled to participate in all employee benefit plans and programs (including but not limited to paid time off policies, retirement and profit sharing plans, health insurance, etc.) provided by the Company under which the Employee is eligible in accordance with the terms of such plans and programs. The Company reserves the right to amend, modify or terminate in their entirety any of such programs and plans.

(d) Out-of-Pocket Expenses. The Company shall promptly pay the ordinary, necessary and reasonable expenses incurred by the Employee in the performance of the Employee's duties hereunder (or if such expenses are paid directly by the Employee shall promptly reimburse him for such payment), consistent with the reimbursement policies adopted by the Company from time to time and subject to the prior written approval by the Chairman. In addition, the Company shall reimburse the Employee for his annual Young

Presidents' Organization membership dues and for the Employee's reasonable, documented attorneys' fees incurred in connection with the review and negotiation of this Employment Agreement and any equity or equity-based arrangements entered into in connection with the Merger. In the event that the COBRA Subsidy (as hereinafter defined) or any payments under this paragraph (d) are taxable to the Employee, the Company shall pay the Employee such additional amounts as are necessary to cover such tax liability as well as the taxes on such additional amounts.

(e) Withholding of Taxes; Income Tax Treatment. If, upon the payment of any compensation or benefit to the Employee under this Employment Agreement (including, without limitation, in connection with the exercise, vesting or settlement of any equity-based awards or payment of any bonus or benefit), the Company determines in its discretion that it is required to withhold or provide for the payment in any manner of taxes, including but not limited to, federal income or social security taxes, state income taxes or local income taxes, the Employee agrees that the Company may satisfy such requirement by:

(i) withholding an amount necessary to satisfy such withholding requirement from the Employee's compensation or benefit; or

(ii) conditioning the payment or transfer of such compensation or benefit upon the Employee's payment to the Company of an amount sufficient to satisfy such withholding requirement.

The Employee agrees that he will treat all of the amounts payable pursuant to this Employment Agreement as compensation for income tax purposes.

(f) The Company and the Employee each acknowledge that amounts paid under this Section 3 are subject to any policy on the recovery of compensation (i.e., a so-called "clawback policy"), as it exists now or as later adopted, and as thereafter amended from time to time.

4. **Termination**. The Employee's employment hereunder may be terminated under this Employment Agreement as follows, subject to the Employee's rights pursuant to Section 5 hereof:

(a) Death. The Employee's employment hereunder shall terminate upon his death.

(b) Disability. The Employee's employment shall terminate hereunder at the earlier of (i) immediately upon the Company's determination (conveyed by a Notice of Termination (as defined in paragraph (f) of this Section 4)) that the Employee is permanently disabled, and (ii) the Employee's absence from his duties hereunder for one hundred and eighty (180) days. "Permanent disability" for purposes of this Employment Agreement shall mean the onset of a physical or mental disability which prevents the Employee from performing the essential functions of the Employee's duties hereunder, which is expected to continue for one hundred and eighty (180) days or more, subject to any reasonable accommodation required by state and/or federal disability anti-discrimination laws, including, but not limited to, the Americans With Disabilities Act of 1990, as amended.

(c) Cause. The Company may terminate the Employee's employment hereunder for Cause. For purposes of this Employment Agreement, the Company shall have "Cause" to terminate the Employee's employment because of the Employee's (i) intentional personal dishonesty to the material detriment of the Company; (ii) intentional misconduct; (iii) breach of fiduciary duty involving personal profit; (iv) willful failure to perform his duties under this Employment Agreement; (v) conviction of, or plea of guilty or nolo contendere to, any (x) felony or (y) any other criminal charge that has, or could be reasonably expected to have, a material adverse impact on the performance of Executive's duties to the Company or otherwise result in material injury to the reputation or business of the Company; or (vi) breach of any provision of this Employment Agreement. Notwithstanding the foregoing, the occurrence of an event set forth in clause (i), (iv) or (vi) specified above shall not constitute Cause unless the Company gives the Employee written notice that such event constitutes Cause, and the Employee thereafter fails to cure such event (to the extent that such event is curable) within thirty (30) days after receipt of such notice.

(d) Without Cause. The Company may terminate the Employee's employment under this Employment Agreement at any time without Cause (as defined in paragraph (c) of this Section 4) by delivery of a Notice of Termination specifying a date of termination at least thirty (30) days following delivery of such notice.

(e) Voluntary Termination. By not less than thirty (30) days prior written notice to the Chairman, the Employee may voluntarily terminate his employment hereunder.

(f) Notice of Termination. Any termination of the Employee's employment by the Company during the Term pursuant to paragraphs (b), (c) or (d) of this Section 4 shall be communicated by a Notice of Termination from the Company to the Employee. Any termination of the Employee's employment by the Employee during the Term pursuant to paragraph (e) of this Section 4 shall be communicated by a Notice of Termination from the Employee to the Company. For purposes of this Employment Agreement, a "Notice of Termination" shall mean a written notice which shall indicate the specific termination provision in this Employment Agreement relied upon and in the case of any termination for Cause shall set forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Employee's employment.

(g) Date of Termination. The "Date of Termination" shall, for purposes of this Employment Agreement, mean: (i) if the Employee's employment is terminated by his death, the date of his death; (ii) if the Employee's employment is terminated on account of disability pursuant to Section 4(b) above, thirty (30) days after Notice of Termination is given (provided that the Employee shall not, during such thirty(30)-day period, have returned to the performance of his duties on a full-time basis); (iii) if the Employee's employment is terminated by the Company for Cause pursuant to Section 4(c) above, the date specified in the Notice of Termination; (iv) if the Employee's employment is terminated by the Company without Cause, pursuant to Section 4(d) above, the date

specified in the Notice of Termination; (v) if the Employee's employment is terminated voluntarily pursuant to Section 4(e) above, the date specified in the Notice of Termination; and (vi) if the Employee's employment is terminated by reason of an election by either party not to extend the Term, the last day of the then effective Term.

Provided that, for purposes of the timing of payments triggered by the Date of Termination under Section 5, Date of Termination shall not be considered to have occurred until the date the Employee and the Company reasonably anticipate that (i) the Employee will not perform any further services for the Company or any other entity considered a single employer with the Company under Section 414(b) or (c) of the Internal Revenue Code of 1986, as amended ("Code") (but substituting fifty percent (50%) for eighty percent (80%) in the application thereof) (the "Employer Group"), or (ii) the level of bona fide services the Employee will perform for the Employer Group after that date will permanently decrease to less than fifty percent (50%) of the average level of bona fide services performed over the previous thirty-six (36) months (or if shorter over the duration of service). For this purpose, service performed as an employee or as an independent contractor is counted, except that service as a member of the board of directors of an Employer Group entity is not counted unless termination benefits under this Employment Agreement are aggregated for purposes of Section 409A of the Code with benefits under any other Employer Group plan or agreement in which the Employee also participates as a director. The Employee will not be treated as having a termination of the Employee's employment while the Employee is on military leave, sick leave or other bona fide leave of absence if the leave does not exceed six (6) months or, if longer, the period during which the Employee has a reemployment right under statute or contract. If a bona fide leave of absence extends beyond six (6) months, the Employee's employment will be considered to terminate on the first day after the end of such six (6)-month period, or on the day after the Employee's statutory or contractual reemployment right lapses, if later. The Company will determine when the Employee's Date of Termination occurs based on all relevant facts and circumstances, in accordance with Treasury Regulation Section 1.409A-1(h).

5. **Compensation upon Termination or During Disability**.

(a) Death. If the Employee's employment shall be terminated by reason of his death during the Term, the Employee shall continue to receive installments of his then current Base Salary until the date of his death and shall receive any earned but unpaid Incentive Bonus for any calendar year ending prior to the date of his death and a pro-rated Incentive Bonus for the current calendar year for the period ending on the date of his death.

(b) Disability. During any period of disability and prior to termination pursuant to Section 4(b) by reason of disability, the Employee shall be compensated as provided in this paragraph (b). During any waiting period prior to receiving short or long-term disability payments, the Employee shall be required to use available PTO. After available PTO is exhausted, the Employee shall, if required by the Company, use such other leave time. Once the Employee has exhausted any available PTO and leave time, the Employee shall continue to be paid the Employee's then current Base Salary until short-term disability payments to the Employee commence under any plan or program then provided and funded by the Company. If the benefits payable under any such disability plan or program do not

provide one hundred percent (100%) replacement of the Employee's installments of Base Salary during such period, the Employee shall be paid at regular payroll intervals the difference between the periodic installments of the Employee's then current Base Salary that would have otherwise been payable and the disability benefit paid from such disability plan or program. Upon termination pursuant to Section 4(b) hereof, the above provisions of this paragraph (b) shall no longer apply and the Employee shall be entitled to any earned but unpaid Incentive Bonus for any calendar year ended prior to the date the Employee's period of disability commenced for the period ending on the date of disability and a prorated Incentive Bonus for the current calendar year for the period commencing on the date of disability and ending on the date of his termination.

(c) Cause. If the Employee's employment shall be terminated for Cause, the Employee shall continue to receive installments of his then current Base Salary only through the Date of Termination and the Employee shall not be entitled to receive any Incentive Bonus (other than any earned but unpaid Incentive Bonus for any prior calendar year) and shall not be eligible for any severance payment of any nature.

(d) Without Cause. If the Employee's employment is terminated without Cause, the Employee shall receive an amount equal to two (2) times the sum of (i) his then current Base Salary and (ii) his Target Incentive Bonus, which amount shall be payable in equal monthly installments during the period commencing on the date specified in Section 5(i) below and ending two (2) years following the Date of Termination. The Employee shall also be entitled to receive any earned but unpaid Incentive Bonus for any calendar year ending prior to the Date of Termination and a pro-rated Incentive Bonus for the current calendar year for the period ending on the Date of Termination. Additionally, if the Employee elects continuation health insurance coverage pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA"), the Company shall pay for such health insurance coverage at the same rate as it pays for health insurance coverage for its active employees (with the Employee required to pay for any employee-paid portion of such coverage) for eighteen (18) months following the Date of Termination (the "COBRA Subsidy"), provided that the COBRA Subsidy will terminate if and when the Employee becomes eligible for health insurance coverage from a new employer. Notwithstanding the foregoing, if the Company's provision of the COBRA Subsidy would violate the nondiscrimination rules applicable to health plans or self-insured plans under Section 105(h) of the Code, or result in the imposition of penalties under the Patient Protection and Affordable Care Act of 2010 and the related regulations and guidance promulgated thereunder (the "PPACA"), the parties agree to reform the COBRA Subsidy in a manner as is necessary to comply with the PPACA and the Code. Nothing herein provided, however, shall be construed to extend the period of time over which COBRA continuation coverage otherwise may be provided to the Employee and/or his dependents.

(e) Expiration of Term. If the Employee's employment shall be terminated by reason of expiration of the Term by reason of the Employee's election not to extend the Term, the Employee shall continue to receive installments of his then current Base Salary until the Date of Termination and shall also be entitled to receive any earned but unpaid Incentive Bonus for the last calendar year of the Term. If the Employee's employment shall be terminated by reason of expiration of the Term by reason of the Company's election not

to extend the Term, the Employee shall receive (i) an amount equal to twice his then current Base Salary which amount shall be payable in equal monthly installments during the period commencing on the date specified in Section 5(i) below and ending two (2) years following the Date of Termination, (ii) any earned but unpaid Incentive Bonus for last calendar year of the Term and (iii) the COBRA Subsidy.

(f) Voluntary Termination for Good Reason. If the Employee shall voluntarily terminate his employment hereunder for Good Reason (as defined below), the Employee shall receive an amount equal to two (2) times the sum of (i) his then current Base Salary and (ii) his Target Incentive Bonus, which amount shall be payable in equal monthly installments during the period commencing on the date specified in Section 5(i) below and ending two (2) years following the Date of Termination. The Employee shall also be entitled to receive any earned but unpaid Incentive Bonus for any calendar year ending prior to the Date of Termination, a pro-rated Incentive Bonus for the current calendar year for the period ending on the Date of Termination and, subject to the terms set forth in Section 5(d) above, the COBRA Subsidy. "Good Reason" means: (i) the assignment to the Employee of any duties inconsistent with his status as President and Chief Executive Officer of the Company or a material adverse alteration in the nature or status of his responsibilities from those provided herein or the transfer of a significant portion of such responsibilities to one or more other persons, in all such cases without the prior written consent of the Employee, which assignment, alteration or transfer is not rescinded within such thirty (30)-day period after such written notice; (ii) the failure by the Company to pay or provide to the Employee, within thirty (30) days of a written demand for the same, any amount of compensation or any benefit which is due, owing and payable pursuant to the terms hereof or of any applicable plan, program, arrangement or policy and which is then unpaid; (iii) a requirement, without the Employee's consent, to move the Employee's principal office location more than fifty (50) miles from the location of the Company's executive offices as of the Commencement Date; (iv) the adjustment of the Base Salary to an amount lower than was in effect immediately prior to such adjustment (other than pursuant to an across-the-board reduction applicable to all similarly situated executives); (v) the Board requests that the Employee take any action or omit to take any action, which action or omission the Employee reasonably believes in good faith is a violation of any law or binding governmental regulation; provided that the Employee notifies the Board of his objection prior to such action or omission; or (vi) the breach in any material respect by the Company of any of its other obligations or agreements set forth herein. Notwithstanding the foregoing, the Employee must provide the Company thirty (30) days' prior written notice setting forth in reasonable specificity the event that constitutes Good Reason, which written notice, to be effective, must be provided to the Company within ninety (90) days following the initial existence of such condition. During such thirty (30)-day notice period, the Company shall have a cure right (if curable), and if not cured within such period, the Employee's termination will be effective upon the sixtieth (60th) day following the date the Employee provided written notice to the Company, unless otherwise agreed by the Employee and the Company.

(g) Voluntary Termination Other Than for Good Reason. If the Employee shall voluntarily terminate his employment hereunder for other than Good Reason, the Employee shall continue to receive installments of his then current Base Salary until the

Date of Termination and the Employee shall not be entitled to receive any then unpaid Incentive Bonus (other than any earned but unpaid Incentive Bonus for any calendar year ending prior to the date the Employee gives Notice of Termination) and shall not be entitled to any severance payment of any nature.

(h) No Further Obligations after Payment. After all payments, if any, have been made to the Employee pursuant to the applicable provisions of paragraphs (a) through (g) of this Section 5, the Company shall have no further obligations to the Employee under this Employment Agreement other than the provision of any employee benefit plan required to be continued under applicable law or by its terms.

(i) Release Requirement. Notwithstanding anything in paragraphs (d), (e) or (f) to the contrary, the Employee shall be entitled to receive the severance, any earned but unpaid Incentive Bonus from the prior calendar year and pro-rated Incentive Bonus payments described in such paragraphs, if and as applicable, only if the Employee signs an agreement acceptable to the Company that (i) waives any rights he may otherwise have against the Company and its affiliates, (ii) releases the Company and its affiliates from actions, suits, claims, proceedings and demands related to the period of employment and/or the termination of employment, and (iii) contains certain other obligations which shall be set forth at the time of the termination. The Employee must sign and tender the release as described above not later than sixty (60) days following the Date of Termination, or such earlier date as required by the Company and if the Employee fails or refuses to do so, or if the Employee revokes the release within any applicable revocation period, the Employee shall forfeit the right to such severance and pro-rated Incentive Bonus payments as would otherwise be due and payable. If the severance payments are otherwise subject to Section 409A of the Code, they shall begin on the first pay period following the date that is sixty (60) days after the Date of Termination. If the severance payments are not otherwise subject to Section 409A of the Code, they shall begin on the first pay period after the release becomes effective. The initial salary continuation payment shall include any unpaid salary continuation payments from the date the Date of Termination, subject to the Employee's executing and tendering the release on the terms as set forth above.

(j) Payment of Incentive Bonus. If the Employee will be paid an earned but unpaid Incentive Bonus for any calendar year ending prior to his Date of Termination under the above provisions of this Section 5, the Incentive Bonus for the prior calendar year will be paid at the normal time as paid to employees whose employment has not terminated. If the Employee is due a pro-rated Incentive Bonus for the calendar year in which the Employee's Date of Termination occurs, the pro-rated Incentive Bonus for the year of the Date of Termination shall be paid in the calendar year after year the Date of Termination occurs, and at the normal payment timing for Incentive Bonus payments (or, if later, following the effectiveness of the release described in Section 5(i) above), and such pro-rated Incentive Bonus shall be based on whether the actual performance measures for such Incentive Bonus period were met at the normal time for measuring such performance measures.

6. **Duties Upon Termination**. Upon the termination of the Employee's employment hereunder for any reason whatsoever (including but not limited to the failure of the parties hereto

to agree to the extension of this Employment Agreement pursuant to Section 1 hereof), the Employee shall promptly (a) comply with his obligation to deliver an executed exit interview document as provided in accordance with Company policy, and (b) except as provided below, return to the Company any property of the Company or its subsidiaries then in the Employee's possession or control, including without limitation, any Confidential Information (as defined in Section 7(d)(iii) hereof) and whether or not constituting Confidential Information, any technical data, performance information and reports, sales or marketing plans, documents or other records, and any manuals, drawings, tape recordings, computer programs, discs, and any other physical representations of any other information relating to the Company, its subsidiaries or affiliates or to the Business (as defined in Section 7(d)(i) hereof) of the Company. The Employee hereby acknowledges that any and all of such documents, items, physical representations and information are and shall remain at all times the exclusive property of the Company. Notwithstanding the foregoing, upon termination of employment for any reason other than "Cause," the Employee shall be allowed to keep the laptop and tablet that he was using at termination, and the Employee shall thereafter be the owner of such devices. The Company shall be entitled to recover and wipe data related to the Employee's employment with the Company from such devices prior to transferring them to the Employee.

7. **Restrictive Covenants**.

(a) Acknowledgments. The Employee acknowledges that (i) his services hereunder are of a special, unique and extraordinary character and that his position with the Company places him in a position of confidence and trust with the operations of the Company, its subsidiaries and affiliates (collectively, the "Company Group") and allows him access to Confidential Information, (ii) the Company has provided the Employee with a unique opportunity as President and Chief Executive Officer of the Company, (iii) the nature and periods of the restrictions imposed by the covenants contained in this Section 7 are fair, reasonable and necessary to protect and preserve for the Company the benefits of the Employee's employment hereunder, (iv) the Company Group would sustain great and irreparable loss and damage if the Employee were to breach any of such covenants, (v) the Company Group conducts and is aggressively pursuing the conduct of its business actively in and throughout the entire Territory (as defined in paragraph (d)(vi) of this Section 7), and (vi) the Territory is reasonably sized because the current Business of the Company Group is conducted throughout such geographical area, the Company Group is aggressively pursuing expansion and new operations throughout such geographic area and the Company Group requires the entire Territory for profitable operations.

(b) Confidentiality and Non-disparagement Covenants. Having acknowledged the foregoing, the Employee covenants that, (i) commencing on the Commencement Date without limitation as to time, he will not directly or indirectly disclose or use or otherwise exploit for his own benefit, or the benefit of any other Person (as defined in paragraph (d)(iv) of this Section 7), except as may be necessary in the performance of his duties hereunder, any Confidential Information, and (ii) commencing on the Commencement Date without limitation as to time, he will not disparage or comment negatively about any member of the Company Group, or their respective officers, directors, employees, policies or practices, and he will not discourage anyone from doing business with any of the Company Group and will not encourage anyone to withdraw their employment with any

of the Company Group. Notwithstanding anything herein to the contrary, the Employee is hereby notified, in accordance with the Defend Trade Secrets Act of 2016, that the Employee will not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of Confidential Information or a trade secret that: (i) is made (A) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (B) solely for the purpose of reporting or investigating a suspected violation of law; or (ii) is made in a complaint or other document that is filed under seal in a lawsuit or other proceeding. The Employee is further notified that if he files a lawsuit for retaliation by the Company for reporting a suspected violation of law, the Employee may disclose the Company's Confidential Information to his attorney and use the Confidential Information in the court proceeding if the Company (x) files any document containing the Confidential Information under seal; and (y) does not disclose the Confidential Information, except pursuant to court order. Further, notwithstanding anything in this Employment Agreement to the contrary, nothing contained herein prohibits the Employee from reporting, without the prior authorization of the Company and without notifying the Company, possible violations of federal law or regulation to the United States Securities and Exchange Commission, the United States Department of Justice, the United States Congress or other governmental agency having apparent supervisory authority over the business of the Company, or making other disclosures that are protected under the whistleblower provisions of federal law or regulation. The Company agrees that commencing on the Commencement Date and ending on the date that is the three year anniversary of the termination of the Employee's employment with the Company, the Company Group's directors and executive officers will not make any disparaging comments concerning any aspect of the Employee's relationship with the Company Group or any conduct or events which precipitated any termination of the Employee's employment from any member of the Company Group, provided the foregoing shall not be violated by statements internal to the Company Group that are made in the good faith belief that such statements are necessary or appropriate to make in connection with the operation of the business of the Company. The obligations in this Section 7(b) shall not prevent the Employee, the Company or any of the Company Group's directors and executive officers from testifying or responding truthfully to any request for discovery or testimony in any judicial or quasi-judicial proceeding or any governmental inquiry, investigation or other proceeding.

(c) Covenants. Having acknowledged the statements in Section 7(a) hereof, the Employee covenants and agrees with the Company Group that he will not, directly or indirectly, from the Commencement Date until the Date of Termination, and for a period of twenty-four (24) months thereafter, directly or indirectly (i) offer employment to, hire, solicit, divert or appropriate to himself or any other Person, or induce any business or services (substantially similar in nature to the Business) of, any Person who is an employee or an agent of any of the Company Group; provided, however, that the foregoing shall not restrict the Employee or any other Person from conducting general solicitations or advertisement not directed specifically at employees of the Company Group, or from employing any employee who responds to any such general solicitation or advertisement; (ii) encourage, solicit or induce, or in any manner attempting to encourage, solicit or induce, to the detriment of the Company Group, any business or services of any Person who is a current or prospective client, customer, licensee, supplier or other business relation

of the Company Group, or any such relation who was a client, customer, licensee or other business relation at any time during the last twelve (12) months of the Employee's employment hereunder, or (iii) own, manage, operate, join, control, assist, participate in or be connected with, directly or indirectly, as an officer, director, shareholder, partner, proprietor, employee, agent, consultant, independent contractor or otherwise, any Person which is, at the time, directly or indirectly, engaged in a business that is Competitive with the Business of the Company Group within the Territory. The Employee further agrees that from the Commencement Date until the Date of Termination, he will not undertake any planning for or organization of any business activity that is substantially similar to, and would be Competitive with, the Business.

(d) Definitions. For purposes of this Employment Agreement:

(i) "Business" of the Company Group shall mean (a) the provision or distribution of pharmaceutical products and services to skilled nursing homes, assisted living facilities, group homes, drug treatment centers and other institutional settings; (b) the provision or distribution of pharmaceutical products and services for infusion in the home setting; (c) the provision or distribution of pharmaceutical products and services in the specialty pharmacy market; (d) the provision of training or job placement services as provided in the Company Group's Workforce Services and Youth Services segments, youth treatment or services; (e) home care services to the elderly; (f) services to persons with mental retardation and other developmental disabilities, including, but not limited to, persons who have been dually diagnosed, services to persons with acquired brain injuries and pharmacy-related services or products with respect to individuals who are receiving support or services from the Company Group or other similar providers; (g) the provision of management and/or consulting services to third parties related to the above clauses (a) through (f); and (h) any other material business activity undertaken by the Company Group during the Term; provided, that clauses (a) through (c) are not intended to, and do not, include any manufacturer or other maker of goods and products that is engaged solely in the business of manufacturing or making pharmaceutical or medical devices.

(ii) "Competitive" shall mean a business that is primarily engaged in the provision of the same services as the Business.

(iii) "Confidential Information" shall mean any business information relating to the Company Group or to the Business (whether or not constituting a trade secret), which has been or is treated by the Company Group as proprietary and confidential and which is not generally known or ascertainable through proper means. Without limiting the generality of the foregoing, so long as such information is not generally known or ascertainable by proper means and is treated by the Company Group as proprietary and confidential, Confidential Information shall include the following information regarding any member of the Company Group:

(1) any patent, patent application, copyright, trademark, trade name, service mark, service name,"know-how" or trade secrets;

(2) customer lists and information relating to (i) any client of any member of the Company Group or (ii) any client of the operations of any other Person for which operations any member of the Company Group provides management services;

(vi) "Territory" shall mean the fifty (50) states of the United States, the United States Virgin Islands, Puerto Rico and all of the Provinces of Canada.

(e) Inventions.

(i) The Employee recognizes and agrees that any and all (1) patents, patent applications, patent disclosures and inventions, as well as any reissues, continuations, continuations-in-part, divisions, revisions, extensions or reexaminations thereof; (2) copyrights, including copyrights in computer software

and mask works and copyrightable designs; (3) trademarks, trademark applications, service marks, service mark applications, trade dress, trade names and corporate names; (4) trade secrets, confidential information, processes, discoveries, enhancements, know-how and ideas; (5) software, source and object code, documentation, guides, manuals, instructions, specifications, catalogues, prints, business applications, plans, writings, data, reports, presentations, analysis, proposals, information, flow charts, file formats, drawings, diagrams, materials and any and all other work product; (6) Internet domain names, Internet protocol addresses and uniform resource locators; (7) registrations, issuances, filings and applications for any and all of the foregoing; (8) developments, enhancements, improvements to, and derivative works of, any or all of the foregoing; (9) intellectual property and proprietary rights on any or all of the foregoing; and (10) tangible embodiments of any or all the foregoing made, conceived, or completed by the Employee, alone or with others, during the Employee's employment with the Company, whether or not during working hours, that are within the scope of the Company Group's business operations or that relate to the Company Group's work or projects (including any and all inventions based wholly or in part upon ideas conceived during the term of his employment) (the "Inventions"), are the sole and exclusive property of the Company. The Employee (1) shall promptly disclose all Inventions to the Company; (2) hereby assigns to the Company all present and future rights he has or may have in those Inventions, including without limitation those relating to patent, copyright, trademark or trade secrets; and (3) agrees that all of the Inventions eligible under the copyright laws are "works made for hire." If and to the extent any of the Inventions may not be deemed "works made for hire," the Employee hereby unconditionally and irrevocably assigns to the Company all right, title and interest in and to the Inventions, to the fullest extent permitted by law. The Employee waives any and all moral rights in the Inventions to which the Employee is now or may at any future time be entitled under applicable law and agrees not to institute, support, maintain or permit any action or claim to the effect that any treatment, exploitation or use of such Inventions or other materials infringes the Employee's moral rights.

(ii) In the event that ownership in and to any Inventions does not automatically vest in the Company, the Employee will do all things deemed by the Company to be reasonably necessary to perfect title to the Inventions in the Company and to assist in obtaining for the Company such patents, copyrights or other protection as may be provided under law and desired by the Company, including but not limited to executing and signing any and all relevant applications, assignments or other instruments, without further consideration and free from any claim, lien or retention of rights. The Employee hereby irrevocably designates and appoints the Company and its duly authorized officers and agents as the Employee's agents and attorneys-in-fact to act for and on the Employee's behalf and instead of the Employee, to execute and file any documents and to do all other lawfully permitted acts to further the above purposes with the same legal force and effect as if executed by the Employee, and the Employee acknowledges that this designation and appointment constitutes an irrevocable power of attorney and is coupled with an interest. Notwithstanding the foregoing, the Company hereby

notifies the Employee that the provisions of this paragraph (e) shall not apply to any Inventions for which no equipment, supplies, facility or trade secret information of the Company Group was used and which were developed entirely on the Employee's own time, unless (A) the Invention relates (I) to the business of the Company Group, or (II) to actual or demonstrably anticipated research or development of the Company Group or (B) the Invention results from any work performed by the Employee for the Company Group.

(f) Injunctive Relief; Invalidity of Any Provision. The Employee acknowledges that his breach of any covenant contained in this Section 7 will result in irreparable injury to the Company Group and that the remedy at law of such parties for such a breach will be inadequate. Accordingly, the Employee agrees and consents that each member of the Company Group, in addition to all other remedies available to them at law and in equity, shall be entitled to seek both preliminary and permanent injunctions to prevent and/or halt a breach or threatened breach by the Employee of any covenant contained in this Section 7 and no bond or other security shall be required in connection therewith. If any provision of this Section 7 is invalid in part or in whole, it shall be deemed to have been amended, whether as to time, area covered, or otherwise, as and to the extent required for its validity under applicable law and, as so amended, shall be enforceable. The parties further agree to execute all documents necessary to evidence such amendment.

(g) Advice to Future Employers. If the Employee, in the future, seeks or is offered employment by any other Person, he shall provide a copy of this Section 7 to the prospective employer prior to accepting employment with that prospective employer.

8. **Entire Agreement; Modification; Waiver**. This Employment Agreement constitutes the entire agreement between the parties pertaining to the subject matter contained in it and supersedes all prior and contemporaneous agreements, representations, and understandings of the parties, including the Prior Agreement. No supplement, modification, or amendment of this Employment Agreement shall be binding unless executed in writing by all parties hereto (other than as provided in the next to last sentence of Section 7(f) hereof). 17. **Survival**. The provisions of Sections 5, 6 and 7 hereof shall survive the termination, for any reason, of this Employment Agreement, in accordance with their terms.

18. **Six Month Delay**. The Company shall determine, consistent with any guidance issued under Section 409A of the Code, the portion of severance payments that are required to be delayed, if any. The payment of the severance benefits to be made hereunder, if any, shall be treated as a right to a series of separate payments in accordance with Treasury Regulation Section 1.409A-2(b)(2)(iii).

AMENDED AND RESTATED EMPLOYMENT AGREEMENT

THIS AMENDED AND RESTATED EMPLOYMENT AGREEMENT ("Agreement") is made as of this 14th day of December, 2017, between Res-Care, Inc. ("the Company") and James Mattingly ("Employee").

WHEREAS, the Company and Employee previously entered into an Employment Agreement ("EA"); and

WHEREAS, the Company currently employs Employee; and

WHEREAS, the Company desires to continue to employ Employee and Employee desires to continue to be employed by the Company pursuant to amended employment terms and conditions; and

WHEREAS, the Company and Employee desire to execute this Agreement to amend the EA.

NOW THEREFORE, in consideration of the premises and the mutual agreements set forth herein, the parties agree to reaffirm the terms of the EA subject to the following amendments to the following corresponding numerical paragraphs of the EA:

1. Employment as Chief Financial Officer. As of the date hereof, the Employee shall serve as Chief Financial Officer for the Company. The Employee shall, subject to the supervision and control of the President and Chief Executive Officer of the Company ("President"), or the President's designee (the "Supervising Officer"), serve as the Chief Financial Officer for the Company and perform such duties and exercise such powers over and with regard to the business of the Company, its affiliates and their operations as may be prescribed from time to time by the Supervising Officer. The Employee's duties and responsibilities, post of duty, title and Supervising Officer may change from time to time by reason of changes in the needs of the Company. The Employee shall devote Employee's best efforts and all of the Employee's business time, energies and talents exclusively to the business of the Company and to no other business, except with the Company's written consent, which shall not be unreasonably withheld.

2. Term. This Agreement shall have an initial term commencing on the date first listed above (the "Commencement Date") and ending on December 31, 2018, subject to earlier termination only in accordance with the provisions of this Agreement ("Initial Term"). This Agreement will automatically renew for successive periods of one (1) year each (the "Additional Term(s)") on the same terms and conditions unless the Employee or the Company provides written notice of non-renewal no later than thirty (30) days prior to the end of the Initial Term or any then-effective Additional Term.

3. Base Salary. The Company shall pay to the Employee an annual salary (the "Base Salary"), which shall be $325,000 as of the date of this Agreement, subject to applicable federal, state, and local tax withholding. Such Base Salary shall be paid to Employee in the same manner and on the same payroll schedule on which other Company employees receive payment. The Base Salary may be adjusted from time to time for changes in the Employee's responsibilities or for market adjustments as determined by Company management.

4. Non-Equity Incentive Plan, Stock Option Plan, Other Benefit Plans The Employee shall be eligible to participate in anynon-equity incentive plan, stock option plan, or other benefit plan available to other executives or officers of the Company in substantially the same form, under the same terms, and to the same extent that such benefits or other programs are made available to other such executives or officers of the Company. Notwithstanding the foregoing, the Employee specifically shall be eligible for all of the benefits or programs described in the e-mail and offer letter from Jon Rousseau to the Employee dated September 15, 2017 (copy attached). At the discretion of the Company, the Employee may be eligible for participation in any other non-equity incentive plan and/or a stock option plan with respect to the Company, or the Company's parent corporation, while employed by the Company. If eligible, the Employee will be notified by the Supervising Officer and participation in such plans will be governed not by this Agreement but by separate plan documents. Notwithstanding any provision of any non-equity incentive plan, stock option plan, or other equity plan to the contrary, the Employee shall become fully vested (to the extent not otherwise already vested) in any award(s) under such plans as of the date of a Change in Control.

5. Employment Status. The terms of the Employee's employment with the Company shall be governed by this Agreement. Notwithstanding the provisions of paragraph 2 hereof, the Company makes no express or implied commitment that the Employee's employment will have a minimum or fixed term, or that the Company may take adverse employment action only for "cause." The Employee's employment is terminable at any time for any reason. Either the Employee or the Company may terminate the employment relationship at any time for any reason. However, the Employee agrees to give the Company not less than 30 days prior written notice of the Employee's voluntary termination. The Employee's duties and responsibilities and the Employee's post of duty may change by reason of changes in the needs of the Company.

6. Disability. The Employee's employment shall terminate hereunder at the earlier of (i) immediately upon the Company's determination (conveyed by a notice to the Employee) that the Employee is subject to a permanent disability, and (ii) the Employee's absence from the Employee's duties hereunder for 180 days. "Permanent disability" for purposes of this Agreement shall mean the onset of a physical or mental disability which prevents the Employee from performing the essential functions of the Employee's duties hereunder, which is expected to continue for 180 days or more, subject to any reasonable accommodation required by state and/or federal disability

anti-discrimination laws, including, but not limited to, the Americans With Disabilities Act of 1990, as amended. During any period during which the Employee is subject to a short-term disability as determined by the Company's short-term disability program, and prior to termination by reason of permanent disability, the Employee shall be compensated as provided in this paragraph 6. During any waiting period prior to receiving short or long-term disability payments, Employee shall be required to use available Results Driven Time Off. Once the eligibility period has been met the Employee shall continue to be paid at the Employee's then current Base Salary until short-term disability payments to the Employee commence under any plan or program then provided and funded by the Company. If the benefits payable under any such disability plan or program do not provide 100% replacement of the Employee's installments of Base Salary during such period, the Employee shall be paid at regular payroll intervals the difference between the periodic installments of the Employee's then current Base Salary that would have otherwise been payable and the disability benefit paid from such disability plan or program. Upon termination of employment, the above provisions of this paragraph 6 shall no longer apply.

7. Compensation upon Termination Without Cause. As additional consideration for the continuation of the noncompetition and confidentiality covenants of the Employee in this Agreement after the Date of Termination (as defined in paragraph 11(e)) and as separation pay, if the Employee's employment is terminated without Cause (as defined in paragraph 11(f) of this Agreement) by the Company or for Good Reason (as defined in paragraph 11(g) of this Agreement) by the Employee and if Employee signs a standard separation agreement that includes a comprehensive waiver and release, the Employee shall receive the following: (i) the Employee's then current Base Salary for twelve (12) months after the Date of Termination (as defined in paragraph 11(e) hereof), payable in equal installments on the same payroll schedule on which other Company employees receive payment; (ii) a portion of the Employee's COBRA coverage premiums for twelve (12) months (or such shorter time if such coverage terminates earlier under section 4980B of the Code), provided that the Employee shall continue to pay the same amount toward the cost of such premiums as paid immediately prior to the last day of the Employee's active employment and shall comply with applicable election and eligibility requirements; and (iii) payment of the Employee's annual performance bonus for the year in which the Employee's Date of Termination occurs at 100% of target, prorated based on the number of calendar days of such year elapsed through the date of the Employee's Date of Termination, payable at the same time such bonuses are paid to other executives, but in no event later than March 15th of the year following the year in which the Employee's Date of Termination occurs.

8. Other Termination. No pay continuation will be payable to the Employee if the Employee voluntarily terminates the Employee's employment with the Company, or the Company terminates Employee's employment for Cause.

9. Employee Covenants.

(a) Acknowledgments. The Employee acknowledges as follows:

(1) The Employee's services hereunder are of a special, unique and extraordinary character and that the Employee's position with the Company places the Employee in a position of confidence and trust with the operations of the Company, its subsidiaries and affiliates (collectively, the "Affiliated Companies") and allows the Employee access to Confidential Information (as defined in paragraph 11(c) hereof).

(2) The Company has provided the Employee with a unique opportunity as set forth in paragraph 1 above.

(3) The nature and periods of the restrictions contained in this Agreement are fair, reasonable and necessary to protect and preserve for the Company the benefits of the Employee's employment hereunder.

(4) The Affiliated Companies would sustain great and irreparable loss and damage if the Employee were to breach any of such covenants.

(5) The Affiliated Companies conduct and are aggressively pursuing the conduct of their Business (as defined in paragraph 11(b) of this Agreement) actively in and throughout the entire Territory (as defined in paragraph 11(a) of this Agreement).

(6) The Territory is reasonably sized because the current Business of the Affiliated Companies is conducted throughout various geographic areas. The Affiliated Companies are aggressively pursuing expansion and new operations throughout such geographic area and the Affiliated Companies require the entire Territory for profitable operations.

(b) Non-Compete Covenant. Having acknowledged the statements in subparagraph (a) above, the Employee covenants and agrees with the Affiliated Companies that Employee will not, directly or indirectly, from the Commencement Date until the Date of Termination, and for a period of twelve (12) months thereafter, directly or indirectly (i) offer employment to, hire, solicit, divert or appropriate to Employee or any other Person (as defined in paragraph 11(d) hereof), any business or services (similar in nature to the Business) of any Person who was an employee or an agent of any of the Affiliated Companies at any time during the last twelve (12) months of the Employee's employment hereunder; (ii) offer services to, solicit, divert or provide services to any Person that was a client or customer of any of the Affiliated Companies at any time during the last twelve (12) months of the Employee's employment hereunder, or (iii) own, manage, operate, join, control, assist, participate in or be connected with, directly or

indirectly, as an officer, director, shareholder, partner, proprietor, employee, agent, consultant, independent contractor or otherwise, any Person which is, at the time, directly or indirectly, engaged in the Business of the Affiliated Companies within the Territory. The Employee further agrees that from the Commencement Date until the Date of Termination, the Employee will not undertake any planning for or organization of any business activity that would be competitive with the Business.

(c) Confidentiality and Non-disparagement Covenants. Having acknowledged the statements in subparagraph (a) above, the Employee covenants that without limitation as to time, (i) commencing on the Commencement Date, Employee will not directly or indirectly disclose or use or otherwise exploit for Employee's own benefit, or the benefit of any other Person, except as may be necessary in the performance of the Employee's duties hereunder, any Confidential Information, and (ii) commencing on the Date of Termination, the Employee will not disparage or comment negatively about any of the Affiliated Companies, or their respective officers, directors, employees, policies or practices, and the Employee will not discourage anyone from doing business with any of the Affiliated Companies and will not encourage anyone to withdraw their employment with any of the Affiliated Companies. Commencing on the date of Termination, the Company's senior leadership (the CEO and the CEO's direct reports) will not disparage or comment negatively about the Employee and will not discourage anyone from doing business with the Employee or offering employment (or continued employment) to the Employee.

(d) Employee Certificates and Return of Company Property. Not less frequently than annually and upon the termination of the Employee's employment hereunder for any reason whatsoever, the Employee shall promptly comply with the Employee's obligation to deliver a certificate (ResCare Annual Employment Re-Certification Eligibility Form), which certificate may be completed online in accordance with Company policy. Upon termination of the Employee's employment hereunder for any reason whatsoever, Employee shall promptly return to the Company any property of the Company Affiliates then in the Employee's possession or control, including without limitation, any Confidential Information.

(e) Injunctive Relief and Invalidity of any Provision. The Employee acknowledges that the Employee's breach of the provisions of paragraph 9 of this Agreement will result in irreparable injury to the Company and the Affiliated Companies and that the remedy at law of such parties for such a breach will be inadequate. Accordingly, the Employee agrees and consents that the Company and each of the Affiliated Companies in addition to all other remedies available to them at law and in equity, shall be entitled to seek both preliminary and permanent injunctions to prevent and/or halt a breach or threatened breach by Employee of

the Agreement. If any provision of this Agreement is invalid in part or in whole, it shall be deemed to have been amended, whether as to time, area covered, or otherwise, as and to the extent required for its validity under applicable law and, as so amended, shall be enforceable. The parties further agree to execute all documents necessary to evidence such amendment.

10. Mutual Agreement to Arbitrate. The Employee and the Company understand and agree that any existing or future dispute or claim arising out of or related to this Agreement, the Employee's employment, or the termination of such employment, will be resolved by final and binding arbitration and that no other forum for dispute resolution will be available to either party, except as to those claims identified below. The decision of the arbitrator shall be final and binding on both parties and it shall be enforceable by any court having proper jurisdiction. The arbitration proceedings shall be conducted pursuant to the Federal Arbitration Act, and in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association or the Employment Arbitration Rules and Procedures adopted by Judicial Arbitration and Mediation Services ("JAMS"). Except as mutually agreed by the parties, the arbitration shall be conducted in Louisville, Kentucky, the location of the principal office of the Company. The arbitrator will have all the powers a judge would have in dealing with any question or dispute that may arise before, during and after the arbitration. Claims not covered by this agreement to arbitrate are:

    (a) Claims under Title VII of the Civil Rights Act of 1964 or any tort related to or arising out of sexual assault or harassment, including assault and battery, intentional infliction of emotional distress, false imprisonment, or negligent hiring, supervision, or retention, and

    (b) Claims for benefits under the workers' compensation, unemployment insurance and state disability insurance laws.

    The parties expressly agree that in such cases where equitable relief is sought, any hearing or trial on the merits of the action will occur in front of, and will be decided by, the arbitrator, who will have the same ability to order legal or equitable remedies as could a court of general jurisdiction. The Company agrees to bear the costs of the arbitrator's fee and all other costs related to the arbitration, assuming such costs are not expenses that the Employee would be required to bear if bringing or defending the action in a court of law. The Employee and the Company shall each bear the fees and costs of their own attorneys, experts or other representatives incurred in connection with the arbitration, and the arbitrator will not have authority to award fees and costs unless a statute at issue in the dispute or other appropriate law authorizes the award of attorneys' fees to the prevailing party, in which case the arbitrator shall have the authority to make an award of attorneys' fees as permitted by the applicable statute or law.

Notwithstanding the foregoing, a condition shall not be considered "Good Reason" unless (i) the Employee gives the Company written notice of such condition within thirty (30) days after the material facts regarding such condition become known to the Employee; (ii) the Company fails to cure such condition within twenty (20) days after receiving the Employee's written notice; and (iii) the Employee terminates his employment within twenty (20) days after the expiration of the Company's cure period.

Notices addressed to the Company shall be sent to the attention of the Supervising Officer.

16. Section 409A of the Code.

(a) General. All payments under this Agreement are intended to be exempt from, or comply with, the requirements of section 409A of the Code, to the extent applicable, and this Agreement shall be interpreted to avoid any penalty sanctions under section 409A of the Code. Accordingly, all provisions herein, or incorporated by reference, shall be construed and interpreted to comply with section 409A of the Code and, if necessary, any such provision shall be deemed amended to comply with section 409A of the Code and regulations thereunder. All payments to be made upon a termination of employment under this Agreement that are deferred compensation for purposes of section 409A of the Code may only be made upon a "separation from service" under section 409A of the Code. For purposes of section 409A of the Code, each payment made under this Agreement shall be treated as a separate payment.

(b) Six Month Delay Rule. To the maximum extent permitted under section 409A of the Code, the benefits payable under this Agreement are intended to comply with the "short-term deferral exception" under Treas. Reg. §1.409A-1(b)(4), and any remaining amount is intended to comply with the "separation pay exception" under Treas. Reg. §1.409A-1(b)(9)(iii); provided, however, any amount payable to the Employee during the six (6) month period following the Employee's separation from service that does not qualify within either of the foregoing exceptions and constitutes deferred compensation subject to the requirements of section 409A of the Code, then such amount(s) shall hereinafter be referred to as the "Excess Amount." If at the time of the Employee's separation from service, the Company's (or any entity required to be aggregated with the Company under section 409A of the Code) stock is publicly-traded on an established securities market or otherwise and the Employee is a "specified employee" (as defined in section 409A of the Code), then the Company shall postpone the commencement of the payment of the portion of the Excess Amount that is payable within the six (6) month period following the Employee's separation from service with the Company for six (6) months following the Employee's separation from service with the Company. The delayed Excess Amount shall be paid in a lump sum to the Employee within ten (10) days following the date that is six (6) months following the Employee's separation from

service with the Company. If the Employee dies during such six (6) month period and prior to the payment of the portion of the Excess Amount that is required to be delayed on account of section 409A of the Code, such Excess Amount shall be paid to the personal representative of Employee's estate within sixty (60) days after the Employee's death.

(c) Special Rule for Reimbursements. Any reimbursements provided under this Agreement shall be made or provided in accordance with the requirements of section 409A of the Code, including, where applicable, the requirement that (i) the amount of expenses eligible for reimbursement during a calendar year may not affect the expenses eligible for reimbursement in any other calendar year, (ii) the reimbursement of an eligible expense will be made on or before the last day of the taxable year following the year in which the expense is incurred, and (iii) the right to reimbursement is not subject to liquidation or exchange for another benefit.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set forth below.

Non-Equity Incentive Plan, Stock Option Plan, Other Benefit Plans At the discretion of the Company, the Employee may be eligible for participation in any non-equity incentive plan and/or a stock option plan with respect to the Company, or the Company's parent corporation, while employed by the Company. If eligible, the Employee will be notified by the Supervising Officer and participation in such plans will be governed not by this Agreement but by separate plan documents. 5. Employment Status. The terms of the Employee's employment with the Company shall be governed by this Agreement. The Employee's employment is terminable at any time for any reason. Either the Employee or the Company may terminate the employment relationship at any time for any reason. However, the Employee agrees to give the Company not less than 30 days prior written notice of the Employee's voluntary termination. If the benefits payable under any such disability plan or program do not provide 100% replacement of the Employee's installments of Base Salary during such period, the Employee shall be paid at regular payroll intervals the difference between the periodic installments of the Employee's then current Base Salary that would have otherwise been payable and the disability benefit paid from such disability plan or program. Upon termination of employment, the above provisions of this paragraph 6 shall no longer apply.

7. Compensation upon Termination Without Cause. As additional consideration for the continuation of the noncompetition and confidentiality covenants of the Employee in this Agreement after the Date of Termination (as defined in paragraph 11(e)) and as separation pay, if the Employee's employment is terminated without Cause (as defined in paragraph 11(f) of this Agreement) by the Company or for Good Reason (as defined in paragraph 11(g) of this Agreement) by the Employee and if Employee signs a standard separation agreement that includes a comprehensive waiver and release, the Employee shall receive the following: (i) the Employee's then current Base Salary for twelve (12) months after the Date of Termination (as defined in paragraph 11 (e) hereof), payable in equal installments on the same payroll schedule on which other Company employees receive payment; (ii) a portion of the Employee's COBRA coverage premiums for twelve (12) months (or such shorter time if such coverage terminates earlier under section 4980B of the Code), provided that the Employee shall continue to pay the same amount toward the cost of such premiums as paid immediately prior to the last day of the Employee's active employment and shall comply with applicable election and eligibility requirements; and (iii) payment of the Employee's annual performance bonus for the year in which the Employee's Date of Termination occurs at 100% of target, prorated based on the number of calendar days of such year elapsed through the date of the Employee's Date of Termination, payable at the same time such bonuses are paid to other executives, but in no event later than April 1st of the year following the year in which the Employee's Date of Termination occurs.

2. **Duties**.

(a) Employment as Chief Legal Officer & Corporate Secretary. During the Term, the Employee shall serve as the Chief Legal Officer & Corporate Secretary of the Company and its subsidiaries. During the Term, subject to the supervision and control of the President and Chief Executive Officer of the Company (the "President"), or his designee, the Employee shall have the responsibility for and oversight of the corporate legal functions of the Company and its subsidiaries. The Employee shall perform such additional duties as may be prescribed from time to time by the President or his designee, including without limitation, serving as an officer or director of the Company, if elected to such positions, without any additional salary or compensation. - Actual EBITDA 95%-99% of budget 10% for each point up to 50% of eligible incentive earned (example 95% budget = 10% incentive, 96%=20% etc.)
- Actual EBITDA 100% of budget 100% of eligible incentive earned
- Actual EBITDA over budget 5% incentive for each point up to a maximum 200% of eligible incentive award (example 101% of budget = 105% incentive, 102% = 110% etc., 120% of budget and above = 200% incentive)

Not later than March 15 of each calendar year, the Talent Management Committee shall establish the professional performance criteria for Employee for such calendar year to be used in calculating the Approved Professional Performance Percentage. The Approved Professional Performance Percentage for each calendar year during the Term shall be equal to (A) thirty percent (30%) multiplied by (B) the ratio of the number of professional performance criteria satisfied by Employee for the calendar year to the total number of professional performance criteria for the calendar year. (i) withholding an amount necessary to satisfy such withholding requirement from the Employee's compensation or benefit; or

(ii) conditioning the payment or transfer of such compensation or benefit upon the Employee's payment to the Company of an amount sufficient to satisfy such withholding requirement.

The Employee agrees that Employee will treat all of the amounts payable pursuant to this Employment Agreement as compensation for income tax purposes.

4. **Termination.** The Employee's employment hereunder may be terminated under this Employment Agreement as follows, subject to the Employee's rights pursuant to Section 5 hereof:

(a) Death. The Employee's employment hereunder shall terminate upon Employee's death.

(e) Voluntary Termination. By not less than thirty (30) days prior written notice to the President, Employee may voluntarily terminate Employee's employment hereunder.

(f) Notice of Termination. Any termination of the Employee's employment by the Company during the Term pursuant to paragraphs (b), (c) or (d) of this Section 4 shall be communicated by a Notice of Termination from the Company to the Employee. Any termination of the Employee's employment by the Employee during the Term pursuant to paragraph (e) of this Section 4 shall be communicated by a Notice of Termination from Employee to the Company. For purposes of this Employment Agreement, a "Notice of Termination" shall mean a written notice which shall indicate the specific termination provision in this Employment Agreement relied upon and in the case of any termination for Cause shall set forth in reasonable detail the facts and circumstances claimed to provide a basis for termination of the Employee's employment.

(g) Date of Termination. The "Date of Termination" shall, for purposes of this Employment Agreement, mean: (i) if the Employee's employment is terminated by Employee's death, the date of Employee's death; (ii) if the Employee's employment is terminated on account of disability pursuant to Section 4(b) above, thirty (30) days after Notice of Termination is given (provided that the Employee shall not, during such 30-day period, have returned to the performance of Employee's duties on a full-time basis), (iii) if the Employee's employment is terminated by the Company for Cause pursuant to Section 4(c) above, the date specified in the Notice of Termination, (iv) if the Employee's employment is terminated by the Company without Cause, pursuant to Section 4(d) above, the date specified in the Notice of Termination, (v) if the Employee's employment is terminated voluntarily pursuant to Section 4(e) above, the date specified in the Notice of Termination, and (vi) if the Employee's employment is terminated by reason of an election by either party not to extend the Term, the last day of the then effective Term.

For this purpose, service performed as an employee or as an independent contractor is counted, except that service as a member of the board of directors of an Employer Group entity is not counted unless termination benefits under this Employment Agreement are aggregated for purposes of Section 409A of the Code with benefits under any other Employer Group plan or agreement in which Employee also participates as a director. Employee will not be treated as having a termination of Employee's employment while Employee is on military leave, sick leave or other bona fide leave of absence if the leave does not exceed six (6) months or, if longer, the period during which Employee has a reemployment right under statute or contract. If a bona fide leave of absence extends beyond six (6) months, Employee's employment will be considered to terminate on the first day after the end of such six (6) month period, or on the day after Employee's statutory or contractual reemployment right lapses, if later. The Company will determine when Employee's Date of Termination occurs based on all relevant facts and circumstances, in accordance with Treasury Regulation Section 1 .409A-1(h).

If the benefits payable under any such disability plan or program do not provide 100% replacement of the Employee's installments of Base Salary during such period, Employee shall be paid at regular payroll intervals the difference between the periodic installments of Employee's then current Base Salary that would have otherwise been payable and the disability benefit paid from such disability plan or program. Upon termination pursuant to Section 4(b) hereof, the above provisions of this paragraph (b) shall no longer apply and Employee shall be entitled to any earned but -unpaid Incentive Bonus for any calendar year ended prior to the date Employee's period of disability commenced.

(f) No Further Obligations after Payment. After all payments, if any, have been made to the Employee pursuant to the applicable provisions of paragraphs (a) through (f) of this Section 5, the Company shall have no further obligations to the Employee under this Employment Agreement other than the provision of any employee benefits required to be continued under applicable law.

(g) Change of Control. Subject to Section 5(j), if a Change of Control (as defined below) has occurred with respect to the Company and within two (2) years after the occurrence of such Change of Control, the Employee's employment shall be terminated by the Company without Cause, then Employee shall be entitled to receive a lump sum payment equal to the Employee's then current Base Salary multiplied by two (2). The Employee shall also be entitled to receive any earned but unpaid Incentive Bonus for any calendar year ending prior to the Date of Termination and, subject to Section 5(j), a pro-rated Incentive Bonus for the current calendar year for the period ending on the Date of Termination. For purposes of this paragraph (g), "Change of Control" means (i) an event or series of events which have the effect of any "person" as such term is used in Section 13(d) and 14(d) of the Exchange Act, other than (x) Onex Corporation, Onex Partners III LP or any of their respective affiliates (as defined in Rule 12b-2 under the Exchange Act) or any group including any of the foregoing and (y) any trustee or other fiduciary holding securities of the Company under any employee benefit plan of the Company, becoming the "beneficial owner" as defined in Rule 13d-3 under the Exchange Act, directly or indirectly, of securities of the Company representing fifty percent (50%) or more of the combined voting power of the Company's then outstanding capital stock; (ii) any merger, consolidation, share exchange, recapitalization or other transaction in which any person other than Onex Corporation, Onex Partners III LP or any of the respective affiliates or any group including any of the foregoing becomes the beneficial owner of securities of the Company representing fifty percent (50%) or more of the combined voting power of the Company's then outstanding capital stock; (iii) all or substantially all of the business of the Company is disposed of pursuant to a partial or complete liquidation, sale of assets, or otherwise. The release must be executed and delivered to the Company on or before the date set by the Company, which may be no later than 60 days following Employee's Date of Termination, and the release will be delivered to Employee at least 21 days before the deadline set for its return. Payments will begin after Employee executes the release and the release is no longer subject to revocation. Payments will be made on the dates specified in Section 5(d) or 5(g), as applicable, and will terminate if Employee violates any of the restrictive covenants contained in Section 7 of this Agreement. Any payments that are delayed due to the release requirement will be paid as soon as administratively practical following receipt of the release and lapse of any applicable revocation period; provided that payments may in no event be made later than March 15 of the calendar year following Employee's Date of Termination. If Employee does not return the signed release by the date set by the Company, he will forfeit all rights to payment under Section 5(d) or 5(g), as applicable. The Employee's employment shall terminate hereunder at the earlier of (i) immediately upon the Company's determination (conveyed by a notice to the Employee) that the Employee is subject to a permanent disability, and (ii) the Employee's absence from the Employee's duties hereunder for 180 days. "Permanent disability" for purposes of this Agreement shall mean the onset of a physical or mental disability which prevents the Employee from performing the essential functions of the Employee's duties hereunder, which is expected to continue for 180 days or more, subject to any reasonable accommodation required by state and/or federal disability anti-discrimination laws, including, but not limited to, the Americans With Disabilities Act of 1990, as amended. During any period during which the Employee is subject to a short-term disability as determined by the Company's short-term disability program, and prior to termination by reason of permanent disability, the Employee shall be compensated as provided in this paragraph 6. During any waiting period prior to receiving short or long-term disability payments, Employee shall be required to use available Results Driven Time Off. Once the eligibility period has been met the Employee shall continue to be paid at the Employee's then current Base Salary until short-term disability payments to the Employee commence under any plan or program then provided and funded by the Company. If the benefits payable under any such disability plan or program do not provide 100% replacement of the Employee's installments of Base Salary during such period, the Employee shall be paid at regular payroll intervals the difference between the periodic installments of the Employee's then current Base Salary that would have otherwise been payable and the disability benefit paid from such disability plan or program. Upon termination of employment, the above provisions of this paragraph 6 shall no longer apply.

7. Compensation upon Termination Without Cause. As additional consideration for the continuation of the noncompetition and confidentiality covenants of the Employee in this Agreement after the Date of Termination (as defined in paragraph 11(e)) and as separation pay, if the Employee's employment is terminated without Cause (as defined in paragraph 11(f) of this Agreement) by the Company or for Good Reason (as defined in paragraph 11(g) of this Agreement) by the Employee and if Employee signs a standard separation agreement that includes a comprehensive waiver and release, the Employee shall receive Employee's then current Base Salary for twelve (12) months after the Date of Termination (as defined in paragraph 11(e) hereof), payable in equal installments on the same payroll schedule on which other Company employees receive payment.

8. Other Termination. No pay continuation will be payable to the Employee if the Employee voluntarily terminates the Employee's employment with the Company, or the Company terminates Employee's employment for Cause.

9. Employee Covenants.

(a) Acknowledgments. Employee acknowledges as follows:

(1) Employee's services hereunder are of a special, unique and extraordinary character and that Employee's position with the Company places Employee in a position of confidence and trust with the operations of Company, its subsidiaries and affiliates, including Res-Care, Inc. (collectively, the "Affiliated Companies") and allows Employee access to Confidential Information (as defined in paragraph 11(c) hereof).

(2) Company has provided Employee with a unique opportunity as set forth in paragraph 1 above.

(3) The nature and periods of the restrictions contained in this Agreement are fair, reasonable and necessary to protect and preserve for the Company the benefits of Employee's employment hereunder.

(4) The Affiliated Companies would sustain great and irreparable loss and damage if Employee were to breach any of such covenants.

(5) The Affiliated Companies conduct and are aggressively pursuing the conduct of the Business (as defined in paragraph 11(b) of this Agreement) actively in and throughout the entire Territory (as defined in paragraph 11(a) of this Agreement).

(6) The Territory is reasonably sized because the current Business of the Affiliated Companies is conducted throughout various geographic areas. The Affiliated Companies are aggressively pursuing expansion and new operations throughout such geographic area and the Affiliated Companies require the entire Territory for profitable operations.

(b) Non-Compete and Non-Solicitation Covenants. Having acknowledged the statements in subparagraph (a) above, Employee covenants and agrees with the Company and the Affiliated Companies that:

(i) Non-Solicitation of Employees or Others. From the Commencement Date until the Date of Termination and for twelve (12) months thereafter, (a) Employee will not directly or indirectly encourage, solicit, induce, or attempt to encourage, solicit or induce any employee, agent, contractor or representative of the Company and/or the Affiliated Companies to terminate his/her employment or contractual relationship with the Company or the

Affiliated Companies (or devote less than full time efforts to Company business), and (b) Employee will not directly or indirectly hire or attempt to hire: (i) for any competitive position with any competitor any person who is an employee, agent, contractor or representative of the Company or Affiliated Companies at such time (or who has been an employee, agent, contractor or representative of the Company or Affiliated Companies at any time within the preceding 180 days) or (ii) for any position with any business any person who is an employee, agent, contractor or representative of the Company or Affiliated Companies at such time (or who has been an employee, agent, contractor or representative of the Company or Affiliated Companies at any time within the preceding 180 days)

(ii) Non-Solicitation of Clients/Customers. From the Commencement Date until the Date of Termination and for twelve (12) months thereafter, Employee will not, in a competitive capacity, on behalf of any person or entity other than the Company or the Affiliated Companies, directly or indirectly:

a. solicit, divert (or attempt to solicit or divert) or accept competitive business from any client, patient or customer or referral source of the Company or the Affiliated Companies;

b. solicit, divert (or attempt to solicit or divert) or accept competitive business from any client, patient or customer or referral source of the Company or the Affiliated Companies with whom Employee has had contact (either directly or indirectly) or over which Employee has had responsibility at any time in the one (1) year preceding Employee's separation or about whom Employee has obtained Confidential Information;

c. solicit, divert (or attempt to solicit or divert) or accept competitive business from any identified prospective client, patient or customer or prospective referral source of the Company or Affiliated Companies; or

d. solicit, divert (or attempt to solicit or divert) or accept competitive business from any identified prospective client, patient or customer or prospective referral source of the Company or Affiliated Companies with whom Employee has had contact (either directly or indirectly) or over which Employee has had responsibility at any time in the one (1) year preceding Employee's separation or about whom Employee has had obtained Confidential Information.

(iii) Non-competition within the Territory. From the Commencement Date until the Date of Termination and for twelve (12) months thereafter, Employee will not directly or indirectly, in a competitive capacity within the Territory, own, manage, finance, operate, control or participate in ownership, management, or operation of, act as an agent, consultant, or be employed with, any Person or entity that is engaged in the Business. For purposes of this Agreement, the term "competitive capacity" shall mean (i) performing tasks or duties similar to those Employee performed in Employee's last year of employment at the Company or any Affiliated Company for a competitor of the Company or any Affiliated Company; (ii) managing/supervising those who, for a competitor of the Company or any Affiliated Company, perform tasks or duties similar to those which Employee performed in Employee's last year of employment at the Company; or (iii) performing, on behalf of a competitor of the Company or any Affiliated Company, tasks or duties in which Employee utilizes any Confidential Information that Employee learned in the course of Employee's relationship with the Company or any Affiliated Company. Employee further agrees that from the Commencement Date until the Date of Termination, Employee will not undertake any planning for or organization of any business activity that would be competitive with the Business.

(iv) Tolling. In the event of a breach by Employee of this Section entitled "Non-Compete and Non-Solicitation Covenants," then the restrictive periods referenced herein shall be tolled and shall begin to run or recommence running only at such time as the breach is alleviated or remedied.

(c) Confidentiality and Non-disparagement Covenants. Having acknowledged the statements in subparagraph (a) above, Employee covenants that without limitation as to time, (i) commencing on the Commencement Date and at all times thereafter, including after the Date of Termination, Employee will not directly or indirectly disclose or use or otherwise exploit for Employee's own benefit, or the benefit of any other Person, except as may be necessary in the performance of Employee's duties hereunder, any Confidential Information, and (ii) commencing on the Date of Termination, Employee will not disparage or comment negatively about any of the Affiliated Companies, or their respective officers, directors, employees, policies or practices, and Employee will not discourage anyone from doing business with any of the Affiliated Companies and will not encourage anyone to withdraw their employment with any of the Affiliated Companies.

(d) Defend Trade Secrets Act (DTSA) Notice. Pursuant to 18 USC § 1833(b), Employee may not be held criminally or civilly liable under any federal or state trade secret law for disclosure of a trade secret: (i) made in confidence to a government official, either directly or indirectly, or to an attorney, solely for the purpose of reporting or investigating a suspected violation of law; and/or (ii) in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal. Additionally, should Employee pursue legal action against the Company for retaliation based on the reporting of a suspected violation of law, Employee may disclose a trade secret to his/her attorney and use the trade secret information in the court proceeding, so long as any document containing the trade secret is filed under seal and the individual does not disclose the trade secret except pursuant to court order.

(e) Employee Certificates and Return of Company Property. Not less frequently than annually and upon the termination of Employee's employment hereunder for any reason whatsoever, Employee shall promptly comply with Employee's obligation to deliver a certificate, which certificate may be completed online in accordance with Company policy. Upon termination of Employee's employment hereunder for any reason whatsoever, Employee shall promptly return to the Company any property of the Affiliated Companies then in Employee's possession or control, including without limitation, any Confidential Information.

(f) Injunctive Relief and Invalidity of any Provision. Employee acknowledges that Employee's breach of the provisions of paragraph 9 of this Agreement will result in irreparable injury to the Company and the Affiliated Companies and that the remedy at law of such parties for such a breach will be inadequate. Accordingly, Employee agrees and consents that the Company and each of the Affiliated Companies in addition to all other remedies available to them at law and in equity, shall be entitled to seek both preliminary and permanent injunctions in a court of competent jurisdiction to prevent and/or halt a breach or threatened breach by Employee of the Agreement. If any provision of this Agreement is invalid in part or in whole, it shall be deemed to have been amended, whether as to time, area covered, or otherwise, as and to the extent required for its validity under applicable law and, as so amended, shall be enforceable. The parties further agree to execute all documents necessary to evidence such amendment. A court with jurisdiction over the matters contained in this Agreement shall have the authority to revise the language hereof to the extent necessary to make any such section or covenant of this Agreement enforceable to the fullest extent permitted by law.

(g) Disclosure of Existence of Agreement. To preserve the Company's rights under this Agreement, the Company may advise any third party of the existence of this Agreement and its terms, and Employee specifically releases and agrees to indemnify and hold the Company harmless from any liability for doing so.

10. Mutual Agreement to Arbitrate. Employee and the Company understand and agree that any existing or future dispute or claim arising out of or related to this Agreement, Employee's employment, or the termination of such employment, will be resolved by final and binding arbitration and that no other forum for dispute resolution will be available to either party, except as to those claims identified below. The decision of the arbitrator shall be final and binding on both parties and it shall be enforceable by any court having proper jurisdiction. The arbitration proceedings shall be conducted pursuant to the Federal Arbitration Act, and in accordance with the National Rules for the Resolution of Employment Disputes of the American Arbitration Association or the Employment Arbitration Rules and Procedures

adopted by Judicial Arbitration and Mediation Services ("JAMS"). Except as mutually agreed by the parties, the arbitration shall be conducted in Louisville, Kentucky. The arbitrator will have all the powers a judge would have in dealing with any question or dispute that may arise before, during and after the arbitration. Claims not covered by this agreement to arbitrate are:

(a) Claims for benefits under the workers' compensation, unemployment insurance and state disability insurance laws, and

(b) Claims arising out of the Company's efforts to enforce numerical paragraph 9 of this Agreement including, but not limited to claims for injunctive relief.

The Company agrees to bear the costs of the arbitrator's fee and all other costs related to the arbitration, assuming such costs are not expenses that Employee would be required to bear if bringing or defending the action in a court of law. Employee and the Company shall each bear the fees and costs of their own attorneys, experts or other representatives incurred in connection with the arbitration, and the arbitrator will not have authority to award fees and costs unless a statute at issue in the dispute or other appropriate law authorizes the award of attorneys' fees to the prevailing party, in which case the arbitrator shall have the authority to make an award of attorneys' fees as permitted by the applicable statute or law.

11. Definitions. For purposes of this Agreement:

(a) The "Territory" shall mean the states in which are located the operations for which Employee is responsible and all states contiguous to such states.

(b) The "Business" of the Affiliated Companies shall mean the business of providing training or job placement services; youth treatment or services; institutional, senior living, home infusion, specialty, and hospital pharmacy services; home care or periodic services to the elderly; services to persons with intellectual disabilities and other developmental disabilities, including but not limited to persons who have been dually diagnosed; services to persons with acquired brain injuries; and any other service or business performed by the Company and the Affiliated Companies as of the Date of Termination.

(g) As used herein, "Good Reason" shall mean (i) any material diminution of the Employee's position, authority and duties under this Agreement; (ii) the Employee is required to relocate to an employment location that is more than 50 miles from the Employee's current employment location; (iii) the Employee's Base Salary rate is reduced to a level that is less than the rate paid to the Employee during the immediately prior calendar year, unless the Employee has agreed to said reduction or unless the Company makes an across-the-board reduction that applies to all executives; or (iv) the Company materially breaches any of its obligations under this Agreement. Notwithstanding the foregoing, a condition shall not be considered "Good Reason" unless (i) the Employee gives the Company written notice of such condition within thirty (30) days after the material facts regarding such condition become known to the Employee; (ii) the Company fails to cure such condition within twenty (20) days after receiving the Employee's written notice; and (iii) the Employee terminates his employment within twenty (20) days after the expiration of the Company's cure period.

14. Entire Agreement. This Agreement and Employee's signed Offer Letter contain the entire agreement with respect to the subject matter hereof and supersede all prior and contemporaneous agreements, representations, and understandings of the parties, including but not limited to any prior employment agreement.

15. Notices. All notices, requests, demands and other communications required or permitted to be given or made under this Agreement shall be in writing and shall be deemed to have been given on the date of delivery personally or upon deposit in the United States mail postage prepaid by registered or certified mail, return receipt requested, to the appropriate party or parties at the addresses shown (or at such other address as shall hereafter be designated by any party to the other parties by notice given in accordance with this paragraph). Notices addressed to the Company shall be sent to the attention of the Supervising Officer.

16. Section 409A of the Code.

    (a) General. All payments under this Agreement are intended to be exempt from, or comply with, the requirements of section 409A of the Code, to the extent applicable, and this Agreement shall be interpreted to avoid any penalty sanctions under section 409A of the Code. Accordingly, all provisions herein, or incorporated by reference, shall be construed and interpreted to comply with section 409A of the Code and, if necessary, any such provision shall be deemed amended to comply with section 409A of the Code and regulations thereunder. All payments to be made upon a termination of employment under this Agreement that are deferred compensation for purposes of section 409A of the Code may only be made upon a "separation from service" under section 409A of the Code. For purposes of section 409A of the Code, each payment made under this Agreement shall be treated as a separate payment.

    (b) Six Month Delay Rule. To the maximum extent permitted under section 409A of the Code, the benefits payable under this Agreement are intended to comply with the "short-term deferral exception" under Treas. Reg. §1.409A-1(b)(4), and any remaining amount is intended to comply with the "separation pay exception" under Treas. Reg. §1.409A-1(b)(9)(iii); provided, however, any amount payable to the Employee during the six (6) month period following the Employee's separation from service that does not qualify within either of the foregoing exceptions and constitutes deferred compensation subject to the requirements of section 409A of the Code, then such amount(s) shall hereinafter be referred to as the "Excess Amount." If at the time of the Employee's separation from service, the Company's (or any entity required to be aggregated with the Company under section 409A of the Code) stock is publicly-traded on an established securities market or otherwise and the Employee is a "specified employee" (as defined in section 409A of the Code), then the Company shall postpone the commencement of the payment of the portion of the Excess Amount that is payable within the six (6) month period following the Employee's separation from service with the Company for six (6)

months following the Employee's separation from service with the Company. The delayed Excess Amount shall be paid in a lump sum to the Employee within ten (10) days following the date that is six (6) months following the Employee's separation from service with the Company. If the Employee dies during such six (6) month period and prior to the payment of the portion of the Excess Amount that is required to be delayed on account of section 409A of the Code, such Excess Amount shall be paid to the personal representative of Employee's estate within sixty (60) days after the Employee's death.

(c) Special Rule for Reimbursements. Any reimbursements provided under this Agreement shall be made or provided in accordance with the requirements of section 409A of the Code, including, where applicable, the requirement that (i) the amount of expenses eligible for reimbursement during a calendar year may not affect the expenses eligible for reimbursement in any other calendar year, (ii) the reimbursement of an eligible expense will be made on or before the last day of the taxable year following the year in which the expense is incurred, and (iii) the right to reimbursement is not subject to liquidation or exchange for another benefit.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the dates set forth below.

The Options are subject to all of the terms and conditions set forth herein, in the Option Agreement attached hereto, and in the Plan, all of which are incorporated herein in their entirety. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Plan or the Stockholders' Agreement, as applicable.

Participant:	Jon B. Rousseau
Date of Grant:	October 16, 2019
Vesting Commencement Date:	March 5, 2019
Total Number of Options:	243,480
Time Options:	121,740
Performance Options:	121,740
Exercise Price per Share:	$100.00
Option Period:	Ten (10) years from the Date of Grant
Vesting Schedule:	Time Options:

Provided the Participant has not undergone a Termination prior to each applicable vesting date, (i) 20% of the Time Options shall vest, and thereby become exercisable, on the first (1st) anniversary of the Vesting Commencement Date and (ii) an additional 5% of the Time Options shall vest, and thereby become exercisable, on each quarterly anniversary of the Vesting Commencement Date occurring after the first anniversary of the Vesting Commencement Date (such that in the ordinary course, assuming no Termination, the Time Options shall fully vest on the fifth (5th) anniversary of the Vesting Commencement Date) (each such anniversary, a "Time Vesting Date").

Upon a Change in Control, all unvested Time Options then outstanding shall immediately vest.

Upon an (i) Initial Public Offering and (ii) each date following an Initial Public Offering upon which the Sponsor Group and/or the Walgreens Group (collectively, the "Investor Group") sells equity securities of the Company (each of (i) and (ii), a "Selldown Date"), a number of the Participant's then-unvested Time Options shall vest so that the percentage of the Participant's total Time Options that will be vested upon such Selldown Date (to the extent such percentage has not previously vested prior to the Selldown Date) will equal the percentage of the total equity securities of the Company held by the Investor Group prior to the Initial Public Offering sold by the Investor Group on such Selldown Date.

Performance Options:

Provided the Participant has not undergone a Termination (other than a Qualified Termination, as provided below) on or prior to each applicable Measurement Date, the Performance Options shall vest as follows:

(a) 50% of the Performance Options will vest upon the attainment of a Sponsor MoM of at least 2.0 or greater;

(b) 50% of the Performance Options will vest upon the attainment of a Sponsor MoM of at least 2.5 or greater ((a) and (b), as applicable, the "Sponsor MoM Hurdle"); and

(c) with respect to a Final Measurement Date only, to the extent such Final Measurement Date occurs prior to the second anniversary of the Vesting Commencement Date (an "Early Exit"), all Performance Options that remain outstanding will vest in full upon the attainment of a Sponsor IRR of at least thirty-five percent (35%) (the "Sponsor IRR Hurdle").

Any Performance Options that do not vest prior to or upon the Final Measurement Date will be forfeited upon such date (except in the case of a Part-Stock CIC).

Part-Stock CIC: In the event of a Change in Control that results in the Sponsor Group receiving any non-cash (or cash equivalent) proceeds as consideration for such Change in Control (including, without limitation, equity securities of an

acquiror) or otherwise retains equity securities of the Company in connection with such Change in Control (such Change in Control, a "Part-Stock CIC", and the non-cash proceeds together with any retained equity securities, the "Non-Cash Consideration"), to the extent that any Performance Options do not otherwise vest in connection with such Part-Stock CIC (such unvested Performance Options, the "Unvested Performance Options"), then a portion of the consideration received by the Sponsor Group in connection with such Part-Stock CIC equal to the product of (x) the excess, if any, of (i) the amount of consideration that such Unvested Performance Options would have received had such Unvested Performance Options been fully vested and exercisable upon such Part-Stock CIC over (ii) the Exercise Price per Share and (y) the number of Unvested Performance Options (the "Performance Option Escrow Amount") shall be placed into escrow. The Performance Option Escrow Amount shall be subject to the original vesting terms of the Unvested Performance Options to which such Performance Option Escrow Amount relates, such that upon any Measurement Date with respect to any Non-Cash Consideration, the Performance Option Escrow Amount will be eligible to vest and a portion of such Performance Option Escrow Amount will be released to the Participant as soon as reasonably practicable following such Measurement Date, subject to the achievement of the applicable Sponsor MoM Hurdle, or with respect to an Early Exit, the Sponsor IRR Hurdle, that relates to such Unvested Performance Options.

Termination:

In the event of the Participant's Termination for any reason, (except as otherwise provided below with respect to a Qualified Termination (including In Contemplation of a Change in Control) or a Part-Stock CIC), any unvested Options shall immediately terminate and expire (without payment of any consideration therefore), and any vested Options shall remain exercisable as provided in Section 3 of the Option Agreement.

Certain Terminations. In the event of the Participant's Qualified Termination, including a Qualified Termination In Contemplation of a Change in Control, the following provisions shall apply.

(a) Time Options. Upon a Qualified Termination, (i) a pro rata portion of the Time Options eligible to vest in

the fiscal year (if such Qualified Termination occurs prior to the first anniversary of the Vesting Commencement Date) or fiscal quarter (if such Qualified Termination occurs on or after the first anniversary of the Vesting Commencement Date), as applicable, in which the Qualified Termination occurs, based on the number of days the Participant was employed by a Service Recipient from the immediately preceding Time Vesting Date to the date of such Qualified Termination, will vest as of the date of the Qualified Termination, and (ii) the remaining unvested Time Options shall remain outstanding and eligible to vest in full solely upon the occurrence of a Change in Control within the Tail Period or, in the case of any Qualified Termination In Contemplation of a Change in Control, upon the closing of such Change in Control to which such Qualified Termination relates even if outside the Tail Period. For the avoidance of doubt, any Time Options that have not otherwise vested on or prior to the end of the Tail Period shall be forfeited on the last day of the Tail Period, or, in the case of any Qualified Termination In Contemplation of a Change in Control, shall be forfeited on the date following the expiration of the Tail Period upon which the applicable definitive agreement with the acquiror terminates without closing of such Change in Control transaction.

(b) Performance Options. Upon a Qualified Termination, all Performance Options shall remain outstanding during the Tail Period, and shall be eligible to vest to the extent that the applicable Sponsor MoM Hurdle, or with respect to an Early Exit, the Sponsor IRR Hurdle, that relates to such Performance Options is achieved during the Tail Period, in each case as if Executive had remained employed through the applicable Measurement Date; *provided*, *however*, if such Qualified Termination is In Contemplation of a Change in Control, the Performance Options shall remain outstanding beyond the Tail Period, and shall be eligible to vest to the extent that the applicable Sponsor MoM Hurdle, or with respect to an Early Exit, the Sponsor IRR Hurdle, that relates to such Performance Options is achieved solely upon the closing of such Change in Control to which such Qualified Termination relates, in each case as if the Participant had remained employed through the applicable Measurement Date. For the avoidance of doubt, any Performance Options that have not otherwise vested on or prior to the end of the Tail Period shall be forfeited on the last day of the Tail Period, or, in

the case of any Qualified Termination In Contemplation of a Change in Control, shall be forfeited on the date following the expiration of the Tail Period upon which the applicable definitive agreement with the acquiror terminates without closing of such Change in Control transaction.

Pursuant to the Option Grant Notice (the "Grant Notice") delivered to the Participant (as defined in the Grant Notice), and subject to the terms of this Option Agreement (this "Option Agreement") and the Amended and Restated Phoenix Parent Holdings Inc. 2017 Stock Incentive Plan (the "Plan"), Phoenix Parent Holdings Inc. (the "Company") and the Participant agree as follows. Capitalized terms not otherwise defined herein shall have the same meaning as set forth in the Grant Notice, the Plan or the Stockholders' Agreement, as applicable.

1. Grant of Option. Subject to the terms and conditions set forth herein and in the Plan, the Company hereby grants to the Participant the number of Time Options and Performance Options (collectively, "Options") provided in the Grant Notice (with each Option representing the right to purchase one (1) share of common stock of the Company (the "Common Stock"), at an Exercise Price per Share as provided in the Grant Notice. The Company may make one or more additional grants of Options to the Participant under this Option Agreement by providing the Participant with a new Grant Notice, which may also include any terms and conditions differing from this Option Agreement to the extent provided therein. The Company reserves all rights with respect to the granting of additional Options hereunder and makes no implied promise to grant additional Options.

2. Vesting. Subject to the conditions contained herein and the Plan, the Options shall vest as provided in the Grant Notice.

3. Expiration. The Participant may not exercise any vested and exercisable Options to any extent after the first to occur of the following events, and, upon the first to occur of the following events, such vested Options shall immediately terminate and expire (without payment of any consideration therefor):

(a) the tenth (10^{th}) anniversary of the Date of Grant;

(b) in the event of the Participant's Termination due to death or Disability, (i) the first (1st) anniversary of the date of such Termination and (ii) solely with respect to Options which have not vested prior to or on the date of such Termination, the first (1st) anniversary of the date, if any, such Options vested during the Tail Period;

(c) in the event of the Participant's Termination by the Service Recipient without Cause or the Participant's voluntary resignation for Good Reason (i) one hundred and eighty (180) days after the date of such Termination and (ii) solely with respect to Options which have not vested prior to or on the date of such Termination, one hundred and eighty (180) days following the date, if any, such Options vested during the Tail Period;

(d) in the event of the Participant's voluntary resignation without Good Reason, ninety (90) days after the date of such Termination; and

(e) immediately upon either (i) the date of the Participant's Termination for Cause or (ii) the date of a Restrictive Covenant Violation.

4. Method of Exercising Options.

(a) The Options may be exercised by the delivery of a notice of the number of Options that are being exercised accompanied by payment in full of the Exercise Price applicable to the Options so exercised. Such notice shall be delivered either: (x) in writing to the Company at its principal office or at such other address as may be established by the Committee, to the attention of the Company Secretary; or (y) to a third-party plan administrator as may be arranged for by the Company or the Committee from time to time for purposes of the administration of outstanding Options under the Plan, in the case of either (x) or (y), as communicated to the Participant by the Company from time to time.

(b) The Exercise Price shall be payable, at the election of the Participant: (i) in cash or check; (ii) solely in connection with an exercise of an Option by the Participant following the Participant's Qualified Termination, by a reduction in the number of shares of Common Stock to be issued upon the exercise of the Option having an aggregate Fair Market Value on the date of exercise equal to such Exercise Price; (iii) by such other method as the Committee may permit in its sole discretion under Section 7(d) of the Plan; or (iv) any combination of cash and such other available method of exercise.

(c) Except as expressly provided for herein or in the Plan or the Stockholders' Agreement, during the lifetime of the Participant, only the Participant (or such Participant's duly authorized legal representative) may exercise the Option or any portion thereof. After the death of the Participant, any exercisable portion of the Option may, prior to the time when the Option expires under Section 3 hereof, be exercised by the Participant's personal representative or by any Person empowered to do so under the Participant's will or the laws of descent and distribution.

5. Issuance of Shares. Following the exercise of an Option hereunder, as promptly as practical after receipt of such notification and full payment of such Exercise Price and any required income or other tax withholding amount (as provided in Section 11 hereof), and subject to the Participant's execution and delivery of a joinder to the Stockholders' Agreement (if the Participant is not already a party to the Stockholders' Agreement), the Company shall issue or transfer, or cause such issue or transfer, to the Participant the number of shares of Common Stock with respect to which the Options have been so exercised, subject to Section 11(c) of the Plan.

6. Restrictive Covenants. The Participant acknowledges and agrees that the Company and the Participant have agreed to certain covenants regarding non-competition, non-solicitation, no-hire, non-disparagement and confidentiality restrictions, which are set forth in the employment agreement between the Participant and the Service Recipient, and which are hereby incorporated by reference. The Participant acknowledges that the Participant has read and understands such covenants, including, specifically, the scope and duration thereof.

7. Participant. Whenever the word "Participant" is used in any provision of this Option Agreement under circumstances where the provision should logically be construed to apply to the executors, the administrators, or the Person or Persons to whom the Options may be transferred by will or by the laws of descent and distribution, the word "Participant" shall be deemed to include such Person or Persons.

8. Non-transferability. The Options are not transferable by the Participant except to Permitted Transferees in accordance with the Plan and subject to the terms of the Stockholders' Agreement. Except as otherwise provided herein, no assignment or transfer of the Options, or of the rights represented thereby, whether voluntary or involuntary, by operation of law or otherwise, shall vest in the assignee or transferee any interest or right herein whatsoever, but immediately upon such assignment or transfer the Options shall terminate and become of no further effect.

9. Rights as Stockholder. Except as set forth in Section 10, the Participant or a Permitted Transferee of the Options shall have no rights as a stockholder with respect to any share of Common Stock covered by an Option until the Participant shall have become the holder of record or the beneficial owner of such Stock, and no adjustment shall be made for dividends or distributions or other rights in respect of such share of Common Stock for which the record date is prior to the date upon which the Participant shall become the holder of record or the beneficial owner thereof.

10. Distributions.

(a) In the event of any dividend (other than a regular cash dividend) or other distribution (whether in the form of cash, shares of Common Stock, other securities, or other property) in respect of shares of Common Stock (a "Distribution"), in lieu of any other adjustment under Section 9 of the Plan, with respect to each Option that is then-outstanding and in-the-money, in lieu of any other permissible adjustment to such Option pursuant to the Plan, the Participant shall receive a dividend equivalent in respect of each such Option in an amount equal to the amount received in respect of one (1) share of Common Stock in connection with such Distribution (the "Distribution Amount"), with (i) any dividend equivalent payable in respect of a then-vested Option paid, less applicable withholdings, no later than the next regularly scheduled payroll date occurring immediately following the date of such Distribution, and (ii) any dividend equivalent payment payable in respect of a then-unvested Option, shall be deposited in a mutually agreed third party escrow account to be paid, less applicable withholdings, no later than the next regularly scheduled payroll date occurring immediately following the date such unvested Option vests by its terms; *provided*, *however*, if the Distribution Amount exceeds the in-the-money value of any such Option, the dividend equivalent payment shall be limited to the in-the-money value, and the Option, whether or not vested, shall remain subject to adjustment under the Plan as to the excess amount.

(b) Solely for purposes of this Section 10, in the event of (i) the acquisition by any Person of all or substantially all of the assets (in one transaction or a series of related transactions) of the pharmacy services business of the Company (a "Pharmacy Sale") and (ii) a subsequent Distribution arising from and in connection with the Pharmacy Sale (such Distribution, a "Pharmacy Sale Distribution"), (x) 50% of the Participant's then-unvested

Performance Options shall be deemed vested for purposes of any such Pharmacy Sale Distribution and Section 10(a) if and to the extent that the Fair Market Value (after taking into account the Pharmacy Sale but prior to reflecting the Pharmacy Sale Distribution) on the date of a Pharmacy Sale Distribution, if any, (the "Pharmacy Sale FMV") would result in an implied Sponsor MoM of 2.0 or greater and (y) the remaining 50% of the Participant's then-unvested Performance Options shall be deemed vested for purposes of any such Pharmacy Sale Distribution and Section 10(a) if and to the extent that the Pharmacy Sale FMV would result in an implied Sponsor MoM of 2.5 or greater. For the avoidance of doubt, (i) this Section 10(b) shall apply solely in the event of a Pharmacy Sale Distribution, if any, and shall not apply for purposes of any Distribution that is not a Pharmacy Sale Distribution and (ii) any then-unvested Options shall remain unvested for all other purposes under the Grant Notice and the Option Agreement.

11. Tax Withholding. The provisions of Section 11(d) of the Plan are incorporated herein by reference and made a part hereof; *provided*, that, subject to the proviso set forth below and solely in connection with the withholding obligation arising in connection with the exercise of an Option by the Participant following the Participant's Qualified Termination, the Participant may elect, by providing the Company written notice of exercise having an exercise date that is not less than ten business days' following receipt of such notice by the Company (such notice period, the "Withholding Notice Period"), that any withholding obligation may be satisfied by the Company withholding from the shares of Common Stock otherwise issuable to the Participant that number of shares of Common Stock having an aggregate Fair Market Value, determined as of the date the withholding tax obligation arises, equal to such withholding tax obligation (but in no event more than the minimum required tax withholding); *provided*, *further*, that if, at any time during the Withholding Notice Period, the Board determines, in its sole and good faith discretion, that the Company has insufficient liquidity to pay the entire amount of such withholding obligation to the Internal Revenue Service or other applicable governmental agency or that such payment would otherwise materially impair the cash flow position of the Company Group, satisfaction of the withholding obligation in the manner set forth in the preceding proviso shall not be available to the Participant. In the event the preceding proviso operates to limit the Participant's ability to satisfy the withholding obligation using shares of Common Stock, the Participant will be permitted to rescind the notice of exercise applicable to the Options in the Participant's sole discretion, and in such case, the expiration date applicable to the Option shall be extended (but in no event beyond the date set forth in Section 3(a) hereof) until such time as the Company determines there is sufficient liquidity and/or no further material impairment. For purposes of this Section 11, sufficient liquidity will be deemed to exist if the Company Group is less than 5 times levered.

12. Notice. Every notice or other communication relating to this Option Agreement between the Company and the Participant shall be in writing, and shall be mailed to or delivered to the party for whom it is intended at such address as may from time to time be designated by it in a notice mailed or delivered to the other party as herein provided; *provided*, that, unless and until some other address be so designated, all notices or communications by the Participant to the Company shall be mailed or delivered to the Company at its principal executive office, to the attention of the Company Secretary, and all notices or communications by the Company to the Participant may be given to the Participant personally or may be mailed to the Participant at the Participant's last known address, as reflected in the Company's records.

Notwithstanding the above, all notices and communications between the Participant and any third-party plan administrator shall be mailed, delivered, transmitted or sent in accordance with any reasonable procedures established by such third-party plan administrator and communicated to the Participant from time to time.

13. **No Right to Continued Employment or Service** This Option Agreement does not confer upon the Participant any right to be retained in the employ or service of any member of the Company Group.

14. **Binding Effect**. This Option Agreement shall be binding upon the heirs, executors, administrators and successors of the parties hereto.

15. **Waiver and Amendments**. Except as otherwise set forth in Section 10(b) of the Plan, any waiver, alteration, amendment or modification of any of the terms of this Option Agreement shall be valid only if made in writing and signed by the parties hereto; *provided*, that any such waiver, alteration, amendment or modification is consented to on the Company's behalf by the Committee. No waiver by either of the parties hereto of their rights hereunder shall be deemed to constitute a waiver with respect to any subsequent occurrences or transactions hereunder unless such waiver specifically states that such waiver is to be construed as a continuing waiver.

16. **Governing Law**. This Option Agreement shall be construed and interpreted in accordance with the laws of the State of Delaware, without regard to the principles of conflicts of law thereof. Notwithstanding anything contained in this Option Agreement, the Grant Notice or the Plan to the contrary, if any suit or claim is instituted by the Participant or the Company relating to this Option Agreement, the Grant Notice or the Plan, the Participant hereby submits to the exclusive jurisdiction of and venue in the courts of the State of Delaware.

17. **Options Subject to Plan and Stockholders' Agreement** The Option, and the shares of Common Stock issued to the Participant upon exercise of the Option, shall be subject to all of the terms and provisions of the Plan and the Stockholders' Agreement and all such terms and provisions are hereby incorporated herein by reference and made a part hereof. In the event of any conflict between the terms and provisions of the Stockholders' Agreement and this Option Agreement, the Stockholders' Agreement shall govern and control. This Option Agreement also remains subject to the terms of the Plan, and, in the event of any conflict between the terms and provisions of the Plan and the Option Grant Notice and this Option Agreement, this Option Agreement and the Option Grant Notice shall govern and control.

OPTION CANCELLATION AGREEMENT

THIS OPTION CANCELLATION AGREEMENT (this "**Agreement**") is made and entered into this 22nd day of November, 2023 (the '**Effective Date**"), by and between BrightSpring Health Services, Inc., a Delaware corporation (the '**Company**"), Jon B. Rousseau ("**JBR**"), and The Margaret Rousseau Children Trust (the "**Children Trust**", and together with JBR, the "**Equityholders**", and each an "**Equityholder**"). The Equityholders and the Company are collectively referred to herein as the "**Parties**".

W I T N E S S E T H:

WHEREAS, JBR was previously granted Options (as defined in the Amended and Restated Phoenix Parent Holdings Inc. 2017 Stock Incentive Plan (as may be amended and/or restated from time to time, the "**Plan**")) pursuant to the (a) Plan and (b) option grant notice and option agreement thereunder, dated October 16, 2019, by and between the Company and JBR (such option grant notice and option agreement together, and as may be amended and/or restated from time to time, the "**Option Agreement**"); and

WHEREAS, prior to the date hereof, in connection with JBR's estate planning, JBR transferred certain Options to Margaret Rousseau who then transferred and assigned 60,300 of such Options to the Children Trust; and

WHEREAS, the Company and the Equityholders desire to set forth in this Agreement the terms, provisions, and conditions of the cancellation of a portion of each Equityholder's Options in exchange for a cash payment.

NOW THEREFORE, in consideration of the foregoing promises and the mutual covenants contained herein and for other good and valuation consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby agree as follows.

1. Option Cancellation Payment. As of the Effective Date, 109,566 of the Options granted to JBR pursuant to the Option Agreement are vested (the "**Vested Options**"), and 60,300 of the Vested Options have been transferred and assigned to the Children Trust, and 133,914 of the Options granted to JBR pursuant to the Option Agreement are unvested (the "**Unvested Options**"). The Company and the Equityholders agree that effective as of the Effective Date, 26,250 of the Vested Options held by the Children Trust and 13,750 of the Vested Options held by JBR (collectively, the "**Cancelled Options**") will be cancelled in exchange for the right of the Equityholders to receive from the Company (or its applicable subsidiary) the respective lump-sum cash pre-tax payment provided below (in the aggregate, the "**Option Cancellation Payments**"), which is to be paid to the Children Trust within ten (10) days following the date hereof to an account designated in writing by JBR, and to JBR on the first normally occurring Company payroll cycle on or after the date hereof, in each case by wire transfer of immediately available funds. For the avoidance of doubt, effective as of immediately following the cancellation of the Cancelled Options on the Effective Date, 69,566 of the Vested Options and all of the Unvested Options will remain outstanding in accordance with the terms of the Option Agreement.

Equityholder	Option Cancellation Payment
The Children Trust	$6,562,500
JBR	$3,437,500

2. Additional Consideration. Notwithstanding anything herein to the contrary, to the extent an Initial Public Offering (as defined in that certain Management Stockholders' Agreement dated as of December 7, 2017 by and among the Company and the other parties thereto, as may be amended from time to time) of the Company occurs within 6 months following the Effective Date and the per share price sold by the Company to institutional investors in connection with such Initial Public Offering is higher than $350, the Company shall pay to each Equityholder, as additional consideration for the respective Cancelled Options, an amount equal to the product of any increase over and above $350 per share of the Company multiplied by 40,000, to be paid to the Children Trust within ten (10) days following the consummation of the Initial Public Offering to an account designated in writing by JBR, and to JBR on the first normally occurring Company payroll cycle on or after the consummation of the Initial Public Offering, in each case by wire transfer of immediately available funds. For the avoidance of doubt, the per share price to be calculated pursuant to this Section 2 and the payments to be made in connection herewith, if applicable, shall be made based upon the capitalization and share and option count of the Company after any proportionate adjustments necessary to be equal to the fully-diluted capitalization and share and option count of the Company as of the date hereof.

3. Full Settlement. Each Equityholder acknowledges and agrees that, upon the delivery of the Option Cancellation Payments, the Company shall have satisfied all obligations it may have to the Equityholders in respect of the Cancelled Options and, except as provided in Section 2 hereof, the Equityholders will be entitled to no other or further compensation, remuneration, payments, or benefits of any kind in connection with the Cancelled Options.

4. Miscellaneous.

(a) Further Assurances. Each Equityholder agrees to execute and/or cause to be delivered to the Company such instruments and other documents, and shall take such other actions, as the Company may reasonably request for the purpose of carrying out or evidencing the cancellation of the Cancelled Options.

(b) Acknowledgement. Each Equityholder hereby acknowledges and represents that (i) the Equityholder has carefully read the provisions of this Agreement and the Equityholder is voluntarily executing this Agreement, (ii) the respective Cancelled Options are owned beneficially and of record by the Equityholder free and clear of any and all liens and encumbrances, (iii) the Equityholder has the full power and authority to enter into this Agreement, and (iv) this Agreement will constitute the Equityholder's valid and binding obligation, enforceable in accordance with its terms.

(c) Binding Effect. This Agreement shall be binding upon the heirs, executors, administrators, and successors of the Parties, as applicable.

(d) Waiver and Amendments. Any waiver, alteration, amendment, or modification of any of the terms of this Agreement shall be valid only if made in writing and signed by the Parties. No waiver by any Party of their rights hereunder shall be deemed to constitute a waiver with respect to any subsequent occurrences or transactions hereunder unless such waiver specifically states that such waiver is to be construed as a continuing waiver.

(e) Withholding. The Company (or its applicable subsidiary) shall have the right and is hereby authorized to withhold from the Option Cancellation Payments the amount of any required withholding or any other applicable taxes in respect of such payment and to take such other action as may be necessary in the opinion of the Company (or its applicable subsidiary) to satisfy all obligations for the payment of such withholding or any other applicable taxes.

(f) Governing Law. This Agreement shall be construed and interpreted in accordance with the laws of the State of Delaware, without regard to the principles of conflicts of law thereof. Notwithstanding anything contained in this Agreement to the contrary, if any suit or claim is instituted by any Party relating to this Agreement, each Equityholder submits to the exclusive jurisdiction of and venue in the courts of the State of Delaware.

(g) Entire Agreement; Severability. This Agreement together with the documents referred to herein or delivered pursuant hereto contain the entire understanding of the Parties with respect to the subject matter hereof and thereof and supersede all prior agreements and understandings of the Parties with respect to such subject matter. Every provision of this Agreement is intended to be severable and any illegal or invalid term shall not affect the legality or validity of the remaining terms.

(h) Counterparts. This Agreement may be executed in separate counterparts, and by different parties on separate counterparts, each of which shall be deemed an original, but all of which shall constitute one and the same instrument.

PHOENIX PARENT HOLDINGS INC.
2017 STOCK INCENTIVE PLAN

Pursuant to the Option Grant Notice (the "Grant Notice") delivered to the Participant (as defined in the Grant Notice), and subject to the terms of this Option Agreement (this "Option Agreement") and the Amended and Restated Phoenix Parent Holdings Inc. 2017 Stock Incentive Plan (the "Plan"), Phoenix Parent Holdings Inc. (the "Company") and the Participant agree as follows. Capitalized terms not otherwise defined herein shall have the same meaning as set forth in the Grant Notice, the Plan or the Stockholders' Agreement, as applicable.

1. Grant of Option. Subject to the terms and conditions set forth herein and in the Plan, the Company hereby grants to the Participant the number of Time Options and Performance Options (collectively, "Options") provided in the Grant Notice (with each Option representing the right to purchase one (1) share of common stock of the Company (the "Common Stock")), at an Exercise Price per Share as provided in the Grant Notice. The Company may make one or more additional grants of Options to the Participant under this Option Agreement by providing the Participant with a new Grant Notice, which may also include any terms and conditions differing from this Option Agreement to the extent provided therein. The Company reserves all rights with respect to the granting of additional Options hereunder and makes no implied promise to grant additional Options.

2. Vesting. Subject to the conditions contained herein and the Plan, the Options shall vest as provided in the Grant Notice.

3. Expiration. The Participant may not exercise any vested and exercisable Options to any extent after the first to occur of the following events, and, upon the first to occur of the following events, such vested Options shall immediately terminate and expire (without payment of any consideration therefor):

(a) the tenth (10th) anniversary of the Date of Grant;

(b) in the event of the Participant's Termination due to death or Disability, the first (1st) anniversary of the date of such Termination;

(c) in the event of the Participant's Termination by the Service Recipient without Cause or Participant's voluntary resignation, ninety (90) days after the date of such Termination;

(d) immediately upon either (i) the date of the Participant's Termination for Cause or (ii) the date of a Restrictive Covenant Violation.

4. Method of Exercising Options.

(a) The Options may be exercised by the delivery of a notice of the number of Options that are being exercised accompanied by payment in full of the Exercise Price applicable to the Options so exercised. Such notice shall be delivered either: (x) in writing to the Company at its principal office or at such other address as may be established by the Committee, to the attention of the Company Secretary; or (y) to a third-party plan administrator as may be arranged for by the Company or the Committee from time to time for purposes of the administration of outstanding Options under the Plan, in the case of either (x) or (y), as communicated to the Participant by the Company from time to time.

(b) The Exercise Price shall be payable, at the election of the Participant: (i) in cash or check; (ii) by such other method as the Committee may permit in its sole discretion under Section 7(d) of the Plan; or (iii) any combination of cash and such other available method of exercise.

(c) Except as expressly provided for herein or in the Plan or the Stockholders' Agreement, during the lifetime of the Participant, only the Participant (or such Participant's duly authorized legal representative) may exercise the Option or any portion thereof. After the death of the Participant, any exercisable portion of the Option may, prior to the time when the Option expires under Section 3 hereof, be exercised by the Participant's personal representative or by any Person empowered to do so under the Participant's will or the laws of descent and distribution.

5. Issuance of Shares. Following the exercise of an Option hereunder, as promptly as practical after receipt of such notification and full payment of such Exercise Price and any required income or other tax withholding amount (as provided in Section 10 hereof), and subject to the Participant's execution and delivery of a joinder to the Stockholders' Agreement (if the Participant is not already a party to the Stockholders' Agreement), the Company shall issue or transfer, or cause such issue or transfer, to the Participant the number of shares of Common Stock with respect to which the Options have been so exercised, subject to Section 11(c) of the Plan.

6. Restrictive Covenants. The Participant acknowledges and agrees that (a) the Company and the Participant have agreed to certain covenants regarding non-competition, non-solicitation, non-disparagement and confidentiality restrictions and (b) as a condition of receipt of the grant of the Options and the ability to exercise such Options, the Participant shall execute and deliver to the Company a Confidentiality, Non-Interference and Invention Assignment Agreement between the Service Recipient and the Participant, substantially in the form attached hereto as Exhibit A (the "Restrictive Covenant Agreement"), the provisions of which are hereby incorporated by reference. The Participant acknowledges that the Participant has read and understands such restrictive covenants, including, specifically, the scope and duration thereof. The Participant acknowledges and agrees that the terms of such restrictive covenants are in consideration for the Participant's receipt of the grant of the Options under this Option Agreement, the Participant's right to benefits upon certain Terminations as provided in this Option Agreement and the Plan, the Participant's receipt of other benefits provided in this Option Agreement and elsewhere, and the Participant's access to Confidential Information (as defined in the Restrictive Covenant Agreement).

7. Participant. Whenever the word "Participant" is used in any provision of this Option Agreement under circumstances where the provision should logically be construed to apply to the executors, the administrators, or the Person or Persons to whom the Options may be transferred by will or by the laws of descent and distribution, the word "Participant" shall be deemed to include such Person or Persons.

8. Non-transferability. The Options are not transferable by the Participant except to Permitted Transferees in accordance with the Plan and subject to the terms of the Stockholders' Agreement. Except as otherwise provided herein, no assignment or transfer of the Options, or of the rights represented thereby, whether voluntary or involuntary, by operation of law or otherwise, shall vest in the assignee or transferee any interest or right herein whatsoever, but immediately upon such assignment or transfer the Options shall terminate and become of no further effect.

9. Rights as Stockholder. Except as set forth in Section 10, the Participant or a Permitted Transferee of the Options shall have no rights as a stockholder with respect to any share of Common Stock covered by an Option until the Participant shall have become the holder of record or the beneficial owner of such Stock, and no adjustment shall be made for dividends or distributions or other rights in respect of such share of Common Stock for which the record date is prior to the date upon which the Participant shall become the holder of record or the beneficial owner thereof.

10. Distributions. In the event of any dividend (other than a regular cash dividend) or other distribution (whether in the form of cash, shares of Common Stock, other securities, or other property) in respect of shares of Common Stock (a "Distribution"), in lieu of any other adjustment under Section 9 of the Plan, with respect to each Option that is then-outstanding and in-the-money, in lieu of any other permissible adjustment to such Option pursuant to the Plan, the Participant shall receive a dividend equivalent in respect of each such Option in an amount equal to the amount received in respect of one (1) share of Common Stock in connection with such Distribution (the "Distribution Amount"), with any dividend equivalent payable in respect of a then-vested Option paid, less applicable withholdings, no later than the next regularly scheduled payroll date occurring immediately following the date of such Distribution, and any dividend equivalent payment payable in respect of a then-unvested Option, paid, less applicable withholdings, no later than the next regularly scheduled payroll date occurring immediately following the date such unvested Option vests by its terms; *provided*, *however*, if the Distribution Amount exceeds the in-the-money value of any such Option, the dividend equivalent payment shall be limited to thein-the-money value, and the Option, whether or not vested, shall remain subject to adjustment under the Plan as to the excess amount.

11. Tax Withholding. The provisions of Section 11(d) of the Plan are incorporated herein by reference and made a part hereof.

12. Notice. Every notice or other communication relating to this Option Agreement between the Company and the Participant shall be in writing, and shall be mailed to or delivered to the party for whom it is intended at such address as may from time to time be designated by it in a notice mailed or delivered to the other party as herein provided; *provided*, that, unless and until some other address be so designated, all notices or communications by the

Participant to the Company shall be mailed or delivered to the Company at its principal executive office, to the attention of the Company Secretary, and all notices or communications by the Company to the Participant may be given to the Participant personally or may be mailed to the Participant at the Participant's last known address, as reflected in the Company's records. Notwithstanding the above, all notices and communications between the Participant and any third-party plan administrator shall be mailed, delivered, transmitted or sent in accordance with any reasonable procedures established by such third-party plan administrator and communicated to the Participant from time to time.

13. No Right to Continued Employment or Service This Option Agreement does not confer upon the Participant any right to be retained in the employ or service of any member of the Company Group.

14. Binding Effect. This Option Agreement shall be binding upon the heirs, executors, administrators and successors of the parties hereto.

15. Waiver and Amendments. Except as otherwise set forth in Section 10(b) of the Plan, any waiver, alteration, amendment or modification of any of the terms of this Option Agreement shall be valid only if made in writing and signed by the parties hereto; *provided*, that any such waiver, alteration, amendment or modification is consented to on the Company's behalf by the Committee. No waiver by either of the parties hereto of their rights hereunder shall be deemed to constitute a waiver with respect to any subsequent occurrences or transactions hereunder unless such waiver specifically states that such waiver is to be construed as a continuing waiver.

16. Governing Law. This Option Agreement shall be construed and interpreted in accordance with the laws of the State of Delaware, without regard to the principles of conflicts of law thereof. Notwithstanding anything contained in this Option Agreement, the Grant Notice or the Plan to the contrary, if any suit or claim is instituted by the Participant or the Company relating to this Option Agreement, the Grant Notice or the Plan, the Participant hereby submits to the exclusive jurisdiction of and venue in the courts of the State of Delaware.

17. Options Subject to Plan and Stockholders' Agreement. The Option, and the shares of Stock issued to the Participant upon exercise of the Option, shall be subject to all of the terms and provisions of the Plan and the Stockholders' Agreement and all such terms and provisions are hereby incorporated herein by reference and made a part hereof. In the event of any conflict between the terms and provisions of the Stockholders' Agreement and this Option Agreement, the Stockholders' Agreement shall govern and control. This Option Agreement also remains subject to the terms of the Plan, and, in the event of any conflict between the terms and provisions of the Plan and this Option Agreement, the Plan shall govern and control.

Exhibit 10.31

INDEMNIFICATION AGREEMENT

This Indemnification Agreement is effective as of [•], 20[•] (this "**Agreement**") and is between BrightSpring Health Services, Inc., a Delaware corporation (the "**Company**"), and the undersigned director/officer of the Company (the "**Indemnitee**").

Background

The Company believes that, in order to attract and retain highly competent persons to serve as directors or in other capacities, including as officers, it must provide such persons with adequate protection through indemnification against the risks of claims and actions against them arising out of their services to and activities on behalf of the Company.

The Company desires and has requested Indemnitee to serve as a director and/or officer of the Company and, in order to induce Indemnitee to serve in such capacity, the Company is willing to grant Indemnitee the indemnification provided for herein. Indemnitee is willing to so serve on the basis that such indemnification be provided.

The parties by this Agreement desire to set forth their agreement regarding indemnification and the advancement of expenses.

In consideration of Indemnitee's service to the Company, the covenants and agreements set forth below and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

Section 1. Indemnification.

To the fullest extent permitted by the General Corporation Law of the State of Delaware (the "**DGCL**"), but subject to Section 6:

(a) The Company shall indemnify Indemnitee if Indemnitee was or is made or is threatened to be made a party to, or is otherwise involved in, as a witness or otherwise, any threatened, pending or completed action, suit or proceeding (brought by or in the right of the Company or otherwise), whether civil, criminal, administrative or investigative, and whether formal or informal, including appeals, by reason of the fact that Indemnitee is or was or has agreed to serve as a director or officer of the Company, or while serving as a director or officer of the Company, is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, fiduciary, partner or manager or similar capacity) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise, or by reason of any action alleged to have been taken or omitted in any such capacity.

(b) The indemnification provided by this Section 1 shall be from and against all loss and liability suffered and expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by or on behalf of Indemnitee in connection with such action, suit or proceeding, including any appeals.

Section 2. Advance Payment of Expenses. To the fullest extent permitted by the DGCL, expenses (including attorneys' fees) incurred by Indemnitee in appearing at, participating in or defending any action, suit or proceeding or in connection with an enforcement action as contemplated by Section 3(e), shall be paid by the Company in advance of the final disposition of such action, suit or proceeding within 30 days after receipt by the Company of a statement or statements from Indemnitee requesting such advance

or advances from time to time. Indemnitee hereby undertakes to repay any amounts advanced (without interest) to the extent that it is ultimately determined that Indemnitee is not entitled under this Agreement to be indemnified by the Company in respect thereof. No other form of undertaking shall be required of Indemnitee other than the execution of this Agreement. This Section 2 shall be subject to Section 3(b) and shall not apply to any claim made by Indemnitee for which indemnity is excluded pursuant to Sections 6 and 7.

Section 3. Procedure for Indemnification; Notification and Defense of Claim.

(a) Promptly after receipt by Indemnitee of notice of the commencement of any action, suit or proceeding, Indemnitee shall, if a claim in respect thereof is to be made against the Company hereunder, notify the Company in writing of the commencement thereof. The failure to promptly notify the Company of the commencement of the action, suit or proceeding, or of Indemnitee's request for indemnification, will not relieve the Company from any liability that it may have to Indemnitee hereunder, except to the extent the Company is actually and materially prejudiced in its defense of such action, suit or proceeding as a result of such failure. To obtain indemnification under this Agreement, Indemnitee shall submit to the Company a written request therefor including such documentation and information as is reasonably available to Indemnitee and is reasonably necessary to enable the Company to determine whether and to what extent Indemnitee is entitled to indemnification.

(b) With respect to any action, suit or proceeding of which the Company is so notified as provided in this Agreement, the Company shall, subject to the last two sentences of this paragraph, be entitled to assume the defense of such action, suit or proceeding, with counsel reasonably acceptable to Indemnitee, upon the delivery to Indemnitee of written notice of its election to do so. After delivery of such notice, approval of such counsel by Indemnitee and the retention of such counsel by the Company, the Company will not be liable to Indemnitee under this Agreement for any subsequently-incurred fees of separate counsel engaged by Indemnitee with respect to the same action, suit or proceeding unless the employment of separate counsel by Indemnitee has been previously authorized in writing by the Company. Notwithstanding the foregoing, if Indemnitee, based on the advice of his or her counsel, shall have reasonably concluded (with written notice being given to the Company setting forth the basis for such conclusion) that, in the conduct of any such defense, there is or is reasonably likely to be a conflict of interest or position between the Company and Indemnitee with respect to a significant issue, then the Company will not be entitled, without the written consent of Indemnitee, to assume such defense, and, if the Company has already assumed such defense prior to receipt of such notice, Indemnitee will be entitled to take over such defense from the Company. In addition, the Company will not be entitled, without the written consent of Indemnitee, to assume the defense of any claim against Indemnitee brought by or in the right of the Company.

(c) To the fullest extent permitted by the DGCL, unless Indemnitee is ineligible for indemnification pursuant to Section 6, the Company's assumption of the defense of an action, suit or proceeding in accordance with paragraph (b) above will constitute an irrevocable acknowledgement by the Company that any loss and liability suffered by Indemnitee and expenses (including attorneys' fees), judgments, fines and amounts paid in settlement by or for the account of Indemnitee incurred in connection therewith are indemnifiable by the Company under Section 1, absent a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification.

(d) The determination whether to grant Indemnitee's indemnification request shall be made promptly and in any event within 30 days following the Company's receipt of a request for indemnification in accordance with Section 3(a). If the Company determines that Indemnitee is entitled to such indemnification or, as contemplated by paragraph (c) above, the Company has acknowledged such

entitlement, the Company will make payment to Indemnitee of the indemnifiable amount within such 30 day period. If the Company is not deemed to have so acknowledged such entitlement or the Company's determination of whether to grant Indemnitee's indemnification request shall not have been made within such 30 day period, the requisite determination of entitlement to indemnification shall, subject to Section 6, nonetheless be deemed to have been made and Indemnitee shall be entitled to such indemnification, absent (i) a misstatement by Indemnitee of a material fact, or an omission of a material fact necessary to make Indemnitee's statement not materially misleading, in connection with the request for indemnification, or (ii) a prohibition of such indemnification under the DGCL.

(e) In the event that (i) the Company determines in accordance with this Section 3 that Indemnitee is not entitled to indemnification under this Agreement, (ii) the Company denies a request for indemnification, in whole or in part, or fails to respond or make a determination of entitlement to indemnification within 30 days following receipt of a request for indemnification as described above, (iii) payment of indemnification is not made within such 30 day period, (iv) advancement of expenses is not timely made in accordance with Section 2, or (v) the Company or any other person takes or threatens to take any action to declare this Agreement void or unenforceable, or institutes any litigation or other action or proceeding designed to deny, or to recover from, Indemnitee the benefits provided or intended to be provided to Indemnitee hereunder, Indemnitee shall be entitled to an adjudication in any court of competent jurisdiction of his or her entitlement to such indemnification or advancement of expenses. Indemnitee's expenses (including attorneys' fees) incurred in connection with successfully establishing Indemnitee's right to indemnification or advancement of expenses, in whole or in part, in any such proceeding or otherwise shall also be indemnified by the Company to the fullest extent permitted by the DGCL.

(f) Subject to Sections 6 and 7, Indemnitee shall be presumed to be entitled to indemnification and advancement of expenses under this Agreement upon submission of a request therefor in accordance with Sections 2 or 3, as the case may be. The Company shall have the burden of proof in overcoming such presumption, and such presumption shall be used as a basis for a determination of entitlement to indemnification and advancement of expenses unless the Company overcomes such presumption by clear and convincing evidence.

Section 4. Insurance and Subrogation.

(a) The Company shall use its reasonable best efforts to purchase and maintain a policy or policies of insurance with reputable insurance companies, providing Indemnitee with coverage for any liability asserted against, and incurred by, Indemnitee or on Indemnitee's behalf by reason of the fact that Indemnitee is or was or has agreed to serve as a director or officer of the Company, or while serving as a director or officer of the Company, is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, fiduciary, partner or manager or similar capacity) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise, or arising out of Indemnitee's status as such, whether or not the Company would have the power to indemnify Indemnitee against such liability under the provisions of this Agreement. Such insurance policies shall have coverage terms and policy limits at least as favorable to Indemnitee as the insurance coverage provided to any other director or officer of the Company. Notwithstanding the foregoing, the Company shall have no obligation to obtain or maintain such insurance if the Company determines in good faith that such insurance is not reasonably available, if the premium costs for such insurance are disproportionate to the amount of the coverage provided, if the coverage provided by such insurance is limited by exclusions so as to provide an insufficient benefit or if the Company otherwise determines in good faith that obtaining or maintaining such insurance is not in the best interests of the Company. If the Company has such insurance in effect at the time the Company receives from Indemnitee any notice of the commencement of an action, suit or proceeding, the Company shall give prompt notice of the commencement of such action, suit or proceeding to the insurers in accordance with the procedures set forth in the policy. The Company shall thereafter take all necessary or desirable action to cause such insurers to pay, on behalf of Indemnitee, all amounts payable as a result of such proceeding in accordance with the terms of such policy.

(b) Subject to Section 9(b), in the event of any payment by the Company under this Agreement, the Company shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee with respect to any insurance policy maintained by the Company. Indemnitee shall execute all papers required and take all action necessary to secure such rights, including execution of such documents as are necessary to enable the Company to bring suit to enforce such rights in accordance with the terms of such insurance policy. The Company shall pay or reimburse all expenses actually and reasonably incurred by Indemnitee in connection with such subrogation.

(c) Subject to Section 9(b), the Company shall not be liable under this Agreement to make any payment of amounts otherwise indemnifiable hereunder (including, but not limited to, judgments, fines and amounts paid in settlement, and excise taxes or penalties relating to the Employee Retirement Income Security Act of 1974, as amended) if and to the extent that Indemnitee has otherwise actually received such payment under this Agreement or any insurance policy other than an insurance policy maintained by an Indemnitee-related entity, contract, agreement or otherwise.

Section 5. Certain Definitions. For purposes of this Agreement, the following definitions shall apply:

(a) The term "**action, suit or proceeding**" shall be broadly construed and shall include, without limitation, the investigation, inquiry, hearing, preparation, prosecution, defense, mediation, settlement, arbitration and appeal of, and the giving of testimony in, any threatened, pending or completed claim, action, suit, arbitration, alternative dispute mechanism or proceeding, whether civil, criminal, administrative or investigative, and whether made pursuant to federal, state or other law.

(b) The term "**by reason of the fact that Indemnitee is or was or has agreed to serve as a director or officer of the Company, or while serving as a director or officer of the Company, is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, partner or manager or similar capacity) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise**" shall be broadly construed and shall include, without limitation, any actual or alleged act or omission to act.

(c) The term "**expenses**" shall be broadly construed and shall include, without limitation, all direct and indirect costs of any type or nature whatsoever (including, without limitation, all attorneys' fees and related disbursements, appeal bonds, other out-of-pocket costs and reasonable compensation for time spent by Indemnitee for which Indemnitee is not otherwise compensated by the Company or any third party), actually and reasonably incurred by Indemnitee in connection with either the investigation, defense or appeal of an action, suit or proceeding or establishing or enforcing a right to indemnification under this Agreement or otherwise incurred in connection with a claim that is indemnifiable hereunder. Expenses, however, shall not include amounts paid in settlement by Indemnitee or the amounts of judgments and fines or amounts paid in settlement.

(d) The term "**judgments, fines and amounts paid in settlement**" shall be broadly construed and shall include, without limitation, all direct and indirect payments of any type or nature whatsoever, as well as any penalties or excise taxes assessed on a person with respect to an employee benefit plan).

Section 6. Limitation on Indemnification.

Notwithstanding any other provision herein to the contrary, the Company shall not be obligated pursuant to this Agreement:

(a) Claims Initiated by Indemnitee. To indemnify or advance expenses to Indemnitee with respect to an action, suit or proceeding (or part thereof) initiated by Indemnitee, except with respect to any compulsory counterclaim brought by Indemnitee in response to an action, suit or proceeding otherwise indemnifiable under this Agreement or an action, suit or proceeding brought to establish or enforce a right to indemnification or advancement of expenses under this Agreement (which shall be governed by the provisions of Section 6(b)), unless such action, suit or proceeding (or part thereof) was authorized or consented to by the Board of Directors of the Company.

(b) Action for Indemnification. To indemnify Indemnitee for any expenses incurred by Indemnitee with respect to any action, suit or proceeding instituted by Indemnitee to enforce or interpret this Agreement, unless Indemnitee is successful in such action, suit or proceeding in establishing Indemnitee's right, in whole or in part, to indemnification or advancement of expenses hereunder (in which case such indemnification or advancement shall be provided to the fullest extent permitted by the DGCL), or unless and to the extent that the court in such action, suit or proceeding shall determine that, despite Indemnitee's failure to establish his or her right to indemnification, Indemnitee is entitled to indemnification for such expenses; provided, however, that nothing in this Section 6(b) is intended to limit the Company's obligations with respect to the advancement of expenses to Indemnitee in connection with any such action, suit or proceeding instituted by Indemnitee to enforce or interpret this Agreement, as provided in Section 2.

(c) Certain Exchange Act Claims. To indemnify Indemnitee in connection with any action, suit or proceeding made against Indemnitee for (i) disgorgement of profits made from the purchase or sale by Indemnitee of securities of the Company pursuant to the provisions of Section 16(b) of the Securities Exchange Act of 1934, as amended (the "**Exchange Act**") or similar provisions of state statutory law or common law, (ii) any reimbursement of the Company by Indemnitee of any bonus or other incentive-based or equity-based compensation or of any profits realized by Indemnitee from the sale of securities of the Company, as required in each case under the Exchange Act (including any such reimbursements that arise from an accounting restatement of the Company pursuant to Section 304 of the Sarbanes-Oxley Act of 2002 (the "**Sarbanes-Oxley Act**"), or the payment to the Company of profits arising from the purchase and sale by Indemnitee of securities in violation of Section 306 of the Sarbanes-Oxley Act) or (iii) any reimbursement of the Company by Indemnitee of any compensation pursuant to any compensation recoupment or clawback policy adopted by the Board of Directors of the Company or the compensation committee of the Board of Directors of the Company, including but not limited to any such policy adopted to comply with stock exchange listing requirements implementing Section 10D of the Exchange Act.

(d) Fraud or Willful Misconduct. To indemnify Indemnitee on account of conduct by Indemnitee where such conduct has been determined by a final (not interlocutory) judgment or other adjudication of a court or arbitration or administrative body of competent jurisdiction as to which there is no further right or option of appeal or the time within which an appeal must be filed has expired without such filing to have been knowingly fraudulent or constitute willful misconduct.

(e) Prohibited by Law. To indemnify Indemnitee in any circumstance where such indemnification has been determined by a final (not interlocutory) judgment or other adjudication of a court or arbitration or administrative body of competent jurisdiction as to which there is no further right or option of appeal, or the time within which an appeal must be filed has expired without such filing having been made, to be prohibited by law.

Section 7. Certain Settlement Provisions. Notwithstanding any other provision herein to the contrary, the Company shall have no obligation to indemnify Indemnitee under this Agreement for any amounts paid in settlement of any action, suit or proceeding without the Company's prior written consent. The Company shall not settle any action, suit or proceeding in any manner that would impose any fine or other obligation on Indemnitee without Indemnitee's prior written consent. Neither the Company nor Indemnitee will unreasonably withhold his, her, its or their consent to any proposed settlement.

Section 8. Savings Clause. If any provision or provisions (or portion thereof) of this Agreement shall be invalidated on any ground by any court of competent jurisdiction, then the Company shall nevertheless indemnify Indemnitee if Indemnitee was or is made or is threatened to be made a party or is otherwise involved in any threatened, pending or completed action, suit or proceeding (brought by or in the right of the Company or otherwise), whether civil, criminal, administrative or investigative and whether formal or informal, including appeals, by reason of the fact that Indemnitee is or was or has agreed to serve as a director or officer of the Company, or while serving as a director or officer of the Company, is or was serving or has agreed to serve at the request of the Company as a director, officer, employee or agent (which, for purposes hereof, shall include a trustee, partner or manager or similar capacity) of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise, or by reason of any action alleged to have been taken or omitted in such capacity, from and against all loss and liability suffered and expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred by or on behalf of Indemnitee in connection with such action, suit or proceeding, including any appeals, to the fullest extent permitted by any applicable portion of this Agreement that shall not have been invalidated.

Section 9. Contribution/Jointly Indemnifiable Claims.

(a) In order to provide for just and equitable contribution in circumstances in which the indemnification provided for herein is held by a court of competent jurisdiction to be unavailable to Indemnitee in whole or in part, it is agreed that, in such event, the Company shall, to the fullest extent permitted by law, contribute to the payment of all of Indemnitee's loss and liability suffered and expenses (including reasonable attorneys' fees), judgments, fines and amounts paid in settlement reasonably incurred by or on behalf of Indemnitee in connection with any action, suit or proceeding, including any appeals, in an amount that is just and equitable in the circumstances; provided, that, without limiting the generality of the foregoing, such contribution shall not be required where such holding by the court is due to any limitation on indemnification set forth in Sections 4(c), 6 or 7.

(b) Given that certain jointly indemnifiable claims may arise due to the service of Indemnitee as a director and/or officer of the Company at the request of Indemnitee-related entities, the Company acknowledges and agrees that the Company shall be fully and primarily responsible for the payment to Indemnitee in respect of indemnification or advancement of expenses in connection with any such jointly indemnifiable claim, pursuant to and in accordance with the terms of this Agreement, irrespective of any right of recovery Indemnitee may have from Indemnitee-related entities. Under no circumstance shall the Company be entitled to any right of subrogation against or contribution by Indemnitee-related entities and no right of advancement, indemnification or recovery Indemnitee may have from Indemnitee-related entities shall reduce or otherwise alter the rights of Indemnitee or the obligations of the Company hereunder. In the event that any of Indemnitee-related entities shall make any payment to Indemnitee in respect of indemnification or advancement of expenses with respect to any jointly indemnifiable claim, the Indemnitee-related entity making such payment shall be subrogated to the extent of such payment to all of the rights of recovery of Indemnitee against the Company, and Indemnitee shall execute all papers reasonably required and shall do all things that may be reasonably necessary to secure such rights, including the execution of such documents as may be necessary to enable Indemnitee-related entities effectively to bring suit to enforce such rights. The Company and Indemnitee agree that each of

Indemnitee-related entities shall be third-party beneficiaries with respect to this Section 9(b), entitled to enforce this Section 9(b) as though each such Indemnitee-related entity were a party to this Agreement. For purposes of this Section 9(b), the following terms shall have the following meanings:

(i) The term "Indemnitee-related entities" means any corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (other than the Company or any other corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise for which Indemnitee has agreed, on behalf of the Company or at the Company's request, to serve as a director, officer, employee or agent and which service is covered by the indemnity described in this Agreement) from whom an Indemnitee may be entitled to indemnification or advancement of expenses with respect to which, in whole or in part, the Company may also have an indemnification or advancement obligation (other than as a result of obligations under an insurance policy).

(ii) The term "jointly indemnifiable claims" shall be broadly construed and shall include, without limitation, any action, suit or proceeding for which Indemnitee shall be entitled to indemnification or advancement of expenses from both Indemnitee-related entities and the Company pursuant to the DGCL or other comparable governing law, or any agreement or the certificate of incorporation, bylaws, partnership agreement, operating agreement, certificate of formation, certificate of limited partnership or other comparable organizational documents of the Company or Indemnitee-related entities, as applicable.

Section 10. Form and Delivery of Communications. All notices, requests, demands and other communications under this Agreement shall be in writing and shall be deemed to have been duly given if (a) delivered by hand, upon receipt by the party to whom said notice or other communication shall have been directed, (b) mailed by certified or registered mail with postage prepaid, on the third business day after the date on which it is so mailed, (c) mailed by reputable overnight courier, one day after deposit with such courier and with written verification of receipt, or (d) sent by email transmission, with receipt of oral or written confirmation that such transmission has been received. Notice to the Company shall be directed to BrightSpring Health Services, Inc., Attention: Chief Legal Officer and Secretary, email: ****. Notice to Indemnitee shall be directed to Indemnitee's contact information on file with the Company.

Section 11. Nonexclusivity. The provisions for indemnification and advancement of expenses set forth in this Agreement shall not be deemed exclusive of any other rights which Indemnitee may have under the certificate of incorporation of the Company, the bylaws of the Company, any provision of law, in any court in which a proceeding is brought, other agreements or otherwise, and Indemnitee's rights hereunder shall inure to the benefit of the heirs, executors and administrators of Indemnitee. No amendment or alteration of the Company's certificate of incorporation or bylaws or any other agreement shall adversely affect the rights provided to Indemnitee under this Agreement.

Section 12. No Construction as Employment Agreement. Nothing contained herein shall be construed as giving Indemnitee any right to be retained as a director of the Company or in the employ of the Company. For the avoidance of doubt, the indemnification and advancement of expenses provided under this Agreement shall continue as to Indemnitee even though he or she may have ceased to be a director or officer of the Company.

Section 13. Interpretation of Agreement. It is understood that the parties hereto intend this Agreement to be interpreted and enforced so as to provide indemnification to Indemnitee to the fullest extent now or hereafter permitted by the DGCL.

Section 14. Entire Agreement. This Agreement and the documents expressly referred to herein constitute the entire agreement between the parties hereto with respect to the matters covered hereby, and any other prior or contemporaneous oral or written understandings or agreements with respect to the matters covered hereby are expressly superseded by this Agreement.

Section 15. Modification and Waiver. No supplement, modification, waiver or amendment of this Agreement shall be binding unless executed in writing by both of the parties hereto. No waiver of any of the provisions of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar) nor shall such waiver constitute a continuing waiver. For the avoidance of doubt, this Agreement may not be terminated by the Company without Indemnitee's prior written consent.

Section 16. Successor and Assigns. All of the terms and provisions of this Agreement shall be binding upon, shall inure to the benefit of and shall be enforceable by the parties hereto and their respective successors, assigns, heirs, executors, administrators and legal representatives. The Company shall require and cause any direct or indirect successor (whether by purchase, merger, consolidation or otherwise) to all or substantially all of its business, equity or assets, by written agreement in form and substance reasonably satisfactory to Indemnitee, expressly to assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform if no such succession had taken place.

Section 17. Service of Process and Venue. The Company and Indemnitee hereby (i) irrevocably and unconditionally agree that any action or proceeding arising out of or in connection with this Agreement shall be brought only in the Chancery Court of the State of Delaware (the "**Delaware Court**"), and not in any other state or federal court in the United States of America or any court in any other country, (ii) irrevocably and unconditionally consent to submit to the exclusive jurisdiction of the Delaware Court for purposes of any action or proceeding arising out of or in connection with this Agreement, (iii) appoint, to the extent such party is not otherwise subject to service of process in the State of Delaware, [Corporation Service Company, 251 Little Falls Drive, County of New Castle, Wilmington, DE 19808,] or another agent, as its agent in the State of Delaware as such party's agent for acceptance of legal process in connection with any such action or proceeding against such party with the same legal force and validity as if served upon such party personally within the State of Delaware, (iv) irrevocably and unconditionally waive any objection to the laying of venue of any such action or proceeding in the Delaware Court, and (v) irrevocably and unconditionally waive, and agree not to plead or to make, any claim that any such action or proceeding brought in the Delaware Court has been brought in an improper or inconvenient forum.

Section 18. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Delaware. If a court of competent jurisdiction shall make a final determination that the provisions of the law of any state other than Delaware govern indemnification by the Company of Indemnitee, then the indemnification provided under this Agreement shall in all instances be enforceable to the fullest extent permitted under such law, notwithstanding any provision of this Agreement to the contrary.

Section 19. Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original and all of which together shall be deemed to be one and the same instrument, notwithstanding that both parties are not signatories to the original or same counterpart. Signatures transmitted electronically, including in portable document format (".pdf"), shall be accepted as originals for all purposes of this Agreement. The words "execution," "signed," "signature," "delivery," and words of like import in or relating to this Agreement or any document to be signed in connection with this Agreement shall be deemed to include electronic signatures, deliveries or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature, physical delivery thereof or the use of a paper-based recordkeeping system, as the case may be, and the parties hereto consent to conduct the transactions contemplated hereunder by electronic means.

ARTICLES OF ASSOCIATION
OF
U. S. BANK TRUST COMPANY, NATIONAL ASSOCIATION

For the purpose of organizing an association (the "Association") to perform any lawful activities of national banks, the undersigned enter into the following Articles of Association:

FIRST. The title of this Association shall be U. S. Bank Trust Company, National Association.

SECOND. The main office of the Association shall be in the city of Portland, county of Multnomah, state of Oregon. The business of the Association will be limited to fiduciary powers and the support of activities incidental to the exercise of those powers. The Association may not expand or alter its business beyond that stated in this article without the prior approval of the Comptroller of the Currency.

THIRD. The board of directors of the Association shall consist of not less than five nor more than twenty-five persons, the exact number to be fixed and determined from time to time by resolution of a majority of the full board of directors or by resolution of a majority of the shareholders at any annual or special meeting thereof. Each director shall own common or preferred stock of the Association or of a holding company owning the Association, with an aggregate par, fair market, or equity value of not less than $1,000, as of either (i) the date of purchase, (ii) the date the person became a director, or (iii) the date of that person's most recent election to the board of directors, whichever is more recent. Any combination of common or preferred stock of the Association or holding company may be used.

Any vacancy in the board of directors may be filled by action of a majority of the remaining directors between meetings of shareholders. The board of directors may increase the number of directors up to the maximum permitted by law. Terms of directors, including directors selected to fill vacancies, shall expire at the next regular meeting of shareholders at which directors are elected, unless the directors resign or are removed from office. Despite the expiration of a director's term, the director shall continue to serve until his or her successor is elected and qualified or until there is a decrease in the number of directors and his or her position is eliminated.

Honorary or advisory members of the board of directors, without voting power or power of final decision in matters concerning the business of the Association, may be appointed by resolution of a majority of the full board of directors, or by resolution of shareholders at any annual or special meeting. Honorary or advisory directors shall not be counted to determined the number of directors of the Association or the presence of a quorum in connection with any board action, and shall not be required to own qualifying shares.

FOURTH. There shall be an annual meeting of the shareholders to elect directors and transact whatever other business may be brought before the meeting. It shall be held at the main office or any other convenient place the board of directors may designate, on the day of each year specified therefor in the Bylaws, or if that day falls on a legal holiday in the state in which the

Association is located, on the next following banking day. If no election is held on the day fixed or in the event of a legal holiday on the following banking day, an election may be held on any subsequent day within 60 days of the day fixed, to be designated by the board of directors, or, if the directors fail to fix the day, by shareholders representing two-thirds of the shares issued and outstanding. In all cases, at least 10 days' advance notice of the meeting shall be given to the shareholders by first-class mail.

In all elections of directors, the number of votes each common shareholder may cast will be determined by multiplying the number of shares he or she owns by the number of directors to be elected. Those votes may be cumulated and cast for a single candidate or may be distributed among two or more candidates in the manner selected by the shareholder. On all other questions, each common shareholder shall be entitled to one vote for each share of stock held by him or her.

A director may resign at any time by delivering written notice to the board of directors, its chairperson, or to the Association, which resignation shall be effective when the notice is delivered unless the notice specifies a later effective date.

A director may be removed by the shareholders at a meeting called to remove him or her, when notice of the meeting stating that the purpose or one of the purposes is to remove him or her is provided, if there is a failure to fulfill one of the affirmative requirements for qualification, or for cause; provided, however, that a director may not be removed if the number of votes sufficient to elect him or her under cumulative voting is voted against his or her removal.

FIFTH. The authorized amount of capital stock of the Association shall be 1,000,000 shares of common stock of the par value of ten dollars ($10) each; but said capital stock may be increased or decreased from time to time, according to the provisions of the laws of the United States. The Association shall have only one class of capital stock.

No holder of shares of the capital stock of any class of the Association shall have any preemptive or preferential right of subscription to any shares of any class of stock of the Association, whether now or hereafter authorized, or to any obligations convertible into stock of the Association, issued, or sold, nor any right of subscription to any thereof other than such, if any, as the board of directors, in its discretion, may from time to time determine and at such price as the board of directors may from time to time fix.

Transfers of the Association's stock are subject to the prior written approval of a federal depository institution regulatory agency. If no other agency approval is required, the approval of the Comptroller of the Currency must be obtained prior to any such transfers.

Unless otherwise specified in the Articles of Association or required by law, (1) all matters requiring shareholder action, including amendments to the Articles of Association must be approved by shareholders owning a majority voting interest in the outstanding voting stock, and (2) each shareholder shall be entitled to one vote per share.

Unless otherwise specified in the Articles of Association or required by law, all shares of voting stock shall be voted together as a class, on any matters requiring shareholder approval.

Unless otherwise provided in the Bylaws, the record date for determining shareholders entitled to notice of and to vote at any meeting is the close of business on the day before the first notice is mailed or otherwise sent to the shareholders, provided that in no event may a record date be more than 70 days before the meeting.

The Association, at any time and from time to time, may authorize and issue debt obligations, whether subordinated, without the approval of the shareholders. Obligations classified as debt, whether subordinated, which may be issued by the Association without the approval of shareholders, do not carry voting rights on any issue, including an increase or decrease in the aggregate number of the securities, or the exchange or reclassification of all or part of securities into securities of another class or series.

SIXTH. The board of directors shall appoint one of its members president of this Association and one of its members chairperson of the board and shall have the power to appoint one or more vice presidents, a secretary who shall keep minutes of the directors' and shareholders' meetings and be responsible for authenticating the records of the Association, and such other officers and employees as may be required to transact the business of this Association. A duly appointed officer may appoint one or more officers or assistant officers if authorized by the board of directors in accordance with the Bylaws.

The board of directors shall have the power to:

(1) Define the duties of the officers, employees, and agents of the Association.

(2) Delegate the performance of its duties, but not the responsibility for its duties, to the officers, employees, and agents of the Association.

(3) Fix the compensation and enter employment contracts with its officers and employees upon reasonable terms and conditions consistent with applicable law.

(4) Dismiss officers and employees.

(5) Require bonds from officers and employees and to fix the penalty thereof.

(6) Ratify written policies authorized by the Association's management or committees of the board.

(7) Regulate the manner any increase or decrease of the capital of the Association shall be made; provided that nothing herein shall restrict the power of shareholders to increase or decrease the capital of the Association in accordance with law, and nothing shall raise or lower from two-thirds the percentage required for shareholder approval to increase or reduce the capital.

(8) Manage and administer the business and affairs of the Association.

(9) Adopt initial Bylaws, not inconsistent with law or the Articles of Association, for managing the business and regulating the affairs of the Association.

(10) Amend or repeal Bylaws, except to the extent that the Articles of Association reserve this power in whole or in part to the shareholders.

(11) Make contracts.

(12) Generally perform all acts that are legal for a board of directors to perform.

SEVENTH. The board of directors shall have the power to change the location of the main office to any authorized branch within the limits of the city of Portland, Oregon, without the approval of the shareholders, or with a vote of shareholders owning two-thirds of the stock of the Association for a location outside such limits and upon receipt of a certificate of approval from the Comptroller of the Currency, to any other location within or outside the limits of the city of Portland, Oregon, but not more than thirty miles beyond such limits. The board of directors shall have the power to establish or change the location of any office or offices of the Association to any other location permitted under applicable law, without approval of shareholders, subject to approval by the Comptroller of the Currency.

EIGHTH. The corporate existence of this Association shall continue until termination according to the laws of the United States.

NINTH. The board of directors of the Association, or any shareholder owning, in the aggregate, not less than 25 percent of the stock of the Association, may call a special meeting of shareholders at any time. Unless otherwise provided by the Bylaws or the laws of the United States, or waived by shareholders, a notice of the time, place, and purpose of every annual and special meeting of the shareholders shall be given by first-class mail, postage prepaid, mailed at least 10, and no more than 60, days prior to the date of the meeting to each shareholder of record at his/her address as shown upon the books of the Association. Unless otherwise provided by the Bylaws, any action requiring approval of shareholders must be effected at a duly called annual or special meeting.

TENTH. These Articles of Association may be amended at any regular or special meeting of the shareholders by the affirmative vote of the holders of a majority of the stock of the Association, unless the vote of the holders of a greater amount of stock is required by law, and in that case by the vote of the holders of such greater amount; provided, that the scope of the Association's activities and services may not be expanded without the prior written approval of the Comptroller of the Currency. The Association's board of directors may propose one or more amendments to the Articles of Association for submission to the shareholders.

In witness whereof, we have hereunto set our hands this 11th of June, 1997.

Section 2.10. Remote Meetings. Members of the Board, or of any committee thereof, may participate in a meeting of such Board or committee by means of conference telephone, video or similar communications equipment by means of which all persons participating in the meeting can hear each other and such participation shall constitute presence in person at such meeting.

The Trust Management Committee shall determine policies governing fiduciary activities. The Trust Management Committee or such sub-committees, officers or others as may be duly designated by the Trust Management Committee shall oversee the processes related to fiduciary activities to assure conformity with fiduciary policies it establishes, including ratifying the acceptance and the closing out or relinquishment of all trusts. The Trust Management Committee will provide regular reports of its activities to the Board.

Section 3.5. Other Committees. The Board may appoint, from time to time, committees of one or more persons who need not be directors, for such purposes and with such powers as the Board may determine; however, the Board will not delegate to any committee any powers or responsibilities that it is prohibited from delegating under any law or regulation. In addition, either the Chairman or the President may appoint, from time to time, committees of one or more officers, employees, agents or other persons, for such purposes and with such powers as either the Chairman or the President deems appropriate and proper. Whether appointed by the Board, the Chairman, or the President, any such committee shall at all times be subject to the direction and control of the Board.

Section 3.6. Meetings, Minutes and Rules. An advisory board of directors and/or committee shall meet as necessary in consideration of the purpose of the advisory board of directors or committee, and shall maintain minutes in sufficient detail to indicate actions taken or recommendations made; unless required by the members, discussions, votes or other specific details need not be reported. An advisory board of directors or a committee may, in consideration of its purpose, adopt its own rules for the exercise of any of its functions or authority.

Section 4.2. President. The Board may appoint one of its members to be President of the Association. In the absence of the Chairman, the President shall preside at any meeting of the Board. The President shall have general executive powers, and shall have and may exercise any and all other powers and duties pertaining by law, regulation or practice, to the office of President, or imposed by these Bylaws. The President shall also have and may exercise such powers and duties as from time to time may be conferred or assigned by the Board.

Section 4.3. Vice President. The Board may appoint one or more Vice Presidents who shall have such powers and duties as may be assigned by the Board and to perform the duties of the President on those occasions when the President is absent, including presiding at any meeting of the Board in the absence of both the Chairman and President.

Section 4.4. Secretary. The Board shall appoint a Secretary, or other designated officer who shall be Secretary of the Board and of the Association, and shall keep accurate minutes of all meetings. Any person may hold two offices.

Section 5.1. The Board may authorize the issuance of stock either in certificated or in uncertificated form. Certificates for shares of stock shall be in such form as the Board may from time to time prescribe. If the Board issues certificated stock, the certificate shall be signed by the President, Secretary or any other such officer as the Board so determines. Shares of stock shall be transferable on the books of the Association, and a transfer book shall be kept in which all transfers of stock shall be recorded. Every person becoming a shareholder by such transfer shall, in proportion to such person's shares, succeed to all rights of the prior holder of such shares. Each certificate of stock shall recite on its face that the stock represented thereby is transferable only upon the books of the Association properly endorsed. The Board may impose conditions upon the transfer of the stock reasonably calculated to simplify the work of the Association for stock transfers, voting at shareholder meetings, and related matters, and to protect it against fraudulent transfers.

The provisions of this section are supplementary to any other provision of the Articles of Association or Bylaws.

Section 7.5. Notice. Whenever notice is required by the Articles of Association, the Bylaws or law, such notice shall be by mail, postage prepaid, e- mail, in person, or by any other means by which such notice can reasonably be expected to be received, using the address of the person to receive such notice, or such other personal data, as may appear on the records of the Association.

Such insurance shall be consistent with the requirements of 12 C.F.R. § 7.2014 and shall exclude coverage of liability for a formal order assessing civil money penalties against an institution-affiliated party, as defined at 12 U.S.C. § 1813(u).

Section 8.2. Notwithstanding Section 8.1, however, (a) any indemnification payments to an institution-affiliated party, as defined at 12 U.S.C. § 1813(u), for an administrative proceeding or civil action initiated by a federal banking agency, shall be reasonable and consistent with the requirements of 12 U.S.C. § 1828(k) and the implementing regulations thereunder; and (b) any indemnification payments and advancement of costs and expenses to an institution-affiliated party, as defined at 12 U.S.C. § 1813(u), in cases involving an administrative proceeding or civil action not initiated by a federal banking agency, shall be in accordance with Delaware General Corporation Law and consistent with safe and sound banking practices.
